Michelle Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Cruella Chernabog.

Selene Emperyous: Along with the rest of your demonic sisters, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and nine mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Cruella Chernabog, the youngest of The Chernabog Sisters, and the seven remaining mists of darkness descended onto the ground and what stood in their places were Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, and Nocnitsa Chernabog, and the leader of The Chernabog Sisters, Adrastea Chernabog.

Michelle Emperyous: Cruella Chernabog, just as we expected.

Selene Emperyous: And you also had the nerve to bring Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, and Nocnitsa Chernabog with you when we ruined your sister's fun, Adrastea Chernabog.

Cruella Chernabog: You goody-two-shoes Emperyous sisters always had to go ahead and ruin our fun like you always do!

Adrastea Chernabog: And now, you will all pay!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, and Nocnitsa Chernabog came after us, but they were caught by a Sephiroth Tree of Life surrounded by six crosses that appeared below their feet and that made them scream demonically, and they were all trapped.

Adrastea Chernabog: (HISSES) IT'S A TRAP! NOW, WE CAN'T GET OUT!

Selene Emperyous: That's right, and now, you ten get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she just pulled this morning in Bogota, Columbia. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Cruella Chernabog: (ROARS) YOU MISERABLE, STUPID, LITTLE… !

Cruella Chernabog rushed at Melanie Emperyous and Lincoln and tried to kill them, but Lincoln and Michelle fired powerful blasts of fire and rainbow fire and when she got hit, she screeched like the demon that she really is as the flames burned her.

Michelle Emperyous: That'll teach you, but we're just getting started, Cruella, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Michelle Emperyous' crimson red eyes turned neon crimson red and she was surrounded by a crimson red energy aura with fire, crosses, golf balls, culinary items, and angels, she unholstered her massive Michion the Timelord-themed greatsword from her back, and as she approached Cruella Chernabog, she left crimson red energy, fire, golf balls, culinary items, crosses, and angels with every step.

Michelle Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Cruella Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Michelle Emperyous was surrounded by a massive vortex of crimson red energy with fire, golf balls, culinary items and crosses surrounding it, there are angels, Michion the Timelord, and St. Michael the Archangel flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Michelle Emperyous emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Michelle Emperyous grew from 6'5" to 7'4" in height, she has the body of a goddess, she has crimson red highlights in the bangs of her long flowing midnight black hair tied in a braid, she has neon crimson red eyes and a crimson red energy aura with fire, golf balls, culinary items, crosses, and angels surrounding her, she has the Seal of Michael in the hands of Michion the Timelord emblazoned on her forehead, she has on angel earrings with crimson red gems for eyes and holding the Fire, Holy, and Eternity Kanjis in its hands, she also has Michion the Timelord with crimson red gems for eyes and holding the Fire, Holy, and Eternity Kanjis in its hands on the bottom of her crimson red angel angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and crimson red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Michelle Emperyous has on a sleeveless crimson red closed blouse, sleeveless crimson red top, crimson red skirt with the Sephiroth Tree of Life on it, crimson red bellbottom pants with red designs on the pants, crimson red knee-high high-heeled boots, and long white sleeveless trenchcoat with fire, golf balls, culinary items, crosses, and angels on the coattails, and on the back is Michion the Timelord one one side and the Archangel St. Michael and they have a cross floating in their left and right hands and surrounded by fire.
Suddenly, Michelle Emperyous felt a sharp pain on her back, and

then, her massive crimson red angel wings with stars and red tips on the large crimson red feathers grew much bigger for her new body, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Michelle Emperyous' massive Lazion the Timelord-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of crimson red energy, crosses, fire, golf balls, culinary items, and angels and when it emerged, it was transformed into Michion the Timelord's Holy Firestorm Golfer Chef Archangel Greatsword of Holy Firestorm Justice, it's a brand-new large greatsword with Michion the Timelord and St. Michael the Archangel etched on the 7'0" massive, wide, double-edged crimson red blade, large angel heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large crimson red gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Michion the Timelord's head with crimson red gems for eyes and a large crimson red gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a crimson red kanji below Michion the Timelord and St. Michael that said, "Michelle Emperyous, Gene-Slammer of Michion the Timelord, Youngest of The Emperyous Sisters, Powerful Master of Fire and The Powers of St. Michael the Archangel, Amazing Golf Expert and Chef, Friend of Lori Loud, Clyde McBride, and Lynn Sr., Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Despiser of Scoots, Destroyer of Cruella Chernabog, Archenemy of Surtr, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Holy

Fire, Crosses, and Archangels"

Michelle Emperyous has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY GOLF CULINARY FIRESTORM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY FIRESTORM GOLF CULINARY ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY FIRESTORM CULINARY GOLF ARCHANGEL LOVE!

We were amazed by Michelle Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Cruella Chernabog saw it, she went fucking mad and fired a blast of darkness at Michelle Emperyous to kill her, but Melanie Emperyous fired a powerful crimson red energy blast with fire, crosses, golf balls, culinary items, and angels which overwhelmed the blast of darkness and it hits Cruella Chernabog, and she was sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now, Michelle Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Firestorm Timelord Justice and a champion of the Archangel St. Michael and Michelle, you look beautiful, how do you feel?

Michelle Emperyous: (Divine Echoing Cosmic Voice of The Holy Firestorm Timelord and Divine Holy Firestorm Love) **I feel incredible, Linky. Now, shall we destroy Cruella Chernabog once and for all?**

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Michelle.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Michelle Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to say your goodbyes forever, Cruella Chernabog, 'cause your days of causing chaos and havoc in Michigan and the world are over!**

Michelle Emperyous and Lincoln went after Cruella Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, crimson red energy, crosses, golf balls, culinary items, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Cruella Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was really making Cruella Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Michelle Emperyous and Lincoln were just getting started and Cruella's divine punishment has just begun. Cruella Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive and long white wolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Michelle Emperyous and Lincoln slashed off Cruella Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Cruella Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Michelle Emperyous, it was known as Michion the Timelord's Holy Archangel Firestorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's crimson red with waves of fire on the blaster with a Phoenix, Archangel, and Michion the Timelord surrounded by fire etched on the sides, and a crimson red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Melanie Emperyous fired blasts of rainbow energy, crimson red energy, and elemental forces and when they hit Cruella Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Cruella Chernabog's spirit appeared and Michelle Emperyous and Lincoln drew the Judgement Kanji and Seal of St. Michael on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Michelle Emperyous and Lincoln did to Cruella Chernabog as they holster their massive greatswords on their backs and powered down, and Michelle Emperyous' new body, clothes, weapons, jewelry, and massive crimson red angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, and Nocnitsa Chernabog, and they were horrified to see what happened to Cruella Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Griselda! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, and Nocnitsa Chernabog disappeared in six mists of darkness.

Nico: Yeah, that's right, go lick your wounds, bitch!

Melanie Emperyous: We've gotten rid of the youngest Chernabog Sisters, and now, all that's left to deal with are the six eldest Chernabog Sisters. Thanks for helping me destroy Cruella Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Michelle.

Suddenly, Michelle Emperyous wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Michelle Emperyous' face, they kissed passionately as Michelle Emperyous' left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Michion the Timelord, and the Archangel St. Michael flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and angels flying behind them and flames raging behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Michelle Emperyous came back to us, as the display and Michion the Timelord and the Archangel St. Michael vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and we really pissed off Adrastea and the other Chernabog Sisters, and they'll still do anything to get revenge on us, but we'll be ready for them.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show.

Lincoln: Yep, and for tomorrow, we're going to meet Kiara Vocesdebelleza the Uuduk Gene-Slammer.

Johanna Vocesdebelleza: (Spanish Accent) Awesome!

Lincoln: And Michelle's right, now all that's left is for us to deal with the six eldest members of The Chernabog Sisters, Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, Jezebeth Chernabog, and Nocnitsa Chernabog.

Rachel Emperyous: Which means you and I are going to deal with Nocnitsa Chernabog tomorrow, and then, you and Sadie are going to deal with Jezebeth Chernabog, followed by you and Sandra dealing with Mara Chernabog, then, you and Vorya will deal with Lillith Chernabog, then, you and Zaina will deal with Adrastea's second-in-command, Drusilla Chernabog, and finally, you and Selene will deal with the leader of The Chernabog Sisters, Adrastea Chernabog.

Lincoln: That's right, Rachel, and if we want to be fully ready for the battle against Queen Opaline, not only do we need all the info on her from Misty, but The Chernabog Sisters also need to go.

Selene Emperyous: That's right, Linky. Opaline's already a dangerous threat to all ponies for her evil xenophobic power-hungry ways, and The Chernabog Sisters are an equally dangerous threat to all of mankind, so we need to get rid of The Chernabog Sisters for good.

Nico: Before we make our move on Queen Opaline, and the battle between the Twelve Archangel and Timelord Sisters of Heaven and the Twelve Demon Sisters of Hell is fast approaching its climax with the epic showdown with Adrastea Chernabog.

Me: Lincoln and Selene Emperyous will make sure that she pays big time for her crimes in blood!

Selene Emperyous: Her and her sisters will all pay in blood.

Jack O Lantern: Looks the Hammer's been defeated.

Biowulf: Again.

Me: Yep.

Baron Mordo: Lucky for him, we're including him in our ranks now.

Nico: This is gonna be cool too.

Scorpion: Now, just one question.

Nico: What's that?

Zs'Skayr: What do we do with all this butternut squash soup?

Me: We have some for leftovers.

Nico: Good idea. (LOUD BURP) Oops sorry.

Qin: Man it was filling.

Nico: Yep. But great job everyone.

Me: And this was only an appetizer.

Nico: Yep.

Mordecai: (To the viewers) This was number one of the planets of Thanksgiving. We're going to have lots of fun on these.

Me: We sure are.

Nico: Lets go home.

We went back home and had lots of soup for leftovers. We enjoyed the rest of the day and went to sleep.

THE END

Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily are heading to the Endsville sector of the city and we're going to see that Billy is up to his idiotic shenanigans again. But this time with bubbly gum like in the episode The Bubble With Billy. Me and Billy are going to be in a TERRIBLE AND HORRIBLE FIGHT and it'll be where we get that gum out of him and he is going to pay the price for being stupid like always. Also we're going to battle Another Ultimate Chromastone and we're going to meet gene-slammers for Ghosttrick Siren, Sirenorca and Spiritual Whisper. They are the Ravenwood sisters and their names are Raven, Owl Wolf and Storm Eagle Littlefield and they are members of the Shoshone Tribe of Idaho and they are very good friends of Nico and he helped them around a wolf preserve and helped bring lots of wolves into the area. The match-up scene for the saga is for Rachel Emperyous, Raphion the Timelord and the sixth eldest of The Emperyous Sisters, and she and Lincoln are going to destroy Nocnitsa Chernabog, the sixth eldest of The Chernabog Sisters. For Lincoln's rescue tomorrow, Lincoln and his group are heading to Chile, and Lincoln and his group are going to destroy an evil version of Goto Imasuji A.K.A. Muscular. And we're going to meet Kiara Vocesdebelleza, the Uuduk Gene-Slammer, she's the youngest child of the ten Vocesdebelleza Sisters who are all Lincoln's Guardian Angels from Brazil. Kiara and her sister, Miyuki, are Luan's classmates in Math, and they would often protect Luan from bullies, especially Abigail Sanchez. Their last name, Vocesdebelleza, means Beauty Vocals in Spanish. The Vocesdebelleza Sisters all share their love for Lincoln, and they, along with with the Louds would sing together, and often, sing around Christmas time. They and the Louds looked out for one another, and during one of their Christmas caroling session, The Vocesdebelleza Sisters each kissed Lincoln on the lips. They're the cousins of one of Lincoln's many future wives, Hilda, and they hate Scoots, Flip, Lewis Travolta, Bubble Bass, and even Billy McLean. For part 2 of the saga we're going to a planet of bread and we're going to battle the Waiters that tried to stop me from eating the Eggs-cellent Challenge. It's going to be brutal.

See you all next time

# BREAD PLANET MAYHEM

Bread as one of the Side Dishes

---

In the briefing room, Nico and me had everyone gathered for an important meeting.

Nico: Thank you all for coming. Now I'm sure you're all wondering what this meeting is all about. Well yesterday on my rescue me and my group got some really vital and powerful intel on Queen Opaline from Misty and what she has been doing over the last couple of millennia.

We showed her huge book and everyone read it. When they did so they were shocked!

Vypra: Are you serious guys!?

Dark Spicer: She was responsible for everything that happened over the years!?

Me: That's right. Opaline was responsible for everything. She was behind it all. Queen Chrysalis, Tirek, Evil Cozy Glow, all the villains and all their schemes all of it.

Thorax: This is terrible!

Gilda: I can't believe all this!

Princess Ember: What she was doing over the millennia was pure evil!

Silverstream: She is beyond pure evil!

Twilight Sparkle: Yeah that is right. What she is doing makes even our villainous foes all look like peons.

Me: We found out that after Grogar was destroyed, she took his place and wanted all the power of magic all for herself and she was not going to stop until she got it.

Fluttershy: That is insane.

Qin: Now we know that we have to stop her by any means necessary or she will continue to cause problems.

Vypra: That's why we got to stop her.

Nico: We need to devise a good plan to take her down. Her castle is located in the Kamchatka Peninsula and we're going to make sure she pays dearly.

Eli: We're with you all the way.

Nico: Great! Thorax, Gilda, Princess Ember, Yona, Twilight, gather all your friends and people together. We are going to attack some time next week.

They agreed.

Nico: Queen Opaline's days of tyranny are numbered.

Me: I hope Billy isn't causing any trouble or so help me he will.

Nico put his hand on my shoulder.

Nico: Easy J.D. Easy. Billy may be an idiot but he is still part of the team.

Mandee: He is funny too.

Laney: Yeah he sure is. But these last few months he was acting more than just an idiot.

Xenia: He was acting more like a crime against evolution.

Mandee: That's funny.

Nico: Thanks for coming with me, Mandee.

Mandee: Anytime Nico. It's going to be like so fun being with you guys.

Leni: It's going to be totes fun Mandee.

Nico: Mandee, what do you do outside of missions?

Mandee: Oh I mostly like to go shopping with Jackie and Leni at the mall. But also me and Jackie help Leni with her job at Reiningers.

Nico: Cool cool.

Mandee: It's really awesome.

Laney: Mandee got an awesome job stocking inventory and putting clothes up for the shop.

Leni: And she is totes good at it too.

Me: That's great that you two have jobs with Leni now. Man after what 27 attempts?

Mandee: Yeah somewhere around there.

Camie: They tried to get jobs that many times?

Me: You have no idea Camie. Jackie and Mandee got jobs in different spots 27 times and failed at all of them. One time an angry chef tried to kill them.

Nico: I remember that. That was crazy.

Me: No kidding there.

Nico: I hope you get a boyfriend one day

Mandee: One day me and Jackie will.

Me: There's plenty of fish out in the sea. You just got to find out which one is perfect for you.

Nico: Yeah. I'm no matchmaker myself but I know you will find one for you.

Leni: You totes will.

Mandee: Thanks guys.

Me: You're welcome.

Nico: Yesterday was delicious.

Camie: Boy it sure was!

Me: And that was just number one on the Thanksgiving System Planets.

Eli: Yep. What planet do you think is next bro?

Me: It would have to be a side dish planet next.

Laney: That will be awesome.

Varie: Jared sure loved the Butternut Squash Soup planet.

Xenia: Boy no kidding. And he loves Kablamica's Broccoli soup right?

Me: You should see how much of that he eats. He can't get enough of it.

Nico: Boy J.D. you son is one amazing vegetarian.

Laney: He sure is.

Nico: And we faced the Hammer.

Me: We sure did and that was awesome. Man last time we faced him was 3 years ago.

Misty Tredwell: That was amazing. And he was the first ever villain you guys faced when you all met Mordecai and Rigby right?

Me: That's right Misty. It was really cool and awesome.

Laney: Yeah that was cool. Benson thought we were going to the park to smash his face in back then.

Me: Yeah part of me wanted to do that because I thought Benson was a total jerk. But not anymore.

Lana: Yeah Benson is cool though.

Nico: Instead, Benson told Muscle Man to beat him up.

Me: Yeah I remember that. That was intense. But Muscle Man's jokes are always still very funny. We get a good laugh out of all of them.

Eddy: (LAUGHS) We sure do. They are funny.

Nico: Yeah that is true.

Laney: Yeah. He is awesome with that.

Camie: He sure is a hoot.

Nico: I wonder what's new in Endsville.

Me: Boy it sure is quiet.

BOINK.

Me: Huh?

I saw a big pink bubble in front of me.

Me: Wow that is a big pink bubble.

Nico: Pop it.

I poked it and it didn't pop.

Me: Boy that is a tough bubble.

I bit it and it popped in my face and I licked it off and chewed it and it was made of bubble gum.

Me: Hey it's made of gum. No flavor though.

Nico: Wow!

Eli: Look at that!

We saw a huge smoke cloud made entirely out of pink bubbles!

Me: WHOA!

Nico: I think we found out what Billy's up to.

Me: Yep. (Chewing) The gum is not bad though.

Nico: You may want to spit that out though.

Me: Okay.

I went to a trash can and spit it into it.

We went and found Billy who was REALLY burping up a huge amount of bubbles.

Me: WHOA! That's a lot of bubble gum bubbles.

We went over to him.

Me: Billy?

Billy: Oh hey guys.

Nico: Hey, Billy. What's up, man?

Billy: Oh just chewing my gum.

He had a floating gumball machine fire balls of gum into his mouth and he was chewing it and then he swallowed it.

Me: That can't be good for your stomach. Billy where did you get that gum?

Billy: Oh Grim gave it to me. I needed some gum to help me think for a test.

Qin: Figures.

Me: I always chew gum whenever I am thinking. But I don't swallow it. I throw it in the trash.

LOUD FART!

Billy farted out a huge amount of bubbles.

Me: May I see that Gumball Machine Billy?

Billy: Sure.

He had it come to me and I looked at it.

Me: Hmm. Looks like an ordinary gumball machine.

I looked on the bottom and saw a label.

Me: Wait there's a label. (Reading) "WARNING: Do not swallow this gum. It will make you break out in an Unimaginably Horrible Rash From Another Dimension!?" Oh shit!

Camie: Good thing you didn't swallow that gum J.D.

Me: Yeah like I said I always throw my gum in the trash when I'm done.

Nico: Billy, give that gum to us.

Billy came over.

Billy: NO! IT'S MY GUM!

He had a bubble balloon form and Billy made a club and then…

POW!

He bashed Nico and sent him crashing into a tree and the tree crashed onto him!

SMASH!

Nico: (In Pain) I'm hurt now!

Me: Oh that does it!

I jumped Billy and we got into a massive and brutal fight cloud!

Nico: Anyone get the number of that truck?

May got the tree off him and Nico regained his composure and saw me and Billy fighting.

Nico: What the!

Me: Give us that gum Billy! NOW!

Billy: NO!

He then grabbed the gumball machine and then swallowed the whole thing!

Billy: (LAUGHS CRAZILY)

Me: Oh boy!

LOUD FART!

He inflated like a balloon

Maria: Is he crazy?!

Me: He is that big of an idiot!

Billy: You know what? I feel funny. And I don't mean funny ha ha. No no now. Funny weird. (LAUGHS) (LAUGHS)

LOUD BELCH!

Billy fired a wave of pre-chewed bubbly gum out of his mouth and it went at Nico.

Nico: Oh no!

SMASH!

It smashed him into a rock!

Nico poked his head out of the wad.

Nico: YUCK!

May: GROSS!

Me: Okay that's it!

I teleported and kicked him in the stomach and Billy was sent flying as he vomited all the gum out and he covered the en city in a massive mess of gum!

He landed by us and laughed.

Nico: And now, the whole city's is covered in gum.

Me: I hope you're happy Billy.

Billy: It was weird but funny.

But then Billy got ugly spots on his ears and then his nose and then his FACE GOT COVERED IN A HIDEOUSLY DISGUSTING AND GROSS RED RASH!

Billy: I've got an unimaginably horrible rash from another dimension!

Me: UGLY AND DISGUSTING!

Eli: YUCK!

Billy fell to the ground in pain.

Me: Guess he has to learn the hard way.

Nico: Yep.

Me: Man what a mess!

Nico: Let's start cleaning the gum.

Eli: Good idea. Also nothing is worse than having gum in your hair.

Nico: Tell me about it.

We got to cleaning the gum up and man there was a lot of it. And Billy was taken to his room. He was put under quarantine because of that rash. But unfortunately things only got worse for him when Chester, A.J. and all the kids of Dimmsdale were laughing at him in total humiliation. KIDS CAN BE SO CRUEL!

Me: Well the city is all clean.

Nico: Yeah.

Eli: Geez that was a massive mess.

Nico: I don't think we're done yet though.

Eli: Nope. I sense the next Another Alien approaching.

Nico: Were?

Then a huge red and purple crystal cluster grew and had Nico hooked by his shirt and hoisted him up in a huge 20 foot crystal monument!

Me: Jumping graveyards!

Brittney: Wow! That crystal really caught you didn't it!?

Nico: I don't even know where it came from!

Me: But this crystal is beautiful. It's amazing how it was able to grow so fast like this.

Nico: Who's doing this?!

Then out of a crystal from the ground came a figure and it was a BLACK VERSION OF AN EVOLVED CRYSTALSAPIEN! It was Another Ultimate Chromastone!

Me: Whoa! Another Ultimate Chromastone!

Eli: Wow!

Another Ultimate Chromastone: (In a girls voice) Yeah it is amazing that I have these powers huh?

Me: (GASP) Bianca Quartzian!

Another Ultimate Chromastone: That's right. Awesome to see you again J.D.

Nico: You know her?

Me: I sure do. Bianca is a geologist and she knows a lot about crystals and how minerals are made and all that. She also has amazing crystal powers. She accidentally stumbled into the Crystal Dimension and got exposed to the energy of a powerful crystal that imbued her with crystal powers and even wings of crystal.

Nico: WOW! That is amazing! That also explains the crystal growth.

Eli: Yeah.

Albedo turned into Negative Ultimate Chromastone.

Albedo: Did Swartz promise you anything?

Another Ultimate Chromastone: Just to be the greatest geologist ever and help J.D. fight crime.

Me: You already are the greatest Geologist that I know.

Nicole: Next to me that is and you will make an awesome member of my colleagues.

Another Ultimate Chromastone: That is true and I knew Swartz was lying to me.

Nico: He lied to everyone.

Nico flew down from the crystal and landed by us.

Me: Sorry we have to fight like this.

Another Ultimate Chromastone: It's all right. Come at me!

Me: With pleasure! (ACTIVATES ZEN-AKU'S RIDEWATCH)

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

Me: (SINGING DIVINELY AS LIGHT AND DARKNESS SWIRLED AROUND ME AND A SOLAR ECLIPSE FORMED IN THE BACKGROUND)

I saw you dance
From the corner
I caught your name
In a conversation
Playing hard-to-get
But I can understand
When I look at you
I see the story in your eyes
When we're dancing
The night begins to shine
Night begins to shine
The night begins to shine
Night begins to shine
When we're dancing
The night begins to shine
Talk 'til dawn
My heart was racing
I took you home
In the driving rain
Had my mind made up
I wanna feel your touch
When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

The night begins to shine

(Night begins to shine)

The night begins to shine

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

The night begins to shine (the night begins to shine)

Night begins to shine

The night begins to shine (the night begins to shine)

I danced and fired waves of light and darkness and smashed her down.

Nico: OH YEAH!

Kaito: (Gets out Gekiranger gear) I know that your skin is mostly indestructible.

Zocks: (Gets out Go Onger gear) But it's not invincible!

Kaito got a Jungle Fury Staff and Zocks got a Nitro Blaster!

Nico: YEAH!

Luz: Now for my turn. (ACTIVATES WEB CRUSHER'S RIDEWATCH)

(THE MYSTIC'S DREAM BY LOREENA MCKENNITT PLAYS)

Luz: (SINGING DIVINELY AS LEAVES AND ENERGY SWIRLED AROUND HER)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn
Birds in flight are calling there
Where the heart moves the stones
It's there that my heart is calling
All for the love of you
A painting hangs on an ivy wall
Nestled in the emerald moss
The eyes declare a truce of trust
And then it draws me far away
Where deep in the desert twilight
Sand melts in pools of the sky
When darkness lays her crimson cloak
Your lamps will call me home
And so it's there my homage's due
Clutched by the still of the night
And now I feel you move
Every breath is full
So it's there my homage's due
Clutched by the still of the night
Even the distance feels so near
All for the love of you
A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for the love of you

She danced and fired waves of leaves and energy and smashed her down!

Xenia: YEAH! Take that!

Amity Blight: Time for some awesome power. (ACTIVATES LUMINE'S RIDEWATCH)

(I WANT YOU BY SAVAGE GARDEN PLAYS)

Amity: (SINGING DIVINELY AS LIGHT AND FLOWERS SWIRLED AROUND HER)

Anytime I need to see your face, I just close my eyes

And I am taken to a place where your crystal mind

And magenta feelings take up shelter in the base of my spine

Sweet like a chic-a-cherry cola

I don't need to try to explain, I just hold on tight

And if it happens again, I might move so slightly

To the arms and the lips and the face of the human cannonball

That I need to, I want to

Well, come stand a little bit closer
Breathe in and get a bit higher
You'll never know what hit you
When I get to you
Ooh, I want you, I don't know if I need you, but
Ooh, I'd die to find out
Ooh, I want you, I don't know if I need you, but
Ooh, I would die to find out
I'm the kind of person who endorses a deep commitment
Getting comfy, getting perfect is what I live for
But a look, then a smell of perfume
It's like I'm down on the floor and I don't know what I'm in for
Conversation has a time and place
In the interaction of a lover and a mate
But the time of talking, using symbols, using words
Can be likened to a deep sea diver
Who is swimming with a raincoat
Well, come stand a little bit closer
Breathe in and get a bit higher
You'll never know what hit you
When I get to you
Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out

ya, ya

(Ooh, ah) ya, ya

Anytime I need to see your face, I just close my eyes

And I am taken to a place where your crystal mind

And magenta feelings take up shelter in the base of my spine

Sweet like a chic-a-cherry cola

I don't need to try to explain, I just hold on tight

And if it happens again, I might move so slightly

To the arms and the lips and the face of the human cannonball

That I need to, I want to

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out (so can we find out?)

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out (I'd die to find out)

Ooh, I want you, I don't know if I need you, but (oh, why can't we find out?)

Ooh, I would die to find out

She danced and fired waves of energy and flowers and smashed her down.

Qin: YEAH! Nice one Amity!

Willow Park: I'll say! Watch this. (ACTIVATES BEE BLADER'S RIDEWATCH)

(ICE QUEEN BY WITHIN TEMPTATION PLAYS)

Willow Park: (SINGING DIVINELY AS LEAVES AND ICE SWIRL AROUND HER)

When leaves have fallen and skies turned into grey

The night keeps on closing in on the day

A nightingale sings his song of farewell

You better hide for her freezing hell

On cold wings, she's coming

You better keep moving

For warmth, you'll be longing, nightingale

Come on, just feel it

Don't you see it?

You better believe

When she embraces your heart turns to stone

She comes at night when you are all alone

And when she whispers your blood shall run cold

You better hide before she finds you

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

She covers the earth with a breathtaking cloak

The sun awakes and melts it away

The world now opens its eyes and sees

The dawning of a new day

On cold wings she's coming

You better keep moving

For warmth, you'll be longing, nightingale

Come on, just feel it

Don't you see it?

You better believe

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

She danced and fired waves of ice and leaves and smashed her down.

Sougo: (gets out Mighty Morphin Ridewatch) Our turn!

Geiz: (gets out Meteor Ridewatch) Time to decide your fate!

Armor Time! (Meteor Driver standby disco music) Meteor, Ready? Meteor!

Sougo got MightyMorphinRedARmor while Geiz got MeteorArmor.

Me: Yeah!

Nico: This is gonna be good.

Qin: Yeah it is!

Who you gonna call?

(Ghostbusters)

If there's something weird

And it don't look good

Who you gonna call?

(Ghostbusters)

I ain't 'fraid of no ghost

I ain't 'fraid of no ghost

If you're seeing things

Running through your head

Who can you call?

(Ghostbusters)

An invisible man

Sleepin' in your bed

Ow, who you gonna call?

(Ghostbusters)

I ain't 'fraid of no ghost

I ain't 'fraid of no ghost

Who you gonna call?

(Ghostbusters)

If you're all alone

Pick up the phone

And call

(Ghostbusters)

I ain't 'fraid of no ghost

Ooh, I hear it likes the girls

Hm, I ain't 'fraid of no ghost

Yeah, yeah, yeah, yeah

Who you gonna call?

(Ghostbusters)

Mmm, if you've had a dose of a

Freaky ghost, baby

You better call

(Ghostbusters)

Ow

Lemme tell ya something

Bustin' makes me feel good

I ain't 'fraid of no ghost

I ain't 'fraid of no ghost

Don't get caught alone, oh no

(Ghostbusters)

When it comes through your door

Unless you just a-want some more

I think you better call

(Ghostbusters)

Ow, who you gonna call?

(Ghostbusters)

Who you gonna call?

(Ghostbusters)

Uh, think you better call

(Ghostbusters)

Ha-ha, who you gonna call?

(Ghostbusters)

I can't hear you

Who you gonna call?

(Ghostbusters)

Louder

(Ghostbusters)

Who you gonna call?

(Ghostbusters)

Who can you call?

(Ghostbusters)

Who you gonna call?

(Ghostbusters)

Uh, it likes the girls too

(Ghostbusters)

I danced and fired waves of ghosts and marshmallows and smashed her down and got her sticky.

Another Ultimate Chromastone: YUCK! But I love that song!

Me: That is a start.

I opened a portal into Walter Peck's cell in the Neptune Prison and then..

KRASPLAT!

HE GOT DRENCHED WITH MARSHMALLOWS AND WAS SWEARING AT ALL OF US!

Nico: NICE ONE!

Me: (Sticks the middle finger through the portal at him) Go fuck yourself you dickless motherfucker!

The portal closed.

Nico: (gets out Yost Living Laser's Ridewatch) See if you can absorb this!

He activated it and fired light blasts and she then absorbed the light!

Nico: She sure can.

She fired light blasts and I deflected the blasts back and smashed her down.

Nico: YEAH!

Mandee: My turn! (ACTIVATES SELMA & PATTY'S RIDEWATCH)

She fired waves of fire and blasted her down.

Maria: That was cool!

Mandee: At least I didn't smoke cigarettes.

Me: You wouldn't want to anyway.

May: I hope the next Gene Slammer is near.

Then we heard a song and then we saw a Ghosttrick Siren, Sirenorca and Spiritual Whisper!

Nico: Oh wow! Ghosttrick Siren, Sirenorca and Spiritual Whisper!

Me: Cool!

Spiritual Whisper: (In a girls voice) And it's good to see you again Nico.

Sirenorca: (in a girls voice) Same here.

Ghosttrick Siren: (In a girls voice) Yeah it's awesome.

Nico: The Littlefield Sisters! Wow!

They reverted back and they were three girls. The tallest was a girl with black hair and yellow and black clothes and the youngest ones were twins and they had red and blue hair and had purple and red eyes.

Nico: Everyone meet Raven, Owl Wolf and Storm Eagle Littlefield. They are members of the Shoshone Tribe from Idaho.

Raven Littlefield: Awesome to meet you guys.

Owl Wolf: We are friends of Nico's past.

Storm Eagle: And he helped us out in a Wolf Preserve.

Me: That is cool! The Shoshone Indians have been one of my favorite tribes to learn about.

Raven Littlefield: Yeah. We'll talk in a few.

They fired waves of energy and blasted down Another Ultimate Chromastone and I caught the ridewatch and purified it and then I went over to Bianca. She was a girl with pink hair and had brown miner clothes and had rainbow crystal wings. I picked her up.

Bianca Quartzian: (GROANS) What a headache.

Me: But you're back to normal now.

Mandee: What's your favorite memory of Nico?

Raven Littlefield: We have a lot of them but my favorite would have to be where Nico saved numerous wolves from being hurt and he brought them all over to our wolf preserve to help them out.

Storm Eagle: We have had a lot of fun times living with wolves.

Owl Wolf: Yeah they are good.

Nico: Yes they were.

Nico hugged them.

Nico: I've missed you girls.

Raven Littlefield: We did too Nico.

Owl Wolf: But it's so awesome that we're with you now.

Eli: It sure is.

Nico: Billy will be all better tomorrow.

Me: Lets hope so.

We went back home. Billy learned a really painful and heavy lesson. I hope.

Muscular.

Lincoln: Wow, we're here in Chile, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're also going to destroy an evil version of Goto Imasuji A.K.A. Muscular.

Izuku: As if Muscular wasn't bad enough, now there's a more evil version of him running loose and is causing havoc in Chile.

Bakugo: He was a nightmare to all heroes for all the crap he's done.

Lincoln: I know, I saw it for myself when I read the My Hero Academia manga and also watched the anime, he was a sadistic bloodthirsty brute who uses his Quirk only to kill, and Muscular's now in The Masters of Evil, but the evil version of him needs to be killed, and I won't be surprised if I find out Nocnitsa Chernabog was behind this.

Nico: From what we've seen from the other villains, I wouldn't be surprised either, Lincoln.

Me: Yeah, I wouldn't be surprised either.

Lincoln: Either way, he's going to be destroyed for good and we're going to piss Nocnitsa Chernabog off even more. And I want to thank you, Izuku, and his friends for joining us, Jackie.

Jackie: You're welcome, Lincoln.

Leni: We should also see if anyone needs help before we get after Nocnitsa's "plaything".

Lori: Good idea, Leni.

We checked through Chile and we saw that Evil Muscular has caused tons of destruction, and we also checked on the people, and they were okay thank goodness.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of four girls screaming for help, along with the sound of mad and deranged laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the four girls, but they've been cornered by Evil Muscular, and he's going to kill them, and Lincoln saw he had the Qliphoth Tree of Death on his forehead.

Lincoln: (Gasps) Let's get over there at once, guys, I found the four girls, but they've been cornered by the evil version of Muscular, and he's going to kill them, and I saw he had the Qliphoth Tree of Death on his forehead.

Rachel Emperyous: That bitch, Nocnista Chernabog, I should've known she had a hand in this!

?: (Girl's voice) (Spanish Accent) That murderous bloodthirsty brute, let's get him and that insane and chaotic demon will get hers later on today.

Suddenly, we saw the My Singing Monster, Uuduk, appear before us.

Lori: No way, that's Uuduk.

Luan: And that Spanish accent, it's Kiara Vocesdebelleza!

Lincoln: I knew we'd run into Kiara here, but we'll have to talk later, let's go destroy that murderous bloodthirsty brute!

We rushed over, and before Evil Muscular could kill the four girls, Lincoln fired powerful rainbow energy balls and elemental forces at the bloodthirsty sadistic brute, and that allowed the four girls to get to safety in a rainbow energy field created by Lincoln to protect them from Evil Muscular, and when he saw us, he was laughing like a bloodthirsty madman.

Evil Muscular: (Laughing Sadistically) More fresh meat! Come, show me your blood!

Lincoln: The only blood you're going to be seeing is your own blood spilled all over Chile!

Evil Muscular activated his Quirk, Pump Up, and his muscle fibers protruded from his body and his entire body was covered in enhanced muscle fibers. He charged at us to kill us, but we dodged his attack, and we landed a safe distance.

Nico: Whoa!

Lincoln: He's just as strong as the real Muscular, but we're ready for him, let's get him!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, Jackie, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Gorr the God Butcher and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln punched Evil Muscular hard in the stomach and all over the place with overwhelming strength and force, and that caused his Quirk to deactivate and the Qliphoth Tree of Death on his forehead to disappear, and then, Lincoln charged at Evil Muscular and put him in a brutal bear hug so he couldn't escape, and then as Lincoln sank his fangs into Evil Muscular's neck, he began sucking out his blood along with absorbing him into his body and assimilating Evil Muscular's immense and monstrous physical strength, speed, and abilities. Then, as soon as Lincoln was done, an energy card with Evil Muscular's soul imprisoned inside appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Evil Muscular's forehead, he was sent to The Black Gates forever. We cheered wildly as we holstered our weapons and powered down.

Lincoln: Your murderous rampage is finally over, Evil Muscular. (To Miyuki Vocesdebelleza) And it's so good to see you again, Kiara Vocesdebelleza.

Kiara Vocesdebelleza reverted back to normal, and she was a beautiful girl with long flowing light brown hair, jade green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful light brown angel wings and she reigned in the power of Uuduk, and she's dressed in a sleeveless open green blouse, sleeveless light green midriff top, long sea foam green skirt with black designs, green pants, green sneakers, and long white sleeveless trenchcoat with earth, fire, and bones on the coattails and Uuduk on the back and holstered on her back is an Uuduk-themed large greatsword with Uuduk etched on the 7'0" massive, wide, double-edged green blade, large monster heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large monster heads and a large green gem on the bottom of the large monster heads for the pommel.

Kiara Vocesdebelleza: (Spanish Accent) You too, Lincoln, it's been a long time, and it's so good to see you, Lori, Leni, Luna, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily again, Luan, and you all look so amazing.

Luan: Thanks, and you also look amazing, Kiara. Plus, you're going to be quite surprised to see how much Lincoln's grown and changed.

Lincoln went up to Kiara Vocesdebelleza and he hugged her, and Kiara Vocesdebelleza is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Kiara Vocesdebelleza: (Spanish Accent) Whoa, and Luan's right, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white werewolf tails, that's really new, and you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, so this is…?

Lincoln: Yep, that's right, Nico, this is Kiara Vocesdebelleza, she's the second youngest of the Vocesdebelleza Sisters, and Kiara and Miyuki, are Luan's classmates in Math, and they would often protect Luan from bullies, especially Abigail Sanchez.

Luan: Yep, and I hope you and Miyuki heard of what happened with Eddy, right?

Kiara Vocesdebelleza: (Spanish Accent) I sure did, I can't believe that bitch, Abigail Sanchez, and the Hazeltucky Hockers, Hawk and Hank, were the ones responsible for this, and they tried to bring back The 20 Days of Darkness! That little… !

Lincoln: It's okay, Kiara, Nico put a curse on Nega-Eddy and if he hasn't killed us in the next 21 days during the first Ambassador Missions, he's getting The Black Gates, and Audrey Sauron gave him a pinkie ring that'll only make Nega-Eddy feel the beatings from the Cul-de-Sac kids.

Kiara Vocesdebelleza: (Spanish Accent) That's really genius, and we also have the same story.

Nico: Hey yeah, that's right, and we got an idea of what they're like.

Johanna Vocesdebelleza: (Spanish Accent) You said it, and it's so good to see you, Kiara.

Kiara Vocesdebelleza: (Spanish Accent) It's good to see you, Corona, Ronalda, Sally, Elena, Millenia, and Miyuki again, Johanna, and it's also good to see you again, Hilda.

Hilda: (British Accent) You too, Kiara.

Kiara Vocesdebelleza: (Spanish Accent) I've got a story to share on how Lincoln mongrelized Flip when he tried to kill me and my sisters.

Nico: Oh, this we're really going to enjoy hearing.

Kiara Vocesdebelleza: (Spanish Accent) You're going to love hearing it. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Kiara, are you absolutely sure?

Kiara Vocesdebelleza: (Spanish Accent)(Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Kiara Vocesdebelleza, and like her sisters, he saw that she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Kiara Vocesdebelleza's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Kiara Vocesdebelleza: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin and your sisters, you're now part of my harem and my many future wives, Kiara.

Kiara Vocesdebelleza had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Kiara Vocesdebelleza's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Yō Kasukabe, Kudou Asuka, Kuro Usagi, and Shiroyasha from Problem Children Are Coming from Another World, Aren't They?

Lincoln: Oh wow, it's Yō Kasukabe, Kudou Asuka, Kuro Usagi, and Shiroyasha from Problem Children Are Coming from Another World, Aren't They?

Nicole: Awesome!

Lincoln: Are you girls okay?

Yō Kasukabe: Yes, we're okay, thanks to you.

Then, when Yō Kasukabe and the other three girls saw who it was that saved them from Evil Muscular, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The

Yō Kasukabe: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Yō Kasukabe: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Yō Kasukabe, Kudou Asuka, Kuro Usagi, and Shiroyasha with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and the team was shocked when they heard the villain we went after was an evil version of Goto Imasuji A.K.A. Muscular.

But, when Lincoln showed what he did in absorbing that brute and sending him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Kiara Vocesdebelleza have a lot of catching up to do now that they're back in town.

Maria: Oh man, I can't believe that an evil version of Muscular was there in Chile.

Lincoln: And the one who brought him there was none other than Nocnitsa Chernabog, the sixth eldest of The Chernabog Sisters.

Rachel Emperyous: She's going to pay dearly for what she's done later on today.

Nico: Now, they're starting to get desperate, they know that with the six youngest Chernabog Sisters dead, it's only a matter of time before they too get killed.

Me: Yeah, so we really need to watch it with those she-demons.

Lincoln: You said it, J.D.

---

After destroying the evil version of Goto Imasuji A.K.A. Muscular. forever and really pissing off Noctnista Chernabog, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails stronger as well, and when Kiara Vocesdebelleza saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Kiara Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Kiara, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kiara Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Kiara, what's the story on how Lincoln took down and beat Flip up into a pulp when he tried to kill you and your sisters?

Kiara Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard an angry yell and Lincoln caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Flip and he had a knife in his hand and he was going to kill me and my sisters in a fit of rage and he was also going to kill Lincoln again for ruining his scams, but Lincoln grabbed Flip by his arm and he broke it and that caused Flip to scream in pain and drop the knife, and then, Lincoln proceeded to mongrelize him and when he was done, Lincoln knocked out that mutant cheapskate's teeth, broke his arms and legs, broke his nose, and hit him hard in the head.

Nico: Yeah, I remember that one all too well, when we got the word that Flip broke out again, J.D. and I went to the cops and we were also going to tear him to shreds again, but when we saw what Lincoln did, man, we were stunned.

Me: We sure were, but Flip deserved it, and that mutant cheapskate had no chance against Lincoln, and I got the picture.

I pulled out the picture of Flip after he was mongrelized by Lincoln and it matched what Kiara told us of what Lincoln did to that mutant cheapskate, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I gave to Flip, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let him get away with that, so I had to defend the Vocesdebelleza Sisters from that asshole.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you sure are one tough guy, Lincoln, and you kicked Flip's ass hard and he fell down to the concrete like a bag of bricks.

Lincoln: He made a big mistake going after ten of my many Guardian Angels, just because he wants revenge on me and all of us for ruining his scams, but he's never going to learn his lesson. Besides, I've kicked his three-cheeked ass numerous times whenever he's tried to kill my Guardian Angels or us, and I've even used steel-toed boots on him.

Nico: (Snickers) Ooh, I can guess he didn't like that!

Me: (Laughs) He sure didn't, Nico.

We got a shower afterwards, and then, Clyde and his harem were heading to Sirena Casino.

Chloe (Loud House): Wow, so this is Sirena Casino.

Clyde: Yep, that's right, Chloe. Lincoln and his harem haven't gone here before, but wait until we tell them of our day. Shall we?

Clyde and his harem got started by playing the table games and card games here in the casino, and they were really winning big, and they put all of their winnings into scrolls to show to us when they come back. Then, after they cleaned out the casino, they shared a passionate kiss and they came back home.

Nico: Hey, Clyde, how was your date?

Clyde: Awesome, Nico, we went to Sirena Casino.

Lincoln: Sirena Casino, we've seen it before, but we've never gone there.

Clyde: It was really awesome, Lincoln, and take a look.

Clyde and his harem took out the scrolls with the winnings from the Sirena Casino and we were really stunned.

Me: Whoa, you guys cleaned out the casino!

Nico: They sure did, but you better put that in the safe, if that mutant cheapskate, Flip, finds out, he's going to want it.

Lincoln: He's not going to, after our Benny Hill style chase with Poromon that also led to Flip getting apprehended again, we beefed up security again, and this time, we used Neutronium chains and rainbow energy chains to tie Flip and the other jerks back to their posts.

Clyde: Nice.

We saw that Flip and the other jerks were chained up to their posts with Neutronium chains and rainbow energy chains and they were extremely pissed off and were cursing like crazy, and it was way too hilarious to see.

The U.S.S. Valorous Phoenix was flying through space to the planet Xenoc for Halinor's 3rd Ambassador Mission.

Me: I always love going to Xenoc. It's so awesome.

William: Anyone else want to go with Halinor? Besides Brody and Yost Cap?

Rainbow Dash: I'll go.

Will: And me and the Guardians will go too.

Nico: Good idea guys.

Qin: Yeah this will be fun.

Me: It sure will.

We arrived at Xenoc and landed. We got out.

Will Vandom: Wow! So this is Xenoc.

Me: Cool planet huh.

Eli: I think it's awesome myself.

Ultrox came.

Ultrox: Hey guys.

Me: Greetings Ultrox.

Halinor: Ultrox, this is Brody Romero and the Yost version of Captain America.

Brody Romero: Pleasure to meet you.

Yost Captain America: Same here.

Ultrox: Pleasure to meet you too.

Me: Brody is the leader of the Ninja Steel Power Rangers and Yost Captain America comes from aa universe called the Yost Universe. We call it that because it was built by a different creator.

Nico: Yeah and this is Rainbow Dash.

Rainbow Dash: What's up guys?

Ultrox: Pleasure to meet you.

Me: And these are Halinor's fellow Guardians the current and predecessor generation.

Cassidy: I'm Cassidy.

Yan Lin: I'm Yan Lin.

Kadma: I'm Kadma.

Nerissa: And I'm Nerissa.

Will Vandom: I'm Will Vandom.

Irma Lair: I'm Irma Lair.

Taranee: I'm Halinor's successor Taranee.

Cornelia: I'm Cornelia.

Hay Lin: I'm Hay Lin, Yan Lin is my grandmother.

Elyon: And I'm Elyon Brown.

Ultrox: Wow it's a pleasure to meet you all.

Me: We have had a huge series of battles with some of the Guardians enemies before and it was awesome.

Rainbow Dash: Boy it sure was.

Ultrox: I see. (To Yost Captain America) What makes you different from the Prime version?

Yost Captain America: Well, there was a time I was replaced by a Skrull.

Me: We had to deal with a shapeshifting alien race called the Skrull and it was not pretty. Caused a tremendous amount of distrust amongst his fellow Avengers.

Yost Captain America: Yeah it was bad.

Me: But thanks to a spell that I used on Princess Celestia's missions, I was able to help flush out the Skrull easily.

Yost Captain America: And it worked great too.

Ultrox: Very smart thinking.

Me: Thanks.

Ultrox: Yes I heard about the Skrulls and they are dangerous.

Me: Yes they are .

Ultrox: The Skrulls we're among those who tried entering the races. They were declined because of their shape shifting abilities.

Me: That's good that they aren't part of the competition.

Nico: Thank goodness.

Ultrox: Indeed.

Me: Yeah. But Ultrox I'm glad we came here again because in the future we really could use your help. We're going after her.

I pulled out a wanted poster of Queen Opaline.

Ultrox: Ah yes I heard that you all are having problems with Opaline.

Me: Yes. She has caused a tremendous number of problems over the course of the millennia and we have to stop her.

Nico: Opaline is a monster and we are going to need all the help we can get to bring her down for good.

Ultrox: We'll gladly help you out.

Me: Thank you Ultrox. I've already sent messages to many of our friends on many planets all over the universe to help us out.

Ultrox: Galvanax also tried entering the races but was denied as well because of his violent tendencies.

Me: Really? That's a big surprise.

Nico: Yeah and we destroyed Galvanax.

Eli: Thank goodness.

Will Vandom: Yeah he was no match for all of us.

Nico: Yeah.

Ultrox: Indeed. Your power is very well revered.

Eli: We get that all the time.

Me: Yes. Did Scorpius or any of his men try to get in?

Ultrox: Trakeena tried to but her evil goals got her denied.

Me: Thank goodness. And I killed her.

Ultrox: But recently, Warcoil has been up to his old tricks.

Me: The saboteur that wants to destroy the races so the universe can be in war?

Ultrox: The very same.

Me: Oh man.

Nico: Looks like he will be the first ever villain here on Xenoc that we destroy.

Me: Yep.

Brody: First, what can you tell us about Warcoil?

Ultrox: Well he is like this.

---

Warcoil is a robotic arms-dealer built by Robocorp to sabotage the Alien Races so the universe would return to a state of constant war, making their arms-dealing business profitable again. He lives in a Sith Interceptor-like ship. Warcoil sells weapons to anyone who can afford it. He is powered by a nuclear cell that has a habit of coming back to his body when separated. His inventions include the size-reducing "Kompactor Kannon", a remote control for Ultrox's bionics, and any number of other dangerous and destructive weapons. Warcoil first joined the races after a meeting with Ultrox's old "friend," the mercenary Dravox. Confirming that the races were fostering peace throughout the universe, he set out to make them war again by destroying the races. He tries to kill every racer, but Ultrox especially, since he tried to crack into Warcoil's files and constantly thwarts his plans. After a failed attempt on Khadan's life, Warcoil was banished from the races, and after a fight with Ultrox, he was reduced to a talking head, which Ultrox threw into a trash compactor

---

When he was done we were shocked!

Me: Oh man! He'll make a great member for our frenemies in the M.O.E.

Nico: I agree there. So we'll banish him to the Warp for the time being.

G'rog: The Warp? What's that?

Me: It's an interdimensional plane that is like a prison for some of the most dangerous extradimensional monsters. It exists between many universes.

Nico: Yeah.

G'rog: Wow! Sorry I just got here and I could help but hear you guys talking.

Me: No worries G'rog.

Yost Captain America: Better tell the Bunny not to go overboard.

Me: Speaking of which.

I opened a viewing window and it showed how the Bunny was doing to Akhil and MAN OH MAN WAS HE TEARING HIM APART!

Bunny: (Demonic Voice) **Your tools won't save you from my love Akhil.**

Yost Captain America: Wow that bunny is really ripping him apart!

Rainbow Dash: But it is awesome how you did that J.D.

Me: It sure is.

Ultrox: (Laughs) Yeah. When are you all coming to finish him off?

Me: We're projecting January 14th of next year.

Nico: Yeah.

Ultrox: Wow. Lets hope it can hold on for that long.

Me: Oh don't worry it will. Vypra said the Bunny has an infinite amount of stamina and energy and it will really go at him for eons if it has to.

Ultrox: That is impressive.

Brody: Good thing Calvin built my own car for me. Ninja Spin!

He transformed and we summoned our cars.

Me: Time for a great race.

Ultrox: I'm always ready for this.

Me: We have other weapons on our cars other than just the powers of Shift Cars too.

We got to the start line.

Gamekeeper Kytani: Racers on my mark. GO!

Me: LETS RIDE!

We put the pedals to the metal and gunned it!

ZOOOOOOM!

Me: YEAH!

Nico: EAT MY DUST!

Rainbow Dash: This is AWESOME!

We then saw WARCOIL!

Me: Target sighted!

Skrash: Let me help you guys! I've literally got a bone to pick with that junkpile!

Me: Go for it Skrash!

Skrash fired laser blasts from his car and blasted him all over.

Me: Nice shooting! Now here is this.

I pressed 3 buttons.

Me: MEGAVOLT MISSILES FIRE!

I fired 3 megavolt missiles and they hit Warcoil and electrocuted him all over the place with incredible force!

Nico: NICE!

Rainbow Dash: Take this!

She fired Rainbow Laser Blasts from her car and blasted him all over.

Warcoil: You all will not stand in my way.

Me: We'll see about that you Warmongering Tin Can!

Warcoil fired a missile at us but Yost Captain America blocked it with his shield.

He sent it back and it hit Warcoil and blasted him in a huge explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

Nico: Take that!

Will Vandom: Taste this!

She fired waves of lightning and electrocuted him!

Halinor: Time to burn.

She fired waves of fire and burned Warcoil.

Brody: Time for some Shift Car action!

He activated Taskmaster's Shift Car and fired energy blasts and smashed Warcoil all over the place.

Me: Oh yeah! Time for this. RAINBOW PRISM LASER!

I pressed a button and fired a rainbow laser and it hit the back of Warcoil's car and it exploded!

Yost Captain America: You're not done with me yet, Soldier!

Yost Captain America used his Shift Car for Fire Count and he fired waves of fire and blasted Warcoil all over. He threw his shield and then it slashed Warcoil's entire car in two and he crashed into a rock wall and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

He was dead!

Yost Captain America's shield came back.

Nico: Warcoil you have failed this universe!

Me: Yes he has!

Warcoil's spirit appeared and Nico then fired a beam of energy and it banished him to the Warp!

Nico: Yeah!

Will: We still have a race to finish!

Cornelia: That's right!

We then came to the finish line and crossed it! Me, Rainbow Dash, Halinor, Ultrox and Eli crossed it!

Me: WOOHOO!

Everyone on the ship watched and it was cool! They cheered too.

Xenia: That was so fun!

Laney: Yeah it was!

Ultrox: You guys can have those Xeno Cells.

Me: Thanks Ultrox.

Nico: An awesome race like always.

We later went back to the ship and headed back to Earth.

Nico: So, we're really having Ultrox help us in the big battle?

Me: Yes we are. We need all the help we can get. Opaline may be weak but she is still a very cunning and dangerous threat.

Nico: That is true.

Laney: I agree with J.D. If Opaline is that dangerous and pure evil then we will need all the help we can get to destroy her.

Varie: I agree too.

Camie: Same here.

May: Yin and Arkayna should go with you next.

Me: Good idea.

Halinor: I like it. And this will be fun.

Qin: It sure will be.

---

At the table we saw the mascots and Cleo having another contest.

Aligned Megatron: Dear Primus, what's going on now?

Me: The Mascots and Cleo are having another contest.

Cleo Chestnut: An Apple Cider Drinking contest.

Qin: Oh boy.

Cleo Chestnut: Lets do it!

They got to drinking!

The mascots: (GUZZLING DOWN APPLE CIDER)

Cleo Chestnut: (DRINKING 40 BARRELS OF CIDER AT THE SAME TIME)

Nico: Whoa! That is a lot!

Clyde: How are the mascots faring?

The mascots drank and drank and drank and drank and drank and drank.

Me: 300 glasses.

But then they passed out as Cleo drank 500 glasses!

Qin: WHOA!

Applejack: And the winner is Cleo Chestnut!

We cheered for her!

Poromon: Wow! That is amazing!

Breakdown: You guys okay?

Poromon: Just bloated.

Poliwag: Yeah.

Horsea: That is amazing that Cleo drank that much.

Varie: It sure is.

Poromon: Oh boy! Lets head to the bathroom!

Cleo Chestnut: I agree.

Nico: Okay bathroom break guys!

They went to the bathroom.

Mirage: You guys okay in there?

They unzipped their flies and then..

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

(WATER RUSHING OUT!)

Mascots and Cleo: (EXTREMELY LONG SIGHS OF RELIEF)

Realistic waterfalls and rivers were shown as they were really letting it all out in a massive flow of relief.

When it was done they came out.

Me: Feel better?

Cleo Chestnut: Yeah. That felt really good.

Poromon: Ahh! That was awesome.

Camie: Cool.

Hood Suckle: Nico, which teams have you made today?

Nico: Hikaru's team will include Esther Blanchett, Engagement Ring Princess, Lumpy Space Princess, Princess Princess Princess, and Emerald Princess. Danny's team will include, Princess Hisui, Slime Princess, Breakfast Princess, Frozen Yogurt Princess, and Wildberry Princess.

Hikaru: Right on!

Me: About time the Princesses of Ooo got their shot.

Qin: Yeah!

Lumpy Space Princess: Oh my glob! This is so cool!

Emerald Princess: We're really excited!

Wildberry Princess: Yeah we are!

Breakfast Princess: This is gonna be so fun.

Princess Princess Princess: (5 Voices at once) We're really excited!

Nico: Now it's time for our mission and it's the second planet of the Thanksgiving System.

Qin: I have a feeling this will be good.

Lola: Yeah it sure will be.

Nico: Yep.

Then Seadramon, Harpymon, Boomerang, See More, Pied Piper, Jack O Lantern, Biowulf, Baron Mordo, Zs'Skayr, Scorpion, Copper Cranium, Shakedown, Droog, Evil Mushroom Man, Dogranio Yaboon, Evil Search Man, Black

Scorpion, Pooperman, Captain Frightbeard, and Sentinel Prime appeared.

Pied Piper: Can me, Seadramon, Harpymon, Boomerang, See More, Pied Piper, Jack O Lantern, Biowulf, Baron Mordo, Zs'Skayr, and Scorpion go with you guys?

Dograino Yaboon: Me, Copper Cranium, Shakedown, Droog, Evil Mushroom Man, Evil Search Man, Black Scorpion, Pooperman, Captain Frightbeard, and Sentinel Prime will come as well.

Nico: Yes you all can come with us.

Qin: This is gonna be so awesome.

Crash Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: How about a gene-slammer that's a mix of the Signer Dragons, Earthbound Immortals and the Malefic Dragons altogether?.

We gasped!

Me: Whoa! That is a big fusion!

Nico: It sure is.

Carly Atlas: Wow! That will be interesting to see.

Lola: Yeah!

Misty Tredwell: Yeah it sure will be.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than the sixth eldest sibling of the Chernabog Sisters, Nocnitsa Chernabog, and she's major-leagued pissed off that we killed Evil Muscular and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to the sixth eldest sibling of the Chernabog Sisters, Nocnitsa Chernabog, and she's major-leagued pissed off that we killed the evil version of Goto Imasuji A.K.A. Muscular and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

Me: Sheesh, but this is expected.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Rachel Emperyous: Yeah, and I should've known Nocnista would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, and Jezebeth Chernabog show up, along with Nocnitsa Chernabog, Selene.

Selene Emperyous: We're already on that, Linky.

Nico: And they'll also not only be deterred and restrained again, but they'll also get to watch as Rachel and Lincoln destroy another one of their sisters. Alright, gang, let's go, we're heading to another awesome Thanksgiving food planet.

Lincoln: And like with all food planets, there's bound to be an old villain that we faced long ago who's come back to get revenge on us, namely Mordecai and Rigby's old enemies, and once we get done with whoever is waiting for us there, you're next, Nocnitsa Chernabog.

Seadramon: The last planet was delicious.

Copper Cranium: I hope this one is the same.

Nico: Lets head out guys.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7063.1: The U.S.S. Valorous Phoenix is en route to the next planet of the Thanksgiving System and we're in for a really awesome treat as we battle the next villain that's there.

Qin: This is gonna be so awesome.

Lola: Yeah it sure is.

Xenia: I hope we pulverize whoever is there into dust.

Octopunch: Courtney, you said you knew Zixx, right?

Courtney: I sure do. And you guys are going to be in for an awesome and amazing adventure when you all meet her and her team.

Nico: I have a feeling this will be awesome and fun.

Qin: Yeah.

Laney: I'm excited.

Boomerang: We're mentioning this because Erica's missions are very close.

Droog: How did you meet Zixx anyway?

Courtney: In order, yes I was and I met Zixx after I was sent packing in Total Drama on the first season. I met her in a chat room and I would sneak out every night when Billy McLean wasn't looking and help Zixx take down many of her enemies. She and friends have an awesome Virtual program that is very similar to what Jeremie and his friends at Kadac as well as Jonny Quest and his team use.

Nico: Wow!

Me: That is cool!

Eli: It sure is.

Courtney: Yep.

Me: Sissi, Brynja and Jeremie and his team will love helping you guys out on that.

Erica Haddock: I'm really looking forward to this one.

Me: Same here. And Jonny's Questworld system will really be useful for this too.

Lisa Loud: We're approaching our destination.

Scratch: We're coming up to the planet now!

Grounder: I can't wait to see what it is.

Nico: On screen.

We saw that we were at a brown planet.

Me: Looks like a mountain world.

Nico: Yeah. Lets land.

We landed and then we got out and to our amazement and more it was a world where EVERYTHING was made of numerous varieties of breads! There were many kinds of breads as far as the eyes could see!

Nico: WHOA! It's a bread planet!

Xenia: Look at all this bread!

Captain Frightbeard: Tis be a tasty planet we landed on, mateys!

Zs'Skayr: It sure is!

Rainbow Dash: This is AWESOME!

Qin: Boy it sure is!

We got to eating some bread and man was it tasty. I had the braided bread and it was awesome and good.

Me: (Eating bread) MMM! Delicious!

Takato: Boy this is just as good as my parents bread.

Jeri Katou: It sure is.

625: You know what would go good with this?

Gantu: Let me guess. Sandwiches?

625: Even better. Russet potato!

Me: Good idea!

Qin: Yeah! Russet Potato is one of my favorites.

Lola: Yep.

Lana: Look at all this bread though.

Nico: Yeah no kidding.

Sentinel Prime: This is a very delicious planet.

Scorpion: You should try some!

Nico: He doesn't eat bread.

Qin: Yeah Cybertronians don't eat bread or human food.

Xenia: That's right.

Camie: But man this is amazing.

I had some ciabatta bread and man was it good.

Sunny Starscout: Man this is incredible.

Laney: Yep. What do you think the next planet will be after this?

Discord: These are Thanksgiving Planets we're talking about. They're all probably going to be tasty.

Nico: I agree there Discord.

Diamond Tiara: Yeah they are!

Ed: Uh I'm hoping the next planet will be made of Mashed Potatoes and Gravy.

Eddy: Shut up Ed.

Camie: Now that would be cool.

Nico: Man that would be awesome.

Baron Mordo: Courtney, you did a good job telling us about Deeth.

Courtney: Oh, if you think he's dangerous now, wait until you see his boss.

Pooperman: And his boss is?

Courtney: Onccalon.

Nico: WHOA!

Shanan: I remember Onccalon. He was the leader of the Hargokk. I am the one that destroyed him ages ago. I made sure nothing was left of him.

Courtney: Yeah it's true.

Nico: What can you tell us about him Shanan?

Shanan: You will not like him.

She told us all about him.

---

The leader of the Hargokk Empire. Years ago he was destroyed in a battle with the Network, but he survived. He is somewhere inside the Keep and has been regaining his power. His followers are devoted to resurrecting him and have engaged Zixx and her team in the Keep. In Level 2 it was revealed that Onccalon is regenerating and is more than just a pile of space goo. He is getting stronger each day as the pieces of his remains find their way to him. He has spoken in Level 2 and in Level 3, his hand was shown in a sphere where he was regenerating. Also, he can sense and feed on fear. If Onccalon is resurrected then the universe is doomed.

---

When she was done we were horrified!

Qin: WHOA MAN!

Xenia: He is pure evil!

Laney: Yeah!

Me: But at least you destroyed him Shanan. Great job.

Shanan: Thanks dad.

Tundra Man: So bascially, Deeth is like Sark and Onccalon is like the MCP. If the two come back during Erica's missions, then in the end, we do to them what we helped Sora do to Sark and MCP.

Shanan: In a way yes.

Courtney: But we'll be ready for them.

Qin: We sure will.

Lola: But this will be awesome and fun!

Xenia: Yeah it sure will.

Courtney: Yep. Also it'll be cool helping out Zixx.

Muscle Man: You know who else likes all this bread?

Armada Starscream: I know what's coming here.

Muscle Man: MY MOM!

We laughed.

Xenia: That is funny.

Jack O Lantern: Think we can keep some bread?

Evil Search Man: This planet won't miss a few.

Nico: Now now there is enough bread to last forever and more than enough for everyone.

Lola: Yeah there sure is.

Me: Yeah. Also the braid breads are really cool. Mung you know how to make bread like this don't you?

Mung: Oh I sure do J.D. and let me tell you it is really easy to make.

Nico: Cool.

Vegeta then sensed something

Vegeta: I sense some people are on this planet with us.

Me: I feel it too Master Vegeta. They are very faint but they are human energy signals.

Eli: I sense it too. They are the waiters that tried to stop us before.

We gasped!

Mordecai: Those guys again!?

Me: Man! Those guys just don't know when to quit!

Nico: And we're not even having an eating challenge this time.

Laney: This is the 3rd time we had to deal with them.

Eli: Yeah no kidding.

See More: All this because we won that challenge?!

Evil Mushroom Man: Some people really hold on to a grudge.

Me: Well actually we won twice. This is the 3rd time we've faced them.

See More: Oh. I stand corrected.

Me: But yeah these guys really know how to hold onto a grudge!

Qin: They sure do!

Cleo Chestnut: What challenges did you guys beat that made them so pissed?

Me: I won the Egg-Cellent challenge and Nico won the Death Sandwich challenge. They tried to stop us from winning them.

Nico: They claimed that it robs them of money.

Qin: Yeah.

Eli: They are 40 klicks to the north. Just behind that ginormous bread mountain.

Me: That's very obvious. Lets go.

Fangry: Entrance time!

Nico: Here we go.

We went at the hill and we saw THE WAITERS! They were REALLY PISSED! They had steam coming out of their ears and heads!

Nico: Lets go.

We went at them.

The waiters were really mad and then the DRAGONS OF THE ELEMENTS CAME AND SWIRLED AROUND THEM AND THEN THEY CONVERGED AND THEN…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them and then a phoenix cry was heard and we came out.

Me: Now that is a toasty fire entrance!

Waiter 1: YOU RUINED EVERYTHING FOR US!

Me: Hey! We were hungry and we wanted to win something cool to make a restaurant gain notoriety!

Harpymon: We didn't start this grudge.

Shakedown: But now? We're ending it!

Me: By sending you bozos back to prison!

Qin: Yeah! You guys are just sore losers!

Xenia: And it is going to be painful for you!

But then Copperhead, Hank Scorpio, Top, Taskmaster, Dayu, Vulkanus, Tala, Skinner, Myotismon, Cheshire, Indigestible Wad, Katz, Evil Flare Woman, Yost Rhino, Psyphon, Evil Clayface, Evil Blizzard Man, Fenghuang, Ghost of Dr. Coffin, and Utomodachi appeared.

Nico: Copperhead, Hank Scorpio, Top, Taskmaster, Dayu, Vulkanus, Tala, Skinner, Myotismon, Cheshire, Indigestible Wad, Katz, Evil Flare Woman, Yost Rhino, Psyphon, Evil Clayface, Evil Blizzard Man, Fenghuang, Ghost of Dr. Coffin, and Utomodachi.

Hank Scorpio: Boy look at this planet.

Taskmaster: It sure is amazing.

Me: I'll say and the bread is really cool.

Skinner: It sure is awesome.

Me: I'll say.

Nico: And this is number 2 of the Thanksgiving System Planets.

Cheshire: So cool.

Me: Yep.

Copperhead: So Deeth and Onccalon are the bad guys of Erica's missions, huh?

Hank Scorpio: They're no different from CLU.

Top: Killing them shouldn't be a problem.

Me: No it won't be a problem.

Taskmaster: (to Nico) Heard Billy caused stupid shit again.

Nico: Yeah he sure did.

Dayu: What did he do this time?

Me: Swallowed a boatload of bubblegum he got from Grim and covered the entire city in it.

Nico: Yep. But as a result he paid a stiff price. He got an unimaginably horrible rash from another dimension.

Lana: It was horrible.

Hank Scorpio: GEEZ!

?: Nasty price there!

Then a figure came out and it was JUPITOR from episode 24 of Dino Thunder!

---

Jupitor is a Jupiter/virus-based robot monster, created by Mesogog and the antagonist in the episode "A Ranger Exclusive" in Power Rangers Dino Thunder.

Jupitor was created by Mesogog. While Cassidy and Devin are trying to get an exclusive, Mesogog sends Jupitor into the TV station as a virus in order to hijack their satellite in an attempt to blow up Jupiter, which would bring about changes to the Earth that would make it suitable for a return to the prehistoric age. Jupitor is flushed out by Kira and Ethan, and the Triassic Ranger forms the Mezodon Megazord to destroy Jupitor.

---

Connor: Jupitor!

Jupitor: Been a while rangers.

Me: I remember you! You were made by Mesogog to highjack a TV Satellite to blow up Jupiter and make Earth suitable for the Prehistoric Age!

Jupitor: That's right J.D. Good memory.

Me: Yeah.

William: Your name sounds similar to Jupiter.

Jupitor: I get that a lot. But Jupiter can't possibly appear in person.

Me: That's true. That would be scary if it did though.

Qin: Yeah.

We got the battles underway.

## Tea Gardner, Fluttershy, Tornado Bolt, Life Skylanders, Jonny, Hadji, Jessie, Hood Sickle and Cuckoo Clocker VS Nathan Prince A.K.A. Copperhead - Our Meeting in The Briefing Room

Copperhead was first.

Copperhead: (to Tea) I didn't expect our meeting in the briefing room before Nico's rescue. I thought it was going to be before the mission.

Tea: Sometimes things are more important to do before a big mission. But Misty's intel on Opaline has been very vital for us and now we can devise a strategy on how to bring her down once and for all.

Fluttershy: That's right and Opaline must be stopped.

Tornado Bolt: She is a total enemy of all of Equestria and she has gotten away with it for far too long.

Stealth Elf: Opaline is a tremendous threat not just to Equestria but everyone on Earth.

Jonny Quest: I agree there too.

Hadji: (India Accent) She must be stopped no matter what.

Jessie Bannon: I agree there.

Copperhead: It's hard to imagine that she is that evil. Lets do it!

Tea summoned Dark Dryad and merged Hermos with Shining Friendship and it formed into THE SHINING FRIENDSHIP LIGHT SWORD! They fired waves of light and leaves, flowers, grass and energy and smashed him down.

## Sophie Casterwill, Sunset Shimmer, Pipsqueak, Fire Skylanders, Star, Marco, Meteora, Mariposa, Crash Man and Quick Man VS Hank Scorpio - Nico's Rescue and Billy up to his Stupid Shenanigans

Hank Scorpio was next.

Hank Scorpio: (to Sophie) Nico's Rescue involved Billy up to his Stupid Shenanigans again. What did he do now?

Sophie Casterwill: (British Accent) Billy was blowing up massive numbers of bubbles with a massive amount of bubble gum that he swallowed that he got from Grim. J.D. and Billy were fighting and Billy got kicked in the stomach and threw up bubble gum all over.

Hank Scorpio: That explains why there were huge bubbles and massive amounts of pre-chewed bubblegum and gumballs all over the city.

Sophie Casterwill: That's not the worst of it. Look what happened.

Sophie showed a picture of Billy with the hideously ugly rash he got from the gum that was all over his face and nose and ears..

Hank Scorpio: SWEET UGLY GLOBEX DAFFODILS! WHAT THE HELL HAPPENED TO HIM!?

Sophie Casterwill: A really nasty consequence of the gum he swallowed. He got a hideously unimaginable horrible rash from another dimension. He is itching and sweating like crazy and we have him quarantined in his room. Chester, A.J., Elmer and the kids of Dimmsdale are all laughing at him. Billy is now the biggest laughingstock of all time.

Hank Scorpio: GEEZ! I would say that karma bit him in the butt big time. And I thought Timmy's dad had it bad.

Sunset Shimmer: You got that right. That was awful.

Pipsqueak: (British Accent) But the whole city is an absolute mess.

Sunburn: Yeah it's really gross. And believe me nothing is worse than getting gum in your hair.

Hank Scorpio: Boy no kidding.

Star Butterfly: It's really gross.

Marco: No kidding there.

Meteora: That was terrible.

Mariposa Diaz: Yeah no kidding there.

Hank Scorpio: Yeah no kidding at all. Lets do it!

Sophie summoned Phoenix and merged Hermos with Hand of Nephthys and it formed into THE SWORD OF THE PHOENIX OF NEPHTHYS! They fired waves of fire and magic and smashed him down.

---

Ant Man, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Jim Hawkins, Octopunch and Radeeder VS Top - Battling Another Ultimate Chromastone

---

Top was next.

Top: (to Ant Man) Nico, Mandee, and the others did good Battling Another Ultimate Chromastone. I bet that one was a little tricky.

Ant Man: It was! This one was really cool though.

Pinkie Pie: I thought it was really amazing!

Maud Pie: (monotonously) It was also perfect for me too because of my talent for geology.

Featherweight: I agree there. She was also a geologist too.

Sprocket: Which is very fitting for Another Omnitrix Alien.

Jim Hawkins: I agree there.

Top: That is very fitting. Lets do it!

Ant Man summoned Metagolem and merged Hermos with ALINSECTION and it formed into THE ALIEN INSECT SICKLE! They fired waves of metal, gears, lightning and energy and smashed him down.

---

Brody Romero, Starlight Glimmer, Cozy Glow, Undead Skylanders, Gru, Minions, Lady Deathstrike and Mystique VS Taskmaster - Lincoln's Rescue and meeting a Gene-slammer for Uuduk

---

Taskmaster was next.

Taskmaster: (to Brody) I heard Lincoln's Rescue was in Chile. And that you guys met a Gene-slammer for Uuduk.

Brody: Yeah it was really fun. And the gene-slammer's name is Kiara Vocesdebelleza and she is a really awesome singer and guardian angel.

Starlight Glimmer: She sure is and we all are amazed with her talents too.

Cozy Glow: Her story is really cool too.

---

Kiara Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Kiara, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kiara Vocesdebelleza: (Spanish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Kiara, what's the story on how Lincoln took down and beat Flip up into a pulp when he tried to kill you and your sisters?

Kiara Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard an angry yell and Lincoln caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Flip and he had a knife in his hand and he was going to kill me and my sisters in a fit of rage and he was also going to kill Lincoln again for ruining his scams, but Lincoln grabbed Flip by his arm and he broke it and that caused Flip to scream in pain and drop the knife, and then, Lincoln proceeded to mongrelize him and when he was done, Lincoln knocked out that mutant cheapskate's teeth, broke his arms and legs, broke his nose, and hit him hard in the head.

Nico: Yeah, I remember that one all too well, when we got the word that Flip broke out again, J.D. and I went to the cops and we were also going to tear him to shreds again, but when we saw what

Lincoln did, man, we were stunned.

Me: We sure were, but Flip deserved it, and that mutant cheapskate had no chance against Lincoln, and I got the picture.

I pulled out the picture of Flip after he was mongrelized by Lincoln and it matched what Kiara told us of what Lincoln did to that mutant cheapskate, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beating I gave to Flip, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let him get away with that, so I had to defend the Vocesdebelleza Sisters from that asshole.

Nico: You got that right, and you also got your hands covered in blood and your knuckles were really sore and bloody, so I made a ball of water and covered your hands in it, washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you sure are one tough guy, Lincoln, and you kicked Flip's ass hard and he fell down to the concrete like a bag of bricks.

Lincoln: He made a big mistake going after ten of my many Guardian Angels, just because he wants revenge on me and all of us for ruining his scams, but he's never going to learn his lesson. Besides, I've kicked his three-cheeked ass numerous times whenever he's tried to kill my Guardian Angels or us, and I've even used steel-toed boots on him.

Nico: (Snickers) Ooh, I can guess he didn't like that!

Me: (Laughs) He sure didn't, Nico.

FLASHBACK ENDS

Taskmaster: Man Flip just doesn't know when to quit!

Hex: Never has, never will.

Gru: He never has been a bright learner.

The Minions nodded.

Taskmaster: I agree. Lets do it!

Brody summoned Jericho and merged Hermos with Armed Ninja and it formed into THE NINJA DRAGON SWORD! They fired waves of darkness, magic, skulls, bones, lightning and stars and smashed him down.

---

Dayu: (to Emma) So, today was Halinor's 3rd Ambassador Mission. (laughs) Man, Bunny is REALLY Tearing apart Undermaster Akhil!

They laughed some more.

Emma: (LAUGHS) Yeah that bunny is still ripping him apart. I hope he holds out till January 14th. We don't want the mission to be done with early.

Twilight Sparkle: Yeah but there are still other villains out there to face on Xenoc if Akhil is killed before then.

Starshine Sparkle: Hopefully that won't happen.

Spyro: It's still very funny to watch seeing the bunny tear about Akhil.

Ryuko Matoi: It sure is.

Scratch: Yeah that bunny is really ripping him a new one.

Grounder: I thought he was ripping him apart.

CLANG!

Grounder got hit in the head by Scratch.

Scratch: It's just a figure of speech you dumbbot! It means the exact same thing.

Dayu: Still awesome though. Lets do it!

Emma: LEGENDARY RANGER MODE! JUNGLE FURY!

She turned into the White Jungle Fury Ranger!

Emma summoned Jirwolf and merged Hermos with Tiger Axe and it formed into THE AXE TIGER SWORD OF VALOR! They fired waves of energy and magic and smashed her down.

## Shanan, Applejack, Apple Bloom, Earth Skylanders, Ladybug, Adrien, Joan of Arc, Panda King and Gantu VS Vulkanus - The Mascots and Cleo having an Apple Cider Drinking Contest

Vulkanus was next.

Vulkanus: (to Shanan) So, The Mascots and Cleo had an Apple Cider Drinking Contest, huh? Who won?

Shanan: Cleo Chestnut did. And she drank the most apple cider anyone has ever witnessed. She had 500 mugs FULL of it!

Applejack: That had to be as much as 100 barrels of Apple Cider too.

Apple Bloom: I thought that was really amazing.

Flashwing: And it was really amazing seeing her drink that much.

Ladybug: Yeah that was amazing.

Adrien: That had to have been the most Apple Cider we've ever seen anyone drink.

Joan of Arc: I was just about to say the same thing.

Vulkanus: Boy they must've really had to go to the bathroom after that! Lets do it!

Shanan summoned Undergolem and merged Hermos with Fungi of The Musk and it formed into THE MUSHROOM OF PUTRIDITY SWORD! And it smelled HORRIBLE! They fired waves of energy, earth, rock, boulders, crystal and apples and smashed him down.

Harry Potter: (British Accent) I sure did and the butter is absolutely amazing.

---

Skinner: (to Dana) The Bread Planet is home to NUMEROUS varieties of bread. Mind if I keep some?

Dana: You sure can. More than enough for all of us.

Rarity: Oh and the bread is absolutely magnificent too.

Sweetie Belle: I agree there too. It's awesome.

Gill Grunt: I think it's amazing myself.

Numbuh 1: Yes it sure is good.

Numbuh 362: I think it's so awesome too.

Skinner: That is awesome. Lets do it!

Dana summoned Undine and merged Hermos with Koa'ki Meiru Ice and it formed into THE CRYO SWORD OF KOA'KI MEIRU! They fired waves of ice, water and jewels and smashed him down.

---

Myotismon was next.

Myotismon: (to Nico) Those Waiters don't know how to take a hint. We already beat their asses.

Nico: 2 times actually. One time during the Eggs-cellent challenge and the second time during the Sandwiches of Death. They REALLY don't want people to win those challenges.

Princess Luna: Yeah no kidding! They just don't know how to accept defeat and let people win.

Moondust: Besides it's fun seeing those eating challenges. But it's really fun kicking those waiters butts.

Snowdrop: It sure is.

Gari: Some people are just absolute sore losers. No offense to Lynn and Boy Lynn.

Blackout: Yeah no kidding.

Jackie Chan: What they are doing shows that they have no honor in winning.

Jade Chan: That I agree with.

Tohru: Same here. That shows they need to have honor.

Uncle: (Chinese Accent) Uncle most agree there my friends.

Bai Tza: I agree too. Those Waiters need to learn that you can't always get what you want especially when it comes to eating.

Tso Lan: That is something I most agree on.

Myotismon: I agree there too. Lets do it!

Nico summoned Lunar and merged Hermos with Lunalight Crimson Fox and it formed into THE CRIMSON FOX OF THE MOON SWORD! They fired waves of blood red lightning and darkness and smashed him down.

Rachel Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Nocnitsa Chernabog.

Selene Emperyous: Along with the rest of your demonic sisters, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and six mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Nocnitsa Chernabog, the eldest of The Chernabog Sisters, and the other five remaining mists of darkness descended onto the ground and what stood in their places were Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, and Jezebeth Chernabog, and the leader of The Chernabog Sisters, Adrastea Chernabog.

Rachel Emperyous: Nocnitsa Chernabog, just as we expected.

Selene Emperyous: And you also had the nerve to bring Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, and Jezebeth Chernabog with you when we ruined your sister's fun, Adrastea Chernabog.

Nocnitsa Chernabog: You goody-two-shoes Emperyous sisters always had to go ahead and ruin our fun like you always do!

Adrastea Chernabog: And now, you will all pay!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, and Jezebeth Chernabog came after us, but they were caught by a Sephiroth Tree of Life surrounded by five crosses that appeared below their feet and that made them scream demonically, and they were trapped.

Adrastea Chernabog: (HISSES) IT'S A TRAP! NOW, WE CAN'T GET OUT!

Selene Emperyous: That's right, and now, you ten get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she just pulled this morning in Chile. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Nocnitsa Chernabog: (ROARS) YOU MISERABLE, STUPID, LITTLE… !

Nocnitsa Chernabog rushed at Melanie Emperyous and Lincoln and tried to kill them, but Lincoln and Rachel fired powerful blasts of wind and rainbow fire and when she got hit, she screeched like the demon that she really is as the flames burned her and the winds sent her back.

Rachel Emperyous: That'll teach you, but we're just getting started, Nocnitsa, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Rachel Emperyous' green eyes turned neon green and she was surrounded by a green energy aura with winds, crosses, books, and angels, she unholstered her massive Raphion the Timelord-themed greatsword from her back, and as she approached Nocnitsa Chernabog, she left green energy, winds, books, crosses, and angels with every step.

Rachel Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Nocnitsa Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Rachel Emperyous was surrounded by a massive vortex of green energy with winds, books, and crosses surrounding it, there are angels, Raphion the Timelord, and Raphael the Archangel flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Rachel Emperyous emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Rachel Emperyous grew from 6'5" to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long flowing midnight black hair, she has neon green eyes and a green energy aura with winds, books, crosses, and angels surrounding her, she has the Seal of Raphael in the hands of Raphion the Timelord emblazoned on her forehead, she has on angel earrings with green gems for eyes and holding the Wind, Holy, and Eternity Kanjis in its hands, she also has Raphion the Timelord with green gems for eyes and holding the Wind, Holy, and Eternity Kanjis in its hands on the bottom of her green angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Rachel Emperyous has on a sleeveless light green top, green skirt with the Sephiroth Tree of Life on it, black pants with designs on the pants, green legwarmers, green heeled sneakers, and long white sleeveless trenchcoat with winds, books, crosses, and angels on the coattails, and on the back is Raphion the Timelord one one side and the Archangel Raphael and they have a cross floating in their left and right hands and surrounded by winds. Suddenly, Rachel Emperyous felt a sharp pain on her back, and then, her massive green angel wings with stars and green tips on the large green feathers grew much bigger for her new body, she has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Rachel Emperyous' massive Raphion the Timelord-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, crosses, winds, books, and angels and when it emerged, it was transformed into Raphion the Timelord's Holy Windstorm Bookworm Archangel Greatsword of Holy Windstorm Justice, it's a brand-new large greatsword with Raphion the Timelord and Raphael the Archangel etched on the 7'0" massive, wide, double-edged green blade, large angel heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large green gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Raphion the Timelord's head with green gems for eyes and a large green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. レイチェル・エンペリアス、タイムロード ラフィオン の ジーンスラマー、エンペラーシスターズ の 6 番目の長女、強力な風の支配者、大天使ラファエル の力、すばらしい本の虫、ダンサー、俳優、レイニー と リサ・ラウド の友人、愛する守護天使と未来リンカーン・ラウドの妻、ダーク・チャンドラーのスマッシャーと軽蔑者、ノクニツァ・チェルナボーグの破壊者、風のエレメンターの大敵、悪のスレイヤー、混乱した、殺人的、冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして聖なるマスター風と十字架と大天使

Rachel Emperyous has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY BOOKWORM WINDSTORM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY WINDSTORM BOOKWORM ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY WINDSTORM BOOKWORM ARCHANGEL LOVE!

We were amazed by Rachel Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Nocnitsa Chernabog saw it, she went fucking mad and fired a blast of darkness at Rachel Emperyous to kill her, but Rachel Emperyous fired a powerful green energy blast with winds, crosses, books, and angels which overwhelmed the blast of darkness and it hits Nocnitsa Chernabog, and she was sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now, Rachel Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Windstorm Timelord Justice and a champion of the Archangel Raphael and Rachel, you look beautiful, how do you feel?

Rachel Emperyous: (Divine Echoing Cosmic Voice of The Holy Windstorm Bookworm Timelord and Divine Holy Windstorm Love) **I feel incredible, Linky. Now, shall we destroy Nocnitsa Chernabog once and for all?**

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Rachel.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Rachel Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to say your goodbyes forever, Nocnitsa Chernabog, because your days of causing chaos and havoc in Michigan and the world are over!**

Rachel Emperyous and Lincoln went after Nocnitsa Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, green energy, crosses, books, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Nocnitsa Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was really making Nocnitsa Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Rachel Emperyous and Lincoln were just getting started and Nocnitsa's divine punishment has just begun. Nocnitsa Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive and long white wolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Rachel Emperyous and Lincoln slashed off Nocnitsa Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Nocnitsa Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Michelle Emperyous, it was known as Raphion the Timelord's Holy Archangel Windstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's green with winds on the blaster with a Phoenix, Archangel, and Raphion the Timelord surrounded by winds etched on the sides, and a green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Rachel Emperyous fired blasts of rainbow energy, green energy, and elemental forces and when they hit Nocnitsa Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Nocnitsa Chernabog's spirit appeared and Rachel Emperyous and Lincoln drew the Judgement Kanji and Seal of Raphael on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Rachel Emperyous and Lincoln did to Nocnitsa Chernabog as they holster their massive greatswords on their backs and powered down, and Rachel Emperyous' new body, clothes, weapons, jewelry, and massive green angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, and Jezebeth Chernabog, and they were horrified to see what happened to Nocnitsa Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Nocnitsa! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, and Jezebeth Chernabog disappeared in five mists of

darkness.

Nico: Yeah, that's right, go lick your wounds, bitch!

Rachel Emperyous: And now, all that's left to deal with are the five eldest Chernabog Sisters. Thanks for helping me destroy Nocnitsa Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Rachel.

Suddenly, Rachel Emperyous wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Rachel Emperyous' face, they kissed passionately as Rachel Emperyous' left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Raphion the Timelord, and the Archangel Raphael flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and angels flying behind them and winds blowing behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Rachel Emperyous came back to us, as the display and Raphion the Timelord and the Archangel Raphael vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and we really pissed off Adrastea and the other Chernabog Sisters, and they'll still do anything to get revenge on us, but we'll be ready for them.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show.

Lincoln: Yep, and for tomorrow, we're going to meet Maria Vocesdebelleza the Banjaw Gene-Slammer and Amy Vocesdebelleza the Plinkajou Gene-Slammer.

Johanna Vocesdebelleza: (Spanish Accent) Awesome!

Lincoln: And Rachel's right, now all that's left is to deal with Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, Mara Chernabog, and Jezebeth Chernabog.

Sadie Emperyous: Which means you and I are going to deal with Jezebeth Chernabog tomorrow, and that's followed by you and Sandra dealing with Mara Chernabog, then, you and Vorya will deal with Lillith Chernabog, then, you and Zaina will deal with Adrastea's second-in-command, Drusilla Chernabog, and finally, you and Selene will deal with the leader of The Chernabog Sisters, Adrastea Chernabog.

Lincoln: That's right, Sadie, and if we want to be fully ready for the battle against Queen Opaline, not only do we need all the info on her from Misty, but The Chernabog Sisters need to go.

Selene Emperyous: That's right, Linky. Opaline's already a dangerous threat to all ponies for her evil xenophobic power-hungry ways, and The Chernabog Sisters are an equally dangerous threat to all of mankind, so we need to get rid of The Chernabog Sisters for good.

Nico: Before we make our move on Queen Opaline, and the battle between the Twelve Archangel and Timelord Sisters of Heaven and the Twelve Demon Sisters of Hell is fast approaching its climax with the epic showdown with Adrastea Chernabog.

Me: Lincoln and Selene Emperyous will make sure that she pays big time for her crimes in blood!

Selene Emperyous: Her and her sisters will all pay in blood.

Vulkanus: And so marks the end of a bunch of sore losers.

Tala: No kidding.

Me: You got that right.

Skinner: That's what they get for being petty.

Me: I agree there Seymour.

Myotismon: Now, all this bread is ours.

Nico: Yep.

Cheshire: Let's take some of it home.

Nico: It will be perfect for sandwiches and all that. But great job today everyone.

Qin: This was awesome though.

Nico: Yep.

Mordecai: (To the viewers) If you win an eating contest make sure to do it for fun and make sure the waiters don't stop you.

Nico: Good advice.

We brought lots and lots of loves of bread back to the ship and went back home. We enjoyed the rest of the day and went to sleep.

Felicia Wittebane: Keep your eyes peeled guys. Belos's men are here.

Nico: We're ready for them.

Jackie: And it will hurt bad.

Nico: Yes it will.

Qin: But it's always cool coming here to the Boiling Isles.

Amity: Yeah it's home.

Nico: Thanks for coming with me, Jackie.

Jackie: Anytime Nico. It's so awesome to help you out.

Leni: It's totes fun having you with us.

Varie: It sure is.

Nico: Jackie, what do you do outside of missions?

Jackie: I like going shopping with Mandee and Leni. Also I work as a burger delivery girl.

Me: I helped Jackie become a Roller Skating Delivery Specialist and she is really good at it.

Nico: That's cool.

Qin: It sure is. And it's awesome.

Applejack: I think that's really good.

Xenia: It sure is.

Nico: Personally, I like burgers with just cheese on the patties.

Jackie: Everyone has their own tastes.

Qin: Yep.

Laney: Yeah that's true. I think that is awesome Nico.

Me: It sure is.

Laney: Yep.

Qin: Yeah.

Nico: Yesterday was delicious. Again!

Me: Boy it sure was! That bread planet we went to was so awesome and good.

Nico: Yeah it was!

Luz: It sure was tasty. All that bread was good.

Amity: I thought it was good too.

Felicia Wittebane: It was really tasty.

Me: Yeah. Also look on the bright side today, we aren't going through one of Billy's stupid shenanigans.

Nico: Thank goodness. Man that rash he got was horrible.

May: Boy no kidding. Who knew that bubblegum he got would be able to give him such a terrible rash.

Me: It was a really nasty side effect.

Jackie: That was a really gross one.

Qin: Yeah. Is Billy all better?

Eli: Yes he is. We had to dip him in a massive bathtub full of calamine lotion. That cured him.

Nico: Good.

Maria: I hope we never have to fight petty waiters!

Me: Me too Maria. Man those waiters were really pissed at both me and Nico for ruining them. Not our faults we were hungry.

Nico: I know. We were just that hungry and wanted to give the restaurants awesome fame.

Xenia: That's true.

Qin: But the meals we got were really awesome from them.

Eli: And those blockheads still wouldn't accept our wins.

Nico: Next time we find waiters like that, we sue them.

Me: That is a very good logical approach.

Nico: Indeed.

Eli: Yeah. I like it bro.

Nico: Also J.D. good call bringing many of our allies together for the battle with Opaline. I take it you have a good battle plan to bring her down.

Me: I sure do. And with Opaline's power at it is right now she will be a sitting duck.

Nico: Interesting.

Leni: She's an Alicorn, not a duck.

Lisa Loud: Leni a Sitting Duck is just an expression. It means she will have no protection from a powerful attack from us.

Leni: Oh right. I see what you mean.

Nico: What is your battle plan though?

Me: An all direction attack from all sides.

Nico: Nice. Before we find more of the Emperor's men lets hear J.D.'s plan.

Felicia Wittebane: Good idea.

I pulled out a map of the Kamchatka Peninsula in Russia.

Nico: Also, if she ends up reviving 24 of our enemies, we have to make adjustments.

Me: Don't worry about that Nico. Our scans show she doesn't have that kind of power. With the intel and scans and data we collected on her she will be the only one there. Now here's my plan. I call it Operation: Equestria Firestorm Justice. We are going to launch an all out ambush attack on Opaline from all sides on the ground, in the air and in the water. Pegasus Ponies will attack from the north, Unicorns from the east, Earth Ponies from the South, Alicorns from the west, Thorax and the Changelings from the Northeast, Yaks and Griffins from the Southeast, Seaponies, Hippogriffs and mermaids from the Southwest and dragons and all of us and our allies from the Northwest.

Nico: Wow! Awesome flanking maneuvers.

Qin: Very impressive.

Nico: And in case Opaline does revive 24 of our enemies, we'll counter them with the same kinds of groups used against Void Queen.

May: Nice! But if it comes to that, the group with Twilight and her friends will face Opaline and whichever villain is close to her.

Maria: Meaning the Hibiki Riders, the My Hero Academia heroes, the Mystic Force Rangers, and the Auradon kids will be the ones to fight Opaline personally.

Me: I like it! But I definitely know that Sunny Starscout and Twilight will definitely want a shot at her.

Twilight Sparkle: That is true. She ruined everything that I worked so hard to do for everyone and everypony and I will not let this monster live another second longer.

Nico: Me neither. What she did was unforgivable.

Fiona Hernandez: I can't believe she is that pure evil.

Lola: Yeah she makes Grogar look like a joke.

Nico: Well maybe not that far but yeah.

Me: But when the time comes she is going down.

Nico: We're projecting that we're going to face her on the 20th of November.

Me: More than enough time to prepare.

Camie: I'm touched you want me and my friends to fight Opaline personally.

Nico: Thank you. And in regards to the Mystic Force Rangers and the Auradon kids, they're both magical. Need I say more?

Me: Not at all but I'll gladly help that group out too.

Nico: Awesome.

Qin: Yep.

Camie: This is gonna be so fun.

Laney: And action packed.

Nico: Of course, the Alien Racers and the Extreme Ghostbusters will have to be with the others outside of said groups.

Me: Yep. I did invite them. We're going up against a malevolent Alicorn and we're going to need all the help we can get.

Cheetor: I agree there. Opaline is incredibly dangerous.

Rattrap: Oh it's like I always say, we're all gonna die.

Me: Shut up Rattrap.

Rhinox: (Laughs)

Airazor: Optimus would have said the same thing to him.

Nico: So far, nothing.

Qin: But there will be.

Xenia: Stay alert.

We looked around and Felicia then sensed something and then she fired an energy blast and it hit something in an alley and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Out came WARDEN WRATH AND THE EMPEROR'S GUARDS!

---

Warden Wrath is a supporting antagonist in the Disney Channel animated series The Owl House. He is the fearsome warden and overseer of the Conformatorium, a prison for misfits and weirdos.

He was voiced by Roger Craig Smith.

Warden Wrath serves as the main antagonist of the first episode.

Luz and King sneak in the prison tower and met the inmates who have been imprisoned for being different and do not fit in with the city. The Warden hears the prisoners and sees a wanted poster of Eda and promising to capture her. One of the prisoners spread their conspiracy theories and Wrath takes her and punishes her.

After they found King's crown that turns out to be a kid's meal crown through the force field and regroup with Eda, Wrath appears and beheads Eda, which annoys her. Once he captures them, Wrath asks Eda on a date, but she rejects him by blowing a raspberry at his face, who starts to whine about all the germs in her mouth. Before they could escape, Wrath catches up and fights Eda. Luz encourages the prisoners to help and fight Wrath together. The prisoners tied his hands and pinned down, Luz throws a firework rocket into his mouth and it explodes, causing him to run back into the prison tower.

Warden Wrath makes his second appearance in the season finale. After Luz and King are arrested and brought to the Conformatorium, he gloats that he has captured Luz and will make her watch Eda's petrification. When he opens the prison van's doors, Luz subdues him with her spell glyphs, pins him down and forces him tell her where Eda is and to draw her a map to Eda's cell. In fear for his life, he complies.

Wrath is last seen in the episode being berated by Kikimora for his failure.

---

Felicia Wittebane: Warden Wrath! I knew you were going to come for us!

Luz: Not this guy again!

Nico: Sounds like you know him Luz.

Luz: I sure do. Me and Eda helped bust all his prisoners out of his prison.

Me: Wow!

Maria: Let's start things off!

Me: Unleash the Wolf!

I went Super Angel Wolf Moon Xelnaga!

Me: (DIVINE WOLF MOON VOICE) **This will be a great battle.**

Nico: Yes it sure will.

Warden Wrath: KILL THEM ALL!

They went at us and I slashed them all over with my scythe and they bursted into blue flames.

Me: **Try this on!** (ACTIVATES EVIL SHADE MAN'S RIDEWATCH)

(GOD HELP ME BY REBECCA ST. JAMES PLAYS)

Me: (SINGING AND DANCING DIVINELY AS BLUE FIRE AND INTENSE LIGHTNING STRIKES AND BURNS)

**From the deep I cry**

**I am needing change in my life**

**I have let the cold creep in and lock my ability to feel (deeply)**

**Just now a shaft of light shot through my soul**

**Opening up the windows and the doors**

**Reaching to the corners and my flaws**

**Showing my need**

**I'm running out of time to live**

**Running out of love to give**

**Running out of life within**

**God help me**

**I don't care who stares**

**Never want to be what I have been again**

**Grace has taken over and drawn me in and I am embracing it**

**'Cause now I see Your light drawing me close**

**Overwhelming love I don't deserve**

**But I'll take the hope You bring, You hold it out to me**

**Without You**

I slashed the guards all over and intense lightning struck all over and they electrocuted them all over and then they bursted into powerful blue fire and were incinerated!

Felicia blasted the guards all over the place.

May: Eli, do you sense the next Omnitrix Alien?

Eli: (Concentrates) It's not far behind. But it has one of the most powerful brains I've ever sensed.

Qin: Whoa! That must be one powerful one.

Warden Wrath: Why you fucking little!

He then held out his hand and then fired a massive energy blast and it hit us!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion blasted out and he smirked. But when the smoke cleared he saw that we were still standing completely unharmed and unfazed.

Nico: Is that all you got?

Me: **That was pathetic.**

Nico went Super Saiyan and flared up his power to the extreme.

Nico: Now it's my turn!

Nico fired a powerful energy blast and it enveloped Warden Wrath and completely obliterated him in an instant!

Qin: That's it for him.

Me: **Yep. And he was given the black gates.**

Maria: We're not done yet.

Nico: Yeah.

Then a figure came out and it was a black version of an Evolved Cerebrocrustacean! It was ANOTHER ULTIMATE BRAINSTORM!

Me: **Whoa! Another Ultimate Brainstorm!**

Nico: This one must be a really smart one.

Another Ultimate Brainstorm: (In a girls voice) (British Accent) And I am indeed a good one because I know how to solve the equations of the 129th Dimensional String Equation leading up to the 4th dimension polynomials.

Everyone: HUH?

My head was sparking with smoke coming out of my ears and I was drooling uncontrollably and I had red crash screens on my eyes.

Eli: Uh oh.

Eli kicked me in the butt and I was rebooted.

Me: (BLUBBERS) **OW! Man that hurt my head! But there is one person that I know that is incredibly smart like that. Been a while Bella Arbuckle.**

Nico: Wait THE Bella Arbuckle, the greatest and most smartest and youngest ever Nobel Prize Winner in existence that solved the 129th Dimensional String Equation!?

Another Ultimate Brainstorm: The very same.

Me: **She is one of the smartest girls I've ever met. She was talking even when she was still in her mother's womb and also she was born with a powerful super high IQ of 100,000!**

Nico: HOLY MACKEREL!

Lisa Loud: Wow! That is amazingly impressive!

Albedo turned into Negative Ultimate Brainstorm.

Negative Ultimate Brainstorm: Did that Swartz miscreant promise you anything?

Another Ultimate Brainstorm: Just to become one of the most powerful and most omnipotent geniuses ever known in the known universe.

Me: **You already are that according to normal standards Bella. Ow. My head hurts.**

Nico: That is really powerful and smart talk though.

Eli: Yeah no kidding.

Another Ultimate Brainstorm: Indeed and I knew that Swartz miscreant was lying to me from the start as I was sensing it in his electroencephalographic patterns.

Me: **OW! Man you were able to pick it up through his brainwave patterns. Very clever. Lana can you give me some ice? My head feels like it's going to explode.**

Lana: Sure thing.

She fired a beam of ice lightning and it hit the top of my head and put it in a block of ice.

Me: **Ahh. That's better. Thanks Lana.**

Lana: Anytime.

Kaito: (gets out Timeranger gear) Worry about your head later, J.D.

Zocks: (gets out GoGoV gear) We got work to do.

Me: **Well you wouldn't like it if my head explodes and my brains and blood get splattered all over the place.**

Kaito: Ooh. Ew. Yeah.

Kaito got a Time Force Chrono Saber and Zocks got a Lightspeed Rescue Blaster.

Me: **Time for some star power.** (ACTIVATES STAR CREATURE'S RIDEWATCH)

(I RAN (SO FAR AWAY) BY A FLOCK OF SEAGULLS PLAYS)

Me: (SINGING DIVINELY AS STARS SWIRLED AROUND ME)

**… I walked along the avenue**

**I never thought I'd meet a girl like you**

**Meet a girl like you**

**With auburn hair and tawny eyes**

**The kind of eyes that hypnotize me through**

**Hypnotize me through**

**… And I ran, I ran so far away**

**I just ran, I ran all night and day**

**I couldn't get away**

**… A cloud appears above your head**

**A beam of light comes shining down on you**

**Shining down on you**

**The cloud is moving nearer still**

**Aurora borealis comes in view**

**Aurora comes in view**

**… And I ran, I ran so far away**

**I just ran, I ran all night and day**

**I couldn't get away**

**… Reached out a hand to touch your face**

**You're slowly disappearing from my view**

**'Pearing from my view**

**Reached out a hand to try again**

**I'm floating in a beam of light with you**

**A beam of light with you**

**… And I ran, I ran so far away**

**I just ran, I ran all night and day**

**And I ran, I ran so far away**

**I just ran, I couldn't get away**

I danced and fired waves of stars and smashed her down.

Lincoln: Nice one! Time to spin! (ACTIVATES TOP'S RIDEWATCH)

(YOU SPIN ME ROUND (LIKE A RECORD) BY DEAD OR ALIVE PLAYS)

Lincoln: (SINGING DIVINELY AS HE SPINS LIKE A TOP AND FIRE AND LIGHTNING SWIRLS AROUND HIM)

He spun fast and fired a tornado of lightning and fire and smashed her down.

When Lincoln stopped he was really dizzy.

Me: **Uh oh!**

I went and grabbed Lincoln and took him to a trash can and he threw up in it.

Nico: Whoa! That was fast spinning.

Qin: Yeah.

Lincoln: Thank you J.D.

Me: **No problem buddy. Man you were really spinning.**

Lisa Loud: I believe I have just the musical song for this one. (ACTIVATES CALAMITOUS'S RIDEWATCH)

(WILD THING BY TONE LOC PLAYS)

Lisa Loud: (SINGING DIVINELY AND DANCING BREAKDANCE WHILE GEARS SWIRL AROUND HER)

Let's do it

Workin' all week 9 to 5 for my money

So when the weekend comes I go get live with the honey

Rollin' down the street I saw this girl and she was pumpin'

I winked my eye she got into the ride went to a club was jumpin'

Introduce myself as Loc she said "You're a liar"

I said "I got it goin' on baby doll and I'm on fire"

Took her to the hotel she said "You're the king"

I said "Be my queen if you know what I mean and let us do the wild thing

Wild thing

Wild thing

Shoppin' at the mall looking for some gear to buy

I saw this girl she cool rocked my world and I had to adjust my fly

She looked at me and smiled and said "You have plans for the night"

I said "Hopefully if things go well I'll be with you tonight"

So we journeyed to her house one thing led to an other

I keyed the door we cold hit the floor looked up and it was her mother

I didn't know what to say I was hanging by a string

She said "Hey you two I was once like you and I liked to do the wild thing"

Wild thing

She loved to do the wild thing

Wild thing

Please baby baby please

Posse in effect hangin' out is always hype

And when me and the crew leave the shindig I want a girl who's just my type

Saw this luscious little frame I ain't lyin' fellas she was fine

The sweet young miss go gave me a kiss and I knew that she was mine

Took her to the limousine still parked outside

I tipped the chauffeur when it was over and I gave her my own ride

Couldn't get her off my jack she was like static cling

But that's what happens when body start slappin' from doin' the wild thing

Wild thing

She want to do the wild thing

Please baby baby please

Wild thing

Doin' a little show at the local discotheque

This fine youg chick was on my jack so I say what the heck

She want to come on stage and do her little dance

So I said chill for now but maybe later you'll get your chance

So when the show was finished I took her around the way

And what do you know she was good to go without a word to say

We was all alone and she said "Tone let me tell you one thing

I need $50 to make you holler I get paid to do the wild thing"

Say what

Yo love you must be kidding

You're walkin' babe

Just break out of here

Hasta la vista baby

Wild thing

She danced really awesomely and fired waves of gears and smashed her down.

Nico: OH YEAH! Groovy!

Me: Love Tone Loc.

Zarya: Me too!

Lola: Now for me. (ACTIVATES FIREFLY'S RIDEWATCH)

(I WANT YOU BY SAVAGE GARDEN PLAYS)

Lola: (SINGING DIVINELY AS FIRE SWIRLS AROUND HER)

Anytime I need to see your face, I just close my eyes
And I am taken to a place where your crystal mind
And magenta feelings take up shelter in the base of my spine
Sweet like a chic-a-cherry cola
I don't need to try to explain, I just hold on tight
And if it happens again, I might move so slightly
To the arms and the lips and the face of the human cannonball
That I need to, I want to
Well, come stand a little bit closer
Breathe in and get a bit higher
You'll never know what hit you
When I get to you
Ooh, I want you, I don't know if I need you, but
Ooh, I'd die to find out
Ooh, I want you, I don't know if I need you, but
Ooh, I would die to find out
I'm the kind of person who endorses a deep commitment
Getting comfy, getting perfect is what I live for
But a look, then a smell of perfume
It's like I'm down on the floor and I don't know what I'm in for
Conversation has a time and place
In the interaction of a lover and a mate

But the time of talking, using symbols, using words

Can be likened to a deep sea diver

Who is swimming with a raincoat

Well, come stand a little bit closer

Breathe in and get a bit higher

You'll never know what hit you

When I get to you

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out

ya, ya

(Ooh, ah) ya, ya

Anytime I need to see your face, I just close my eyes

And I am taken to a place where your crystal mind

And magenta feelings take up shelter in the base of my spine

Sweet like a chic-a-cherry cola

I don't need to try to explain, I just hold on tight

And if it happens again, I might move so slightly

To the arms and the lips and the face of the human cannonball

That I need to, I want to

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out (so can we find out?)

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I would die to find out

Ooh, I want you, I don't know if I need you, but

Ooh, I'd die to find out (I'd die to find out)

Ooh, I want you, I don't know if I need you, but (oh, why can't we find out?)

Ooh, I would die to find out

She danced and fired swirled around her and Lola fired waves of fire and smashed her down.

Me: **Nice one Lola!**

Sougo: (gets out Goggle V Ridewatch) You know that big brain of your Another Omnitrix Alien form?

Geiz: (gets out Garren Ridewatch) It's an easy target.

Armor Time! (Rock music mixed with Garren Buckle standby noise) Garren! (Garren transformation noise)

Sougo got GoggleRedArmor while Geiz got GarrenArmor.

Gentaro: Time for some space power! HENSHIN!

He went FOURZE!

Me: **YEAH! Lets make it an awesome combo.** (ACTIVATES THE FOURZE RIDEWATCH)

(MAJOR TOM BY PETER SCHILLING PLAYS)

Standing there alone

The ship is waiting

All systems are go

"Are you sure?"

Control is not convinced

But the computer

Has the evidence

No need to abort

The countdown starts

Watching in a trance

The crew is certain

Nothing left to chance

All is working

Trying to relax

Up in the capsule

"Send me up a drink"

Jokes Major Tom

The count goes on

Earth below us
Drifting, falling
Floating weightless
Calling, calling home
Second stage is cut
We're now in orbit
Stabilizers up
Running perfect
Starting to collect
Requested data
"What will it affect
When all is done?"
Thinks Major Tom
Back at ground control
There is a problem
"Go to rockets full"
Not responding
"Hello Major Tom
Are you receiving?

Turn the thrusters on

We're standing by"

There's no reply

Calling, calling home

Across the stratosphere

A final message:

Then nothing more

Far beneath the ship

The world is mourning

They don't realize

He's alive

No one understands

But Major Tom sees

"Now the light commands

This is my home

I'm coming home"

Me and Gentaro flew at her and fired waves of stars and energy and smashed her down with the powers of the most famous Space Missions of the 20th Century! We smashed her down!

Nico: OH YEAH! That was awesome!

Lisa Loud: That was most well impressive!

Nico: And nice combo with the Ridewatch.

Me: **Thanks.**

Nico: (gets out Bisk's Ridewatch) Time to fight seafood with seafood!

Nico activated it.

Nico: You like seafood? (Sticks his tongue out) SEE? FOOD! BLEGGH!

Nico fired a wave of lobster bisque and smashed her down!

Me: Nice one!

Another Ultimate Brainstorm: That was not very least amusing. Now for this one. HENGEMEN!

She summoned Hengemen!

Nico: WHOA! Hengemen!

Me: **Now we're talking! Time for some action!** (ACTIVATES FAIRY GODMOTHER'S RIDEWATCH)

(HOLDING OUT FOR A HERO BY BONNIE TYLER PLAYS)

Me: (SINGING AND DANCING DIVINELY AS BLUE FIRE AND MAGIC SWIRLS AROUND ME)

**Where have all the good men gone**

**And where are all the gods?**

**Where's the streetwise Hercules**

**To fight the rising odds?**

**Isn't there a white knight upon a fiery steed**

**Late at night, I toss and I turn**

**And I dream of what I need**

**I need a hero**

**I'm holding out for a hero 'til the end of the night**

**He's gotta be strong, and he's gotta be fast**

**And he's gotta be fresh from the fight**

**I need a hero**

**I'm holding out for a hero 'til the morning light**

**He's gotta be sure, and it's gotta be soon**

**And he's gotta be larger than life**

**Larger than life**

**Somewhere after midnight**

**In my wildest fantasy**

**Somewhere, just beyond my reach**

**There's someone reaching back for me**

**Racing on the thunder**

**And rising with the heat**

**It's gonna take a Superman to sweep me off my feet, yeah**

**I need a hero**

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, and it's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

Up where the mountains meet the heavens above

Out where the lightning splits the sea

I could swear there is someone, somewhere watching me

Through the wind and the chill and the rain

And the storm and the flood

I can feel his approach like a fire in my blood

(Like a fire in my blood, like a fire in my blood

Like a fire in my blood, like a fire in my blood, blood)

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

**I'm holding out for a hero 'til the morning light**

**He's gotta be sure, and it's gotta be soon**

**And he's gotta be larger than life**

**I need a hero**

**I'm holding out for a hero 'til the end of the night**

**He's gotta be strong, and he's gotta be fast**

**And he's gotta be fresh from the fight**

**I need a hero**

**I'm holding out for a hero 'til the morning light**

**He's gotta be sure, and it's gotta be soon**

**And he's gotta be larger than life**

**I need a hero**

**I'm holding out for a hero 'til the end of the night**

I danced and spun around the Hengemen as I swung and spun my scythe and blue flames swirled around me and I slashed the Hengemen all over and smashed them all to pieces to the song.

Qin: WOOHOO! YEAH!

Nico: That was awesome!

Eli: Yeah it was!

Jackie: My turn! Time to make this Volcanically Hot! (ACTIVATES KRUSTY AND VOLCANO MAN'S RIDEWATCH)

She was dancing and fired waves of lava and fired waves of fire and bombs and they hit Another Ultimate Brainstorm and they exploded!

KRABBBBBBOOOOOOOOOOOMMM! KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMMM! KRABBBBBBBBOOOOOOOOOOOMMMMM! KRABBBBBBBOOOOOOOMMMM! KRABBBBBBOOOOOOOMMM! KRABBBBBBBOOOOOOOOOOOOMMMM!

She knocked her down!

Me: **Now that was volcanically hot!** (SIZZLE!)

Another Ultimate Brainstorm: That was genius. But try this.

She summoned a bunch of Fangires!

Nico: Fangires too!?

Me: **Now we're talking! You obviously do not know WHO YOU ARE FUCKING WITH!**

I activated a UV Flashbang bomb and then it detonated and released a massive flash of ultraviolet light and blew the Fangires away and incinerated them!

Nico: YEAH!

Maria: How the Hell did you summon Hengemen and Fangires?!

Another Ultimate Brainstorm: I believe it has something to do with the fragment of Xehanort that is inside the ridewatch that was implanted into me.

Me: **There's a Dark Orb inside the Ridewatch!? Oh man!**

I looked at my Dark Orb Radar and there really was a Dark Orb inside her!

Me: **She's right! There's a Dark Orb inside her.**

Nico: Oh man!

But then we felt a massive and incredibly strong and powerful energy!

Me: **WHOA! Do you guys feel that?**

Nico: That energy is powerful!

Eli: Wow! It's mindboggling!

Qin: Whoa! What is emitting an energy signal that powerful!?

Eli: It's the next gene-slammer!

May: Who is it this time?

Then a figure flew in and landed in front of us and it was a girl with long blue hair and blue eyes and blue clothes and had black angel wings and on the back of her shirt was the symbols of the Crimson Dragon and the Nazca Lines of The Earthbound Immortals and she had a power that was incredibly massive!

Nico: (GASP) Amity Doragon!

Amity Doragon: It's good to see you again Nico.

Me: **Wow your power is incredible!**

Amity Doragon: Let me explain after I save Bella here.

She then fired a powerful red lightning blast and it hit Another Ultimate Brainstorm and knocked her down and I caught the ridewatch and I purified it and got the Dark Orb out.

Me: **There's the Dark Orb.**

I opened the portal to the Warp and threw it in and I went over to Bella and she was a girl in a white lab coat and had a blue shirt and green skirt and had green hair.

I picked her up.

Bella Arbuckle: (Groans) My Cerebral cranium is really in a lot of pain.

Me: **But at least you're back to normal.**

I picked her up.

Amity Doragon: I apoligize for coming like this. I'm one of the few that was made all powerful like this because of a transfusion. I was born with a fatal disease and I was given days to live. So the doctors did a really risky operation on me by infusing me with the powers of the Crimson Dragon, The Signer Dragons, Earthbound Immortals and the Malefic Dragons. It saved my life but as a result it gave me all these amazing powers. I have the power to do anything.

Eli: Wow! That is amazing!

Me: **Wow! No kidding. Your power is incredible.**

Nico: Yep.

Jackie: That is cool. Just like what happened with Danica.

Danica Metrois: Yes very much so.

Jackie: What's your favorite memory of Nico?

Amity Doragon: My favorite is when me and Nico went to the Nazca Lines in Peru and I showed him all of the lines and everything they symbolize. It was a really awesome and amazing spiritual center finding journey for him.

Nico: Yes I was still in a lot of trauma from killing Ken the first time. So I needed help.

Me: That's amazing that Amity did that for you.

Leni: It totes is.

Qin: I think that is really cool.

Nico: Yeah.

Nico and Amity hugged.

Nico: I've really missed you.

Amity Doragon: Me too Nico. Me too.

Felicia Wittebane: But as a bonus victory we got rid of Warden Wrath and saved Bella.

Me: Yeah we sure did.

Nico: Yep.

Varie: But this was awesome.

Nico: And there's no need for you to revert back.

Amity Doragon: No I managed to remain human but the infusion of the powers I got made me omnipotent.

Qin: That is amazing.

Lola: I'll say. Wow.

Nico: Yeah. Lets go home.

We went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, and Mandee are heading to the north of Gotham Royal York, and not only is Lincoln going to rescue the two girls here, but we're also going to track down and destroy Light Yagami, the now deranged and murderous former vigilante turned dangerous serial killer, and he's trying to get the Death Note book back from me, but the only thing he's getting is a bullet to the head by The Punisher and sent to The Black Gates forever.

And since the news hit everyone of Light Yagami coming here, the rest of the team were with us, and so were The Masters of Evil.

Lincoln: Whoa, so my rescue's here in Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the two girls here, but we're also going to track down and destroy Light Yagami, the now deranged and murderous former vigilante turned dangerous serial killer, and he's trying to get the Death Note book back from J.D.

Me: I knew it was only a matter of time before that bastard showed up.

Nico: But, the only thing he's getting is a bullet to the head by The

Punisher and sent to The Black Gates forever.

Eli: Yeah, he's an evil monster.

Lincoln: And there's only one place fitting for a monster like him: The Black Gates, and thanks for joining us, Mandee.

Mandee: You're welcome, Lincoln.

Leni: We should first check Dad's restaurant, didn't you say his victims were dangerous criminals, Lincoln?

Lincoln: The ANBU checked the restaurant, and our resident jerks were still safe and secure, Leni. See, I knew Yagami would try to kill our resident jerks, so I put up an electric field and he wound up getting electrocuted, and he fled from there and he was really pissed off and even more insane than ever.

Nico: Nice work, Lincoln. But, that's not going to stop him, he's also going to target innocent people as well.

Lincoln: That bastard's not getting the chance.

Lincoln fired a rainbow energy wave and put up electric force fields to keep Light Yagami from trying to hurt innocent people in his bloodlust.

Suddenly, we saw the My Singing Monsters, Banjaw and Plinkajou, along with the Duel Monster, Blue-Eyes Shining Dragon, and The Belch, and with them were the two girls.

Nico: Whoa, that's Banjaw and Plinkajou, along with the Duel Monster, Blue-Eyes Shining Dragon, and the Belch, and it also got the two girls to safety.

Banjaw and Plinkajou: (Girl's Voice)(Spanish Accent) We had to get them away from that psycho.

Blue-Eyes Shining Dragon: (Girl's Voice) He tried to stab them with a knife and he was laughing like a madman.

The Belch: (Girl's Voice) But, not before I belched loudly enough to blow him away.

Lincoln: (Gasps) And those voices, it's Maria and Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken!

Me: Whoa, so, we ran into four Guardian Angels?! Awesome, but we're not done yet.

Lincoln: I know, I sense that Light Yagami is still out there, and he's heading straight for us right now and he's got murder in his eyes!

Suddenly, we saw a now crazed figure with murder and insanity in his eyes, it was our target, Light Yagami.

Lincoln: Light Yagami, just the psychopath we were looking for.

Light Yagami: Team Loud Phoenix Storm, I know that one of you has the Death Note, give it to me or you will all die!

Me: Ain't happening, Yagami, and just so you know, I do have the Death Note book, but there's no way you're getting it back.

Lincoln: That's right, you've used this book so many times and because of you, over 136,000 people died, criminals and innocents, and because of it, you've become a delusional god wannabe, and you can't get rid of evil that easily: Good and Evil are two eternal forces that maintain balance, if you try to get rid of all the evil, you essentially throw the balance between Good and Evil into chaos.

Punisher: And there's a difference between me and J.D. and you: J.D. and I find out who's the lowest of the low and use conventional methods to get rid of said scum, but you, you've been using that evil notebook and you started out killing criminals, but then, you eventually started killing innocents left and right without seeing who's innocent or guilty, and your mind became corrupted and you became the one thing you wanted to get rid of.

Light Yagami: I wanted to rid the world of all evil and create a true utopia, and once I get the Death Note back, I'll get rid of all the villains here and the Masters of Evil, along with all of you! (LAUGHING INSANELY)

Eli: YOU SICK, DERANGED, OUT-OF-CONTROL, PSYCHOPATHIC, MURDEROUS FUCKER!

Lincoln: (Sighs) Forget it, Eli, there's no use in trying to reason with him.

Me: Yeah, he's already signed his own death warrant with what he's done.

Nico: Along with threating our frenemies' lives, our lives, and the lives of so many innocent people, and like you said, Linc, there's only one fate that awaits him: death.

Lincoln: Let's get that bastard and rip him to shreds.

The rest of the team and the Masters of Evil attacked Light Yagami by blasting him and slashing at him with their weapons, and then, Lincoln and the Punisher got out their guns, and they fired two Black-Gate infused pitch-black bullets into Light Yagami's skull, and when they pierced his skull, he exploded in black flames and his evil spirit was found guilty by all those he killed and as soon as the Judgement Kanji appeared, he was erased forever by The Black Gates as he screamed angrily and cursed at us. We cheered wildly as we holster our weapons and powered down.

Lincoln: You're never hurting anyone ever again, murderer and betrayer of mankind. (To Maria and Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken) And it's so good to see you again, Maria and Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken.

Maria and Amy Vocesdebelleza: (Spanish Accent) You too, Lincoln, it's been a long time, and it's so good to see you, Lori, Leni, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily again, Luna, and you all look so amazing.

Luna: Thanks, and you also look amazing, Maria and Amy. Plus, you, Amy, Hailey, and Lillian are going to be quite surprised to see how much Lincoln's grown and changed.

Lincoln went up to Maria and Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken and he hugged them, and Maria and Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you and Amy since you were seventeen, Maria, and I haven't seen you since Kindergarten, Hailey, and I haven't seen you since you were sixteen, Lillian, and as you can see, I really grew a lot since then.

Maria Vocesdebelleza: (Spanish Accent) Whoa, and Luna's right, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new.

Amy Vocesdebelleza: (Spanish Accent) Indeed, you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and also, cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Hailey Schroedder: You really grew that really really big since kindergarten, Lincoln. Time really has changed you physically.

Lillian McKraken: But, you're still the same kind boy from that long ago.

Nico: Wow, Lincoln, you know these four girls.

Lincoln: Yep, that's right, Nico, the first two girls are Maria and Amy Vocesdebelleza the Plinkajou Gene-Slammer, the last two youngest siblings of the ten Vocesdebelleza Sisters who are all my Guardian Angels from Brazil. Maria and her sister, Amy, are Luna's classmates in History, and they would often help Luna with her music sessions. The next girl is Hailey Schroedder, she's one of my many friends from Kindergarten and Guardian Angel from Michigan, but she disappeared many years ago, and I now know why: Team Rocket had her Gene-Slammed into Blue-Eyes Shining Dragon.

Nico: And I also mentioned her long ago that she was now part of one of the groups with Seto Kaiba.

Lincoln: I think she got word of that long ago, and she's already proud to be part of his group, and the last girl is Lillian McKraken, she's my Guardian Angel from Michigan, and she belches every three minutes really loudly and long.

Nico: Dang, that's loud! Did she use that on Lori, Lynn, Lola, Lisa, or Luan when they tried to kill you?

Lincoln: You bet she did, and it was so loud, it almost shattered every last window in the house, and she drank a whole bottle of soda that day.

Me: That explains the shockwave I felt and the belch I heard that day.

Nico: (Snickers) And I can guess Lynn went tone-deaf from that one, and Lana liked that one.

Lincoln: Big time, Nico.

Maria Vocesdebelleza: (Spanish Accent) And we've got a story to share on how Lincoln mongrelized Scoots, Flip, Lewis Travolta, Bubble Bass, and Billy McLean when they tried to kill me and my sisters.

Nico: Whoa, he took on all four of those asshole, now this we're really going to enjoy hearing.

Kiara Vocesdebelleza: (Spanish Accent) You're going to love hearing it. (To Lincoln) And Lincoln, there's something we want to give you: we want to give you our blood.

We gasped at the four requests of Maria and Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken, including Lincoln.

Lincoln: Maria, Amy, Hailey, Lillian, are you girls absolutely sure?

Maria Vocesdebelleza: (Spanish Accent)(Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Maria and Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken, and like Maria and Amy's sisters, he saw that they were really serious, and he smiled as he walks over to them, and one by one, he hugged the girls' waists in his abnormally massive and powerful muscular arms, and one by one, he slowly leaned his head down to their necks, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from their necks and their necks healed up as the puncture marks sealed up.

Suddenly, four Elemental Thunderbird Necklace of Eternal Love appeared around the necks of Maria and Vocesdebelleza, Hailey Schroedder, and Lillian McKraken with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and four Elemental Thunderbird Choker of Eternal Love around their necks.

Maria Vocesdebelleza: (Spanish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amy and Maria Vocesdebelleza, Hailey Schroedder, and Lillian McKraken.

Maria and Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Maria Vocesdebelleza's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and he did the same with Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Kaidou Anri and Kaneko Aoi from Ao

Ashi.

Lincoln: Oh wow, it's Kaidou Anri and Kaneko Aoi from Ao Ashi.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kaidou Anri: Yes, we're okay, thanks to you.

Then, when Kaidou Anri and Kaneko Aoi saw who it was that saved them from Light Yagami, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic

Kaidou Anri: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kaidou Anri: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and

handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kaidou Anri and Kaneko Aoi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and we were finally rid of that psychopathic delusional god wannabe, Light Yagami, once and for all.

Molten Man: Oh man, thank God we're finally rid of Light Yagami for good, he was completely crazy.

Lincoln: You got that right, and everything that I read about him in the Death Note manga and from seeing the anime was indeed true, he went from a good kid into an insane serial killer and monster.

Me: And the Death Note was to blame for that, and he can't decide who lives or who dies, and I'm so glad I've decided on using the Death Note as a last resort.

Nico: Yeah.

Eli: And now, he's been erased forever and all those souls he's killed can finally rest in peace.

Lincoln: That's right, Eli. All those 135,412 souls that he'd killed can finally rest in peace for good and are free from being bound to the world of the living, but there's going to be a memorial for them and a public damnation of Light Yagami for his crimes.

Me: That's a good idea, Lincoln, the souls of those killed will be remembered, but Light Yagami will be eternally damned forever.

* * *

After destroying Light Yagami forever and really pissing off Jezebeth Chernabog, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria and Amy Vocesdebelleza, Hailey Schroedder, and Lillian McKraken saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Maria Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever.

Amy Vocesdebelleza: (Spanish Accent) He now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lillian McKraken: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, girls, what's the story on how Lincoln took down and beat Scoots, Flip, Lewis Travolta, Bubble Bass, and Billy McLean up into a pulp when he tried to kill you and the other Vocesdebelleza Sisters?

Maria Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters, along with Hailey Schroedder and Lillian McKraken were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard four angry yells along with the sound of an electric scooter and Lincoln also caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Scoots, Flip, Lewis Travolta, Bubble Bass, and Billy McLean and they had knives in hand and they were going to kill me, my sisters, Hailey Schroedder, and Lillian McKraken in a fit of rage and they were also going to kill Lincoln once again for getting them thrown in prison, but Lincoln grabbed Flip by his arm and he broke it and that really caused Flip to scream in pain and drop the knife, and then, Lincoln proceeded to throw Flip right into Scoots, Lewis Travolta, Billy McLean, and Bubble Bass, and then, he pounced on and mongrelize the jerks, and when he was done, Lincoln knocked out Billy McLean, Bubble Bass, Lewis Travolta, and Flip's teeth, broke Scoots' dentures, broke their arms and legs, broke their noses, and hit them hard in the head.

Nico: Yeah, I remember that one all too well, when we got the word that Scoots, Flip, Bubble Bass, Lewis Travolta, and Billy McLean broke out again, J.D. and I went to the cops and we were also going to tear them to shreds again, but when we saw what Lincoln did, we were stunned.

Me: We sure were, but they deserved it, and they had no chance against Lincoln, and I also got the picture.

I put up the picture of Scoots, Flip, Billy McLean, Lewis Travolta, and Bubble Bass after they were all mongrelized by Lincoln and it matched what Maria and the others told us of what Lincoln did to those jerks, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beatings I gave to those jerks, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let them get away with that, so I had to defend the Vocesdebelleza Sisters, Hailey Schroedder, and Lillian

McKraken from those jerks.

Nico: You got that right, and you also got your hands and your body really covered in blood and your knuckles were really sore and bloody, so I made a huge ball of water and covered you in it and that washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you sure are one really tough guy, Lincoln, and you kicked the asses of Scoots, Flip, Lewis Travolta, Billy McLean, and Bubble Bass hard and they fell down to the concrete like four bags of bricks.

Lincoln: They made a big mistake going after ten of my many Guardian Angels, just because they all wanted revenge on me and all of us for ruining their lives and throwing them in prison or the mental nuthouse, but they were never going to learn their lesson, and it ended with Scoots getting sent to The Black Gates and the other three humiliated forever. Besides, I've kicked their asses numerous times whenever they've tried to kill my Guardian Angels or us, and I've even used steel-toed boots on them.

Nico: (Snickers) Ooh, I can guess those jerks didn't like that!

Me: (Laughs) They sure didn't, Nico. Plus, the jerks were mad that we weren't killed by Light Yagami, even after Lincoln saved their asses from getting killed by him.

Lincoln: That's just further proof that they were just jerks who hate us with all their black hearts and don't care about anyone but themselves.

Sadie Emperyous: You got that right. Plus, I also found out Light Yagami was sent here to Gotham Royal York by Jezebeth Chernabog.

We gasped in shock!

Me: I should've known those Chernabog Sisters were behind this.

Just then, The Masters of Evil appeared.

Vypra: So, the person who's responsible for sending Light Yagami to

Gotham Royal York was Jezebeth Chernabog?!

Sadie Emperyous: That's right, Vypra.

Vypra: Why, that little… ! She has no idea of what she'd done!

Lincoln: We knew them for a long time, and those demonic sisters only wanted to instigate chaos for their own amusement, and they have no sense of decency or limits, they're just as bad as their evil Satanic parents.

Selene Emperyous: If we face them after we get rid of The Chernabog Sisters, we'll make sure that they get the rightful punishment, which is eternal damnation in Hell.

Nico: Appropriate punishment and well-deserved for those who've turned their backs on God and turn to worship The Devil.

After The Masters of Evil left, we got a shower afterwards, and then, Lincoln, Mu(Lord of Heroes), Erika(Pokemon), Flannery (Pokemon), Candice(Pokemon), Jade Chan, and Penny (Inspector Gadget) are heading to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Mu, Erika (Pokemon), Flannery (Pokemon), Candice(Pokemon), Jade Chan, and Penny (Inspector Gadget) were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we'd also found out that Mu, Erika (Pokemon), Flannery (Pokemon), Candice(Pokemon), Jade Chan, and Penny (Inspector Gadget) had feelings for Lincoln, and Lincoln also saved them from a group of bounty hunters Trina Riffins hired to kidnap and kill them, because she still wanted revenge on us for what we did in humiliating her and she still wanted blood. After Lincoln rescued them and the girls told us Trina Riffins hired the thugs to kidnap and kill them to get revenge on us, Lincoln dropped another piano on that angry, bad-tempered, rage-crazy bitch.

Mu: Wow, so this is Sirena Beach.

Lincoln: Yep, and it's perfect for our first beach date, girls. Shall we?

Lincoln, Mu, Erika (Pokemon), Flannery (Pokemon), Candice(Pokemon), Jade Chan, and Penny (Inspector Gadget) dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they met the animals that live there, and they went back to the beach and they had a game of volleyball and Mu, Erika (Pokemon), Flannery (Pokemon), Candice(Pokemon), Jade Chan, and Penny (Inspector Gadget) got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Mu, Erika (Pokemon), Flannery (Pokemon), Candice(Pokemon), Jade Chan, and Penny (Inspector Gadget) and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went Sirena Beach.

Mu: (Seductively and rubs her hands on Lincoln's massive pecs) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and we knew the girls also allowed Lincoln to bite them and feed on their blood, like with the other girls in his harem.

Jade Chan: And this was due to all of us harboring feelings for Lincoln, and they all came into light when he saved us from those bounty hunters Trina Riffins hired to kidnap and kill us, because she still wanted revenge on us for humiliating her and to slake her thirst for blood.

Eli: That rage-crazy, angry, bad-tempered bitch, and I still remembered that our man dropped another piano on her head and when she came out, she had piano keys in her mouth. Trina's just going to make things worse for herself.

Lincoln: You got that right, Eli. I was hoping not to do this, but Trina and Amy have left me no other choice.

Lincoln called Agent Waco and requested that a bounty be put up for the army of bounty hunters that were hired by Trina Riffins and Amy to kidnap and kill the girls for the sole purpose of wanting revenge on us for humiliating them and to slake their thirst for blood. Agent Waco agreed, and he put out a bounty on them.

Lincoln: There we go, just like what happened with the army of bounty hunters Flip hired, I've called Agent Waco and requested that a bounty be put up for the army of bounty hunters that were hired by Trina Riffins and Amy to kidnap and kill the girls for the sole purpose of wanting revenge on us for humiliating them and to slake their thirst for blood, and he already put out the bounty.

Nico: Awesome, and if we face them on your rescue, we're pummeling them, and we're going to be sending them to the slammer and getting the bounty on their heads.

Me: Along with facing any villains that were brought back by The Chernabog Sisters.

Lincoln: That's right.

* * *

Stewie was playing some putting with a golf ball and a cup when he heard the mascots laughing.

Stewie: My god what the hell are those mascots up to now.

He went to their room and saw them with a book.

Stewie: (to the mascots) Hey, whatever shenanigans you guys are causing this time, can I join in?

Poromon: Oh we found a bunch of sticker books.

Poliwag: We're taking them and putting them on some of our journals and stuff.

Horsea: There's some for Pokemon, Digimon, My Little Pony, Yu-Gi-Oh and more.

Stewie: Ooh! How positively delightful.

They got to putting stickers on their journals and more.

Pirolilly: Where'd you get those stickers?

Poromon: I found them in my closet. There was a lot of books I found that I haven't touched in a while. So we're using them.

Me: Cool guys. Man its been ages since I did all that with stickers.

Qin: Brings back so many memories.

Xenia: it sure does.

Sawaii Hitomi: I think it's really adorable and cute.

Kyasarin: It sure is awesome.

Ed: Gravy.

Eddy: Shut up Ed.

Manaphy: Admittingly, we got one of them from someone's shoe.

Scrapper: You're kidding, right?

Manaphy: No we are not kidding.

Scrapper: That's cool.

Qin: It sure is.

Lola found some for A Bugs Life.

Lola: Hey there's one for A Bugs Life.

Qin: That is my favorite. Hey Heimlich, Francis, do that funny scene with the Baby and pie.

Francis: You got it.

Heimlich was dressed as a baby.

Heimlich: (German Accent) Bubba all gone! BABY WANTS PIE!

Francis had a huge pie!

Francis: Pie? He asked for it! Should I give it to him?

Lola: YEAH! Give him pie! Give him Pie!

KRASPLAT!

Francis smashed the pie in Heimlich's face!

We laughed hysterically at that!

Bluestreak: There's a sticker for the Autobot symbol.

Nico: And one for the Decepticon Symbol too.

Qin: Neat!

Xenia: Yeah!

Laney: Those sticker books you found are awesome.

Lola: Yeah they sure are.

We later got to watching TV.

Shaggy and Scooby were sitting with Courage and Francesca while they were eating some of their huge sandwiches.

Eustace: Stupid dog! (Gets out ugly mask) OOOGA BOOGA BOOGA!

Shaggy, Scooby and Courage: AAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHHHHHHHHHH!

Eustace laughed at them.

But then…

KRABONK!

Eustace got hit on the head with a rollin pin by Francesca and Muriel.

Eustace: OW! What did I do!?

Me: You scared the shit out of them!

Nico: Makes me wonder if you should do that to Billy whenever he does something stupid.

Eli: Yeah that idiot deserves it more than poor Courage.

Varie: Yeah.

Cynder: Nico, which teams have you made this time?

Nico: Linka's team will include Cow & Chicken, Kiriko, Mikura Haruno, Kyasarin Uchiha, and Sawaii Hitomi. Rita's team will include Cana Alberona, Seer Dance, Refresh Dance, Reinhardt, and Quake Dance.

Me: Neat!

Kyasarin: It's going to be an honor to be on a team.

Mikura Haruno: Same here.

Kiriko: And I just joined the team recently so I will be honored.

Sawaii Hitomi: Me too.

Qin: And that is cool that some of Shantae's friends are helping too.

Camie: They sure are.

Then Copperhead, Hank Scorpio, Top, Taskmaster, Dayu, Vulkanus, Tala, Skinner, Myotismon, Cheshire, Indigestible Wad, Katz, Evil Flare Woman, Yost Rhino, Psyphon, Evil Clayface, Evil Blizzard Man, Fenghuang, Ghost of Dr.

Coffin, and Utomodachi appeared.

Copperhead: Can me, Hank Scorpio, Top, Taskmaster, Dayu, Vulkanus, Tala, Skinner, Myotismon, and Cheshire go with you guys?

Indigestible Wad: Me, Katz, Evil Flare Woman, Yost Rhino, Psyphon, Evil Clayface, Evil Blizzard Man, Fenghuang, Ghost of Dr. Coffin, and Utomodachi will come too.

Nico: Yes you all can come with us. We're going to number 3 of the Thanksgiving Planers.

Copperhead: Cool!

Katz: This is gonna be an interesting one.

Derpy Hooves: It sure will be cool.

Pirolilly: I'm looking forward to this one.

Me: Me too. Ed hopes it's one for Mashed Potatoes and Gravy next.

Centaur Man: Nico, which Gene Slammer do you think you'll meet next time?

Nico: Hmm. One for Giant Germ next.

Me: Ooh! One for your side this time.

Nico: Yep.

Me: Cool!

Fern Kemmington: Just like me. I hope she has the same power I do.

Nico: Yeah. Also I want to go for one for Emperor Sem and Gaap The Divine Soldier.

Me: Wow! 2 Demons from Hell too!

Qin: That will be awesome to see.

Xenia: It sure will.

Lola: Yep.

Nico: This will be awesome.

Top: (to Punisher) You did a good job killing Yagami.

Evil Flare Woman: But can you remind us the difference between you and him?

Punisher: I can do that. I don't go after innocents. I go after the most evil criminals and I don't show them mercy. Yagami went after EVERYONE.

Me: That's right and Frank kill as many people as Yagami did. Yagami killed 136,000 people. How many did you kill Frank?

Punisher: Around 48,500.

We were amazed.

Me: Wow! That's a really good kill count.

Livewire: Plus, Light also went after his own allies.

Punisher: Yes he did.

Me: The guy was an absolute whack-job.

Drakus: You're telling me. But the one from my universe will make a perfect addition to the M.O.E.

Me: That's a good idea Drakus.

Qin: It sure is.

Xenia: As long as he isn't like the one we destroyed here.

Drakus: Oh don't worry about that. I got him out of the corruption of the Death Note and I have him only using it as a last resort too. So the one from my universe will go into the M.O.E.

Nico: Good call.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than the fifth eldest sibling of the Chernabog Sisters, Jezebeth Chernabog, and she's major-leagued pissed off that we killed Light Yagami and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to the fifth eldest sibling of the Chernabog Sisters, Jezebeth Chernabog, and she's major-leagued pissed off that we killed Light Yagami and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

Me: Sheesh, but this is expected.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Rachel Emperyous: Yeah, and I should've known Jezebeth would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, and Mara Chernabog show up, along with Jezebeth Chernabog, Selene.

Selene Emperyous: We're already on that, Linky.

Nico: And they'll also not only be deterred and restrained again, but they'll also get to watch as Sadie and Lincoln destroy another one of their sisters. Alright, gang, let's go, we're heading to another awesome Thanksgiving food planet.

Lincoln: And like with all food planets, there's bound to be an old villain that we faced long ago who's come back to get revenge on us, namely Mordecai and Rigby's old enemies, and once we get done with whoever is waiting for us there, you're next, Jezebeth Chernabog.

Nico: Lets head to the ship.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7065.7: The U.S.S. Valorous Phoenix is en route to the third planet of the Thanksgiving System. Our mission is to see what this planet is like and battle the villain there.

Me: I have a feeling this planet is going to be awesome.

Qin: It sure will be.

Lola: I'm excited as all you guys are.

Lana: Me too.

Lisa Loud: We have arrived at our destination.

Dayu: We're coming up to the planet now.

Psyphon: I hope Ed was right.

Nico: Oh screen.

We saw that it was a white planet with brown rivers and lakes on it.

Nico: Wow it looks like a snow covered planet.

Lola: Yeah.

We got to landing and then we got out and then we saw THAT IT WAS A WORLD OF MASHED POTATOES AND GRAVY!

Nico: WHOA!

Me: It IS A world of Mashed Potatoes and Gravy.

Tala: Save some for us!

Evil Blizzard Man: We want some too!

Ed: There's plenty for everyone! Who needs a ladle? [He holds up several ladles along with a few spoons in-between his toes.]

We laughed!

Me: I'll use one.

I put some potatoes in a big bowl and got a ladle and put some gravy on my potatoes and ate it.

Me: Mmm! Delicious.

Nico: What flavor is it?

Ed: Uhh it tastes like Scottish Haggis Gravy.

Me: Yummy!

Lincoln: It's really awesome.

Lana: I'll say!

Eddy: Lumpy's earned this.

Mixmaster: He sure has, Eddy. He sure has.

Me: Yep. But from the looks of things this planet has more than just Scottish Haggis Gravy and judging from the looks of things and the colors of the gravies I would say this planet has many more flavors.

Nico: I agree on that one.

Ed: Oh boy oh boy oh boy!

Qin: No kidding there. But this planet is amazing. And I love Mashed Potatoes and Gravy on Thanksgiving. Next to Sweet Potatoes.

Lola: Nice!

Myotismon: You know what would go good with this?

Ghost of Dr. Coffin: What?

Myotismon: Sourdough.

Me: Sourdough potatoes Rolls? Yummy.

Qin: Yeah those are good.

Xenia: Yep.

Me: Yeah.

Eustace: Okay. If it'll make you guys happy, I'll use my mask to scare Billy. But don't blame me if he goes rogue again!

Blackarachnia: Don't worry. I think he's learned his lesson about

that.

Nico: Yeah he has.

Me: And Billy is all better now. That rash is gone. We had him put into a bathtub full of calamine lotion.

Qin: Yeah that rash was awful.

Blackarachnia: It was the ugliest I've ever seen.

Quickstrike: You ain't kidding there Sugarbot. It was downright gross.

Lola: Yeah.

Utomodachi: Man, this gravy is delicious!

Cheshire: Don't forget the mashed potatoes.

Nico: Boy it all is delicious!

Qin: It sure is!

But then…

?: HELP ME!

We heard a girls voice calling for help!

Me: (GASP) Sounds like someone is in trouble!

Nico: It's coming from that island in that lake! Lets go!

We flew over to it!

?: HELP ME! HELP!

We flew over and we saw a light blue hair girl in a red bikini sinking in mashed potatoes and gravy!

Nico: Oh man!

Me: (GASP) Zuria!

Nico: You know her?

Me: I'll explain later!

I flew over to her and held out my hand.

Me: Grab my hand!

She grabbed it and then I pulled her out but everyone saw that her legs had scars on them and they were like mangled up from something!

Nico: Oh good god!

Eli: Those scars are awful!

I brought her over to us.

Zuria: J.D. you saved me again.

Me: You're welcome Zuria.

Wood Man: Nice try, Opaline. Forcing us into a rescue on the main mission!

Eli: Wood man this is no trick and Opaline doesn't have the power to do that.

Wood Man: Oh sorry.

Me: Zuria how did you wind up here?

Zuria: I don't really know. I just was taken here by a strange vortex.

Me: A Dimensional Wormhole.

Nico: We haven't seen one of those in a while.

Nico and everyone saw the horrible scars on her legs.

Nico: These scars are bad.

Eli: Yeah.

Zuria: (CRYING) It was a horrible thing that happened to me!

I comforted her.

Fenghuang: Who did this?

Skinner: Was it any abusive parents?

Me: No. Worse. Have you guys ever heard of the Los Angeles Blood Beach Monster Murders?

Nico: Wait a second. You mean that horrifying worm-like plant monster that was making people and animals disappear by sucking them down into the sand?

Me: The very same.

Eli: What does it look like?

I showed a hologram of it and it was a Venus Fly-Trap worm monster and it was horrible.

Nico: Ugly!

Qin: YEAH!

Me: That monster did this to her.

---

5 years ago I was flying over the beaches of Los Angeles, California.

Me: (Voiceover) It was 5 years ago and I was out on patrol flying over the beaches of Los Angeles after I got word of mysterious incidents happening involving people disappearing. So I went and investigated what was going on. That's when I saw it.

I saw a young Zuria being pulled into the sand!

I flew over!

Zuria: HELP ME! HELP ME!

CREATURE ROARS!

Me: I got you!

I grabbed her hand and I pulled her out but then her legs had most of the flesh and muscles ripped off of her! YUCK!

Me: Oh good god!

She was crying hard and in a lot of pain.

Me: (Voiceover) I healed her up as best as I could and that's when the creature appeared and then everyone saw it and screamed as they ran. Blowing the creature to bits would be useless so I decided to send it into the Sun. I destroyed it that way. I got Zuria to the hospital and it was a miracle she was going to be all right.

FLASHBACK ENDS

Me: But that day permanently traumatized her and crippled her forever.

Joe Swanson: That is horrible.

Nico: That is awful.

Zuria: (Crying)

Me: It's okay Zuria. It's okay.

Qin: She was scarred for life.

Me: Ever since then, she was too terrified to even want to go to the beach.

Eli: Oh man.

Frenzy: You know J.D. can heal that, right?

Nico: Frenzy let him comfort her for a few minutes before we decide on that.

Frenzy: Sorry boss.

Camie: Poor girl. But she must have been at the swimming pool which lead to her being in her swimsuit.

Me: I guess so.

Zuria: (Sniffles) I'm sorry guys. And yes you're right. I am scared to go to the beach.

Me: Zuria it's all right. That monster is gone for good. I threw it into the sun.

Lana: Yeah you'll be all right.

Xenia: I just can't believe the amount of damage that monster would do to you.

Lola: Yeah no kidding. These scars are awful.

Nico: Yeah.

Me: But I can heal you.

Zuria: You can?

Me: I sure can. I have that kind of power.

Zuria: Wow. I would like that.

Me: But it's going to hurt.

Zuria: I'll handle it.

Me: Okay.

I had her bite on my hand.

Me: Bite on my hand. It will help.

CRUNCH!

Me: (GRUNTS IN PAIN) Okay.

I channelled energy into my hand and put it on her legs and then she winced in pain and then her legs were getting better and she had been fully healed.

Zuria let go.

Zuria: Wow! I have my legs back!

Vulkanus: Good as new!

Evil Clayface: Feel better now?

I helped her get up.

Zuria: Boy I missed walking.

Joe Swanson: (Laughs) That's good you can walk again.

Zuria: J.D.?

Me: Yes?

She then surprised me by kissing me full on the lips and I returned it.

Zuria: You are my hero J.D.

Me: I get that a lot by many people.

Qin: So awesome.

Nico: Yeah.

RD Leni: Is anyone else here?

Zuria: Actually yes. I saw a really old man and he had a bunch of men with him and I saw what looked like giant talking chicken wings.

Me: Wait. Talking Chicken Wings and old men?

Me and Mordecai gasped!

Me: The WINGS FOR REAL MEN RESTAURANT OWNERS!

Mordecai: And the Zingos!

Nico: Oh boy! Those are my favorite villains!

We laughed.

Me: And Nico does love his chicken wings.

Yost Rhino: I AM hungry.

Taskmaster: So am I.

Me: Me too! As long as we get some chicken wings too.

Zuria: Boy I'm hungry myself too. Man what kind of planet is this?

Me: You're on a planet made of mashed potatoes and gravy.

Zuria: That explains why it was all made of gravy and mashed potatoes.

Qin: Yeah.

Zuria: Sorry I bit your hand J.D.

Me: I'll be all right.

I healed my wounds instantly.

Zuria: Whoa!

Eli: The men and Zingos are located beyond that hill to the north at 60 klicks.

Me: Then lets get moving.

Nico: Lets help Zuria walk first.

Me: Okay.

Zuria had to get used to walking again after 5 years.

Me: Easy now. You're doing great.

Zuria: I think I got it down.

Me: Good.

Varie gave her a coat.

Varie: Don't want you to be cold in just your swim clothes.

Zuria: Thanks Varie.

Rothar: Entrance time!

Nico: Lets get them!

We went at the hill.

The old men were infuriated and the Zingos were not making them better.

But then the 7 Holidays of the Elements appeared and morphed into myths and and then we they converged and then a massive bowl of potatoes appeared and then gravy got slathered onto it and then we slid down the gravy and landed.

Me: Now that was a tasty entrance.

Qin: It sure was!

Old Man: YOU!

Me: That's right! Us!

Hank Scorpio: We're hungry for wings.

Katz: And that's you!

Zingos: Bring it on! ZINGO!

Old Man: Try these on!

He fired a massive shower of inferno wings and they went right into my mouth and then suddenly…

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL MASSIVE FIERY EXPLOSION OF INTENSE FLAMES AND HEAT!

I was enveloped in a massive and intense fire aura as my power surged exponentially!

Me: WHOA!

I spit out the bones and put them in a bucket.

Me: Ahh! Man those were awesome!

Old Man: Wow! You are one true spicy guy J.D.

Me: Thanks.

But then Riddler, Eris, Weather Wizard, Xaldin, Iron Lung, Mercurymon, Comic Book Guy, Avalanche, Marluxia, Black Knight Ghost, Lego Bane, Queen Jellyfish, Heart, Laughing Ghosts, Madame Snake, Frankenstein, Buzz Buzzard, Skeleton Men, Wolfman, and Two Face appeared.

Nico: Riddler, Eris, Weather Wizard, Xaldin, Iron Lung, Mercurymon, Comic Book Guy, Avalanche, Marluxia, Black Knight Ghost, Lego Bane, Queen Jellyfish, Heart, Laughing Ghosts, Madame Snake, Frankenstein, Buzz Buzzard, Skeleton Men, Wolfman, and Two Face.

Riddler: (to Nico) Riddle me this: How's the gravy?

Nico: It's good.

Eris: Glad to hear it.

Weather Wizard: We tried it too.

Me: Ed is in heaven on this planet.

Weather Wizard: Boy no kidding!

Xaldin: We heard you faced more of Belos' men.

Nico: We sure did.

Iron Lung: We're they tough?

Me: Nope. They were wimps.

Iron Lung: Good.

Felicia Wittebane: Still many more out there. But we'll be ready for them.

Laney: Yep.

Then Ghineka, Chiaggo, and Delapoo appeared.

Me: Ghineka, Chiaggo, and Delapoo. Back for another round?

Ghineka: We most certainly are.

Chiaggo: And it will be good.

Delapoo: Yes it will.

Ghineka: And nice job taking Broodwing down.

Me: Thanks. That was really awesome.

Lola: Boy it sure was.

Qin: Yep.

Nico: We had fun on that one.

Xenia: We sure did.

We got the battles underway.

## Tecna, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Sly, Bentley, Murray, Chompy Mage and Cynder VS Riddler - Nico's Rescue

---

Riddler was first.

Riddler: (to Tecna) So, Nico's rescue was in the Boiling Isles once again. Riddle me this: were more scumbags killed?

Tecna: (British Accent) There sure was and they all had it coming for what they were doing.

Pinkie Pie: Yeah they got what was coming.

Maud Pie: (monotonously) It was really good taking down more of Belos's minions and followers.

Featherweight: I agree there too.

Sprocket: Yeah were smashing them into dust.

Sly Cooper: I agree there.

Bentley: I hope they like the Black Gates.

Murray: With their skulls busted out and also with their spines being used to floss my teeth!

Riddler: That is what I like to hear! Lets do it!

Tecna summoned Metagolem and merged Hermos with Batteryman D and it formed into THE BATTERY BLASTER OF LIGHTNING! They fired waves of energy, lightning, metal, gears and fire and smashed him down.

## Lane, Princess Celestia, King Solar, Solar Eclipsa, Amber Morning, Light Skylanders, Huntik Team, Centaur Man and Flame Man VS Eris - Battling Another Ultimate Brainstorm

Eris was next.

Eris: (to Lane) Nico, Jackie, and the others did Battling Another Ultimate Brainstorm. How big was her brain?

Lane: She had a REALLY POWERFUL And massive brain! Her brain power was equal to that of 50,000 IQ

Princess Celestia: We were all really amazed with how smart she is.

King Solar: No kidding! Her smarts are so powerful that she made J.D's brain fry.

Solar Eclipsa: That was crazy too.

Amber Morning: Yeah J.D.'s brain was toasted from it.

Weather Wizard: (to Shane) I heard Lincoln's rescue involved killing Light Yagami. J.D. and Punisher are way better than him for good reasons!

Shane Clarke: You got that right! What Yagami did showed that he was pure evil!

Rainbow Dash: Yeah no kidding. He deserved to be destroyed for killing thousands of innocent people!

Scootaloo: No kidding there! He got what he deserved.

Whirlwind: Yeah no kidding. He deserved to be deserved.

Nadia: I agree there too.

Weather Wizard: That is for sure. Lets do it!

Shane summoned Ariel and merged Hermos with La La Li-Oon and it formed into THE THUNDERSTORM CLOUD BLADE OF FURY! They fired waves of lightning, wind and rainbows and smashed him down.

---

Beast Boy, Fluttershy, Tornado Bolt, Life Skylanders, Get Ed Heroes, Jarrod and Camille VS Xaldin - Meeting a Banjaw and Plinkajou Gene-slammer

---

Xaldin was next.

Xaldin: (to Beast Boy) I heard you guys met a Banjaw and Plinkajou Gene-slammer. What are their names?

Beast Boy: Their names are Maria and Amy Vocesdebelleza and they are really awesome guardian angels for Lincoln too.

Fluttershy: They sure are.

Tornado Bolt: And their story is cool too.

---

Maria Vocesdebelleza: (Spanish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever.

Amy Vocesdebelleza: (Spanish Accent) He now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lillian McKraken: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, girls, what's the story on how Lincoln took down and beat Scoots, Flip, Lewis Travolta, Bubble Bass, and Billy McLean up into a pulp when he tried to kill you and the other Vocesdebelleza Sisters?

Maria Vocesdebelleza: (Spanish Accent) You're not going to like this one bit. One day, me and my sisters, along with Hailey Schroedder and Lillian McKraken were with Lincoln and we were heading back to The Loud House after doing some workouts at the gym. But, then, we heard four angry yells along with the sound of an electric scooter and Lincoln also caught the stench of someone who hadn't heard of a bath, and someone came rushing right at us: it was Scoots, Flip, Lewis Travolta, Bubble Bass, and Billy McLean and they had knives in hand and they were going to kill me, my sisters, Hailey Schroedder, and Lillian McKraken in a fit of rage and they were also going to kill Lincoln once again for getting them thrown in prison, but Lincoln grabbed Flip by his arm and he broke it and that really caused Flip to scream in pain and drop the knife, and then, Lincoln proceeded to throw Flip right into Scoots, Lewis Travolta, Billy McLean, and Bubble Bass, and then, he pounced on and mongrelize the jerks, and when he was done, Lincoln knocked out Billy McLean, Bubble Bass, Lewis Travolta, and Flip's teeth, broke Scoots' dentures, broke their arms and legs, broke their noses, and hit them hard in the head.

Nico: Yeah, I remember that one all too well, when we got the word that Scoots, Flip, Bubble Bass, Lewis Travolta, and Billy McLean broke out again, J.D. and I went to the cops and we were also going to tear them to shreds again, but when we saw what Lincoln did, we were stunned.

Me: We sure were, but they deserved it, and they had no chance against Lincoln, and I also got the picture.

I put up the picture of Scoots, Flip, Billy McLean, Lewis Travolta, and Bubble Bass after they were all mongrelized by Lincoln and it matched what Maria and the others told us of what Lincoln did to those jerks, and everyone was stunned.

Eli: Sheesh! That's a lot worse than the beatings I gave to those jerks, but when someone dares to mess with or try to murder Lincoln's Guardian Angels, he'll come after them and he'll mongrelize them!

Lincoln: I wasn't going to let them get away with that, so I had to defend the Vocesdebelleza Sisters, Hailey Schroedder, and Lillian McKraken from those jerks.

Nico: You got that right, and you also got your hands and your body really covered in blood and your knuckles were really sore and bloody, so I made a huge ball of water and covered you in it and that washed the blood off, and I was about to wrap your hands in bandages, but then, your knuckles had suddenly healed up because of your superhuman regeneration. But, you sure are one really tough guy, Lincoln, and you kicked the asses of Scoots, Flip, Lewis Travolta, Billy McLean, and Bubble Bass hard and they fell down to the concrete like four bags of bricks.

Lincoln: They made a big mistake going after ten of my many Guardian Angels, just because they all wanted revenge on me and all of us for ruining their lives and throwing them in prison or the mental nuthouse, but they were never going to learn their lesson, and it ended with Scoots getting sent to The Black Gates and the other three humiliated forever. Besides, I've kicked their asses numerous times whenever they've tried to kill my Guardian Angels or us, and I've even used steel-toed boots on them.

Nico: (Snickers) Ooh, I can guess those jerks didn't like that!

Me: (Laughs) They sure didn't, Nico. Plus, the jerks were mad that we weren't killed by Light Yagami, even after Lincoln saved their asses from getting killed by him.

Lincoln: That's just further proof that they were just jerks who hate us with all their black hearts and don't care about anyone but themselves.

Sadie Emperyous: You got that right. Plus, I also found out Light Yagami was sent here to Gotham Royal York by Jezebeth Chernabog.

We gasped in shock!

Me: I should've known those Chernabog Sisters were behind this.

Just then, The Masters of Evil appeared.

Vypra: So, the person who's responsible for sending Light Yagami to Gotham Royal York was Jezebeth Chernabog?!

Sadie Emperyous: That's right, Vypra.

Vypra: Why, that little… ! She has no idea of what she'd done!

Lincoln: We knew them for a long time, and those demonic sisters only wanted to instigate chaos for their own amusement, and they have no sense of decency or limits, they're just as bad as their evil Satanic parents.

Selene Emperyous: If we face them after we get rid of The Chernabog Sisters, we'll make sure that they get the rightful punishment, which is eternal damnation in Hell.

Nico: Appropriate punishment and well-deserved for those who've turned their backs on God and turn to worship The Devil.

FLASHBACK ENDS

Xaldin: Whoa! I can't believe that the Chernabog Sisters would do all that. And Flip and the jerks just won't learn and quit.

Stealth Elf: You're not kidding there.

Ed (Get Ed): Yeah no kidding. Those guys need to be destroyed.

Xaldin: I agree there. Lets do it!

Flashwing: I thought so too.

Uncle Grandpa: Boy those stickers were all amazing.

Mercurymon was next.

Mercurymon: (to Davis) The stickers they collected are awesome. Where did they find them?

Davis: In a bunch of coloring books and sticker books they found in their room.

Twilight Sparkle: Yeah they had lots of them piled up.

Starshine Sparkle: Yeah that was cool and awesome.

Spyro: Yeah and the stickers were all so cute.

Captain Planet: They sure were.

Blackarachnia: I agree there too.

Inferno: All those stickers were gifts for the royalty.

Mercurymon: That they are. Lets do it!

Blackarachnia: Time for some action. Blackarachnia, TERRORIZE!

She transformed!

Inferno: This is always fun for the Royalty. Inferno, TERRORIZE!

He transformed too.

Davis summoned Jirwolf and merged Hermos with Rapid Fire Magician and it formed into THE RAPID FIRE SCEPTER OF THE ELEMENTS! They fired waves of energy and magic and smashed him down.

Whitney: He sure did! He guzzled down boatloads of gravy like there was no tomorrow.

Sunset Shimmer: There was a lot of it too.

Pipsqueak: (British Accent) It was really fun and cool.

---

Avalanche: (to Pohatu) The Mashed Potatoes and Gravy Swamp Planet is amazing. Did you guys eat any?

Pohatu: You bet we did and this planet was really awesome and tasty.

Starlight Glimmer: It sure was. This planet also has gravy of many kinds that Ed likes.

Cozy Glow: Yeah. There's Mexican Hot Tamale, Scottish Haggis, Swiss Cheese Chicken, Arctic Fish, and many kinds.

Hex: Ed is quite the gravy aficionado.

SpongeBob: Yeah he sure is and he ic cool.

Avalanche: You know how much Ed likes his gravy. Lets do it!

Pohatu summoned Jericho and merged Hermos with Legendary Fiend and it formed into THE SWORD OF LEGENDARY FIENDS! They fired waves of darkness, magic, stars, lightning and energy and smashed him down.

Sadie Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Jezebeth Chernabog.

Selene Emperyous: Along with the rest of your demonic sisters, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and five mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Jezebeth Chernabog, the fifth eldest of The Chernabog Sisters, and the other four remaining mists of darkness descended on the ground and what stood in their places were Drusilla Chernabog, Lillith Chernabog, and Mara Chernabog, and the leader of The Chernabog Sisters, Adrastea Chernabog.

Sadie Emperyous: Jezebeth Chernabog, just as we expected.

Selene Emperyous: And you also had the nerve to bring Drusilla Chernabog, Lillith Chernabog, and Mara Chernabog with you when we ruined your sister's fun, Adrastea Chernabog.

Jezebeth Chernabog: You goody-two-shoes Emperyous sisters always had to go ahead and ruin our fun like you always do!

Adrastea Chernabog: And now, you will all pay!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, and Mara Chernabog came after us, but they were caught by a Sephiroth Tree of Life surrounded by four crosses that appeared below their feet and that made them scream demonically, and they were trapped.

Adrastea Chernabog: (HISSES) IT'S A TRAP! NOW, WE CAN'T GET OUT!

Selene Emperyous: That's right, and now, you ten get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she just pulled this morning in Gotham Royal York when you sent Light Yagami there. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Jezebeth Chernabog: (ROARS) YOU MISERABLE, STUPID, LITTLE… !

Jezebeth Chernabog rushed at Sadie Emperyous and Lincoln and tried to kill them, but Lincoln and Sadie fired powerful blasts of wind and rainbow fire and when she got hit, she screeched like the demon that she really is as the flames burned her and the winds sent her back.

Sadie Emperyous: That'll teach you, but we're just getting started, Jezebeth, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Sadie Emperyous' green eyes turned neon green and she was surrounded by a green energy aura with winds, crosses, donuts, and angels, she unholstered her massive Sadion the Timelord-themed greatsword from her back, and as she approached Jezebeth Chernabog, she left green energy, winds, donuts, crosses, and angels with every step.

Sadie Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Jezebeth Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Sadie Emperyous was surrounded by a massive vortex of green energy with winds, donuts, and crosses surrounding it, there are angels, Sadion the Timelord, and Zadkiel the Archangel flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Sadie Emperyous emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sadie Emperyous grew from 6'5" to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long flowing midnight black hair, she has neon green eyes and a green energy aura with winds, donuts, crosses, and angels surrounding her, she has the Seal of Zadkiel in the hands of Sadion the Timelord emblazoned on her forehead, she has on angel earrings with green gems for eyes and holding the Wind, Holy, and Eternity Kanjis in its hands, she also has Sadion the Timelord with green gems for eyes and holding the Wind, Holy, and Eternity Kanjis in its hands on the bottom of her green angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with green crystal links from her merged Crystal Necklace of the Buddha and green gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sadie Emperyous has on a sleeveless light green top, green skirt with the Sephiroth Tree of Life on it, black pants with designs on the pants, green legwarmers, green heeled sneakers, and long white sleeveless trenchcoat with winds, donuts, crosses, and angels on the coattails, and on the back is Sadion the Timelord one one side and the Archangel Zadkiel and they have a cross floating in their left and right hands and surrounded by winds. Suddenly, Sadie Emperyous felt a sharp pain on her back, and then, her massive green angel wings with stars and green tips on the large green feathers grew much bigger for her new body, she has on a Ring of The Phoenix with green gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Sadie Emperyous' massive Sadion the Timelord-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of green energy, crosses, winds, donuts, and angels and when it emerged, it was transformed into Sadion the Timelord's Holy Windstorm Archangel Greatsword of Holy Windstorm Justice, it's a brand-new large greatsword with Sadion the Timelord and Raphael the Archangel etched on the 7'0" massive, wide, double-edged green blade, large angel heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large green gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Sadion the Timelord's head with green gems for eyes and a large green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Sadie Emperyous has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY DONUT MAKER WINDSTORM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY WINDSTORM ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY

WINDSTORM ARCHANGEL LOVE!

We were amazed by Sadie Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Jezebeth Chernabog saw it, she went fucking mad and fired a blast of darkness at Rachel Emperyous to kill her, but Sadie Emperyous fired a powerful green energy blast with winds, crosses, donuts, and angels which overwhelmed the blast of darkness and it hits Jezebeth Chernabog, and she was sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now, Sadie Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Windstorm Timelord Justice and a champion of the Archangel Zadkiel, and Sadie, you look beautiful, how do you feel?

Sadie Emperyous: (Divine Echoing Cosmic Voice of The Holy Windstorm Donut Maker Timelord and Divine Holy Windstorm Love) **I feel incredible, Linky. Now, shall we destroy Jezebeth Chernabog once and for all?**

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Sadie.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sadie Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to say your goodbyes forever, Jezebeth Chernabog, because your**

**days of causing chaos and havoc in Michigan and the world are over!**

Sadie Emperyous and Lincoln went after Jezebeth Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, green energy, crosses, donuts, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Jezebeth Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her.

This was really making Jezebeth Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Rachel Emperyous and Lincoln were just getting started and Jezebeth's divine punishment has just begun. Jezebeth Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive and long white wolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Sadie Emperyous and Lincoln slashed off Jezebeth Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Jezebeth Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Sadie Emperyous, it was known as Sadion the Timelord's Holy Archangel Windstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's green with winds on the blaster with a Phoenix, Archangel, and Sadion the Timelord surrounded by winds etched on the sides, and a green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Sadie Emperyous fired blasts of rainbow energy, green energy, and elemental forces and when they hit Jezebeth Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Jezebeth Chernabog's spirit appeared and Sadie Emperyous and Lincoln drew the Judgement Kanji and Seal of Zadkiel on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Sadie Emperyous and Lincoln did to Jezebeth Chernabog as they holster their massive greatswords on their backs and powered down, and Sadie Emperyous' new body, clothes, weapons, jewelry, and massive green angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, and Mara Chernabog, and they were horrified to see what happened to Jezebeth Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Jezebeth! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, and Mara Chernabog disappeared in four mists of darkness.

Nico: Yeah, that's right, go lick your wounds, bitch!

Sadie Emperyous: And now, all that's left to deal with are the four eldest Chernabog Sisters. Thanks for helping me destroy Jezebeth Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sadie.

Suddenly, Sadie Emperyous wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sadie Emperyous' face, they kissed passionately as Sadie Emperyous' left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Sadion the Timelord, and the Archangel Zadkiel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and angels flying behind them and winds blowing behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Sadie Emperyous came back to us, as the display and Sadion the Timelord and the Archangel Zadkiel vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and we really pissed off Adrastea and the other Chernabog Sisters, and they'll still do anything to get revenge on us, but we'll be ready for them.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show.

Lincoln: And now, all that's left is to deal with Adrastea Chernabog, Drusilla Chernabog, Lillith Chernabog, and Mara Chernabog.

Sandra Emperyous: Which means you and I are going to deal with Mara Chernabog tomorrow, and that's followed by you and Vorya dealing with Lillith Chernabog, then, you and Zaina will deal with Adrastea's second-in-command, Drusilla Chernabog, and finally, you and Selene will deal with the leader of The Chernabog Sisters, Adrastea Chernabog.

Lincoln: That's right, Sandra, and if we want to be fully ready for the battle against Queen Opaline, we not only need a plan in place on how to deal with her, but The Chernabog Sisters need to go.

Selene Emperyous: That's right, Linky. Queen Opaline's already a dangerous threat to all ponies and the planet for her evil xenophobic power-hungry ways and for the crimes she committed a thousand years ago, and The Chernabog Sisters are an equally dangerous threat to all of mankind, so we need to get rid of The Chernabog Sisters for good.

Nico: Before we make our move on Queen Opaline, and the battle between the Twelve Archangel and Timelord Sisters of Heaven and the Twelve Demon Sisters of Hell is fast approaching its climax with the epic showdown with Adrastea Chernabog.

Me: Lincoln and Selene Emperyous will make sure that she pays big time for her crimes in blood!

Selene Emperyous: Her and her sisters will all pay in blood.

Eli: Yeah. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Eli, hmm. Oh, I know how about a Gene-Slammer for Assault Blackwing - Onimaru the Divine Thunder.

Nico: Whoa, that Duel Monster is one of Crow Hogan's Blackwing monsters, along with Black-Winged Dragon, awesome.

Leia Nyamuragira: You said it.

Mercurymon: That taught those idiots.

Comic Book Guy: Worst. Old Man. Ever.

Avalanche: You said it.

Me: Yep.

Marluxia: Ed, you can bring some gravy home.

Black Knight Ghost: You earned it.

Ed: Goody goody!

Ed got a lot of gravy by the ship load!

Nico: Great job guys. This planet is perfect for Ed.

Qin: Yep.

Nico: Yeah.

Zuria: And I'm now with J.D.

Me: Yep.

Misty Tredwell: Awesome.

Ed: (To the viewers) We'll be back for another adventure in another chapter guys.

Me: Yep.

We went back home with a massive load of gravy and potatoes and then enjoyed the rest of the day and went to sleep.

To show thanks, Lincoln gave Yuriko a beautiful dress based on Assault Blackwing - Onimaru the Divine Thunder and kissed Yuriko on the lips. She's also the cousin of one of Lincoln's future wives, Hana Uzaki, and like her cousin, she has a large bust, and she hates Hawk, Hank, Pablo, and Anderson with a burning passion. Get ready for a sour adventure as we head to a planet made of cranberry sauce and juice and it's going to be a really good one. Also we're going to battle Chong who is back for revenge and SAILOR MOON IS GOING TO EXPLODE IN POWER TO HER MOST POWERFUL FORM EVER AND SHE IS GOING TO REALLY LET THAT MONSTER HAVE IT FOR EVERYTHING HE DID! ESPECIALLY TO BENSON!

See you all next time.

Me: So the next rescue is in Ponyville.

Qin: Sweet. Always love coming to Ponyville.

Silverstream: Me too. It's so awesome.

Nico: Yeah it sure is.

Zuria: Wow! Ponyville is so awesome.

Camie: Yeah it sure is.

Twilight Sparkle: It's my home too.

Qin: It sure is.

Nico: Thanks for coming with me, Silverstream

Silverstream: It's my pleasure Nico. And it's going to be so awesome helping you out on a rescue.

Apple Bloom: We always love having our friends with us.

Laney: We sure do.

Nico: Silverstream, I think you take after Pinkie Pie.

Silverstream: I sure do. I'm what you call one of the Neo-Elements of Harmony.

Pinkie Pie: Ooh that is a great name for them.

Me: It sure is.

Twilight Sparkle: I agree there. Ocellus is Generosity, Smolder is Loyalty, Yona is Honesty, Sandbar is Kindness and Gallus is Magic.

Me: That's amazing.

Qin: It sure is.

Silverstream: I agree too. That is so amazing.

Maria: (laughs) Ha! I called it!

Nico: Yes you sure did Maria.

Qin: Yep.

Silverstream: That is so cool.

Lola: Yeah it sure is.

Nico: And now you and so many of your friends go to Twilight's awesome school.

Silverstream: We sure do.

Nico: Yesterday, Ed was in heaven.

Eddy: (LAUGHS) Yeah he sure was.

Eli: We never saw him so happy.

Xenia: Yeah he was really loving the Mashed Potatoes and Gravy planet.

Lola: One of the most fun ever for him.

Zuria: That sure was an awesome planet.

Lana: Boy it sure was.

Varie: We had a lot of fun on that one. Especially with battling The Wings for Real Men owners and the Zingos.

Nico: The Zingos are one of my favorite villains and you know ho much I love chicken wings.

Qin: You got that right.

May: Any idea where the mascots are?

Nico: I heard they were exploring the sea for a recent discovery.

Me: Rumors have been flying around that there was a lost shipwreck in the lake that was full of fish.

Camie: Wow.

Qin: That will be interesting to see.

Lola: It sure will be interesting.

Lana: Yeah.

Nico: I hope the next planet is also delicious.

Eli: Me too.

Me: I hope it's a planet for Cranberries. Nico you owe me $100.00 if it is.

Nico: You're on.

Lola: Awesome.

Me: What do you think Eddy.

I looked and saw that he wasn't there.

Me: Eddy?

Nico: Huh? That's weird. Where did he go?

We then heard blaster fire.

Nico: That way!

We went to the town square and found Eddy and he was BEING VICIOUSLY AND BRUTALLY PULVERIZED ALL OVER THE PLACE BY THE VENGEANCE EXPRESS 6 IN A BRUTAL FIGHT CLOUD!

Qin: OH MAN!

We went at them and I punched the Vengeance Express 6 into the ground and Eddy was brutally mangled up.

Me: Geez Eddy!

Qin: Man what a beatdown.

Lola: Yeah!

Eddy: At least I got a few shots in!

Nico: Yeah you sure did.

The Vengeance Express 6 came at us.

Dark Sarah: I'M GOING TO KILL YOU EDDY!

Dark Jimmy: I'm going to give you such a pinch on you!

Dark Rolf: You have made a mockery of Rolf! Rolf is going to unleash his rage!

Dark Kevin: I HATE DORKS!

Eddy's aura flared up with incredible fury!

Albedo turned into Negative Ultimate Goop.

Negative Ultimate Goop: Keep your hands off him!

Dark Nazz: We'll kill you too!

Me: I don't think so.

I pulled out my Wonder Ride Book.

Me: (Reads Verse) "As the 6 terrible foes came, a big meteor made of rotten limburger cheese fell from the sky and squished all 6 of them into flat pancakes with a massive and huge explosion of stinky and horrible stinkiness that smelled like a thousand rotten socks."

Then huge meteor of cheese appeared and then..

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The Vengeance Express 6 was flattened with it in a huge crater.

AND MAN OH MAN DID IT SMELL HORRIBLE!

Nico: OH MAN! WHO CUT THE CHEESE!?

Me: They did!

Laney: They who smelt it dealt it!

We laughed uproariously!

The Vengeance Express 6 were REALLY PISSED!

Nico: Eli, see if you can sense the next Another Omnitrix Alien!

Eli concentrated and sensed that the Another Omnitrix Alien is close.

Eli: It's really close!

Then globs of black goo were shot at the Vengeance Express 6 and it drenched them all over.

Nico: Yuck!

Then out came a black version of an Evolved Polymorph! It was ANOTHER ULTIMATE GOOP!

Me: Whoa! Another Ultimate Goop!

Nico: A slimy one!

Another Ultimate Goop: (In a girls voice) Thought you guys might like a hand.

Me: (GASP) Anita Evvington!

Another Ultimate Goop: Good to see you again J.D..

Nico: You know her?

Me: I sure do. She is a homeless girl that I helped years ago. I would give her food and I gave her a home too. When we were about to head out to Michigan I told her I was going to have her move in with us. But she disappeared before I gave her the chance.

Another Ultimate Goop: That's right.

Kaito: (gets out Gingaman gear) Did Swartz promise you anything?

Zocks: (gets out Megaranger gear) Because we can grant it instead.

Another Ultimate Goop: Just to get a home.

Me: We can easily do that and it's a promise I made to her myself.

Another Ultimate Goop: Yep.

Then the Vengeance Express 6 came!

Dark Kevin: THIS WASN'T YOUR FIGHT BLOB! WE'LL KILL YOU!

Me: Not a chance!

Another Ultimate Goop fired waves of slime and they went into Nazz's mouth and then she got sick and threw up all over Dark Sarah!

Sougo: (gets out Dynaman Ridewatch) I wonder what you taste like.

Geiz: (gets out Liveman Ridewatch) Sougo, I think some things are best left untouched.

Sougo got DynaRedArmor while Geiz got RedFalconArmor.

Another Ultimate Goop: I was told that in this form I taste like raw sewage.

All of us: EEEEEEEWWWWWWW!

Nico: YUCK!

Dark Sarah: YOU WRETCHED DOLLFACE!

Dark Nazz: WHAT DID YOU CALL ME MONKEY FACE!?

Dark Sarah and Dark Nazz then started beating each other up in a tremendous fight cloud and it pulled in all of the Vengeance Express 6 and they were really beating each other up!

Nico: (Sweatdrops) Okay this is awkward.

Me: You got to admit though, seeing them fight like this is really funny.

Nico: It sure is. (gets out Evil Clayface's Ridewatch) Time to fight goo with clay!

Nico activated it and fired globs of slime and they hit the Vengeance Express 6 and got them sticky.

Another Ultimate Goop: Try this too.

She fired more waves of goo and splashed Dark Kevin and then he threw up all over Dark Rolf!

Dark Rolf: YOU HAVE BROKEN THE LAWS OF THE SON OF A SHEPHERD BY RELEASING YOUR REVOLTING STOMACH DROPPINGS ALL OVER ROLF!

Dark Kevin: Sorry dude.

Dark Rolf then punched and pulverized and smashed Dark Kevin into pulp and the fight cloud grew bigger and they were really FIGHTING!

Silverstream: My turn!

She activated Goro's Ridewatch and then she grew 2 more sets of arms and went at the Vengeance Express 6 and pulverized and smashed them into pulp all over.

Me: Nice one Silverstream!

Qin: Yeah!

Another Ultimate Goop: First time ever having Another Omnitrix Alien help out in a big fight huh?

Nico: It sure is.

Maria: This is ridiculous. You're not even trying to fight us!

Nico: Because they are too busy fighting each other.

Qin: Yeah.

Nico: Besides seeing the Vengeance Express 6 fight like this is funny.

Maria: (LAUGHS) Yeah it sure is.

Another Ultimate Goop: It sure is.

May: (sighs) You know what? I really hope the next Gene Slammer appears.

?: Someone call?

Out came a Giant Germ!

Me: WHOA A Giant Germ!

Qin: That is the biggest virus I've ever seen!

Laney: Yeah!

Giant Germ: (In a girls voice) And this will be awesome.

Nico: Layla Edmuntion!? Wow!

She reverted back and Layla was a girl with neon pink hair and tattered blue clothes.

Layla Edmuntion: I got this.

She went over to the Vengeance Express 6 and bit Dark Rolf on his leg.

CRUNCH!

Dark Rolf: YEOWCH!

But then…

STOMACH GRUMBLES!

Dark Rolf: Oh Rolf is not feeling so good.

But then Layla ran back to us and then…

SUPER LOUD FART!

DARK ROLF COVERED THE VENGEANCE EXPRESS 6 IN A MASSIVE PILE OF EXPLOSIVE DIARRHEA!

We were laughing hysterically at that one and it was so funny!

Nico: (LAUGHS HYSTERICALLY) THAT WAS HILARIOUS!

Qin: (LAUGHS) THAT WAS AWESOME!

Camie: (LAUGHS) SO FUNNY!

Lincoln: Just like Fern Kemmington.

Nico: Yep.

Layla Edmuntion: It was funny.

Me: And Anita lets get you back to normal.

I used my powers and got the ridewatch out of her and purified it and got the Dark Orb out of the Ridewatch and threw it into the Warp. Anita was a girl with orange hair and blue eyes and also had black tattered clothes on.

Silverstream: What's your favorite memory of Nico?

Layla Edmuntion: I don't have very many of them. I spent most of my life out on the streets. But my favorite would have to be where Nico gave me this locket.

She showed it to us and it had a picture of her and Qin and Nico in it. They were both happy.

Me: Aww.

Qin: I remember that locket. That was a great gift.

Nico: It sure was.

Nico hugged her.

Nico: I really missed you.

Layla Edmuntion: Me too Nico. Me too.

Nico: (Sniffs) Lets get you two home and get you guys a bath and some new clothes.

Layla Edmuntion: Good idea.

Anita Evvington: Thanks guys.

We went back home and did so.

We were watching TV as the girls were in the tub.

Nico: The mascots still aren't back yet?

Vince: Not yet.

Me: They will be man.

We also brought all the Robot Masters with us, since word of Dr. Wily's return reached them.

Lincoln: Wow, we're here in Australia, and I know what we're going to do here, not only am I going to rescue the two girls here, but we got word that the world-domination crazed mad scientist, Dr. Wily, is back from the dead and he wants revenge on us.

Emily Giabagu: I should've known that madman would return again, he just doesn't know when to quit.

Gear Man: He sure doesn't, but we'll be glad to send him to The Black Gates for good.

Lincoln: Actually, Gear Man, I have a better idea: instead of sending Dr. Wily right to The Black Gates, we're going to have him sent to jail, not only as one last act of mercy, but as a Thank You for creating The Robot Masters, and prison is the perfect place for someone like him.

Nico: I like that idea, Lincoln.

Me: Same here, besides, we killed him once, so he doesn't deserve to die a second time, he deserves to spend his remaining days in prison.

TLPS Mr. Wolf: But, wait, won't he put the Robot Masters under his control again?

Lincoln: Nope, after we rebuilt the Robot Masters, we upgraded their systems and made them immune to mind control. Emily and I did the same with Gear Man years ago.

Gear Man: It's true, and it was also after they busted Lisa.

Lisa Loud: And I have to live with the unending shame of what that parasite, Dark Lisa, made me do.

Lincoln: But, that shame eventually faded after Dark Lisa got The Black Gates forever, and thanks for joining us, Luster Dawn.

Luster Dawn: You're welcome, Lincoln, this is going to be one awesome rescue.

We travelled through Australia, but we then saw a massive group of men heading for us: Lincoln saw that it was the army of bounty hunters Trina Riffins and Amy hired, and they were out for our blood, and they were also pissed that Lincoln put out that bounty on their heads.

Lincoln: Aha, and we've run into the army of bounty hunters that Trina Riffins and Amy hired, so they were hiding out in Australia. Now, to put a stop to them and send them straight to prison.

The rainbow iris of Lincoln's Third Eye glowed and it fired a wave of rainbow energy, and the army of bounty hunters were tied up in rainbow energy straitjackets and rainbow energy chains, and they're eventually beamed to prison by Lincoln.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of two girls screaming for help, along with the sound of mad and deranged laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by Dr. Wily, and he's going to kill them, and Lincoln saw he had the Qliphoth Tree of Death on his forehead.

Lincoln: (Gasps) Let's get over there at once, guys, I found the the two girls, but they've been cornered by Dr. Wily, and he's going to kill them, and I saw he had the Qliphoth Tree of Death on his forehead.

Sandra Emperyous: Mara Chernabog, I should've known she was behind this.

?: (Girl's voice) That deranged world-conquering mad scientist, let's get him, and that insane and chaotic she-demon will get hers later on today.

Suddenly, we saw the Duel Monster, Assault Blackwing - Onimaru the Divine Thunder appear before us.

Nico: Wow, that's Assault Blackwing - Onimaru the Divine Thunder, awesome.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Yuriko Kaminaritsubara, but we'll talk later, time to put a stop to Dr. Wily once and for all.

We rushed over, and before Dr. Wily could kill the two girls, Lincoln fired powerful rainbow energy balls and elemental forces at that evil mad scientist, and that allowed the two girls to get to safety in a rainbow energy field created by Lincoln to protect them from Dr. Wily, and when he saw us again, he was really enraged, especially when he also saw the Robot Masters with us.

Dr. Wily: You fools, I will make you all pay for ruining my plans to take over the world!

Emily Giabagu: (Japanese Accent) Don't even think about it, Dr. Wily!

When he saw Emily Giabagu, he was really furious!

Dr. Wily: YOU!

Emily Giabagu: (Japanese Accent) That's right, the granddaughter of the man that you tried to kill, so you can take over the world, and no words can describe how much I've hated you: no, I've got much worse to say: you are a heartless, two-faced, insane, murderous, world-domination crazed madman who doesn't care about anyone except for himself and your selfish dreams of world domination, and what you did in taking the Robot Masters and turning them into your weapons of mass destruction is something I will never forgive, and what you did when you also put that accursed bounty on Team Loud Phoenix Storm's heads, and when I found out it also included my future husband, Lincoln Loud, that's the last straw, Dr. Wily, and now, I'm going to tear you to shreds!

Lincoln: You heard her, team, let's get him!

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, Luster Dawn, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The

Then, Lincoln and Emily Giabagu fired two energy beams which tied Dr. Wily up in a rainbow energy straitjacket and rainbow energy chains and he was beamed to The Neptune Prison for Traitors. We cheered wildly as we holster our weapons and powered down.

Lincoln: Your days of trying to take over the world are over, Dr. Wily. (To Yuriko Kaminaritsubara) And it's so good to see you again, Yuriko Kaminaritsubara.

Yuriko Kaminaritsubara reverted back to normal, and she was a beautiful girl with long flowing black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess and a large bust, she has massive and beautiful black angel wings and she reigned in the power of Assault Blackwing - Onimaru the Divine Thunder, and she's dressed in a beautiful black dress based on Assault Blackwing - Onimaru the Divine Thunder, black pants, black sneakers, and long white sleeveless trenchcoat with crows on the coattails and Assault Blackwing - Onimaru the Divine Thunder on the back and holstered on her back is an Assault Blackwing - Onimaru the Divine Thunder-themed large greatsword with Assault Blackwing - Onimaru the Divine Thunder etched on the 7'0" massive, wide, double-edged black blade, large black crow heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black crow heads and a large red gem on the bottom of the large crow heads for the pommel.

Yuriko Kaminaritsubara: (Japanese Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Yuriko Kaminaritsubara and he hugged her, and Yuriko Kaminaritsubara is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Yuriko Kaminaritsubara: (Japanese Accent) Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Yuriko Kaminaritsubara, she's my Guardian Angel from Japan and classmate in Gym. Her last name, Kaminaritsubara, means Thunder Wing in Japanese, and she's one of the fastest and deadliest of my Guardian Angels as she often protected me from bullies. One time, when Yuriko saw me getting bullied by Chandler, his goons, Hawk and Hank, Pablo and Anderson, she beat the crap out of them and left them with broken teeth, arms, legs, noses and even smashed their crotches and left them with black eyes.

Me: (Winces) Oof, that's brutal!

Lincoln: You got that right, and to show my thanks, I gave Yuriko a beautiful dress based on Assault Blackwing - Onimaru the Divine Thunder and kissed Yuriko on the lips.

Nico: And it's no surprise that she got Gene-Slammed into Assault Blackwing - Onimaru the Divine Thunder.

Lincoln: Yep, and she's also the cousin of one of my future wives, Hana Uzaki, and like her cousin, she has a large bust.

Hana Uzaki: Yeah, it runs in the family, and it's good to see you again, Yuriko.

Yuriko Kaminaritsubara: (Japanese Accent) You too, Hana.

Lincoln: And she also hates Hawk, Hank, Pablo, and Anderson with a burning passion.

Nico: Oh boy, those buttfaces did something to really rile her up, but why didn't she also include Chandler?

Lincoln: I told her of why Chandler the way he was, because of his Dark Side, but she'll have a hard time trying to trust him because of all the bad things he did because of his Dark Side.

Fay Reikova: Just like me, and I don't blame her for feeling like that one bit.

Yuriko Kaminaritsubara: (Japanese Accent) And I'm going to tell you of how Lincoln and I beat up Hawk, Hank, Pablo, and Anderson in one incident. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Yuriko, are you absolutely sure?

Yuriko Kaminaritsubara: (Japanese Accent) (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Yuriko Kamniaritsubara, and like her sisters, he saw that she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Yuriko Kamnitusubara's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Yuriko Kamnitsubara: (Japanese Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin, you're now part of my harem and my many future wives, Yuriko.

Yuriko Kaminaritsubara had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Yuriko Kaminaritsubara's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Miyabe Yuko and Natsuno Eri from Strange Dawn.

Lincoln: Oh wow, it's Miyabe Yuko and Natsuno Eri from Strange Dawn.

Nicole: Awesome.

Lincoln: Are you girls okay?

Miyabe Yuko: Yes, we're okay, thanks to you.

Then, when Miyabe Yuko and Natsuno Eri saw who it was that saved them from Dr. Wily, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True

Miyabe Yuko: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Miyabe Yuko: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miyabe Yuko and Natsuno Eri with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and the team was shocked when they found out the villain we went after was Dr. Wily, who'd come back from the dead because of Mara Chernabog, and we also fought the massive army of bounty hunters Trina Riffins and Amy hired to kill us all.

But, when Lincoln showed what he did in capturing the army of bounty hunters and what we did to Dr. Wily, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Yuriko Kaminaritsubara have a lot of catching up to do now that they're back in town.

Maria: Wow, so you guys took down both the army of bounty hunters Trina Riffins and Amy hired, along with Dr. Wily, awesome.

Lincoln: Yep.

Suddenly, we heard angry yells and screams along with screaming threats of death from Trina Riffins and Amy, they found out what Lincoln did to their massive army of bounty hunters and they were now major-league pissed off.

Maria: That'll teach those bitches!

May: And Dr. Wily is going to spend the rest of his life in prison.

May was right: the army of bounty hunters that Trina Riffins and Amy hired were then sent to federal prison after Lincoln captured them, and as for Dr. Wily, he was sent to The Neptune Prison for Traitors and in Maximum Security Solitary Confinement and with a sentence of Eternity without Parole.

---

After taking down Dr. Wily and the massive armies of bounty hunters Trina Riffins and Amy hired and pissing both them and Mara Chernabog off, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Yuriko Kaminaritsubara saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Yuriko Kaminaritsubara: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yuriko, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Yuriko Kaminaritsubara: (Japanese Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Yuriko, what's the story on how you and Lincoln pummeled Hawk, Hank, Pablo, and Anderson?

Yuriko Kaminaritsubara: (Japanese Accent) That's a story I still remembered. One day, Lincoln and I were heading back to The Loud House after doing some workouts at the gym. But, then, we heard four angry yells in the air and we saw who it was coming after us: it was Hawk, Hank, Pablo, and Anderson and they were really really pissed, we also saw they had knives in their hands and they had murder in their empty skulls. But, Lincoln and I both took them down and we broke their arms, legs, noses, teeth, and even smashed their crotches and left them with black eyes. We called the cops on them and Hawk, Hank, Pablo, and Anderson were sent back to prison, but Hawk and Hank also got yet another Life Sentence added to their original sentence, and the same went with Pablo and Anderson.

We cheered wildly.

Nico: Oh man, now I remembered, and you guys really beat them all down.

Lincoln: We weren't going to let those jerks get away with it, not after all the bad stuff they've done in the past, and since they were too hard-headed, we had no choice but to resort to beating them up badly.

Me: I still remember that day all too well, and the blood from where you guys broke their noses was left on the sidewalk and on the pavement, yeesh.

Lincoln: We did hit them on the noses really hard and broke them, J.D.

We got a shower afterwards, and then, Clyde and his harem are heading to Emerald Hill Zone.

Chloe (Loud House): Wow, so this is Emerald Hill Zone, it's amazing.

Clyde: It sure is, and it's one spot Sonic has been to before, and I can see why he loves it here.

Clyde and his harem began exploring the place, and they saw just how beautiful the place truly is, and with no sign of Eggman's robots or the Chernabog Sisters' demon armies, because of what'll happen if The Chernabog Sisters dare to cross another line again. Then, Clyde and his harem had a picnic in the hill and it was awesome, then, they shared a passionate kiss and hug and they came back home.

Lincoln: Hey, Clyde, how was your date?

Clyde: It was awesome, Lincoln, we went to Emerald Hill Zone for our date.

Syd Chang: And we had fun exploring the place and we also had a picnic there.

Nico: Wow, that's really awesome, and it's one of Sonic's favorite spots there.

Me: You got that right.

Syd Chang: So, did we miss anything?

Nico: Lincoln put a soundproof bubble on Trina and Amy's heads, so they wouldn't wake up his infant children, and that really pissed them off badly.

Lincoln: Honestly, I don't care how mad they get, but I wasn't going to let them wake my kids up with them screeching like banshees.

Clyde: (Laughs) I should've guessed it, but they were asking for it.

Eli: Big time.

* * *

Later it was time for Halinor's final ambassador mission as the U.S.S. Valorous Phoenix was flying through space.

Me: I hope we take down one of Akhil's minions again.

Halinor: Me too. This will be awesome.

William: Anyone else want to go with Halinor? Besides Arkayna and Yin?

Twilight Sparkle: I'll go too. I want to see what this is like.

Me: You'll love it Twilight. We have a lot of fun on these races and they are so cool.

Arkayna: I'm loving forward to this one.

Yin: Same here. It's awesome.

Nico: Yep.

We arrived at Xenoc and landed. We drove out.

Me: Welcome to Xenoc guys.

Twilight Sparkle: Wow! So this is the planet Xenoc. Its power is incredible.

Me: It sure is.

Yin: It's amazing!

Arkayna: Yeah.

Ultrox: Hey guys!

Me: Greetings Ultrox.

Halinor: Ultrox, these are Arkayna and Yin.

Ultrox: Ah the Princess of Drake City on Gemina. An honor to meet you.

Arkayna: Pleasure to meet you Ultrox.

Ultrox: And the Martial Arts Woo Fuu master. It's a pleasure.

Yin: Same here.

Me: And this is Twilight Sparkle.

Twilight Sparkle: Pleasure to meet you.

Ultrox: Ah the Princess of Friendship. It's an honor.

Twilight Sparkle: Same here to you too.

Nico: How have things been since the last visit?

Ultrox: That bunny is still going at Akhil.

Me: Lets see.

I opened a viewing window and we saw the Bunny still pulverizing the living shit out of Akhil.

Nico: WHOA!

Twilight Sparkle: Jumping Magic of Equestria!

Me: Got to give that bunny a lot of credit though.

Akhil: (Quivering in Fear) Please! NO MORE! NO MORE!

Bunny: (Demonic Voice) **It's okay, Akhil. I forgive you. I forgive you because I love you. And I love you… to death.**

HE REALLY RIPPED HIM APART!

Ultrox: Boy that bunny is a really deadly and strong one.

Nico: You're not kidding.

Ultrox: Yes. Also Okular is causing problems.

Me: Who is Okular?

Ultrox: You guys will not like him.

He told us all about him.

---

Okular is a mercenary from the Grote Nebula working for Seadrok.

Occasionally taking part in the races, he'd sell Xeno-cells to anyone- even the Kragnans. He does not like working with his fellow henchman, Talanna, but is often forced to do so by their employer. Okular is capable of pulling people's eyes out with his wooden club, as well as storing and preserving the eyes in a see-through bag. All of the eyes obey his commands. The only eyeballs he uses are ones that emit sonic waves that can have concussive effects. He briefly stole G'rog's eyeballs and briefly lent Skrash some crazy-looking ones for his empty eye sockets.

---

When he was done we were shocked!

Me: Geez!

Nico: He's going to prison.

Me: Yep. We'll put him in the Neptune Prison.

Ultrox: In your solar system. Perfect.

Me: Good.

Eli: Okular is gonna rue the day he messed with these racers.

Arkayna: That's for sure.

Nico: Let's head to the starting line now.

Me: Time to burn rubber.

We got into our cars and got ready.

Me: Nico I promise I won't use that hologram of the Boiling Isles giraffe this time.

Nico: You better not. Or a punch to your face will be the least of your worries.

Me: (GULPS)

We were at the Starting Line.

Gamekeeper Kytani: Racers on my mark. GO!

AND WE WERE OFF!

Me: EAT MY DUST!

Nico: OH YEAH!?

ZOOM!

He zoomed ahead of me.

Me: Oh yeah?

I zoomed ahead.

Twilight Sparkle: YEAH! This is awesome!

Nico: Who's got eyes on Okular?!

Eli: I do! He's up ahead!

We saw a car and in it was OKULAR!

Me: Target sighted.

Nico: Lets lock and load!

Me: Oh and Ultrox.

I gave him his own Legend Items.

Me: Your own Legend Items. Your archenemy is the Stay Puft Marshmallow Man from Ghostbusters.

Ultrox: Ah yes very iconic villain on Earth. Thank you.

Me: No problem.

Ultrox: Now, to test this Shift Car.

He activated it and fired a wave of marshmallow slop and it got all over Okular's car and stuck him to the ground.

Me: Nothing is more stickier than marshmallows. It's like glue.

Nico: That is clever though.

Me: Nice one!

Ultrox: Thanks.

Me: Now for this.

I activated Mysterio's Ridewatch and summoned a bunch of FIRE DARKSIDE ROBOTS!

Nico: Awesome!

They fired balls of fire and burned his car all over.

Me: Now this too.

I activated Eustace's ridewatch.

Me: (Imitating Eustace) STUPID DOG! (GETS OUT UGLY MASK) OOOGA BOOGA BOOGA!

Okular screamed in fright like a banshee!

Okular: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAHHHHHHH!

Yin: My turn!

Yin used her Shift Car for Taotie and fired numerous gears that smashed the more of his car into rubble!

Me: Nice one!

Arkayna: My turn for Shift Car action!

Arkayna activated her Shift Car and her car fired waves of magic and blasted his car into scrap metal.

Twilight Sparkle: Don't forget this.

She activated Kaos's Shift Car and fired waves of fire and smashed him down.

Me: Now for this. Net Missiles FIRE!

I pressed a button and it fired a missile that opened and turned into a net and then it snagged him and we got him!

Me: YEAH!

I reeled him in and locked him in my cargo hold.

Twilight, Halinor, Ultrox, Eli and me crossed the Finish line!

Everyone on the ship cheered for us.

Camie: Woohoo! That was awesome!

Luz: Yeah it was!

Nico: Ultrox, you get to keep these Xeno Cells.

Ultrox: Thanks Nico.

Me: But this was awesome!

Eli: It sure was. It always is awesome racing here.

Halinor: I'll say.

Nico: Can we count on you and the others to help us against Opaline? We're not forcing you, you know.

Ultrox: Don't worry Nico. You have the full support of us.

Nico: Awesome! We owe you big for this.

Ultrox: Anytime.

Ultrox: Halinor, ever since I met you, I've seen you as a little sister.

Halinor: Really? Wow! Thanks Ultrox.

Ultrox: I would hug you but I'm strong.

Me: I forgot to ask. How did that happen to you anyway Ultrox?

Ultrox: Oh I was in an accident with Xeno Energy and I have had these limbs on me since I was born.

Me: Wow. That is intense.

Nico: Yeah.

Ultrox: Yeah.

Me: But that's awesome that Halinor is your sister now. Our planets may be 12,000,000 light-years apart but the bonds are never broken.

Nico: That's true.

We went back to the ship and headed home.

Me: That was so awesome.

May: Erica, for your first mission, Aruto and 3 Rabbids will go with you.

Erica: Sweet!

Qin: This is gonna be awesome.

Aruto: Yeah it sure will be!

Camie: We're really looking forward to meeting Zixx.

---

The mascots just entered the shipwreck and saw lots of herring.

Poliwag: Look at all this herring!

Horsea: I call first dibs.

Poromon: (stops Horsea) Whoa-whoa-whoa-whoa! Horsea! Calm down. There's plenty of fish to go around, as long everyone shows a little self-discipline.

Manaphy slides across the floor, eating some fish.

Manaphy: Ahh-ha! Mmmm, Poromon, you have got to try this herring!

Poromon: Don't mind if I do, babe!

Horsea: Say what?

Horesa attempts to get some herring several times, but Poromon, Manaphy, and Poliwag eat all of it before she can get it. Later, she finally gets the last piece of herring.

Horsea: Ah-ha! I got you! (but it slips out into Poliwag's mouth) What?

Poliwag: (after swallowing the herring) Mmm, satisfying!

Poromon: See, Horsea, plenty of fish to go around. Everybody's good? You good? You good? Great! Outstanding.

Horsea: (starts to cry) Why?

The Mascots came back home later on.

Manaphy: Guys, send your taste buds into retirement. There will never be a flavor extravaganza like that, in our lifetime.

Horsea: (bangs her head in agony against the door) Goddammit, why?!

Poliwag: That herring was so good, [his eyes suddenly go wide] it's making me craving for even more fish!

Manaphy and Poromon laugh, but stop hearing Poliwag laugh crazily.

Poliwag: [he snaps out of it] Seriously, though, good fish.

Horsea: (growls) To Hell with all of you!

Horesa opens the fridge and gets out a sardine can from a soda can.

Poromon: Still hungry, Horsea? I don't see how you can eat ordinary sardines after all of that delicious herring. [starts rubbing his belly]

Manaphy burps and wipes her mouth

Poliwag: [he suddenly goes crazy] Sardines? FISH! [he runs towards Horsea, who kicks him away and glares angrily]

Horsea: (angrily) None for you!

Poliwag smacks into the wall and is held back by Poromon and Manaphy before he can get away.

Manaphy: Poliwag!

Poromon: Poliwag! What's gotten into you?!

Poliwag: FISH! [laughs crazily]

Poromon: [creeped out] Manaphy, what's going on?!

Manaphy measures Poliwag's head and puts a magnifying glass next to Poliwag's right eye.

Manaphy: Crazy eyes…

Manaphy puts a popsicle stick on Poliwag's tongue. Poliwag bonces up and down.

Manaphy: Babbling tongue…

Poliwag bites Manaphy's hand, frees Poliwag of their grip and runs to Horsea, who pushes Poliwag over.

Poliwag: FISH!

Manaphy: Oh no! I think our Norwegian herring was a bit too aged.

Nico: I think it was too.

Poromon: Never ever blame the fish, Manaphy!

Manaphy: But don't you see? [pulls out a clipboard & pencil] Poliwag's contracted Bacterial Pisces Dementia! A rare brain disease that's turning him into a fish-craving psychopath!

Horsea: How do you know that?

Manaphy: Kowalski's been tutoring me.

Kowalski: Well, you guys might have lots of fun with your shenanigans and on missions. But education is still important.

Poromon: Can Poliwag be cured?

Manaphy: It should wear off in 24 hours just as long as he doesn't feed the disease. [pulls up a chart with a fish on it] That means no fish of any kind. If Poliwag ingests so much as a single sardine, he'll be like this, forever.

Poliwag: [he launches at the chart] FISH!

Tso Lan: Or, at least until we can find a more faster way.

Horsea, slyly, puts the sardines in front of Poliwag's face and pulls it away, when he tries to get it.

Poliwag: (Manaphy and Poromon hold him back) FISH! (Horsea does it again) FISH! (Horsea does it again) FISH! (Horsea does it again) FISH!

Poromon: Stop that!

Manaphy: Well, on the bright side, maybe this will teach Poliwag not to overindulge in so much brined herring. [chuckles]

Poromon: Wait, didn't you eat as much as he did?

Manaphy's right eye moves away then back to normal before showing he's been affected by the disease.

Manaphy: Why, yes I… dooby-dooby-did! FISH!

Manaphy lunges at Horsea, but Horesa pushes her away. Poromon keeps the two mascots away from the fish, slapping them repeatedly.

Poromon: Looks like we're on psycho patrol, Horsea. No fish for these two for the next 24 hours.

Nico: Good luck with that.

Eli: Yeah we got to hold out till then.

Caleb: Or at least until we can find a more faster solution

Horsea: [suspicious] Uhh, what about you?

Poromon: [confidently; still slapping] Luckily, my iron-clad constitution has made me immune to this Pisces Dementia.

Horesa: I highly doubt you have that

Poromon: Seriously, I do [Horsea stares at him again] No effect. [Horsea gives one serious look] Iron-clad constitution.

Horsea smiles, thinking that it should be all right. Unfortunately, Horsea panics as she stops hearing Poromon slapping Poliwag and Manaphy.

Horsea: (in realization) Oh no!

She stares at Poromon, seeing that he was affected by the disease like Poliwag and Manaphy.

Poromon: FIIIISH!

Horsea: AHHH!

Horsea quickly eats the sardines and is chased around the Estate by the three fish-craving mascots. She blocks the fridge.

Horsea: NO! No fish!

Nico: Oh no! This is terrible!

Ed Edd N Eddy Sarah: Alright, guys. Feeding time!

The fish-craving macots: [pause for a while before charging up the ladder] FIIIISH!

They went outside, babbling. Horsea goes out as well. Jimmy tosses the fish.

Jimmy: Eat up. There's plenty for everyone!

The crazy mascots try to get the fish, but Horsea eats all the fish before they could. Jimmy throws more fish and Horsea catches them as well.

Sarah: Hey, Horsea! Don't be greedy. Save some for the others! (tosses more fish)

Horsea: NO!

Horsea shoots Bubblebeam attacks at the fish, making them fly in different directions.

Jirachi: (catches the first fish) Whoa!

Tentacool: (catches the second fish) Free fish!

The third fish hits the still tied up Flip in the ass, making him scream in pain.

Maria: (Hears this) I hope that hurt, cheapskate!

Jimmy: What's gotten into you, Horsea? Why are you being selfish?

Horsea: I'm not being selfish!

May: We have to keep Poromon, Manaphy, and Poliwag away from any fish for the next 24 hours!

Then me and a girl with brown hair and pink clothes and green eyes came.

Me: What in the world is going on here?

Nico: The Mascots are having a case of Bacterial Pisces Dementia.

Me: Oh man! They must've eaten rotten fish on that shipwreck they found.

Nico: That could be. Who is this with you?

Me: Oh everyone meet Jennifer Tennyson.

Jen Tennyson: But call me Jen. I'm Ben Tennyson's little sister by 12 minutes. Me and Ben are twins.

Nico: Awesome to meet you.

Eli: We didn't know Ben had a sister.

Me: I met her when I was over at the mall looking for some lunch.

Eli: Cool!

Jen Tennyson: But it's awesome to meet you all. I heard so much about you all. Have you seen Ben?

Eli: He should be back in a few minutes. He was out fighting crime.

Then Ben flew back as Jetray and he reverted back.

Ben: Sorry about that guys. (GASP) Jen! Is that really you!?

Jen Tennyson: Ben! Wow!

They went and hugged for the first time in a long time.

Jen Tennyson: I missed you so much bro.

Ben: I missed you too sis.

Me: I'm so happy you have your sister back with you Ben.

Ben: Me too J.D.

Delivery truck man: (to Iron Man outside) Yo, Mr. Stark. Where do you want this truck of fresh cod fillets?

Horsea: Oh, no.

The fish craving mascots: FISH!

Poromon, Manaphy, and Poliwag escape to the estate entrance. They tried to go crazy for the fish truck after the Delivery Man puts down his newspaper.

Poromon, Manaphy, and Poliwag: FISH!

The 3 mascots attempted to break the glass.

Me: RUN MAN!

Poromon: Fish! Fish! Haha! Fish! (he bangs the glass with his beak)

Truck Delivery Man: This ain't happenin'! This ain't happenin'!

The Truck Delivery Man drives away with the 3 mascots still on the truck.

Horsea: (to Jen Tennyson) Quick. If you have a Jetray form, use it to carry me. We have to catch up to that truck!

Jen Tennyson: I got more than that!

SHE WENT ULTIMATE JEN!

Jen Tennyson: JETRAY!

She picked up Horsea and flew with her.

Me: COOL!

Nico: Lets follow her!

We flew with her and Young Ben spread his Blazewing Wings.

Jen Tennyson: Wow! So you're the young version of Ben that has the Blazewing Power.

Young Ben: I sure am.

Jen Tennyson: That is awesome.

Cliffjumper: (transforms to vehicle mode) I'll catch up to you guys! (drives after us)

The Truck Delivery Man drives around Gotham Royal York while the 3 mascots were still craving fish. The truck almost hits a taxi but misses.

Poromon: FISH… !

Truck Delivery Man: UGH!

He turns on the wipers while the 3 mascots hang on it. While Horsea tries to approach the other mascots, Jen Tennyson kept a firm grip on her to keep her from falling off. Horsea looks through the window and tries to tell the truck delivery man to pull the truck over.

Horsea: Hey! Pull the car over!

The Truck Delivery man screams at the sight of Horsea and loses control of the truck begins as it starts driving in random directions when the police car starts to chase it. The 3 mascots fly off the truck. Jen Tennyson got startled and accidentally dropped Horsea, who went flying with her fellow mascots into a factory.

But it was a FISH CANNERY FACTORY!

Me: Oh no!

Qin: Not good!

The mascots land inside of a factory against some boxes and the mascots fall down, and Horsea comes out of the top of a box.

Horesea: [tired] No… fish…

Factory Worker: Alright people! That tuna ain't gonna can itself!

A siren sounds and the camera shows a conveyor belt full of fish starting up.

Horsea: [rubs her eyes in shock] Are you fucking kidding me?!

UH OH!

The craving mascots try to get past Horsea, who holds them back.

Craving Mascots: FISH! FISH! GIMME! GIMME! GIMME!

Horsea: NO!

Kickback: (sighs) I've had enough of this. Someone please end this now.

We flew in.

Jen Tennyson: I got this.

She then fired waves of pink Mana energy and they wrapped around the mascots and tied them up and she caught them.

Horsea: COOL!

Nico: WHOA!

Me: Wow! Jen you're part Anodite too?

Jen Tennyson: I sure am. My powers as an Anodite are much stronger than that of Gwen's.

Me: Wow!

Jen Tennyson: But don't worry I'm not powerhungry or rebellious like cousin Sunny was.

Me: Good.

Nico; That was awesome though.

Me: It sure was. Wow!

Nico: Please tell me you know a spell to turn the mascots except Horsea back to normal!

Jen Tennyson: I sure do. HEALRA AMBIDORA!

She used a powerful magic spell and it healed the Mascots minus Horsea and they were back to normal.

Poromon: (Groans) What hit me? I have got the worst headache.

Me: Well it's a really ugly story.

Jen Tennyson: Yeah you guys went bonkers with Contaminated Fish Madness Disease.

Me: Yeah.

Poliwag: (Groans) Man that explains why my mouth tastes like fish.

Manaphy: Mine too.

Me: So Jen how many aliens have you mastered?

Jen Tennyson: I've mastered 53,231 Aliens and I even mastered all the secrets of the Omnitrix back when I was 10 as well as unlocked my Anodite Powers when I was 11.

Nico: Wow! You have progressed into a massively powerful force of nature.

Lola: Yeah that is amazing!

We arrived back at the estate and gave the mascots some ice for their heads.

Poromon: Thanks guys. Sorry we did all that.

Me: It's all right Poromon.

May: The important thing is that Jen here helped you out.

Drill Man: Nico, which teams have you done this time?

Nico: Jessica's team will include Mulan, Maiden of The Aqua, Maiden of The Moonlight, The Agent of Creation - Venus, and Reggie MacKenzie and Splendid Venus. Ilana's team will include

Ets, Juleka, Chloe, Alya, and the Jessica

who's a Miraculous user.

Me: Wow! That is cool!

Xenia: It sure is!

Maiden of The Aqua: And I'm honored to be included in a team with Jessica.

Jaden Yuki: Reggie will love that. We haven't met her yet though.

Me: Well someday we will.

Fayra Halinora: I am truly honored to have Splendid Venus in a team with Jessica.

Nico: Awesome.

Xenia: Yeah.

Then Riddler, Eris, Weather Wizard, Xaldin, Iron Lung, Mercurymon, Comic Book Guy, Avalanche, Marluxia, Black Knight Ghost, Lego Bane, Queen Jellyfish, Heart, Laughing Ghosts, Madame Snake, Frankenstein, Buzz Buzzard, Skeleton Men, Wolfman, and Two Face appeared.

Mercurymon: Can me, Riddler, Eris, Weather Wizard, Xaldin, Iron Lung, Comic Book Guy, Avalanche, Marluxia, and Black Knight Ghost go with you guys?

Frankenstein: Me, Lego Bane, Queen Jellyfish, Heart, Laughing Ghosts, Madame Snake, Buzz Buzzard, Skeleton Men, Wolfman, and Two Face will come too.

Nico: Yes you guys all can come with. We're going to the 4th Thanksgiving System Planet.

Me: Yep.

Drakus: I hope it's cranberry sauce next.

Camie: Sour and cool.

Lola: Yep.

Yondu: Nico, which Gene Slammer do you think you'll meet next?

Nico: One for Emperor Sem next.

Me: Ooh! That one is going to be demonic.

Qin: It sure will.

Nico: Yeah.

Xenia: This is gonna be a good one.

Me: Hopefully this rescue will be better than the one we had this morning.

Eli: Yeah that was pathetic.

Nico: It was.

Riddler: Riddle me this: which villain do you think we'll fight this time?

Queen Jellyfish: We'll just have to see when we get there.

King Kai: (Telepathically) Nico, can you hear me?

Nico: Yeah, King Kai, what's up?

King Kai: (Telepathically) I've got some really bad news: Chong's come back from the dead and he wants revenge on you guys for ruining his attempt to get revenge on Benson, and even worse, he was brought back by Adrastea Chernabog.

We gasped.

Mordecai: What?!

Benson: (Sighs) I should've seen this coming, Chong doesn't even know when to quit.

Me: No he sure doesn't!

Sandra Emperyous: And even worse, it was at the hands of Adrastea Chernabog, the leader of The Chernabog Sisters. When Selene and Lincoln get after her, she's going to pay for what she did in bringing Chong back with her own blood.

Camie: Who is Chong?

Me: An enemy of Benson. And you would hate this monster with a vengeance.

I went over his history.

---

Chong is a minor antagonist in the Cartoon Network series Regular Show, serving as the main antagonist in the episode "Stick Hockey". He was voiced by Sam Marin.

Chong's personality is based on that of Chong Li in the film Bloodsport, and is similar to that of Tong Po in the film Kickboxer.

Biography

Chong is a barbaric and ruthless stick hockey champion and Benson's archrival. Their rivalry stems from ten years before "Stick Hockey", when Chong decapitated Benson's apprentice and best friend Dave so that he could not beat him in a stick hockey match.

In "Stick Hockey", a battered and bruised Mordecai and Rigby play against Chong in a stick hockey contest and are losing. When it seems like all is over for Mordecai and Rigby, Benson enters the arena to save the two and settle a score with Chong. Replacing Mordecai and Rigby, Benson plays the final match against Chong, on a tilting platform over a pit of flames. Chong even creates mirror images of himself, overwhelming Benson, but is ultimately defeated.

Chong later makes a cameo in "The Thanksgiving Special", in which he is one of the many backup singers at a Thanksgiving song contest.

When I was finished everyone was shocked and horrified!

Camie: What a ruthless fiend!

Lola: Yeah no kidding!

Sailor Moon: (Growls) Along with that monster, Chong, he's going to pay for this!

We felt something within Sailor Moon growing, and we knew what it was.

Nico: Oh, no way, Sailor Moon's going to transform, this should be good.

Me: Yeah, you got that right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than the fourth eldest sibling of the Chernabog Sisters, Mara Chernabog, and she's major-leagued pissed off that we took down Dr. Wily and the massive army of bounty hunters Trina Riffins and Amy hired and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to the fourth eldest sibling of the Chernabog Sisters, Mara Chernabog, and she's major-leagued pissed off that we took down Dr. Wily and the massive army of bounty hunters Trina Riffins and Amy hired and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

Me: Sheesh, but this is expected.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Rachel Emperyous: Yeah, and I should've known Jezebeth would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog, Drusilla Chernabog, and Lillith Chernabog show up, along with Mara Chernabog, Selene.

Selene Emperyous: We're already on that, Linky.

Nico: And they'll also not only be deterred and restrained again, but they'll also get to watch as Sandra and Lincoln destroy another one of their sisters. Alright, gang, let's go, we're heading to another awesome Thanksgiving food planet, and we got word that Chong's back for revenge, and he's waiting for us there.

Lincoln: That monster's not going to get away for everything he did, especially to Benson, and once we get through with getting rid of Chong, you're next, Mara Chernabog, and you're going to get a nasty scar on your face for bringing Chong back, Adrastea Chernabog.

Nico: Lets head out.

We went to the ship and we were off.

* * *

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7068.4: The U.S.S. Valorous Phoenix is en route to the 4th Thanksgiving Planet and we're going there to face Chong who is back from the dead to get revenge on Benson and us for killing him in the past. Our mission is to kill him and banish him to the Black Gates.

Horsea: It's a good thing I didn't eat that herring after all!

Retrax: And all because that last herring slipped out of your grasp.

Horsea: Thank goodness.

Qin: Yeah no kidding.

Jen Tennyson: But it's awesome that I'm going to be part of the team.

Sunny Tennyson: We're so honored to have you with us cousin.

Gwen Tennyson: Same here cousin.

Jen Tennyson: It's so awesome.

Nico: It sure is.

Lola: Yeah.

Trent: I hope the delivery truck man is okay though.

Nico: Me too.

Qin: Yeah.

Lola: Yeah no kidding.

Xenia: Same here. Poor fella.

Lisa Loud: We have arrived at our destination

Iron Lung: We're coming up to the planet right now.

Buzz Buzzard: I wonder what it is.

Nico: On screen.

We saw that we were at a dark red planet.

Nico: Ooh this planet looks cool.

We engaged the landing and when we landed we got out and we saw that it was a planet made entirely out of cranberry sauce and juice!

Me: WHOA! A planet made of Cranberry Sauce and Juice!

Lola: Wow!

Eli: What a planet!

Jen Tennyson: This is amazing!

Sea Clamp: Is anyone allergic to Cranberry?

Me: Not sure.

Qin: I don't know.

Laney: I don't think so.

Xenia: I don't know myself.

Lola: Me neither.

Camie: I don't know about that.

Laney: But I got plenty of epinephrine shots for cranberries.

Nico: Awesome.

Comic Book Guy: Best. Planet. Ever.

Wolfman: Let's dig in!

We got to eating some cranberries and man were they both sour and good.

Me: (PUCKERS UP)

Nico: Man these are sour. (PUCKERS UP)

Lola: They are good though.

Camie: They sure are.

Lola and Camie ate some and their faces puckered up.

Ace: You guys okay?

We blubbered.

Me: Whew. Yeah just puckered up due to the sourness.

Laney: Cranberries are sour.

Xenia: They sure are.

Lola: Yeah.

Nico: Yeah they sure are sour.

Two Face: I see

Poromon: These are yummy though!

Marluxia: (chuckles) I thought you guys were sending your taste buds into retirement.

Manaphy: That was before we found out the truth about the Herring.

Nico: Yeah.

Billy: You know what I like about cranberries?

Mandy: If you say picking your nose with them I will kill you.

Billy: Picking my nose with them!

Mandy: (GROWLS)

Me: Wait Mandy. Allow me.

POW!

I punched Billy hard and sent him crashing into a dog cage in the ship.

Me: There.

Mandy: Thanks J.D.

Me: No problem.

Leslie: (to Jen Tennyson) FYI, Ben actually adopted me back in 2018.

Jen Tennyson: I've heard all about that. Ben and Grandpa Max have been sending me postcards and pictures of all your awesome adventures.

Leslie: Cool. Glad to see you got them. What city did you live in?

Jen Tennyson: I lived in Augusta, Maine.

Skeleton Man 1: Albedo joined us too.

Black Knight Ghost: He's been a big help on recent rescues.

Jen Tennyson: That's what I was hearing. I remember that Albedo tried to kill Ben several times.

Nico: Yeah that was before.

Jen Tennyson: The Team Buktu fiasco. That was awful. I didn't buy that garbage Tim Buktu and Evil Sasuke and Scott all said.

Xenia: That's good.

Lincoln: Yeah thank goodness for that.

Lola: Scott deserved to be destroyed too.

Sonata Dusk: The worst part is that they acted like it was a crime for us to go on the Ridonculous Race. But it wasn't!

Me: Yeah no kidding.

Jen Tennyson: Like I said, I didn't buy any of that garbage for a second.

Qin: Good.

Jen Tennyson: Awesome. Also what is wrong with Billy?

Me: He is a brainless idiot. He was born with no brain at all.

Nico: Yeah. Billy and J.D. hate each other even though they don't show it very much.

Qin: Yeah.

Laughing Ghost 1: But despite that, Billy's still a good member of the team and a good friend.

Avalanche: Even if it doesn't always seem like it.

Nico: Yeah. But at least Billy learns. I hope.

Qin: Knowing Billy, he probably never will.

Nico: Last year, I had to kill Old Lady Munson just to save Billy.

Batch: We know that. Why are you bringing that up?

Nico: I told Billy not to make me regret saving him. You think I should regret saving him right now?

Me: No. But please don't bring that up.

Nico: Sorry.

Camie: No worries.

Himiko: But at least that repulsive old lady had it coming.

Nico: No kidding.

Xaldin: Okay. We should probably look for Chong.

Madame Snake: He shouldn't be far.

Eli: No he isn't. He's over that hill 30 klicks to the north.

Me: At least we won't have to go far.

Qin: Nope.

Nico: Lets head out.

Jen Tennyson: This is gonna be good.

Trolling Thunder: Entrance time!

Nico: Lets do it.

We went over to the hill and standing in the center of a clearing while punching a berry rock was CHONG!

Me: Target sighted.

We went at him.

Chong was really pissed and then the spirits of the Dragons of Elemental Crotchkickings appeared and they smashed and pulverized and burned his crotch all over and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above him and then a phoenix cry was heard and we came out.

Me: Chong it's time to kick your fucking ass!

Qin: Yeah you jerk!

Chong: YOU! YOU MOTHERFUCKERS MADE A FOOL OF ME!

Eli: And we show no remorse for it!

Lego Bane: We will see who is the strongest man!

Billy: Wait! Chong, I want to join you! I'm tired of J.D. and the others calling me stupid. I want to show them that I'm not!

Eris: We knew you weren't that smart but we didn't expect you to pull this!

Lincoln: (to Avalanche and Skeleton Men) Still think you were right about Billy, guys?!

Chong: That's the spirit, boy! And now-

Billy: But before we kill them, I need you to drink this to increase your strength. (gives him drink)

Chong: (shrugs) Well, if it's to kill these meddling heroes, why not?

Chong drank it and was about to attack us when he suddenly felt pain in his body.

Chong: What did you do?!

Billy: (laughs) I gave you poison from Tentacool's Poison Sting that's slowly hurting you!

Tentacool: Me and Billy made it while Poromon, Poliwag, and Manaphy were going nuts earlier.

Chong: You tricked me!

Me: Very clever Billy.

Billy: (to Nico) I hope this makes up for my previous incident.

Nico: Actually, it does.

Mandy: Wow. That's very impressive.

Grim: (Jamaican Accent) I didn't think Billy was capable of doing that mon.

Me: Me neither.

But then Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Firepower, Eccentro, Absorbing Man, Yost Living Laser, Pericles, Ozzie Ostrich, Mummy of Anhk-Ha, Buff Frog, Knight Knight, Camie Chameleon, Evil Pharaoh Man, Snow Ghost, and Lego Poison Ivy appeared.

Jen Tennyson: Wow! So these are more of the M.O.E.

Me: Yep. Guys meet Ben's sister Jen Tennyson.

Robo Blaze: (to Jen Tennyson) It's really nice to meet you.

Jen Tennyson: Same here.

Whiger: You'll have to tell us more about your powers in the future.

Griffin: You'll be a great help to what we have planned in a few days.

Beetle: (to Nico) We heard the other versions of the Vengeance Express Kids attacked again.

Nico: Yeah we sure did.

Whiplash: Did they really not put up a fight?

Me: No they didn't because they were fighting each other.

Qin: It was funny and stupid.

Me: Yeah.

Then Imperious appeared.

Me: Imperious.

Imperious: Geez, it really has been a while since I had my turn, hasn't it?

Me: Boy you're not kidding. Awesome you're back for round 2.

Qin: Yeah.

King Solar: Those kids have a thirst for blood as big as Dracula's.

Solar Eclipsa: Yeah no kidding.

Amber Morning: Yeah those kids are either stupid or just bloodcrazed.

Spotlight: Yeah no kidding.

Eli Shane: Yeah I agree there.

Robo-Blaze: Those kids are REALLY obsessed with vengeance. Lets do it!

Sora summoned Solar and merged Hermos with Key Mace and it formed into THE KEY MACE WAR CLUB! They fired waves of light and smashed him down.

Beetle was next.

Beetle: (to Connor) I heard you guys met an Assault Blackwing - Onimaru the Divine Thunder Gene-Slammer. What's her name?

Connor: Her name is Yuriko Kaminaritsubara and she's from Japan and she is a really awesome and very beautiful one. She is also Hana Uzuki's cousin.

Sunset Shimmer: She is really hot too.

Pipsqueak: (British Accent) Yeah what a fox. And her story is cool too.

---

Yuriko Kaminaritsubara: (Japanese Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Yuriko, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Yuriko Kaminaritsubara: (Japanese Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass.

Nico: You got that right. So, Yuriko, what's the story on how you and Lincoln pummeled Hawk, Hank, Pablo, and Anderson?

Yuriko Kaminaritsubara: (Japanese Accent) That's a story I still remembered. One day, Lincoln and I were heading back to The Loud House after doing some workouts at the gym. But, then, we heard four angry yells in the air and we saw who it was coming after us: it was Hawk, Hank, Pablo, and Anderson and they were really really pissed, we also saw they had knives in their hands and they had murder in their empty skulls. But, Lincoln and I both took them down and we broke their arms, legs, noses, teeth, and even smashed their crotches and left them with black eyes. We called the cops on them and Hawk, Hank, Pablo, and Anderson were sent back to prison, but Hawk and Hank also got yet another Life Sentence added to their original sentence, and the same went with Pablo and Anderson.

We cheered wildly.

Nico: Oh man, now I remembered, and you guys really beat them all down.

Lincoln: We weren't going to let those jerks get away with it, not after all the bad stuff they've done in the past, and since they were too hard-headed, we had no choice but to resort to beating them up badly.

Me: I still remember that day all too well, and the blood from where you guys broke their noses was left on the sidewalk and on the pavement, yeesh.

Lincoln: We did hit them on the noses really hard and broke them, J.D.

FLASHBACK ENDS

Beetle: Wow! She and Lincoln really did a number on them!

Me: And it's a REALLY good thing too. That fish was really contaminated with bacteria that causes Bacterial Pisces Dementia and it caused the Mascots to go cuckoo bonkers. They were tearing the place apart for more fish. Just a few more seconds longer and the mascots would have had to be sent to the looney bin.

Twilight Sparkle: Yeah the Penguins told us about this entire thing before and it was crazy.

Starshine Sparkle: Yeah it was a crazy case of deja-vu!

Spyro: No kidding. But it was funny too.

Lord Drakkon: Wow! That is amazing! How many aliens does she have in her Omnitrix?

Me: 53,231. All of them aliens that Shanan knows.

Lord Drakkon: Wow! That is incredible! She'll make an awesome addition to the team. Lets do it!

Whirlwind: I agree there and I actually like Cranberries. They are good.

Vyse: They are really good for your heart though.

Vulture: That they are. Lets do it!

Hay Lin summoned Ariel and merged Hermos with Tempest, Dragon Ruler of Storms and it formed into THE TEMPEST STORM DRAGON SWORD! They fired waves of energy and wind, rainbows and lightning and smashed him down.

Firepower was next.

Firepower: (to Aurico) The Cranberry Sauce and juice is awesome. I actually tried it myself.

Aurico: Boy the juice is the most delicious part for me.

Pinkie Pie: I love all these cranberries because them make my face scrunch up.

She ate some cranberries and her face sucked itself in!

Pinkie Pie: (Spitting) See?

Maud Pie: (monotonously) I like eating mostly rocks but this planet is really cool.

Featherweight: This planet is really amazing too.

Sprocket: It sure is. I think it's so awesome.

G1 Optimus: I agree with you all there too.

Sonata Dusk: Same here. Even though I love tacos this world is really cool.

Transquito: And I may be a mosquito and drink blood but this world is really tasty.

Firepower: It sure is and Cranberries are my favorite part of Thanksgiving. Lets do it!

Transquito: It sure is amazing here. Transquito, TERRORIZE!

He transformed!

Aurico summoned Metagolem and merged Hermos with Ancient Gear Reactor Dragon and it formed into the ANCIENT GEAR CHERENKOV SWORD OF LIGHT! They fired waves of energy, metal, gears and lightning and smashed him down.

Sailor Moon: You absolutely make me sick, Chong, you've done so many horrible and nasty things in the past, especially to what you did to Benson, and I can't forgive you for that. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, I would've thought you'd never return after we destroyed you long ago when you came back and harmed Mordecai and Rigby, and for what you've done to Benson in the past… , YOU'VE CROSSED ONE LINE TOO MANY, YOU LOW-DOWN, VIOLENT, SADISTIC, EVIL, BLACK-HEARTED, MURDEROUS PIECE OF SHIT, AND NOW, I'M GOING TO MAKE SURE THAT YOU NEVER EVER RETURN AGAIN TO HURT BENSON AND OUR FRIENDS FROM THE PARK!

Sandra Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Mara Chernabog.

Selene Emperyous: Along with the rest of your demonic sisters, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and four mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Mara Chernabog, the fourth eldest of The Chernabog Sisters, and the other four remaining mists of darkness descended on the ground and what stood in their places were Drusilla Chernabog, Lillith Chernabog, and the leader of The Chernabog Sisters, Adrastea Chernabog.

Adrastea Chernabog: (HISSES) IT'S A TRAP! NOW, WE CAN'T GET OUT!

Selene Emperyous: That's right, and now, you ten get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she just pulled this morning in Australia when you brought Dr. Wily back and had the army of bounty hunters Trina Riffins and Amy sent there. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Sandra Emperyous has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY MUSICAL ILLUMINATOR LIGHTSTORM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY MUSICAL LIGHTSTORM ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY LIGHTSTORM ARCHANGEL LOVE!

We were amazed by Sandra Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Mara Chernabog saw it, she went fucking mad and fired a blast of darkness at Rachel Emperyous to kill her, but Sandra Emperyous fired a powerful golden yellow energy blast with light, crosses, music notes, and angels which overwhelmed the blast of darkness and it hits Mara Chernabog, and she was burned and sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now, Sandra Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Lightstorm Timelord Justice and a champion of the Archangel Sandalphon, and Sandra, you look beautiful, how do you feel?

Sandra Emperyous: (Divine Echoing Cosmic Voice of The Holy Lightstorm Music Illuminator Timelord and Divine Holy Lightstorm Love) **I feel incredible, Linky. Now, shall we destroy Mara Chernabog once and for all?**

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Sandra.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sandra Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to say your goodbyes forever, Mara Chernabog, because your days of causing chaos and havoc in Michigan and the world are over!**

Sandra Emperyous and Lincoln went after Mara Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, golden yellow energy, crosses, music notes, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Mara Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her and she was also burned badly.

This was really making Mara Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Sandra Emperyous and Lincoln were just getting started and Mara's divine punishment has just begun. Mara Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive and long white wolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Sandra Emperyous and Lincoln slashed off Mara Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Mara Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Sandra Emperyous, it was known as Sandaion the Timelord's Holy Archangel Lightstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's golden yellow with lights on the blaster with a Phoenix, Archangel, and Sandaion the Timelord surrounded by lights etched on the sides, and a golden yellow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Sandra Emperyous fired blasts of rainbow energy, golden yellow energy, and elemental forces and when they hit Mara Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Mara Chernabog's spirit appeared and Sandra Emperyous and Lincoln drew the Judgement Kanji and Seal of Sandalphon on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Sandra Emperyous and Lincoln did to Mara Chernabog as they holster their massive greatswords on their backs and powered down, and Sandra Emperyous' new body, clothes, weapons, jewelry, and massive golden yellow angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog, Drusilla Chernabog, and Lillith Chernabog, and they were horrified to see what happened to Mara Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Mara! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog, Drusilla Chernabog, and Lillith Chernabog disappeared in three mists of darkness.

Nico: Yeah, that's right, go lick your wounds, bitch!

Sandra Emperyous: And now, all that's left to deal with are the three eldest Chernabog Sisters. Thanks for helping me destroy Mara Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sandra.

Suddenly, Sandra Emperyous wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sandra Emperyous' face, they kissed passionately as Sandra Emperyous' left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Sandaion the Timelord, and the Archangel Sandalphon flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and angels flying behind them and and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Sandra Emperyous came back to us, as the display and Sandaion the Timelord and the Archangel Sandalphon vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and we really pissed off Adrastea and the other Chernabog Sisters, and they'll still do anything to get revenge on us, but we'll be ready for them.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show.

Lincoln: And now, all that's left is to deal with Adrastea Chernabog, Drusilla Chernabog, and Lillith Chernabog.

Vorya Emperyous: Which means you and I are going to deal with Lillith Chernabog tomorrow, then, you and Zaina will deal with Adrastea's second-in-command, Drusilla Chernabog, and finally, you and Selene will deal with the leader of The Chernabog Sisters, Adrastea Chernabog.

Lincoln: That's right, Vorya, and if we want to be fully ready for the battle against Queen Opaline, we not only need a plan in place on how to deal with her, but The Chernabog Sisters need to go.

Selene Emperyous: That's right, Linky. Queen Opaline's already a dangerous threat to all ponies and the planet for her evil xenophobic power-hungry ways and for the crimes she committed a thousand years ago, and The Chernabog Sisters are an equally dangerous threat to all of mankind, so we need to get rid of The Chernabog Sisters for good.

Nico: Before we make our move on Queen Opaline, and the battle between the Twelve Archangel and Timelord Sisters of Heaven and the Twelve Demon Sisters of Hell is fast approaching its climax with the epic showdown with Adrastea Chernabog.

Me: Lincoln and Selene Emperyous will make sure that she pays big time for her crimes in blood!

Selene Emperyous: Her and her sisters will all pay in blood.

Eli: Yeah. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Eli, hmm. Oh, I know how about a Gene-Slammer for Thunder End Dragon.

Nico: Ooh, now that's an electrifying one!

Drakkon: You had us worried for a moment.

Billy: Relax. I'd never ditch you guys again. (Looks down) But I can tell that I have to show I'm loyal.

Vulture: You still did good though.

Firepower: And you can't help your stupidity.

Eccentro: Now, who wants to gather the cranberries?

Absorbing Man: I will!

Nico: Lets do it!

We went and got tons and tons and tons and tons of berries and cranberries.

Me: Boy look at all this.

Sailor Moon: (To the Viewers) This was a really fun adventure everyone. Hope you liked it.

Nico: I know I did. Great job today everyone.

We later went back home and enjoyed the rest of the day and went to sleep.

Walking through the Endsville sector of the city was Nico, The Ripping Friends, Hawkeye, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Alexis Rhodes, The Hernandez Sisters, Yost Magma, Rin Nohara, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Hibiki Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruko Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Girl Jordan, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily and we were there for another awesome and really fun

rescue.

Lola: So we're back in the Endsville sector again.

Me: I know. I hope Billy hasn't been up to any trouble since the last time we were here.

Nico: I have a feeling he learned his lesson.

Qin: I have that feeling too.

Lola: Good.

Camie: Boy that was really clever of Billy to do that yesterday though.

Qin: Billy may be an idiot but that was really clever.

Hawkeye: I'll say. I'm proud of Billy.

Me: I am too Clint.

Nico: Thanks for coming with me, Hawkeye.

Hawkeye: Anytime Nico. It's going to be really fun helping you out.

Me: How are the Other versions of Crocker and Burns doing at S.H.I.E.L.D. HQ?

Hawkeye: They are really amazing and really helping us big time.

Me: Wow.

Nico: Clint, were you shocked to see that zombie version of yourself?

Hawkeye: You bet I was! It was horrible seeing that.

Me: Boy that was awful!

Camie: What did you mean by that?

Me: Last Halloween we faced the Marvel Zombie Avengers and they were made that was because of a virus from another planet. It turned them into bloodcrazed flesh eating zombies. But they still retained their brains.

Hawkeye: They did. But that was what we all call a fate worse than death.

Laney: Yeah that was horrible.

Lola: It sure was. But that was a really epic and awesome Halloween.

Varie: It sure was.

Nico: Of course, J.D. didn't care that Zombie Spiderman bit him to die and be free of his suffering because he was too busy on Evil Sasuke.

Me: I know. But he wanted it like that. Zombie Spiderman wanted to bite me so he could be free. That was awful he was going through that.

Qin: It sure was.

Luz: That was really bad though.

Amity Blight: No kidding. Poor Avengers. They were in a lot of really bad pain from that.

Xenia: Boy they sure were.

Me: But in the end we freed them and made them protectors of the Ghost Zone. They did nothing to deserve all that. It was awful.

Willow Park: At least they are in the ghost zone now.

Nico: I think it's safe to say that we've underestimated Billy.

Me: Boy we sure have. He may be an idiot but he isn't as dumb as people lead him to believe.

Qin: Yeah no kidding there.

Lola: Yeah. That was a very clever ruse he did.

Me: That was awesome.

Qin: But it was really awesome.

Nico: And Tentacool helped him with the poison.

Varie: That was really genius of Tentacool.

Jen Tennyson: It sure was. And Jellyfish Pokemon poison is lethal stuff.

Nico: It sure is.

Eli: Boy no kidding there. But that was really smart of Billy. Guess we really underestimated him big time.

Jen Tennyson: We sure did.

Lola: No kidding.

Me: There's most to Endsville's resident idiot than meets the eye.

Nico: And she made it during the herring fiasco.

Jen Tennyson: Yeah that was awesome. Talk about perfect timing for me to meet you all too.

Qin: I agree too there too.

Xenia: Yeah you have awesome powers too.

Jen Tennyson: Yeah and you'll see many more of my abilities soon.

Nico: Looking forward to it all.

Xenia: Yeah we sure will.

Me: But yesterday's planet was really cool though. Sour but still awesome.

Aylene C.: Yeah that is true.

Nico: Billy said he has someone to meet us.

Me: I wonder who it is.

Billy: Hi guys!

We saw Billy.

Me: Hey Billy.

We saw that he had a black hair boy with green eyes and glasses and he had pale skin.

Me: Who is this with you?

Nergal Jr.: Um hello there. My name is Nergal Jr. And I'm the Son of Nergal.

Me: Oh it's a pleasure to meet you.

I went to shake his hand and then he had a tentacle come out and it touched my hand and then…

ZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

I got electrocuted badly from that tentacle.

Me: Ow. (Blubbers) Man what a shock!

Nergal Jr.: Sorry about that. I can't help it.

Me: No worries.

Billy: He's my cousin.

Nico: Oh pleasure to meet you Jr. Your father is Blake Belladonna's archenemy and he also makes really awesome pizza.

Nergal Jr.: Yeah my dad makes really awesome pizza. Glad you guys like it.

Me: We love his pizza. It's some of the best pizza we've ever tasted.

Nergal Jr.: It sure is. Check this out.

He changed into Mindy and she had his eyes and glasses and teeth.

Mindy/Nergal Jr.: Hello guys.

Me: Wow! You're a shapeshifter too. That is cool.

Qin: It sure is.

Mindy/Nergal Jr.: Yeah and watch.

He turned into Sperg, Irwin, Billy, Mandy, Ed, Edd, Eddy, Lazlo, Grim's Granny and more before reverting back.

Me: Wow! You are true master of disguise.

Nico: That is cool.

Nergal Jr.: Thanks.

Billy: But you guys don't have to worry. He's really a nice kid.

Me: Cool.

Nergal Jr.: And I'm planning to join the Masters of Evil like my father.

Me: Awesome. It'll be great having you with us when we do the usual battles.

Nergal Jr.: Yeah. And I have just the archenemy for myself.

Me: Looking forward to seeing who it is.

Billy: Anyway, make yourselves at home.

Me: Thanks.

Eli: Wait I sense trouble.

Me: And I think I see it.

We saw THE RUMP CITY BOOTYHEADS AND THE VENGEANCE

EXPRESS 6!

Me: The Rump City Bootyheads and the Vengeance Express 6!?

Nico: Oh great!

Bootyhead 1: You morons made a complete fool out of us for failing to kidnap Fluffy Cat!

Me: You brought all that on yourselves!

Dark Rolf: You have made an absolute mockery of Rolf!

Me: Figures you morons would come back for another round.

Nico: I hope you put up more of a fight this time!

Me: Because this time it's going to hurt!

Dark Kevin: I HATE YOU J.D.!

My aura flared up with incredible force!

Me: Thanks for the power boost Shovelface!

Dark Kevin then exploded with rage!

They went at us with a powerful roar of fury!

Nico: GET THEM!

We went at them!

Me: Taste this! (ACTIVATES DRAGONFLY UNDEAD'S RIDEWATCH)

(LARGER THAN LIFE BY BACKSTREET BOYS PLAYS)

Me: (SINGING DIVINELY AS STARS AND PLANETS AND SKULLS SWIRL AROUND ME)

I may run and hide

When you're screamin' my name, alright
But let me tell you now
There are prices to fame, alright
All of our time spent in flashes of light
All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down
You can make it right
And that makes you larger than life
Looking at the crowd
And I see your body sway, c'mon
Wishin' I could thank you in a different way, c'mon
'Cause all of your time spent keeps us alive
All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down
You can make it right
And that makes you larger than life
All of your time spent keeps us alive
All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down

You can make it right

And that makes you larger than life

Yeah, every time we're down

Yeah, you can make it right

Yeah, and that's what makes you larger than life

All you people can't you see, can't you see

How your love's affecting our reality

Every time we're down

You can make it right

And that makes you larger

That makes you larger

That makes you larger than life

I danced and punched and kicked and bashed the Bootyheads all over the place.

Qin punched and kicked the Bootyheads and the Vengeance Express 6 all over.

Qin: Taste this one! (ACTIVATES CAPTAIN COLD'S RIDEWATCH)

(AROUND THE WORLD BY ATC PLAYS)

Qin: (SINGING DIVINELY AS ICE AND FIRE SWIRLS AROUND HER)

The kisses of the sun

Were sweet I didn't blink

I let it in my eyes

Like an exotic dream
The radio playing songs
That I have never heard
I don't know what to say
Oh not another word
Just, la la la la la
It goes around the world
Just, la la la la la
It's all around the world
Just, la la la la la
And everybody's singing

And now the bells are ringing

Inside an empty room
My inspiration flows
Now wait to hear the tune
Around my head it goes
The magic melody
You want to sing with me
Just la la la la la
The music is the key

And now the night is gone
Still it goes on and on
So deep inside of me
I long to set it free
I don't know what to do
Just can't explain to you
I don't know what to say
Oh not another word
Just, la la la la la
It goes around the world
Just, la la la la la
It's all around the world
Just, la la la la la
And everybody's singing

And now the bells are ringing

The kisses of the sun
Around, around, around…

It goes around the world
Just, la la la la la

It's all around the world

Just, la la la la la

And everybody's singing

---

And now the bells are ringing

---

Around, around, around…

She danced and punched and pulverized numerous Bootyheads and the Vengeance Express 6 all over the place.

Qin: Take that!

Fluttershy: And take this! (ACTIVATES EVIL JUNGLE MAN'S RIDEWATCH)

(ROAR BY KATY PERRY PLAYS)

Fluttershy: (SINGING DIVINELY AS LEAVES, GRASS, FLOWERS AND SPIRITS OF ANIMALS SWIRL AROUND HER)

I used to bite my tongue and hold my breath

Scared to rock the boat and make a mess

So I sat quietly, agreed politely

I guess that I forgot I had a choice

I let you push me past the breaking point

I stood for nothing, so I fell for everything

You held me down, but I got up (hey)

Already brushing off the dust

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

You held me down, but I got up (hey)

Get ready 'cause I've had enough

I see it all, I see it now

I got the eye of the tiger, a fighter

Dancing through the fire

'Cause I am a champion, and you're gonna hear me roar

Louder, louder than a lion

'Cause I am a champion, and you're gonna hear me roar

---

You're gonna hear me roar

Now I'm floatin' like a butterfly

Stinging like a bee, I earned my stripes

I went from zero, to my own hero

You held me down, but I got up (hey)

Already brushing off the dust

You hear my voice, you hear that sound

Like thunder, gonna shake the ground

You held me down, but I got up (hey)

Get ready 'cause I've had enough

I see it all, I see it now

I got the eye of the tiger, a fighter
Dancing through the fire
'Cause I am a champion, and you're gonna hear me roar
Louder, louder than a lion
'Cause I am a champion, and you're gonna hear me roar

You're gonna hear me roar

Oh-oh-oh-oh-oh (you'll hear me roar)

You're gonna hear me roar
Roar, roar, roar, roar, roar
I got the eye of the tiger, a fighter
Dancing through the fire
'Cause I am a champion, and you're gonna hear me roar
Louder, louder than a lion
'Cause I am a champion, and you're gonna hear me roar

Oh-oh-oh-oh-oh (yeah)

You're gonna hear me roar

Oh-oh-oh-oh-oh (you'll hear me roar)

---

You're gonna hear me roar

A TIGER ROAR WAS HEARD! She smashed and pulverized the Bootyheads all over with incredible force and smashed the Vengeance Express 6 Kids with trees!

Lincoln: Nice one Flutters!

Qin: Yeah!

Nico: Is the next Another Omnitrix Alien near?!

Eli: (Fires Force Lightning Blasts and electrocutes all the Bootyheads!) I'll check.

Eli concentrated.

Eli: He is close! But I'm afraid it's someone that J.D. doesn't like!

Me: Uh oh. But lets wrap this up. (ACTIVATES GIANT FLUFFY CAT'S RIDEWATCH) (COUGHS AND GAGS)

I then hwarfed a massive and huge giant hairball and it covered all the Bootyheads and Vengeance Express 6 and immobilized them!

Me: BLECH! That was disgusting!

I brushed the hair off my tongue.

Me: YUCK!

Nico: That was disgusting.

Me: Nico remind me never to do that one again.

Nico: Noted. Now, let's see who it is.

Then something flew in front of me and then it threw a punch at me and I blocked it. I saw that it was a Black version of an Evolved Hive

Alien! It was ANOTHER ULTIMATE NANOMECH!

Me: Another Ultimate Nanomech!

Qin: Whoa this one is a tiny one.

They it grew to human size and it was looking at me with incredible hatred.

Another Ultimate Nanomech: (In a boys voice) You ruined my life J.D.!

Me: (GASP) Trevor Bushington! I didn't expect you to be another alien!

Another Ultimate Nanomech reverted back and he was a kid with black hair and had black punk clothes and black jewelry all over him and tattoos that said kill J.D. on them.

Trevor Bushington: I'm flattered you remember me J.D. Now I'm going to make sure you pay!

Me: You haven't changed one bit Trevor and I thought I was rid of you after I sent you to prison!

Nico: You know this jerk?

Me: His name is Trevor Bushington. You may have known him as The Miscreant of Denver. He was the worst bully of all in my school. He used to torment all the kids and teachers and make us all look like a bunch of fucking idiots!

Nico: Whoa! Sounds like this guy was bad news!

Me: He was!

Trevor Bushington: And they were fun.

Me: What you called Fun was actually years of agony for some!

Trevor Bushington: And it was fun.

Me: To you maybe but not me! Trevor was the worst asshole ever to walk the face of the Earth and terrorize all of Colorado. One time I was watching a recital done by one of my friends in 1st grade. I saw Trevor sneak in and he put a cherry bomb in his pants and it exploded and burned his legs so bad that they had to amputate his legs! Permanently crippling him. I've seen him do all kinds of horrible pranks! And they were so bad and almost fatal that he landed MANY kids in the hospital! He blamed the pranks all on teachers and got them falsely fired and sent to prison for crimes they didn't commit. He did it all! Assault and battery, arson, bullying, the works! But one time in 6th grade I caught him in the act and video recorded the whole thing with my phone and even recorded him ranting about it proudly I might add. I got him expelled and sent to prison.

Nico: Whoa man!

Eli: This guy is a fucking animal!

Me: That's right! He was disowned from his family and sent to prison forever where he would be the states problem.

Albedo turned into Negative Ultimate Nanomech.

Negative Ultimate Nanomech: It doesn't take a genius to guess what Swartz promised you!

Trevor Bushington: That's right! Revenge on J.D. He ruined my life!

Me: Like I said, you brought all that on yourself!

Nico: Yeah you motherfucking asshole!

Qin: You make me sick!

Then Trevor turned back into Another Ultimate Nanomech!

Kaito: (laughs and gets out Abaranger gear) You're so tiny in that form!

Zocks: (smirks and gets out Dekaranger gear) What are you gonna do? Tickle us to death?

Another Ultimate Nanomech: Oh I'm going to do more than tickle

you!

Kaito got the Tyranno staff and Zocks got an SPD Blaster.

Me: I've had enough of you to last a fucking eternity Trevor!

I went at him and grabbed him in my hand.

Me: You know when you're this size I can just crush you with my bare hands. In fact…

I crushed him with my hands and he screamed in excruciating pain!

IT WAS VERY SIMILAR TO HOW MASTER GOKU GOT CRUSHED BY VEGETA AS A GIANT APE!

Nico: Whoa! That is very similar to how Vegeta was crushing Kakarot!

Eli: Nice!

Sougo: (gets out Beast Morphers Ridewatch: Time to activate Beast Power!

Geiz: (gets out Garren Ridewatch) And to honor Blade some more!

Armor Time! (Garren Buckle standby noise) Garren! (Garren Buckle post-transformation sound)

Sougo got RedBeastMorpherArmor while Geiz got GarrenArmor.

Me: Nice! Let him have it guys!

I stood still and Nico punched Another Ultimate Nanomech all over the place with incredible force.

Me: Yeah! Time to give this guy an electrocution like no other. (ACTIVATES ELECTRO'S RIDEWATCH)

(NEVERENDING STORY BY LIMAHL PLAYS)

Me: (SINGING DIVINELY AS LIGHTNING SWIRLS AROUND ME)

Turn around

Look at what you see

In her face

The mirror of your dreams

Make believe I'm everywhere

Given in the light

Written on the pages

Is the answer to a neverending story

Will unfold behind the clouds

And there upon a rainbow

I stood still and lightning struck Another Ultimate Nanomech all over the place and zapped him with incredible force and he screamed in pain!

Vinyl Scratch: Time for the Rave. (ACTIVATES METAL SONIC'S RIDEWATCH)

(SANDSTORM BY DARUDE PLAYS)

She danced and fired waves of lasers and energy and blasted Another Ultimate Nanomech all over.

Nico: (sarcastically) If only I had a Ridewatch with a small member. (smirks and gets out Minitron's Ridewatch) Oh wait. I DO have one! Silly me!

Nico activated it and shrunk down to Another Ultimate Nanomech's size and I opened my hands and Nico flew and kicked and pulverized him all over the place with brutal fury! POW! BLAM! SMASH! WHAM!

Nico was really going at him!

Qin: Go Nico!

Xenia: YEAH! Tear him apart!

Nico was punching and smashing and pulverizing him all over!

Camie: YEAH!

Nico was really punching and pulverizing him!

Qin: WOOHOO! YEAH!

Hawkeye: My turn!

Hawkeye activated his Ridewatch for Abra Kadabra and he fired magic blasts and smashed Another Ultimate Nanomech all over.

Qin: Nice one Clint!

Nergal Jr.: Mind if I have a shot?

Me: Go for it.

Nergal Jr. Formed a tentacle and it wrapped around Another Ultimate Nanomech and then…

ZZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

He was REALLY ELECTROCUTED!

Maria: I hope the next Gene Slammer is near!

?: Look no further!

Then an EMPEROR SEM appeared!

Me: Whoa! Emperor Sem!

Nico: Wow!

Emperor Sem: (In a Girls Voice) Looks like this is a tiny one.

Nico: Zinnia Semyon! Wow!

She reverted back and Zinnia was a girl with magenta hair and red eyes and she had black clothes on.

Zinnia Semyon: I got this.

She fired waves of dark energy and blasted Another Ultimate Nanomech and he reverted back to normal size and I caught the ridewatch and purified it and got the dark orb out of it and threw it into the Warp. Then we tied up Trevor and the Bootyheads and Vengeance Express 6.

Me: Trevor you should consider yourself lucky that I'm being merciful to you. But consider this the first and last time. Next time I will kill you.

I teleported the Bootyheads and Trevor to prison and beamed the Vengeance Express 6 to the M.O.E. HQ.

Jen Tennyson: Boy that was a small one!

Qin: No kidding there! That was one of the tiniest I've seen.

Lola: Yeah.

Zinnia Semyon: But that was still fun.

Hawkeye: What's your favorite memory of Nico?

Zinnia Semyon: I specialize in history with Nico. Me and Nico did lots of history projects of the darkest times in the world. Our favorite was the Reign of The Blood Countess, Elizabeth Bathory.

Lincoln: Wow! That is cool! We went to her castle last month for a horror battle filled adventure set.

Qin: We sure did.

Zinnia Semyon: That is awesome! Yeah we got A+'s on that one.

Qin: I remember seeing that. That was cool.

Me: It sure is.

Nico and Zinnia hugged.

Nico: I've really missed you.

Zinnia Semyon: Me too Nico. Me too.

Me: Boy this was awesome though and Jr. you will make a great addition to the Masters of Evil.

Nergal Jr.: Thanks J.D.

Nico: Your dad's gonna be so happy.

Nergal Jr.: He sure will.

Billy: Awesome cousin!

Me: Yep.

Nico: Lets go home.

We went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, and Green Arrow are heading to Southeastern Ohio, and not only is Lincoln going to rescue the six girls here, but we're also going to destroy a dangerous and cannibalistic mental asylum patient named Mad-Man who escaped during the year 1890 in England.

Lincoln: Wow, we're here in Southeastern Ohio, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to destroy a dangerous and cannibalistic mental asylum patient named Mad-Man who escaped during the year 1890 in England.

Sherlock Hound: (British Accent) Yes, and if there's anything that's more dangerous, it's a mental asylum patient who's also a dangerous cannibal. But, isn't that unusual to you, Lincoln?

Lincoln: It is.

Nico: The same to all of us, Sherlock Hound.

Sherlock Hound: (British Accent) Now, what would a very dangerous and cannibalistic mental asylum patient from Victorian England be doing here in rural Southeastern Ohio, other than searching for his next victims, and how he got here to Southeastern Ohio, I think we know the obvious reason.

Selene Emperyous: The Chernabog Sisters, I should've known those stupid chaos-causing demons were behind this.

Lincoln: That's right, and it was Lillith Chernabog who was behind this. I also looked at his info and he really is that dangerous, not to mention he's really fast and really strong, so we got a challenge for us, and thanks for joining us, Ollie.

Green Arrow: You're welcome, Lincoln, and I can't believe that this madman is here in Southeastern Ohio, and this is also the place where a certain madman lurked here long ago.

Me: Thomas Dillon, Ohio's serial shooter and madman. Starting in the spring of 1989, Thomas Dillon went on a shooting rampage and claimed five innocent lives for his own amusement until Dillon was finally captured in the spring of 1992.

Nico: And among one of his victims was Jamie Paxton, and that led to Jamie Paxton's mother, Jean Paxton, to get involved in stopping Thomas Dillon's rampage. Eventually, Thomas Dillon was finally convicted and found guilty of the murders and he was sentenced to five consecutive life sentences and Jean Paxton, with a petition drive, had Thomas Dillon sent to Lucasville Prison, the toughest prison in Ohio.

Lincoln: Plus, after an attempt by Dillon's wife to sell Dillon's story to Hollywood, Jean Paxton and Ohio Senator Bob Ney passed the Paxton Bill, which barred killers or their relatives from profiting from their crimes, that sent a strong message to Thomas Dillon's family and she wasn't going to let them profit from the deaths of the victims.

Eli: Thomas Dillon made the big mistake in crossing a really dedicated and loving mother, and now, he paid the price.

Lincoln: But, Thomas Dillon would eventually pay even more for his crimes, he died on October 21st, 2011 of an unspecified illness, he's now nothing more than a forgotten memory to the world, but he's left his mark on Southeastern Ohio's rural community.

Me: What a sicko.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of six girls screaming for help, along with the sound of mad and deranged laughter. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the six girls, but they've been cornered by Mad-Man, and he's going to kill them and eat them, and Lincoln saw he had the

Qliphoth Tree of Death on his forehead.

Lincoln: (Gasps) Let's get over there at once, guys, I found the six girls, but they've been cornered by Mad-Man, and he's going to kill them and eat them, and I saw he had the Qliphoth Tree of Death on his forehead.

Vorya Emperyous: I was right that Lillith Chernabog was the one behind this alright.

?: (Girl's Voice) (Polish Accent) That cannibalistic lunatic, let's get him, and that insane and chaotic she-demon will get hers later on today.

Suddenly, we saw the Duel Monster, Thunder End Dragon, appear before us.

Nico: Whoa, that's Thunder End Dragon.

Lincoln: And I'd recognize that voice from anywhere, I knew it was you, Dolores Smokcienia, but we'll talk later, let's get that cannibal.

We rushed over, and before Mad-Man could kill the six girls, Lincoln fired powerful rainbow energy balls and elemental forces at Mad-Man, and that allowed the two girls to get to safety in a rainbow energy field created by Lincoln to protect them from Mad-Man, and when he saw us, he was laughing like a lunatic.

Lincoln: Yikes, this guy is completely crazy, but he's still going down, let's get him.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai

Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, Green Arrow, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Mad-Man, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln got behind Mad-Man and put him into a brutal bear hug so he couldn't escape, and as he sank his fangs into Mad-Man's neck, he began sucking out his blood and he also began absorbing Mad-Man into his body and Lincoln was assimilating Mad-Man's brute superhuman strength, reflexes, and durability. Then, as soon as Lincoln was done absorbing Mad-Man into his body, an energy card with Mad-Man's soul imprisoned inside appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Mad-Man's forehead, he was sent to The Black Gates. We cheered wildly as we holster our weapons and power down.

Lincoln: Your days of eating innocent people are over. (To Dolores Smokcienia) And it's so good to see you again, Dolores Smokcienia.

Dolores Smokcienia reverted back to normal, and she was a beautiful girl with short purple hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess and a large bust, she has massive and beautiful purple angel wings and she reigned in the power of Thunder End Dragon, and she's dressed in a sleeveless closed purple blouse, sleeveless purple top, purple skirt, purple pants, purple legwarmers, purple sneakers, and long white sleeveless trenchcoat with lightning bolts and dragons on the coattails and Thunder End Dragon on the back and holstered on her back is a Thunder End Dragon-themed large greatsword with Thunder End Dragon etched on the 7'0" massive, wide, double-edged black blade, large purple dragon heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large purple dragon heads and a large blue gem on the bottom of the large dragon heads for the pommel.

Dolores Smokcienia: (Polish Accent) You too, Lincoln, it's been approximately six and a half years since we met and when I was Gene-Slammed into Thunder End Dragon.

Lincoln went up to Dolores Smokcienia and he hugged her, and Dolores Smokcienia is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then, but there's indeed no mistaking that intelligence and brainpower from anywhere.

Dolores Smokcienia: (Polish Accent) That's true, but whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new, but you're still the same smart and kind person from long ago.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Dolores Smokcienia, she's my Guardian Angel from Poland and my classmate in Math, and she's also one of the smartest Gene-Slammers. She even tutored me in some of the hardest Math problems which in turn helped me get an A.

Me: Whoa, that's awesome.

Lincoln: Her expertise really helped me greatly in Math, and she's also a Goth and uses both magic and science. Plus, we would often played chess together, and we also love to swim, in fact, while swimming underwater, I kissed Dolores on the lips while underwater.

Nico: That explains your love for chess and how you're an expert at that.

Dolores Smokcienia: (Polish Accent) He not only does this for fun, but it also builds up his intelligence and brainpower, and I'm also the cousin of one of Lincoln's future wives, Nanami Simpson, and it's so good to see you again, Nanami.

Nanami Simpson: You too, Dolores.

Dolores Smokcienia: (Polish Accent) And I absolutely hated Lisa with a burning passion because of an incident from long ago, which I'll tell you about later. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Dolores, are you absolutely sure?

Dolores Smokcienia: (Polish Accent) (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you, and that also included Nanami.

Lincoln looked into the eyes of Dolores Smokcienia, and like her sisters, he saw that she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Dolores Smokcienia's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Dolores Smokcienia: (Polish Accent) (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means, just like your cousin, you're now part of my harem and my many future wives, Dolores.

Dolores Smokcienia had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Dolores Smokcienia's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Mayuka Kondou, Nao Takanashi, Iroha Tsuchiura, Haruka Katou, Hirono Kusuhara, and Nanaka Takanashi from Because I Don't Like My Big Brother at All!

Lincoln: Oh wow, it's Mayuka Kondou, Nao Takanashi, Iroha Tsuchiura, Haruka Katou, Hirono Kusuhara, and Nanaka Takanashi from Because I Don't Like My Big Brother at All!

Nicole: Awesome.

Lincoln: Are you girls okay?

Mayuka Kondou: Yes, we're okay, thanks to you.

Then, when Mayuka Kondou and the other five girls saw who it was that saved them from Mad-Man, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him.

Mayuka Kondou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Mayuka Kondou: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mayuka Kondou, Nao Takanashi, Iroha Tsuchiura, Haruka Katou, Hirono Kusuhara, and Nanaka Takanashi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and the team was shocked when they found out the villain we went after was an escaped dangerous mental asylum patient and cannibal from 1890s England named Mad-Man, and even worse, Lillith Chernabog sent him here.

But, when Lincoln showed what he did in bear-hugging that maniac and biting him on the neck and sucking out his blood and absorbing him into his body and sending his soul to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Dolores Smokcienia have a lot of catching up to do now that they're back in town.

Maria: Oh man, I can't believe a dangerous and cannibalistic mental asylum patient from Victorian England was there in Southeastern Ohio, once the hunting grounds of madman and serial sniper, Thomas Dillon.

Lincoln: And it was due to Lillith Chernabog, well, she's going to regret this later on today when we get through with her.

Vorya Emperyous: She and her evil sisters have tangled with the wrong angels for the last time.

Nico: They sure have, and I was still shocked when King Kai told us that the person responsible for bringing Chong back was Adrastea Chernabog. Now, we know they're getting really desperate big time.

Lincoln: They know death is coming for them, so we'll just keep pissing them off big time by ruining their fun and picking them off.

Me: And you and the Emperyous Sisters have been doing really awesome at picking them off one at a time and ruining their fun.

---

After destroying Mad-Man and pissing Lillith Chernabog off, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Dolores Smokcienia saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Dolores Smokcienia: (Polish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Dolores, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Dolores Smokcienia: (Polish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well, because I've seen you reading tons of books I've gotten you.

Nico: You got that right. So, Dolores, what's the story on why you absolutely hated Lisa with a burning passion?

Dolores Smokcienia: (Polish Accent) That's a story I would never forget. One day, Lincoln and I were in his room doing our Math homework for Math class, but as we were doing our math homework, we saw a smoke bomb about to drop, so we evacuated. I knew there was only one person who would do this: it was Lisa, we overheard her plan of how she wanted to knock us out with her smoke bomb and then drag us to her lab, so she can kill Lincoln by dissecting him alive and remove all his organs, and then, she was going to kill me by opening my skull and removing my brain. But, what that fool didn't know was that I had my phone recording everything, and when Lisa opened her door to check, she'd seen we weren't there, but when we reappeared right behind Lisa, she was absolutely furious and she ordered Todd and her robots to capture us. But, Lincoln fired red lightning at them and he sucked out all their energy and it made him even more powerful than ever, and then, I came in and judo-kicked her into a wall and knocked her out. Then, Lincoln tied her up and dragged her downstairs, and when I played the recording, everyone in the Loud House was furious at Lisa, even Luna and Lynn got out a guitar and baseball bat and were about to hit Lisa on her head, but Lincoln held them back. So, as punishment for her scheme, Lisa was grounded for nineteen weeks, and to make my point even more efficient, I asked some friends who are cops to take Lisa to the Lansing Maximum Security Nuthouse and they showed her that if she did this ever again, this was going to be her fate: disowned forever and put in the federal nuthouse forever.

We cheered wildly.

Nico: Wow, that was some awesome brainpower you displayed, Dolores.

Lincoln: Yeah, and this wasn't just Dolores' brainpower that saved us from Lisa, but Lisa's done that kind of thing before to me, but I was ready for her, and like I said, if Lisa did this again, she wasn't getting any mercy. No matter how smart she is, if she acted like the cold-hearted emotionless demon again, I was going to make her pay.

Me: Yeah, Lincoln had warned her many times, but she didn't listen, she was driven by revenge and a thirst for blood.

Dolores Smokcienia: (Polish Accent) She deserved whatever kind of punishment her parents give her, along with the many times that I and the other Guardian Angels had to pummel her senselessly until she was defeated.

We got a shower afterwards, and then, Lincoln, Marley (Pokemon), and Misty Brightdawn are heading to to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Marley (Pokemon) and Misty Brightdawn were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we also found out Marley(Pokemon) and Misty Brightdawn had feelings for Lincoln, and Lincoln also saved them from a group of bounty hunters Trina Riffins hired to kidnap and kill them, because she still wanted revenge on us for what we did in humiliating her and she still wanted blood. After Lincoln rescued them and the girls told us Trina Riffins hired the thugs to kidnap and kill them to get revenge on us, Lincoln dropped another piano on that angry, bad-tempered, rage-crazy bitch, and Lincoln also swore if Trina dared to open her big fat mouth and told Queen Opaline about Misty's whereabouts, he was personally going to send her straight to The Malevolent Insanity Realm for eternity.

Misty Brightdawn: Wow, so this is Sirena Beach, it's amazing, but what if Opaline finds out where I am?

Lincoln: Don't worry, Misty, I put up a fake you to tend to Opaline and she's still spying on her, and in less than four days, Opaline will be destroyed, and I also swore that if Trina dared to open her big fat mouth and told her of your whereabouts, I was personally going to send her butt straight to The Malevolent Insanity Realm for eternity. Shall we?

Lincoln, Marley (Pokemon), and Misty Brightdawn dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they met the animals that live there, and they went back to the beach and they had a game of volleyball and Marley (Pokemon) and Misty Brightdawn got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Marley (Pokemon) and Misty Brightdawn and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Sirena Beach.

Misty Brightdawn: (Seductively and rubs her hands on Lincoln's massive pecs) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and we knew the girls also allowed Lincoln to bite them and feed on their blood, like with the other girls in his harem.

Misty Brightdawn: And this was due to us harboring feelings for Lincoln, and they all came into light when he saved us from those bounty hunters Trina Riffins hired to kidnap and kill us, because she still wanted revenge on us for humiliating her and to slake her thirst for blood.

Eli: That rage-crazy, angry, bad-tempered bitch, and I also still remembered that Lincoln dropped another piano on her head and when she came out, she had piano keys in her mouth. Trina's just going to make things worse for herself.

Lincoln: You got that right, Eli, and I also swore that if Trina dared to open her big fat mouth and told anyone of Misty's whereabouts, I was personally going to send her to The Malevolent Insanity Realm for eternity.

Me: Yikes!

Nico: And he's serious, if any of those jerks dare to open their big fat mouths about Misty's location, he was going to send them personally to The Malevolent Insanity Realm for eternity.

Misty headed back to Opaline's castle and as soon as she did, her double disappeared and without Opaline ever finding out, which was good and the info was sent to us on Opaline, which was awesome as the war was coming fast.

---

Later Poromon came and he had something to show us.

Poromon: Hey guys I have something to show you.

Bertie: Poromon, I swear, if you made something bad, I'm gonna strangle you.

Poromon: No no it's not bad. I present to you MINI-POROMON!

He showed a ventriloquist dummy version of himself.

Mini-Poromon: Hello guys! It's me! Mini-Poromon!

Luan: Hey wow! Looks like Mr. Coconuts and our wooden friends have a mascot friend!

Mr. Coconuts: Man Poromon made a really awesome friend.

Eddo: He sure did.

Naomi Wadjat: How did you make that?

Kankuro: I helped him out with it. I gave him some of the materials to make with it.

Me: That's cool! So this is the secret project you were working on?

Poromon: Yep.

Squidward: This is really cool. (Gets out a Little Squidward dummy) Looks like Little Squidward has a friend.

Lincoln: Yeah.

Squidward: Cool.

SpongeBob: (LAUGHS) This is gonna be cool.

Poromon: It sure is.

Mini-Poromon: This is gonna be so awesome helping you all out.

Nico: Poromon, that thing's fucking creepy. Get rid of it.

Exhaust: Boss, ever consider that not all ventriloquist dummies are gonna be like Prime Slappy and Chucky?

Me: Yeah Nico besides he made that dummy himself. Not by magic but by hand. Or wing in this case.

Qin: Besides it's really cute.

Nico: Yeah you're right. It may be creepy but it is cute.

Poromon: Yeah Nico lighten up. He doesn't want to hurt anyone.

Mini-Poromon: No I don't. I'm a good Puppet Mascot.

Squidward: Say Little Squidward, what's grey and ugly and has six arms.

Little Squidward: I don't know but have you looked in the mirror lately?

Squidward: What why you.

We laughed at that one.

Me: That was funny!

Mini-Poromon: That was a good one Squidward.

Later I was watching Kamen Rider Blade to help me understand the full extent of the show as well as figure out more about it. I saw that the Blade Team went through an absolute nightmare that was completely bittersweet. And it was all because of one man or Undead Rather and it was HIROSHI TENNOJI!

---

Hiroshi Tennoji (天王路 博史 Ten'nōji Hiroshi) is the main antagonist of Kamen Rider Blade. He is a rogue chairman of BOARD who intentionally released the Undead and set up the fake Battle Fight for his own ends. His ultimate goal is the creation of the Category Ace Undead Kerberos, so that he could fuse with it and win the Battle Fight himself in order to have his "dream" come true; this warped dream being the creation of a new world order with himself as its ruler.

He is portrayed by Kohji Moritsugu, who is best known for his role as

Ultraseven/Dan Moroboshi in the Tokusatsu series Ultra Seven.

Initially believed to be a heroic figure by his subordinates, it is revealed that Hiroshi Tennoji serves as the real mastermind behind all of the tragedies in the entire Kamen Rider Blade series. He is one of the few people who knows about everything connected to Undead. Unbeknownst to his employees, Tennoji harbored ambitions of setting up a new world order dominated by his image, and to this end sought to start up a new Battle Fight in modern times.

As the head of BOARD, Tennoji set up a rigged Battle Fight by releasing the Undead and manipulating his contracted Kamen Riders to take them out. As the battle progressed, he invented the Trials and the Titan Undead, all so he could buy himself time to create Kerberos, an artificial Undead with DNA from all 53 Undead that could surpass the Black Joker itself.

At the climax of the story, Tennoji's true nature is revealed, but the Riders are unable to stop him from creating a card which possesses the DNA of all 53 Undead which he used to create the artificial Category Ace, Kerberos. Tennoji's invention promptly kills his BOARD staff upon being born from the Stone of Sealing before going on a rampage. Kerberos is eventually defeated and sealed by the four Rouze Riders, only for Tennoji to then appear and claim the Change Card of the artificial Undead. He uses the card to transform into Kerberos II so he can eliminate the remaining Undead and claim victory in the Battle Fight, which would lead to the world being remade by the Stone of Sealing with him as ruler.

In a lengthy battle, it took all four Riders to fight Kerberos II, with Blade King Form's Royal Straight Flush and Wild Chalice's Wild Cyclone to defeat Kerberos II and reverse the fusion. Now in a maddened state, Tennoji demands the Riders seal the Giraffa Undead so he can win the Battle Fight and finally achieve his dream of ruling the world. However, the Giraffa Undead instead finished off the defeated Tennoji before taking the Change Keroberos for himself in the fight's aftermath for his own agenda.

---

I was shocked and horrified that he would do all this to the Blade team!

Me: (GROWLS IN RAGE!)

Nico: Uh oh.

Me: Pardon me guys. I got to blow off some steam.

I went to the training grounds.

I arrived and then flared up my power to the Nth Degree and I SCREAMED IN A MASSIVE AND INCREDIBLY POWERFUL EXPLOSION OF RAGE AND FURY AS MY POWER WAS FELT ALL OVER THE INCREDIBLY MASSIVE AND DISTANT VOIDS OF THE ENTIRE UNIVERSE!

Me: (YELLING AT THE TOP OF MY LUNGS!) HIROSHI TENNOJI WHEN WE FACE YOU ON FEBRUARY 12TH YOU BETTER BE READY FOR ME BECAUSE I AM COMING FOR YOU AND I WILL MAKE SURE YOU PAY DEARLY FOR EVERYTHING YOU DID! I WILL HAVE MY ULTIMATE REVENGE ON YOU!

I vowed that I was going to make sure that Hiroshi suffered 100,000,000,000,000,000 deaths for everything he did!

Nico: HOLY MACKEREL! J.D. really is going to kill Hiroshi when we face him on Evelyn's Big Day!

Eli: Whoa man! J.D. is really pissed!

Xenia: Big time!

Qin: And quite frankly I don't blame J.D. Hiroshi caused so many painful things to happen to the Blade team.

Nico: Especially after how they helped us during the 20 Days of Darkness!

Lynn: Yeah! We met Kazuma in Agrabah. So we owe him huge.

Nico: We sure do.

I came back.

Me: Sorry about that.

Nico: Believe me J.D. I hate Hiroshi as much as you do and your reason for wanting revenge on him is completely justified. What he did is completely and utterly unforgivable.

Camie: Yeah no kidding there. What a murderous son of a fucking bitch!

Qin: Yeah no kidding! Killing people all for sheer entertainment! He has no honor and no soul!

Laney: He is a completely honorless and soulless slimeball!

Me: I know. He is as bad as Pigma Dengar.

Nicole: No kidding there.

Lola: So many people died all because of him.

Me: And it was all bittersweet at the end too. Kazama gave up everything. His friends, family, job, and his humanity. And it was all because of Hiroshi!

Qin: Yeah no kidding.

Nico put his hand on my shoulder.

Nico: What he went through was absolute hell.

Lola: Yeah.

Nico: But J.D. I promise we will help them out.

Starlight Glimmer: It'll be like how I helped Optimus and friends in the Live Action Universe.

Nico: Yeah. Except this time it won't be dealing with Megatron or a terrorist organization. It'll be trying to lift their spirits up to make them better.

Then Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Firepower, Eccentro, Absorbing Man, Yost Living Laser, Pericles, Ozzie Ostrich, Mummy of Anhk-Ha, Buff Frog, Knight Knight, Camie Chameleon, Evil Pharaoh Man, Snow Ghost, and Lego Poison Ivy appeared.

Robo Blaze: We felt a massive blast of power. Are you guys okay?

Nico: Yeah we're fine.

Me: I found out about Kamen Rider Blade and what it is going to be like.

Drakkon: Oh boy. Hiroshi is a monster.

Me: He is definitely getting the black gates for everything he did.

Qin: He sure is.

Robo Blaze: Anyway Can me, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Firepower, Eccentro, and Absorbing Man go with you guys?

Yost Living Laser: Me, Pericles, Ozzie Ostrich, Mummy of Anhk-Ha, Buff Frog, Knight Knight, Camie Chameleon, Evil Pharaoh Man, Snow Ghost, and Lego Poison Ivy will come too.

Nico: Yes you guys all can come with. We're heading to the next planet for Thanksgiving.

Varie: I hope it's a good one.

Sailor Moon: Me too.

Tempest Shadow: Oh, I almost forgot, Nico! Which teams have you made?

Nico: (smiles) Oh, I think May's gonna love this one. Tea's team will include Lindsey, Owen, Bridgette, Noah, and Izzy. Sydney's team will include Michelangelo 2003, Dawn, Manaphy, Zoey, and Ella.

May: Awesome!

Eli: Yeah it sure is!

Ryo: This will be interesting.

Xenia: Yeah!

Owen: Oh yeah baby!

Bridgette: We're going to have some fun!

Qin: Yeah you are!

Manaphy: Yeah! Mama this will be cool!

May: It sure will be awesome Manaphy!

Blackfire: Which Gene Slammer do you think you'll meet next?

Nico: I'm hoping it will be one for Gaap the Divine Soldier next.

Qin: Awesome. That one will be interesting.

Me: Yeah.

Lola: Yeah it sure will.

But then King Kai called.

King Kai: (Telepathically) Nico, can you hear me?

Nico: Yeah, King Kai, what's up?

King Kai: (Telepathically) I've got some really bad news: The Cappicola Gang's come back from the dead and he wants revenge on you guys for ruining their crimes, and even worse, they were brought back by Adrastea Chernabog.

We gasped.

Mordecai: What?! Ugh, Not them again!

Camie: Who are the Cappicola Gang?

Me: 3 Gangsters that we destroyed long ago.

I went over their history.

---

The Capicola Gang are the main antagonists in the Regular Show episodes "Fuzzy Dice" and "Steak Me Amadeus". They are a group of living animatronic anthropomorphic animal characters who once stole a stash of uncut diamonds from Big City Jewelers and were the band that played at the Fun Fun Zone until the revelation of their true colors.

The leader was voiced by the late John Cygan, Louie was voiced by Mark Hamill, and Lady Duck was voiced by Dawn Lewis.

Origins

Ten years ago, the Capicola Gang stole a stash of diamonds from Big City Jewelers. They kept the diamonds inside a pair of fuzzy dice. However, as the police was going to come after them, the gang decided to went down to the Fun Fun Zone, where they started to work as a musical band, while the fuzzy dice were stored in the prize walls.

Regular Show

In the episode "Fuzzy Dice", the Capicola Gang first appeared singing while Mordecai, Rigby and their friends played many games to win a million tickets in order to buy the fuzzy dice for their friend and employer Pops Maellard. They refused to give Pops' friends the fuzzy dice for his birthday. As a result they put the gang (excluding Pops) on a wild goose chase by a car chase. After the animatronics car explodes, they attempt to run, but they are stopped by the park employees. Benson asked them why do they want with the fuzzy dice. Louie of the gang explains that 10 years ago they stole millions worth of uncut diamonds, and stuffed them in the dice. Rigby asks if they can have the dice without the diamonds, but, the Animatronics agree that they know too much, and prepare to eliminate them and take the dice. They were later defeated by FBI agents.

They reappeared in "Steak Me Amadeus", albeit crudely stitched back together. The leader gave Pops a bunch of counterfeit bills that would be redeemable at a fancy restaurant. Mordecai was briefly accused of this, but was given a chance to investigate while going on a date with Margaret. After the jig was up, the Capicola gang attacked the agents and everyone else with guns. After Margaret became sad (due to Mordecai asking her to be his girlfriend, but she was accepted into her dream college and declined) and ran off, the chef destroyed the gang with a bazooka.

The leader made a cameo in "Can You Ear Me Now?" as an incriminating witness where he testified in court against Mordecai and Rigby.

* * *

When I was finished everyone that hadn't heard about it was shocked!

Camie: Oh man!

Vorya Emperyous: And even worse, it was at the hands of Adrastea Chernabog, the leader of The Chernabog Sisters. When Selene and Lincoln get after her, she's going to pay for what she did in bringing The Cappicola Gang back with her own blood.

Sailor Mercury: (Growls) Along with those monster robots, The Cappicola Gang, they're going to pay for this!

We felt something within Sailor Mercury growing, and we knew what it was.

Nico: Oh, no way, Sailor Mercury's going to transform, this should be good.

Me: Yeah, you got that right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than the third eldest sibling of the

Chernabog Sisters, Lillith Chernabog, and she's major-leagued pissed off that we destroyed Mad-Man and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to third eldest sibling of the Chernabog Sisters, Lillith Chernabog, and she's major-leagued pissed off that we destroyed Mad-Man and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing the rest of her sisters with her.

Me: Sheesh, but this is expected.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Vorya Emperyous: Yeah, and I should've known Lillith would get the rest of her sisters involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog and Drusilla Chernabog show up, along with Lillith Chernabog, Selene.

Selene Emperyous: We're already on that, Linky.

Nico: And they'll also not only be deterred and restrained again, but they'll also get to watch as Vorya and Lincoln destroy another one of their sisters. Alright, gang, let's go, we're heading to another awesome Thanksgiving food planet, and we got word that The Cappicola Gang's back for revenge, and they're waiting for us there.

Lincoln: Those monsters aren't going to get away for everything they've done, and once we get through with getting rid of The Cappicola Gang, you're next, Lillith Chernabog, and you're going to get a nasty scar on your face for bringing The Cappicola Gang back, Adrastea Chernabog.

Nico: Lets get moving.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7073.8: The U.S.S. Valorous Phoenix is en route to the next planet of the Thanksgiving system and we got word that our enemies in the Cappicola Gang are back. Our mission is to find out what this planet is like and then destroy the Cappicola Gang and banish them to the Warp forever.

Me: This is gonna be interesting.

Whiger: Honestly, J.D., I don't blame you for being pissed about Hiroshi. But that's not even the main problem.

Pericles: (German Accent) Said main problem is actually finding where Kazuma is. Because I doubt he's with his own team right now if he's trying to make sure the Battle Fight doesn't kill the world.

Me: I know Professor. But what happened to him was just absolutely horrible. But finding him is like gonna be like looking for a needle in a haystack.

Nico: I know. He could be anywhere on Earth. Or anywhere in the universe.

Laney: We can always try and find him with the satellites.

Lola: Yeah we could do that.

Protoboy: I think this might be similar to us finding Zayto.

Nico: If that's the case then it's not going to be easy.

Qin: What happened to Kazuma is awful.

Eli: Yeah. He is either somewhere else on Earth or is on another planet far away.

Xenia: Yeah.

Me: It was because of Hiroshi. He turned Kazama into an Undead and that is something I can NEVER forgive.

Eli: I know. What he went through was terrible.

Me: The minute I see Hiroshi on February 12th, I'm going to blast his fucking ass straight into oblivion at the first sight.

Nico: I feel the same way J.D. But like it or not we all got to work together and take him down.

Me: I know. Kazuma, after how you helped us during the 20 Days of Darkness, you did nothing to deserve this.

Qin: Being turned into an Undead like that is what I call a fate worse than death.

Me: I know. Man. It's like the Live Action Transformers Universe world all over again.

Starlight Glimmer: I know.

Me: But he is out there somewhere. We still owe him big time for helping us out during the 20 Days of Darkness in 2021.

Mummy of Anhk-Ha: How did he even find us in Agrabah?

Tsukasa Kadoya: Well, you have to remember that since the end of his adventures, he's been traveling the world on foot.

Griffin: He probably walked to Agrabah by the time of the 20 Days of Darkness.

Me: Hmm. Dimensional Vortex?

Tsukasa: It's possible.

Camie: What year did Kamen Rider Blade come out?

Me: 2004.

Camie: Wow. 18 years ago.

Lola: Yeah.

Nico: Yeah no kidding. But he is out there and we will find him.

Me: He might be on one of the Thanksgiving Planets.

Eli: It's a big possibility.

Manaphy: (to Mini Poromon) The main Poromon is the one I love, not you!

Burner Man: Looks like Nico's not the only one on a rough start with Poromon's puppet.

Mini-Poromon: I know Manaphy. And I will never steal him away from.

Manaphy: Good.

Jen Tennyson: (LAUGHS) That is so cute.

Luan: I think it's a perfect way for the mascots to help our dummy friends.

Mr. Coconuts: I agree there completely too.

Lisa Loud: We have arrived at our destination.

Beetle: We're approaching the planet right now.

Buff Frog: I wonder what it is this time.

Nico: On screen.

We saw that it was an orange planet and it looked like a desert world.

Nico: Wow it looks like a desert planet.

We engaged the landing and we got out and we saw that the planet was A WORLD MADE OF MASHED, RAW AND COOKED SWEET POTATOES!

Me: Whoa! A Sweet Potato planet!

Qin: Awesome!

Azula: Does anyone has a problem with Sweet Potatoes?

Me: Not at all.

Sailor Moon: I LOVE Sweet Potatoes!

Qin: Me too!

Xenia: They are tasty!

Camie: Lets get to eating.

We got to eating some of them and we cooked them, baked, mashed and more. They were really tasty.

Me: MMM!

Nico: Boy they are good.

Whiplash: There are all kinds of sweet potatoes here.

Ozzie Ostrich: Including beauregard sweet potatoes,

Me: Those are all some of the best kinds.

Qin: And they taste amazing with marshmallows.

Me: They sure do. (ACTIVATES STAY PUFT MARSHMALLOW MAN'S RIDEWATCH) Who wants marshmallows on theirs?

All of us: WE DO!

Me: Okay!

I went and gave them all gobs of marshmallows and they were tasty with it all.

Sailor Moon: (Eating) Yummy!

Sailro Venus: Serena!

Sailor Jupiter: You've had enough, you're going to gain weight.

Sailor Moon: So what I don't care!

Sailor Mars: Maybe that I don't care attitude is the reason why someone dumped you.

Sailors: REI!

I glared at Sailor Mars!

Me: Rei that was cruel!

Sailor Mars: Sorry.

Lord Drakkon: Actually, Rei might be onto something.

Knighty Knight: Young Serena seems a little… bloated.

Me: Yeah we have been trying to help her not eat so much.

Sailor Mercury: More to the point Serena, overeating is proven to slow the mind and makes you very sleepy. You really owe it to yourself as a student to be aware of your diet so you can stay awake and study.

Me: Ami has a really good point.

Sailor Jupiter: Once more, eating too many sweet potatoes has another unpleasant effect.

Sailor Venus: That's right. You may end up passing smelly gas.

Me: Uh oh.

Sailor Moon: Oh be quiet, I just want to eat my potatoes in peace.

She took another bite and then…

LOUD FART!

Me: WHOOPS!

POINK!

Sailor Moon was shocked.

Sailors: EW That was really gross.

Me: Serena. (Sniffs) WOOWEE! Man that is rank!

Qin: Geez!

We laughed!

Sailor Moon: Sorry.

Sailor Moon blushed in embarrassment.

Sailor Mars: See, Serena? I told you something like this would happen!

Flywheels: Rei's got a point, actually.

Me: Guys you're not helping! Serena even though they do have a point you got to literally watch what you eat. Look what happened to the mascots yesterday.

Nico: Yeah.

Sailor Moon: Okay okay! Geez!

LOUD FART!

Me: Geez! (COUGHS)

Vulture: First of all, the mascots went crazy for fish, They didn't get fat.

Camie Chameleon: And second, Horsea was the only one who didn't eat the herring. So she's okay.

Me: I know but you still have to be careful.

Lola: Yeah.

Eli: But the Sweet Potatoes are still good though.

Aerith: They sure are.

Me: Yeah.

Eli: Wait! (Senses something)

Me: What is it Eli?

Eli: I'm sensing something.

Me: Is it Another Omnitrix Alien?

Eli: No this is something else.

Me: What is it?

Eli: Look there!

Eli pointed behind me and I saw a figure coming.

Nico: What's that?

Clayface: Are our targets near?

Eli: No. They are far away.

Varie: Is it one of the Cappicola?

Me: I don't think so.

I looked and saw that it was KAZUMA KENZAKI THE JOKER

UNDEAD!

I gasped!

Me: Oh man! That's Kazuma!

Nico: He was here!?

Eli: Oh wow!

Me: Now I have a chance to help him!

I went over to him.

Me: (FLARES UP BLUE FIRE AURA) Hold on Kazuma.

I walked over.

Clayface: The poor guy must've gotten in contact with a Dark Orb.

Eli: No I sense that he was turned into this after what happened to him because of Hiroshi.

Qin: Eli is right.

I walked and approached him and he went at me and I pulled out my Phoenix Rouse Card and I teleported it and put it on his chest and chanted an incantation and it sucked in his undead self and cured him and reverted him back to normal. I had his Joker half banished to the Warp. I then picked him up.

Me: Guys lets get him help!

We went back to the camp and helped him.

Kazuma groaned.

Nico: He's coming around.

Me: (Speaking in Japanese) カズマ？カズマ？カズマ元気？ (Kazuma? Kazuma? Kazuma are you alright?)

Kazuma: I think so. What happened? Who are you?

Me: Kazuma we are Team Loud Phoenix Storm. Remember? You helped us out during the 20 Days of Darkness. We were over in Agrabah on January 31st, 2021 and you helped us out in battling Heartless working for Jafar who returned as a Genie.

Kazuma: It is you guys. What happened?

Me: We've had a tremendous change.

Firepower: Hey, Kazuma.

Evil Pharaoh Man: How are you feeling?

Kazuma: I feel like I got hit by a truck. What happened?

Me: You were turned into the Joker Undead and you saved everyone and killed Hiroshi the first time at the cost of everything. But I gave it back to you. Kazuma, I watched everything that happened to you on TV. What happened (Tears stream down my face) was absolutely horrible. You went through an absolute nightmare because of Hiroshi.

Nico: But J.D. saved you and you have your life back.

Me: Also we never got the chance to thank you for helping us during the 20 Days of Darkness. We owe you big time for that.

Kazuma: I'm glad I was able to help. But You realize I pretty much left all my friends and my entire life was to make sure the world is safe.

Me: I know. You are a true hero and you saved the entire world from being turned into a War World.

Veon: You know what? We'll fucking go over the laws of the Battle Fight when it's time for Evelyn's missions. But you can still use your Kamen Rider Blade form.

Me: That's right. Also thank goodness we found you. I'm glad you're okay.

Nico: We all are. We were going to look high and low to the ends of the Earth and all over the universe for you.

Me: Yeah.

Kazuma: I'm glad you guys found me.

Qin: We are too.

Kazuma: To keep the Battle Fight a stalemate, I have to stay away from Hajime. (smiles) But nothing ever said anything about you guys.

Snow Ghost: You're welcome to stay with us.

Kazuma: Thank you guys.

Eccentro: And your timing couldn't be anymore perfect.

Me: You wound up on a sweet potato planet and we are here to fight one of our old enemies: The Cappicola Gang.

Qin: Yeah it's a long story.

Kazuma: I'll have to hear about it later.

Me: Also we got these during all our missions and adventures.

I pulled out Rouse Cards.

Kazuma: Rouse Cards? Where did you get those?

Me: Funny story on that.

Sougo: It was because of one of our enemies that we got them.

Me: During many of our missions we battled Another Riders, Another Rangers and Sentai and more. They were made by a monster named Swartz.

Woz: What General J.D. says is true.

Nico: Really ugly story.

Grenade Man: And I guess you're gonna help us against Opaline.

Kazuma: Opaline?

Me: We'll tell you about it later.

Nico: Yeah. First lets finish our mission here.

Sailor Moon farted.

Me: Before Sailor Moon poisons us.

Sailor Moon: Sorry.

Eli: I sense that the Cappicola Gang is over that hill 25 klicks to the east.

Nico: Then that's where we need to go.

Me: Okay. And Kazuma, when we meet the rest of the team soon we'll tell them about your progress and how you're doing.

Kazuma: Thank you J.D.

Me: And don't worry Kazuma, Hiroshi will pay the ultimate price for everything he did and we'll make sure that he gets the Black Gates for his crimes.

Kazuma: The Black Gates?

Me: The deadliest technique we have in our arsenal.

Nico: Yeah.

Kazuma: I'll have to see it in action soon.

Nico: Yeah. But first we got some bad Gangsters to take down.

RD Lana: Entrance time!

We went to the hill and we saw THE CAPPICOLA GANG!

Me: Targets sighted.

Nico: All right guys lets get them.

We went at them and then the Cappicola Gang was mad. Then the spirits of elemental cards came and then feet appeared and kicked them square in their crotches and man they were not going to like that! Then the cards converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and a phoenix cry was heard and we landed.

Me: Hello you bad mascots!

Eli: Surprised to see us?

Me: Been a long time.

Lego Poison Ivy: You guys are in big trouble.

Absorbing Man: Got anything I can absorb?

I pulled out a big bar of Adamantium.

Me: Will Adamantium work?

Absorbing Man: Thanks.

He touched it and turned into pure metal.

Leader: You ruined everything for us! We could have been rich from those diamonds but no! You goody two shoes had to step in!

Me: Because that's what we do!

Xenia: We're heroes!

Laney: And you guys are dead meat!

A figure came out and it was CYBERNETIC REX from episodes 23 and 24 of Operation Overdrive!

---

A robotic Tyrannosaurus/Allosaurus monster with battleship-like armor created and piloted by Moltor. It can bite, shoot lasers from its cannons, and it also has the ability to launch swarms of Lavadactyls. Moltor asked the Fearcats for a gyro to power it, but the gyro somehow doesn't work. Then Moltor and the Fearcats planned to capture Ronny to drain her energy as an alternative power source. Moltor and Fearcats used the special battery that was powered from two loving sources - Ronny and Sentinel Knight. In the first battle with Rangers, Rex used a mass of lasers and armada of Lavadactyls. Once powered, Rex proves itself powerful enough to counter attack and defeat the DriveMax Ultrazord. It was running out of power as the Battlefleet Ship appeared and Moltor retreated. During the second fight, Rex battled Battlefleet that was turned into the Megazord Mode. New robot was more powerful and blasted Rex from his weapons. Rex was soon easily destroyed at the hands of the Battlefleet Megazord.

---

Nico: Whoa!

Mack: Cybernetic Rex!

Me: I remember you! You were made by Moltor and your battleship form is amazing! Also you planned to use it to capture Ronnie and drain her of her power.

Cybernetic Rex: That's right. Good memory.

Me: That was so awesome.

Nico: You're the second giant the Operation Overdrive Rangers fought that we've seen sentient.

Cybernetic Rex: I am, aren't I?

Me: That was so awesome.

Qin: It sure was.

Me: Kazuma you're about to see our power in action.

We went and got the usual battles underway.

---

Pyros the Lava Titan was next.

Pyros: (to Zhuqiaomon) I heard you guys met a Thunder End Dragon Gene-slammer. What's her name?

Zhuqiaomon: Her name is Dolores Smokcienia and she is from Poland and is a really smart and awesome guardian angel. She really outsmarted Lisa.

Twilight Sparkle: She sure did and I am really impressed with her story.

Starshine Sparkle: Me too. That was awesome.

* * *

Dolores Smokcienia: (Polish Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Dolores, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Dolores Smokcienia: (Polish Accent) That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well, because I've seen you reading tons of books I've gotten you.

Nico: You got that right. So, Dolores, what's the story on why you absolutely hated Lisa with a burning passion?

Dolores Smokcienia: (Polish Accent) That's a story I would never forget. One day, Lincoln and I were in his room doing our Math homework for Math class, but as we were doing our math homework, we saw a smoke bomb about to drop, so we evacuated. I knew there was only one person who would do this: it was Lisa, we overheard her plan of how she wanted to knock us out with her smoke bomb and then drag us to her lab, so she can kill Lincoln by dissecting him alive and remove all his organs, and then, she was going to kill me by opening my skull and removing my brain. But, what that fool didn't know was that I had my phone recording everything, and when Lisa opened her door to check, she'd seen we weren't there, but when we reappeared right behind Lisa, she was absolutely furious and she ordered Todd and her robots to capture us. But, Lincoln fired red lightning at them and he sucked out all their energy and it made him even more powerful than ever, and then, I came in and judo-kicked her into a wall and knocked her out. Then, Lincoln tied her up and dragged her downstairs, and when I played the recording, everyone in the Loud House was furious at Lisa, even Luna and Lynn got out a guitar and baseball bat and were about to hit Lisa on her head, but Lincoln held them back. So, as punishment for her scheme, Lisa was grounded for nineteen weeks, and to make my point even more efficient, I asked some friends who are cops to take Lisa to the Lansing Maximum Security Nuthouse and they showed her that if she did this ever again, this was going to be her fate: disowned forever and put in the federal nuthouse forever.

We cheered wildly.

Nico: Wow, that was some awesome brainpower you displayed, Dolores.

Lincoln: Yeah, and this wasn't just Dolores' brainpower that saved us from Lisa, but Lisa's done that kind of thing before to me, but I was ready for her, and like I said, if Lisa did this again, she wasn't getting any mercy. No matter how smart she is, if she acted like the cold-hearted emotionless demon again, I was going to make her pay.

Me: Yeah, Lincoln had warned her many times, but she didn't listen, she was driven by revenge and a thirst for blood.

Dolores Smokcienia: (Polish Accent) She deserved whatever kind of punishment her parents give her, along with the many times that I and the other Guardian Angels had to pummel her senselessly until she was defeated.

FLASHBACK ENDS

Pyros: Whoa! That was really smart thinking of Dolores there!

Spyro: It sure was. At least Dark Lisa is gone and we'll never worry about her again.

El Tigre: Thank goodness for that.

We regrouped!

Sailor Mercury: That's it, I've had it up to hear with you to last an eternity, Cappicola Gang.

Suddenly, something within Sailor Mercury's mind snapped as memories of what The Cappicola Gang did to Mordecai and Rigby and their friends in the past came rushing into her head, her aqua blue eyes turned neon aqua blue, and she was surrounded by an aqua blue energy aura, angels, ocean waves, water, and stars surrounding her, she unholstered her Sword of Mercury from her back, and as she approached The Cappicola Gang, she left aqua blue energy, angels, water, ocean waves, and stars with every step.

Sailor Mercury: You absolutely make me sick, Cappicola Gang, you've done so many horrible and nasty things in the past, especially to what you did to Mordecai, Rigby, and their friends, and I can't forgive you for that. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, I would've thought you'd never return after we destroyed you all long ago when you resurfaced, and for what you've done to Mordecai, Rigby, and their friends in the past… , YOU'VE CROSSED ONE LINE TOO MANY, YOU LOW-DOWN, SADISTIC, EVIL, BLACK-HEARTED, MURDEROUS PIECES OF SHIT, AND NOW, I'M GOING TO MAKE SURE THAT YOU NEVER EVER RETURN AGAIN TO HURT BENSON AND OUR FRIENDS FROM THE PARK!

We gasped at the extent of the fury coming from Sailor Mercury.

Lincoln: Uh oh, Amy's snapped big time!

Nico: More like she's exploded, and this also reached Adrastea Chernabog since she was the one who resurrected The Cappicola Gang in the first place.

Eli: HIT THE DECK!

We took cover as Sailor Mercury screamed like a madwoman and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and she was surrounded by a massive vortex of aqua blue energy with water, ocean waves, and stars surrounding the vortex, there are angels and a cat flying around the vortex, and in the vortex is a blue phoenix with the Astrological Sign of Mercury above its head. Then, as the vortex faded, Sailor Mercury emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sailor Mercury grew to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her short aqua blue hair, she has neon blue eyes and an aqua blue energy aura, angels, water, ocean waves, and stars surrounding her, she has a cat with the Astrological Sign of Mercury emblazoned on her forehead, she has on cat earrings with aqua gems for eyes and holding the Water and Eternity Kanjis in its paws, she has on her Crystal Necklace of the Buddha with aqua blue gems in the gold water drop links and aqua blue crystal links and an aqua blue angel-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a cat with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its paws for the pendant, she has on a short-sleeved white blouse, aqua blue short-sleeved shirt with the ocean waves on it, long blue skirt with stars on it, white stockings, white knee-high high heels, and a long sleeveless white trenchcoat with water, ocean waves, and stars on the coattails and on the back is an angel with the astrological sign of Mercury above its head. Suddenly, Sailor Mercury's massive Sword of Mercury and all the swords she'd gotten began merging together and they were surrounded by a kaleidoscope of aqua blue energy, ocean waves, water, stars, and angels, and when it emerged, it was transformed into Sailor Mercury's Eternal Love Angel Mage's Staff of Maelstrom Justice, it's a brand-new Mage's Staff measuring at 8'1" in length with a large aqua blue globe mounted on top of four white dove heads with aqua blue gems for eyes, large aqua blue gem surrounded by a white ring and a white dragon coiled around one end of the long black handle and on the other end is an aqua blue gem and below it are four smaller white dove heads with aqua blue gems for eyes below a large gold crescent-shaped weight and large aqua blue gem on it, she has on her large gold cuff Bracelets of The Champions of The Universe with aqua blue gems on her wrists, gold Belt of Elemental Bravery with gold angel head with aqua blue gems for eyes and large aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Lincoln: In the immortal words of Nico, Cappicola Gang, you have failed this world!

Nico: You said it, Lincoln, but we're not done yet, there's still the matter of Lillith Chernabog to deal with, and she should be arriving here along with the rest of her sisters… right now!

?: You're going to pay for ruining my fun and breaking my plaything, Vorya Emperyous!

Vorya Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Lillith Chernabog.

Selene Emperyous: Along with the rest of your demonic sisters, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and three mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Lillith Chernabog, the third eldest of The Chernabog Sisters, and the other two remaining mists of darkness descended on the ground and what stood in their places were Drusilla Chernabog and the leader of The Chernabog Sisters, Adrastea Chernabog.

Vorya Emperyous: Lillith Chernabog, just as we expected.

Selene Emperyous: And you also had the nerve to bring Drusilla Chernabog with you when we ruined your sister's fun, Adrastea Chernabog, and we destroyed The Cappicola Gang, another of your plaything.

Lillith Chernabog: You goody-two-shoes Emperyous sisters always had to go ahead and ruin our fun like you always do!

Adrastea Chernabog: And now, you will all pay!

Adrastea Chernabog and Drusilla Chernabog came after us, but they were caught by a Sephiroth Tree of Life surrounded by two crosses that appeared below their feet and that made them scream demonically, and they were trapped.

Adrastea Chernabog: (HISSES) IT'S A TRAP! NOW, WE CAN'T GET OUT!

Selene Emperyous: That's right, and now, you ten get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she just pulled this morning in Ohio when she brought Mad-Man here. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Lillith Chernabog: (ROARS) YOU MISERABLE, STUPID, LITTLE… !

Lillith Chernabog rushed at Vorya Emperyous and Lincoln and tried to kill them, but Lincoln and Vorya fired powerful blasts of dark flames and rainbow flames and when she got hit, she screeched like the demon that she really is as the flames really burned her and she flew back.

Vorya Emperyous: That'll teach you, but we're just getting started, Lillith, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Vorya Emperyous' purple eyes turned neon purple and she was surrounded by a black and purple energy aura with darkness, crosses, nightmare creatures, and angels, she unholstered her massive Timelord Progenitor Vorpgate-themed greatsword from her back, and as she approached Lillith Chernabog, she left golden black and purple energy, darkness, nightmare creatures, crosses, and angels with every step.

Vorya Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Lillith Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Vorya Emperyous was surrounded by a massive vortex of black and purple energy with darkness, nightmare creatures, and crosses surrounding it, there are angels, Timelord Progenitor Vorpgate, and Vulgate the Archangel flying around the vortex, and in the vortex is a purple phoenix. Then, as the vortex faded, Vorya Emperyous emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Vorya Emperyous grew from 6'5" to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her long flowing midnight black hair, she has neon purple eyes and a black and purple energy aura with darkness, nightmare creatures, crosses, and angels surrounding her, she has the Seal of Vulgate in the hands of Timelord Progenitor Vorpgate emblazoned on her forehead, she has on angel earrings with purple gems for eyes and holding the Dark, Holy, and Eternity Kanjis in its hands, she also has Sandaion the Timelord with purple gems for eyes and holding the Dark, Holy, and Eternity Kanjis in its hands on the bottom of her purple angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Vorya Emperyous has on a sleeveless midnight black top, midnight black skirt with the Sephiroth Tree of Life on it, black pants, knee-high midnight black high-heeled boots, and long white sleeveless trenchcoat with darkness, nightmare creatures, crosses, and angels on the coattails, and on the back is Timelord Progenitor Vorpgate one one side and the Archangel Vulgate and they have a cross floating in their left and right hands and surrounded by darkness. Suddenly, Vorya Emperyous felt a sharp pain on her back, and then, her massive midnight black angel wings with stars and purple tips on the large midnight black feathers grew much bigger for her new body, she has on a Ring of The Phoenix with black gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Vorya Emperyous' massive Timelord Progenitor Vorpgate-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and purple energy, crosses, darkness, nightmare creatures, and angels and when it emerged, it was transformed into Timelord Progenitor Vorpgate's Holy Darkness Nightmare Storm Archangel Greatsword of Holy Darkness Storm Justice, it's a brand-new large greatsword with Timelord Progenitor Vorpgate and Vulgate the Archangel etched on the 7'0" massive, wide, double-edged midnight black blade, large angel heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large purple gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with purple gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Timelord Progenitor Vorpgate's head with purple gems for eyes and a large purple gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a purple kanji below Timelord Progenitor Vorpgate and Vulgate that said, "Vorya Emperyous, Gene-Slammer of Timelord Progenitor Vorpgate, Third Eldest of The Emperyous Sisters, Powerful Master of Darkness, Nightmares, and The Powers of Vulgate the Archangel, Friend of Lucy Loud and Friends, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Despiser of Stern Fern, Destroyer of Lillith Chernabog, Archenemy of Brand, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Holy Darkness, Crosses, and Archangels"

Vorya Emperyous has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY DARKNESS NIGHTMARE STORM ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY DARKNESS NIGHTMARE STORM ARCHANGEL TIMELORD JUSTICE AND DIVINE HOLY DARKNESS STORM ARCHANGEL LOVE!

We were amazed by Vorya Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Lillith Chernabog saw it, she went fucking mad and fired a blast of darkness at Vorya Emperyous to kill her, but Vorya Emperyous fired a powerful black and purple energy blast with darkness, crosses, nightmare creatures, and angels which overwhelmed the blast of darkness and it hits Lillith Chernabog, and she was burned and sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now, Voryra Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Darkness Timelord Justice and a champion of the Archangel Vulgate, and Vorya, you look beautiful, how do you feel?

Vorya Emperyous: (Divine Echoing Cosmic Voice of The Holy Darkness Storm Nightmare Timelord and Divine Holy Darkness Storm Love) **I feel incredible, Linky. Now, shall we destroy Lillith Chernabog once and for all?**

Lincoln: (Smiles) With her equally chaotic and demonic sisters watching? With pleasure, Vorya.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Vorya Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to say your goodbyes forever, Lillith Chernabog, because your days of causing chaos and havoc in Michigan and the world are over!**

Vorya Emperyous and Lincoln went after Lillith Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, black and purple energy, crosses, nightmare creatures, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Lillith Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her and she was also burned badly.

This was really making Lillith Chernabog extremely pissed off and this was also making the rest of The Chernabog Sisters really angry, but Vorya Emperyous and Lincoln were just getting started and Mara's divine punishment has just begun. Lillith Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive and long white wolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Vorya Emperyous and Lincoln slashed off Lillith Chernabog's wings and she screamed in excruciating pain, and this horrified the rest of The Chernabog Sisters, and Lillith Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Vorya Emperyous, it was known as Timelord Progenitor Vorpgate's Holy Archangel Darkness Storm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's black and purple with darkness on the blaster with a Phoenix, Archangel, and Timelord Progenitor Vorpgate surrounded by darkness etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Vorya Emperyous fired blasts of rainbow energy, black and purple energy, and elemental forces and when they hit Lillith Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Lillith Chernabog's spirit appeared and Vorya Emperyous and Lincoln drew the Judgement Kanji and Seal of Vulgate on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Vorya Emperyous and Lincoln did to Lillith Chernabog as they holster their massive greatswords on their backs and powered down, and Vorya Emperyous' new body, clothes, weapons, jewelry, and massive midnight black angel wings are permanent.

Then, the trap disappeared and we saw the horrified looks on the faces of Adrastea Chernabog and Drusilla Chernabog, and they were horrified to see what happened to Lillith Chernabog, and this pissed them off greatly.

Adrastea Chernabog: No, Lillith! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog and Drusilla Chernabog disappeared in two mists of darkness.

Nico: Yeah, that's right, go lick your wounds, bitch!

Vorya Emperyous: And now, there's only two Chernabog Sisters to deal with. Thanks for helping me destroy Lillith Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Vorya.

Suddenly, Vorya Emperyous wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Vorya Emperyous' face, they kissed passionately as Vorya Emperyous' left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Timelord Progenitor Vorpgate, and the Archangel Vulgate flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and angels flying behind them and and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Vorya Emperyous came back to us, as the display and Timelord Progenitor Vorpgate and the Archangel Vulgate vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and now, we really pissed off Adrastea and Drusilla Chernabog, and they'll still do anything to get revenge on us, but we'll be ready for them.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show.

Lincoln: And now, all that's left is to deal with Adrastea Chernabog and Drusilla Chernabog.

Zaina Emperyous: Which means you and I are going to deal with Drusilla Chernabog tomorrow, and finally, you and Selene will deal with the leader of The Chernabog Sisters, Adrastea Chernabog.

Lincoln: That's right, Zaina, and if we want to be fully ready for the battle against Queen Opaline, we not only need a plan in place on how to deal with her, but The Chernabog Sisters need to go.

Selene Emperyous: That's right, Linky. Queen Opaline's already a dangerous threat to all ponies and the planet for her evil xenophobic power-hungry ways and for the crimes she committed a thousand years ago, and The Chernabog Sisters are an equally dangerous threat to all of mankind, so we need to get rid of The Chernabog Sisters for good.

Nico: Before we make our move on Queen Opaline, and the battle between the Twelve Archangel and Timelord Sisters of Heaven and the Twelve Demon Sisters of Hell is fast approaching its climax with the epic showdown with Adrastea Chernabog.

Me: Lincoln and Selene Emperyous will make sure that she pays big time for her crimes in blood!

Selene Emperyous: Her and her sisters will all pay in blood.

Eli: Yeah. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Eli, hmm. Oh, I've got some really good ones, how about Gene-Slammers for Fusion Dragonoid, Blade Tigrerra, Preyas, Storm Skyress, Alpha Hydranoid, Hammer Gorem, Battle Ax Vladitor, and Omega Leonidas.

We gasped.

Dan Kuso: Whoa, Gene-Slammers of our Guardian Bakugan?!

Dragonoid: We've already met Apollonia Apollonir, Allina Lion, Beverly Frosch, Ashley Clayf, Aethra Oberus, and Lilith Exedra, the Gene-Slammers of Apollonir, Lars Lion, Frosch, Clayf, Oberus, and

Exedra, and we already met Kaze Wynn, who's the Gene-Slammer of Skyress, so this should be an interesting rescue tomorrow.

Runo: You said it, but I can't just help but get the feeling that the Gene-Slammers for you, Tigrerra, Preyas, Gorem, and Hydranoid are girls whom we've known from long ago.

Dan Kuso: We'll soon find out first thing tomorrow on Lincoln's rescue, Runo.

Shun: That's right.

Shade: That's it for the Cappicola Gang.

Me: Banished to the Warp.

Shiv: Serves them right!

2016 Morbucks: Now, what to do with these sweet potatoes?

Abis Mal: We can always bring them home.

White Lightning: After Serena stops farting.

LOUD FARTS!

Me: (COUGHS) Geez!

Kazuma: (LAUGHS) That's funny.

Me: Yeah it is.

Nico: But great job today guys.

Qin: Thanks.

Sailor Mercury: (To the viewers) This was an amazing and awesome adventure. Hope you all liked this one as much as we did.

Nico: I know I did.

We all gathered up so many sweet potatoes and there were LOTS of them. Also we went back home and got Kazuma settled in and then we enjoyed the rest of the day and went to sleep. Sailor Moon was going to be on the toilet for a while.

Me: Wow so this is the Zephyr Maze. It was amazing.

Qin: Wow this is incredible.

Nico: It sure is.

Lola: Yeah.

War Machine: Yeah this is amazing.

Eli: It sure is.

Qin: I'll say.

Nico: Thanks for coming with me, War Machine.

War Machine: Anytime Nico. It's going to be awesome kicking some butt.

Lola: It sure is.

Lana: I think it's always fun though.

Xenia: Same here.

Nico: Rhodey, do you prefer being called Tony's sidekick or partner?

War Machine: I like being his partner. It's awesome and cool.

Lola: Awesome.

Me: Yeah it sure is.

Qin: Yep.

War Machine: Yeah.

Nico: You think Pepper can get an armor of her own?

War Machine: It's highly possible.

Me: Cameron, Double D, Kevin and Nazz all have one so she can too.

Qin: Yeah.

War Machine: That is true. And it's awesome how we can use these amazing armors.

Me: Tony sure knows how to make amazing armors and be a great hero with it.

Lola: Yeah!

War Machine: That is for sure.

Kazuma: I didn't expect you guys to figure it out so quickly.

Me: Well it wasn't that difficult to figure out. But what happened to you was just absolutely horrible.

Nico: I know.

Kazuma: I can't believe that I would give up everything like that because of fear.

Me: Well it was probably for the best and a really good reason too. Like you said Kazuma, you and Hajime are probably destined to kill each other if you returned.

Nico: Yeah no kidding.

War Machine: Yeah. By the way J.D. how did Kazuma's friends react too him being with us?

Me: Well I called them and told them everything that happened.

---

I was on the video phone with Shiori Hirose and Haruka Kurihara and Amane Kurihara.

Shiori Hirose: I'm so glad that Kazuma is safe with you guys.

Me: Yeah in all honesty we're just glad that he is all right. But as long as Hajime is there he can't come back out of fear that they will kill each other.

Amane Kuribara: That is crazy.

Haruka Kurihara: Where was Kazuma after all this time?

Me: Well last year during the 20 Days of Darkness when we were in Agrabah, Kazuma helped us out in our travels. Then yesterday we found him as the Joker Undead on a planet made entirely out of sweet potatoes.

Amane Kurahara: That's amazing!

Shiori Hirose: Thank goodness he is with you guys.

Me: I sealed his Joker half and Banished it to the Warp. But what really infuriates me is everything that Hiroshi did. What he did to all of you really makes my blood boil. What he did was completely unforgivable and what he wants to do will not go unpunished.

Shiori Hirose: I agree but he is dead?

Me: Villains like him will come back one day.

---

Kazuma: Wow! Glad that Shiori, Amane and Haruka are all okay.

Me: We are too.

Kazuma: I'm pissed about everything Hitoshi did as well. But contrary to what you guys believe, sometimes, the good guys don't ALWAYS win

Me: That may be true for some. But we are the most powerful force in the entire universe. We ALWAYS win.

Nico: Yes we sure do. Besides, we destroyed most of the Kamen Riders major enemies and made sure all of them paid the price.

Qin: Yeah we sure did.

Nico: We're not going to let him get away with everything he did.

Laney: Yeah what Hiroshi did will not go unpunished.

Me: Luckily I have come up with a way we can kill the most evil of the Undead.

Kazuma: Really?

Me: You'll see it soon.

Kazuma: Why don't you guys guys go back in time and use the Black Gates to destroy Hiroshi? Sure, not ALL evil will be erased. But at least Hiroshi won't be able to do all those vile deeds.

Me: Kazuma as much as we want to do that, we can't. It would be way too easy. Besides we can't erase evil. Good and Evil are both like two sides of the same coin and can't exist without the other. Besides if I did that it would destroy the entire universe.

Sougo: He's right Kazuma.

Nico: Yeah we can't let that happen.

Kazuma: I see your point.

Nico: But enough about that. You're probably wanting to know who Opaline is.

Kazuma: Yeah.

Me: Well she is a pure evil monster.

I went over her history.

---

Queen Opaline is the main antagonist of the fifth generation of My Little Pony franchise, serving as the overarching antagonist of My Little Pony: A New Generation and My Little Pony: Make Your Mark special, and later the main antagonist of the Netflix animated series My Little Pony: Make Your Mark. She is an evil Alicorn Queen, the boss and adopted mother of Misty and the arch-nemesis of Sunny Starscout.

She is voiced by Athena Karkanis.

Prior the events of the series, Opaline wanted all the magic to herself, but Twilight Sparkle prevented her and separated the magic in three crystals for each pony kind to separate. Since then, Opaline searched for the magic to claim back for herself. During her search, she found raised a unicorn named Misty and raised her to make her as her servant.

While Queen Opaline doesn't physically appear in the film, her actions played a big role in shaping events of it. Due to her being responsible of not only separating three pony tribes which causing Equestria to lose its magic and each of them blames on each other, but also causing Sprout to turn himself into a petty and bullish yet insecure and cowardly deputy sheriff into a power hungry and tyrannical "emperor" of Maretime Bay who wants to wage a war against Pegasi and unicorns. But luckily, Sunny and her friends managed to stop him from doing so and succeeded in reuniting three pony tribes together which brought the magic back together.

Queen Opaline is introduced at the end of the Make Your Mark special. She sits in a throne room with her minion, a blue unicorn. She is delighted that the ponies have learned how to utilize magic again after it has returned. She states that she will "take back what's hers". This sets her up as a villain in future works.

In "Izzy Does It", Opaline sends Misty to spy on Sunny and her friends, and she reports her that magic has returned to Equestria just like she said. Misty sneaks to Sunny's smoothie stand and puts a golden compact with a red bow on it. When Misty returns to her castle and tells her more about the magic, she plans to become more powerful than ever before and promising her to get her cutie mark when it's done. It is revealed that the compact is the only way to spy on Sunny and her friends, but it won't let them see inside the Crystal Brighthouse, which she considers sending one of her allies to infiltrate it inside.

In "Growing Pains", Opaline and Misty continue spying on Sunny and everypony through the mirror compact, which then she puts her next plan into action. After a while, Misty reports on how the Earth Pony magic is going out of control in Maretime Bay, Opaline allows it to continue without any interference, plotting to take it for herself and become more powerful than ever.

In "Portrait of a Princess", Opaline sends Misty out to Maretime Bay to interfere with Pipp and Zipp's Portrait Day, a yearly occurrence for the two princesses of Zephyr Hights. Using her magic to create an Ocean Lily, a rare flower, she gives it to Misty to lure the two Pegasus Princesses into a trap so that their Portrait Day celebration would be ruined. This plan fails as Pipp uses her social media followers to escape.

In "Ali-Conned", Opaline takes advantage of Sunny's ability to become a temporal alicorn, and uses the mirror compact to make herself look like Sunny's reflection. Through the compact, Opaline encourages Sunny to embrace her alicorn status, as well as sending out Misty to help with it. Sunny denies being an alicorn all the time, as she just wants everypony to like her for who she is, and not what others want her to be.

In "The Cutie Mark Mix-Up", Opaline watches the Crystal Brighthouse from her castle, plotting to get the Prisbeam power from the Brighthouse. She creates an artificial magic mouse creature, sending it to where Sunny and Hitch were located. The Artificial Creature gains the attention of Sparky, a dragon that Hitch took care of ever since the events of Chapter One, and after chasing it Sparky sneezes, causing his dragon fire magic to switch Hitch and Sunny's cutie marks along with their personalities.

Sparky chases the artificial mouse creature into the Crystal Brighthouse, just as the animals were being rounded up by the rest of Sunny's friends. After discovering the re-created lantern that Sunny used to save Posey Bloom in the first chapter, Opaline plots to obtain the lantern and use it's magic to make herself all powerful. She later disintegrates an artificial mouse, possibly outliving its usefulness.

In "The Traditional Unicorn Sleepover", Opaline sends Misty to the Crystal Brighthouse, allowing her to join Izzy's sleepover, as a means of getting the lantern. The cover is nearly blown when Zipp noticed Misty acting suspicious.

In "Hoof Done it?", during the sleepover in the middle of the night, Misty stole the lantern and plots to take it to Opaline, so that she can finally obtain her cutie mark. This plan backfires as Pipp, Izzy, and

Zipp interfere with the plans. Returning to Opaline's castle without the lantern, Opaline forgoes the lantern and instead goes after 'Dragon Fire Magic' upon hearing about Sparky's abilities.

In "Have You Seen This Dragon?", after Misty fails at capturing Sparky, she obtains some of his Dragon Fire inside a magic-proof glass jar, sending that back with her instead. Opaline obtains the magic from that smidge of Sparky's Dragon Fire, she begs for more of it after feeling so much powerful.

In "Dragon Dad", set before or after the Make Your Mark episode "Have You Seen This Dragon?", Opaline sends Misty out to get some Dragon Fire Magic from Sparky. Opaline constantly begs Misty to get the magic fire, especially in her sleep.

In "Nightmare Night Party", she orders Misty to get the ponies to use their magic so they could found out how it works, which she did by making mischief during the party and causing a power outage at Mane Melody. When Izzy and Zipp are talking to her, Opaline drags Misty away from them. After enough observation, she told Misty to return to the castle.

In "Haunted House", she orders Misty to kidnap Sparky Sparkeroni from the Mane Five so she could get his dragonfire for herself, which she did by luring them into a haunted house which led them being separated by Sparky. After trapping Sparky inside, they tried to capture him until the Mane Five escape the haunted house with him.

In "Baby Critters", the bunnycorns accidentally contacts Queen Opaline with Sunny's mirror compact. She was seen having a relaxation time with a face mask on her before she was contacted and angrily believe it to be a prank call.

The second issue of the G5 comic series reveals that she was responsible for driving ponies apart in the first place, making her responsible for the isolated and prejudiced world of modern Equestria by the time of A New Generation. As a unicorn, she encouraged other unicorns to believe they were superior to other ponies, causing racial tensions. Twilight and her friends eventually managed to defuse the situation, but Twilight decided to create the Unity Crystals to preserve all magic in Equestria. If racial tensions ever developed again, the crystals could be separated to ensure ponies couldn't use their magic against each other.

However, her actions led Discord to become a fearful extremist who believes that magic is a source of conflict and division, so that's why he plans to destroy the Unity Crystals so the magic won't returned to Equestria again which causes the conflict between him and Mane Five.

---

When I was done he was shocked!

Kazuma: She's pure evil!

Qin: Yeah and we go into war with her soon.

Me: She was responsible for a huge number of unholy and terrible calamities as well as be responsible for the creation of all of Equestria's most dangerous enemies that we faced.

Nico: Yeah.

Eli: She is an absolute monster and she must be stopped at all costs.

Nico: Unfortunately, my main groups for the planned out strategy doesn't have you in it. So, is it okay if you help the Alien Racers and Extreme Ghostbusters attack Opaline's fortress with the others?

Kazuma: Absolutely.

Me: Great. We need all the help we can get if we're going to destroy her.

Lola: Yeah.

Fu: J.D. called many of our allies from all over the universe to help us out on this.

Me: We have 2,000 years of justice to dish out on Opaline.

Nico: Everything seems peaceful here so far. So, let's just defeat the Next Another Omnitrix Alien and get the Hell out of dodge.

Me: So far it's quiet.

Qin: Too quiet.

But then we saw two people and they were TAYLOR AND CASEY!

Nico: Oh man! Taylor and Casey!

Taylor: Lord Barodius will have your heads!

Casey: That's right!

Me: Barodius is here! I knew he would return. Now I can banish him back to the Warp again.

Nico: Wait. Are you Taylor Smith?

Taylor Smith: That's right.

Nico: Barodius is using you two!

Me: He brainwashed you!

I sensed for him and then I fired an energy blast at a wall and it hit it and exploded and out came BARODIUS!

Me: There you are. Now I can kill you again.

Barodius: I will kill you and Kuso!

Me: Don't count on it.

Taylor Smith: (to Nico) Why don't you join me, Nico? I'm sure Barodius and I would have use for your talents. (purrs)

Nico: Are you flirting with me?!

May: (GROWLS)

May flew over and dogpiled on Taylor!

Me: Barodius, it's time you pay for everything you did.

I went Super Angel Wolf Moon Xelnaga.

Me: (Divine Wolf Moon Voice) **I will never forgive you for your crimes.**

Barodius: I wouldn't be caught dead asking for your forgiveness!

Me: **That can be arranged.**

I teleported and punched him in the face and kicked him in the back of the head and punched him in the stomach with devastating force and kicked him in the face with powerful force and broke his nose!

Maria: Nico, how do you know Taylor?!

Eli: Yeah that's what we were wondering.

Nico: I knew Taylor from when I helped her and her family become rich by giving her some of the diamonds me and my friends found and all that. She was living in the gutters before. Now she is rich.

Qin: Wow!

Taylor Smith: And I will always be grateful for that.

But then she clutched her head in pain!

I punched and kicked Barodius all over the place and it was disrupting his control over her and Casey!

Maria: Barodius is too distracted by J.D. that his control is starting to go haywire.

May: Now, let's hope the Another Omnitrix Alien shows up to disrupt it even more!

?: Your wish is my command!

Then out came a black version of an Evolved Biot-savartian! It was ANOTHER ULTIMATE LODESTAR!

Qin: Whoa! Another Ultimate Lodestar!

Nico: This one has a powerful Magnetic Personality.

Another Ultimate Lodestar: (In a girls voice) And it's going to be an awesome one too.

Qin: (GASP) Faye Camppington! Its been a long time.

Another Ultimate Lodestar: It's been a long time Qin. Wow you are looking really good.

Qin: I have grown a lot since we saw each other.

Lola: How do you know her Qin?

Qin: Faye went to my science classes with me and Nico. We studied all about Electromagnetism and the Magnetic Fields.

Another Ultimate Lodestar: Yeah those were good times.

I was kicking Barodius all over the place and I punched him in the face and kicked him in the stomach and he belched out a lot of blood.

Albedo turned into Negative Ultimate Lodestar.

Negative Ultimate Lodestar: Did Swartz promise you anything?

Another Ultimate Lodestar: Just to be a great electromagnetism scientist.

Nico: We can easily help you out with that.

Another Ultimate Lodestar: I knew that Swartz was lying to me.

Nico: He lied to everyone.

Qin: Sorry we have to fight like this though Faye.

Camie: That's right.

Casey: Come out, Ventus Buzz Hornix!

Taylor Smith: You two, Darkus Venoclaw!

The two Bakugan appeared.

Kaito: (gets out Zyuogher gear) I'll take on Buzz Hornix. You take on Venoclaw.

Zocks: (gets out Ninninger gear) Sounds good two me!

Kaito got a Zyuohger Blaster and Zocks got a Ninja Steel Sword.

I punched Barodius in the face.

I teleported back and went at him!

Me: **This is for Dan and everyone!**

I flared up my power to the extreme!

Me: **SUPER DRAGON FIST!**

I flared up a dragonic aura and it formed into a huge dragon I PLOWED ALL THE WAY THROUGH HIM WITH INCREDIBLE POWER!

RRRRRRRRRROOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOA

Barodius then exploded and he was obliterated in an instant!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: That did it!

Casey and Taylor clutched their heads in pain and then they fell to the ground and May and Nico both caught them.

Taylor's eyes were back to their green color.

Sougo: (gets out Horobi Ridewatch) This isn't over yet!

Geiz: (gets out Ninja Storm Red Ridewatch) This is the first one I'll use today.

Sougo got HorobiArmor while Geiz got NinjaStormRedArmor.

Geiz decided to jump at Buzz Hornix.

Geiz kicked down Buzz Hornix.

I teleported back.

Me: **Taylor, Casey, are you guys all right?**

Casey: Yeah but we have got the worst ever headache.

Taylor Smith: I don't remember what happened.

Me: **You were controlled by Barodius. I killed him again. Banished him back to the Warp.**

Casey: Oh man.

Me: **Soon he will be gone for good when I banish him to the Black Gates.**

Taylor Smith: Good.

War Machine: My turn!

War Machine activated Ragdoll's ridewatch and fired numerous amounts of stuffed animals? What the?

War Machine: That was weird.

Qin: Cute though.

Lola: Yeah.

Nico: You okay, Taylor?

Taylor Smith: I think so. My head really hurts.

Qin: We'll get you back to our estate and rest up.

Taylor Smith: How are Dan and the others?

Me: They are now part of the team. They have been with us for over a year now.

Casey: Wow!

Qin: I know.

Qin fired waves of fire and smashed Another Ultimate Lodestar down.

May: Is the next Gene Slammer near?

?: Someone call!?

Out came GAAP THE DIVINE SOLDIER!

Qin: Whoa! Gaap the Divine Soldier!

Gaap the Divine Soldoer: (In a girls voice) I got this one guys.

Nico: Veronica Gaspard! Wow!

She reverted back and Veronica was a girl with red hair and black and red clothes.

Veronica Gaspard: Awesome to see you again Nico. I got this.

She fired waves of darkness and blasted Another Ultimate Lodestar down and I purified the ridewatch and Qin went over to Faye and she was a girl with black hair and pink overalls.

Qin picked her up.

Qin: Are you all right Faye?

Faye Camppington: I think so.

Qin: You're back to normal now.

War Machine: What's your favorite memory of Nico?

Veronica Gaspard: I have a lot of them but my favorite is when me and Nico made an awesome giant Baked Alaska cake and it was a

1,000 pound cake.

Me: Whoa! That's a massive cake.

Qin: Yeah I remember that. That was awesome.

Me: Did everyone eat the cake?

Nico: They sure did.

Qin: And man it was so good that everyone all over the school ate the whole thing.

Nico: Yep.

Lola: Wow! That is awesome.

Xenia: It sure is.

Nico and Veronica hugged.

Nico: I've really missed you.

Veronica Gaspard: Me too Nico. Me too.

Nico rubbed Taylor's head.

Taylor Smith: Aww.

Me: That's cool.

May: Sorry about that Taylor.

Taylor Smith: No worries May.

We went back home.

Fu Manchu and an old enemy of Shang-Chi.

Lincoln: Wow, we're here in Venezuela, and I know what we're going to do here, not only am I going to rescue the two girls here, but we're going to take down Zingh, an agent of Zheng Zu A.K.A. Fu Manchu and an old enemy of Shang-Chi.

Nico: I took a look at his information, and he's one tough guy, and Shang-Chi had a lot of run-ins with this guy.

Me: And he also looks really tough as well.

Lincoln: According to his info, he's an extremely strong and muscular man who's over seven feet tall, and he can resist pain for some time and he's strong enough to crush someone's head with his bare hands, and he has really dense skin that can easily deflect knives, and it's likely that his body has been enhanced by some unnatural means.

Eli: Yikes, but we've dealt with guys like him before.

Lincoln: Yep, and we're going to have him sent to prison for good, but not before I reduce him to a weakling, and thanks for joining us, Jenny.

Jenny Wakeman: You're welcome, Lincoln. This is going to be one amazing rescue.

?: HEEEEELLLLP!

Suddenly, Lincoln heard the sound of two girls screaming for help. With his deep sapphire blue cyborg eyes, rainbow colored iris of his Third Eye, the Force, and his superhuman sight, along with sensing energy signals, he saw and heard exactly where the call for help was coming from. He saw the two girls, but they've been cornered by Zingh, and he's going to kill them by crushing their heads, and Lincoln saw he had the Qliphoth Tree of Death on his forehead.

Lincoln: (Gasps) Let's get over there at once, guys, I found the two girls, but they've been cornered by Zingh, and he's going to kill them by crushing their heads, and I saw he had the Qliphoth Tree of Death on his forehead.

Zaina Emperyous: I should've known that Drusilla Chernabog would have a hand in this.

?: (Girl's Voice) That overgrown enforcer of Zheng Zu, let's get him, and that insane and chaotic she-demon will get hers later on today.

Suddenly, we saw Fusion Dragonoid appear before us.

Nico: What the, Dan, did you summon Drago?

Dan Kuso: No, Nico, I didn't.

Dragonoid: He's right, then, this means… !

Lincoln: That's right, and I'd recognize that voice from anywhere, I knew it was you, Daria Kuso, but we'll talk later, we've got to stop Zheng Zu's top enforcer.

We rushed over, and before Zingh could kill the two girls, Lincoln fired powerful rainbow energy balls and elemental forces at Zingh, and that allowed the two girls to get to safety in a rainbow energy field created by Lincoln to protect them from Zingh, and when he saw us, he just stood his ground and he was about to charge at us.

Lincoln: Should've known he's going to start charging at us, let's get him.

Lincoln unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered from his wider and muscular back, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Xelnaga Eternity Infinity Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, Jenny Wakeman, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream

Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Zingh, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Then, Lincoln sprouted tubes with pads and once they latched onto Zingh's arms, chest, stomach, neck, and legs, Lincoln began sucking out Zingh's massive muscle mass, durability, and immense strength as we saw red energy visibly flowing out of Zingh from the tubes and went into Lincoln and he was getting stronger and stronger still and his abnormally massive and powerful upper and lower body muscles grew a bit bigger and veins protruded on his body. Then, as soon as Lincoln was done and the tubes sank back into him, Zingh was completely drained of his immense strength and muscle mass and he's as thin as a rake, and Lincoln had him wrapped up in a rainbow energy straitjacket and beamed to prison. We cheered wildly as we holster our weapons and powered down.

Lincoln: Zingh's no longer going to be running free and this'll deal a real blow to Zheng Zu. (To Daria Kuso) And it's so good to see you again, Daria Kuso.

Daria Kuso reverted back to normal, and she was a beautiful girl with long crimson red hair tied in a braid, crimson red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Pyrus symbol emblazoned on her forehead and massive and beautiful crimson red angel wings and she reigned in the power of Fusion Dragonoid, and she's dressed in a sleeveless open red blouse, sleeveless red tank top, crimson red skirt, crimson red pants, orange legwarmers, red sneakers, and long white sleeveless trenchcoat with flames and dragons on the coattails and Fusion Dragonoid on the back and holstered on her back is a Fusion Dragonoid-themed large greatsword with Fusion Dragonoid etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red dragon heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large crimson red dragon heads and a large crimson red gem on the bottom of the large dragon heads for the pommel.

Daria Kuso: You too, Lincoln, it's been a long time.

Lincoln went up to Daria Kuso and he hugged her, and Daria Kuso is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Daria Kuso: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Daria Kuso, she's my Guardian Angel from Japan and classmate in Math, she's a Pyrus Bakugan Brawler and part of a group that she along with seven others formed a group called the Bakugan Battle Slammers, and like the Bakugan Battle Brawlers, she's a capable Bakugan Brawler. She along with the other Bakugan Battle Slammers moved to Michigan from Japan when they were eight, and they would often play together with me.

Me: Whoa.

Lincoln: Yep, and she and the other Bakugan Battle Slammers took on the worst of Lori, Luan, Lynn, Lola, and Lisa plus Chandler, Hawk and Hank, Pablo and Anderson. To show thanks, I took her and the other Bakugan Battle Slammers to a lake where I kissed each of the Bakugan Battle Slammers underwater.

Nico: That's really nice. Wait a second, her last name Kuso, does that mean?!

Lincoln: Yep, she's the cousin of Dan Kuso.

We were stunned.

Eli: Whoa, no way!

Dan Kuso: It's true, and it's so good to see you again, Daria.

Daria Kuso: It's good to see you and Drago too, Dan.

Dragonoid: Dan did talk a lot about you, Daria, and now, we were surprised to find out you're also Lincoln's Guardian Angel.

Daria Kuso: I've been his Guardian Angel since the day I moved here to Michigan, and the same went with the other Bakugan Battle Slammers, Drago, and I've also got a story of how I stopped Lori from trying to kill Lincoln, and it led to her swearing her revenge on me, which I'll tell you about later. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Daria, are you absolutely sure about this?

Daria Kuso: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Daria Kuso, and he saw hat she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Daria Kuso's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Daria Kuso: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Daria.

Daria Kuso had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Daria Kuso's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Meow and Ran Tsukikage from Carried by the Wind: Tsukikage Ran.

Lincoln: Oh wow, it's Meow and Ran Tsukikage from Carried by the Wind: Tsukikage Ran.

Nicole: Awesome.

Lincoln: Are you girls okay?

Ran Tsukikage: Yes, we're okay, thanks to you.

Then, when Ran Tsukikage and Meow saw who it was that saved them from Zingh, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Descendant of The 17th Century Duke Lincoln of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of The Crusaders of The Thunderbird and Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him.

Ran Tsukikage: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Meow: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ran Tsukikage and Meow with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and the team was shocked when they found out the villain we went after was Zingh, an agent of Zheng Zu A.K.A. Fu Manchu and an old enemy of Shang-Chi.

But, when Lincoln showed what he did to the gigantic muscular enforcer, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Daria Kuso have a lot of catching up to do now that they're back in town.

Maria: Oh man, so one of Shang-Chi's enemies from long ago was there in Venezuela?! Don't tell me that Zheng Zu did this.

Lincoln: No, he wasn't, it was Drusilla Chernabog since I saw the Qliphoth Tree of Death on his forehead.

William: Should've known she was behind this.

May: But, she's going to meet her end very soon.

Nico: Yeah, and then, it'll be the turn of Adrastea Chernabog.

Lincoln: And we'll finally be rid of The Chernabog Sisters for good.

---

After taking down Zingh and pissing Drusilla Chernabog off, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Daria Kuso saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Daria Kuso: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 9,500-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Daria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Daria Kuso: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Daria, what's the story on how you stopped Lori before she tried to kill Lincoln?

Daria Kuso: You're not going to like this one bit, Nico. One day, Lincoln and I were walking home from school, but then, we heard the sound of an inhuman screech, and we saw who it was coming after us in a fit of rage: it was Lori, and she was completely insane. But, I wasn't going to let Lori come here to kill us, so I fired a powerful blast of fire and it burned off her eyebrows, and this of course made her extremely furious, but then, I saw Lincoln fire blasts of lightning and electrocuted Lori and she'd been knocked down and out, we tied her up in nylon rope so she couldn't get out, and we called Luna to come get us. She came and we went home with Luna dragging a tied up Lori, and when we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, they grounded her for fifteen weeks and they also took away the car keys, cutting off her driving privileges. We took a look at the footage and we saw that Leni didn't look where she was going and hit the drawer and it caused Lori's phone to fall from her drawer and the screen cracked and it really freaked Lei out and she ran.

Nico: Yikes.

Lincoln: But, this was an accident at the time, but to Lori, this drove her mad and her desire to kill me took her over and so did Dark Lori.

But, Daria and I stopped her.

Daria Kuso: We sure did, Lincoln, but of course, this caused Lori to hate me forever and she would do anything to get revenge on me, and I swore if I found out that Lori dared to make any alliances with any villains, I would make her pay and she was going to get burned.

Me: Yeah, I remembered that all too well.

Nico: And that's really serious, so Lori was basically on thin ice and if she makes an alliance with any of the most evil villains, she was going to get burned.

We got a shower afterwards, and then, Clyde, Cheryl Melville, Seles Wilder, and Tabatha are heading to Orange Ocean.

Clyde snapped his fingers, and the 17-year-old, 7'5", and extremely muscular man was dressed in large dark blue swim briefs with the phoenix and clocks on it and silver flames coming off the swim briefs, dark blue sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Cheryl Melville, Seles Wilder, and Tabatha dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, Lincoln and all of us found out that Cheryl Melville, Seles Wilder, and Tabatha all had feelings for Clyde, and those feelings came true when he saved them from a gang of thugs that Trina Riffins hired to rape and kill them, and Clyde fired blasts of time energy at them and they were aged until they turned to dust, and that really set Trina Riffins off big time as she screeched and screamed in anger until Lincoln snapped his fingers and made an anvil appear and it dropped on her head.

Cheryl Melville: Wow, so this is Orange Ocean.

Clyde: Yep, and Lincoln and his harem have been here before. Shall we?

Clyde, Cheryl Melville, Seles Wilder, and Tabatha dived right into the waters and they also had a swimming race and had a lot of fun, and they had a game of volleyball, plus, Cheryl Melville, Seles Wilder, and Tabatha got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Clyde made clones of himself, and he and the clones went up Cheryl Melville, Seles Wilder, and Tabatha and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Clyde and his clones, and they placed their right hands on the massive wide and muscular left pecs of Clyde and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: Hey, Clyde, how was your date?

Clyde: It was awesome, buddy, we went to Orange Ocean and had a lot of fun.

Cheryl Melville: And it was awesome, plus, we're now part of Clyde's harem since we had feelings for him, and they came true when he saved us from a gang of thugs that Trina Riffins hired to rape and kill us, and Clyde fired blasts of time energy at them and they were aged until they turned to dust, and that really set Trina Riffins off big time as she was left screeching and screaming in anger.

Lincoln: That was until I snapped my fingers and made an anvil appear and it dropped on her head. I swear, Trina's just going to make things a lot worse for herself.

Courtney: She's always been an evil heartless monster with a black heart, and she's nothing but a complete nightmare to everyone in her path.

Me: Big time.

Nico: And her desires for revenge aren't going to stop, the same with Amy and Flip.

Lincoln: Yep, the only thing waiting for them is another anvil or piano getting dropped on their heads or getting electrocuted badly.

Me: If she does that kind of stunt again, you, Nico, Eli, and I are going to be the ones to electrocute her badly, and we'll use the Ridewatches for this.

Nico: Nice.

Lincoln: We'll use the Ridewatches for Electro, Yost Electro, Tchang Zu, and Loki.

Eli: Good one.

---

Later it was time for Erica's first ever Ambassador Mission.

Me: This is gonna be so awesome and cool.

Qin: Yeah it sure is! Erica you are going to have a lot of fun on this.

Erica: Boy I sure am!

William: Anyone else want to go with Erica? Besides 3 Rabbids and Aruto?

Courtney: You know I'm going and same with Jeremie and his team.

Tecna: (British Accent) I'll go. As the Fairy of Technology I will definitely be of some help.

Courtney: Perfect.

Me: And we definitely know that Eddy and the Cul-de-sac kids will go.

Courtney: Yep.

Nico: This is gonna be so awesome and cool.

Eli: It sure is.

Nico: Lets head out!

We were off to Canada.

---

We were flying over Toronto.

Courtney: Good to be back home in Toronto.

Brynja: (Icelandic Accent) It sure is amazing.

We arrived and we saw Zixx and she was sitting at a table.

Aruto: Excuse me? Are you Zixx?

Zixx: (to Aruto) I've heard of you. Kamen Rider Zero One, right?

Aruto: That's right. Aruto Hiden.

Zixx: It's an honor.

Courtney: Been a while Zixx.

Zixx: Courtney!

They hugged.

Courtney: It's awesome to see you again Zixx. And this is the team with us.

Me: Awesome to meet you Zixx.

Zixx: Wow! Team Loud Phoenix Storm it's truly an honor.

Tecna: Same here. I'm Tecna the Fairy of Technology and princess of Zenith.

Zixx: An honor to meet you.

Jeremie: Awesome to meet you too. Jeremy Belpois

Aelita: Aelita Schaeffer.

Ulrich: Ulrich Stern.

Yumi: Yumi Ishiyama

Odd: Odd Della Robbia.

William: William Dunbar

Sissi: Sissi Delmas.

Brynja: And I'm Brynja Heringsdötir.

Zixx: The Lyoko Warriors! It's an honor to meet you all.

Erica: And my name is Erica Haddock and I'm your ambassador for these missions.

Zixx: Ambassador?

Me: It's part of a special diplomatic mission program we made.

Nico: It's to help future missions out be ready when we help them.

Me: Yeah.

Zixx: I get it!

Me: And this is Eddy.

Eddy: Yo. Awesome to meet you.

Me: And these are his friends Sarah, Jimmy, Rolf, Nazz, Kevin and Jonny.

Jonny 2x4: And don't forget Plank.

Zixx: Wow! Awesome to meet you guys.

Me: (Whispers to her) They are with us for a special reason. It's a long story.

Zixx: Oh I see.

Tecna: But it's gonna be awesome to help you out.

Zixx: Let me introduce you to the others.

Me: Sure.

We went and we met

Adam Frake: Bright and intuitive, 12-year-old Adam is an only child who has never known his father and lives with his uncle. His mother is an archaeologist who "disappeared" under mysterious circumstances, which Adam believes resulted from evil aliens kidnapping her. Despite being impulsive, stubborn, and volatile, he is a natural sleuth and more than capable of taking care of himself in the Keep. He and Griff were absent during season 2, however Adam made a brief appearance as a glowing ball of energy when he saved Zixx from Jayda and explained he and Griff hit a vortex when they reached Level 2. He supposedly made it home in the same episode. It is unknown if he will appear again to help Zixx or if Adam will ever find out the truth about his mother.

Griffin "Griff" Chalanchuk : A stereotypical "geek" who enjoys sci-fi and computer gaming as much as Adam, 12-year-old Griff is Adam's polar opposite in terms of personality, which also makes him the stereotypical "sidekick" character. He's level headed and cautious, patient and analytical, though he is known to be as stubborn as Adam. While he seems far too timid compared to Zixx and Adam, he has been known to show real courage and resourcefulness when it counts.

Adam Frake: Wow! Team Loud Phoenix Storm it's an honor to meet you guys!

Me: You too Adam.

Griffin: It's so cool that you get to help us out.

Me: We're honored to do so.

Nico: Same here.

Courtney: But it's awesome to see you guys again.

Zixx: Courtney, I really hope that Heather girl has been dealt with.

Courtney: Oh believe me she has.

Me: We went back to Wawanakwa during one of Nico's rescues and Gwen transformed and gave her the Black Gates.

Nico: Yeah she completely deserved it.

Zixx: Good riddance! Everyone all over Canada hated her guts.

Me: Same with all the Other Sore Losers. Billy McLean and Amy are the only losers left. Scott, Jo, Eva and Alejerkdro were given the Black Gates.

Nico: Billy and Amy are all being subjected to humiliations are our favorite restaurant, Lynn's Table and it's really funny.

Eddy: (LAUGHS) You should see the kinds of pranks we do to them. It's a riot.

Me: Check it out.

I showed them clips of it on my phone and it was really funny and cool. They laughed hysterically!

Adam Frake: (LAUGHS HYSTERICALLY) So funny!

Tecna: Yeah those are some of the best pranks we do.

Courtney: They sure are.

Zixx introduced us to Flanngo.

Flanngo: Zixx's investigative partner and mentor for several eons, he is a cynical, wise-cracking thick-skinned detective from the same planet as Zixx. While Zixx is the brains of the pair, Flanngo is the brawn; he's fast, tenacious and like Zixx, someone you don't want to mess with. He is surly and has the appearance of a theropod dinosaur. He tends not to use inventory or weapons other than shields, preferring his natural bodily abilities. In level 1, Flanngo can't go outside the Keep, except inside Zixx's backpack, because breathing Earth's air is toxic to him. However, in Level 2, Flanngo couldn't leave the Keep until he was accidentally ejected from the Keep in the form of a teenage boy in a dragon costume.

Zixx: And this is Flanngo.

Flanngo: Awesome to meet you guys.

Me: Same here to you.

Nico: It's an honor.

Courtney: You're looking awesome Flanngo.

Flanngo: Same to you Courtney. Thank you for getting rid of all the sore losers of Total Drama.

Courtney: They all deserved it.

Courtney: Dwayne, Megan, and Riley aren't with you guys?

Zixx: When word got out that Onccalon and Deeth are at large again, they went out to find out who else came back. Don't worry. You'll meet them next time.

Me: Looking forward to it.

Tecna: I hope we destroy one of your enemies at large right now.

Zixx: You're in luck. We're going after Sarah.

Courtney: Sarah is back too!? I hate that girl!

Nico: What can you tell us about her Courtney?

Courtney: You would not like her Nico.

She told us all about her.

Sarah Mills: An alien mercenary employed by the Hargokks to befriend Griff to locate the clubhouse where the crystal fragments and weapons are located. She later claims to be remorseful of her actions, showing them Deeth's weapons inventory. However, she was actually trying to locate the remaining fragments but the team was suspicious and Griff used Zixx's watch to condense her, turning Sarah into a pile of goo. If Zixx makes contact with the Network, then Sarah will be detained for her crimes.

When she was done we were shocked.

Sissi: Oh man! She is a ruthless monster!

Me: No kidding there.

Griff: (sadly) I really did think she was into me.

Kevin: (pats him on the back) There are other fish in the sea Dude.

Griff: Thanks Kevin.

Me: You're going to see some of our technological prowess in action.

Nico: During the 20 Days of Darkness, J.D. was at the controls of a computer and helped us from it.

Zixx: Wow!

Jeremie: This is gonna be so awesome too.

Me: Yep.

I got my laptop set up.

I even had some portable virtual reality chairs for everyone to use.

Zixx: Erica, don't take this the wrong way. But for some reason, you seem… inhuman to me.

Erica: Yes I am. It's a long story. The reason for that is because I was gene-slammed.

Zixx: Oh man! I've heard all about what was happening and how you guys are meeting many gene-slammers.

Nico: Yeah. Erica was slammed with a Tyrannosaurus Rex and she has one massive appetite for meat.

Eli: She sure does.

Me: Yeah it's cool.

Erica: It sure is.

Me: Oh Zixx, just so you know Eddy has a dark side problem. On one of our rescues he got hit in the head by a couple of Bowling Balls and a Bowling Pin and in his mind it released this evil side of him called Dark Eddy. I changed it from Nega-Eddy to Dark Eddy because to me that one sounded racist.

Zixx: Oh. Oh man. What does he want?

Me: He wants to kill all of us and become the only hero. He wants to kill all villains and heroes alike.

Zixx: Oh man. Thanks for the warning.

Me: You're welcome. And he should be popping out in 3… 2… 1…

I teleported and grabbed his blaster and held onto it.

But Eddy didn't feel anything yet.

Me: Huh?

Eddy: He must not be coming out till we face Sarah.

Me: Plenty of time.

Eli: Lets get a move on.

Me: Lets do it.

We got everyone hooked up.

Me: Questworld, Log on. Subjects Nico Chan, Eli Winston Bullock, Courtney, Tecna, Jeremy Belpois, Aelita Schaeffer, Ulrich Stern, Yumi Ishiyama, Odd Della Robbia, William Dunbar, Sissi Delmas, Brynja Heringsdötir, Eddy, Nazz, Kevin, Jonny, Rolf, Sarah, Jimmy, Zixx, Adam Adam Frake and Griffin "Griff" Chalanchuk, GOING HOT!

They went into Questworld and got to the world Zixx knows via the Questworld and Lyoko system!

Nazz: Whoa! Check us out!

Eli: This is cool!

Courtney: Wow I always love this.

Tecna: This is really amazing that we are like this.

Yumi: I think it's really amazing that you guys come here.

Brynja: It sure is cool.

Me: And you guys are going to like the weapons and powers they have too.

Jonny: Please tell me Plank can talk here.

Plank: Yes I can Jonny.

Me: Whoa! That is cool!

Plank: That's right guys. I can talk in here.

Jonny: Buddy! This is gonna be awesome having you talk in here!

Aruto: (sighs) I almost forgot. These are Rabbids.

Me: Rabbids are not the brightest lightbulbs in the closet. They are idiot creatures but they are really funny.

Zixx: I see.

One of the Rabbids tried to eat Zixx's scanner.

Flanngo: Hey! That's not for eating! (The Rabbid blew a raspberry at him) Don't you raspberry me!

Me: Geez is that gonna be the line of the day every time we have new ambassador missions?

They laughed.

Eli: That's funny.

Me: But yeah see what I mean? Rabbids are idiotic and funny creatures.

Sarah: It's true. They give us a really funny laugh too.

Zixx: That is cool. Also do you guys need our help dealing with Opaline for you?

Me: Boy you guys must be psychic. But yes we need all the help we can get to take her down.

Zixx: Actually word about her travels really fast.

Me: I see. But yeah we need all the help we can get.

Kevin got on his WarKevin suit while Nazz got on her Iron Girl suit.

Iron Girl: Let's keep an eye out.

Me: Good idea. But the Questworld radars are picking up 5 signatures ahead.

Nico: Okay.

Me: Here's some weapons for some of you.

I typed in a code and Nico, Eli, Sarah, Jonny and Rolf got powerful energy blasters and swords.

Nico: Cool!

Eli: Nice job bro.

Sarah: Awesome!

Flanngo: Hey, Griff. Try not to lose it when we fight her, ok? I know she tricked you and all…

Griff: I know but she still has to be stopped.

Me: And she will.

Nico: But this is still so awesome and neat though.

Me: Sarah is in the next room up ahead. Questworld scanners are showing she is.

They arrived and saw Sarah!

Aruto: Sarah, right? Put your hands over your head and get down on the floor!

Me: Sarah Mills, you're under arrest!

Sarah Mills: On what charges?

Me: Attempted murder and Blackmail.

Eli: In the name of the Galactic Senate and the Republic (Ignites Lightsaber) You're under arrest.

Sarah Mills: (Taunting) Ooh I'm so scared.

Eli: You should be.

Nico: Just come quietly and make it easy on yourself. You'll be saving yourself a whole lot of pain.

Sarah Mills: (to WarKevin): You shovel Chinned idiot. You don't know who you're up against.

WarKevin: Sure I do. I'm up against an evil girl who has the first name as one of my Cul De Sac buddies. Just another day in the office.

Aruto: Henshin!

He turned into KAMEN RIDER ZERO ONE!

Me: Yeah! And for the record bitch, Only Eddy is the one that calls Kevin, Shovel Chin! No one else!

Sarah Mills: I HATE YOU J.D.!

My aura flared up with amazing intensity!

Me: Thanks for the power boost.

Just then, Eddy's eye started twitching before Dark Eddy came out again and aimed Eddy's blaster at us.

Griff: Eddy? What are you doing?!

Dark Eddy: Oh, don't mind me. I'm just about to kill you all and become the only hero in the world. No biggie!

Dark Eddy fired Eddy's blaster at us, Sarah Mills included. But we avoided it.

Me: I knew it was coming!

Adam Frake: (To Sarah Mills) Whatever you did to Eddy, undo it right now!

Sarah Mills: I didn't do shit to him! If I did, he wouldn't be firing at me as well!

Me: Get him guys!

The Cul-De-Sac kids beat the living shit out of Eddy and smashed and pulverized him into a brutal and bloody mess! Dark Eddy was locked away till the next first mission.

Me: Whew!

Zixx: Was that Dark Eddy?

Me: Yep that was him. Nico put a curse on him that will banish him to the Black Gates after 24 times. This was the 3rd time. So this makes 21 times left.

Nico: Yep.

Zixx: You guys know magic?

Courtney: We sure do.

Sarah Mills: Still won't save you all though. Help your master Undead!

Out came 4 UNDEAD! It was THE ELEPHANT, JAGUAR, SERPENT AND TORTOISE UNDEAD!

Me: Whoa! The Elephant, Jaguar, Serpent and Tortoise Undead! I remember those guys!

Nico: Kazuma's enemies!

Eli: Some of them.

ZOOM!

Then Ellie Singh appeared by me.

Ellie Singh: Looks like I got here just in time.

Me: Boy you sure did Ellie!

Nico: Ellie? What are you doing here?

Ellie Singh: Kazuma told me that a bunch of Undead are with Sarah in the Virtual world so I rushed over to help out.

Nico: Your timing is perfect.

Me: And like Cornelia this will be perfect to help you get prepared for your missions.

Ellie Singh: Lets do it.

I added Ellie Singh to the mix and had her go in and then she zoomed in and ran at the Undead and kicked and smashed them all over.

Nico: I did not expect some of the Undead to be working with you!

Sarah Mills: Yeah I wanted to make this fun to destroy you all.

Me: Especially the Elephant Undead. That one gave Kazuma and the team a really hard time!

Azumi the Serpent Undead: (LAUGHS) You are going to die.

Me: That laugh has always been known for giving people headaches.

Aruto: (takes out Progrise Key of Man Boy) Time for some MANpower!

He activated it and GREW MUSCULAR!

Me: But these 4 Undead will make great additions to the M.O.E. It's Hiroshi that we have to worry about on February 12th.

Ellie Singh was kicking, blasting and slashing the Undead all over with incredible speed and her sword and slashed them all over.

Zixx: Wow! She is fast

Erica: My turn!

She activated her Ridewatch for Carnotaur and with a powerful roar she punched and kicked Sarah and smashed her down.

Eli: DRAGON OF THE DARKNESS FLAME! 炎殺黒龍波

Eli fired a massive blast of pitch black fire as hot as the sun and it formed into a powerful dragon and it hit Sarah and exploded with incredible power!

EXTREMELY MASSIVE FIERY EXPLOSION!

She was knocked down but not out.

Ellie slashed and defeated the 4 Undead and sealed them into Rouge Cards and then sent their bodies to the M.O.E.

Me: Awesome job Ellie!

Nico: Yeah well done!

Ellie Singh: Thanks. But I may experience this on other missions than just this.

Me: That will be awesome to face the Undead though.

Erica Haddock: It sure will!

Me: Yeah that was really cool though.

Ellie Singh: J.D. you can use these cards for a future use.

Me: Thanks Ellie.

Erica Haddock: Now for this.

She activated Carnotaur's Progrise Key and with a massive run and smashed and pulverized Sarah all over.

Kevin: YEAH!

Rolf: Rolf liking this!

Then Erica turned her teeth into TYRANNOSAURUS REX TEETH and bit her on her arm! Sarah screamed in excruciating pain!

Nico: OUCH!

Me: That has to hurt!

She was knocked down and then she got up.

WarKevin was about to fire a missile at Sarah Mills.

Sarah Mills: You wouldn't hurt a girl, would you?

WarKevin hesitated to fire.

Iron Girl: He wouldn't. But I would!

Iron Girl flew at Sarah Mills and gave her an uppercut.

POW!

She smashed her down.

Nico: Sarah you are not human, we know what you really are.

Courtney: That's right.

WarKevin: Oh! Well in that case! I don't have to hold back!

Kevin fired waves of missiles and blasted Sarah Mills all over the place!

Me: YEAH!

Eli: Activate Laser Gatling Gun.

I activated it and Eli got a powerful gatling gun and fired it at Sarah Mills and blasted her all over the place.

Griff: I can't believe I fell for you!

Sarah Mills: You're not my type anyway!

Griff fired waves of energy and blasted her all over. Eli then fired blasts of Force Lightning and electrocuted Sarah all over.

Eli: Take that!

Adam Frake: This is for tricking Griff, bitch!

Adam fired laser blasts and blew her around like a ragdoll!

Me: YEAH!

Nico: Take this!

Nico fired waves of energy and blasted Sarah all over.

Erica: And this.

Erica fired waves of energy and blasted her around.

Plank: Time to show you what I can do!

Plank flew and then jumped off the wall and then.

SMACK!

He smashed her in the face with a nasty hit from his body!

Nico: YEAH!

Eli fired more waves of Force Lightning and electrocuted her.

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE BACK OF A SEA URCHIN!

Flanngo: Say what now?

Rolf: SHAKLAVA!

KRASMASH!

Rolf smashed Sarah Mills all over the place with brutal fury and pulverized her into dust!

Rolf then put on a huge hammer hat.

Rolf: You must be punished.

Sarah Mills: Wait. What the Hell is that?!

Rolf: The Hat of Discipline. DO YOU LIVE IN A CAVE?!

KRASMASH!

He flattened her into a pancake!

Me: OUCH! But that never gets old too!

Erica: Yeah!

Rolf kept hitting Sarah Mills with the Hat of Discipline.

Rolf: Mestick! (hits her) Shlorvin! (hits her again) Eischlikt! (hits her again)

KRABLAM! SMASH! BLANG! SMASH!

Me: OUCH! That has to hurt!

Ellie Singh: That was brutal!

Kevin: Dude, what you did to Griff is something you're never gonna do again.

Rolf: GRIFF WILL HAVE HIS REVENGE!

Griff: YOU BET I WILL!

He fired massive blasts of energy and smashed her all over.

Nico: Had enough SALLY TEACUP?

Adam Frake: Actually, I was expecting she would say that to us.

Nico: Oh.

Me: Nice one though guys.

Nico: She will be sent to the M.O.E. Prison.

Erica: Yeah. I've had it with her.

Zixx: Me too.

Nico snapped his fingers and sent her there.

Me: Logging off now.

I pulled them out.

They were all back

* * *

We later came back.

Qin: Hey guys.

Kazuma: Are those undead destroyed?

Me: Yep.

I held up 4 cards for them.

Me: And they are in the M.O.E.

Lola: Awesome.

May: How did it go?

Nico: It was really cool! And Dark Eddy got beaten for number 3.

Lola: 21 times to go.

Qin: Yep.

We told everyone all about it and it was awesome.

Varie: Wow! That was awesome!

Shanan: And nice job sticking up for me dad.

Me: You're welcome Shanan.

May: Next time, Cheese and Carnotaur should come with you.

Nico: Good idea!

Lola: Cheese is gonna have fun annoying a bad guy.

Xenia: He sure is.

---

Later we were watching another Robot Chicken Sketch.

Mandy: Another day, another Robot Chicken Sketch.

Me: Yep. This will be a really funny one.

Qin: Yep. Lets do it.

Me: Here we go.

I got to playing the sketch.

---

(Continuing from Spring Break of Doom)

Robin: (looking away) Slut! She's a slut!

Lex Luthor: (gets mad) DIE, YOU!

Gorilla Grodd: Oh, hell no! (attacks Robin)

(As the Justice League and Legion of Doom start fighting each other, Starro, now as a gigantic starfish, emerges from the sea. The heroes and villains stop fighting)

Starro: Check me out now, motherfuckers!

Martian Manhunter: It's Starro! Like a mighty, New York City sewer alligator!

Brainiac: (to Captain Cold) I'd hate to say "I told you so." That is a lie (the heroes and villains running away and screaming in the background) I To- (Starro stomps on both of them)

Lex Luthor: Only our combined forces can defeat a foe that size!

Superman: Alright Luthor. I'll bring my super strength, laser eyes, invulnerability, and super speed. And you bring your slightly above-average intelligence

Lex Luthor: You know what ? Fuck you Superman

(Starro then tries to stomp on Lex and Superman but they dodged it. While the rest of the Justice Leauge and the Legion of Doom tried to attack the giant starfish, Starro summons thousand mini stars and attached themselves on the Heroes and villians faces. While the Joker is struggling to get the starfish off of him, Harley comes in to help him)

Harley Quinn: I got this one Mister J

Joker (Mussled): NO!

(Harley smacks her hammer on The Jokers face to get the starfish off of him but accidentally killed him instead. Batman catches Jokers dead body and cries out in agony)

Batman: Noooooo!

The Announcer: Death of The Joker now on sale. Collect all 18 variant covers

(Robin Shows up with all the comic books in his hand)

Robin: I got mine

Green Lantern: Hey Sinestro? You remember your lantern corp basic training?

Sinestro: The old Bow and Arrow Maneuver ?

(Green Lantern and Sinestro both use their rings to make bows but forgot to use the Arrows which cause them to scream at each other)

Green Lantern/Sinestro: YOU IDIOT!

(Starro then proceeds to shoot the two lanterns with his laser eye)

The Penguin: This parasol is more than just a fashion statement

(The Penguin uses his modified umbrella to shoot a flamethrower at Starro, but the wind cause the umbrella to turn the other direction and burns Scarecrow and Two-Face)

The Penguin: Sorry Sorry.

(The Wind then proceeds to carry The Penguin afloat)

The Riddler: Riddle me this? Can anyone hear me? RIDDLE ME THIS?!

(Starro then stomps on The Riddler)

Reverse Flash: It's time that Starro learned that speed kills.

(Flash and Reverse Flash were about ready to attack, but they also get burned by The Penguin's flamethrower umbrella)

The Penguin: Sorry, Sorry!

Cyborg: I got this guys

(Cyborg tries to go in to attack the giant alien, but he quickly gets electrocuted by the ocean water)

Aquaman: Maybe I can turn the tide of this battle. With the aid of my ocean friends!

(Aquaman uses his telekinetic powers to contact the creatures of the sea to fight Starro. Which then cuts to an army of seahorses lined up and being command by a seahorse with a captains hat and an eye patch

Captain Seahorse: Aquaman calls us, the Horses of the sea to fight! So if any of you wish to leave, go now, and let no seahorse hold in judgment he that does! You a free - all of ye - to do as you choose.

(The seahorses stand proudly and courageous)

Captain Seahorse: Aye, lads. Even Slow Witted Steve stayed.

(A Buck toothed seahorse is showed)

Captain Seahorse: And Crippled Kevin. Kevin, whose tail was gripped by a crab

(A seahorse with a crutch and a lose tail is showed as well)

Captain Seahorse: Look upon one another and know on that day, ye all chose to fight with the one with tight-green leggings and orange shirt, the one who sometimes carries a trident but mostly no, the one with the locks of gold fairer than any maiden! We fight for the one they call AQUAMAN!

(The Seahorses Cheered)

Captain Seahorse: So, ride the currents as though were set alight, for your names shall be remembered for this day and forever more!

(The seahorses cheered again as they follow their captain to victory)

Seahorses: FOR AQUAMAN!

(The Seahorses all jumped of the ocean to attack Starro as angelic and triumphed music plays in the background, until they all died from the collision.

(After that, the Heroes and the villains are scene tried and beaten up by the battle with only Lena Luthor and Superboy left. But as they about to comfort each other, Starro comes in and tries to finish the job)

Lena Luthor: If this is the end, I want to die, in your arms, among all these dead seahorses.

(The Captain Seahorse comes in and attack but also dies from the collision)

Captain Seahorse: FOR AQUAMAN!

Lena Luthor: So many dead seahorses.

Superboy: I Love you

Lena Luthor: I Love You!

Starro: Could it be? True love has touched even this old starfish's heart? We have no reason to fight my friends.

(When Starro was about to have a change of heart, Batman's voice can be heard from a distance)

Batman: SMILE, YOU SON OF A BITCH!

(Batman comes in stabbing Starro's gigantic eye with the green construct sailboat Green Lantern made for him in "Giving a Ride" killing Starro in the process)

Superman: I guess we learned something here today, Luthor

Lex Luthor: Indeed we have. For all our combine powers, we were fools to think we could defeat the greatest power in the universe - love.

(Cut to a wedding taking place on the beach as Superman and Lex getting emotional at the couple getting married)

Superman: It's so beautiful

Superboy (anxious): It's a little gross

Prist: The bride and groom will now read the vows they have written

(We then see Gorilla Grodd in a Tuxedo)

Gorilla Grodd: When I met Lena… (Lena congratulating him) I never realized one person could teach so much about life and love and following in my one passion. That's how I finally found the courage to ask…

(We then see Bizarro in a wedding gown)

Gorilla Grodd: Bizarro, will you marry me?

Bizarro: And - Bizarro say yes (no)!

Superman: Oh! It's so beautiful

Bizarro: Bizarro say Yes (No)! Yes (No)! Yes (No), yes (no), A THOUSAND TIMES YES (NO)!

Prist: You may no kiss the bride

(Grodd comes in for a kiss while Bizarro tries push him away from the kiss)

Bizarro: Yes (No)! Me want (Don't want) kiss! Yes (No)! Yes (No) (Sobbing)!

(Grodd kisses Bizarro while the crowd cheers for them. We then see Jimmy Olsen in the crowd somehow came back to life from "Nerd at the Daily Planet and complains about the ending of this special just like the last one)

Jimmy Olsen: This is how we're ending the second Robot Chicken Dc Comics Special, "With a bullshit fake-out wedding?"

Batman: DAMN IT AREN'T YOU DEAD?!

Jimmy Olsen: Oh, I got the magic amulet.

(We then see Lex in his band get up along with a stage and his high school bandmates)

Lex Luthor: Drop your cocks and grab your flip-flops. We are Sex Luthor.

(The Band Plays their song while the end credits play.)

---

When it was done we were laughing our heads off!

Qin: (LAUGHS) So funny!

Superman: That was really funny!

Xenia: Yeah it was!

Eye Brawl: (Transylvanian Accent) Um… that ending was bizarre.

Me: That was a weird ending. But the rest of it was still funny and awesome.

Hawkgirl: It sure was funny. That version of Starro was crazy funny though.

Lola: Yeah the one we know doesn't talk. But that was still funny.

Mandy: It was.

Lucy Loud: It sure was funny.

Xenia: (LAUGHS) Yeah.

G1 Vortex: Penguin's umbrella is not to be used for friendly fire!

Me: No it shouldn't. Also I don't remember it ever having a flamethrower function.

Batman: That is a new feature for it. But no he doesn't have that.

Lola: Good.

G1 Vortex: Yeah that was crazy. I don't think he would use that on Dew Gayl in his battles though.

Nico: No he wouldn't. Especially in the Iceberg Lounge.

Brawn: It's funny how love got Starro to stand down only for Batman to kill it.

Me: That was awesome and really funny though.

Lola: Yeah no kidding.

Me: Also we haven't met Lena Luthor yet. But at least she isn't like her brother Lex.

Qin: Thank goodness.

Lola: Yeah. That's the last thing we want.

Xenia: NO kidding.

Camie: And we've had enough of Lex to last an eternity.

Alucard: Nico, which teams have you made this time?

Nico: Nikiya's team will include Axel Manning, Marron, Hinatsuru, Suma, and Makio. Betty's group will include Catherine Windsor, Space Ghost, Birdman, Herculoids, and Thundarr the Barbarian.

Me: Cool! But we haven't met Hinatsuru, Suma and Makio from Demon Slayers yet.

Qin: Yeah but they are beautiful and amazingly well endowed.

Lola: They sure are.

Me: But it's cool having the Herculoids, Space Ghost, Thundarr and friends and Birdman in the mix.

Nico: It sure is.

Marron: And it's an honor to be part of the mix too.

Android 18: You're going to do good Marron.

Qin: Yeah she sure is.

Then Brass Knuckles, Springfield Bullies, Hydros, Pyros, Larxene, Shade, Shiv, 2016 Morbucks, Abis Mal, White Lightning, Libra Zodiarts, Aries Zodiarts, Evil Jewel Man, Evil Cloud Man, Zeru, Mz Ruby, Nightstrike, Yost Magneto, Quicksand, and Phantom Blot appeared.

Hydros: Can me, Brass Knuckles, Springfield Bullies, Pyros, Larxene, Shade, Shiv, 2016 Morbucks, Abis Mal, and White Lightning go with you guys?

Evil Jewel Man: Me, Libra Zodiarts, Aries Zodiarts, Evil Cloud Man, Zeru, Mz Ruby, Nightstrike, Yost Magneto, Quicksand, and Phantom Blot will go as well.

Dolph: And can we agree that was the weirdest ending to a Robot Chicken sketch?

Me: Yes we can definitely agree on that. But like cartoons, Robot Chicken Sketches always don't have to make sense.

Rarity: Oh that is absolutely true darlings.

Nico: And to answer your question yes you all can go with us. We're going to the 6th planet today.

Hydros: Cool!

Pyros: I wonder what it can be.

Me: We'll find out when we get there.

Barath Beyond: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Space Mambo next.

Me: Ooh! The Star Sunfish. That's a cool one.

Qin: It sure is. I think that one is a cool one.

Xenia: It sure is and that one is neat too.

Me: Yep.

King Kai: (Telepathically) Nico, can you hear me?

Nico: Yeah, King Kai, what's up?

King Kai: (Telepathically) I've got some really bad news: The Destroyer of Worlds has come back from the dead and he wants revenge on you guys for destroying, and even worse, The Sound 4 from the 4th Great War in 150,000 years have also come back from the dead and they want revenge, and even worse: they were all brought back by Adrastea Chernabog.

We gasped.

Mordecai: What?! The Destroyer of Worlds is back!

Nico: Oh man!

Me: Along with the Sound 4 from the 4th Great War in 150,000 years?! Those monsters just don't know when to quit!

Camie: Who is the Destroyer of Worlds?

Me: A video game monster. His face looks like the devil.

I went over his history.

---

The Destroyer of Worlds is one of the Arcade Games that Mordecai and Rigby discovered in the episode "Just Set Up The Chairs" of the cartoon series Regular Show, and also the main antagonist of the same episode. He appears to be nothing more than a pixelated floating devil head.

He was voiced by Mark Hamill.

Mordecai was unwilling to touch an old video game machine because of both the "out of order" sign on the front and the note was apparently written by Skips, warning them not to connect the red wire with the blue wire. Rigby, being the idiot that he is, connected them anyway, releasing a giant demon head that began to float around and set everything on fire. Destroyer of Worlds was later defeated by Rigby, who was just "mashing the buttons" on a system created by Skips in which a giant protagonist was created by joining all the other Arcade Games together.

He is later one of the villains resurrected by Garrett Bobby Ferguson Jr. in Exit 9B, he is seen teaming up with Susan (in her giant form), but is destroyed by the same protagonist in the first episode he appeared in.

He can shoot fire from his eyes and floats in midair. He seems to be invulnerable to anything that isn't digital (an example of this is when Rigby tosses a rock at him, as it bounces off of him and he gets mad).

---

When I was done everyone was shocked!

Camie: Whoa! This is gonna be tough!

Eli: Yeah!

Zaina Emperyous: And even worse, it was at the hands of Adrastea Chernabog, the leader of The Chernabog Sisters, now she's really getting desperate. When Selene and Lincoln get after her, she's going to pay for what she did in bringing The Destroyer of Worlds and The Sound 4 from the 4th Great War in 150,000 years back from the dead with her own blood.

Sailor Mars: (Growls) Along with the Destroyer of World and the Sound 4 from the 4th Great War in 150,000 years, they're going to pay for this!

Fu: Yeah!

We felt something within Sailor Mars and Fu growing, and we knew what it was.

Nico: Oh, no way, Sailor Mars and Fu are going to transform, this should be good.

Me: Yeah, you got that right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than the second eldest sibling of the Chernabog Sisters, Drusilla Chernabog, and she's major-leagued pissed off that we took down Zingh and ruined her fun, and now, she's coming here to get her revenge on us, and even worse, she's bringing Adrastea Chernabog with her. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to the second eldest sibling of the Chernabog Sisters, Drusilla Chernabog, and she's major-leagued pissed off that we took down Zingh and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us, and even worse, she's bringing Adrastea Chernabog with her.

Me: Sheesh, but this is expected.

Lori: This is something we'll have to deal with until they've been killed one by one, and only Adrastea Chernabog is left.

Zaina Emperyous: Yeah, and I should've known Lillith would get Adrastea involved, she really is a sore loser.

Lincoln: A sore loser who's about to have her demonic wings ripped out of her back for all of the evil things she and the rest of them have done.

Me: Yeah.

Nico: What a demonic bitch.

Lincoln: Better get the special traps set up for when Adrastea Chernabog shows up, along with Drusilla Chernabog, Selene.

Selene Emperyous: We're already on that, Linky.

Nico: And she'll also not only be deterred and restrained again, but they'll also get to watch as Zaina and Lincoln destroy the last of her sisters. Alright, gang, let's go, we're heading to another awesome Thanksgiving food planet, and we got word that The Destroyer of Worlds, along with The Sound 4 from the 4th Great War in 150,000 years, have come back from the dead for revenge, and they're waiting for us there.

Lincoln: Those five monsters aren't going to get away for everything they've done, and once we get through with getting rid of The Destroyer of Worlds and The Sound 4 from the 4th Great War in 150,000 years, you're next, Drusilla Chernabog, and you're going to get a nasty scar on your face for bringing those monsters back, Adrastea Chernabog.

Libra Zodiart: Let's get going.

Brass Knuckles: I call shotgun!

We went to the ship and we were off!

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7075.2: The U.S.S. Valorous Phoenix is en route to the 6th planet of the Thanksgiving planets and our mission is to destroy the Destroyer of Worlds and banish him back to the Warp and also destroy the Dark Sound 4 and give them the Black Gates.

Qin: I have a feeling this will be brutal.

Me: And believe it or not guys we faced the Destroyer of Worlds before.

Camie: Really?

Me: Yep.

I went over what happened in chapter 970 and it was epic.

Camie: WHOA!

Eli: That is amazing bro!

Xenia: It sure is!

Jonny was sad.

Kearney: Something wrong, Jonny?

Jonny 2x4: I really did like it when Plank could talk and move like us in the virtual world.

Aria Blaze: I get it. And now that you're out of there, you're back to being the only one who can hear him.

Jonny 2x4: Yeah.

Me: Sorry Jonny. But we'll think of something.

Lola: Yeah.

Kazuma: I did not expect Sarah Mills to have 4 undead with her too.

Me: Me neither Kazuma. But it was awesome helping Ellie get prepared for your missions coming up soon.

Ellie Singh: It sure was cool.

Larxene: (to Taylor Smith) Your name actually sounds similar to Taylor Swift.

Zeru: I noticed that too.

Taylor Smith: (LAUGHS) That is true. I do have a name similar to that. But yeah.

Me: I think that's cool. And Taylor Swift is awesome.

Lola: It sure is.

Nico: Yeah.

Bowser: So, you were flirting with Nico, huh?

Taylor Smith: I don't even remember doing that!

Me: When the brainwashing was removed she had those memories erased.

Bowser: Oh.

Eli: But we still freed her and Casey though.

Lola: We sure did.

Shiva: Well, Nico's still accepting people for his harem.

Nightstrike: If you're interested.

Taylor Smith: Well I would be honored.

We got to landing and we later got out and then we saw that the planet was really a WORLD MADE OF ROASTED CORNISH GAME HENS!

Me: Whoa! Roasted Cornish Game Hens!

Qin: Oh wow!

Quicksand: No one has a problem with this planet, right?

Abis Mal: I sure don't!

Me: Very exquisite.

I ate a cornish game hen and spit out all the bones.

Me: Yummy!

Qin: We got to eating them.

Lola: (Eating one) Delicious!

Mr. Boss: I hope there's Silkie Chicken here too.

Me: Lets get to building camp and have a good meal.

We got to setting up a camp and we had a great meal too.

Lola: (Eating) Wow! So good!

Qin: (Eating) Yummy!

White Lightning: Man, this is very good!

Phantom Blot: I know, right?!

Me: Even though Cornish Game Hens are not part of the Traditional Thanksgiving meal it's still very awesome to eat.

Qin: It sure is. But they do make an awesome substitute whenever you can't find turkeys.

Lola: True.

Me: Yeah that's true.

Lynn Sr.: That is a true thing there.

Nico: I agree there. Quite frankly I love Turkey, Pizza, Tamales and everything on Thanksgiving.

Rosa Casagrande: (Spanish Accent) Oh thank you Nico. It's good you like all our cooking.

Me: (Eating) Mmm.

Lola: All your cooking is awesome Mrs. Casagrande.

Blast Off: It sure is.

Nico: Yeah.

Rarity: (Eating) I just can't believe that Cornish Game hens are so good.

Me: They sure are and they are also one of the most exquisitely good meals in the Luxurious world.

Nico: They sure are.

We were really having an awesome meal.

When it was done we were stuffed!

Me: Ahh! (BURPS!) Oh pardon me.

Me: It is awesome.

Larry 3000: I'm amazed you even knew how to make such an exquisite dish like that J.D.

Me: Well I learned it from one of your cook books Larry. They are really cool.

Mary Knudson: That's also where I learned some of my high class cooking from.

Erina: That makes sense but wow. That is so awesome.

Lana: I'll say. I hope the next planet we go to is a pie planet. As long as it's not rhubarb.

Camie: Why?

Me: Lana is allergic to Rhubarb.

Manterror: I have a feeling that it won't be Rhubarb.

Me: Me too.

Drill Bit: Good. We got to be careful around stuff like that for some people.

Qin: We sure do.

Me: But this was still an awesome planet to come to. Even though it's not a traditional planet it's still awesome.

Lola: It sure is.

Camie: Yeah. It would be really cool if we get to battle Queen Opaline on one of the Thanksgiving Planets.

Me: Me too. That would be really cool.

Lola: It sure would.

Xenia: Which one would have sounded like a good one?

Me: The Pizza planet.

Eli: OOH! Yummy.

Camie: Why that one?

Me: 2 years ago during Thanksgiving we went back in time to help stop Turkeys from being put on the menus. And we replaced it with pizza.

Nico: I remember that.

Camie: Wow! So that explains why pizza was put on the menus for Thanksgiving.

Me: It sure is. The best part about that mission was meeting my ancestor William Bradford, one of the Pilgrims.

Eli: That was fun.

Mz. Ruby: Look, like it or not, we're battling Opaline on her home turf.

Shade: As well as any other dumbasses she has with her.

Camie: I know I was saying hypothetically.

Mz. Ruby: Oh sorry.

Qin: No worries.

Xenia: But coming to all these planets for Thanksgiving is so awesome.

Tsuyu: It sure is.

Misty Brightdawn: At least my clone is holding out till then.

Me: Good.

Tayuya: Now, let's go find that fakeass bitch version of me.

Me: Took the words right out of my mouth Tayuya.

Nico: I sense they are not far.

Eli: They are to the east at 100 klicks.

Nico: Then lets go.

We were off.

Pyros: I can't wait to roast them.

Evil Cloud Man: Easy, buddy.

Nico: We're almost there.

Eli: They are right behind that hill.

We got ready.

We got to the top and we saw them!

Leozack: We all know what time it is.

Me: Entrance time.

We went at them.

The Destroyer of Worlds walked around and laughed malevolently.

Dark Tayuya: When are those motherfuckers going to get here!?

A Figure came out and it was CARNISOAR THE HAWK RINSHI!

---

Carnisoar was the Sky Overlord and the holder of the Hawk spirit, a master of aerial martial arts. He used a halberd and feather shurikens in his attacks. He is the first teacher of Dai Shi and one of Dai Shi's teachers alongside Jellica and Grizzaka. At first Carnisoar helped Dai Shi with with his goals, but later betrayed him and joined Grizzaka. Carnisoar serves as one of the main antagonists of Power Rangers Jungle Fury. He is also the second strongest Overlord.

Carnisoar was one of the Overlords. Ten thousand years ago Carnisoar fought alongside Dai Shi and other Overlords against Pai Zhuq Academy and Phantom Beasts. Carnisoar was destroyed in the war. When Naja was destroyed, Camille took his life talons and gave them Dai Shi. Intending to resurrect the Overlords to become stronger, Dai Shi chooses Carnisoar to be the first, to Camille's dismay, due to his brutal teaching methods. Upon his revival, Carnisoar took Dai Shi into Jarrod's past to eliminate every good deed that performed as a child, making him stronger, as a result. After this, Carnisoar returned to Dai Shi's hideout to begin the actual training, teaching Dai Shi to harness Jarrod's negativity as power until Jellica was revived. After Dai Shi manages to beat Jellica, Carnisoar leaves Dai Shi's training to her. He returned to help Dai Shi kill the Rangers briefly, reviving the Shadow Guards. Carnisoar later sided with Grizzaka, upon his revival, setting up the chamber to revive the Phantom Beast Generals after obtaining their Crystal Eyes, for Grizzaka. Once arriving at the Rhino Nexus, with the other Overlords, where they ran afoul of the Power Rangers. Carnisoar fought Casey, Theo, Lily, and RJ in his Illusion Dimension after withstanding the Claw Cannon. When Casey used his Tiger Instincts to find the real Carnisoar and attacked him before Carnisoar grew and fought the Wolf Pride Megazord and the Jungle Master Megazord. Carnisoar managed to overwhelm them by jumping on their shoulders and attacking them with his staff until Dominic arrived in the Rhino Steel Zord. Dominic battled Carnisoar and defeated the villain. Before he was destroyed at the hands of the Rhino Pride Megazord, Carnisoar tells rangers that they may have defeated him, but the "war is far from over". Carnisoar was revived by Dai Shi for the final Beast War, but was destroyed again by the 7 Pai Zhuq Masters.

---

Casey Rhodes: Carnisoar!

Me: Whoa! I remember you! You are one of the Overlords of the Rinshi!

Me: Wow!

Carnisoar: Am I really the last Overlord to appear again?

William: Actually, yes. Jellica and Grizzaka already went.

Me: Yeah but this will be fun for you.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Daria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Daria Kuso: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Daria, what's the story on how you stopped Lori before she tried to kill Lincoln?

Daria Kuso: You're not going to like this one bit, Nico. One day, Lincoln and I were walking home from school, but then, we heard the sound of an inhuman screech, and we saw who it was coming after us in a fit of rage: it was Lori, and she was completely insane. But, I wasn't going to let Lori come here to kill us, so I fired a powerful blast of fire and it burned off her eyebrows, and this of course made her extremely furious, but then, I saw Lincoln fire blasts of lightning and electrocuted Lori and she'd been knocked down and out, we tied her up in nylon rope so she couldn't get out, and we called Luna to come get us. She came and we went home with Luna dragging a tied up Lori, and when we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, they grounded her for fifteen weeks and they also took away the car keys, cutting off her driving privileges. We took a look at the footage and we saw that Leni didn't look where she was going and hit the drawer and it caused Lori's phone to fall from her drawer and the screen cracked and it really freaked Lei out and she ran.

Nico: Yikes.

Lincoln: But, this was an accident at the time, but to Lori, this drove her mad and her desire to kill me took her over and so did Dark Lori. But, Daria and I stopped her.

Daria Kuso: We sure did, Lincoln, but of course, this caused Lori to hate me forever and she would do anything to get revenge on me, and I swore if I found out that Lori dared to make any alliances with any villains, I would make her pay and she was going to get burned.

Me: Yeah, I remembered that all too well.

Nico: And that's really serious, so Lori was basically on thin ice and if she makes an alliance with any of the most evil villains, she was going to get burned.

FLASHBACK ENDS

They fired waves of energy and elements and the blasts all hit Carnisoar and he exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead!

Nico: Carnisoar, you have failed this planet.

Misty Brightdawn: He sure has!

Then there was a bright green light that appeared on Misty's right ring finger and it formed into her own Spirit Animal Ring! It was for the Hawk!

Misty Brightdawn: Wow! The Hawk Gem!

Nico: Cool!

Isabel came.

Isabel: The hawk is perfect for you Misty and because of your keen sense of observation it picked you for a reason. When the hawk is your spirit animal, you have a powerful guide on your side who reminds you that you can let your imagination soar while not losing touch with reality. Hawk people have the ability to connect to the spirit world and manifest what they learn to make life better on Earth. When you have the hawk as a spirit animal, you may have an inclination towards using the power of vision and intuition in your daily life. The hawk totem provides wisdom about seeing situations from a higher perspective, using the power of observation, and focusing on the task at hand. It's a good companion to develop spiritual awareness.

Misty Brightdawn: Wow! That is cool!

Eli: It sure is!

C.C.: I think it's perfect for you Misty.

Misty Brightdawn: Wow it sure is.

Then a green light appeared out of nowhere and landed in her hands and it was THE HAWK WILD ZORD CRYSTAL!

Misty Brightdawn: (GASP) The Hawk Wild Zord picked me!

Nico: It sure did Misty.

She got her own Crystal Saber too.

We summoned all the rangers and riders.

Nico: It's buttkicking time!

Dark Tayuya: Time for you to die J.D.!

Me: Bring it on!

Fu: Alright, that's it, I've had it up to hear with you miserable cretins to last an eternity.

Suddenly, something within Fu's mind snapped as the memories of the multitude of crimes that the Sound 4 from 150,000 hence had committed in Orochimaru's name rushed through her head and her orange eyes turned neon orange and she was surrounded by a yellow energy aura with beetles, chakra, and lightning, she unholstered her massive Sword of The Jinchuriki from her back, and as she approached The Sound 4 from 150,000 hence, she left yellow energy, lightning, chakra, and beetles with every step.

Fu: You four monsters absolutely make me sick, it's bad enough that you were a bunch of monsters who served Orochimaru with insane loyalty and caused a ton of trouble throughout the Four Great Nations for so many years. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, I would've thought that we were finally rid of you four long ago for all the crap that you caused, but to find out that you came back again and refuse to stay dead,… , THIS TIME, YOU FOUR HAVE CROSSED THE LINE FOR THE FINAL TIME, NOW I'M GOING TO GET RID OF YOU FOUR ONCE AND FOR ALL, AND THIS IS ALSO GOING TO SERVE AS ONE LAST FINAL WARNING TO ADRASTEA CHERNABOG WHO BROUGHT YOU ALL BACK!

We gasped at the extent of Fu's fury.

Me: Whoa!

Naruto: Fu's now extremely furious now.

Lincoln: Adrastea's really crossed the line for the last and final time, and now, her four playthings are going to pay the price.

Eli: HIT THE DECK!

We took cover behind a Cornish hen as Fu screamed like a madwoman and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive and huge explosion of energy and she was surrounded by a yellow energy aura with lightning bolts and lightning crashing down from the heavens, there are beetles and Chomei the Seven-Tailed Beetle flying around the vortex, and in the vortex is a red phoenix with the eyes of Chomei the Seven-Tailed Beetle glaring at The Sound 4 from 150,000 Years hence. Then, as the vortex faded, Fu emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Fu grew from 6'11" to 7'4" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing blue hair, she has neon orange eyes and a yellow energy aura with beetles, chakra, and lightning surrounding her, she has a rhinoceros beetle with the Thunder Kanji in its mouth emblazoned on her forehead, she has on beetle earrings with yellow gems for eyes and holding the Thunder and Eternity Kanjis in its mouth, she has on her Crystal Necklace of The Buddha with orange gems on the gold lightning bolts and orange crystal links and an orange beetle-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a rhinoceros beetle with yellow gems for eyes and holding the Thunder and Eternity Kanjis in its mouth for the pendant, she has on a sleeveless white blouse, sleeveless orange shirt, white skirt with lightning bolts, black knee-high boots, and a long white sleeveless trenchcoat with lightning bolts and beetles on the coattails and on the back is Chomei the Seven-Tailed Beetle surrounded by lightning bolts and beetles. Suddenly, Fu felt a sharp pain on her back, and then, her massive light blue angel wings grew much bigger for her new body and the feathers had orange tips, and she has Chomei's seven wings out, she has on a Ring of The Phoenix with orange gem and heart-shaped gem embedded in it on her right ring finger and a Star Sapphire Corps ring on her left ring finger.

Suddenly, Fu's Sword of The Jinchuriki and all the swords she'd gotten began merging together and they were surrounded by a kaleidoscope of yellow energy, lightning, beetles, and rhinoceros beetles, and when it emerged, it was transformed into Chomei's Electric Lightningstorm Beetle Greatsword of Electric Beetle Justice, it's a brand-new large greatsword with Chomei the Seven-Tailed Beetle etched on the 7'0" massive, wide, double-edged yellow blade, large beetle heads for the crossguard, large orange gem embedded for the rainguard, longer midnight black handle, four large beetle heads and a large orange gem below the beetle heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with pink gems on her wrists, her gold Belt of Elemental Bravery with a gold version of Chomei's head with orange gems for eyes and a large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's an orange kanji below Chomei that said, "Fu, Jinchuriki and Partner of Chomei the Seven-Tailed Beetle, Former Kunoichi of The Hidden Waterfall Village and Member of The Hidden Leaf Village, Friend of Naruto Uzumaki-Namikaze and Many, Destroyer of Suien and Killer of The Great Enemies of The Four Great Nations, Archenemy of Suzaku, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning and Rhinoceros Beetles"

Fu has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA SEVEN-TAILED ELECTRIC SUPERCELL THUNDERSTORM LIGHTNING RHINOCEROUS BEETLE OF DIVINE ELECTRIC SEVEN-TAILED THUNDERSTORM BEETLE JUSTICE AND DIVINE ELECTRIC THUNDERSTORM BEETLE LOVE!

We were amazed by Fu's Super Angel Celestial Eternal Xelnaga transformation, but when The Sound 4 from 150,000 years hence saw it, they were furious and rushed at her to kill her, but Fu fired a powerful yellow energy blast with lightning, beetles, rhinoceros beetles, and Chakra, and it hits The Sound 4 and they were electrocuted badly and were sent flying into a wall, and when they got out, they were furious.

Fu: (Divine Echoing Cosmic Voice of The Seven-Tailed Electric Thunderstorm Beetle Angel and Divine Electric Lightning Thunderstorm Love) **There's plenty more where that came from, you freaks!**

This angered the Sound 4 of 150,000 hence, and they transformed into their Cursed Mark Level 2 forms.

Jirobo: I should've guessed they'd resort to that.

Kidomaru: Yep, but Fu's ready for them.

Kimimaro: Indeed, and soon we'll never have to see them again.

Sakon: Now, their time's finally up.

Ukon: And we'll never have to see our bad versions of ourselves ever again.

Tayuya: I've never forgotten what I looked like when that snake gave me that Curse Mark, but I'll never have to see that bitch ever again.

Sailor Mars: That's it, I've had it up to hear with you to last an eternity, Destroyer of Worlds.

Suddenly, something within Sailor Mars' mind snapped as memories of what The Destroyer of Worlds did to Mordecai and Rigby and their friends in the past came rushing into her head, her purple eyes turned neon purple, and she was surrounded by a red energy aura, angels, red flames, and stars surrounding her, she unholstered her Sword of Mars from her back, and as she approached The Destroyer of Worlds, she left red energy, angels, red flames, and stars with every step.

Sailor Mars: You absolutely make me sick, Destroyer of Worlds, you've done so many horrible and nasty things in the past, especially to what you did to Mordecai, Rigby, and their friends, and I can't forgive you for that. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, I would've thought you'd never return after we destroyed you all long ago when you came back, and for what you've done to Mordecai, Rigby, and their friends in the past… , YOU'VE CROSSED ONE LINE TOO MANY, YOU LOW-DOWN, SADISTIC, EVIL, BLACK-HEARTED, MURDEROUS PIECES OF SHIT, AND NOW, I'M GOING TO MAKE SURE THAT YOU NEVER EVER RETURN AGAIN TO HURT BENSON AND OUR FRIENDS FROM THE PARK!

We gasped at the extent of the fury coming from Sailor Mars.

Lincoln: Uh oh, Rei's snapped big time!

Nico: More like she's exploded, and this also reached Adrastea Chernabog since she was the one who also resurrected The Destroyer of Worlds in the first place.

Me: Along with The Sound 4 from 150,000 hence.

We also saw them still getting the tar beaten out of them by Fu.

Eli: HIT THE DECK!

We took cover as Sailor Mars screamed like a madwoman and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of fire and red energy and she was surrounded by a massive vortex of red energy with red flames, and stars surrounding the vortex, there are angels and a cat flying around the vortex, and in the vortex is a red phoenix with the Astrological Sign of Mars above its head. Then, as the vortex faded, Sailor Mars emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sailor Mars grew from 5'11" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing black hair, she has neon purple eyes and a red energy aura, angels, red flames, and stars surrounding her, she has a cat with the Astrological Sign of Mars emblazoned on her forehead, she has on cat earrings with red gems for eyes and holding the Fire and Eternity Kanjis in its paws, she has on her Crystal Necklace of the Buddha with red gems in the gold flame links and red crystal links and a red angel-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a cat with red gems for eyes and holding the Fire and Eternity Kanjis in its paws for the pendant, she has on a short-sleeved white blouse, red short-sleeved shirt with flames on it, long red skirt with stars on it, white stockings, white knee-high high heels, and a long sleeveless white trenchcoat with red flames and stars on the coattails and on the back is an angel with the astrological sign of Mars above its head. Suddenly, Sailor Mars felt a sharp pain on her back, and then, massive black angel wings with red tips grew and sprouted out from her back, she has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on her right ring finger and a Star Sapphire Corps ring on her left ring finger.

Suddenly, Sailor Mars' massive Sword of Mars and all the swords she'd gotten began merging together and they were surrounded by a kaleidoscope of red energy, red flames, stars, and angels, and when it emerged, it was transformed into Sailor Mars' Eternal Love Angel Mage's Staff of Red Fire Justice, it's a brand-new Mage's Staff measuring at 8'1" in length with a large red globe mounted on top of four white dove heads with red gems for eyes, large red gem surrounded by a white ring and a white dragon coiled around one end of the long black handle and on the other end is a red gem and below it are four smaller white dove heads with red gems for eyes below a large gold crescent-shaped weight and large red gem on it, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, gold Belt of Elemental Bravery with gold angel head with red gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a red kanji below the angel that said, "Rei Hino Also Known As Sailor Mars, Sailor Guardian of Fire, Member of The Sailor Scouts, Shrine Priestess of Hikawa Shrine, Destroyer of Queen Beryl and The Moon Kingdom's Villains and Enemies, Reincarnation of Princess Serenity, Friend of Serenity, Molly, Amara, Hotaru, Lida, Galaxia, Ami, Mina, Trista, Michelle, and Yulia, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Fire, Stars, and Angels"

Sailor Mars has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY CELESTIAL MARS FIRESTORM SAILOR ANGEL OF DIVINE HOLY CELSTIAL MARS FIRE JUSTICE AND DIVINE MARS FIRE LOVE!

We were amazed by Sailor Mars' Super Angel Celestial Eternal Xelnaga transformation, but when The Destroyer of Worlds saw it, he went ballistic and went after her to kill her, but Sailor Mars fired a powerful red energy blast with stars, red flames, and angels at The Destroyer of Worlds, and it exploded with incredible power and it sent him flying, and when he got out, he was pissed off incredibly.

Sailor Moon: Whoa! Rei's transformed, awesome!

Sailor Mars: (Divine Echoing Cosmic Voice of The Holy Celestial Eternal Sailor Mars Angel and Divine Holy Celestial Firestorm Love) **There's a lot more where that came from, Destroyer of Worlds, hope you've said your prayers, and the same went with the Sound 4 from 150,000 years hence.**

Nico: 'Cause we're going to make you suffer for everything that you monsters have done!

Lincoln: Get ready to say your goodbye to another of your playthings, Adrastea Chernabog, because you've just pissed us off for the last time!

We went at them.

Fu was walking up to the Sound 4 and they were back with a vengeance.

Dark Tayuya: You are a fucker that is always ruining evil's plans! Damn that pisses me off!

Dark Jirobo: Tayuya, watch your language.

Dark Tayuya: Oh shut up fatso!

Fu: **How about you fuckers BOTH shut up!?**

Dark Sakon: We will still get our revenge on you for killing us!

Fu: **Even after 150,000 years, you 4 fuckpots just won't take a hint. Even after spending all that time in Hell and the Warp. Like J.D. already told you assholes, He is far more powerful than he was when you all fought the last time. Now so am I.**

Dark Tayuya: Don't underestimate us you piece of crap! Got it!?

Fu: **Says the pot calling the kettle black you fucked up bitch! You are the ones who underestimated me. Because you had no**

**idea that you were fighting the long lost leader of Team Loud Phoenix Storm. You guys are still as weak as you were the last time we fought.**

Dark Jirobo: I'm gonna shut that big mouth of yours for you!

Fu: **Two words Jirobo: FUCK YOURSELF!**

The Sound 4 charged at Fu and she flared up her ultimate power to the extreme and went at them! Fu punched Dark Tayuya in the face and kicked Dark Kidomaru in the stomach and punched Dark Sakon and kicked Dark Jirobo and fired a powerful blast of fire and energy and Dark Tayuya and the blast hit her and exploded. Blowing her chest open and Fu kicked her head and kicked Dark Jirobo in the face and punched him in the stomach and punched Dark Sakon & Ukon in the face and fired a powerful blast of lightning at them and electrocuted them all over and Fu kicked Jirobo and fired a powerful barrage of leaves and cut them up.

Fu landed in front of them and she asked them a question.

Fu: I don't understand you fuckwits. Why are you serving someone like the Destroyer of Worlds all just to get revenge on J.D. for killing you 150,000 years from now? All you are is nothing but a bunch of tools to him

Dark Sakon: What? We're nothing but tools? Is that what you called us?

Fu: **Uh yeah.**

Dark Sakon laughed.

Dark Jirobo laughed too.

Dark Kidomaru: You ignorant fool. We have nothing whatsoever to do with the Masters of Evil.

Dark Sakon: Our reanimation is simply because of our loyalty to Lord Orochimaru.

Fu: (Sighs) **Even after all this time you still follow someone as**

**fucked up and as delusional as that snake fucker.**

Sakon: Quite so. He made us a promise long ago and this is the result of that.

Fu: **Humor me.**

FLASHBACK - 150,000 YEARS HENCE

Orochimaru was watching a bunch of prisoners fight each other mercilessly and Kabuto Yakushi was with him.

Orochimaru: Yes, that's it. Kill each other off. And if you are not taking this battle seriously, then I'll just kill you myself.

It was a gruesome and terrible battle and there were many people dead. The only ones left standing were Tayuya, Sakon & Ukon, Jirobo and Kidomaru.

Orochimaru: The feeling that's born when one transcends the fear of death. Yes that's it. That's what I wanted to bring out in you. Just look at those fine eyes of yours. Now I shall bestow upon you greater power and you shall carry out my bidding as my favored ones.

Sound 4: NINJA ART: 4 FLAMES FORMATION!

A powerful blackish purple barrier formed during the fight with Orochimaru and the 3rd Hokage.

Sakon: (Narrating) Standing at Lord Orochimaru's side, we've been witnessed to many jutsu. But the ultimate is the Reanimation Jutsu.

After I defeated Orochimaru and destroyed his entire career as a shinobi permanently, he was lying in bed and seething in rage and burning in pain.

Orochimaru: That fucking brat! I can't believe he ruined me! HOW DARE HE!?

He had the Sound 4 by his bedside.

Orochimaru: What? Do you have something to say?

Sakon: No.

Orochimaru: In the condition I am now, you four might be able to kill me. This is your chance if you dare to try.

But the Sound 4 wouldn't do so.

Orochimaru: Well it seems that as long as the Curse Mark binds you, you cannot bring yourself to raise your blade against me. Although the invasion was a failure from the start, you did make yourselves useful in the attack on the Hidden Leaf. For that I shall reward you. What do you wish for?

Sakon: There's only one thing Lord Orochimaru.

Jirobo: Power. Power as a shinobi. We wish for nothing more than that.

Orochimaru: So it shall be. That's quite impressive. All of you. I commend you on your choice. I'll add each of you to the sample. To access the next level of power within you, you will need a vengeful heart. Possessing an extreme desire for revenge will rapidly increase the power of the Curse Mark.

Kidomaru: What's the connection between that and the Reanimation Jutsu?

Orochimaru: The emotions you 4 learned from overcoming the fear of death at that laboratory are resentment and hatred towards me. No, an even stronger feeling. I'm sure you swore to get back at me one day. Even if you were killed in the process. That emotion, when you can hate someone as strongly as that. Once you're actually killed you take it with you. That hatred towards the one who put you to death. You die thinking that you could be resurrected, it will be to only seek revenge. Yes. Through the Reanimation Jutsu, you will return as one seeking vengeance. You will attain power unlike anything you've ever had before. The source of your newfound strength will be your consuming desire for vengeance. Embrace that power. Take pleasure in it, revel in its might.

FLASHBACK ENDS

Dark Sakon: Today just as it was in the future you killed us in, we belong to Lord Orochimaru!

A massive blast of wind blew and I felt their power increase dramatically!

Dark Kidomaru: We are Lord Orochimaru's very own Seekers of Vengeance!

Malevolent dark purple auras flared up around the Sound 4 as their powers were rising dramatically at an accelerated rate!

Dark Jirobo: The intense hatred and resentment that we harbor towards you will allow us to unleash the full depths of our power!

Dark Sakon: The way it stands now, no one can stop us!

Dark Tayuya: And don't you even dare to lump us in with all those other fuckpots you fought you fucking piece of trash!

Storm clouds rapidly formed and the sky was darkened and lightning struck all over the place. Fu's aura was getting stronger because of their hatred.

Fu: **So you all were brought back just to get revenge on J.D. for killing you? You 4 are just as fucked up as ever. Then it's time for me to get serious and show you fuckers that I am far more powerful than I look right now.**

Fu then flared up her power to an intense level.

Fu: Time to go all out.

Fu went at them at a tremendously blinding speed and punched Dark Jirobo in the face with devastating force and kicked Dark Tayuya in the face and sent them both crashing into a bunch of trees and Fu fired a powerful blast of fire at them and it hit them and exploded with incredible power.

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Fu kicked Dark Kidomaru in the face and teleported behind him as he fired gold arrows at her and she grabbed his four extra arms and pulled and she ripped them clean off and he screamed in excruciating pain! Fu kicked Dark Sakon in the face and fired a blade of light and cut Dark Sakon and Ukon in half and fired a powerful blast of lightning at him and electrocuted them both and fired a powerful blast of lava and burned them all over and fired powerful shards of crystal at Dark Kidomaru and skewered him all over the place and she kicked him in the face and teleported and kicked him in the back and fired a blast of fire at him and burned him all over and Fu kicked him high into the air and dealt a spinning axe kick to his stomach and sent him crashing into the ground. She sensed Dark Tayuya coming at her from behind and she kicked at me and Fu dodged her strike and grabbed her leg and elbowed it and there was a nasty sickening crunch and she screamed in excruciating pain and Fu elbowed her in the face and swung her around and sent her crashing into the ground. Fu then formed a Supernova energy ball and sent it at Dark Tayuya and it hit her and exploded in a massive fiery explosion of incredible power.

**KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO**

Dark Jirobo jumped at Fu and she sensed him coming from behind and teleported as he did a powerful punch at an incredible speed and Fu fired a massive barrage of wind blades at him and cut him all over and she fired a powerful ball of light at him and it hit him and exploded.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Fu then teleported and punched Dark Sakon and kicked Dark Ukon in the face and she fired powerful blasts of water at them both and sent them crashing into a bunch of trees. The Dark Sound 4 were down, but they were severely weakened and badly beaten. Fu had completely overwhelmed the Dark Sound 4 like they were 150,000 years from now.

Dark Tayuya got up and she saw how much I've changed.

Dark Tayuya: I can't fucking believe it! She's changed so much!

Dark Kidomaru: I HATE YOU FU!

Her aura flared up with incredible power.

Fu: **You fuckers hate the fact that you're completely powerless to stop me. That you are completely outclassed and outmatched. Your power up fueled by revenge has only made you weaker than you were before. Well imagine feeling the way you do now all of the time like those that were killed by Orochimaru once felt. Fools! How do you think everyone felt when they were experimented on and turned into dangerous barbarian mutants like you guys were. They wanted to be put out of their misery. But J.D. granted their wish after he killed Orochimaru. Now it's your turn you Sound fuckers. I hope you like the surprise I have coming for you.**

Dark Jirobo: We'll see!

Dark Tayuya: YOU MOTHERFUCKING BITCH!

Fu flipped the bird at her and then all of the Sound 4 came at her from all 4 directions and just as they were about to hit her, Fu teleported into the air and they collided and they rammed into each other and fell down.

Fu: **Now you will go back to hell. SPECTRUM STYLE NINJA ART: VISIBLE LIGHT RASENSHURIKEN STORM!**

Fu formed 70 Rainbow Rasenshuriken of each of the 7 colors of the rainbow. 10 for each color and she threw them all at the Dark Sound 4 and they hit them all at once and exploded with incredible power!

***KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO***

The explosion was so powerful and so devastating that it blew much of the area apart and the power it had was incredible! When the smoke cleared, all of the Dark Sound 4 were lying in the ground in the middle of a crater.

Fu: **You four have no right to live.**

She landed on the ground and they got out of the crater.

Fu: **Got to admire their spirit.**

They still had an incredible fighting spirit after everything Fu did to them.

They came at Fu charging and she held out her hand and it was pointed at them.

Fu: **UZUMAKI BLACK JUDGEMENT SECRET ART: BLACK GATES!**

All 4 of them glowed and were found guilty purple and they were completely obliterated in an instant!

Dark Tayuya: DAMN YOU TO FUCKING HELL FU! (FADES AWAY!)

Dark Kidomaru: WE WILL BE BACK! (FADES AWAY!)

Dark Jirobo: YOU HAVEN'T SEEN THE LAST OF US! (FADES AWAY!)

Dark Sakon: YOU WILL BE IN HELL WITH US! (FADES AWAY!)

They were obliterated from existence forever as if they never were born in the first place.

Fu: **Not gonna happen ever again.**

We were really pulverizing and blasting the Destroyer of Worlds like we did before.

Lincoln and his Harem: CHICKEN FINAL SMASH: CHICKEN ATTACK!

They summoned a stampede of chickens! The blasts all hit the Destroyer of Worlds and obliterated him and banished him back to the Warp.

Sailor Mars and Fu powered down, and their new bodies, clothes, weapons, jewelry, and massive white angel wings are permanent, and we got rid of The Destroyer of Worlds and The Sound 4 from 150,000 years hence for good.

Lincoln: In the immortal words of Nico, Destroyer of Worlds and Sound 4 from 150,000 years hence, you have failed this world!

Nico: You said it, Lincoln, but we're not done yet, there's still the matter of Drusilla Chernabog to deal with, and she should be arriving here along with Adrastea Chernabog… right now!

?: You're going to pay for ruining my fun and breaking my plaything, Zaina Emperyous!

Suddenly, the eight large planets and stars orbing around my legs, the nine large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eight large colored orbs orbiting around Timmy Turner's legs, the eight large gold orbs orbiting around Alex the Lion and Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands were glowing, and that means we've got big trouble incoming.

Zaina Emperyous: (Growls) I should've known there's no mistaking that chalkboard screech from anywhere. You can come out now, Drusilla Chernabog.

Selene Emperyous: Along with you, Adrastea.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and two mists of darkness appeared and one of them descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was Drusilla Chernabog, the second eldest of The Chernabog Sisters, and the other remaining mist of darkness descended on the ground and what stood in their places was the leader of The Chernabog Sisters, Adrastea Chernabog.

Zaina Emperyous: Drusilla Chernabog, just as we expected.

Selene Emperyous: And you had the nerve to show up when we ruined your sister's fun, Adrastea Chernabog, and we destroyed The Destroyer of Worlds and The Sound 4 from 150,000 years hence, two more of your playthings.

Drusilla Chernabog: You goody-two-shoes Emperyous sisters always had to go ahead and ruin our fun like you always do!

Adrastea Chernabog: And now, you will all pay!

Adrastea Chernabog came after us, but she were caught by a Sephiroth Tree of Life surrounded by a cross that appeared below their feet and that made her scream demonically, and she was trapped.

Adrastea Chernabog: (HISSES) IT'S A TRAP! NOW, I CAN'T GET OUT!

Selene Emperyous: That's right, and now, you get to watch as my little sis and our man destroy your demonic little sister for the chaos and havoc that she just pulled this morning in Venezuela when she brought Zingh here. Oh, and if you're even thinking of breaking out, don't bother, this trap will remain there until your sister is finally gone.

Drusilla Chernabog: (ROARS) YOU MISERABLE, STUPID, LITTLE… !

Drusilla Chernabog rushed at Zaina Emperyous and Lincoln and tried to kill them, but Lincoln and Zaina fired powerful blasts of water and when she got hit, she screeched like the demon that she really is as the water really burned her and she flew back.

Zaina Emperyous: That'll teach you, but we're just getting started, Drusilla, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Zaina Emperyous' aqua blue eyes turned neon purple and she was surrounded by an aqua blue energy aura with water, ocean waves, crosses, sea creatures, and angels, she unholstered her massive Zaphion the Timelord-themed greatsword from her back, and as she approached Drusilla Chernabog, she left aqua blue energy, ocean waves, water, sea creatures, crosses, and angels with every step.

Zaina Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Drusilla Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Zaina Emperyous was surrounded by a massive vortex of aqua blue energy with water, ocean waves, sea creatures, and crosses surrounding it, there are angels, Zaphion the Timelord, and Zaphkiel the Archangel flying around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Zaina Emperyous emerged, but she was changed forever.

Zaina Emperyous and Lincoln went after Drusilla Chernabog, who continued firing blasts of darkness at them, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, crosses, sea creatures, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Drusilla Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her and she was also burned badly.

This was really making Drusilla Chernabog extremely pissed off and this was also making Adrastea Chernabog really angry, but Zaina Emperyous and Lincoln were just getting started and Drusilla's divine punishment has just begun. Drusilla Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive and long white wolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Zaina Emperyous and Lincoln slashed off Drusilla Chernabog's wings and she screamed in excruciating pain, and this horrified Adrastea Chernabog, and Drusilla Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Zaina Emperyous, it was known as Zaphion the Timelord's Holy Archangel Maelstrom Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's aqua blue with ocean waves on the blaster with a Phoenix, Archangel, and Zaphion the Timelord surrounded by water etched on the sides, and an aqua blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Vorya Emperyous fired blasts of rainbow energy, aqua blue energy, and elemental forces and when they hit Drusilla Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Drusilla Chernabog's spirit appeared and Zaina Emperyous and Lincoln drew the Judgement Kanji and Seal of Zaphkiel on her, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Zaina Emperyous and Lincoln did to Drusilla Chernabog as they holster their massive greatswords on their backs and powered down, and Zaina Emperyous' new body, clothes, weapons, jewelry, and massive aqua blue angel wings are permanent.

Then, the trap disappeared and we saw the horrified look on the face of Adrastea Chernabog, and she were horrified to see what happened to Drusilla Chernabog, and this really pissed her off greatly.

Adrastea Chernabog: No, Drusilla! (SCREAMING INSANELY) YOU'RE GOING TO PAY FOR THIS, ALL OF YOU! THIS ISN'T OVER!

Adrastea Chernabog disappeared in a mist of darkness.

Nico: Yeah, that's right, go lick your wounds, bitch!

Zaina Emperyous: And now, there's only one Chernabog Sister left to deal with. Thanks for helping me destroy Drusilla Chernabog, Linky.

Lincoln: (Smiles Warmly) You're welcome, Zaina.

Suddenly, Zaina Emperyous wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Zaina Emperyous' face, they kissed passionately as Zaina Emperyous' left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Zaphion the Timelord, and the Archangel Zaphkiel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and angels flying behind them and ocean waves crashing behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Zaina Emperyous came back to us, as the display and Zaphion the Timelord and the Archangel Zaphkiel vanished.

Nico: Wow, now that's what I call another blow to The Chernabog Sisters.

Lincoln: Yeah, and now, we really pissed off Adrastea Chernabog, and she'll still do anything to get revenge on us, but we'll be ready for her.

Me: Yeah.

Selene Emperyous: That's right, Linky, and we're not going to stop until The Chernabog Sisters are all gone for good.

Nico: But, we're still making our mark on those heathens with that little show.

Lincoln: And now, all that's left is Adrastea Chernabog.

Selene Emperyous: Which means you and I are going to finally deal with the leader of The Chernabog Sisters, Adrastea Chernabog.

Lincoln: That's right, Selene, and now, not only do we have our big plan in place to deal with Queen Opaline next week, but we're going to see to it that The Chernabog Sisters are no more and will be a forgotten memory.

Nico: The suffering those demonic sisters from Hell have caused can never ever be healed, and they will pay for every last one of their crimes.

Me: Lincoln and Selene Emperyous will make sure that Adrastea Chernabog pays big time for her crimes in blood!

Eli: Yeah.

Daria Kuso: Those demonic sisters have caused enough damage already. Oh, and Lincoln, we're going to meet the next of The Bakugan Gene-Slammers tomorrow: The Gene-Slammer for Blade Tigrerra.

Lincoln: Awesome, Daria.

Knightbrace: Another of Mordecai and Rigby's enemies destroyed.

Tchang Zu: And another food planet covered.

Me: Yep.

Spymaster: Overall, it's been a good day.

Me: And a tasty one too.

Hydrax: Who wants to gather all this chicken?

Pterodactyl Ghost: I will!

Ed: CHICKENS!

Nico: But great job today everyone.

Eli: (to the viewers) Even though this wasn't a traditional planet it was still a delicious and good one.

Nico: It sure was.

We got lots of chickens and then went back home and enjoyed the rest of the day and went to sleep.

THE END

PECAN PIE FOR EVERYONE

---

In the early morning hours at 4:30 AM, Lincoln had a dream, and he saw a figure who was hiding out and living in the streets of London, England. it was no ordinary figure, it was Steam Train, Son of one of Lincoln's future wives, Robecca Steam. Lincoln woke up from the dream, but he wasn't the only one, Robecca Steam, Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: What more did you expect, bro?

Robecca Steam: And not only that, it also means that we found out where my son is at. And the question is, Where?

Me: His at London, England.

Nico: Oh no, that's not good. It's the same place when we found Lily Lotus Blossom, And despite his giant size, it is not a safe place for him.

Lincoln: That's right, Nico. Come on, we're going to rescue him, and bring him to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Robecca Steam, Me, and Nico were heading to London, England. Then, Lincoln saw a Giant Train-like Robot who has silver metallic skin, a coal engine located in the chest and stomach, a Train-like head with green and red single eye and a smokestack on his head, and a steampunk backpack. He wore dark gray, orange-red and bronze-yellow train-theme armor. He wields his sword called the Steam Powered Sword. Lincoln saw who he is, it was Steam Train.

Lincoln: Wow! And I thought Grindcore and Cala Mia are the only giants of my kids, But I never know that big bozo like him before.

Steam Train: Me Steam Train no BOZO, Me King!

Me: And he talks like Grimlock as well.

Steam Train: Me Steam Train say who are you!

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Robecca Steam came out, and when Steam Train saw her, he was stunned.

Steam Train: Mother?

Robecca Steam: Yes, Steam Train, it's me.

Steam Train ran up to Robecca Steam, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Robecca Steam, your mother is one of my many future wives.

Steam Train: Me Steam Train say you Steam Train's father?

Lincoln: (smiled) What else I won't I be?

Steam Train: Me would hug you, but me ginat and me could easily crush you.

Lincoln: I'll take my chances.

That filled Steam Train with joy, as he picked Lincoln up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell

everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Steam Train to the rest of his siblings, who are now his aunts. We were proud of what Lincoln did in reuniting Robecca Steam with her son, and Steam Train now has a loving, strong, brave, and caring father in his life.

Ellie was with us because she wanted to be prepared for any Undead that show up.

Me: Boy its been a long time since we were at a Star Wars planet.

Nico: I know. So this is the planet Konkiv. It's amazing.

Lola: Yeah no kidding. It sure is pretty.

Eli: Yeah it was used as a listening post for the Galactic Empire before it fell from power after the demise of Palpatine.

Danica Metrois: Looks like one of the forgotten planets by it. But it's beautiful.

Wheeler: It sure is amazing.

Laney: I'll say.

Nico: Thanks for coming with me, Wheeler.

Wheeler: No problem Nico. It's gonna be awesome helping you out here on a great rescue.

Qin: It sure is awesome having you with us.

Kazuma: I'm amazed that there are awesome planets like this.

Me: We all are Kazuma.

Nico: Wheeler, how hard is it to be leader of the Planeteers?

Wheeler: It's a big responsibility and it is a really awesome job to help people out.

Nico: Boy I can tell.

Luz: That was a really awesome week you guys had.

Me: It sure was. One of the most charitable we ever had back in

2019. So awesome.

Lola: Yeah we were really helping the planet out during that time.

Laney: Yeah it was great.

Nico: That was one of the most unforgettable times back then.

Xenia: That is so cool.

Camie: It sure is.

Nico: And we got rid of your enemies.

Wheeler: You all sure did.

Amity Blight: That is so cool.

Me: We made all those monsters pay for their crimes against the entire planet.

Qin: Yeah that was so cool.

Lola: We had a lot of fun helping the Earth out on that one.

Kazuma: That is amazing I'm so glad you guys had a good time on that one.

Me: We all are. Not to toot my own horn on that one but those 8 days leading up to Earth Day were some of the most amazing we've ever had too.

Wendy Sapphira: That is so amazing.

Maria: Kazuma, until Evelyn's missions, you'll need to get a job to earn cash.

Kazuma: I know. I already have one.

Me: We got him a job working at Yugi's grandfather's card shop. It really helps him out.

Maria: Oh then uh never mind.

Qin: How you liking it?

Kazuma: It's really fun and as a bonus I not only am learning so much about Duel Monsters but also all about all sorts of Egyptian Artifacts from Professor Moto.

Nico: Yugi's grandfather is a retired archaeologist and he is really brilliant at knowing all about stuff from history.

Eli: He sure is.

Kazuma: That is really cool.

May: That's good. Because the mascots had a few ideas. One of them being an assistant to Moe in his bar.

Me: (LAUGHS) That would be silly.

Kazuma: Yeah a bar is not my thing.

Me: Yeah did Poromon offer you any beer?

Kazuma: He did but I don't drink.

Me: Good.

Kazuma: And Digimon and Pokemon that drink beer?

Me: I know it's too early for that one but Don't Fucking Ask.

Qin: (Laughs) We have had all sorts of crazy shenanigans with the mascots drinking.

May: (LAUGHS) Yeah it's funny too.

Nico: Yeah.

Maria: And another idea was being a fighter in an underground fight club.

Me: Oh boy.

Kazuma: I may be a Kamen Rider and I fight but that is not my thing.

Me: But you are still a hero though. Also Ellie got a great head start by battling those 4 Undead yesterday against Sarah.

Ellie Singh: I sure did.

Kazuma: You're off to a great start Ellie.

Ellie Singh: Thanks. This is gonna be fun.

Kazuma: It sure is.

Me: Let me tell you though Kazuma, those Undead monsters were Buttugly Motherfucking Monsters! They were really terrifying.

Kazuma: They were scary but they had to be stopped.

Lola: Yeah they were really scary. But yeah.

Maria: And another "old friend" is here.

Me: I see it!

I fired a blast of energy and it hit a figure and it flew and crash landed by us. It got up and we saw that it was THE DRAGONFLY UNDEAD!

Me: Whoa! The Dragonfly Undead! I remember this one!

Qin: Yeah it has the power to fly and that is amazing!

It snarled.

Kazuma: Remember me?!

It snarled more.

Me: I forgot that some undead monsters can't speak. Only Snarl.

Nico: Yeah.

Me: Lets get him!

I powered up.

Kazuma: HENSHIN!

TURN UP!

He transformed and was ready!

Nico: YEAH!

Me: I sense someone has become this one.

I used my powers and I sensed that it was really Sophie Judson-Warfield the Aquos Centipoid Brawler!

Me: (Gasp!) Sophie Judson-Warfield!

Nico: Another Bakugan Brawler!? Oh man!

Eli: Not good!

She went at me and I kicked her in the face and knocked her down.

Maria: I hope the next Another Omnitrix Alien is here too.

?: You mean me?

A figure came out and it was a black version of an Evolved Orishan! It was ANOTHER ULTIMATE WATER HAZARD!

Me: Whoa! Another Ultimate Water Hazard!

Camie: This one is gonna be all wet!

Qin: Yeah!

Another Ultimate Water Hazard: (In a girls voice) (British Accent) And it's good to see you again J.D.

Me: (GASP) Charlotte Arianna Windsor!? Oh wow!

Nico: You know her?

Me: Yeah she is a famous Food and Tea Connoisseur. She is also a great chef too and makes all kinds of awesome and amazing food that even Mary would love too.

Another Ultimate Water Hazard: That's right. And as you can see I have become this.

Me: Yeah we can see that.

Albedo turned into Negative Ultimate Water Hazard.

Negative Ultimate Water Hazard: Did Swartz promise you anything?

Another Ultimate Water Hazard: Just to be a great chef and connoisseur.

Me: You already are those things and you make some of the most awesome food ever.

Nico: You sure do. And we are in the middle of going to awesome Thanksgiving Food planets right now.

Another Ultimate Water Hazard: That's what I heard. And I knew that Swartz lied to me.

Me: He lied to everyone. By the way did Swartz do this? Make more Undead?

Another Ultimate Water Hazard: As a matter of fact yes he did. I found this.

She gave me a notebook and in it was research.

Another Ultimate Water Hazard: I found out that he stole the Rouse cards for the undead minus the Joker and made more Undead. But he also made many more variants of them. Some of which the Blade Riders had never faced before.

We gasped!

Me: Whoa man! Looks like we're going to experience what each one was like firsthand.

Nico: Yeah!

Me: Lets see. In the Blade series there are 62 cards for the Undead.

Another Ultimate Water Hazard: Yep. He added 62 more plus all the Red Rangers form over the course of 46+ Years so that's 46 more. And they are all creatures imbued with the powers of the Zodiac and the stars and all the Kamen Riders from 1971 to 2018. That's 170 all together.

We gasped some more!

Me: Oh man! So combinations of Another Riders and Rangers as well as Secondary Riders!

Gentaro: With a Fourze and Zodiarts twist!

Me: This is gonna be interesting!

Nico: Whoa!

Kazuma: Wow! This is gonna be awesome!

Me: It sure is. And we already took down 4 Undead yesterday.

I showed the cards for them. I showed the Elephant, Jaguar, Serpent and Tortoise cards.

Another Ultimate Water Hazard: You guys are off to a good start.

Me: Yeah Ellie took them down. Kamen Rider Blade is her mission series so she wants to get a good start on it by being prepared.

Ellie Singh: It's gonna be awesome.

Another Ultimate Water Hazard: It sure is and that's good you want to be prepared for it.

Me: But we appreciate you giving us this information. Now we're going to be ready for another awesome challenge.

Another Ultimate Water Hazard: Glad I can help out. They start coming after the battle with Opaline.

Me: Perfect timing.

Nico: J.D. you, Kazuma and Ellie take the Dragonfly Undead. We'll handle Another Ultimate Water Hazard.

Me: Okay then!

The Dragonfly Undead flew into the air and I went up to Kazuma.

Me: Kazuma hold onto me and whatever you do don't let go.

Kazuma: Okay.

He grabbed onto my back and me and Ellie flew into the air.

Kaito: (gets out Abaranger gear) Our turn!

Zocks: (Gets out Dekaranger gear) Let's do it!

Kaito got a Dino Thunder Staff and Zocks got an SPD Blaster.

They fired waves of energy and blasted Another Ultimate Water Hazard all over.

Me: Hold on Sophie!

I fired waves of lightning and blasted her all over as she roared.

She flew at me and we teleported.

Me: Take a gander at this one.

I used the power of the Rouse Card for Evil Nuova Shenron.

Me: NUOVA STAR!

I fired a ball of fire and it hit Dragonfly Undead and exploded into a huge pillar of fire! She was down.

Nico: Yeah!

Sougo: (gets out Blade Ridewatch) Hey, Kazuma. Watch this!

Armor Time! (Electronic pop music mixed with Blade's opening theme) Turn Up! Blade!

Geiz: (gets out Amazon Omega Ridewatch) And this too!

Armor Time! Evolu-E-Evolution! Omega! Amazon Omega!

Sougo got BladeArmor while Geiz got AmazonOmegaArmor.

Kazuma: Awesome!

We landed.

Kazuma: Ready J.D., Ellie?

Me: You bet we are!

Ellie Singh: Lets do it!

I used the Elephant Rouse Card.

Ellie used the Jaguar and Kazuma got ready for his finish.

Me, Ellie and Kazuma: BLADE KINGDOM FURY KICK!

We jumped and kicked the Undead and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

She was down and I put a card on her and chanted an incantation and sealed the Undead and it turned into a Rouse card. Sophie was back to normal.

Me: The Dragonfly is back. 1 down and 169 to go.

Kazuma: Yep.

Then a light appeared on our arms and we got really cool charm bracelets and on it was a dragonfly charm and there was also charms for the Elephant, Serpent, Jaguar and Tortoise on it.

Me: Whoa! So whenever we defeat Another Undead-Rider-Ranger we get charms added to this bracelet.

Kazuma: Looks like it.

I picked up Sophie and brought her over to Varie.

We rejoined the others.

Nico: (gets out Slobster's Ridewatch) I really hope Luther Paradigm is among Opaline's goons.

Me: Me too! That way we can get rid of him once and for all.

Qin: Same here!

Nico activated Slobster's Ridewatch.

(ROCK LOBSTER BY THE B-52'S PLAYS)

Nico: (SINGING DIVINELY AS WATER AND LOBSTERS SWIRLED AROUND HIM)

We were at a party

His earlobe fell in the deep

Someone reached in and grabbed it

It was a rock lobster

Rock lobster

Rock lobster

We were at the beach

Everybody had matching towels

Somebody went under a dock

And there they saw a rock

It wasn't a rock

It was a rock lobster

Rock lobster

Rock lobster

Rock lobster

Rock lobster

Motion in the ocean

His air hose broke

Lots of trouble

Lots of bubble

He was in a jam

S'in a giant clam

Rock rock

Rock lobster

Down, down

Lobster rock

Lobster rock

Let's rock!

Boy's in bikinis

Girls in surfboards

Everybody's rockin'

Everybody's fruggin'

Twistin' 'round the fire

Havin' fun

Bakin' potatoes

Bakin' in the sun

Put on your noseguard

Put on the Lifeguard

Pass the tanning butter

Here comes a stingray

There goes a manta-ray

In walked a jelly fish

There goes a dog-fish

Chased by a cat-fish

In flew a sea robin

Watch out for that piranha

There goes a narwhal

Here comes a bikini whale!

Rock lobster

Rock lobster

Rock lobster

Rock lobster

Nico danced and fired waves of water and lobsters and smashed down Another Ultimate Water Hazard.

Me: Oh yeah! That's fitting for Slobster!

Qin: Yeah!

Wheeler: My turn!

Wheeler activated Fireor's Ridewatch and then fired waves of fire and smashed her down.

Me: Oh yeah!

Qin: That one burns!

Me: Wheeler you'll love this one.

I pulled out a bottle of my hot sauce and activated Malevolent Hot Pepper's ridewatch. I drank the hot sauce.

Nico: UH OH! TAKE COVER!

EVERYONE DUCKED AND COVERED!

I farted out a massive blast of fire and it hit Another Ultimate Water Hazard and smashed her down.

Me: (Italian Accent) THAT'S A SPICY MEAT-A-BALL!

Everyone came out.

Nico: That was funny.

Me: This one is for Whiplash's group. Watch this one. (ACTIVATES WHIPLASH'S RIDEWATCH)

I pulled out a whip.

(WHIP IT BY DEVO PLAYS)

Me: (SINGING DIVINELY AS I LASHED ANOTHER ULTIMATE WATER HAZARD AND FIRE SWIRLED AROUND ME)

Crack that whip

Give the past a slip

Step on a crack

Break your mama's back

When a problem comes along

You must whip it

Before the cream sits out too long

You must whip it

When something's going wrong

You must whip it

Now whip it

Into shape

Shape it up

Get straight

Go forward

Move ahead
Try to detect it
It's not too late
To whip it
Whip it good
When a good time turns around
You must whip it
You will never live it down
Unless you whip it
No one gets away
Until they whip it
I say whip it
Whip it good
I say whip it
Whip it good
Crack that whip
Give the past a slip
Step on a crack
Break your mama's back
When a problem comes along
You must whip it
Before the cream sits out too long

I danced and lashed and smashed her down.

Me: WHIP IT GOOD!

Nico: Awesome! Great theme for Whiplash's group of 6.

Eli: And that song was perfect for it.

Maria: Let's see who's water's better!

Maria activated New Wave's Ridewatch.

(WATERFALLS BY TLC PLAYS)

Maria: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

A lonely mother gazing out of her window

Staring at a son that she just can't touch

If at any time he's in a jam she'll be by his side

But he doesn't realize he hurts her so much

But all the praying just ain't helping at all

'Cause he can't seem to keep his self out of trouble

So, he goes out and he makes his money the best way he know how

Another body laying cold in the gutter

Listen to me

Don't go chasing waterfalls

Please stick to the rivers and the lakes that you're used to

I know that you're gonna have it your way or nothing at all

But I think you're moving too fast

Little precious has a natural obsession for temptation

But he just can't see

She give him loving that his body can't handle

But all he can say is, "Baby, it's good to me"

One day he goes and takes a glimpse in the mirror

But he doesn't recognize his own face

His health is fading and he doesn't know why

Three letters took him to his final resting place

Y'all don't hear me

Don't go chasing waterfalls

Please stick to the rivers and the lakes that you're used to

I know that you're gonna have it your way or nothing at all

But I think you're moving too fast

I seen a rainbow yesterday

But too many storms have come and gone

Leavin' a trace of not on God-given ray

Is it because my life is ten shades of gray

I pray all ten fade away

Seldom praise Him for the sunny days

And like his promise is true

Only my faith can undo

The many chances I blew

To bring my life to anew

Clear blue and unconditional skies

Have dried the tears from my eyes

No more lonely cries

My only bleedin' hope

Is for the folk who can't cope

Wit such an endurin' pain

That it keeps 'em in the pourin' rain

Who's to blame

For tootin' caine in your own vein

What a shame

You shoot and aim for someone else's brain

You claim the insane

And name this day in time

For fallin prey to crime

I say the system got you victim to your own mind

Dreams are hopeless aspirations

In hopes of comin' true

Believe in yourself

The rest is up to me and you

Don't go chasing waterfalls

Please stick to the rivers and the lakes that you're used to

I know that you're gonna have it your way or nothing at all

But I think you're moving too fast

Don't go chasing waterfalls

Please stick to the rivers and the lakes that you're used to

I know that you're gonna have it your way or nothing at all

But I think you're moving too fast

She danced and fired waves of powerful water and smashed down Another Ultimate Water Hazard.

Nico: Love that song Maria!

Wendy Sapphira: Good choice.

Maria: Thanks! I hope the next Gene Slammer's close.

Then we saw a HUGE SUNFISH THE SIZE OF A SHIP APPEAR!

Me: WHOA! That is one Huge Sunfish!

Qin: Wow! It's a Space Mambo!

Nico: That is a beautiful one!

Eli: It sure is.

It glowed and reverted back and then we saw that she was a girl with aqua blue hair and clothes and had wings made of stars and nebulae.

Nico: Whoa! Edyn Edwina!

Edyn Edwina: (British Accent) It's good to see you again Nico. I got this.

She fired a powerful star ray and it hit Another Ultimate Water Hazard and blasted her down and I caught the ridewatch and purified it.

Charlotte was back to normal. I went over and picked her up. She was a girl with black hair and had an amazing royal dress like Esther Blanchett's Dress.

Charlotte Arianna Windsor: (Groans) I have got the worst headache.

Me: But you are back to normal.

I picked her up.

Edyn Edwina: But that was a really stellar battle.

Qin: You looked awesome as a Space Mambo, Edyn.

Edyn Edwina: Thanks Qin.

Wheeler: What's your favorite memory of Nico?

Edyn Edwina: That's an easy one. Me and Nico made everyone in our school my famous 35 chocolate sundaes. It's based on the Frrrozen Haute Chocolate Ice Cream Sundaes and it was for a charity event.

Me: Holy mackerel! That's the most expensive sundae ever. It costs over $25,000,00.

Carly Atlas: Me and Jack had that sundae on our first date and it was a really out of this world delicious sundae.

Nico: I remember seeing that. That was awesome.

Edyn Edwina: Indeed. And the charity was a success.

Lola: But what was it made with?

Edyn Edwina: It was made with a fine blend of 35 cocoas, including 14 of the world's most expensive.

Nico: Yep.

Edyn Edwina: My family is filthy rich. It's how we were able to afford it.

Me: That is awesome!

Qin: I remember having that. It was so awesome and delicious.

Nico: Yeah.

Nico and Edyn hugged.

Nico: I've missed you Edyn.

Edyn Edwina: Me too Nico. Me too.

May: You're one of the girls with a huge Gene Slammed form.

Edyn Edwina: I know. It was cool.

Maria: I love your dress Charlotte.

Charlotte Arianna Windsor: Oh thanks. This is my family's Royal Princess Dress. I've had it in my family for generations.

Me: Yeah she is descended from the Windsor Family of England.

Nico: Cool.

Sophie woke up.

Sophie Judson-Warfield: (Groans) What happened? I feel like I was hit by a bullet train.

Me: It's an ugly story Sophie.

Sophie Judson-Warfield: J.D.? What happened?

Me: Really ugly story. You were turned into an Undead.

I showed the Dragonfly Rouse Card.

Sophie Judson-Warfield: What is an Undead?

Kazuma: Long story.

I told her everything and it was shocking.

Sophie Judson-Warfield: Oh man! I didn't do anything bad did I?

Me: No you didn't. You were on an alien planet so no one got hurt.

Qin: Yeah thank goodness.

Nico: But this was another awesome rescue.

Eli: It sure was.

Ellie Singh: I thought it was fun.

Me: Yep.

We later went back home.

---

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, and Lucca are heading to Elementa, and not only is Lincoln going to rescue the four girls here, but Lincoln's going to get a treasure there: a powerful greatsword called The Universal Greatsword of Elemental Justice, and only Lincoln can wield this powerful greatsword because his Ebonwu counterpart was the one who had forged this powerful greatsword eons ago, and we're also going to destroy Morag, who's come back from the dead seeking revenge against the Louds and she's gone completely insane, and even worse, she was brought back by Adrastea Chernabog, who's now gone completely off the deep end after seeing Lincoln and the

Emperyous Sisters not only ruining their fun and breaking every last one of their "playthings", A.K.A. resurrected villains from our past, but also from seeing every last one of her sisters getting destroyed one by one by Lincoln and the Emperyous Sisters.

Lincoln: Wow, we're back in Elementa, and I know what we're going to do here, not only am I going to rescue the four girls here, but I'm going to get a treasure there: a powerful greatsword called The Universal Greatsword of Elemental Justice, and only I can wield this powerful greatsword because his Ebonwu counterpart was the one who forged this powerful greatsword eons ago, and because I also have a pure heart.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, Lincoln, and we also got word that Morag has come back from the dead seeking revenge against you and the entire Loud Family and Team Loud Phoenix Storm and she's gone completely insane.

Selene Emperyous: And even worse, she was brought back by Adrastea Chernabog, who's now gone completely off the deep end after seeing Lincoln and me and my sisters not only ruining their fun and breaking every last one of their "playthings", A.K.A. resurrected villains from our past, but also from seeing every last one of her sisters getting destroyed one by one.

Nico: I should've known that insane traitorous witch wouldn't stay dead for much longer.

Duke McLoud: (Scottish Accent) But, we'll finally be rid of her for good, and her ancestors will also share in her fate as well.

Lucille: (Scottish Accent) Indeed, brother.

Lincoln: What she did in siding with Team Dark Phoenix Storm to destroy the planet just for peace and quiet just proves she's nothing but a traitor, and I can't forget that she and her ancestors had killed our ancestors over 400 years ago and for the same reason. Well, I'm going to unleash over 400 years of justice on her and I'm going to send a very nasty message to Adrastea Chernabog after I've killed Morag, and thanks for joining us, Lucca.

Lucca: You're welcome, Lincoln. So, where is this greatsword?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know exactly where to find it, Lucca.

We continued on and we arrived at a shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw a massive greatsword floating in the center and with light shining down on it: The Universal Greatsword of Elemental Justice, a massive greatsword with colored gems matching the elements embedded in the 7'0" massive, wide, double-edged silver blade, large white angel heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large white angel heads and a rainbow gem on the bottom of the angel heads for the pommel.

Rarity: My word, so that's the… !

Lincoln: The Universal Greatsword of Elemental Justice, that massive greatsword is a really beautiful work of art.

Suddenly, we saw Blade Tigrerra heading for us, and with it were the four girls.

Nico: What the? Runo, did you…?

Runo: Nope, I didn't.

Tigrerra: That's right, Runo didn't summon me.

Blade Tigrerra: (Girl's voice) Yeah, she didn't, and I also got the four girls away from that crazy, old, big-butted witch.

Lincoln: Wow, Riley Misaki, it's awesome to see you again, but I know Morag is heading right for us.

?: (Scottish Accent) I WILL HAVE MY REVENGE ON ALL OF YOU STUPID LOUDS FOR RUINING MY CHANCES OF PEACE AND QUIET!

Lincoln: (Growls) I should've known there's no mistaking that insane voice. Don't you know when to stay dead, Morag.

We then saw our target, Morag, the traitorous witch who sided with Team Dark Phoenix Storm and descendant of the Loud Ancestors' killer, Aggie, and she has the Qliphoth Tree of Death on her forehead.

Me: Morag, I should've known you'd be back!

Morag: (Scottish Accent) I'll kill every last one of you stupid Louds and all of Team Loud Phoenix Storm! You ruined my chances of peace and quiet!

Lincoln: Why don't you just shut up?!

Duke McLoud: (Scottish Accent) You're just like your evil ancestor, Morag, and we'll have no remorse in getting rid of you once and for all!

This horrified Morag when she saw The Louds' Scottish Ancestors back to life and this really pissed Morag off and she was about to attack Lincoln, until Selene Emperyous punched her hard in the face and had her tied up in vines and this pissed her off badly. Knowing he's now got a chance to kill her, Lincoln grabbed The Universal Greatsword of Elemental Justice, and he glared angrily right at Morag.

Lincoln: Alright, now that I've gotten The Universal Greatsword of Elemental Justice, it's time to bring you your rightful punishment, Morag: 400 years of payback for what your ancestors did in murdering my family's ancestors, you heartless old witch, and this time, stay dead!

Suddenly, something really snapped within Lincoln's mind as memories of what Morag did last year raged and swirled in his head, he growled ferociously, and he clenched his large right hand so tightly, he drew blood and as a drop of acid blood lands on the ground, it sizzled, and it healed up.

Everyone: UH OH!

Suddenly, Lincoln's deep sapphire blue eyes turned neon deep sapphire blue, and he was suddenly surrounded by a rainbow energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Flames, Rainbow Crystals, Rainbow Super Lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Archangels, and Angels, he unholstered his massive Hinon's Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back while he has The Universal Greatsword of Elemental Justice in his large left hand, and as he approached Morag, he left rainbow energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Flames, Rainbow Crystals, Rainbow Super Lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Archangels, and Angels with every step.

Lincoln: You absolutely make me fucking sick, Morag, your absolute hatred for my family and your crazed desire for peace and quiet were the exact reason why you had to die, and I can never forget that you sided with Team Dark Phoenix Storm to destroy the planet, that's why your daughter really hated your guts. (SUDDENLY GETTING EXTREMELY ANGRY AND MONDO PISSED OFF) But, there's also another thing that I will never forgive you for, what your ancestors did in murdering my family's ancestors over 400 years ago and plunging Loch Loud into a state of misery for over 400 years, and all for peace and quiet, you were willing to kill an innocent family and destroy our planet… , YOU'VE CROSSED ONE FUCKING LINE TOO MANY AND YOU'VE ALREADY SEALED YOUR FATE AND THE FATE OF YOUR EVIL ANCESTORS, YOU EVIL, HEARTLESS, TWO-FACED, PSYCHOPATHIC, DERANGED, BIG-BUTTED, TRAITOROUS OLD WITCH FROM THE DARK DEPTHS OF HELL, AND NOW, I WILL SEE TO IT THAT YOU DIE HERE AND NOW, YOU'RE ABOUT TO FACE 400 YEARS OF JUSTICE AND RETRIBUTION, YOU BLACK-HEARTED, WORTHLESS, HEARTLESS MONSTER!

We suddenly gasped in pure shock and total awe at Lincoln really exploding with pure rage at Morag.

Nico: HOLY SHIT!

Me: UH OH!

Eli: Yep, now, she's really done it this time, and now that the beast has been unleashed, she's been marked by death, and now, it's coming for her.

Lucy: No words will ever be said at her funeral.

Starlight Glimmer: She's brought this on herself. Twilight, shall we say it?

Twilight Sparkle: Oh, yes, lets.

Twilight Sparkle, Sunset Shimmer, Fluttershy, Pinkie Pie, Rainbow Dash, Rarity, Applejack, Starlight Glimmer, and Trixie Lulamoon: HIT THE DECK, EVERYONE, HE'S GOING TO EXPLODE!

We ran for cover, and suddenly, Lincoln screamed like a total madman from Hell and then…

KRABBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMMM

There was a massive explosion of power and energy as the ground was shaking violently and his power was rising fast as he's surrounded by a massive vortex of rainbow energy with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Flames, Rainbow Super Lightning and Rainbow Crystals that're surrounding the vortex, and this also got even more intense with bolts of Rainbow Super Lightning crashing down from the heavens with volcanoes erupting, tornadoes forming, and massive tidal waves crashing, there's a rainbow Thunderbird, Phoenix, Dragon, Alicorn, Banshee, Spirit, Vampire, Dragon, Archangel, and Elemental Angel flying around the vortex, around the vortex was a Werewolf, Buffalo, Zombie, Demon, and Elf, and in the vortex was a rainbow phoenix.

The full extent and fury of Lincoln's extremely rising and infinite power and energy was really so strong and powerful, the rest of the team back on Earth felt it, and back at the ruins of Ördögház, Adrastea Chernabog was really screaming in agonizing pain as the fury of Lincoln's extremely rising and infinite power and energy was attacking her and really causing her tons of pain.

Maria: Whoa, is that Lincoln?!

William: We're in for a big story when we head back.

Then, as the vortex fades and the elemental forces, volcanoes, tornadoes, and tidal waves disappear, Lincoln emerged, but he was changed forever.

Lincoln has transformed into SUPER ANGEL-EBONWU-THUNDERBIRD-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA ELEMENTAL THUNDERBIRD BUFFALO PHOENIX ANGEL OF DIVINE ELEMENTAL UNIVERSAL JUSTICE AND DIVINE ELEMENTAL MYTHOLOGICAL HOPE!

We're literally stunned, amazed, and struck with awe at Lincoln's Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial

Eternal Xelnaga transformation, and when the the girls in Lincoln's harem see him, their faces had atomic red blushes, hearts in their eyes, their tongues rolled out, their noses were really bleeding, and they let out wolf whistles upon seeing just how much hotter their future hunk of a husband has become, but when Morag saw it, she went fucking insane and got out, but the second she did, Lincoln fired a powerful rainbow energy blast with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, rainbow flames, rainbow crystals, rainbow super lightning, Vampires, Buffalo, Thunderbirds, Phoenixes, Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Archangels, and Angels at her, and it exploded with incredible power as it hit her and sent her flying out of the shrine, but she wasn't out yet, and she was extremely pissed off now, and we all followed out.

Me: HOLY CRAP!

Nico: INCREDIBLE, LINCOLN'S TRANSFORMED INTO HIS CELESTIAL ETERNAL XELNAGA FORM!

Eli: No words can even describe what we just saw, incredible.

Lori: Literally unreal.

Lynn: Incredible, and that makes Lincoln the next of the Louds to transform into a Celestial Eternal Xelnaga form.

Lily the Mermaid: Linky, wow, you look really incredible and even more hot and ripped. How do you feel?

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **I feel incredible, Lily. Now, it's high-time we administer unto Morag her rightful punishment.**

Nico: Oh yeah, let's get that witch!

Lincoln was also attacking her with his new massive greatsword with powerful slashes and he left a lot of scars on Morag, and this was extremely pissing her off badly, but Lincoln wasn't giving her any time to attack again as he swung his massive greatsword in a clockwise formation and formed energy swords of Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they went after Morag, and they pierced and slashed at her badly, and one of the swords also blasted a hole into her chest and that exposed her black heart. Then, Lincoln delivered the final blow to Morag as he fired a massive black and rainbow energy beam from his new massive greatsword and it hits Morag and it exploded with incredible power and her spirit, along with the spirit of her ancestor Aggie were erased from existence forever by The Black Gates. We cheered wildly as we holster our weapons and powered down, and Lincoln's new body, clothes, weapons, jewelry, and massive angel wings are permanent.

TLPS Mr. Wolf: Oh man, we really did it, Morag is finally gone for good.

Lincoln: You said it. After everything that she'd done, she deserved to be erased from existence for all eternity.

Duke McLoud: (Scottish Accent) That's right, and the same went with Aggie for what she did in killing us 400 years ago, and you did what you promised: you exacted 400 years of justice and retribution on Morag, Lincoln, for everything that she did.

Lincoln: That's right, Duke McLoud, I did, and I made sure she paid for her crimes in full.

Lucille: (Scottish Accent) Aye, in blood.

Nico: And you also transformed into your Celestial Eternal Xelnaga form as well, Lincoln, that was so awesome!

Me: Yeah, you're now the second of the Louds to do so: Lynn transformed when Evil Lynn showed up and you transformed when Morag returned, so awesome.

Lincoln: Thanks, guys. Now, to send a very nasty message to Adrastea Chernabog, and I know she just found out what we just did to Morag, and it'll be from me and Selene.

Selene Emperyous: Ooh, I like the sound of that, Linky.

Suddenly, Lincoln's deep sapphire blue eyes glowed and he tracked down Adrastea Chernabog, and she was now aware of what just happened to Morag and she was extremely pissed off. Then, Lincoln's deep sapphire blue eyes glowed even more, and Adrastea Chernabog screamed in agonizing pain as she felt that something was being carved on her flesh. When the pain stopped, she lifted up her shirt and she saw a kanji was carved onto her flesh with blood dripping from the kanji that said, "Adrastea Chernabog, you have more than once crossed one moral line too many, you and your demonic sisters have caused too much havoc and really pissed us all off for the very last time. You thought you and the rest of your sisters were going to get away with your fucking crimes, but, the joke's on you, you demonic bitch: we've broken every last one of your playthings and killed off your sisters one by one, and now, you're the last one left, now your days are finally numbered when we get after you later on today, and you will finally face God's Judgement for every last one of your misdeeds. Signed, Lincoln Loud and Selene Emperyous"

アドラステア・チェルナボーグ、あなたは何度も道徳的な一線を越えました。あなたとあなたの悪魔のような姉妹はあまりにも多くの大混乱を引き起こし、最後に私たち全員を本当に怒らせました.あなたとあなたの残りの姉妹は犯罪から逃れられると思っていましたが、冗談はあなたにあります、悪魔のような雌犬: 私たちはあなたのおもちゃをすべて壊し、あなたの姉妹を一人ずつ殺しました.今、あなたは最後に残った人です。今日、私たちがあなたの後を追うとき、あなたの日はついに数えられます。そして、あなたは最終的に、あなたの最後のすべての悪行に対して神の裁きに直面するでしょう。サイン入り、リンカーン・ラウドとセレーネ・エンペリアス

When Adrastea Chernabog saw it for herself and she knew who it was from, she screeched and really screamed in demonic and insane fury.

Lincoln: (Smirks) Jokes on you, Adrastea Chernabog. Now, we're finally rid of Morag once and for all, and I just sent my very nasty message to Adrastea Chernabog, which means that later on, Selene and I are going to destroy her later on today. (To Riley Misaki) And it's so good to see you again, Riley Misaki.

Riley Misaki reverted back to normal, and she was a beautiful girl with long flowing golden yellow hair, golden yellow eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Haos symbol emblazoned on her forehead and massive and beautiful golden yellow angel wings and she reigned in the power of Blade Tigrerra, and she's dressed in a sleeveless golden yellow blouse, sleeveless golden yellow midriff top, golden yellow skirt, golden yellow pants, yellow sneakers, and long white sleeveless trenchcoat with lights and tigers on the coattails and Blade Tigrerra on the back and holstered on her back is a Blade Tigrerra-themed large greatsword with Blade Tigrerra etched on the 7'0" massive, wide, double-edged golden yellow blade, large white tiger heads for the crossguard, large golden yellow gem embedded in the rainguard, longer midnight black handle, four large white tiger heads and a large golden yellow gem on the bottom of the large tiger heads for the pommel.

Riley Misaki: You too, Lincoln, it's been a long time, and it's also good to see you again, Daria.

Daria Kuso: You too, Riley.

Lincoln went up to Riley Misaki and he hugged her, and Riley Misaki is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Riley Misaki: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Riley Misaki, she's my Guardian Angel from Japan and classmate in Math, she's a Haos Bakugan Brawler and a member of the Bakugan Battle Slammers, and I forgot to mention: Daria, like Dan, is the leader of The Bakugan Battle Slammers, and like the Bakugan Battle Brawlers, Riley's a capable Bakugan Brawler. Riley, along with the other Bakugan Battle Slammers moved to Michigan from Japan when they were eight, and they would often play together with me.

Me: That's awesome, and I also guessed that Daria's the leader of The Bakugan Battle Slammers, like Dan who's the leader of The Bakugan Battle Brawlers.

Nico: Same here.

Lincoln: Yep, and she and the other Bakugan Battle Slammers took on the worst of Lori, Luan, Lynn, Lola, and Lisa plus Chandler, Hawk and Hank, Pablo and Anderson. To show thanks, I took her and the other Bakugan Battle Slammers to a lake where I kissed each of the Bakugan Battle Slammers underwater.

Nico: That's really nice. Wait a second, her last name is Misaki, then that means?!

Lincoln: Yep, she's the cousin of Runo Misaki.

We were stunned.

Eli: Whoa, no way!

Runo: Yeah, it's true, and it's so good to see you again, Riley.

Riley Misaki: It's good to see you and Tigrerra again, Runo.

Tigrerra: Runo told me much about you, Riley, and now, we were surprised to find out you're also Lincoln's Guardian Angel.

Riley Misaki: I've been his Guardian Angel since the day I first moved here to Michigan, and the same went with the other Bakugan Battle Slammers, Tigrerra, and I've also got a story of how I stopped Lynn from trying to kill Lincoln, and it led to her swearing her revenge on me, which I'll tell you about later. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Riley, are you absolutely sure about this?

Riley Misaki: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Riley Misaki, and he saw that she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Riley Misaki's neck with golden yellow gems on the gold lightning bolts and golden yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Riley Misaki: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Riley.

Riley Misaki had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Riley Misaki's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Kirihime Natsuno, Maxi Akizuki, Madoka Harumi, and Hami Oosawa from Dog & Scissors.

Lincoln: Oh wow, it's Kirihime Natsuno, Maxi Akizuki, Madoka Harumi, and Hami Oosawa from Dog & Scissors.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kirihime Natsuno: Yes, we're okay, thanks to you.

Then, when Kirihime Natsuno and the other three girls saw who it was that saved them from Morag, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him.

He had his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and large gold Elemental Shield of Harmony holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-

colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white wolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of The Buddha with a large Element of Harmony deep sapphire blue gem in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on his left ring finger which also merged with his Orange Buffalo Animal Spirit Ring, large Blue Lantern ring on his right ring finger and small planets orbiting around his fingers like rings, he had nine large multi-colored orbs

orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Kirihime Natsuno: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kirihime Natsuno: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kirihime Natsuno, Maxi Akizuki, Madoka Harumi, and Hami Oosawa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that he'd gotten The Universal Greatsword of Elemental Justice, the treasure that's been located on Elementa, and the team was shocked when they found out the villain we went after was Morag, who came back from the dead seeking revenge against the Louds and she's gone completely insane, and even worse, she was brought back by Adrastea Chernabog, who's now gone completely off the deep end after seeing Lincoln and the Emperyous Sisters not only ruining their fun and breaking every last one of their "playthings", A.K.A. resurrected villains from our past, but also from seeing every last one of her sisters getting destroyed one by one by Lincoln and the Emperyous Sisters.

But, when Lincoln showed what happened such as Lincoln transforming into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Phoenix Angel of Divine Elemental Universal Justice and Divine

Elemental Mythological Hope and he really laid down a nasty beatdown on Morag and all of us also joined in and then he delivered the final blow on Morag and finally sending her to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Riley Misaki have a lot of catching up to do now that she's back in town.

Maria: Oh man, so that power that we sensed, that really was you, Lincoln! Oh man, but it was so awesome that you're now the second Loud to go Celestial Eternal Xelnaga.

Lincoln: Thanks, Maria, and I'm glad I finally got rid of Morag for good and exacted 400 years of justice and retribution on her for the crimes she and her ancestors have committed against my family's ancestors.

May: And take a look at the message he sent to Adrastea Chernabog.

When May showed everyone the message he sent to Adrastea Chernabog which was literally etched onto her flesh, everyone whistled in awe.

William: (Whistles) Now, that's one awesome message.

Selene Emperyous: But, this'll mean that we're coming after her later on today.

---

After finally destroying Morag for good and pissing Adrastea Chernabog off, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Riley Misaki saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Riley Misaki: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Riley, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Riley Misaki: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Lynn, what's the story on how you stopped Lynn before she tried to kill Lincoln?

Riley Misaki: You're not going to like this one bit, Nico. One day, Lincoln and I were walking home from school, but then, we heard the sound of an angry yell, and we saw who it was coming after us in a fit of rage: it was Lynn, and she was completely insane. But, I wasn't going to let Lynn kill us, so I fired a powerful blast of light and it blinded her, and this of course made her extremely furious, but then, I saw Lincoln fire blasts of lightning and electrocuted Lynn and she'd been knocked down and out, we tied her up in nylon rope so she couldn't get out, and we called Luna to come get us. She came and we went home with Luna dragging a tied up Lynn, and when we told Mr. and Mrs. Loud of what Lyn tried to do to me and Lincoln, they grounded her for fifteen weeks and Lincoln threw her in a cage in her room. We got a call from Margo, Paula, and Polly Pain, and they told us that Lynn was furious that her team lost another game to Hazeltucky, and that caused her to try to seek and murder Lincoln in a fit of demonic rage, and they tried to stop her, but she throttled them and sent them to the hospital, we then went there with Lori driving us, and we saw that Lynn did indeed throttled the girls.

We gasped in shock.

Me: Lynn throttled Margo, Paula, and Polly Pain again because of losing a game to Hazeltucky again?!

Nico: That Dark Lynn's nothing but a sore loser.

Luna: We'd had it with Lynn being a sore winner and a sore loser, not to mention her gloating like crazy, dude.

Lincoln: And what she did in throttling Margo, Paula, and Polly, that's twice in a row that Dark Lynn attacked them.

Margo: Yeah, but we recovered from the wounds and got back out there, and Lincoln asked Paula, Polly, and I to really keep a sharp eye on Lynn, and if she was up to no good again, we'd call him and he'd go down there and put her in her place, and we'd more than once saw how he wrestled Lynn to the ground.

Paula: It was really incredible.

Ashley Clayf: You can thank all of us for that one, Paula, we trained him a lot in wrestling.

Nico: Yeah, we saw for ourselves just how good a wrestler Lincoln is, along with being a master of many fighting styles. If anyone tried to get in the ring with Lincoln, they'd better tap out the next chance they get.

We laughed, and we got a shower afterwards, and then, Lincoln, Zinnia, Sailor Pallas, Sailor Vesta, Sailor Juno, Sailor Ceres, Sailor Iron Mouse, and Sailor Jupiter are heading to Bubblaine.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Zinnia, Sailor Pallas, Sailor Vesta, Sailor Juno, Sailor Ceres, Sailor Iron Mouse, and Sailor Jupiter were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we also found out that Zinnia, Sailor Pallas, Sailor Vesta, Sailor Juno, Sailor Ceres, Sailor Iron Mouse, and Sailor Jupiter had feelings for Lincoln, and Lincoln also saved them from a group of bounty hunters Trina Riffins hired to kidnap and kill them, because she still wanted revenge on us for what we did in humiliating her and she still wanted blood. After Lincoln rescued them and the girls told us Trina Riffins hired the thugs to kidnap and kill them to get revenge on us, Lincoln dropped another piano on that angry, bad-tempered, rage-crazy bitch.

Sailor Jupiter: Wow, so this is Bubblaine.

Lincoln: Yep, and it's perfect for our first beach date, Lida. Shall we?

Lincoln, Zinnia, Sailor Pallas, Sailor Vesta, Sailor Juno, Sailor Ceres, Sailor Iron Mouse, and Sailor Jupiter dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they met the animals that live there, and they went back to the beach and they had a game of volleyball and Zinnia, Sailor Pallas, Sailor Vesta, Sailor Juno, Sailor Ceres, Sailor Iron Mouse, and Sailor Jupiter got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Zinnia, Sailor Pallas, Sailor Vesta, Sailor Juno, Sailor Ceres, Sailor Iron Mouse, and Sailor Jupiter and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Bubblaine.

Sailor Ceres: (Seductively and rubs her hands on Lincoln's massive pecs) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and we knew the girls also allowed Lincoln to bite them and feed on their blood, like with the other girls in his harem.

Sailor Jupiter: And this was due to us harboring feelings for Lincoln, and they all came into light when he saved us from those bounty hunters Trina Riffins hired to kidnap and kill us, because she still wanted revenge on us for humiliating her and to slake her thirst for blood.

Sailor Mars: That rage-crazy, angry, bad-tempered bitch, and I also still remembered that your man dropped another piano on her head and when she came out, she had piano keys in her mouth. Trina's just going to make things worse for herself.

Lincoln: You got that right, Rei, and like I said, if Trina dared to ever open her big fat mouth and told anyone of Misty's whereabouts, I was personally going to send her to The Malevolent Insanity Realm for eternity.

Sailor Mercury: (Gulps) And knowing what you've done, you're really serious big time, Lincoln, and we're so glad that Lida and the other Sailor Soldiers are now part of your harem.

Sailor Mars: (Snickers) I couldn't forget that every time they saw you, they always had a deep red blush on their faces, but you'd really grown from the 11-year-old little boy into a 17-year-old man, and on top of that, a father of many kids.

Sailor Moon: That's right. Oh, we got to get to the House of Mouse, today's Mickey and Minnie's 92nd Birthday.

Lincoln: Yeah, let's head down to The House of Mouse.

After Lincoln, Zinnia, Sailor Pallas, Sailor Vesta, Sailor Juno, Sailor Ceres, Sailor Iron Mouse, and Sailor Jupiter came back from their date, we were down at The House of Mouse, because today is Mickey and Minnie's 92nd Birthday.

Mascots: HAPPY BIRTHDAY, MICKEY AND MINNIE!

Mickey Mouse: Aw, thanks everybody.

Minnie Mouse: This is so amazing.

Me: You're welcome, Mickey and Minnie.

Lincoln: We would never miss your special day, you two.

Donald Duck: And we also got the Mascots out there patrolling the place.

Poromon and the other Mascots are out there patrolling the place, and they're keeping an eye out for Sancho and his party pigeon pals.

Poromon: Any trouble on your end, Poliwag?

Poliwag: None so far, but Sancho's going to show up, and when he does, we'll be ready for him and his party pigeon pals.

Goofy: Gawrsh, I knew Sancho was trouble, but this is very serious.

Ronnie Anne: I'm afraid you're right on that one, Goofy. After we stopped Sergio's wild parties dead in its tracks last year, Sancho's been wanting payback on us, so we have to keep on guard.

The Masters of Evil also arrived.

Vypra: Happy Birthday, Mickey and Minnie.

Mickey Mouse: Gosh, thanks, Vypra.

Electro: When we got the word that today's your 92nd birthday, we had to come. And speaking of a party, what did you guys do to Sergio?

We showed The Masters of Evil the cage and inside it is Sergio and he was chained to his perch and he was also put in a straitjacket and put a mask on his beak.

Shiv: Oh man, now that's what I call harsh.

Nico: After all the crazy stuff he's pulled along with all the dumb stuff he's done behind our backs, we decided this was his punishment.

Suddenly, Poromon called us on his walkie-talkie.

Nico: What's up, Poromon?

Poromon: Nico, Sancho and his gang are heading to The House of Mouse, and they got stink bombs in their talons.

Me: Stink Bombs?! Poromon, you and the others stop Sancho and his gang.

Poromon: Got it.

Poromon and the Mascots fired water balloons at Sancho and his gang and they got drenched, and it allowed the Mascots to get the stink bombs and they threw them at Sancho and his gang, and they all stunk badly. We saw the whole thing through a one-way window and we laughed hysterically and this royally angered Sancho and his gang, and they flapped off, but they swore revenge on Poromon and the mascots.

Sergio: (Growls) You had one job, Sancho, one job.

Lincoln: I don't even want to know how Sancho and his gang found out, but after all of the dumb things you've done behind our backs and what you did in royally pissing off Maria Garcia and the other

Fabled Gene-Slammers, I'm not even surprised to know you were behind it, Sergio.

Rosa Casagrande: (Spanish Accent) You're just making things bad for yourself, Sergio.

Maria Garcia: (Spanish Accent) He's already caused far too much trouble already, Mrs. Casagrande. Girls, shall we?

Maria Garcia and the other Fabled Gene-Slammers got out Chanclas and they proceeded to give that parrot a nasty swatting on his butt, and when they were done, Sergio had a nasty case of baboon butt.

---

At the estate, I was watching TV and the mascots were playing with a huge pile of building blocks. They were building castles.

Poromon: This is fun!

Poliwag: Yeah it is!

Carly Atlas: (to the mascots) Hey, guys. What are you doing?

Poromon: Playing with all these blocks.

Carly Atlas: Cool! Where did you get the blocks?

Me: Oh those were building blocks I had back when I was a younger. I had them in the attic.

Carly Atlas: Cool!

Maria: You guys gonna make anything with these?

Manaphy: Lets see.

They built a really awesome city out of them.

Eli: Nice city guys.

Horsea: Thanks Eli.

Then the Mascots built a pyramid.

Qin: Nice pyramid.

Sixshot: Anything else?

Poromon: Lets see.

They built a farm, then a huge fortress, then a huge skyscraper and more.

Qin: Wow! That is talent!

Xenia: It sure is.

Lola: Yep.

Windcharger: Now, build a replica of the team symbol.

Poromon: We'll try.

They went and got to work and to our surprise THEY SUCCEEDED!

Qin: WHOA!

Lola: Perfect!

I snapped a photo with my phone.

Pipp Petals: (Gasp) Oh my glitter! That is amazing!

Rarity: Oh that is most well done darlings.

Horsea: Thanks. Not bad.

Me: It sure is. Well done guys.

Tania: Nico, which teams did you make this time?

Nico: Twilight's team will include Carol Ferris, Jan and Zan the Wonder Twins, Hawkman, Hot Head, and Bouncer. Julie's team will consist of Meg, Ninjini, Mrs. Doolin, Gusto, and Knight Mare.

Me: Awesome!

Twilight Sparkle: Cool! I'm excited for this one.

Julie Yamamoto: Me too! This will be fun.

Qin: Yeah it sure will be!

Ninjini: Yeah!

Nico: Yep. Now it's time for our next mission.

Then Hydrax, Count Nocturne, Gator Ghoul, Evil Lyn, Salami Swami, Toiletnator, Knightbrace, Tchang Zu, Spymaster, Pterodactyl Ghost, The Beagle Boys, Evil Skull Man, Lord Stratosfear, Bell Org, Animal Path, Quirrel, Glomgold, Megalon, Mike Rochip, my Boys, and Windfall appeared.

Hydrax: Can me, Count Nocturne, Gator Ghoul, Evil Lyn, Salami Swami, Toiletnator, Knightbrace, Tchang Zu, Spymaster, and Pterodactyl Ghost go with you guys?

Beagle Boy Leader: Me, Evil Skull Man, Lord Stratosfear, Bell Org, Animal Path, Quirrel, Glomgold, Megalon, Mike Rochip, my Boys, and Windfall will come too.

Nico: Yes you guys can go with us. We're going to another awesome Thanksgiving Planet. Planet number 7 of the system.

Qin: I hope it's a tasty one.

Xenia: Same here.

Ember Mcclain: Nico, which Gene Slammer do you think you'll meet next?

Nico: I'm hoping to do one for Cyber Laser Dragon next.

Me: Ooh! That's gonna be a good one.

Qin: I have a feeling we're going to be up against a dark version of one of us next rescue.

Me: Same here.

Xenia: That will be cool.

Me: And we'll make them pay. I got a few choice words to say to that one.

Sailor Jupiter: Same with me! Mind if I go with you on that one?

Me: Sure Lida.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than the first eldest and leader of the Chernabog Sisters, Adrastea Chernabog, and she's major-leagued pissed off that we destroyed Morag and ruined her fun, and now, she's coming here to get her revenge on us. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to the first eldest and leader of the Chernabog Sisters, Adrastea Chernabog, and she's major-leagued pissed off that we destroyed Morag and ruined her fun.

Lynn: And now, she's coming here to get her revenge on us.

Eli: So, the time has finally arrived: at long last, Adrastea Chernabog is finally on the move.

Selene Emperyous: Now, Lincoln and I can finally put an end to that monster once and for all, and see to it that she never returns.

Me: Now that all of her sisters have been destroyed one by one and we destroyed their "playthings" and ruined their fun, now Adrastea has finally lost it big time.

Nico: She's already run out of options, and her last desperate attempt to destroy us has been ruined by Lincoln when he transformed and destroyed Morag once and for all, now she's really out for blood.

Lincoln: Which is exactly what we've done to the other Chernabog Sisters for the past eleven days: wrecked their fun and destroyed their "playthings", and it got them so riled up, now they wanted one thing: blood, and when Selene and I fight her, we'll get her to spit out her hatred of us by making her bleed badly, and I may even slice off one of her fingers.

Nico: (Smirks) Ooh, now that's what I call sadistic and devious, I like that, Lincoln. Alright, gang, let's go, we're heading to another awesome Thanksgiving food planet, and we got word that another one of Mordecai and Rigby's old enemies are there.

Lincoln: Whoever is there is going to meet the very same fate as The Hammer, Chong, The Cappicola Gang, The Destroyer of Worlds, The Evil Sound 4, The Waiters, The Inferno Wings Restaurant Owners and The Zingos, and once we get through with whoever is waiting for us there, you're next, Adrastea Chernabog, and your day of judgement has finally arrived.

Selene Emperyous: The Judgement of God is already upon you, Adrastea Chernabog, and now, you'll pay for every last one of your crimes in full, and you will suffer the same fate as the rest of your evil sisters.

Count Nocturne: Shall we get going?

Evil Skull Man: We shall.

Nico: Lets roll.

We went to the ship and we were off.

* * *

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7077.6: The U.S.S. Valorous Phoenix is en route to the 7th planet of the Thanksgiving planets and our mission is to investigate what the planet is like and battle the villains that are there.

Qin: I have a feeling this will be fun.

Nico: It sure is. And Lincoln I most certainly did not expect on your rescue to have Morag return.

Lincoln: Me neither. But at least she is gone forever.

Lucille Loud: Aye lad. We're all glad too.

Camie: Thank goodness for that one. She was an absolute nightmare.

Nico: She sure was.

Kaito: The leader of Team Dark Phoenix Storm, right?

Hornet Man: That's her.

Me: No Mr. Mind was the leader. Morag was the one that was offered peace and quiet in exchange for helping them.

Nico: Yeah.

Kaito: Oh sorry.

Nico: No worries. But yeah Lincoln and the Ancestors of the Louds dealt out 400 years of much needed payback on her and gave her the black gates.

Count Nocturne: Wow! Good riddance to bad rubbish.

Evil Skull Man: Yeah no kidding.

Me: Yeah no shit. I've had enough of that big-ass bitch to last an infinite number of eternities.

Xenia: So has the world. Especially after what she did last year.

Evil Lyn: Mr. Mind was the one who called the shots.

Bell Org: (laughs) But he got chomped instead!

Poromon: By me. And he tasted so good.

We laughed!

Me: (LAUGHS) Yeah that was awesome.

Varie: (LAUGHS) Yeah.

Lucille Loud: But I'm glad we have our lives back and we can live in a new world and with family now.

Duke Lincoln: Aye. It is so awesome now.

Qin: It sure is.

Merida: (Scottish Accent) We're so glad about that now.

Nico: We sure are.

Me: Yep. Boy the day is fast approaching.

Nico: Yep. The Battle with Opaline draws close.

Camie: When do we launch the attack?

Nico: We attack at dawn our time. It's going to be still night when we do so in the Kamchatka Peninsula.

Lola: But under the cover of night she won't see us coming.

Nico: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

Flash Man: I see the next planet!

We saw that we were at the next planet and it was a golden light brown planet and it looked awesome and cool.

Me: It looks like desert planet.

Nico: It sure does.

We got to landing and we landed and got out and to our amazement we saw that it was a WORLD MADE OF PIES!

Me: WHOA! It's a World of Pies!

Billy: PIE! PIE PIE PIE PIE PIE PIE PIE!

Nico: Billy sure loves pie.

Billy: I LIKE PIE! I LIKE PIE! PIE PIE PIE PIE PIE PIE PIE PIE PIE! PIEPIEIEIEIEEIEIEIEIEEIE! I LIKE PIE! I LIKE PIE! PIE PIE PIE PIE PIE PIE PIE PIE PIE! PIEPIEIEIEIEEIEIEIEIEEIE!

We laughed!

Toiletnator: Let's dig in!

Quirrel: Wait! Some of them might be bombs.

Lynn: You're kidding, right?

Quirrel: I'm dead serious.

Me: Let me see.

I picked up a pie and I threw it and then…

KRASPLAT!

It hit Nico in the face!

Nico: (SLURPS) Yummy! Cherry!

I ate one.

Me: Yummy! Apple!

Applejack: YEEHAW! That is perfect.

Me: This is a planet made of multitudes of flavors of pies!

Varie: That is cool! And variety is the spice of life.

Eli: And no I don't sense any bombs in the pies.

Luan: Yeah that would be Da Bomb! (LAUGHS) Get it!

We laughed at her joke!

Eddy: (LAUGHS) Good one!

Headstrong: There. No bombs!

Nico: But this is amazing that there is a planet made of pies like this.

Qin: (Eats a pie) MMM! Blueberry.

Laney: Don't worry I'll make sure no one eats a rhubarb pie.

Lana: I'm allergic to Rhubarb just so you know.

Me: We know Lana. We'll keep an eye out. Thank goodness I'm not allergic to Rhubarb.

Megalon: This is so good!

Tchang Zu: There's even cherry pie.

Me: Yeah one of my favorites.

I took a bite out of a pie and it was Strawberry!

Me: Yummy! Strawberry!

Nico: Delicious!

Qin: (Eats a pie) Ooh! Blackberry, Blueberry and Raspberry! My favorite!

Lola took a bite of a pie and it was peach.

Lola: Peach pie! Yummy!

Eli took a bite and he found a rhubarb pie.

Eli: Oh here's a Rhubarb. Thank goodness Lana didn't eat this one.

Barrage: Any Rhubarb pies go to Poromon immediately!

Me: It's hard to tell really because most of these pies are all covered. (Eats a pie) Yummy! Banana Cream! My favorite!

Nico: Wow!

Numbuh 4 then took a bite out of a pie and it was COCONUT CREAM!

Numbuh 4: Coconut Cream!

But then HIS LIPS SWELLED UP TO HUGE LEVELS!

Me: WHOA MAN!

Numbuh 5: Numbuh 4! You got to remember that you are allergic to coconut!

Pterodactyl Ghost: Forgot about that.

Windfall: Poromon also gets coconut as well.

Numbuh 5: This is what happens when Numbuh 4 is too stupid to remember that he is allergic to coconut.

Me: I remember that. And those crazy KND Scientists all thought it was Cooties.

Camie: How stupid can you get!? There's no such thing as cooties.

Me: Whoever made up that dumb disease had to be the biggest idiot ever to walk the face of the Earth.

Laney gave Numbuh 4 an epinephrine shot for Coconuts and he was back to normal,

Numbuh 4: (Inhales) Ahh! Ah thanks Laney.

Laney: Anytime Numbuh 4.

Vince: Boy I remember that one. That was crazy.

Fisticuffs: Hey, Homer. I hope you're having pies too.

Homer: Oh you bet I am. And I love pies to eat as much as I love throwing them at people.

Nico: That is for sure.

Me: Boy you would have to be crazy not to love pie.

SpongeBob: (LAUGHS) Yeah who doesn't love pie.

Lola: Many people love pie.

Xenia: They sure do.

Me: Yeah. Luan you remember that time when we met Anna and helped her and we thought the pie you ate was a bomb?

Luan: I sure do. That was crazy.

Lola: Yeah it sure was.

Lily: And it was all very coincidental. Squidward bought a pie for SpongeBob and he didn't know it was a bomb.

Spymaster: But those pies didn't get eaten by anyone.

Mike Rochip: Lincoln, you sensed that one of Mordecai's enemies is here. But you never specified who it was.

Lincoln: Oh right and yes I did. It was actually Mordecai and Rigby's ex boss Susan.

They gasped in shock and so did Benson!

Nico: Uh oh.

Me: Who is Susan?

Mordecai: You guys would hate her! We call her Susan the Terrible!

Rigby: She is a monster.

They went over her history.

---

Susan is the main antagonist from the Regular Show episode "Benson Be Gone". She is one of the managers of the Park until she was defeated by Benson and his friends.

She was voiced by April Stewart.

Susan was hired by Mr. Maellard to replace Benson as the park's manager due to things that Mordecai and Rigby did but Benson was blamed for, these being prank calls worth up to five hundred dollars, snacks disappearing from the snack bar, and holes in the walls. Also, Susan was to help get the park back on track and fix the many errors that Benson made, even launching an indirect insult about how Benson managed the park.

At first, Susan appeared to be nice and organized, but later, she started showing her true personality. She would first fire Benson, after directly refusing to obey Susan's overworking demands and giving the consent to fire him, after becoming a slacker like Mordecai and Rigby. She then forced everyone else to work incredibly hard, and in the process, they begin transforming into clones of herself, albeit with their own faces. However, Benson returned to his old self and helped free Mordecai, Rigby, and everyone else from Susan's influence by convincing them to slack off.

This enraged Susan so much, she went into the ground and returned as a giant. She tried to kill everyone with a building in her hands, picked up Mr. Maellard and was about to crush him until Leon drove Mr. Maellard's limo at Susan and smashed off both of the heels in her shoes. Without the heels on her shoes, Susan lost balance and fell into the fiery pit, presumably killing her. But went down to Hell.

Susan (in her giant form) was one of the many villains to return in the episode "Exit 9B", where she did battle with the baby ducks' fused form.

---

When they were done we were shocked!

Me: She is a monster!

Qin: A tyrant!

Xenia: Yeah!

Lola: What a freak!

Seto Kaiba: In all honesty, Benson's a much better boss then her!

Me: My thoughts exactly Seto!

Nico: Yeah!

Me: What she does makes her worse than a certain blond hair douchebag we all hate.

Nico: You mean someone whose name starts with a T and ends in a P?

Me: Yep.

Benson: I admit I may be harsh to Mordecai and Rigby at times. But I would never treat them like slaves. And I know when to have fun.

Knightbrace: You're right about that.

Glomgold: (Scottish Accent) Susan even turned the others into copies of herself!

Me: Not while we're here!

Qin: She deserves jail for everything she did.

Xenia: Yeah what an uncivilized asshole bitch!

Nico: You got that right.

Finn: We should probably eat more pies before finding her.

Me: Good idea.

Qin: Yeah.

Sperg: Yeah I'm going to her a REALLY nasty wedgie!

Qin: Go for it Sperg!

We ate lots of pies and we were stuffed.

Salami Swami: (Hindu Accent) All right. We've had our pies.

Animal Path: Now to find Susan.

Me: (BELCH!) Ahh! Lots of pies are good.

Nico: Yep. Lets get to finding her.

Eli: I sense that she is located 50 klicks to the west.

Qin: Lets use our entrance to splash some pies in her face.

Nico: Nice. Lets go.

We were off.

We then saw Susan in a crater.

Me: There she is.

Qin: What a stupid heartless bitch.

Thorn: Entrance time!

Nico: Lets get her.

We went at her.

Susan was waiting.

But then numerous pies hit her and then the spirits of the Elements of The Volcano appeared and they swirled around her and burned her all over. Then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above her and a phoenix cry was heard and we appeared1

Me: Susan the Terrible you are under arrest!

Xenia: Yeah! We're taking you in!

Benson: You have had this coming for a while!

Susan: Do you know what your problem is, Benson? You're too soft! Always going easy on your workers when you should be pushing them to succeed. Mallard was a fool to leave you in charge of the park!

Pops: Hey! My father is not a fool!

Lord Stratosfear: Easy, Pops.

Gator Ghoul: First of all, Benson is not too soft.

Benson: And second, Mordecai, Rigby, and the others are more then just workers. They're friends. So, if you want them, you go through me!

Susan: Bold last words, Benson. (smirks) But as you wish!

With that, Susan kicked Benson in the groin!

CRUNCH!

We winced!

Me: Why you bitch! Normally I'm not supposed to hit a girl but in this case I'll make an exception!

POW!

I punched her square in the face and sent her crashing into a huge pie and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A pie exploded in a massive and powerful fiery explosion and burned her all over!

Me: Oh! There's the explosive pies! The huge ones are the bombs!

Nico: Nice!

Then Robo Roxy, Villamax, Key, Dark Spicer, Mojo Jojo, El Diablo, Yenaldoshi, Grundy, Leap Frog, Ben Ravencroft, Greg, Man Spider, Opposite Senshi, Coldsnap, Millipede Pete, Raizen, Evil Luxord, Sheep Mage, Mortimer Mouse, and Swamp Witch Appeared.

Nico: Robo Roxy, Villamax, Key, Dark Spicer, Mojo Jojo, El Diablo, Yenaldoshi, Grundy, Leap Frog, Ben Ravencroft, Greg, Man Spider, Opposite Senshi, Coldsnap, Millipede Pete, Raizen, Evil Luxord, Sheep Mage, Mortimer Mouse, and Swamp Witch.

Robo Roxy: You okay, Benson?

Benson: (gives a thumbs up) I'm fine. My balls should be healed by the time the usual battles are done.

Villamax: You don't have to wait long.

Me: No we sure didn't.

Riley Misaki: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Riley, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Riley Misaki: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Lynn, what's the story on how you stopped Lynn before she tried to kill Lincoln?

Riley Misaki: You're not going to like this one bit, Nico. One day, Lincoln and I were walking home from school, but then, we heard the sound of an angry yell, and we saw who it was coming after us in a fit of rage: it was Lynn, and she was completely insane. But, I wasn't going to let Lynn kill us, so I fired a powerful blast of light and it blinded her, and this of course made her extremely furious, but then, I saw Lincoln fire blasts of lightning and electrocuted Lynn and she'd been knocked down and out, we tied her up in nylon rope so she couldn't get out, and we called Luna to come get us. She came and we went home with Luna dragging a tied up Lynn, and when we told Mr. and Mrs. Loud of what Lyn tried to do to me and Lincoln, they grounded her for fifteen weeks and Lincoln threw her in a cage in her room. We got a call from Margo, Paula, and Polly Pain, and they told us that Lynn was furious that her team lost another game to Hazeltucky, and that caused her to try to seek and murder Lincoln in a fit of demonic rage, and they tried to stop her, but she throttled them and sent them to the hospital, we then went there with Lori driving us, and we saw that Lynn did indeed throttled the girls.

We gasped in shock.

Me: Lynn throttled Margo, Paula, and Polly Pain again because of losing a game to Hazeltucky again?!

Nico: That Dark Lynn's nothing but a sore loser.

Luna: We'd had it with Lynn being a sore winner and a sore loser, not to mention her gloating like crazy, dude.

Lincoln: And what she did in throttling Margo, Paula, and Polly, that's twice in a row that Dark Lynn attacked them.

Margo: Yeah, but we recovered from the wounds and got back out there, and Lincoln asked Paula, Polly, and I to really keep a sharp eye on Lynn, and if she was up to no good again, we'd call him and he'd go down there and put her in her place, and we'd more than once saw how he wrestled Lynn to the ground.

Paula: It was really incredible.

Ashley Clayf: You can thank all of us for that one, Paula, we trained him a lot in wrestling.

Nico: Yeah, we saw for ourselves just how good a wrestler Lincoln is, along with being a master of many fighting styles. If anyone tried to get in the ring with Lincoln, they'd better tap out the next chance they get.

?: (Enraged Screaming) You're going to pay for ruining my fun, breaking my plaything, and for killing all of my sisters, Selene Emperyous, Zaina Emperyous, Vorya Emperyous, Sandra Emperyous, Sadie Emperyous, Rachel Emperyous, Michelle Emperyous, Melanie Emperyous, Laney Emperyous, Camie Emperyous, Valentine Emperyous, Laniya Emperyous, and Lincoln Loud!

Suddenly, the eight large planets and stars orbiting around my legs, the nine large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka, TLPS Ms. Tarantula's, and Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the eight large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lucy, Lars, and Dudley Puppy's legs, the eight large pink orbs orbiting around Lola and Lexx Loud's and Steven Universe's legs, the eight large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the eight large marine blue orbs orbiting around Liam, Lana, and Leif Loud's legs, the eight large scarlet red orbs orbiting around Lynn Loud and Lynn Jr.'s legs, the eight coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the eight large blue orbs orbiting around Lori, TLPS Mr. Shark, Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Leni and Loni Loud's legs, the eight large yellow orbs orbiting around Luan, TLPS Mr. Snake, and Lane Loud's legs, the eight large brown orbs orbiting around Laney and Larry Loud's legs, the eight large light green orbs orbiting around Lisa and Levi Loud's legs, the eight large lavender orbs orbiting around Lily and Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the nine aqua blue orbs orbiting around Girl Jordan's legs, the eight large colored orbs orbiting around Timmy Turner's legs, the eight large gold orbs orbiting around Alex the Lion and Takanuva's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands were glowing, and that means we've got big trouble incoming.

Selene Emperyous: And now, we've finally approached the final battle with the last of the Chernabog Sisters. You can come out now, Adrastea Chernabog.

Suddenly, the image of the Qliphoth Tree of Death appeared in the sky and surrounding it are Seals of The Demonic Princes of Hell, and a mist of darkness appeared and it descended onto the ground and what stood in its place was a girl with midnight black hair, blood red eyes, black clothes with the Qliphoth Tree of Death on her skirt and black demonic wings on her back: the figure was the leader and last of The Chernabog Sisters, Adrastea Chernabog. Plus, we also saw Lincoln's message etched onto Adrastea Chernabog's stomach, and she was extremely pissed off and completely insane.

Selene Emperyous: Adrastea Chernabog, just as we expected.

Adrastea Chernabog: You goody-two-shoes Emperyous Sisters always had to go ahead and ruin our fun like you always do! And what you did in killing my sisters one by one and breaking every last one of our playthings, and I will never forget what you carved onto me after you destroyed my plaything, Morag, who was my last chance at revenge, and now, NOW, I WILL KILL ALL OF YOU AND DESTROY ALL OF MANKIND AND TURN THE WORLD INTO MY HELLISH PLAYGROUND! (LAUGHING INSANELY)

Adrastea Chernabog rushed at Selene Emperyous and Lincoln and tried to kill them, but Lincoln and Selene fired powerful blasts of elemental forces and when she got hit, she screeched like the demon that she really is as the elemental forces really burned her and she flew back.

Selene Emperyous: That'll teach you, but we're just getting started, Adrastea, and I've had it up to hear with you and the rest of your demonic sisters to last an eternity.

Suddenly, Selene Emperyous' blue eyes turned neon blue and she was surrounded by a rainbow energy aura with fire, water, light, darkness, earth, winds, crosses, mythological creatures, and angels, she unholstered her massive Sephylon the Ultimate Timelord-themed greatsword from her back, and as she approached Adrastea Chernabog, she left rainbow energy, fire, water, light, darkness, earth, winds, crosses, mythological creatures, and angels with every step.

Selene Emperyous: I will never ever forgive you for all the times that you and your demonic sisters have caused chaos throughout Royal Woods, so many innocent people have been suffering due to all the chaos and suffering you bitches have unleashed, and now, the time of reckoning is now at hand, Adrastea Chernabog, and now, you shall suffer God's Judgement.

Suddenly, Selene Emperyous was surrounded by a massive vortex of rainbow energy with fire, water, light, darkness, earth, winds, crosses, and mythological creatures surrounding it, there are angels, Sephylon the Ultimate Timelord, and God flying around the vortex, and in the vortex is a rainbow phoenix. Then, as the vortex faded, Selene Emperyous emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Selene Emperyous grew from 6'5" to 7'4" in height, she has the body of a goddess, she has aurora highlights in the bangs of her long flowing rainbow hair, she has neon blue eyes and a rainbow energy aura with fire, darkness, water, earth, winds, light, mythological creatures, crosses, and angels surrounding her, she has the Seal of God in the hands of Sephylon the Ultimate Timelord emblazoned on her forehead, she has on angel earrings with rainbow gems for eyes and holding the Fire, Dark, Water, Earth, Wind, Light, Holy, and Eternity Kanjis in its hands, she also has

Sephylon the Ultimate Timelord with rainbow gems for eyes and holding the Fire, Dark, Water, Wind, Light, Holy, and Eternity Kanjis in its hands on the bottom of her rainbow angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with rainbow crystal links from her merged Crystal Necklace of the Buddha and rainbow gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Selene Emperyous has on a sleeveless yellow midriff top, yellow skirt with the Sephiroth Tree of Life on it, yellow pants, knee-high orange high-heeled boots with butterfly shoe buckles, and long white sleeveless trenchcoat with fire, water, darkness, light, earth, winds, mythological creatures, crosses, and angels on the coattails, and on the back is Sephylon the Ultimate Timelord one one side and God and they have a cross floating in their left and right hands and surrounded by fire, water, wind, earth, light, and darkness. Suddenly, Selene Emperyous felt a sharp pain on her back, and then, her massive rainbow angel wings with stars and aurora tips on the large rainbow feathers grew much bigger for her new body, she has on a Ring of The Phoenix with rainbow gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Selene Emperyous' massive Sephylon the Ultimate Timelord-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of rainbow energy, crosses, fire, water, earth, winds, light, darkness, mythological creatures, and angels and when it emerged, it was transformed into Sephylon the Ultimate Timelord's Holy Elemental Ultimate Archangel Greatsword of Holy Elemental Justice, it's a brand-new large greatsword with Sephylon the Ultimate Timelord and God etched on the 7'0" massive, wide, double-edged rainbow blade, large angel heads for the crossguard, large rainbow gem embedded in the rainguard, longer midnight black handle, four large angel heads and a large rainbow gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with rainbow gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Sephylon the Ultimate Timelord's head with rainbow gems for eyes and a large rainbow gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a rainbow kanji below Sephylon the Ultimate Timelord and God that said, "Selene Emperyous, Gene-Slammer of Sephylon the Ultimate Timelord, First Born Eldest and Most Powerful of The Emperyous Sisters, Powerful Master of Fire, Water, Light, Darkness, Earth, and Wind, Mythological Creatures, and The Powers of God, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher and Despiser of Morag, Lincoln's Enemies, and Team Loud Phoenix Storm's Enemies, Destroyer of Adrastea Chernabog, Archenemy of Four Elements Elementor, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Holy Fire, Water, Light, Darkness, Earth, Wind, Crosses, and Archangels"

Selene Emperyous' transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY ELEMENTAL ULTIMATE ARCHANGEL TIMELORD ANGEL OF DIVINE HOLY ELEMENTAL MYTHOLOGICAL CREATURE ARCHANGEL ULTIMATE TIMELORD JUSTICE AND DIVINE HOLY ELEMENTAL ULTIMATE ARCHANGEL LOVE!

We were amazed by Selene Emperyous' Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Adrastea Chernabog saw it, she went fucking mad and fired a blast of darkness at Selene Emperyous to kill her, but Zaina Emperyous fired a powerful rainbow energy blast with fire, water, light, darkness, earth, wind, crosses, mythological creatures, and angels which overwhelmed the blast of darkness and it hits Adrastea Chernabog, and she was burned and sent flying into a wall. But, she got out and she was extremely pissed off.

Nico: Whoa, now the last of the Emperyous Sisters, Selene Emperyous has transformed, and she really looks like an Angel.

Lincoln: An Angel of Holy Elemental Ultimate Timelord Justice and a champion of God, and Selene, you look beautiful, how do you feel?

Selene Emperyous: (Divine Echoing Cosmic Voice of The Holy Elemental Ultimate Timelord and Divine Holy Elemental Mythological Creature Love) **I feel incredible, Linky. Now, shall we destroy Adrastea Chernabog once and for all and bring an end to The Chernabog Sisters once and for all?**

Lincoln: (Smiles) With pleasure, Selene.

Zaina Emperyous: We're also joining in as well, because we also want to kick Adrastea's ass.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered and large gold Elemental Shield of Harmony from his wider and muscular back and strapped it onto his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Selene Emperyous.

Zaina Emperyous, Vorya Emperyous, Sandra Emperyous, Sadie Emperyous, Rachel Emperyous, Michelle Emperyous, Melanie Emperyous, Laney Emperyous, Camie Emperyous, Valentine

Emperyous, and Laniya Emperyous also transformed into their Super Angel Celestial Eternal Xelnaga forms and they joined Lincoln and Selene Emperyous.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to say your goodbyes forever, Adrastea Chernabog.**

Selene Emperyous, Zaina Emperyous, Vorya Emperyous, Sandra Emperyous, Sadie Emperyous, Rachel Emperyous, Michelle Emperyous, Melanie Emperyous, Laney Emperyous, Camie Emperyous, Valentine Emperyous, Laniya Emperyous, and Lincoln: Because your days of causing chaos and havoc in Michigan and the world are over!

Nico: Oh man, the ultimate battle between Heaven and Hell, this is going to be awesome.

Suddenly, we saw the twelve Timelord Duel Monsters, Sephylon the Ultimate Timelord, Zaphion the Timelord, Timelord Progenitor Vorpgate, Sandaion the Timelord, Sadion the Timelord, Raphion the Timelord, Michion the Timelord, Metaion the Timelord, Lazion the Timelord, Kamion the Timelord, Halion the Timelord, and Gabrion the Timelord appear.

Me: Whoa, and the Timelord Duel Monsters have also appeared, this is really going to be one epic battle to decide the fate of mankind and one that'll forever seal the fate of The Chernabog Sisters.

Selene Emperyous, Zaina Emperyous, Vorya Emperyous, Sandra Emperyous, Sadie Emperyous, Rachel Emperyous, Michelle Emperyous, Melanie Emperyous, Laney Emperyous, Camie Emperyous, Valentine Emperyous, Laniya Emperyous, and Lincoln went after Adrastea Chernabog, who continued firing blasts of darkness at them and laughing like a crazed lunatic, but they've dodged every last one of them, and they fired extremely powerful blasts of rainbow energy, colored energy, crosses, sea creatures, nightmare creatures, donuts, books, golf balls, culinary items, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Adrastea Chernabog, and they exploded with incredible power as they hit her, and they attacked her with powerful slashes from their massive greatswords, and they left nasty scars on her and she was also burned badly.

This was really majorly pissing off Adrastea Chernabog, and in her crazed fury, she took out twelve Dark Orbs she had with her, and she had them embedded in her flesh and she was laughing crazily, and the Dark Orbs were in the pattern of The Qliphoth Tree of Death, and her dark power increased.

Me: That crazy bitch! So, she and her sisters also had Dark Orbs with them, that's how they were able to bring back some of our old enemies.

Nico: And now, she's embedded them into her flesh, is she insane?!

Adrastea Chernabog fired blasts of darkness at them, but they deflected them with the large golden Elemental Shields of Harmony strapped onto their left forearms, and Lincoln and the Emperyous Sisters charged at Adrastea and they fired blasts of light at her, and she was burned really badly and she screeched insanely.

Adrastea Chernabog: (SCREAMS INSANELY) THAT'S IT! NOW, I'M GOING TO DESTROY ALL OF YOU!

Adrastea Chernabog fired a black beam of darkness, but Lincoln and the Emperyous Sisters fired thirteen beams of rainbow and colored energy beams, and a beam struggle ensued. Suddenly, the thought of what'll happen if Adrastea Chernabog wins rushed through their heads, and that caused them to push past the limits and they let out loud yells and the rainbow and colored energy beams got even bigger with an extra burst of energy and it overwhelmed Adrastea's black energy beam and the beams hit her and exploded with incredible power, and it caused the Dark Orbs embedded in her to be removed and Lincoln opened portals which sent the twelve Dark Orbs to The Warp.

Adrastea Chernabog got up and she was extremely pissed off now, but Selene Emperyous, Zaina Emperyous, Vorya Emperyous, Sandra Emperyous, Sadie Emperyous, Rachel Emperyous, Michelle Emperyous, Melanie Emperyous, Laney Emperyous, Camie Emperyous, Valentine Emperyous, Laniya Emperyous, and Lincoln were just getting started. Adrastea Chernabog then summoned a massive army of demons from Hell to kill them, but Lincoln fired blasts of holy light from his large left hand, massive greatsword, massive white angel wings, eleven massive and long white wolf tails, the large nine multi-colored orbs orbiting around his legs, and the small planets orbiting around his fingers and they hit the army of demons and they were incinerated. Then, Selene Emperyous and Lincoln slashed off Adrastea Chernabog's wings and she screamed in excruciating pain, and Adrastea Chernabog was on her last legs.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Selene Emperyous, it was known as Sephylon the Ultimate Timelord's Holy Archangel Ultimate Elemental Storm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's rainbow-colored with elemental forces on the blaster with a Phoenix, Archangel, and Sephylon the Ultimate Timelord surrounded by fire, water, earth, light, darkness, and winds etched on the sides, and a rainbow gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Selene Emperyous fired blasts of rainbow energy, aqua blue energy, and elemental forces and when they hit Drusilla Chernabog, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Adrastea Chernabog's spirit appeared.

Adrastea Chernabog: You rotten good-for-nothing fools! You're going to pay for this when our parents hear about our deaths, you will all pay!

Zaina Emperyous: (Divine Echoing Cosmic Voice of The Holy Water Maelstrom Timelord and Divine Holy Maelstrom Sea Creature Love) We'll be ready for them, and as for you, it's time for you to disappear forever.

Selene Emperyous and Lincoln drew the Judgement Kanji and Seal of God on Adrastea Chernabog, and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Selene Emperyous, Zaina Emperyous, Vorya Emperyous, Sandra Emperyous, Sadie Emperyous, Rachel Emperyous, Michelle Emperyous, Melanie Emperyous, Laney Emperyous, Camie Emperyous, Valentine Emperyous, Laniya Emperyous, and Lincoln did to Adrastea Chernabog as they holster their massive greatswords on their backs and powered down, and Selene Emperyous' new body, clothes, weapons, jewelry, and massive rainbow angel wings are permanent.

Selene Emperyous: We did it, The Chernabog Sisters are finally gone forever, and they're never ever coming back. Thank you for helping me destroy Adrastea Chernabog forever, Linky.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Suddenly, Selene Emperyous wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selene Emperyous' face, they kissed passionately as Selene Emperyous' left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, Sephylon the Ultimate Timelord, and God flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and angels flying behind them and heavenly lights shined down on them and we heard a choir of angels singing and we cheered wildly. Lincoln and Selene Emperyous came back to us, as the display and Sephylon the Ultimate Timelord and God vanished.

Nico: Alright, awesome job, guys, we're finally rid of The Chernabog Sisters once and for all.

Lincoln: We sure are, Nico. But, we also got to be ready for tomorrow, when word hits the parents of The Chernabog Sisters of what we did to their daughters, they're going to want revenge on us. But, we're going to make them pay for what they've done.

Me: Yeah, what they did in that Satanic ritual years ago, and that resulted in The Chernabog Sisters getting those demonic powers, just proves how evil they are just like their evil daughters.

Eli: They'll pay for blaspheming against God.

Lincoln: That's indeed a crime of biblical proportions that can never be forgiven.

Daria Kuso: Yeah. Oh, and Lincoln, we're going to meet the next of The Bakugan Gene-Slammers tomorrow: The Gene-Slammer for Preyas.

Lincoln: Awesome, Daria.

El Diablo: Susan's not gonna be anyone's boss now.

Yenaldoshi: She's lucky she's not dead.

Me: And she is now in prison for her crimes. Thank goodness she doesn't have the power to turn giant anymore.

Grundy: Grundy taking pies home!

Leap Frog: Well, not all of them.

Ben Ravencroft: And watch out for the bombs.

Me: At least we know the huge ones are the bombs. But I have an idea.

I took a big pie and opened a portal and threw it into it and then it hit Mandy in the Neptune Prison and then…

KRASPLAT!

EXTREMELY MASSIVE AND TREMENDOUS EXPLOSION!

The pie flew into Mandy's face in slow-motion, causing an explosion in the prison the size of an atomic bomb!

Mandy (Totally Spies): OUCH!

Nico: Nice one!

Me: Thanks.

Mordecai: (To the viewers) To whoever who doesn't like pie, you better change your tastes or it will hurt.

Nico: Yep. But great job today everyone. This one was a mission that De-PIES All expectations!

We laughed at Nico's joke!

Eli: (LAUGHS)

Luan: (LAUGHS) Good one!

Eddy: (LAUGHS) Good one Nico!

Me: (LAUGHS) That was funny!

We got lots of pies minus the bomb pies and loaded them and went back home and we enjoyed the rest of the day and went to sleep.

THE END

Mandy was with us because she needed some support just in case.

Me: I can't wait to see what your house is like Mandy.

Mandy: It's home. But my parents are good people. Even though they sometimes don't see me that way.

Me: Well your parents still love you though.

Mandy: True.

Nico: I hope we kick some bad guy butt though.

Aerrow: Me too. This is always going to be fun.

Qin: It sure is.

Nico: Thanks for coming with me, Aerrow.

Aerrow: Anytime Nico. This is gonna be so awesome.

Me: It sure is.

Camie: I heard so much about how the team helped destroy all your enemies.

Aerrow: Yeah those were some of the most fun battles we've had.

Me: They really were cool. It was like a mix of Star Wars and battling some of our most epic and most evil enemies all at once. That was awesome.

Camie: Who was the worst of them all on Atmos?

Aerrow: That was Master Cyclonus. She was pure evil.

Me: She was the ultimate force of evil in Atmos that wanted to rule over the land with an iron fist.

I went over her history.

Master Cyclonis is the main antagonist of the Storm Hawks series, and the diabolical leader of Cyclonia.

According to Storm Hawks creator Asaph Fipke, Cyclonis is the descendant of a long line of evil emperors and empresses, and became ruler at an early age because of a tragic incident concerning her father.

Such she exhibits the signature evil overlord traits: high intelligence, expertise with doomsday devices (crystals in this case) and a violent dislike for failure on her subordinates' part, although she is more forgiving to the Dark Ace. To accentuate her evil personality, any particularly evil statements made by her carry a distorted, demonic secondary voice in the background. She wears a hood which uncurls into a mane, a cloak which she takes off during battle, and a small cape which she wears underneath the cloak.

Despite all her villainous tendencies, Master Cyclonis may have a suppressed softer side to her, potentially related to her relationship with her deceased parents.

In the finale of the second season, Cyclonis escapes to the Farside of Atmos, and the Storm Hawks follow after her, while most of the other Cyclonians' (like Dark Ace) defeats are on shown, Master Cyclonis' true fate remains unknown too the fact that the series was cancelled afterwards.

Master Cyclonis' weapon of choice is her crystal staff, which, like Piper's staff, can have any number of effects based on the crystal powering it. The staff can reform itself if broken. In addition, Cyclonis herself can control and generate crystal energy without an intervening device, and can transform her weapons crystals during battle. She spends most of her time when not in the field at a console in her control room that has many mechanical arms, using it to create new crystals for use with her staff. She has many abilities with her crystals, such as deflection, teleportation, levitation, and shielding. She can also empower the Dark Ace with these abilities via the Binding.

---

When I was done everyone that hadn't heard about it was shocked!

Camie: She is pure evil!

Qin: Yeah she was a heartless and ruthless monster.

Me: After the Storm Hawks defeated her the first time she went into hiding. But I was obsessed with wanting to find her and make sure she suffers. But knowing that the odds were stacked against us we had to take out most of her forces first.

Nico: And those were really epic!

Eli: Boy that was so cool! I remember seeing all those on some awesome videos made from the ship and they were cool.

Me: Some of the most awesome and most epic dogfights we've had bro.

Nico: Of course, when we first met you guys, the Loud Kids just started battling their archenemies.

Aerrow: That's true and that was right after the Battle with Thanos from what I remember.

Nico: That's right.

Me: Yeah that was awesome. But the craziest part about all those adventures with you Aerrow is when Nico got his body Switched with Dark Ace.

Nico: Boy I'm never going to be able to live that down! What he made me do in my own body was crazy!

Me: But at least I was able to figure out Dark Ace's plans without arousing suspicions.

Qin: Yeah very smart.

Lola: What really gave him away was that he wasn't hungry for hot wings.

Me: And we all know that Nico loves hot wings as much as cheese and cake and chocolate.

Nico: (LAUGHS) You know me too well.

Me: Well I wouldn't go that far but yeah. But if Dark Ace ever does come back he is getting the Black Gates for sure.

Nico: Leave that to me. It'll be sweet payback for me.

Aerrow: You can bet on that.

Me: Aerrow are you upset that Drakus has a version of Master Cyclonus with him from his universe?

Aerrow: I was at first but I definitely knew that Drakus had his reasons for that. And you know what? I'm proud of him for saving Cyclonus from herself in his world.

Nico: We are too.

Qin: Yeah.

Me: The Adventures we had with the Storm Hawks were some of the most awesome and most epic we've ever had.

Eli: What was your favorite bro?

Me: Oh gosh I liked all of them. But my favorite was when we faced Ravess. She is a great violinist.

Laney: She sure is and I respect her.

Camie: How many Cyclonian's did you guys destroy altogether on Atmos throughout all those adventures?

Me: We counted 142,912,842 of them. Most of them were children and poor people.

Camie: That's insane!

Me: Yeah it was. But we sent many of them to prison and some of them we killed. It goes against our code to kill kids so we sent them to prison for a brainwashing removal program.

Aerrow: That was good thinking there.

Me: Thanks.

Nico: Yesterday's mission was a tasty one.

Me: Yeah and an awesome one.

Maria: Can we all agree that Benson is a much better boss then Susan?

We all agreed 100% on that one

Xenia: I agree there wholeheartedly on that one.

Lola: Yeah I agree too.

May: Sure, Benson can be harsh. But he doesn't brainwash Mordecai and Rigby into Being like him.

Me: That's for sure.

Nico: Susan wanted Mordecai and Rigby to be just like her, an abusive and heartless businesswoman tyrant.

Qin: What a jerk! Now she is paying for it by spending eternity in prison.

Lola: Good riddance!

Xenia: Yeah what a monster.

Evelyn Burmingham: Yeah that monster had it coming for everything she did.

Aerrow: I agree there too.

Me: It was still a very fun mission though and that was cool using explosive pies on her.

Eddy: Boy that was awesome.

Lana: I'll say. All those pies were really tasty too. Thanks for not letting me have Rhubarb.

Me: No problem Lana. Too bad Numbuh 4 had a coconut pie.

Nico: Yeah his lips were gross.

Maria: And Susan had the nerve to insult Pops' father and kick Benson in the gumballs!

Me: (Winces) OOH! Ouch. Yeah talk about adding insult to injury.

Qin: No kidding there.

Nico: But at least she is in prison now where she belongs.

Laney: They locked her up and threw away the key.

Lola: Yep and seized all her assets to pay for the Park.

Rhinox: That is for sure there.

Me: Yep.

I was thinking.

Me: Hmm. Nico I was thinking lately.

Nico: What is it?

Me: I was thinking about what Zordon said about Ivan Ooze about how a group of warriors like the rangers trapped him underground. Do you think it's possible that The Morphin Masters were responsible for sealing him into that egg over 6,000 years ago?

Nico: Hmm. You know it definitely is possible. They have been around for many eons so it is definitely likely.

May: Let's not think about that too much

Me: Well it's just a hunch but yeah.

Mandy: We're here guys.

We were at Mandy's house.

Me: Here we are.

Nico: Your house is nice Mandy.

Me: And it's right next door to Billy's house.

Qin: Very convenient.

But then as we got closer we sensed a massive and unbelievably powerful level of hatred and our auras exploded out with incredible force!

Qin: Whoa! That is incredible!

Nico: A massive powerful hatred is in the area.

Me: We better see what it is.

We went inside and we saw Mandy's parents Phillip and Claire running around with fearful smiles on their faces and they were cleaning the house and making it beautiful.

Me: Whoa.

Eli: What's going on.

Claire: (Fearful and Woeful) Help us guys. Please.

May: Wanna tell us what's going on?

Phillip: Absolutely nothing!

Maria: Funny. Because our auras seem to be flaring up for some strange reason.

Eli: Yeah. (Senses Something) Wait! I think I know what it is! It's Mandy's Dark Side! She's here!

We gasped!

Nico: Oh man, I can't believe that Mandy's dark side has finally been unleashed, this is going to get really ugly.

Me: And I have a feeling that the next Another Alien and Undead are both close. The next Undead is really powerful too.

Nico: And I think I know who it might be. We're sending that one to the Warp.

Lincoln: In addition to also battling the next Undead and Another Omnitrix Alien, but while the next Undead is getting sent to The Warp, Dark Mandy's getting The Black Gates. By the way, Mandy, did you use the Dark Side Eternal Purification technique on yourself?

Mandy: Yep. Now that she's no longer tied to me, you can do whatever you want to her.

Sailor Jupiter: That's all I wanted to hear, and Lincoln and I are going to be the ones to deal with her.

Lincoln: And you really got some massive and incredibly harsh words to give to her, Lida, and so do I, since I've had experience with dealing with Lola.

Me: Good idea.

Nico: Where is Dark Mandy?

Then a figure came out and it was MANDY BUT WITH PIERCING RED EYES!

Maria: Hi. The door was open. So we let ourselves in.

Nico: So, we finally meet, Dark Mandy.

Dark Mandy: And soon, it will be your last! You and all of Team Loud Phoenix Storm ruined everything for me when you showed up to Endsville, if you hadn't shown up years ago, I would've finally had the entire world at my mercy and all of mankind would be bowing before me.

Lincoln: Jeez, she's even worse than Dark Lola.

Me: Boy you little brat, you need a hobby.

Nico: My thoughts exactly.

Dark Mandy: You don't have any idea who you are dealing with.

Me: Oh we don't huh? All I see when I look at you is a spoiled little brat that thinks she is better than everyone else because she hates everyone and everything.

Dark Mandy: Lets get one thing straight! I don't care how powerful you are or how you help people but no one is going to tell me what I can and can't do especially you!

Me: Oh contrare. We are the heroes around here and we are here to teach you some manners!

Dark Mandy roared ferociously and I roared even more ferociously at her!

Zocks: Bored now! (shoot Dark Mandy with the Geardalinger)

The blast hit her all over and she was hurt bad.

Me: Nice. Phillip, Claire, Don't listen to this monster! She is a pathetic wannabe overlord loser that thinks she can just boss you around because she wants to! (To Mandy) No offense Mandy.

Mandy: None taken J.D.

Dark Mandy was infuriated!

Dark Mandy: I HATE YOU SO MUCH!

Then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

My aura flared up with incredibly and unbelievably unimaginable force that the entire house exploded into rainbow fire! My aura was now like that of an intense rainbow fire inferno!

Me: WHOA!

Nico: HOLY SHIT! That was powerful!

Eli: Wow! Her hated is unbelievably powerful! It makes the Kisenian Blossoms look like a joke.

Nico: No kidding!

Me: But thanks for the power boost.

She jumped at me and I punched her in the face and sent her crashing into a ruined wall!

Maria: When the Undead and Another Omnitrix Alien arrive, it's gonna be a battle royale!

Me: You got that right!

Dark Mandy got up.

Dark Mandy: This is MY World and I can do whatever I want whenever I want!

Me: This planet belongs to NO ONE!

Nico: That's right! You reign of terror will end before it even begins!

?: We will see about that.

A figure came out and it was ISAKA THE PEACOCK UNDEAD!

---

Isaka, also known as the Peacock Undead, is the Category Jack of Diamonds Undead and a major antagonist in Kamen Rider Blade serving as the main antagonist of the first third. He is the first Category Jack Undead to appear. He is also the arch-enemy of Sakuya Tachibana/Kamen Rider Garren.

He was portrayed by Yasukaze Motomiya.

Kamen Rider Blade

Isaka is the one who created the Rider System 3 which would allow someone to transform into Kamen Rider Leangle. However, Isaka modified the belt so that it would require the Ace card containing the Spider Undead, causing its user to be possessed by the Category Ace Undead. He also tricked Kamen Rider Garren into working for him and got him to eat the Schuld Ketsner seaweed, telling him that the seaweed would eliminate his fear when in fact it would only increase his aggression. Eventually, Garren's girlfriend Sayoko took notice of her lover's addiction and increased rage, prompting Isaka to kill her to prevent her from helping him. This caused Garren to realize the truth and turn against Isaka, leading to Isaka meeting his end when he was defeated and sealed by a vengeful Garren.

Kamen Rider Blade: Missing Ace

Isaka appears in a preview where he goes after Natsumi Miwa and Shin Magaki before only to be defeated offscreen by Kamen Rider Glaive.

---

Me: Isaka the Peacock Undead!

Kazuma: Not him again!

Me: Boy I remember this guy all too well. He gave the Blade team a hard time.

Nico: Yeah and at first I thought he was the bad guy. The main one.

Isaka: Didn't expect to see you here, Blade. But now, I can finish you off and do what Hiroshi should've done!

Me: Not if I kill you first Isaka.

Isaka fired a ball of fire at me and I absorbed it.

Me: Try this.

I fired rainbow fire blasts and they hit him and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOMMMMMM!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOMMMM!

Isaka: (SNARLS)

Me: Also.

I grabbed his glasses.

Me: Nice shades I think I'll keep these.

I put them on my head.

Maria: I hope the next Another Omnitrix Alien is near.

?: Someone call?

A figure came out and it was a Black version of an Evolved Geochelone Aerio! It was ANOTHER ULTIMATE TERRASPIN!

Me: Whoa! Another Ultimate Terraspin!

Nico: A peaceful one.

Another Ultimate Terraspin: (In a girls voice) And this is a groovy form too.

Me: I knew it was you Moonbeam Davis.

Another Ultimate Terraspin: Far out to see you again Flamebird.

Me: Man I haven't bee called that in a while.

Nico: You know her?

Me: Oh yeah. She is from the beautiful land of Flowertopia and she is a girl that loves the Woodstock 1969 Lifestyle. She is into everything from lava lamps, tie-dye clothes, far out groovy stuff and more.

Nico: Gnarly dude.

Qin: Groovy.

Albedo turned into Negative Ultimate Terraspin.

Negative Ultimate Terraspin: Did Swartz promise you anything?

Another Ultimate Terraspin: Just to be at peace with nature and live the groovy lifestyle.

Me: Far out. But we can easily do that for you with what we have at the estate. You would love living in the park we have at home.

Another Ultimate Terraspin: Groovy. I would love that dude.

Lincoln: Now it's time to put this mad dog down for good.

Sailor Jupiter: You said it, Linky. But, you know what, I think we've had just about had it with you, Dark Mandy.

Suddenly, something within Sailor Jupiter's mind snapped as memories of what Dark Mandy had done and is going to do had rushed through her head, her emerald green eyes turned neon emerald green and she was surrounded by an emerald green energy aura with angels, lightning bolts, lightning, and stars surrounding her, she unholstered her Sword of Jupiter from her back, and as she approached Dark Mandy, she left emerald green energy, angels, lightning bolts, lightning, and stars with every step.

Sailor Jupiter: You absolutely make me sick to my stomach, Dark Mandy, you've done so many evil, horrible and nasty things in the past, especially to Grim, Billy, and everyone around you, and I can't forgive you for that. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, what you were also planning on doing such as killing all of us and taking over the world… , YOU'VE CROSSED ONE LINE TOO MANY, YOU LOW-DOWN, SADISTIC, EVIL, DEMONIC, BLACK-HEARTED, MURDEROUS PIECE OF SHIT, AND NOW, I'M GOING TO MAKE SURE THAT YOU DIE A HORRIBLE, BLOODY, GRUESOME DEATH FOR ALL OF THE HORRIBLE THINGS THAT YOU'VE DONE!

We gasped at the extent of the fury coming from Sailor Jupiter.

Lincoln: Uh oh, Lida's snapped big time!

Nico: More like she's exploded, and she's really dishing out some massive and incredibly harsh words on Dark Mandy, which she rightfully deserves.

Eli: HIT THE DECK!

We took cover as Sailor Jupiter screamed like a madwoman and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

There was a massive explosion of energy and she was surrounded by a massive vortex of emerald green energy with lightning bolts, lightning, and stars surrounding the vortex and lightning crashing down from the heavens, there are angels and a cat flying around the vortex, and in the vortex is a green phoenix with the Astrological Sign of Jupiter above its head. Then, as the vortex faded, Sailor Jupiter emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sailor Jupiter grew to 7'4" in height, she has the body of a goddess, she has emerald green highlights in the bangs of her long auburn hair tied up in a ponytail, she has neon emerald green eyes and an emerald green energy aura with angels, lightning bolts, lightning, and stars surrounding her, she has a cat with the Astrological Sign of Jupiter emblazoned on her forehead, she has on cat earrings with aqua gems for eyes and holding the Lightning and Eternity Kanjis in its paws, she also has a cat with emerald green gems for eyes and holding the Lightning and Eternity Kanjis in its paws on the bottom of her emerald green angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with emerald green crystal links from her merged Crystal Necklace of the Buddha and emerald green gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Sailor Jupiter felt a sharp pain on her back, and then, massive auburn angel wings with emerald green tips grew and sprouted out from her back, she has on a Ring of The Phoenix with emerald green gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Sailor Jupiter's massive Sword of Jupiter and all the swords she'd gotten began merging together and they were surrounded by a kaleidoscope of emerald green energy, lightning bolts, lightning, stars, and angels, and when it emerged, it was transformed into Sailor Jupiter's Eternal Love Angel Mage's Staff of Electric Justice, it's a brand-new Mage's Staff measuring at 8'1" in length with a large emerald green globe mounted on top of four white dove heads with emerald green gems for eyes, large emerald green gem surrounded by a white ring and a white dragon coiled around one end of the long black handle and on the other end is an emerald green gem and below it are four smaller white dove heads with emerald green gems for eyes below a large gold crescent-shaped weight and large emerald green gem on it, she has on her large gold cuff Bracelets of The Champions of The Universe with emerald green gems on her wrists, gold Belt of Elemental Bravery with gold angel head with emerald gems for eyes and large aqua blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. リダはセーラージュピターとしても知られており、セーラースカウトのメンバーであり、ベリル女王とムーンキングダムの悪役と敵の破壊者であり、プリンセスジュピターの生まれ変わりであり、リンカーン・ラウドの愛する未来の妻であり、セレニティの友であり、モリー、アマーラ、ほたる、亜美、ギャラクシア、レイ、ミナ、トリスタ、ミシェル、ユリア、凄腕の師匠の凄腕の弟子、雷と星と天使の達人

Sailor Jupiter has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA HOLY CELESTIAL JUPITER SUPERCELL LIGHTNINGSTORM SAILOR ANGEL OF DIVINE HOLY CELSTIAL JUPITER LIGHTNING JUSTICE AND DIVINE JUPITER LIGHTNING LOVE!

We were amazed by Sailor Jupiter's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Dark Mandy saw it, she went after her in a demonic fury to kill her, but Sailor Jupiter fired a powerful emerald green energy blast with lightning bolts, lightning, stars, and angels at Dark Mandy, and as it hit her, it exploded with incredible power, electrocuting her and sending her flying into a wall, but she got out, and she was now incredibly pissed off now.

Nico: Whoa, Lida's transformed, this is going to be one electrifying battle against Dark Mandy!

Lincoln: Now, that's my kind of fight, Nico, and Lida, you look beautiful, how do you feel?

Sailor Jupiter: (Divine Echoing Cosmic Voice of The Holy Celestial Eternal Sailor Jupiter Angel and Divine Holy Celestial Electric Thunderstorm Love) **I feel incredible, Linky. Now, shall we deal with this despicable demon child once and for all?**

Lincoln: (Smiles) With pleasure, Sailor Jupiter.

Me: Evelyn, I'll rough up Isaka for you and then you come in for the rest of the kill.

Evelyn Burmingham: You got it!

I then went Super Angel Wolf Moon Xelnaga!

Me: (Divine Wolf Moon Voice) **Time for you to pay for your sins Isaka.**

Isaka turned into HIS PEACOCK UNDEAD FORM!

Me: **You are one buttugly motherfucker!**

He fired waves of fire at me and they hit the ground and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOOOMMM!

I was unfazed.

Me: **My turn.**

I flew at him with incredible speed and kicked him in the face and sent him flying and then I flew after him and slashed and punched and kicked him all over.

This was really pissing Dark Mandy off badly, but Sailor Jupiter and Lincoln were just getting started, as Sailor Jupiter used her Jupiter Coconut Cyclone as she raises her arms above her head and spins rapidly creating a blue ball of lightning and Sailor Jupiter blasts it at Dark Mandy, and when it hit her, it sent out shock waves of high-voltage energy and electrocuted Dark Mandy. Lincoln also used Sailor Jupiter's Jupiter Coconut Cyclone as he raised his left arm above his head and he spins rapidly and he created an orange ball of lightning and he blasts it at Dark Mandy, and it hit her and it sent out shock waves of high-voltage energy and electrocuted Dark Mandy.

Kaito: (gets out Ohranger gear) I got Another Ultimate Terraspin. Dark Mandy's all yours.

Zocks: (gets out Carranger gear) Sounds like a plan.

Kaito got a Zeo Sword and Zocks got a Turbo Sword.

Nico: Top this one. DRAGON THUNDERCLAP!

Nico's 5 Star Dragonball on his bracelet glowed and he fired a powerful blast of lightning and it hit Dark Mandy and electrocuted her all over with incredible force.

Qin: Take that!

Dark Mandy got up and she was even MORE ENRAGED THAN EVER!

Dark Mandy: I ABSOLUTELY FUCKING HATE YOU ALL SO FUCKING MUCH!

But then…

EXTREMELY MASSIVE AND INCREDIBLE POWERFUL EXPLOSION!

All our rainbow fire auras exploded out with unbelievably massive and incredible power and they completely enveloped the planet and were overflowing with incredible life energy! When the fire faded we were stronger and more powerful than ever before!

Nico: WHOA! That was intense!

Eli: WHOA!

Sailor Jupiter fired lightning blasts and electrocuted Dark Mandy.

Nico: Nice!

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Sailor Jupiter, it was known as Sailor Jupiter's Holy Angel Lightningstorm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's rainbow-colored with lightning bolts on the blaster with a Phoenix, Angel, and Jupiter surrounded by lightning bolts etched on the sides, and an emerald gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Sailor Jupiter fired blasts of rainbow energy, emerald green energy, and elemental forces and when they hit Dark Mandy, they exploded with incredible power as they hit her and she was killed. Then, as they holstered their hand-cannon Blasters, Dark Mandy's spirit appeared, and Sailor Jupiter and Lincoln drew the Judgement Kanji on Dark Mandy's forehead and she was damned to The Black Gates as she was found guilty by those she hurt and she was erased forever. We cheered wildly for what Sailor Jupiter and Lincoln did to Dark Mandy as they holster their weapons and powered down and Sailor Jupiter's new body, clothes, weapons, jewelry, and massive auburn angel wings are permanent.

Sailor Jupiter: That'll teach you, you heartless demon. Thanks for helping me destroy Dark Mandy for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Lida.

Suddenly, Sailor Jupiter wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sailor Jupiter's face, they kissed passionately as Sailor Jupiter's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we also saw a herd of Buffalo and many animals running across the field, along with elemental forces and angels flying behind them and lightning crashing down behind them and we also saw the planet Jupiter and we cheered wildly. Lincoln and Sailor Jupiter came back, as the display vanished.

Sailor Jupiter: Now that Dark Mandy's gone, let's go help the others with Isaka and Another Ultimate Terraspin.

Lincoln: You got it. Plus, like Nico's rescue tomorrow, we're holding off on my rescue until we've dealt with Queen Opaline.

Sailor Jupiter: I hope Misty can hold out for a bit longer.

Lincoln: She will, Lida, and she'll be happy to be rid of that monster and we're so going to deliver unto her 2,000 years of payback and retribution for her role in everything.

Isaka: Poor Kamen Rider Blade. No friends. No family. You're all alone!

POW!

I punched him in the face.

Me: **You shut up you motherfucker! You have no right to talk about him like that!**

Sougo: (gets out Ghost Ridewatch) You're wrong.

Armor Time! (Upbeat music) Kaigan! Ghost!

Geiz: (gets out Accel Ridewatch) He's not alone!

Armor Time! (Accel transformation noise) Accel! Accel! (Motorcycle revving)

Sougo got GhostArmor while Geiz got AccelArmor.

Me: **Because he has us!**

Nico: That's right!

He fired a massive barrage of fireballs and I deflected them back.

I fired a massive barrage of fireballs and they hit him and exploded all over!

EXTREMELY MASSIVE FIERY EXPLOSIONS!

He was being thrashed around like a ragdoll!

Kazuma: And I will be back with my friends and team soon! HENSHIN!

TURN UP!

He transformed into Blade!

I fired more blasts of lightning and energy and smashed Isaka all over the place.

Nico: (gets out Yost Whirlwind's Ridewatch) Time for some wind.

Juran: Like breaking wind?

Nico: No. More like breaking bones!

Nico activated it and fired waves of wind and smashed down Another Ultimate Terraspin.

I fired more blasts of energy at Isaka and they hit him all over and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMM!

Kazuma: Watch this one.

ABSORB QUEEN! EVOLUTION KING!

He got the powers of the Undead swirl around him and then he got his ultimate and most awesome form: THE BLADE EVOLUTION KING!

Qin: WHOA!

Me: **Wow! Kazuma this form is awesome!**

Kazuma: It sure is. This form was dangerous before you freed me from The Joker.

Me: **Now that the Joker is gone you are free to use that form whenever.**

Me and Kazuma slashed and blasted Isaka all over.

Aerrow: My turn!

Aerrow activated Vortex's Ridewatch and fired lightning blasts and they hit Another Ultimate Terraspin and electrocuted her all over.

Me: **Time to give you a Royal Flush Beatdown!**

Kazuma: Lets get him!

Evelyn: You got it!

Me, Evelyn and Kazuma: ROYAL FLUSH SPIRIT STRIKE!

We fired a massive combo blast of energy and fire and it hit Isaka and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down in a powerful fiery explosion!

Then Evelyn took out a card and placed it on Isaka's chest and chanted an incantation. Then she sealed his Peacock Undead form and Isaka was back to human and then I banished him to the Warp.

Me: **That's it for him.**

Evelyn: That was awesome!

Then we got the Peacock Charm on our bracelets!

Me: **Wow!**

Kazuma: That was awesome though!

Me: **Lets go help Nico and everyone else.**

We did so.

May: And then there was one!

Nico: Yep.

Me: **I have a feeling the next gene-slammer is coming.**

Maria: Same here.

?: Someone call!?

Out came CYBER LASER DRAGON!

Me: **Whoa! Cyber Laser Dragon!**

Qin: Cool!

Cyber Laser Dragon: (In a girls voice) And it's good I arrived.

Nico: Talia Serenity Tsukasa! Whoa!

She reverted back and Talia was a girl with green hair, green eyes and green clothes.

Talia Serenity Tsukasa: Good to see you again Nico. I got this.

She fired a powerful laser blast and it blasted down Another Ultimate Terraspin and I caught the ridewatch and purified it and I went over to Moonbeam and picked her up. She was a blue hair girl in a blue tie-dye shirt and had blue tie-dye pants and sandals and a flower head band.

Moonbeam: (Groans) What a far out bad headache.

Me: **But at least you're all right and groovy.**

I picked her up.

Talia Serenity Tsukasa: Man that was an epic battle!

Maria: It sure was!

Kazuma: And we got the Peacock Undead too.

Nico: We sure did.

Talia Serenity Tsukasa: That was so awesome. And Dark Mandy is gone forever.

Phillip and Claire came and hugged both Lincoln and Sailor Jupiter and they cried hard.

Claire: THANK YOU THANK YOU THANK YOU THANK YOU!

Phillip: You freed us!

Claire: (CRYING HARD) THAT MONSTER WAS NOT OUR DAUGHTER!

Nico: No it wasn't.

Lincoln: But the real mandy you know is still here.

Mandy: That's right mother. I'm (Grunts) sorry.

Claire: Oh it's all right Mandy.

Me: **Sorry about your house guys.**

Claire: Oh it's all right but at least the important thing is that we're free of that evil monster of Mandy.

Phillip: Yeah thanks guys.

Nico: It was our pleasure.

Me: **Man I didn't know Mandy's hate was that powerful.**

Eli: Me neither.

Qin: Now I see why our auras flared up with incredible power.

Xenia: Yeah.

Talia Serenity Tsukasa: But at least she is gone.

Aerrow: What's your favorite memory of Nico?

Talia Serenity Tsukasa: I have a lot of them but my favorite was when me and Nico were working on the smarted super computer ever known and we made it a huge success.

Me: **Wow! You mean the Camiola Super Computer was made by you guys?**

Nico: Yep.

Talia Serenity Tsukasa: And it was smarter than a bunch of chess players ever.

Starlight Glimmer: That is incredible.

Me: **Yeah.**

Nico and Talia hugged.

Nico: I've really missed you.

Talia Serenity Tsukasa: Me too Nico. Me too.

Mandy: I still can't smile though. For obvious reasons.

Me: **Yeah or else she destroys the entire universe.**

Qin: And we can't let that happen.

Claire: We understand.

Me: **Lets get you guys moved into our estate. We got more than enough room.**

Claire: We would like that.

We went back home and told everyone what happened and more and it was shocking! We got Mandy's parents settled in and all that and it was good. We did a scan of the planet and what happened from that massive increase and to our amazement we saw that the entire planet was turned into a HUGE AND MASSIVE LUSH TEMPERATE, TROPICAL AND DECIDUOUS FORESTED LANDSCAPE! It even covered some of the tallest of mountains in the world! IT WAS INCREDIBLE!

Nico: WHOA!

Me: Wow! Just like what happened in the 71st Century! The world was covered with plants.

Qin: Wow!

We were amazed.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, and Aang are heading to a planet in the Omega Quadrant named Thelea, a wind and gravity planet, and not only is Lincoln going to rescue the five girls here, but Lori and Leni are going to get two powerful treasures there: two powerful greatswords called The Draconic Greatsword of Ga'Oh and The Stellar Star Gravity Greatsword of Chia, and only Lori and Leni can wield those powerful greatsword because Lori got her powers from Ga'Oh and Leni got her powers from Chia, and we're also going to destroy Azrael Chernabog and Isidora Chernabog, the parents of The Chernabog Sisters, and they're out for bloody revenge on Lincoln and The Emperyous Sisters for destroying their daughters, but they're going to meet the same fate as their daughters.

Lincoln: Whoa, this is one awesome wind and gravity planet. Hey, Ebonwu Lincoln, what is this place?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know this planet all too well, Lincoln, this is Thelea, a wind and gravity planet that I've gone to eons ago.

Nico: Whoa, and I can guess you also trained there, right?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I trained on many different planets with extreme temperatures and climate, Nico, and the gravity on the various planets I'd gone to are 500,000,000,000 times more powerful than in the Hyperbolic Time Chamber, and my body has adjusted to the kinds of climates there.

Me: Damn, you sure are one tough guy to handle those kinds of planets.

Lincoln: He sure is, and so are all of us, and I know what we're going to do here, not only am I going to rescue the five girls here, but Lori and Leni are going to get two powerful treasures there: two powerful greatswords called The Draconic Greatsword of Ga'Oh and The Stellar Star Gravity Greatsword of Chia.

Leni: Yeah, they're just as bad as their daughters.

Lincoln: And just as demonic, Leni. And thanks for joining us, Aang.

Aang: You're welcome, Lincoln. So, where do we go to find The Draconic Greatsword of Ga'Oh and The Stellar Star Gravity Greatsword of Chia?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know exactly where to find them, Aang.

We continued on and we arrived at a shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw two massive greatsword floating in the center and with light shining down on it: The Draconic Greatsword of Ga'Oh, a massive greatsword with red and sky blue gems embedded in the 7'0" massive, wide, double-edged silver blade, large red dragon heads for the crossguard, large sky blue and red gem embedded in the rainguard, longer midnight black handle, four large white eagle heads and a large sky blue gem on the bottom of the dragon heads for the pommel, and The Stellar Star Gravity Greatsword of Chia, a massive greatsword with purple gems embedded in the 7'0" massive, wide, double-edged silver blade, large purple dragon heads for the crossguard, large purple gem embedded in the rainguard, longer midnight black handle, four large purple dragon heads and a large sky purple gem on the bottom of the dragon heads for the pommel.

Rarity: My word, so that's the… !

Lincoln: The Draconic Greatsword of Ga'Oh and The Stellar Star Gravity Greatsword of Chia, those two massive greatswords are indeed works of art.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) And there's something else to this shrine: I built this shrine here in honor of my world's Lori and Leni who I lost.

We gasped.

Lori 2: (Through the Rainbow Deer on Lori's forehead) So, you built this shrine in honor of me and Leni?

Leni 2: (Through the Rainbow King Ghidorah on Leni's forehead) That was so sweet of you

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) Thanks, Lori and Leni, and these rescues and treasure hunts that I planned out, I showed Lincoln the planets I chose because I built shrines there in honor of my sisters whom I lost eons ago, and I was the one who made those massive greatswords. But, there's also a catch: the next sets of massive greatswords can only be claimed once their Dark Sides have been removed for good.

Lori: Whoa, that's literally a big catch, but understandable since Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan were born and have tried to kill Lincoln numerous times in the past.

Leni: And Dark Leni, Dark Luna, Dark Laney, Dark Lana, and Dark Lily were born because of past resentment to Nico's leadership, and Dark Lincoln was born because of not only resentment to Nico's leadership, but also, because of all the pain and suffering Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, and Dark Luan put him through.

Lincoln: Yeah.

Suddenly, we saw Preyas heading for us, and with it were the four girls.

Me: What the? Marucho, did you…?

Marucho: No, J.D., I didn't summon Preyas.

Preyas: That's right, Marucho didn't summon me.

Preyas: (Girl's voice) Yeah, he didn't, and I also got the four girls away from those vengeance-crazed, demonic, Satanic monsters.

Lincoln: Wow, Mana Marukura, it's awesome to see you again, but we'll talk later, I know that Azrael Chernabog and Isidora Chernabog are heading right for us.

?: WE WILL HAVE OUR REVENGE ON YOU AND THE EMPERYOUS SISTERS FOR WHAT YOU DID IN KILLING OUR DAUGHTERS, LINCOLN LOUD!

Lincoln: Yep, there's no mistaking those voices from anywhere.

Selene Emperyous: Don't you know when to stay dead, Azrael and Isidora Chernabog?

We saw our targets, Azrael and Isidora Chernabog, the Satanic parents of The Chernabog Sisters, and they were pissed big time.

Selene Emperyous: Azrael and Isidora Chernabog, the Satanic parents of The Chernabog Sisters, I knew we'd run into you pieces of crap again.

Azrael Chernabog: You good-for-nothing Emperyous Sisters and Louds are going to pay for killing our daughters!

Isidora Chernabog: Our daughters could've finally destroyed mankind and turned this pathetic world into our playground, and now, you will all pay!

Lincoln: Why don't you two shut up?! Your demonic daughters caused nothing but trouble for all of the havoc and chaos they caused in Royal Woods six and a half years ago, and they deserved to die for all of their crimes, and the apple didn't fall far from the tree since you two were Satanists who called upon the powers of Hell to give your daughters those demonic powers!

Lori: And now, Leni and I are literally going to make you both pay.

Leni: Big time.

Lori grabbed The Draconic Greatsword of Ga'Oh and Leni grabbed The Stellar Star Gravity Greatsword of Chia. Suddenly, Lori and Leni's eyes turned sky blue and neon purple and they were surrounded by a rainbow energy aura with winds, flames, eagles, dragons, and fairies and a rainbow energy aura with stars, gravity, kaiju, and plants, they unholstered their massive greatswords from their backs, and as they approached Azrael and Isidora Chernabog, they left rainbow energy, winds, flames, eagles, dragons, fairies, stars, gravity, kaiju, and plants with every step.

Lori: You and your wife literally make me sick, Azrael Chernabog, as if what you two did wasn't bad enough since you two were Satanists.

Leni: But what you totes did in calling upon the forces of darkness to give Adrastea and her sisters those demonic powers so that they can destroy mankind and turn the world into your own playground of ruin.

Lori and Leni: Those are truly unforgivable crimes, and for that, you two will suffer the very same fate as your evil daughters.

Suddenly, Lori was surrounded by a massive vortex of rainbow energy with winds and flames surrounding the vortex, there are fairies, a dragon, and eagle flying around the vortex, and in the vortex is a sky blue phoenix, and Leni was surrounded by a massive vortex of rainbow energy with plants and stars surrounding the vortex, there's King Ghidorah and the kaiju flying around the vortex, and in the vortex is a sea foam green phoenix. Then, as the vortex faded, Lori and Leni emerged, but they were changed forever.

Leni Loud has transformed into SUPER ANGEL-KAIJU-STAR DRAGON-HARMONY CELESTIAL ETERNAL XELNAGA FASHIONISTA STELLAR STARSTORM GRAVITY PLANT KAIJU ANGEL OF DIVINE GRAVITY NATURE LOVE AND STELLAR STAR GRAVITY JUSTICE!

We were amazed by the Super Angel Celestial Eternal Xelnaga transformations of Lori and Leni, but when Azrael and Isidora Chernabog saw it, they went fucking insane and we saw demonic wings sprout out from their backs and they fired blasts of darkness to kill Lori and Leni, but Lori and Leni fired powerful blasts of rainbow energy, winds, fire, stars, gravity, plants, fairies, kaiju, dragons, and eagles which overwhelmed the blasts of darkness and they hit Azrael and Isidora Chernabog and that caused them to fly out of the shrine, and they were now extremely pissed off.

Lincoln: Wow, Lori and Leni are now the next of our family to transform, so awesome!

Luna: And the parents of those Chernabog demons are so done for, dude.

Lori: (Divine Echoing Cosmic Voice of The Fiery Hurricane Eagle of Justice and Divine Hurricane Fire Love) **You got that right, Luna.**

Leni: (Divine Echoing Cosmic Voice of The Stellar Starstorm Plant Kaiju of Justice and Divine Gravity Plant Love) **And we're going to see to it that they suffer the same fate as their insane daughters.**

Nico: Yeah, let's get those demonic parents of The Chernabog Sisters!

Lincoln: The Judgement of God and the Archangels will never spare them from the fate that awaits them, and now, they'll pay for everything that they've done.

Me: For their blasphemy against God, they will suffer the torments of Hell!

Eli: Hell's too good for them.

Lincoln: You got that right, Eli, let's get them.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered and large gold Elemental Shield of Harmony from his wider and muscular back and strapped it onto his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal

Lori and Leni were also attacking them with their massive new greatswords with powerful slashes and they left a lot of scars on the Chernabog parents, and this was extremely pissing her off badly, but Lincoln, Lori, and Leni weren't giving them any time to attack again as they swung their massive greatswords in a clockwise formation and formed energy swords of Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they went after the Chernabog Parents, and they pierced and slashed at them badly, and one of the swords also blasted a hole into their chests and that exposed their black hearts. Then, Lincoln, Lori, and Leni delivered the final blow to Azrael and

Isidora Chernabog as they fired three massive black and rainbow energy beams from their massive greatsword and they hit Azrael and Isidora Chernabog and they exploded with incredible power and their spirits were erased from existence forever by The Black Gates. We cheered wildly as we holster our weapons and powered down, and Lori and Leni's new bodies, clothes, weapons, jewelry, eleven wolf tails, Third Eyes, accessories, and massive angel wings are permanent.

Nico: We did it, now The Chernabog family is finally gone forever.

Lincoln: They deserved it.

Lori: Big time, especially for what they did in that ritual long ago.

Leni: They were nothing but monsters.

Me: Yeah, and what they did in turning their backs on God to worship The Devil, they were Satanists who had to be stopped for good, and Eli's right, Hell was too good for them: the only thing that they deserved is The Black Gates, just like their daughters.

Lincoln: You got that right, J.D., Azrael and Isidora Chernabog were just as bad as their daughters, and that's one family we literally don't want to have to deal with again. (To Mana Marukura) And it's so good to see you again, Mana Marukura.

Mana Marukura reverted back to normal, and she was a beautiful girl with long flowing aqua blue hair tied in a braid, aqua blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Aquos symbol emblazoned on her forehead and massive and beautiful aqua blue angel wings with stars and she reigned in the power of Preyas, and she's dressed in a short-sleeved dark blue blouse, sleeveless dark blue top, dark blue skirt, dark blue bellbottom pants, blue sneakers, and long white sleeveless trenchcoat with water, ocean waves, and amphibians on the coattails and Preyas on the back and holstered on her back is a Preyas-themed large greatsword with Preyas etched on the 7'0" massive, wide, double-edged aqua blue blade, large amphibian heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large amphibian heads and a large aqua blue gem on the bottom of the large amphibian heads for the pommel.

Mana Marukura: You too, Lincoln, it's been a long time, and it's also good to see you and Riley again, Daria.

Daria Kuso and Riley Misaki: You too, Mana.

Lincoln went up to Mana Marukura and he hugged her, and Mana Marukura is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Mana Marukura: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Mana Marukura, she's my Guardian Angel from Japan and classmate in Gym, she's an Aquos Bakugan Brawler and a member of the Bakugan Battle Slammers, and like the Bakugan Battle Brawlers, Mana's a capable Bakugan Brawler. Mana, along with the other Bakugan Battle Slammers moved to Michigan from Japan when they were eight, and they would often play together with me.

Me: That's really awesome.

Lincoln: Yep, and she and the other Bakugan Battle Slammers took on the worst of Lori, Luan, Lynn, Lola, and Lisa plus Chandler, Hawk and Hank, Pablo and Anderson. To show thanks, I took her and the other Bakugan Battle Slammers to a lake where I kissed each of the Bakugan Battle Slammers underwater.

Nico: That's really nice. Wait a second, her last name is Marukura, then that means?!

Lincoln: Yep, she's the sister of Marucho Marukura.

We were stunned.

Eli: Whoa, no way!

Marucho: Yeah, it's true, and it's so good to see you again, Mana.

Mana Marukura: It's good to see you and Preyas again, Marucho.

Preyas: Marucho told me much about you, Mana, and now, we were surprised to find out you're also Lincoln's Guardian Angel.

Mana Marukura: I've been his Guardian Angel since the day I first moved here to Michigan, and the same went with the other Bakugan Battle Slammers, Preyas, and I've also got a story of how I stopped Lynn from trying to kill Lincoln, and it led to her swearing her revenge on me, which I'll tell you about later. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Mana, are you absolutely sure about this?

Mana Marukura: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Mana Marukura, and he saw that she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Mana Marukura's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Mana Marukura: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Mana.

Mana Marukura had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Mana Marukura's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The four girls are Maki Gamou, Yoshi, and Sakura from Don't Toy With Me, Miss Nagatoro, Sempai from Magical Sempai, and Sakura Igawa from Taimanin.

Lincoln: Oh wow, it's Maki Gamou, Yoshi, and Sakura from Don't Toy With Me, Miss Nagatoro, Sempai from Magical Sempai, and Sakura Igawa from Taimanin.

Nicole: Awesome.

Lincoln: Are you girls okay?

Maki Gamou: Yes, we're okay, thanks to you.

Then, when Maki Gamou and the other four girls saw who it was that saved them from Azrael and Isidora Chernabog, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of

Maki Gamou: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Maki Gamou: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maki Gamou, Yoshi, Sakura, Sempai, and

Sakura Igawa with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Lori and Leni had gotten The Draconic Greatsword of Ga'Oh and The Stellar Star Gravity Greatsword of Chia, the treasure that's been located on Thelea, and the team was shocked when they found out the villains we went after were Azrael and Isidora Chernabog, the parents of The Chernabog Sisters who were out for revenge on Lincoln and the Emperyous Sisters for killing their daughters.

But, when Lincoln showed what happened such as Lori and Leni transforming into their Celestial Eternal Xelnaga forms and that they along with all of us laid a brutal beatdown on those two demonic Satanists and that he, Lori, and Leni delivered the fatal blows and sent them to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Mana Marukura have a lot of catching up to do now that she's back in town.

Maria: Whoa, so now, Lori and Leni have gotten their new treasures and transformed, that was so awesome!

May: And Selene did say that one day we'd run into the parents of the Chernabog Sisters here.

Lori 2: (Through the Rainbow Deer, Rainbow Dragon, Rainbow Eagle and Rainbow Third Eye Iris) But, we sent them to The Black Gates, and Ebonwu Lincoln was the one who planned out these treasure hunts and rescues on the planets he's gone too.

Leni 2: (Through the Rainbow King Ghidorah and Rainbow Third Eye Iris) And that he was the one who built shrines in honor of us and stored more massive greatswords there and put up a spell, and they'll deactivate once the Loud Sisters got rid of their dark sides.

Maria: Wow, that's really deep.

Lincoln: It sure is, and on Monday, the rescues will start again since tomorrow's the day we destroy Opaline.

Nico: Yeah.

After finally destroying Azrael and Isidora Chernabog, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico, Lori, Leni, and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Mana Marukura saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Mana Marukura: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mana Marukura: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting

smarter as well.

Nico: You got that right. So, Mana, what's the story on how you stopped Lola before she tried to kill Lincoln?

Mana Marukura: You're not going to like this one bit, Nico. One day, Lincoln and I were walking home from school, but then, we heard the sound of an angry yell, and we saw who it was coming after us in a fit of rage: it was Lola, and she was completely insane. But, I wasn't going to let Lola kill us, so I fired a powerful blast of water and it drenched her, and this of course made her extremely furious, but then, I saw Lincoln fire blasts of rose red energy and imprisoned Lola, we tied her up in nylon rope so she couldn't get out, and we called Luna to come get us. She came and we went home with Luna dragging a tied up Lola, and when we told Mr. and Mrs. Loud of what Lola tried to do to me and Lincoln, they grounded her for fifteen weeks and Lincoln threw her in a cage in her room. We found out that Lana accidentally stepped on Lola's tiara and she ran out in fright, because if Lola found out, she was going to kill her.

Me: Yikes.

Nico: We'd heard a lot of incidents with Lola and a broken tiara, and she went after Lincoln driven only by madness and blood, only to find out that the real culprits were those who ran away in fright or put a lock of Lincoln's hair to frame him.

Lincoln: Lana did confess that it was an accident, but to Lola, it made her so furious that she wanted to kill Lana, but if she made one more wrong move, Mom and Dad were going to take her out of her pageants and her pageant career would be over.

Lori: And they were literally serious about it, Mom had Cheryl's phone number and the coordinator for the pageants, just one phone call and Lola's pageant career was finished. But, Lola swore revenge on Mana for this, but Mana swore if Lola dared to go on the attack again, she was going to drown all of her pageant dresses in water, and when she told her brother about it, let's just say…

Marucho: Yeah, I was a little mad that Lola swore revenge on my sister.

Dan: Same with me when Lori swore revenge on Daria.

Runo: Along with me when Lynn swore revenge on Riley. But, Riley, Daria, and Mana cooled us down and we decided to look past that.

Lincoln: Thank goodness.

We got a shower afterwards, and then, Clyde, Sailor Mercury, Fantina, Professor Ivy, Gloria (Pokemon), Evelyn (Pokemon), Nita (Pokemon), Dana (Pokemon), and Morgan (Pokemon) are heading to Aquatic Ruin Zone.

Clyde snapped his fingers, and the 17-year-old, 7'5", and extremely muscular man was dressed in large dark blue swim briefs with the phoenix and clocks on it and silver flames coming off the swim briefs, dark blue sandals, his jewelry, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Sailor Mercury, Fantina, Professor Ivy, Gloria (Pokemon), Evelyn (Pokemon), Nita (Pokemon), Dana (Pokemon) and Morgan (Pokemon) were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, Lincoln and all of us found out that Sailor Mercury, Fantina, Professor Ivy, Gloria (Pokemon), Evelyn (Pokemon), Nita (Pokemon), Dana (Pokemon) and Morgan (Pokemon) all had feelings for Clyde, and those feelings came true when he saved them from a gang of thugs that Trina Riffins hired to rape and kill them, and Clyde fired blasts of time energy at them and they were aged until they turned to dust, and that really set Trina Riffins off big time as she screeched and screamed in anger until Lincoln snapped his fingers and made an anvil appear and it dropped on her head.

Sailor Mercury: Wow, so this is Aquatic Ruin Zone, awesome.

Clyde: Yep, and it's perfect for our date, Ami. Shall we?

Clyde, Sailor Mercury, Fantina, Professor Ivy, Gloria (Pokemon), Evelyn (Pokemon), Nita (Pokemon), Dana (Pokemon), and Morgan (Pokemon) dived right into the waters and they also had a swimming race and had a lot of fun, and they had a game of volleyball, plus, Sailor Mercury, Fantina, Professor Ivy, Gloria (Pokemon), Evelyn (Pokemon), Nita (Pokemon), Dana (Pokemon), and Morgan (Pokemon) got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Clyde made clones of himself, and he and the clones went up Sailor Mercury, Fantina, Professor Ivy, Gloria (Pokemon), Evelyn (Pokemon), Nita (Pokemon), Dana (Pokemon), and Morgan (Pokemon) and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the thick muscular necks of Clyde and his clones, and they placed their right hands on the massive wide and muscular left pecs of Clyde and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Lincoln saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: Hey, Clyde, how was your date?

Clyde: It was awesome, buddy, we went to Aquatic Ruin Zone.

Sailor Mercury: And it was awesome, plus, we're now part of Clyde's harem since we had feelings for him, and they came true when he saved us from a gang of thugs that Trina Riffins hired to rape and kill us, and Clyde fired blasts of time energy at them and they were aged until they turned to dust, and that really set Trina Riffins off big time as she was left screeching and screaming in anger.

Lincoln: That was until I snapped my fingers and made an anvil appear and it dropped on her head. I swear, Trina's just going to make things a lot worse for herself.

Courtney: She's always been an evil heartless monster with a black heart, and she's nothing but a complete nightmare to everyone in her path.

Me: Big time.

Nico: And her desires for revenge aren't going to stop, the same with Amy and Flip.

Lincoln: Yep, the only thing waiting for them is another anvil or piano getting dropped on their heads or getting electrocuted badly.

Me: If she does that kind of stunt again, you, Nico, Eli, and I are going to be the ones to electrocute her badly, and we'll use the Ridewatches for this.

Nico: Nice.

Lincoln: We'll use the Ridewatches for Electro, Yost Electro, Tchang Zu, and Loki.

Eli: Good one.

---

Later it was time for Erica's 2nd mission.

Me: I hope we bring down more of Zixx's enemies.

William: Anyone else want to go with Erica? Besides Carnotaur and Cheese?

Crow Hogan: I'll come with.

Nico: Nice.

Twilight Sparkle: Me and my friends all will go too.

Courtney: Awesome and the big war is tomorrow so it'll be awesome for them to meet you.

Sunset Shimmer: It sure will be cool.

Nico: Yep. Lets head out.

We were off to Canada.

---

We arrived.

Zixx: Hey guys!

Me: What's up Zixx?

Erica: Guys, these are my boyfriend and my archenemy.

Crow Hogan: Awesome to meet you guys. I'm Crow Hogan and this is the Carnotaur. You may remember him from the 2000 movie Dinosaur.

Carnotaur waved.

Me: He doesn't talk yet but they are teaching him to.

Zixx: Wow! It's an honor.

Me: And everyone meet Twilight Sparkle and friends.

Twilight Sparkle: It's an honor to meet you all. I'm Twilight Sparkle the Princess of Friendship and the Magic Skylanders.

Sunset Shimmer: I'm Sunset Shimmer the Princess of Forgiveness and the Fire Skylanders.

Applejack: Howdy my name is Applejack and I'm the Princess of Honesty and the Earth Skylanders.

Rarity: My name is Rarity and I'm the Princess of Generosity and the Water Skylanders.

Fluttershy: I'm Fluttershy the Princess of Kindness and the Life Skylanders.

Rainbow Dash: I'm Rainbow Dash the Princess of Loyalty and The Air Skylanders.

Pinkie Pie: I'm Pinkie Pie the Princess of Laughter and The Tech Skylanders.

Starlight Glimmer: And I'm Starlight Glimmer the Princess of Empathy and the Undead Skylanders.

Zixx: Oh wow! It's truly an honor to meet you all.

Me: They are the Guardians of Harmony and protect everything in

Equestria and the world with us.

Nico: Yep.

Me: Oh and this guy is Cheese.

Cheese: Yes-ha.

3 kids came out.

Riley Kiniston: A newcomer to the neighbourhood, 16-year-old Riley is quick, charismatic and daring. He tends to overlook crucial details and tends to be suspicious about things concerning Zixx. A natural in the Keep, his hand-eye coordination and his ability to make intuitive connections make him invaluable as the ultimate non-linear problem solver. Raised by a single mom, Riley is embarrassed by his father, a devotee of a flaky group who believes they're in contact with aliens. In Level 3, his Keep form is empowered with superstrength.

Megan: Riley's 13-year-old cousin, a sensible and incredibly bright girl who is witty and perceptive. She is calm and takes a more calculated approach to problem solving and a brilliant tactician. Although her jokes sometimes confuse Zixx, she and Zixx have a warm appreciation for each other. She has a different understanding of Flanngo than the boys, and even glimpses the soft side that exists in spite his curmudgeonly personality. In Level 3, her Keep form gains a jetpack.

Dwayne Welland: Thirteen-year-old Dwayne is Meghan's geeky pal and a science-technology wiz. He ignores all criticism and is rather thick headed, diving head first into any situation without realizing the real danger. While he only seems to inspire annoyance (especially in Riley and Flanngo), he has proven to be as valuable as Riley and Meghan. Near the end of Level 2, Dwayne became to Key to exiting Level 2, making his Keep form golden. In Level 3, he gain a multi-use tool that enables him to translate the languages of other beings.

Zixx: Erica, meet Riley Kiniston, Megan, and Dwayne Welland.

Erica: Awesome to meet you guys.

Riley Kiniston: Same here.

Megan (Zixx): It's an honor.

Dwayne Welland: We love all your adventures and they are awesome.

Me: We get that a lot.

Nico: Also guys Twilight Sparkle and her friends are all with us because we're here to tell you that the war starts tomorrow.

Me: That's right. We attack at dawn.

Zixx: You know we'll be there.

Riley Kiniston: Who are we going into war against?

Me: Her name is Queen Opaline. Let me tell you all about her.

I did so and what I revealed was shocking.

When I was finished everyone was shocked!

Megan (Zixx): She is pure evil!

Dwayne Welland: She's worse than the Hargokks!

Me: No kidding. We head out to the Kamchatka Peninsula in Russia to make that monster pay for her crimes. In blood and fire.

Nico: Yeah.

Me: We're going to be in for one helluva battle so you all need to be ready and hit her and whatever minions she has with everything you got.

Zixx: You know we'll gladly help you all out.

Nico: Awesome.

Me: We already have all of our allies from all over the universe coming in even as we speak.

Eli: We sure do.

Dwayne Welland: Awesome.

Nico: Is it okay if you attack alongside those outside of the main groups?

Zixx: Yes we can gladly do that.

Me: Awesome. We attack at dawn. It'll still be night when we get there.

Zixx: Okay.

Riley Kiniston: On our end, things aren't so easy either.

Me: So we have seen.

As Riley was talking, Cheese took out a pink horse toy and started playing on his head.

Riley Kiniston: Since Deeth and Onccalon are back, we've had to find out who else came back with them. Aside from Undead- (to Cheese) Will you stop that?!

Cheese: I'm a horsey! Baa!h pew pew pew! Baaah! Now your a horsey! (tackles Riley)

I grabbed Cheese.

Me: All right Cheese that's enough. You'll have to forgive Cheese. He's a total idiot.

Nico: Yeah and he is funny too.

Eli: He's an awesome annoyance for many jerks we know.

Zixx: Wow. Like who?

Me: Like Amy and Billy McLean.

Pinkie Pie: I think it's funny too.

Megan: You sure you dealt with all the Sore Losers?

Nico: Why?

Megan: There's still Jo and Freakziekel unaccounted for.

Crow: (laughs) It's really Jo we need to worry about. Freakziekel is easy to kill. Just ask Stacey!

Me: Yeah Stacey killed him for us and did us a huge favor. Also our teammate Bisca Mulan found Jo and beamed her back to prison and we put her in maximum security Solitary Confinement.

Megan: Oh. Thank goodness.

Me: Yeah. But if she does get out she is definitely getting the black gates.

Zixx: That's good. (Sees our charm bracelets) Hey those bracelets are new. Where did you get those?

Me: Oh these are brand new. You remember those Undead we fought?

Zixx: Yeah.

Me: Well when we take one down we get a new charm added to these.

Eli: It's very stylish and amazing.

Nico: Yep.

Riley Kiniston: Anyway, as I was saying, we DID find another one of our enemies lurking about with Undead.

Nico: Who?

Riley Kiniston: His name is Markko Killborn.

---

Markko Killborn: A shapeshifter who works for the Hargokk Empire.

He was a friend of Riley, but when they met in the Keep Markko showed his ability to shapeshift and tried to undermine the team. Markko was eventually flattened by Jayda's psychic powers due to his failures. He suddenly appeared at the Boegarian chess set as Zixx but was cast out into oblivion.

---

We gasped.

Me: Whoa so he's a Shapeshifter!

Nico: Not good!

Eli: But with my powers I'll flush him out.

Me: Yep. Let me get everything set up.

I went and did so.

Dwayne Welland: Can I give you advice on destroying Opaline?

Nico: Sure.

Dwayne Welland: (gives Nico gun) Guns work on killing dirtbags all the time.

Nico: Yes they sure do. Thanks.

Eli: And they do say that the gun is mightier than the sword.

Dwayne Welland: That's true.

Erica: Yeah.

Zixx saw Crow's mark of the dragon.

Zixx: What's that mark on your arm Crow?

Crow: Oh this? This is my Mark of The Crimson Dragon. I was chosen as one of the protectors of the Earth from the forces of Darkness.

Nico: For many eons the Signers have been known as the protectors of the Earth and they have a massive and huge responsibility. They were given the task to make sure the forces of evil like the Earthbound Immortals and the threats of the world are stopped.

Zixx: Wow! That is huge.

Eli: Yeah.

Twilight Sparkle: The Goths of Darkness consisting of J.D.'s daughter Brittney and Lucy Loud and her friends of the Young Mortician's Club all have the Dark Signers as their archenemies in the Masters of Evil.

Sunset Shimmer: Carly Atlas of the Hummingbird is married to Jack and Misty Tredwell of the Lizard has J.D. as one of his future wives.

Nico: It's true.

Zixx: Oh wow! Love happens in the most amazing of times.

Nico: Yep.

I got it all set up.

Me: All set up.

Erica: Here we go.

Nico: Okay this time I'll monitor you all from here.

Me: Okay.

We put on Questworld Visors.

Nico: Questworld log on. Subjects James Knudson, Eli Winston Bullock, Courtney, Jeremy Belpois, Aelita Schaeffer, Ulrich Stern, Yumi Ishiyama, Odd Della Robbia, William Dunbar, Sissi Delmas, Brynja Heringsdötir, Twilight Sparkle, Sunset Shimmer, Rarity, Applejack, Fluttershy, Pinkie Pie, Rainbow Dash, Starlight Glimmer, Zixx, Adam Frake, Griffin "Griff" Chalanchuk, Riley Kiniston, Megan, and Dwayne Welland. GOING HOT!

It activated and we went into the virtual world!

Me: Whoa!

Eli: Wow! That was cool!

William: Everyone, stick together.

Me: Right.

We followed Zixx.

Me: So far everything looks quiet.

Twilight Sparkle: This is amazing!

Sunset Shimmer: Wow! It's like I'm now part of a video game!

Fluttershy: Boy this is really amazing.

Rarity: Oh it sure is darlings.

Nico: It sure is amazing though.

Aelita: I think it's really cool though.

Adam Frake: Me and Griff weren't able to join Zixx after Riley and the others met her.

Me: I see.

Eli: But it's cool you're all with us.

Nico: Yeah. Radar is showing 6 blips to your north in the next room.

Eli: Lets go.

We went to the next room.

Erica: Stay on guard.

We nodded.

Nico: Weapons coming your way guys.

We got energy blasters and swords.

Me: Nice.

We then saw what looked to be another Nico!? What the?!

Nico: What the!? Is that me!?

Eli: No that isn't you Nico! BEGONE IMPOSTER!

Eli fired waves of Force Lightning and electrocuted it and it reverted back to MARKKO KILLBORN!

Nico: I knew it!

Markko: Is that anyway to greet an old friend?

Riley: We stopped being friends when you joined up with Onccalon!

Me: And you sealed your own fate when you worked with him too!

Markko: J.D. Knudson!?

Me: That's right! And we're here to kick your sorry butt!

Markko: Bring it on!

Me: With pleasure!

I fired energy blasts and burned him all over the place.

Markko: I can fight fire with fire!

Markko turned into Molten Man and threw fireballs at us.

Me: Nice try!

I absorbed the Fireballs.

Me: Two can play that! (ACTIVATES MOLTEN MAN'S RIDEWATCH)

I fired balls of fire and smashed him down and he reverted back.

Markko: Oh yeah?

He turned into Bennett from the movie Commando!

Me: Ooh want to go Commando now.

I went at him and we really roughed each other up.

Markko: I'M GONNA KILL YOU NOW!

I punched him in the face and flipped him over and then punched him and sent him into an electric fence and electrocuted him and he came at me and I dodged his strikes.

Me Bullshit!

POW BIFF WHAP BLAM BIFF POW WHAP WHAP WHAP WHAP WHAP WHAM WHAM!

Nico: Whoa! Brutal!

Me: Just like in the movie Commando!

Markko reverted back and he had blood dripping from his mouth.

Me: Just like how Arnold Schwarzenegger kicked Vernon Wells's butt.

Nico: (LAUGHS) Love that scene.

Markko turned into Billy Numerous and made clones of himself.

Me: Two can play that! MULTI SHADOW CLONE JUTSU!

I made 930 Clones!

Zixx: WHOA! That is cool!

Crow: It sure is!

Me and the clones dogpiled on Markko and smashed him all over the place.

We knocked him all over and he reverted back and the clones dispelled.

Nico: Nice.

Markko turned into Skalamander and shot diamond shards at us.

I grabbed them and threw them back at him.

Crow: My turn for some fun! I summon BLACK WINGED DRAGON!

He summoned his Signer Dragon!

Zixx: Whoa! So that's one of the Signer Dragon's?

Me: Yep.

Black Winged Dragon fired a massive blast of energy and smashed down Markko!

Nico: Wow! That is cool to summon Duel Monsters in the Virtual World. But then again Yugi and his friends all did it before.

Eli: Yep.

Markko turned into Speed Demon and ran around us.

Riley: He's moving too fast!

Rainbow Dash: But so am I!

ZOOOM!

She zoomed fast and punched him down.

Nico: YEAH!

But then 5 figures came out and they were more UNDEAD!

They were the Bat, Locust, Plant, Deer and Moth Undead!

Nico: Whoa! The Bat, Locust, Plant, Deer and Moth Undead!

Me: I remember these guys! And the Bat Undead was the first Undead I remember that Kazuma took down!

Nico: That's right!

Eli: Whoa!

Markko turned into Calamitous and summoned his mech suit.

Nico: J.D. you face the Undead. Everyone will take it from there.

Me: You got it boss. Lets see if my transformations work in here.

I went Super Angel Wolf Moon Xelnaga!

Me: (Divine Wolf Moon Voice) Whoa! They do!

Nico: Cool!

Evelyn then teleported to Nico.

Nico: Evelyn! You made it!

Evelyn Burmingham: I couldn't pass this up.

Nico: Lets get you put in.

Nico got her strapped in and then he sent her into the Virtual World.

She flew in and helped me.

Me: Whoa! Evelyn perfect timing.

Evelyn Burmingham: Thanks.

We slashed and defeated each Undead one by one.

Odd: Laser Arrow!

Odd fired laser arrows and blasted Markko down.

Nico: Nice one!

Me and Evelyn defeated the Undead.

Evelyn: Lets do it.

Me: With pleasure.

We took out 5 cards and threw them and chanted incantations and sealed them and they were sucked in and then we got the charms for the Bat, Locust, Plant, Deer and Moth.

Me: Awesome!

Nico: Yeah!

Markko turned into Juggernaut and charged at us. Carnotaur roared and charged at him.

He smashed Markko down.

Nico: YEAH!

Me: Nice try Markko!

Applejack: Top this one!

Me: I saw this on a video on the internet. Lets give him a taste of the Japanese Dance-A Thon!

Twilight Sparkle: Lead the way J.D.

Me: Here we go. Follow my lead girls.

(NINJA THEME PLAYS)

THERE ARE ROADS THAT A PONY MUST TRAVEL

We danced like on a game and punched and kicked Markko all over. Applejack slashed him with a katana, Rainbow Dash and Fluttershy kicked and blasted him with energy blasts, Rarity shot jewels at him with a golf club, Pinkie Pie ate cupcakes and punched him all over. Starlight kicked him with energy kicks and Twilight punched him all over.

Nico: ROCK ON!

Markko turned into Hydro Man.

Markko: (as Hydro Man) Time to take a dive!

Markko fired water at us. But Yumi snarled as her hands turned into claws.

Yumi turned into her HAMMERHEAD SHARK FORM!

Zixx: WHOA! She's a Hammerhead!?

Me: Long story.

She swam through the water and smashed him with a powerful headbutt!

Me: YEAH! Nice one!

Yumi reverted back.

Yumi: Yeah!

Yumi was dressed in her Black Leotard and it had a hammerhead on it.

Megan: Nice leotard.

Yumi: Thanks. Everyone compliments me on it.

Brynja: (Icelandic Accent) It's really amazing Yumi. I didn't know you had that on you.

Yumi: Long story like J.D. said.

Me: But man Markko you are really skilled with all the powers of the Masters of Evil.

Markko: Thanks. I watched all your usual battles with them and they are fun and cool.

Me: You would make an awesome member of the M.O.E. Wouldn't you agree Nico?

Nico: Actually, I agree.

Markko turned into Tar Pit and fired tar at us.

We ducked and I fired waves of fire and smashed him down.

Me: Wow! You are like a 1 man usual battle fight force!

Markko: (LAUGHS) That's true.

Me: Can you turn into Lord Drakkon?

He did so.

Markko: Like this?

Me: Now you're talking.

I clashed with him and kicked and punched him all over.

I kicked him down.

Markko turned into Professor XXXL and threw snowcones at us.

Zixx: Snowcones!?

We dodged them and Yumi fired waves of wind and smashed him down.

Me: Boy this is fun!

Markko turned into Zs'Skayr and turned invisible.

Me: I don't think so.

I used my Infrared Vision and I saw him.

I kicked him in the face and knocked him down.

Nico: Whoa! Not even the cloak of an Ectonurite is enough to save himself J.D.'s infrared vision.

Ulrich: Yeah.

William: As fun as this has been, I think it's time we ended this!

Me: I agree. You turned into like 25 members of the M.O.E.

Nico: That was so cool!

Me: And I know just the place for you to stay in. (Pulls out SPD Morpher) SPD MORPHER JUDGEMENT MODE!

I pressed a button and a flash of light appeared and a timer came on. 15 seconds later the red X lit up!

Me: GUILTY! Containment Mode!

I pressed it again and a flash of energy appeared and he was locked in a containment card.

Me: There.

Nico: Normally I say this to monsters for the Power Rangers but Markko Killborn you have failed this city!

Me: Yeah he has!

I picked up the card and sent it to the M.O.E. Prison.

We later came back.

Markko was in a cell in the M.O.E. Prison.

Markko: Well, at least Deeth will think I'm dead.

Wolf Undead: Hey mac.

Markko saw Wolf Undead!

Wolf Undead: What are you in for?

We later came back home.

May: Hey guys. How did it go?

Me: Really awesome.

We told them everything and it was awesome.

May: Whoa! That is awesome!

Maria: It sure is!

May: Next time, Right and Thomas the Tank Engine should come with you.

Erica: Good idea!

Lola: Yeah! But that's after the war on Monday.

---

[Rolf is crawling along the sidewalk, sniffing as he goes. He crawls over Jonny.]

Jonny: "Hiya, Rolf! What'cha doing there, guy?"

Rolf: "Silence! Rolf must brood."

[Rolf follows the trail to Ed's house, which he enters, still crawling. He comes to the basement steps and falls down them. He looks through a keyhole into Ed's room. Inside, Ed has his bathtub filled with water and a group of Rolf's chickens wearing diving masks are floating in it.]

Edd: [worried] "Ed, this is so wrong! Rolf's sure to discover his chickens are missing!" [Rolf enters.]

Ed: [to the chickens while he holds a hula hoop] "Here we go! Jump! You there, upsy-daisy!"

Eddy: Give it a rest Lumpy.

[Edd taps Ed on the shoulder, who looks up to see Rolf fuming with rage.]

Ed: "Uhh… I think you have to go home, chickens."

Rolf: You have squeezed an orange rind in the eye of Rolf!

Ed: Uh Rolf?

Rolf: "Rolf will release his rage now!"

Eddy: "Wait, we can work this out!"

[Punching sounds are heard following Rolf's strained exertions and Eddy is thrown into a wall, The chickens run amuck.]

Rolf: [as he rips off his shirt and advances towards them] "You have broken the celery stalk on the back of a sea urchin!"

Ed: "What'd he say?"

Rolf: "SHAKLAHAM!"

Rolf punched Edd into a wall!

Rolf: "Return Rolf's chickens!"

Ed: [running off] "WAAAAAAHHHH!"

Rolf: "RETURN THEM!"

[Rolf storms toward Ed and Eddy. And then he jumps them and delivers a brutal beatdown on the trio]

Rolf: "Stop, I must punish you!"

Eddy: "Mommy!"

Then the Mascots saw him smashing the Ed's all over the place!

Poromon: Oh no! Lets get him guys!

Poliwag: Right!

Mascots: CUTIE DOGPILE!

They jumped on Rolf and immobilized him!

Misty Tredwell: Rolf, what the Hell are you doing?!

Me: Rolf what the Hell is wrong with you!

Rolf: The Ed Boys have broken the trust of a son of a shepherd!

Me: Don't tell me, Ed stole your chickens again.

Nico: Ed! How many times do we have to tell you not to do that?

Ed: "It was their idea, Nico. As they wanted to be the best chickens they could be! Bless their little giblets."

Me: Really?

Ed: Uh huh.

Varie healed the Eds up.

Tea: Rolf, please don't be too angry with them. Sometimes, it's hard to let go of old habits.

Eddy: It really wasn't me and Sockhead's idea, Rolf.

Me: Ed just said it was all his idea. Also Rolf save all that Pent up anger for the war. We go into battle first thing in the morning.

Rolf: Oh you're all right. Rolf is sorry Ed Boys. Rolf will release his rage during the battle with Dark Fire Alicorn Mayhem Monster.

Me: Good name for Opaline.

Nico: (To the Mascots) But awesome job saving the Eds.

Poromon: Thanks Nico. We haven't used a Cutie Attack in a while.

Me: Boy it sure has been a while.

Bomb Burst: Okay, was it really the chickens' idea?!

Me: From the looks of things no.

Fluttershy: Oh the chickens were all taken by Ed. He stuffed them in his jacket and took them to his room.

Me: Some things never change.

Luan: Yeah! That one CLUCKS it's way to being funny. (LAUGHS) Get it?

We laughed at her joke.

Me: (LAUGHS) That was funny.

Eddy: (LAUGHS) Good one Luan!

Lola: That was a good one.

Misty Tredwell: It was a good one.

Gears: You're lucky the chickens didn't lay eggs!

Me: That would have been funny.

Rolf: (Laughs) Rolf thinks so.

Me: Sorry about that Rolf.

Carmen: Yeah sorry Captain Rolf. Ed loves your chickens.

Me: Yeah you should have seen how many hens he ate on the Cornish Game Hen planet.

Rolf: That was a lot of chickens.

Me: It sure was.

Nico: Yeah.

We went back to the estate.

We came home.

Toad Man: Nico, which teams have you made this time?

Nico: Jaden's team will include Reggie McDonald, Elemental HERO Dark Neos, Elemental HERO Flare Neos, Elemental HERO Aqua Neos, Elemental HERO Grand Neos, Elemental HERO Air Neos and Elemental HERO Glow Neos. Onua's team will include Smolder, Draco, Spotlight, Blackout, and Bash.

Me: Cool! So Elemental Heroes of the Elements and the Dragons of Twilight Force!

Jaden: I like it!

Qin: That's a cool set of themes.

Eli: And the 6 Neos Elemental Heros are perfect!

Lola: Yeah that is cool!

Xenia: And Draco, Spotlight, Blackout and Bash are going to be awesome dragons.

Smolder: They sure are!

Then Robo Roxy, Villamax, Key, Dark Spicer, Mojo Jojo, El Diablo, Yenaldoshi, Grundy, Leap Frog, Ben Ravencroft, Greg, Man Spider, Opposite Senshi, Coldsnap, Millipede Pete, Raizen, Evil Luxord, Sheep Mage, Mortimer Mouse, and Swamp Witch Appeared.

Mojo: Can me, Robo Roxy, Villamax, Key, Dark Spicer, El Diablo, Yenaldoshi, Grundy, Leap Frog, and Ben Ravencroft go with you guys?

Millipede Pete: Me, Greg, Man Spider, Opposite Senshi, Coldsnap, Raizen, Evil Luxord, Sheep Mage, Mortimer Mouse, and Swamp Witch will come too.

Nico: You sure can and believe it or not we are heading to the Pizza Planet. We found out that it was part of the Thanksgiving Planet System.

Eli: Boy what are the odds of that having one of our favorite planets be part of the same system?

Me: Probably astronomical. But that is awesome. And Pizza is now on the menu for the Thanksgiving Dinner.

Qin: It sure is.

Helena Nicos Knudson: I love it.

Allie Knudson: If anyone doesn't like pizza then there is seriously something fucked up with your mind.

Xenia: You got that right.

Tyrone McGee: Nico, which Gene Slammer do you think you'll meet next time?

Nico: Oh gosh. Hmm. Ooh! How about ones for ALL OF THE ELEMENTAL HERO CARDS!

We gasped!

Me: WHOA! THAT is gonna be over 200 monsters!

Qin: HOLY MACKEREL! That would be the largest ever number of Gene-slammers found in one day!

Xenia: Yeah no kidding there!

Jaden: Yeah it sure would!

Lola: Yeah!

Nico: But it will be worth it to close out the 310 with a bang. Raimundo is the only member of the 310 left.

Raimundo: Awesome!

Qin: Wow! This is gonna be awesome!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, and Leni's Third Eye and the red iris of

Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Laufey, the powerful frost giant from the Marvel Comics and the father of Loki, and he's coming to destroy Loki and Thor. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lori, Leni, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and as we guessed it: the dark energy signal we sensed belonged to Laufey, the powerful frost giant and the father of Loki, and he's coming to destroy Loki and Thor.

We gasped.

Loki (Marvel): (British Accent) Oh no, not him again, I thought I'd never have to see him again.

Nico: And I've seen just what kind of danger Laufey has posed to Asgard and mankind, and he's a bad guy who needs to be destroyed.

Cienna Kitomaru: (Japanese Accent) That's exactly what Lincoln and I are going to do to him, and that monster's not getting away with this. Plus, as a Frost Giant, he's immune to extreme cold, right?

Lincoln: He is, Cienna, but not to heat, which means we're going to turn up the heat on Laufey and we're going to burn him.

Nico: Yeah, I like the sound of that, Lincoln.

Lincoln: But, I also got more news: I also saw who's waiting for us on the next food planet, it's the British Taxi from the horror movie that scared the crud out of Rigby.

Nico: Oh crud, I remembered what Mordecai and the others told us of what Rigby went through due to seeing that movie, it scared the crap out of him. Alright, gang, let's go, we're heading to another awesome Thanksgiving food planet, and we got word that The British Taxi, another one of Mordecai and Rigby's old enemies is there.

Lincoln: That haunted British Taxi's going to meet the very same fate as The Hammer, Chong, The Cappicola Gang, The Destroyer of Worlds, The Dark Sound 4, The Waiters, The Inferno Wings Restaurant Owners, The Zingos, and Susan, and once we get through with that haunted car, you're next, Laufey.

Robo Roxy: Let's get a move on.

Greg: Even a cookie like me likes pizza.

Nico: Lets go.

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7079.5: The U.S.S. Valorous Phoenix is en route to the Pizza Planet and coincidentally it's located in the Thanksgiving System and we didn't know that it was there. Our mission is to eat some pizza and then take down the villain there that is there too.

Me: This is gonna be awesome.

Nico: It sure is. Also guys I was just messing with you. I am not hoping for over 200 monsters in one day. That would be cool but no. I'm really hoping to do just 3 of them. Ones for Elemental HERO Magma, Storm and Chaos Neos.

Me: That's better!

Qin: Yeah those three are perfect.

Nico: Yep.

Poromon: Kazuma, why didn't you take the jobs we recommended?

Smithers: Because they felt inappropriate.

Moe: My bar is inappropriate? You pretty much know me by now,

Smithers!

Kazuma: No no it's not that. I just wanted to find one that suits me for my style because of what I fought.

Moe: Oh that is a good reason.

Me: I thought so too Moe.

Homer: Me too Moe. That was a good call there by Kazuma.

Barney: It sure was Homer. (BELCH)

We laughed!

Poromon: Oh Kazuma look what I got!

He pulled out a beer bottle!

Kazuma: Is that what I think it is?

Poromon: Yep. Even though it's not February 12th.

Poliwag: Is that why you didn't the job of being an underground fight club fighter?

Opposite Senshi leader: Pretty much.

Key: Were you guys trying to get him killed?

Poliwag: No no!

Me: It's not his calling.

Qin: Yeah.

Kazuma: I appreciate you guys helping me. But Card Shop is more my thing because of what I faced.

Qin: Yeah but it was a great choice too.

Yugi: And learning all about Duel Monsters and Egyptian Artifacts is really cool.

Me: Yeah it sure is. You learn so much about history.

Doubledealer: Either way, this batch of rescues really is going to end with a bang.

Me: Yeah it sure is.

Nico: I am ready for anything.

Qin: Me too.

Lola: Yep.

Lisa Loud: We have arrived at our destination.

Yenaldoshi: I can smell the pizza already.

Evil Luxord: And I see it on the monitors.

Nico: (Laughs) On screen.

We saw that we were at the pizza planet.

Me: Pizza Planet ho.

Nico: Oh boy, oh boy, oh boy!

We got to landing and then we landed the ship on the planet and then we got out and saw the planet and it was amazing as always.

Me: Wow!

Nico: Ahh the Pizza planet.

Sky: Let's dig in, mates!

Mascots: MUST EAT PIZZA!

We got to eating and man was it as delicious as ever!

Me: (Eating) Mmm! Delicious!

Nico: (Eating Pepperoni Pizza) Mmm! Yummy!

Leap Frog: The cheese pizza is just the starting form.

Mortimer Mouse: It gets better after that!

Me: (Eating Cheese Pizza) Mmm! Yeah it sure does!

Lola: (Eating Sausage and Pepperoni Pizza) Mmm! Yeah!

Brad Morton: I like pepperoni especially!

Me: You got that right!

Billy: Boy Uncle Nergal and Junior would love this planet.

Eli: They sure would.

Varie: (Eating Sausage Pizza) Mmm! You got that right.

Laney: (eating Ham Pizza) Yummy and delicious.

Camie: (Eating Hawaiian Pizza) It's really delicious.

Me: You said it.

Ben Ravencroft: Man, these are good!

Me: Yeah.

Swamp Witch: So, Lincoln. You said something about a British taxi?

Lincoln: Oh right. You guys are going to think this is weird but we're dealing with a haunted British Taxi that's like the Haunted Car.

Rigby gasped and he was shaking in fear!

Rigby: (Scared) Haunted Car!?

ELLO GOVERNOR! (ECHOING)

He was shaking in fright!

Mordecai: Oh no! Not that one!

Me: What is the history on that taxi?

Mordecai: It's from a horror movie we watched and it scared Rigby bad.

He told us all about the British Taxi.

---

The British Taxi is the main antagonist of the Regular Show episode "Ello Gov'ner". It is a possessed Taxi that serves as the main antagonist of a movie that is also called Ello Gov'ner.

It was voiced by Mark Hamill, who also voiced The Joker.

It originates in a film about a possessed taxi that kills members of a street gang that murdered the driver, though it then spans out to murdering and even eating other innocent people, as well, by pulling them through its front grill and spitting out their bones through its tailpipe.

Rigby, who is scared by the movie, imagines himself being frequently attacked by the taxi, even growing paranoid that it is coming after him due to threatening calls and, in one case, a fax that he gets, believing them all to be from the taxi. It all leads up to a terrifying ordeal one evening in the forest, when Pops's taxi breaks down. Rigby believes even more that the taxi is coming after him and bolts from the taxi, with Mordecai calling after him, disbelieving that the evil taxi could be real.

This, however, ends when, in the distance, Mordecai and Pops spot a car coming their way that they initially think will contain a driver who will be able to help them. However, both are in as much shock and fear as Rigby as they see that it is, in fact, the evil taxi heading their way, and they, too, run as the taxi gives chase to them and Rigby. Eventually, Mordecai keeps the taxi from running down Pops, but they realize that Rigby is its target, after all, and run on to help him.

Rigby, meanwhile, finds himself cornered by the taxi in a clearing, fearfully trapped with no escape. But just then, he conquers his fear by beating up the taxi and smashing it into pieces. It is revealed that the taxi chasing him is actually the employee from The Movie Shack Hut sent to track down Mordecai and Rigby to get the tape since they had passed the time limit to give it back. Since Rigby smashed the tape, they have to pay for a replacement. Pops does this. However, he misunderstands currency and pays the employee with lollipops.

---

When he was done we were shocked!

Nico: Oh man!

Me: That's like a mixture of The Car, Christine and the Haunted Car!

Qin: Yeah!

Muscle Man: (smirks at Rigby) Ello, Gov'ner!

Zhalia: Muscle Man, no.

Rigby screamed in fright!

Rigby: DON'T KILL ME! I'LL PAY THE FARE!

Muscle Man laughed at Rigby!

Me: Nice Going Muscle Man!

Qin: Yeah that was not funny!

Muscle Man: Sorry. Couldn't resist. But I swear, it's only gonna be that time!

Benson: Good. But please don't do that again.

Me: Yeah.

Benson: Or you're fired.

Me: Benson we're not at the park.

Benson: Sorry force of habit.

Me: No worries.

Qin: But man that movie really scared Rigby didn't it.

Rigby: Yeah it sure did. I should have never rented that movie.

Benson: Rigby, after the war, I'm gonna have to confiscate that movie from you.

Me: Benson that was a movie rental, it was returned to the store already.

Pops: He's right on that.

Benson: Oh nevermind then.

Nico: Lets just focus on finding that car and destroying it and then helping Rigby conquer his fear.

Xenia: Okay.

Grundy: Aww! Grundy want to eat more pizzas!

Sheep Mage: Ok, maybe a few more.

Nico: Yeah we are still a little hungry.

We got to eating more pizzas.

Grundy had a bunch of slices and ate them.

Helena Nicos: (Eating Sausage and Ham Pizza) Mmm! Yummy!

Nico: Delicious huh?

Mandy: After this morning, I've earned this. (Eating pizza)

Me: You sure did Mandy.

Swamp Witch: That was an intense battle.

Me: Perfect for a prewar rescue.

Qin: Yeah it sure was.

Lola: Yep.

We were eating more and more pizza.

Raizen: Can someone heat these up?

El Diablo: My pleasure!

He did so and they were perfect and Raizen and El Diablo ate them.

Me: Hey Nico watch this.

Muscle Man was about to bite of some pizza and then someone tapped him on his shoulder.

He looked.

Muscle Man: Huh?

I sprinkled nuclear hot chili powder on his pizza.

Muscle Man: (Shrugs)

I ran back to Nico.

Muscle Man took a bite of the pizza and then…

(IT BURNS BURNS BURNS BY LOCO LOCO PLAYS)

Muscle Man screamed in pain as he had flames and fire burst from his mouth as his mouth was on fire. Then me and Nico and Mordecai and Rigby laughed at Muscle Man.

Maria doused his fire out.

Muscle Man: (LAUGHS) That was funny!

Nico: Yeah!

Muscle Man: (to Rigby) Guess we're even now.

Grier: You two sure are.

Rigby: (LAUGHS) That was funny! But J.D. did it!

Me: Yeah. It's my Tears of Zepho's Chili Powder.

Muscle Man: That is awesome! Good one! You know who else likes hot pranks?

Nico: We know what's coming.

Muscle Man: MY MOM!

We laughed at his joke.

We were done with pizza.

Man Spider: We had enough pizza.

Villamax: Now to get that taxi!

Nico: Good idea.

Me: Yeah. (LOUD BELCH) I'm stuffed.

Eli: The taxi is 75 klicks to the north.

Nico: Okay.

Nico: Lets roll out.

Me: Look there. Tire Tracks.

Nico: That means it was just here.

Qin: Yep.

We flew off and we saw the car in a clearing.

Nico: There it is.

Me: Wow it looks like an old Austin LTI FX4.

Lana: Awesome car from 1952.

Rolf: A fine year.

Android 21: Entrance time!

Nico: Lets do it.

We went at the car.

The car was looking around for anything to kill. Then the spirits of the Elemental Pizzas of Cars appeared and they swirled around the car and blasted it all over the place and smashed it all over. Then they converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out and then a phoenix cry was heard and we came out.

Me: Ello Gov'ner!

Nico: We came to disassemble you and make you pay!

Coldsnap: You're in for a cold death!

Dark Spicer turned into Dirtdrive

Dortdrive: Here's your warning: Your ass is about to be kicked!

Nico: And it's going to hurt!

Qin: Big time!

Lola: Yeah!

Camie: Yeah!

Then Vanitas, Manta Bayarsh, Black Lance, Multiple Man, Puppetmon, Gameface, Dodgeball Wizard, David Cain, Kerbero Gangan, Juggernaut, Lequack, Rishu, Superfriends Captain Cold, Zara, Lanhua, Yost Whirlwind, Emil Eagle, Capricorn Zodiarts, Thursday Man, and Bradford Buzzard appeared,

Nico: Vanitas, Manta Bayarsh, Black Lance, Multiple Man, Puppetmon, Gameface, Dodgeball Wizard, David Cain, Kerbero Gangan, Juggernaut, Lequack, Rishu, Superfriends Captain Cold, Zara, Lanhua, Yost Whirlwind, Emil Eagle, Capricorn Zodiarts, Thursday Man, and Bradford Buzzard.

Vanitas: I hope you guys realize that tomorrow is when shit goes down.

Nico: Of course we know that.

Vanitas: Good.

Manta Bayarsh: We don't even know who Opaline has with her.

Black Lance: But she's still going down.

Me: You got that right.

Multiple Man: (To Nico) We heard you got rid of Mandy's Dark Side.

Nico: We sure did.

Puppetmon: How'd Mandy get her out?

Nico: She used a powerful spell on her.

Me: It worked but her Dark Side ordered her parents around like slaves.

Qin: Yeah. But we got rid of her.

Me: Yep.

Dayu then appeared.

Me: Dayu? But you already had your turn.

Dayu: I know. It's actually my turn for the Power Rangers battle.

Me: Oh I get it.

Camie: Cool!

Dayu: I know it seems sudden. But it makes sense considering the Megaforce Rangers are in these types of battles as well. And Emma's one of them. Also, think of it as my way of saying thanks for helping to kill Xandred.

Me: That does make sense.

Emma: I like it.

Qin: Me too.

Me: That was still epic though.

We got the battles underway.

## Spiderman, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Mystic Force Rangers, Toad Man and Bounce Man VS Vanitas - Nico's Rescue and giving Dark Mandy a piece of our Minds

Vanitas was first.

Vanitas: (to Spiderman) Nico's Rescue involved giving Dark Mandy a piece of his mind. I bet she wasn't that scary.

Spiderman: No she wasn't. She gave us a bunch of intimidating faces and monster growls and even tried to use a demonic voice spell on us but it didn't work.

Twilight Sparkle: Man that version of Mandy was an absolute monster.

Starshine Sparkle: She was a heartless demon child. No wonder her own mom and dad were scared of her.

Spyro: Yeah they were really scared out of their minds of her.

Nick Russell: I wonder what caused Mandy to become like that in the first place before she joined us.

Vanitas: Boy that's the million dollar question on everyone's minds. Lets do it!

Spiderman summoned Jirwolf and merged Hermos with Mother Spider and it formed into THE SWORD OF ARACHNID QUEEN POWER! They fired waves of magic and energy and smashed him down.

---

## Taylor (Loud House), Sunset Shimmer, Pipsqueak, Fire Skylanders, Chief Brody, Tyrone McGee, and Terrence vs Manta Bayarsh - Battling Another Ultimate Terraspin and Isaka the Peacock Undead

---

Manta Bayarsh was next.

Manta Bayarsh: (to Taylor) Nico, Aerrow, and the others did good Battling Another Ultimate Terraspin. And Isaka the Peacock Undead as well.

Taylor: Yeah you should have seen what happened. J.D. and Ellie really let Isaka have it and he banished him to the Warp. Isaka's fireballs and power was incredibly powerful.

Sunset Shimmer: Yeah and it was crazy. Isaka was no match for J.D. And we all got a 6th charm added to our bracelets.

Pipsqueak: (British Accent) Yeah we got the Peacock Charm.

Sunburn: It's really cool.

Chief Brody: We all think it's awesome.

Manta Bayarsh: Wow! That is cool! I'm glad you guys took him down. But in the future you'll banish him to the Black Gates. Lets do it!

Taylor summoned Ignatius and merged Hermos with White Stingray and it formed into THE WHITE STINGRAY SWIMSWORD! They fired waves of fire and water and smashed him down.

---

Jimmy, Rarity, Sweetie Belle, Water Skylanders, Justice League, Slinkman and Smithers VS Black Lance (Mystic Force) - Lincoln's Rescue

---

Black Lance was next.

Black Lance: (to Jimmy) I heard Lincoln's rescue was in Thelea. How was it?

Jimmy: It was really amazing and Lori and Leni got their own swords as well as unlocked their ultimate transformations and destroyed the Chernabog Sisters parents.

Rarity: Oh those parents were really crazy darlings.

Sweetie Belle: Boy they sure were! They got what they deserved too.

Gill Grunt: Yeah and the Chernabog Family is now completely extinct.

Superman: Thank goodness for that too.

Batman: Their world destroying ways are gone.

Black Lance: Boy this makes three big Satanic Cults that we destroyed in one year. Lets do it!

Jimmy summoned Undine and merged Hermos with King's Knight and it formed into THE KING SUIT KNIGHT SWORD! They fired waves of water, jewels, ice and energy and smashed him down.

---

Scott Truman, Pinkie Pie, Maud Pie, Featherweight, Tech

Skylanders, Toa Nuva, Toa Metru, Doubledealer and Bomb Burst VS James Arthur Madrox A.K.A. Multiple Man - Meeting a Preyas Gene-slammer

---

Multiple Man was next.

Multiple Man: (to Scott) I heard you guys met a Preyas Gene-slammer. What's her name?

Scott Truman: Her name is Mana Marukura and she is Marucho's big sister.

Multiple Man: Cool! I didn't know that Marucho had a big sister and she is also one of Lincoln's Guardian Angels. That is awesome!

Pinkie Pie: It sure is and she is really cool!

Maud Pie: (monotonously) We all think she is really amazing.

Featherweight: We all think it's really awesome and her story is cool too.

---

Mana Marukura: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Mana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Mana Marukura: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Mana, what's the story on how you stopped Lola before she tried to kill Lincoln?

Mana Marukura: You're not going to like this one bit, Nico. One day, Lincoln and I were walking home from school, but then, we heard the sound of an angry yell, and we saw who it was coming after us in a fit of rage: it was Lola, and she was completely insane. But, I wasn't going to let Lola kill us, so I fired a powerful blast of water and it drenched her, and this of course made her extremely furious, but then, I saw Lincoln fire blasts of rose red energy and imprisoned Lola, we tied her up in nylon rope so she couldn't get out, and we called Luna to come get us. She came and we went home with Luna dragging a tied up Lola, and when we told Mr. and Mrs. Loud of what Lola tried to do to me and Lincoln, they grounded her for fifteen weeks and Lincoln threw her in a cage in her room. We found out that Lana accidentally stepped on Lola's tiara and she ran out in fright, because if Lola found out, she was going to kill her.

Me: Yikes.

Nico: We'd heard a lot of incidents with Lola and a broken tiara, and she went after Lincoln driven only by madness and blood, only to find out that the real culprits were those who ran away in fright or put a lock of Lincoln's hair to frame him.

Lincoln: Lana did confess that it was an accident, but to Lola, it made her so furious that she wanted to kill Lana, but if she made one more wrong move, Mom and Dad were going to take her out of her pageants and her pageant career would be over.

Lori: And they were literally serious about it, Mom had Cheryl's phone number and the coordinator for the pageants, just one phone call and Lola's pageant career was finished. But, Lola swore revenge on Mana for this, but Mana swore if Lola dared to go on the attack again, she was going to drown all of her pageant dresses in water, and when she told her brother about it, let's just say…

Marucho: Yeah, I was a little mad that Lola swore revenge on my sister.

Dan: Same with me when Lori swore revenge on Daria.

Runo: Along with me when Lynn swore revenge on Riley. But, Riley, Daria, and Mana cooled us down and we decided to look past that.

Lincoln: (Smiles) With pleasure, Cienna.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered and large gold Elemental Shield of Harmony from his wider and muscular back and strapped it onto his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Cienna Kitomaru.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of trying to destroy Asgard and the Asgardian Gods are ending here and now, Laufey, and now, it's time for you to die.

Cienna Kitomaru and Lincoln went after Laufey, who continued firing blasts of ice at them, but they continued absorbing them and it made them even more powerful than ever, and they fired extremely powerful blasts of rainbow energy, ice blue energy, crosses, sea creatures, nightmare creatures, donuts, books, golf balls, culinary items, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Laufey, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him and he was also burned badly.

This was pissing off Laufey greatly, but Cienna Kitomaru and Lincoln were just getting started. Then, we saw Lincoln's eyes turn orange and he fired a massive fireball at Laufey: we knew that this was Elemental HERO Flare Neos' attack Flare Finale.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Cienna Kitomaru, it was known as Ice Queen's Absolute Zero Sub-Zero Arctic Snow Storm Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's ice blue with snowflakes on the blaster with a Phoenix, Angel, and Ice Queen surrounded by ice etched on the sides, and an ice blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Cienna Kitomaru fired blasts of rainbow energy, aqua blue energy, and elemental forces and when they hit Laufey, they exploded with incredible power as they hit him. Then, the eleven tips of Lincoln's eleven massive and long white wolf tails turned into Cell's stingers, and as he stabbed them into Laufey's arms, legs, chest, stomach, back, and neck, Lincoln began absorbing Laufey into his body, and he was assimilating Laufey's cryokinetic powers, and as soon as Lincoln was done and the tails had retracted and the stingers changed back, nothing was left of the Frost Giant, and then, an energy card with Laufey's soul inside appeared in a holographic beam from Lincoln's cutie mark, and when the Judgement Kanji appeared on Laufey's forehead, he was sent to The Black Gates forever. We all cheered wildly for what Cienna Kitomaru and Lincoln did to Laufey as they holstered their massive greatswords on their backs and powered down, and Cienna Kitomaru's new body, clothes, weapons, jewelry, and massive ice blue wings are permanent.

Cienna Kitomaru: (Japanese Accent) Your days of trying to destroy

Asgard are finally over. Thanks for helping me destroy Laufey, Linky.

Lincoln: (Smiles Warmly) You're welcome, Cienna.

Suddenly, Cienna Kitomaru wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cienna Kitomaru's face, they kissed passionately as Cienna Kitomaru's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Ice Queen flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and snowflakes falling down around them and we cheered wildly. Lincoln and Cienna Kitomaru came back to us, as the display and Ice Queen vanished.

Nico: Wow, now that's what I call one awesome icy battle, awesome job, guys.

Lincoln: Thanks, Nico, and we got rid of another threat to Asgard for good.

Daria Kuso: After what we knew about him, he was one of the big-time dangers to Asgard and he did need to be put down for good. And tomorrow, Lincoln, it's do or die.

Gameface: No one's gonna be riding that taxi anytime soon.

Dodgeball Wizard: No, they won't.

Me: Thank goodness.

David Cain: Let's get some pizza home.

Kerbero Gangan: But we'll save some of it for after the war.

Juggernaut: Good idea!

Me: Good idea there.

Nico: Now we got a lot of preparation to do .

Lincoln: Yeah, tomorrow at dawn, we're going after Queen Opaline, and we're going to make sure that she pays for the crimes that she'd committed against Equestria for over 2,000 years, and also trying to undo all the hard work that my future wives, Twilight Sparkle, Rarity, Pinkie Pie, Fluttershy, Rainbow Dash, Starlight Glimmer, Applejack, Sunset Shimmer, and Trixie Lulamoon worked for and all for her xenophobic delusional lust for power, she's going to get an earful from me.

Nico: Ooh, you said it, Linc, that monster's going to pay infinite-fold for her crimes.

We headed back home to enjoy the rest of our day, and then, while some of us went to bed, Lincoln, Nico, and I were standing outside looking out to the distance.

Lincoln: This is it, guys, first thing tomorrow at dawn, it's do or die.

Nico: Yeah, and the only one who's going to die is Queen Opaline.

Me: That monster deserves death for everything she's done.

Lincoln: (Deep Sapphire Blue Eyes turn Red with Rainbow Flames raging in them) Queen Opaline, I will never ever forgive you for what you have done in trying to undo the hard work that my future wives worked hard to achieve and all for your xenophobic crazed lust for power. By dawn tomorrow, your days will be numbered.

Me: (Eyes turn Red with Rainbow Flames raging in them) Your friendship-hating days are finally going to end here and now tomorrow at dawn.

Nico: (Eyes turn Red with Dark Blue Flames raging in them) And we'll make sure that you pay for all of your crimes in blood and fire!

Lincoln, Nico, and I head back to our rooms to rest, for tomorrow at dawn, the war against Queen Opaline is on, and the fate of The Magic of Friendship will be decided.

We went to sleep. For tomorrow

WAR IS ON!

TO BE CONTINUED…

Another awesome chapter done.

NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Hynageneral, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys. Monday, the match-up is for Rosa Espada De Fuego, Gene-Slammer of Crimson Blader, and she, Lincoln, and her cousin, Tyris Flare, are going to destroy Emperor Percival Tachyon from Ratchet & Clank Future: Tools of Destruction. For Lincoln's rescue on Monday for the third part of the planetary treasure hunt, Lincoln and his group are heading to a water and light planet in the Omega Quadrant called Titania, and Luna and Luan are going to get two powerful treasures there: two powerful greatswords called The Musical Oceanic Greatsword of The Sirens and The Celestial Comedic Light Greatsword of Sulis, and only Luna and Luan can wield those powerful greatswords because Luna got her powers from The Sirens and Luan got her powers from Sulis, and we're also going to take down the parents of Belle Muldoon, who are out for revenge on Leni for what happened to their heartless evil daughter. Well, they're going to be taken down and sent to the Uranus Prison and we'll also find out from Lincoln that Belle Muldoon's parents have been helping Belle Muldoon get revenge on Leni after she was expelled, and after the news of Belle Muldoon's death hit them, they were now out for blood and they won't stop until they'd gotten revenge, but we're going to make those bad parents pay. And we're going to meet a Storm Skyress Gene-Slammer named Shana Kazami, she's Lincoln's Guardian Angel from Japan and classmate in Spelling, she's a Ventus Bakugan Brawler and part of the Bakugan Battle Slammers, and like the Bakugan Battle Brawlers, she's a capable Bakugan Brawler. She along with the other Bakugan Battle Slammers moved to Michigan from Japan when they were eight, and they would often play together with Lincoln, and she and the other Bakugan Battle Slammers took on the worst of Lori, Luan, Lynn, Lola, and Lisa plus Chandler, Hawk and Hank, Pablo and Anderson. To show thanks, Lincoln took her and the other Bakugan Battle Slammers to a lake where he kissed each of the Bakugan Battle Slammers underwater. She's the sister of Shun Kazami, and she hates Lori, Luan, Lynn, Lola, Lisa, Chandler, Hawk and Hank, Pablo and Anderson with a burning passion.

No rescues tomorrow because IT'S WAR! Opaline is going to pay for everything she did and we're going into battle with the most evil foe in all of Equestria's history. She is going to pay for everything that she did!

Get ready for the most explosive battle ever!

See you all tomorrow.

# THE DARK CRIMES OF QUEEN OPALINE

WAR IS ON!

IN MEMORY OF JASON DAVID FRANK - THE FIRST AMERICAN GREEN RANGER

---

Sperg, Misty Brightdawn, Nico, me, MJ, Tommy Oliver, Lockdown, and Huffer just met Deadpool, Evil Green Ranger, Drakkon, and Evil Star in a graveyard.

Deadpool: (unusually solemn) Thanks for coming, guys.

Sperg: Um, why did you tell us to meet you guys in a graveyard?

Nico: Deadpool, it's only a few hours until the war. If this is a joke-

Evil Star: Nico, it's not a joke.

Deadpool: Tommy, there's no easier way to say this but, (sighs) your actor Jason David Frank is dead. I'm sorry, man.

Tommy Oliver: Oh no.

Me: Oh man. That is a shock.

I put my hands on Tommy and Lord Drakkon and Nico did the same with Evil Green Ranger.

Me: I'm sorry guys. I know you guys are all the same guy.

Misty Brightdawn: Yeah. But you should know that he will never be forgotten.

M.J.: Yeah for 29 years he made you an awesome force.

Misty Brightdawn: Did Opaline figure out that I'm a spy and kill him in retaliation?

Deadpool: No! Why the fuck would she do that?! She doesn't even know about the real world!

Me: No she doesn't.

Misty Brightdawn: Whew. Thank goodness.

Nico: Yeah.

Me: How did he die?

Deadpool: He killed himself.

We gasped!

Lockdown: That's awful!

Nico: Yeah.

Lockdown: I find it very ironic that after his work in Power Rangers, involving him fighting numerous villains, THIS is how his lights go out?!

Nico: But the question is WHY?

Me: Yeah Jason was a funny guy and known for having a great sense of humor.

Nico: Yeah and he was a nice guy too.

Lockdown: He sure was.

Deadpool: Look, Jason might be gone. But we can still honor his memory by protecting the Earth. Just like he helped to contribute!

Huffer: You're right! And we're gonna start by taking Opaline down once and for all!

Tommy Oliver: That's true!

Me: That is definitely true. And also it's the crack of dawn.

We saw the sun rising.

Nico: It's time!

We came home.

Lincoln: Where were you guys? It's morning already!

Nico: We were just taking a walk, Lincoln. Don't worry about it.

Lincoln: Okay.

Nico: This will be a brutal battle.

Me: No way in Hell are we going to let Opaline get away with everything she has done over the eons!

Nico: That's right! Today Opaline dies and Friendship and Harmony will prevail!

Eli: And all the villains she has unleashed will forever die with her!

Nico: That's right!

Vypra and the Masters of Evil all appeared.

Vypra: We're here guys.

Nico: Nice team, Mercurymon.

Mercurymon: Thanks. I got Evil Jewel Man, Emerald Dragon, Mochtroids, Estroy and Imitation Krabs

Nico: Cool!

Me: Yep.

Plankton: That's awesome! You have one of my robots with you.

Imitation Krabs: That's right. I am Imitation Krabs.

Nico: Nice.

Nico: Mercurymon, you and your team, Kazuma, Zixx and her friends, Alien Racers, and Extreme Ghostbusters will be among those who attack the Fortress.

Mercurymon: Awesome!

Qin: This si gonna be cool!

Zixx: I'm truly honored to be helping you guys.

Ultrox: Me too everyone. Earth is an amazing planet.

Me: You'll see more of it later on.

Eduardo: I have a feeling this is gonna be a big battle.

Nico: It sure is.

Maria: Nico, before we go out there, what teams have you made?

Nico: Troy's team will include Thrice Cream Man, Eda Clawthorne, Lilith Clawthorne, Sabrina, and Ronnie Anne. Hulk's team will include Eda, Zangief, Guile, Ryu, and E Honda.

Me: Ooh! Nice!

Qin: Awesome choices.

Lilith Clawthorne: This is gonna be awesome!

Eda Clawthorne: It sure is!

Sabrina: It sure is! I'm looking forward to this one!

Zangief: (Russian Accent) Me too comrades!

Guile: This will be so cool!

Nico: Yep.

Nico: Alright. Mercurymon, the signal will be when you and the others attack the fortress.

Mercurymon: Right.

Nico: Lets get ready guys. This is gonna be a battle the likes of which the Earth has never seen.

We got our weapons and locked and loaded.

We were loaded and more.

Me: Ready guys?

Nico: Lets head out!

We cheered!

Nico: We're coming for you Opaline and you're going to pay for everything you've done!

Vypra: That's right and no one is going to destroy Friendship!

Dark Spicer: That's right!

We were off to the Kamchatka Peninsula.

* * *

We were flying under the shadow of night over the ocean to the Kamchatka Peninsula.

Me: All right everyone follow the battle plan we talked about just in case she has outside people guarding the fortress.

Qin: Right!

Nico: And the groups inside the Fortress will be the ones that were used against Void Queen.

Eli: Okay!

Me: Misty gave us new intel last night and we found out that she DOES have 24 additional bad guys helping her. But we found out that there is one of them each on each floor of her fortress.

Nico: Ooh! Nice!

Lola: This is gonna be awesome.

Varie: Yeah!

May: Wait. Her fortress has 24 floors?!

Goku: Just like with Babidi's ship.

Me: Except according to Misty's intel her fortress doesn't have the Energy Transfer power like his ship had.

Qin: Either way this is gonna be awesome.

Lola: It sure is.

Camie: Yeah this is gonna be so fun.

We arrived at the Kamchatka Peninsula.

Me: Here we are.

We flew in low and then we arrived at Queen Opaline's castle.

Me: Target sighted.

Sunny Starscout: Queen Opaline's castle.

Nico: Wow. Look how big it is.

Eli: And there are definitely 24 additional bad guys in there just like Misty said.

Nico: Get ready to march in when Mercurymon and the others attack.

Me: Right.

I looked through my binoculars and looked on the ground and saw no guards.

Me: No guards. It's like she wants company to come.

Then in the air and on the ground and in the water all the creatures of Equestria flew in from all sides and Mercurymon fired a signal flare and then..

MASSIVE FIERY EXPLOSIONS BLASTED THE FORTRESS ALL OVER THE PLACE!

Everyone all over the place was blasting the fortress left and right from all directions!

Queen Opaline woke up immediately from the attack!

Queen Opaline: WHAT THE!?

Misty Clone: Queen Opaline we're under attack!

Queen Opaline: What!?

KRABBBBOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOMMMM!
KRABBBBOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMM!

It was a massive ambush!

Queen Opaline: WHO WOULD DARE ATTACK ME!?

Maria: Now's our chance!

Nico: CHAAAAAARRRRGE!

We roared and charged towards the front gates and stormed into castle!

KRABBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMMM!

Massive explosions were providing the perfect cover for us to slip in.

We went through the castle.

Me: Man it's like an awesome action medieval movie!

Sunny Starscout: It sure feels like it.

Nico: Yeah!

We then saw a diagram.

Me: Wait here's a diagram. And Misty's intel was right. We have to go through 1 enemy at a time to get to Opaline.

Nico: Lets go.

We went to the first floor of the 24 FLOORS OF FEAR!

BLOODCURDLING SCREAM!

---

1. Alexander Paine from ATOM vs Operation Overdrive Rangers, Disk Wars Heroes, Burners, Qin, ATOM Team, Nokama, and Kabuto Riders

---

We arrived at the first floor. It was a gear city floor.

Me: Wow. She used an illusion to provide battle stages.

Nico: Very entertaining.

Me: And she chose a gear city for this. Nice.

Axel Manning: This floor doesn't look too bad.

?: We shall see Manning.

We then saw a figure come out and it was ALEXANDER PAINE!

---

**Alexander Paine** is an malign crime boss who seeks to take over Landmark City and serves as the main antagonist of the first season of *A.T.O.M.* . Everything he touches cause them pain, and blackout. he also has a blaster pack he uses as a weapon, he is also a martial artist.

He is voiced by Clancy Brown, who is very known for the voice of Lex Luthor.

He is a former covert ops spy for the government, and worked closely with Axel Manning's father, Sebastian Manning. Paine, in reality, was a double agent who sought world domination. When Sebastian discovered this, he confronted Paine, who was equipped with a bomb. As the two fought, the bomb went off. Paine's body was scarred and Sebastian Manning was labeled dead as a result. Paine was given life imprisonment for the murder of Sebastian Manning.

He served ten years at Talon Penitentiary, Landmark City's triple-maximum security prison, before Spydah helped break him out. He ran into Sebastian Manning's son, Axel, who sought revenge for his father and wanted Paine back in jail. Due to a freak accident that Axel caused, Paine's nervous system was permanently damaged. Because of this, he is in constant pain, but has the ability to transfer his intense pain to whomever he touches. Controlling a group of convicts from Talon, including Spydah and Flesh, Paine seeks to cause chaos and disorder in Landmark City, giving him an opportunity to take it over.

Paine is also an accomplished martial artist. He and Axel fought many times during the first season. After the Alpha Teens destroyed his base, Paine wanted to get rid of Axel once and for all. In what seemed like what was going to be their final battle, Paine revealed to Axel that he did not detonate the bomb that presumably killed his father. Paine was eventually defeated and sent back to jail.

---

We gasped!

Me: Alexander Paine!

Axel Manning: I thought you were dead!

Alexander Paine: I was thanks to J.D.

Me: It's been a long time Paine. Hell hasn't been kind on you hasn't it?

Alexander Paine: Indeed. Opaline had me brought back for this.

Nico: So you are Alexander Paine! I remember J.D. telling me how he killed you when he helped Axel and his team a while back.

Alexander Paine: That's right Nico and J.D. sure has grown since he faced me last.

Me: And I've gotten stronger too. So Opaline has brought back some of our major enemies that we faced last year.

Alexander Paine: Along with a couple of others that you never faced last year.

Me: To tell you the truth I've always wanted to have another crack at them.

Mack Hartford: You guys get going!

Soji Tendo: We'll handle this.

Alexander Paine: I'm afraid that's not going to be easy. You see in order to get to Queen Opaline you have to defeat me and each opponent on each floor to get to her. And each opponent is going to be stronger than the last.

Me: I like it.

Nico: Just like in Babidi's ship. All right The Operation Overdrive Rangers, Disk Wars Heroes, Burners, Qin, ATOM Team, Nokama, and Kabuto Riders will face you first.

Alexander Paine: All right.

Operation Overdrive Rangers: Overdrive Accelerate!

Kabuto Riders: Henshin!

Akira: IRON MAN!

Chris Taylor: CAPTAIN AMERICA!

Jessica: WASP!

Ed Grant: HULK!

Hikaru: THOR!

Disk War Heroes: D-SMASH!

They summoned the Disk Wars Avengers and the Operation Overdrive Rangers transformed!

Mack: "Kick into Overdrive! Red Ranger!"

Will: "Kick into Overdrive! Black Ranger!"

Dax: "Kick into Overdrive! Blue Ranger!"

Ronnie: "Kick into Overdrive! Yellow Ranger!"

Rose: "Kick into Overdrive! Pink Ranger!"

Tyzonn: "Kick into Overdrive! Mercury Ranger!"

All: "Call to Adventure! Power Rangers Operation Overdrive!"

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out behind them and they were ready!

Qin: Lets get him!

Soji: Hyper Cast Off!

Will Aston: Defender Vest!

Disk Wars Heroes: Build up Armor!

Mack Hartford: Red Sentinel Ranger. Activate!

Me: YEAH! Time for some buttkicking speed!

Qin: Yeah!

Mike Chilton jumped into the air and kicked Paine in the face, knocking him down.

Me: Yeah!

Paine: NO!

Me: Yes! Prison for you.

Nico: Yes prison! You hurt so many people.

Me: You aren't worth killing Paine.

We went to the second Floor.

---

2. Adam Taurus vs Ang Leung and his friends, Fluttershy, Chima heroes, Jungle Fury Rangers, Team RWBY, Takanuva, and Den O Riders

---

We arrived at the second floor! It was a canyon floor.

Nioc: Whoa! It's a canyon floor.

Me: It's beautiful.

Ruby: I wonder what's on this floor.

Blake: I have a feeling it will be big.

?: We'll see Blake.

Then a figure came out and it was ADAM TAURUS!

Adam Taurus is a major antagonist in the American animated webseries RWBY. He is a Faunus and a high-ranking member, later High Leader, of the White Fang. He seeks his own twisted view of justice for the Faunus, working as a terrorist to ensure the subjugation or eradication of humanity. He is also the mentor and ex-lover-turned-archenemy of Blake Belladonna. He served as one of the main antagonists of Volume 6.

He was voiced by Garrett Hunter.

Little is known of Adam's history, but at some point in his life, Adam was part of the Faunus labour force that served the Schnee Dust Company. At some point during his service, he was branded with the SDC logo on his face, scarring him and possibly blinding him in his left eye. Possibly fueled by this inhumane treatment, Adam ended up joining the White Fang. Sometime after he joined, he became the mentor of Blake Belladonna, teaching her much of what she knows in the art of battle, eventually, they became lovers.

As shown by the " *RWBY* Volume 6: Adam Character Short", he served under Blake's father Ghira Belladonna back when he was High Leader of the White Fang. The organization was, at that point, operating in a moral grey zone and falling quickly. When a White Fang group was passing through a wooded area, local xenophobic humans attacked them. Forced to defend themselves, Adam attacked the locals, but when one was about to attack Ghira, Adam accidentally killed him with his semblance. However, Adam was shocked when fellow comrade Sienna Khanand the rest of the group (with the exception of Ghira), started praising him as a hero.

Sometime later, Adam confronted Blake on a rooftop and tried explaining that the death was an accident. Blake however, reminded him that this wasn't the first time Humans had perished on missions he'd led and wondered how many more would die. Adam told her he didn't know and asked if she was about to abandon the White Fang like her parents (at this point, Ghira had stepped down and given leadership to Sienna) did, causing her to deflate. Adam, realizing he'd spoken out of line, apologized and revealed that he was worried she'd lost faith in him. After Blake reassured him that he still did, Adam thanked her and expressed his relief that he still had her by his side.

Sometime later, Adam, Sienna and Ilia Amitola attacked a SDC location. After slicing up the the Atlesian-Knight 130's, they were confronted by Human security. After one of the guards threw a smoke grenade, Adam and Sienna started killing the guards. Just as Adam was about to finish the last (with a smile) Sienna told him they needed to press forward, staying his hand.

Not long after, Adam, Sienna and Ilia Amitola attacked a Schnee Dust Company building in an act of terrorism and battled the guards and Atlas soldiers. Adam and Sienna overpowered them, with Adam taking sadistic glee in his attacks and even preparing to kill a guard he had already incapacitated.

Later, pleased with Adam's work, Sienna sent Adam to Vale to make him the leader of the faction operating there.

Some time later, Adam is approached at his campground by Cinder Fall and her subordinates Emerald and Mercury; who proposes an alliance that she believes would benefit both their groups. Adam immediately rejects her proposal, refusing to sacrifice his men for a "human" cause, and orders them to leave. Following their departure, Blake approaches Adam and asks him what they were discussing. Adam assures her it's unimportant and tells her they must focus on preparing for the upcoming train heist.

In the "Black" Trailer, Adam and Blake leap onto the roof of the train and infiltrate their way inside; only to find themselves surrounded by a squad of Atlesian Knight-130s. Adam's katana, Wilt, shoots out of his sheath/gun Blush and hits one of the androids in the head, stunning it as he rushes forward and grabs his sword, before cutting it to pieces. The rest of the androids charge in to attack Blake and Adam, but the two easily defeat them as they make their way through the train and enter a cargo hold. Adam looks inside one of the crates and tells Blake to move up to the next car while he sets the charges, having found the target. Blake asks about the people on the train, but Adam shows no concern for them; shocking Blake.

Just then a Spider Droid lowers itself from the ceiling and attacks the pair. The two unsuccessfully fight the droid and Adam is forced to save Blake when she is about to be stepped on. The droid then fires a large blast that knocks both Adam and Blake onto a flatbed car. Adam tells Blake to keep it distracted while he prepares for an attack. Blake fights it off, but retreats behind Adam when the droid charges for an attack. Adam uses his sword to stop the blast, seemingly absorbing the energy from it, which he then uses to destroy the droid.

When Adam turns around, however, he sees Blake on the next car, and the latter says goodbye to her former partner before separating the cars; abandoning the White Fang.

Following Blake's desertion, Adam decides to cease pursuit of her and put his focus on returning to Mistral. However, he is interrupted by Cinder Fall and her subordinates slaughtering all the White Fang members in the encampment. Cinder reiterates her request for an alliance, offering Dust and funding to continue his operations, and threatens him with death should he reject it again. Seeing no other choice, Adam is forced to accept the arrangement.

In "Breach", Adam is seen conversing with Cinder Fall, Emerald Sustrai and Mercury Black following the Grimm invasion in Vale. Mercury expresses doubt that the White Fang will listen to them again after the losses they suffered, but Adam reassures the trio that the organization will listen to him.

In "PvP", Adam is seen in a Bullhead leading the White Fang in their assault on Beacon Academy. Adam orders his troops to bring the humans to their knees before unleashing captive Grimm into the school.

In "Battle of Beacon", Adam ruthlessly tosses aside an Atlas Soldier in Beacon's dining hall when he notices Blake, whom he mockingly calls "his darling".

In "Heroes and Monsters", Adam is seen standing atop an Atlas student, asking Blake if she plans to run away again and accusing her of becoming a coward. He lectures Blake about how he wanted to "light the fires of revolution" with her, before unsheathing his katana and preparing to kill the student, though Blake intervenes and stops Adam's attack; declaring that she's not running this time.

However, Adam proceeds to kick her away and disarm her, stating that although her dreams of equality and peace between Faunus and Humans are impossible, he understands Blake because all he wants is to be with her; something that is also impossible. He threatens to have his revenge on Blake by destroying everything that she loves - starting with a nearby Yang Xiao Long.

Adam baits Yang by stabbing Blake in the abdomen and provoking her into an angry charge. He then immediately intercepts Yang's attack and severs her arm with his katana. Approaching Yang to finish her off, Blake crawls in between them to protect her. Adam bemoans how Blake continues to hurt him before decapitating her - only to discover she had used her Semblance to distract him while she escaped with Yang. He calmly disposes of an attacking Creep before leaving the area.

Months after the Fall of Beacon, Adam is identified as one of the perpetrators and is reported to have resisted apprehension with lethal force.

In "The Next Step", during a meeting between Salem and her followers, she sends Hazel Rainart to meet with the current High Leader of the White Fang, Sienna Khan, and ensure that they fall in line. Adam arranged the meeting and Salem praises his actions as showing his loyalty to her cause.

In "Family", Adam appears in one of Yang's post traumatic stress-induced nightmares, stalking her and eventually attacking.

In "Taking Control", after searching through Ilia Amitola's scroll, Blake finds files showing that Adam actually plans to overthrow Khan and take over the White Fang, as well as destroy Haven Academy.

In "Dread in the Air", during the meeting between Hazel and Sienna Khan, Adam makes good on his plans and launches a coup. Moments before killing Sienna, Adam reveals his true ambitions of starting a war against humanity and seeking to have them enslaved in service of the Faunus. He then betrays Sienna and kills her, usurping her position as the new High Leader of the White Fang.

After taking over as High Leader, Adam sits on the throne and orders his men to give their former leader a proper burial; as well as to claim Sienna had been murdered by a human Huntsman. He plans to use her as a martyr to justify increased terrorism and violence by the White Fang against humanity. Hazel walks out saying that nobody needed to die, but Adam sadistically smiles as he leaves and says that he simply disagrees.

In "Necessary Sacrifice", Adam sends a message to Corsac and Fennec Albain instructing them to order Ilia Amitola to slaughter the Belladonnas with the exception of Blake, whom he requests be brought to him alive; stating the family has brought him nothing but grief and he means to fulfill his promise to Blake.

However, Adam is unaware that Blake has anticipated the trap and escaped from her captors and knocked them unconscious. His plan to kill Blake's parents, Ghira and Kali and kidnapping their daughter alive is thwarted and Ilia betrayed him after two of his agents Corsac is arrested and his brother Fennec is dead in the process during the attempted assassination of Ghira and Kali Belladonna.

As shown by the " *RWBY* Volume 6: Adam Character Short", Adam later receives a message from Hazel Rainart that the attack on Haven would be more complicated. However, Adam ignored the warning.

In "The More the Merrier", Adam has the White Fang set up explosives throughout the entire parameter of Haven Academy, delighted that the school is about to fall.

In "Downfall", Adam and a group of White Fang soldiers are preparing to evacuate the area before detonating the explosives, until Blake shows up and demands that Adam and the White Fang stand down. He mocks how Blake had finally turned herself in after years of searching by Adam, but she persists in demanding that he stop his plan and realize that what he's doing will bring no benefit to the Faunus race. Adam ignores her plea and mocks how she can't do much to stop him, but Blake surprises him by revealing how she assembled the people of Menagerie and they arrive to surround Adam and his forces. As the villagers see their loved ones alongside Adam and beg for them to stop the violence, Adam says that they are the enemy and is taken by surprise again when the Mistral Police Department arrive and surround him and his goons. In a desperate attempt, Adam presses the detonator, but the explosives were disarmed by Ilia and he charges at Blake in response and orders his men to open fire.

In "Haven's Fate", Adam continues to fight Blake and has his men continue fighting as well, but Blake's reinforcements overwhelm them and all of Adam's subordinates are pressured into standing down and surrendering as they are unable to kill one of their own kind. Adam holds Blake at gunpoint during the fight and mocked Blake for needing others to help her fight him, but she rebukes his statement by saying how she's at Haven for her friends and not Adam. Sun shows up and talks about how he volunteered to fight Adam and engages in a short skirmish with him, before Adam sees that his plan has failed and decides to pull out and runs away from the battlefield. Blake stops others from pursueing after him citing that it was a trap to have him pick them off one by one and how Blake would let Adam know how it feels to run away. Ilia shows up after the fight informing that Adam was the only one of the White Fang members to escape capture, but said that it would begin his downfall as the White Fang wouldn't want a leader that abandons his people and Ghira even suggested forming a new Faunus rights organization to replace the White Fang entirely. At the end of the episode, Adam hides in a tree and sees Hazel carrying Emerald Sustrai and Mercury Black, before running away as well.

As shown by the " *RWBY* Volume 6: Adam Character Short", Adam wanders alone in the woods outside Haven Academy and drops his mask to the ground.

In "Argus Limited", Adam returned to the White Fang headquarters. However, the White Fang members and guards at the throne room heard about his betrayal and failure and refused to serve him anymore. In rage, Adam violently kills them all and seats himself back on his throne. As he reflects, he remembers a remark one of the deceased guards made about Blake. This triggers another tantrum, where he slashes through the throne and yells out in wrath.

Adam after slaying his former comrades.

Adam tracks down Team RWBY and follows them as they depart Mistral for Argus, hoping to catch and confront Blake when she is alone. He is spotted once, by Blake on the Argus Limited. In this instance, he disappears so quickly that he is dismissed as a hallucination.

In "Uncovered", a month after the "Battle of Haven," Adam's photo along with the photos of Cinder, Hazel, Emerald, and Mercury are all identitified as the perpetrators behind the attack.

In "Stealing from the Elderly", Adam confronts Blake when she is attempting to disable the radar tower in Argus. The two engage in a duel, and Adam demands to know why she had to come into his life and ruin everything, only for Blake to counter that he had stalked her across Anima and that she wants nothing to do with him.

Eventually, Adam manages to grab Blake by the neck, and she pulls them both over the railing, sending both plummeting to the forest. Blake tries to appeal to Adam to let go of his hatred and move on, only for him to angrily question if that is what she did to him. Adam declares that he let her go once, but would not make that same mistake twice. The two then engage in a standoff

In "The Lady in the Shoe", they resume their battle, Blake and Adam exchange blows in which Blake manages to hold her own for a while. even managing to land solid blows to him. Eventually, she starts jumping through trees to get away from him, prompting Adam to mockingly ask if she could do anything besides run. Adam sends Wilt spiralling into Gambol Shroud, knocking Blake off course and sending her flying straight into him. Adam slices at Blake only for her to use her tailcoat as a decoy before kicking him away and then shooting him.

The two take their fight to a nearby waterfall where Adam slowly gains the advantage. Adam then grabs Blake by her hands and exclaims that he wouldn't be doing this if she just behaved. Tricking her into thinking he threw Wilt away, he knocks a confused Blake away by slamming Wilt into her head. While declaring her selfish and a coward, Adam proceeds to kick Blake and slash at Blake across the floor. Only for her to defiantly call him delusional. Levelling his sword at the scar he inflicted during their battle at

Beacon, Adam then swings Wilt at Gambol Shroud, using such force that it destroys the weapon.

Taking his blindfold off, Adam reveals the reason for his obsession for taking revenge on Blake. While humanity had hurt him in all sorts of ways, she inflicted the most hurt on him. She didn't leave scars, but rather she had left alone. Gripping his sword, Adam coldly asked her how it felt to share that emotion, and with a vengeful yell, stabbed her in the gut. Only for it to be revealed as a clone.

Turning around, he could only hear Blake declare that she wasn't alone before a yellow bike slammed into him from above. Getting up, he came face to face with Yang Xiao Long, Blake's new partner whose arm he sliced off during the Battle of Beacon. After Yang tells a weakened Blake to rest and that she'll hold him off. Adam mockingly tells Blake to indeed stay out of the fight as he and Yang have unfinished business. Staring at each other for a few moments, Adam quickly attacks Yang with all his power, but Yang, having greatly improved since their last encounter, is able to keep up with and land a few devastating blows.

However, Adam's superior training and speed wins and he knocks her back. Noticing Blake and Yang stare at each other in worry, an enraged Adam activates his Semblance, intent on taking her arm yet again. Sending Moonslice at her. Only for Yang to reveal the only damage to be a few cuts on her robotic arm. After Yang tells Adam that this was his last chance to leave peacefully, he briefly considers it before shrugging it off. Asking with a smirk if she believed that or she was just trying to scare him away so she wouldn't die protecting Blake. He then watches in rage as Blake takes Yang's hand and declares that they would protect each other.

In "Seeing Red", Adam mockingly asks Blake that if she knew she couldn't win two-on-one at Haven, then why she would think such a thing had changed now. After Blake coldly told him that she had people who actually cared about her and she couldn't die on them. Adam lamented to Yang that Blake had made a promise to always stick by him, telling Yang to take note on how well Blake had kept that promise. Only for Yang to ask if Blake had made that promise to him, or the person he pretended to be.

Adam then asks Blake if the reason she had abandoned him was because he wasn't good enough for her, with Blake calling him out on knowing that it went further then that. Getting into a fighting stance, Adam then declares that she had made her choice, and he'd made his.

Resuming their fight, Yang and Blake attack Adam, using their teamwork to shatter his defences and land blow after blow on him. Eventually, Adam manages to send Blake flying into a wall, shattering her Aura and forcing her to hang onto the cliff in fear of falling. Now with Yang on her own, Adam arrogantly asks Yang if she believes she's faster than she was at Beacon, causing her PTSD to flare and lower her guard, leading him to note that he didn't think so either.

Adam then proceeded to beat knock Yang around and note that her Aura was running low, unaware Blake was climbing back up. Adam continued his assault on Yang, asking with rage on what Blake saw in her, and how she was just as much as a coward as Blake. Unfortunately, this caused Yang's Semblance to activate, but Adam not noticing, used his Semblance to knock Yang back before slicing at her from the smoke, Only for him to realize with horror that she'd caught his sword with her robotic hand.

After saying "Gotcha", Yang takes his sword and then deals a devastating punch to his gut, sending him flying back into a small crater and shattering his Aura. Adam could only watch as Yang held his sword and mocked that while he was faster, she was smarter. With a smirk, she threw Wilt into the water below, causing a devastated Adam to try and save it in vain, only for Blake to appear from below and kick him in the face.

Both noticing Gambol Shroud's remains between them, they both tried reaching for the blade part. Blake grabbed it first and both with a mighty yell, Blake stabbed him with the sword part in his chest while Yang stabbed him with the katana part in the back.

Adam could only drop his arms at the sight of his blood seeping down the respective blades, uttering his final word "Oh" as he did so.

After Blake and Yang pulled the parts from him. Adam could only walk slowly to the edge of the cliff before dropping to his knees. Looking up at the sky for a few seconds, Adam's eyes rolled over, dead, his corpse falling down the cliff and hitting rocks (sounds of his bones being broken are heard) before slamming into the water below, ending the threat he posed once and for all.

Ryotaro ran at Adam and stabbed him through the chest.

Adam: (looks down at his bleeding chest as he twitches) Oh…

Ryotaro pulls his weapons out and Adam falls to his knees and his eyes start to roll back. Blake then slashed Adam's head clear off his shoulders and he slumps forward to the ground dead. Completely headless.

Qin: YEAH!

Nico: Take that!

His spirit then appeared.

Me: You are never fit to go to heaven.

I put the Kanji for Judgement on his head.

We went to the third floor.

3. Animated Sentinel Prime vs Kiva Riders, Stella, RPM Rangers, Stella, Animated Autobots, Starlight Glimmer, Live Action Autobots, and Overwatch heroes

---

We arrived at the 3rd Floor and it looked like an exact replica of Cybertron!

Me: Whoa! It looks like we're back on Cybertron!

Qin: Wow!

Camie: So this is what Cybertron looks like?

Me: But this is a small scale model of it but yeah.

Xenia: It's amazing!

Animated Optimus: Okay. The next member of Opaline's team should be around here somewhere.

Animated Bumblebee: (laughs) Or maybe he got scared and ran away!

?: YOU WOULD LIKE THAT WOULDN'T YOU!

Then we saw THE BIG CHINNED ASSHOLE! ANIMATED SENTINEL PRIME!

---

Many times brash, leap-before-you-think types learn a lesson from their misadventures and use that knowledge to grow into more mature well-rounded fighters, even leadership roles. And sometimes they learn the wrong lesson (or the right lesson the wrong way) and turn out like Sentinel Prime (alternatively known as Sentinel Minor, Sentinel Major, and [sigh] Sentinel Magnus).

Sentinel was once one of the impulsive-types until a disastrous "unsanctioned" mission he'd suggested with best friends Optimus Primeand Elita-1 ended in the loss of Elita. Though both 'bots carried the grief, Sentinel blamed Optimus for abandoning her. When Optimus officially took the fall for the mission and Sentinel failed to speak up for his part of it, he placed his anger on his former friend and drove himself to climb the Autobot ranks into the Cybertron Elite Guard through strict adherence to military protocol.

The end result is an Autobot who could be one of the Autobots' greatest assets but is such a jerk it's hard to see how. His expandable Skyboom Shield is virtually impenetrable and he's a strong combatant and utterly tenacious hunter. He seems to have Cybertron's best interests at heart… but his perception of "best interests" and how far he'll go for said interests is definitely skewed.

To his core, he's still the same smug act-first-think-later-maybe bot he was before, only far more focused. Despite the "stickler for the rules" aspect of his personality that has come from the loss of Elita, he seems to use the rules largely to bully his way of doing things on others. He really can't handle the unexpected thanks to a distinct lack of genuine field experience and inability to improvise like others in the Guard. Thanks to that one fateful trip to Archa Seven, he has a severe phobia of organics and burning desire to further humiliate Optimus. To his credit, he would never actively sabotage another Autobot… but he sure will make their lives a living hell if he thinks he can get away with it.

Don't mention his chin. He's a little touchy about it.

---

We gasped as we saw him!

Me: The Animated Sentinel Prime! I had a feeling your big-chinned motherfucking ass would be here!

Animated Sentinel Prime: HEY! DON'T YOU DARE MAKE FUN OF MY CHIN! It's beautiful.

Live Action Sentinel Prime: This guy definitely is a bad version of me!

Me: The way I see it you are nothing but a BIG CHINNED FUCKUP CRYBABY!

Animated Sentinel Prime: NO ONE TALKS TO ME THAT WAY!

Me: I can talk about people like you HOWEVER THE FUCK I WANT! ESPECIALLY for how you betrayed Cybertron!

Scott Truman: Just leave this big chinned crybaby to us.

Wataru: He's going to be begging for us to kill him by the time we're done.

RPM Rangers: RPM! Get in Gear!

Kiva Riders: Henshin!

They transformed!

Scott: "RPM Red!"

Flynn: "RPM Blue!"

Summer: "RPM Yellow!"

Dillan: "RPM Green!"

Ziggy: "RPM Black!"

Gem: "RPM Gold!"

Gemma: "RPM Silver!"

All: "Power Rangers RPM!"

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Nico: YEAH!

They fired waves of energy and blasted him and smashed him all over the place!

Scott Truman: Shark Attack Mode!

Wataru: (Pulls out red and gold whistle) Time for Emperor form! (Places the whistle in Kivat's mouth)

It blew it and he went EMPEROR! Scott went SHARK ATTACK MODE!

Qin: OH YEAH!

Scott Truman: I ALWAYS HATED THAT UGLY CHIN OF YOURS!

Aligned Optimus: Me too!

Animated Sentinel Prime: (glares hatefully at Animated Optimus) What are you waiting for, "old buddy"? Finish me!

Animated Optimus raised his axe and Animated Sentinel closed his eyes. But when he heard a shot, he opened them again to see that Live Action Optimus had used his blaster to destroy his lance.

Animated Optimus: (lowers his axe) The Black Gates would be taking the easy way out, Sentinel.

Live Action Optimus: You do not deserve it.

Nico: So instead we'll do this!

They then fired an energy blast and blew his entire body to scrap metal and then Nico put his Spark in a container prison!

Animated Sentinel Prime: HEY! LET ME OUT OF HERE!

Nico: No. You will be good in my safe.

We went to the 4th floor.

---

4. Constantiine Frog vs Rango and his friends, Pinkie Pie, Muppets, Samurai Rangers, Roxy, Decade Riders, and Randy Cunningham and his friends

---

We arrived at the 4th Floor and it looked like we were in Moscow.

Me: Whoa!

I had us put on our fur coats for this one.

Me: That's better. Man it feels like we're in Moscow.

Nico: Very coincidental that it shows that since we are in the Kamchatka Peninsula.

Kermit: Okay. The next member of Opaline's team should be hiding around here somewhere.

Qin: Yeah.

?: (Russian Accent) You asked for me comrades?

Then out came CONSTANTINE FROG, KERMIT'S IMPOSTOR!

---

**Constantine**, also known as **The World's Most Dangerous Frog**, is the main antagonist of the 2014 film *Muppets Most Wanted*, the sequel to the 2011 film *The Muppets* .

He is the evil doppelgänger of iconic Muppet Kermit the Frog, who is claimed to be the "Number One" criminal of the world. He and his subordinate/pawn, Dominic Badguy, formulated an evil plot to steal the Crown Jewels of England. He resembles Kermit the Frog, aside from the fact that a black beauty mark is depicted on his left cheek.

He is also the arch-nemesis of Kermit, alongside Walter, Fozzie Bear, and Animal.

He was performed and voiced by Matt Vogel.

According to Gulag prison guard Nadya (in the extended version of the film), Constantine's mother abandoned him as a tadpole and he was taken in by the owner of the largest bomb factory in Germany, which he subsequently blew up.

At the beginning of the film, Constantine was in Siberian Gulag 38B. However, he escapes the prison and blows it up, then makes contact with his second-in-command Dominic Badguy.

Later while Kermit the Frog is for a stroll in Berlin, Constantine sneaks up on him and slaps a duplicate mole on his left cheek. The police thought that Kermit was Constantine and then brings him to the Gulag. Constantine then impersonates Kermit and meets up with Dominic Badguy to proceed with his plans to steal the crown jewels of England. Constantine covers his mole on his left cheek to make himself look like Kermit.

Constantine then dismisses the show letting it run into chaos while pretending to love Miss Piggy to cover his tracks, even proposing to her so he had an excuse to get into the Tower of London.

Walter and Fozzie find out the truth and are confronted by Constantine. However, they are saved by Animal (who suspected that he was an impostor from the start), and the three escape to find the real Kermit.

After his plan works, Constantine and Miss Piggy are about to get married, with Constantine planning to blow up Miss Piggy after the ceremony. However, the real Kermit manages to break in and, after a few switches, stops the wedding. After a few mishaps, Miss Piggy finally deduces the real Kermit by asking both frogs if she would marry them, knowing that the real Kermit would be reluctant enough to give a proper answer.

With the ruse up, Constantine finally reveals his true identity and starts his next bomb to blow the Muppets to kingdom come. The bomb happens to be on Miss Piggy's ring, which starts to terrify everyone. Fortunately, Dr. Bunsen Honeydew's bomb magnet suit manages to pull the bomb with help from Beaker (who is wearing the suit to prevent himself from being killed) and get it to safety.

Despite his failure to blow up the Muppets, Constantine attempts to make a clean escape by taking Miss Piggy hostage. Sick of Constantine's mistreatment, however, Dominic tries to double-cross Constantine, revealing that he is in fact The Lemur, the world's second-greatest thief, and planning to make a clean getaway in a helicopter with the stolen jewels to become the new Number One Criminal. Constantine, having anticipated that he would be betrayed, simply ejects Dominic from the helicopter and boards it, tying up Miss Piggy in the process. Kermit, however, manages to grab hold of the helicopter and tries to save Piggy, while the other Muppets mange to stop Constantine from escaping by forming a long chain from themselves and holding onto the helicopter. As Kermit finally gets up to the cockpit, Constantine holds him at gunpoint, proudly declaring himself the world's most dangerous frog. However, Piggy breaks free and angrily declares that meant he was still a frog, grabbing his feet and smashing him against the cockpit several times. Taking off the same fake mole Constantine had given him in their first encounter, Kermit furiously slaps it onto Constantine's face, knocking him out cold.

In the end, Constantine and Dominic are arrested for their crimes, and are placed back to the Gulag presumably for the rest of their lives. Despite this, they both appear to reform and willingly take part in the Muppets' show in the gulag at the end of the film. During the end credits of the movie, a reformed Constantine sings a triumphant reprise of his song "I'll Get You What You Want (Cockatoo In Malibu)".

---

We gasped!

Me: Constantine! (Speaking in Russian) Я знал, что однажды ты снова выйдешь из тюрьмы и будешь служить такой бессердечной и злобной суке, как Королева Опалин! (I knew you would one day get out of prison again and serve a heartless and malevolent bitch like Queen Opaline!)

Constantine: (Speaking in Russian) Опалин дала мне огромную сумму денег, если я смогу победить вас, ребята, за все, что вы со мной сделали. (Opaline has granted me a massive amount of money if I can defeat you guys for everything you did to me.)

Me: We'll see about that.

Camie: So he is Constantine?

Me: Yep and in case you didn't notice he is an exact body double of Kermit the Frog. The only difference is that he has a mole on his face.

Camie: Oh I see.

Me: That was an awesome adventure to honor the great creator of the Muppets, Jim Hensen.

Jayden: Usually, we'd tell you guys to leave it to us.

Tsukasa: But now, we know that can't happen.

Samurai Rangers: Go Go Samurai!

Antonio: SAMURAI MORPHER! GOLD POWER!

Decade Riders: Henshin!

They transformed!

Jayden: "Red Samurai Ranger, ready!"

Lauren: "Female Red Samurai Ranger, ready!"

Kevin: "Blue Samurai Ranger, ready!"

Mia: "Pink Samurai Ranger, ready!"

Mike: "Green Samurai Ranger, ready!"

Emily: "Yellow Samurai Ranger, ready!"

Antonio: "Gold Samurai Ranger, ready!"

All: "Rangers together, Samurai forever! Power Rangers Samurai!"

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Me: Time for this frog to go back to jail!

Billy: Or give him to the French mm-hmm!

Marinette: Yeah give him to me and Adrien for us to eat!

Constantine gulped!

Samurai Rangers: Super Samurai Mode!

Jayden: Shogun mode! Power of the Ancestors!

He went Shogun!

Tsukasa pulls out a tablet with a very clear Decade theme, and a card with the logos of all the Kamen Riders that preceded him on it, which he then slides into a slot on the tablet, causing the symbols to become active

K-Touch: (As Tsukasa presses the tablet symbols) Kuuga! Agito! Ryuki! Faiz! Blade! Hibiki! Kabuto! Den-O! Kiva! Final Kamen Ride! Decade!

He went Decade!

Nico: Time for 10 years of buttkicking!

We pulverized Constantine all over.

They fired waves of energy and elements and smashed him all over.

Constantine snaps his metal teeth at Rango but he used 1 shot to put a hole in said teeth.

Rango: (shudders) Damn, those teeth are freaky!

Me: Ugly too!

Pinkie Pie: Yeah and Frogs don't have teeth!

Qin: No they sure don't.

I grabbed his metal teeth with a pair of pliers and pulled them out and he was now TOOTHLESS!

We tied him up and had got him ready to be sent back to prison.

Me: Try escaping now.

## 5. Dr. Thaddeus Blakk vs W Riders, Supernoobs, Tahu, Nuju, Beyblade heroes, Eli Shane and his friends, and Basic Megaforce Rangers

We arrived at the 5th floor and it looked like The 99 Caves.

Me: WHOA! It's like we're back in the 99 caves.

Eli Shane: This is amazing guys.

Qin: It sure is awesome.

Lola: Yeah.

Eli Shane: If I'm right, the next baddie should be here.

Me: Yeah.

?: Then you will face me next!

Me: No mistaking that voice1

Then out came DR. THADDEUS BLAKK!

---

Dr. Thaddius Blakk is the main antagonist of Slugterra. He is the owner of Blakk Industries.

Thaddeus Blakk grew up dreaming of becoming the top Slugslinger around. He was also a candidate for becoming a student of the Unbeatable Master but he lost to Will Shane. He would do anything to win, even cheat. This didn't sit well with his chief rival, Will Shane. After he defeated Will Shane, Blakk retired from Slugslinging uncontested and turned his interests to science and industry. Blakk took a broken-down train system and turned it into the SlugTerran Express, a system of high-tech, high-speed trains that connect all but the most remote caverns. Despite his success and wealth, Blakk remained unsatisfied. Now, he will settle for nothing less than total domination of all SlugTerra.

In "Back to Blakk", Black reveals his life's story, beginning with when his abusive father abandoned him, causing Blakk to grow up in a lawless cavern run by the gangster, Viggo Dare. After his encounter with the Unbeatable Master and Will Shane, he returned to take the cavern for his own from Viggo Dare. This lead to his second encounter with the new Shane of SlugTerra: Will Shane, as well as Blakk's discovery of Dark Water. After some experiments, he was taken to the Deep Caverns causing his skin to become white and leading to his alliance with the Dark Bane. As shown in "Back to Blakk", the first Ghoul was a Greneater. Following those events, Blakk used a Tempesto to defeat Will Shane.

---

We gasped!

Me: Blakk! I knew you would be back one day!

Blakk: And now I will kill you for everything you did to me!

Eli Shane: You brought that on yourself Blakk!

Me: And you deserved to die too!

Eli: That's right you jerk!

Shotaro: J.D. and the others beat you before!

Troy: And we can do it again!

Megaforce Rangers: Go Go Megaforce!

W Riders: Henshin!

They transformed!

Troy: FURY OF THE DRAGON! MEGAFORCE RED!

Emma: FLAMES OF THE PHOENIX! MEGAFORCE PINK!

Jake: VENOM OF THE SNAKE! MEGAFORCE BLACK!

Gia: CLAW OF THE TIGER! MEGAFORCE YELLOW!

Noah: BITE OF THE SHARK! MEGAFORCE BLUE!

Lilith: SONG OF THE SIREN! MEGAFORCE GREEN!

All: EARTH'S DEFENDERS NEVER SURRENDER! POWER RANGERS MEGAFORCE!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Qin: YEAH!

Eli held on to Shotaro's body.

Robo Knight: I am Robo Knight: Protector of the Environment, Guardian of the Earth!

Me: Get him guys!

Megaforce Rangers: Ultra Mode, Activate!

The Megaforce Rangers donned their Ultra Mode!

Shotaro and Philip: Time for CycloneJokerXtreme!

Ryu: And Accel Trial!

They were ready!

Me: Awesome!

Me and Shotaro and Philip: PRISMBLADE!

We fired rainbow energy blasts and they hit Blakk and smashed him all over.

They went at Blakk and smashed and pulverized and brutally mangled him all over.

Blakk: You think this is enough to stop me?

Tyson: No. This is! Beyblade, Let Em Rip!

Me: LET IT RIP!

We fired our Beyblades and they formed THE ELEMENTAL PHOENIX AND THE DRAGON! They flew at Blakk and blasted him down with incredible force!

They went at Blakk and smashed and pulverized and brutally mangled him all over.

We tied him up and I stripped him of his powers and darkness.

Me: You are through Blakk. We killed you once so it's best to let you rot.

---

6. Master Cyclonis vs Zenkaigers, Zarya, Super Megaforce Rangers, Kyurangers, Storm Hawks, Megan McCallister and Saber Riders

---

The 6th Floor showed that we were at the Ruins of Cyclonis's castle.

Me: Whoa! The Ruins of Cyclonis's castle. Been a long time since we were here on Atmos.

Camie: Wow! That was a brutal battle back then.

Qin: Yeah.

Nico: Man that was an awesome and epic battle.

Aerrow: Stay sharp! Opaline's next goon is around here somewhere!

Piper (Storm Hawks): But it feels like being back home.

Qin: It's amazing though.

?: Then you will die with it!

Then out came MASTER CYCLONIS!

---

**Master Cyclonis** is the main antagonist of the *Storm Hawks* series, and the diabolical leader of Cyclonia.

According to Storm Hawks creator Asaph Fipke, Cyclonis is the descendant of a long line of evil emperors and empresses, and became ruler at an early age because of a tragic incident concerning her father.

Such she exhibits the signature evil overlord traits: high intelligence, expertise with doomsday devices (crystals in this case) and a violent dislike for failure on her subordinates' part, although she is more forgiving to the Dark Ace. To accentuate her evil personality, any particularly evil statements made by her carry a distorted, demonic secondary voice in the background. She wears a hood which uncurls into a mane, a cloak which she takes off during battle, and a small cape which she wears underneath the cloak.

Despite all her villainous tendencies, Master Cyclonis may have a suppressed softer side to her, potentially related to her relationship with her deceased parents.

In the finale of the second season, Cyclonis escapes to the Farside of Atmos, and the Storm Hawks follow after her, while most of the other Cyclonians' (like Dark Ace) defeats are on shown, Master Cyclonis' true fate remains unknown too the fact that the series was cancelled afterwards.

Master Cyclonis' weapon of choice is her crystal staff, which, like Piper's staff, can have any number of effects based on the crystal powering it. The staff can reform itself if broken. In addition, Cyclonis herself can control and generate crystal energy without an intervening device, and can transform her weapons crystals during battle. She spends most of her time when not in the field at a console in her control room that has many mechanical arms, using it to create new crystals for use with her staff. She has many abilities with her crystals, such as deflection, teleportation, levitation, and shielding. She can also empower the Dark Ace with these abilities via the Binding.

---

We gasped!

Me: CYCLONIS! I didn't expect Opaline to recruit you!

Cyclonis: The money is good and soon I will rebuild my empire and make you all pay for everything you did to me! Especially you Storm Hawks!

Aerrow: Not on our watch!

Me: You brought all that on yourself!

Camie: So she is Cyclonis.

Me: Yep. She's the ruthless tyrannical leader of the Cyclonians. We destroyed her entire reign of terror.

Eli: Yep.

Me: She wanted to rule over the entirety of Atmos with an Iron Fist.

Nico: But we destroyed her and made sure that wouldn't happen.

Laney: Yeah!

Lucky: You think the battle you died in was bad?

7. Yost Sebastian Shaw vs Cortez Family, Princess Luna, Yost X Men, Fourze Riders, Whenua, Signers, and Beast Morphers Rangers

---

We arrived in the 7th floor and it looked like New York City.

Me: Whoa it looks like we're in New York City.

Qin: Yeah.

Yost Cyclops: Logan, can you smell who the villain on this floor is?

Yost Wolverine: Already on it. It smells like energy. And fire.

Me: Hmm. (GASP) Not him.

A figure came out and it was YOST SEBASTIAN SHAW!

---

Sebastian Hiram Shaw is a supervillain appearing in American comic books published by Marvel Comics. He has been frequently depicted as an adversary of the X-Men.

A mutant, Shaw possesses the ability to absorb energy and transform it into his own raw strength. He is the leader of the New

York branch of the Hellfire Club, an exclusive secret society composed of mutants bent on world domination, although to the public, he is a legitimate businessman and ordinary human. He once funded the mutant-hunting Sentinel program to keep it under his thumb. In 2009, Shaw was ranked as IGN's 55th Greatest Comic Book Villain of All Time.

Kevin Bacon played the character in the 2011 film X-Men: First Class.

---

Me: The Yost World's version of Sebastian Shaw!

Yost Jean Grey: I haven't forgotten what you did to me!

Me: Funny thing is we never faced you in the Yost World when we destroyed Apocalypse.

Yost Sebastian Shaw: And now I will destroy you!

I fired waves of energy and blasted him all over and blasted his arms off!

Qin: YIKES! Been disarmed.

Nico: Nice! Without his arms he has no power.

Selene: Good riddance. I never liked working for him.

Me: Even though this version of the Prime Universe it's still very fitting.

Devon: Your blasted arms are the least of your worries!

Gentaro: Damn right!

Beast Morphers Rangers: Activate Beast Power!

Fourze Riders: Henshin!

They transformed.

Beast Morphers: UNLEASH THE BEAST!

Gentaro: READY FOR BLAST OFF!

Qin: YEAH!

Beast Morphers: Beast-X Visor Linked! Activate Beast-X Mode!

Gentaro pulls the orange module out of the Fourze Driver, replacing it with one that's blue with a large silver-covered doomsday button like device, before exposing the doomsday button by pushing down the silver part.

Fourze Driver: Cosmic!

Ryusei removed the module in his Meteor Driver and replaced it with one with a yellow and silver pinwheel on the front

Meteor Storm Switch: Meteor Storm!

Meteor Driver: (As Ryusei presses a previously unseen yellow button on the Meteor Storm Switch) Meteor On! Ready?

Me: OH YEAH!

They were ready!

Nico: That is always awesome and cool.

Lola: It sure is!

Gentaro: (flies at Yost Sebastion Shaw) IT'S SPACE TIME!

POW!

Gentaro punched him in the face, knocking him down.

I then stripped Shaw of his powers and made them my own and then I tied him up with Adamantium Chains.

Me: You deserve prison.

Yost Jean Grey: Especially with how you made me become

Phoenix.

8. DeFoe from Huntik vs Dino Charge Rangers, Dinozaurs, Vakama, Dino Squad, Huntik team, Elyon and Wizard Riders

---

On the 8th floor we were in what liked Venice, Italy.

Me: Ahh Venice, Italy.

Nico: Love Venice. It's so awesome.

Eli: It sure is.

Dante Vale: The next villain should be close.

Me: And I sense he is right there!

I fired an energy blast and blasted and building and out came DEFOE!

---

DeFoe was a scheming, self-proclaimed mastermind. He lead a small force for the Organization alongside his right-hand man, Grier, under orders to track down a journal in Lok's possession and to halt the actions of the Huntik Foundation against them. He would stop at nothing to see that his missions were completed, although sometimes this meant putting his own men in peril to do so.

Little is known about DeFoe's background, but his rocket-like rise through the Organization hierarchy is legendary amongst Suits. Within a matter of months, DeFoe was promoted through Suit rankings to be a prominent leader of his own squad.

Under the Professor, one of DeFoe's earlier missions was to retrieve Eathon Lambert's journal, although the mission ended with the journal being all but destroyed. DeFoe then ordered Grier to find the biggest Venice Huntik Library because he knew that the Huntik team needed to research Eathon's journal. DeFoe later attacked the library, breaking through by pouring acid on the door's knob. Though he failed to retrieve the journal he manages to learn the Huntik team's next move.

After DeFoe learned that the Huntik team is going to Prague, Czech Republic, to get the Titan Metagolem he ambushed the Huntik team when they were going to retrieve the Jodis Lore's Key, He successfully obtained the key and went to the Golem's Attic, Where he tried to bond with the Titan Metagolem but failed due to Dante's interference so DeFoe retreated because Dante had bonded with Metagolem.

Afterwards, DeFoe's team was sent to retrieve the Amulets of the re-awakening Titans. In the Cave of the Gargoyle on the outskirts of Rouen, France, DeFoe managed to retrieve and bond with Gar-Ghoul. DeFoe then was ordered by the Professor to retrieve the Ring of Arc. He then had a rematch between Dante's Caliban and DeFoe's "new friend," his Gar-Ghoul, but Dante fled with the other's to the catacombs. DeFoe pursued the team, intent on obtaining the Ring of Arc, but failed due to Dante's plan, dividing up his forces and sneaking the Ring past them using Gareon. Because of this failure, he was removed from his duties, by Rassimov as the Professor was too furious to lay eyes on him. DeFoe then swore to bring Dante's end with or without the Organization.

His removal was temporary, as he was later reinstated by Rassimov after nearly destroying the Organization's training machine while training. DeFoe was then given a mission to retrieve the Amulet of King Basilisk, but he again failed due to the intervention of Dante's team.

DeFoe was then ordered simply to deliver the Sword of Saint George to Prague, Czech Republic. The Sword contained the Titan Lindorm, but The Organization considered DeFoe to be unworthy to bond with the Titan. Unsatisfied at simply being a "delivery boy," he went to Greece after receiving word from his spies that Dante Vale was sighted there in order to kill Dante. DeFoe, however, failed, resulting in Lok bonding with Lindorm and DeFoe's Amulets being taken by the Huntik Foundation.

While starting to plan his next attack on Dante Vale, Defoe was tragically murdered by his own right-hand man, Grier, by order of the Professor, who thought Defoe to be incapable of carrying out his orders.

---

DeFoe: I WILL KILL YOU FOR KILLING MY TEAM!

Me: DeFoe! I knew you would be coming back!

Qin: You just don't know when to quit do you!

DeFoe: Not until I have my revenge on you all for killing me and everyone!

Me: You brought all that on yourself DeFoe.

Camie: So he is DeFoe?

Me: Yep. I killed his entire team and destroyed the entirety of The Organization before I started the team.

Dante Vale: It's how I met J.D.

Me: Yeah.

Tyler Nevarro: I thought that Opaline would recruit the Professor or Rassimov.

Me: I was thinking the exact same thing.

DeFoe: She was considering it. But then, she remembered that I hate Dante Vale and J.D. Knutson the most.

Me and Dante had our auras flare up with incredible power.

Me: You forget that we get stronger because of hatred.

Haruto: Still won't save you.

Dino Charge Rangers: Unleash the Power!

Wizard Riders: Henshin!

RRRRRROOOOOOOOOOOOOOOOOOOOAAAAAAARRRRRR! CHOMP!

They were ready!

Qin: YEAH!

Tyler Nevarro: T Rex Super Charge Morpher, activate!

Nitoh: (Readying his blue ring) Let's take things to the next level!

With that, Nitoh places the lion face of the ring into the right hand slot on his belt and twists clockwise.

Beast Driver: Hyper! Go! Hy-Hy-Hy-Hyper!

At this command, a spectral form of a lion looking beast emerges from the Beast Driver, and once it circles back around to Nitoh, turns his suit primarily blue with gold and red accents, particularly the lion head chestplate, and summons forth a blue and gold gun with a lion on the sides and some sort of mirror on the back.

Haruto: (Showing the ring on his left hand, which looks like a diamond version of his head but with a crown and collar on it) My turn now!

With that, Haruto switches his WizarDriver into transformation mode, and scans the new ring against it.

WizarDriver: Infinity! Please! Hi-Sui-Fu-Do-Bou-Zaba-Byu-Dogon!

Me: OH YEAH!

Nico: Awesome!

Qin: Yeah!

Me: DeFoe you and the Organization are through!

I teleported and punched him in the stomach and kicked him in the face with devastating force and knocked out some of his teeth.

Haruto: It's Showtime!

Haruto fired a massive blast of fire and energy and obliterated him in an instant!

Me: Awesome!

His spirit appeared.

Me: You are dead to the world forever.

I gave him the Black Gates.

9. Diesel 10 vs Kiramagers, Rarity, ToQgers, Thomas and friends, Battle Force 5, Flora, and Zero One Riders

---

We were on the 9th floor and it looked like we were back on the Island of Sodor.

Me: Wow! The Island of Sodor.

Nico: Been a while since we were here.

Eli: Yeah!

Xenia: Feels like forever.

Camie: Boy I love Thomas the Tank Engine. He is awesome.

Lana: One of my favorites too Camie.

Thomas the Tank Engine: The next villain should be here.

Then a toot was heard and then we saw a train with a big claw on it and it was DIESEL 10!

---

**Diesel 10** is one of the two main antagonists of the *Thomas and*

*Friends* franchise (alongside Diesel). He first appeared as the main antagonist of the 2000 film *Thomas and the Magic Railroad* .

He is an extremely villainous diesel engine with a rooftop hydraulic claw nicknamed "Pinchy" who is noted by Thomas for being 10 out of 10 brutal strength and devious deeds. Diesel 10 is described to be a feared diesel throughout the Island of Sodor as he has been causing trouble for steam engines, but is also obsessed on wanting to destroy a magical steam engine named Lady. In the past, he deliberately caused her to crash, but although he badly damaged her, Diesel 10 failed to destroy Lady. He is Lady's archenemy as well as Thomas' main arch-nemesis above Diesel despite appearing after him.

In *Thomas and the Magic Railroad*, he was voiced by Neil Crone. In the TV series and the special Day of the Diesels, he was voiced by Matt Wilkinson.

Years ago, Diesel 10 once visited the Island of Sodor and caused trouble for the steam engines while he was there. During his visit, he found Lady, a magical steam engine who serves as the guardian of the Magic Railroad (a magical railway) and uses her magic to keep the worlds of Shining Time and Sodor alive. Diesel 10 chased Lady and her caretaker Burnett Stone, but during the chase, Burnett used up all her coal and made Lady go too fast, causing Diesel 10 to catch up and crash her. Lady was then taken back to Muffle Mountain and stored inside Burnett's workshop, where he spent years desperately trying to restore her to working order, but he is unable to find the right coal to make her steam. Without Lady, the Magic Railroad soon began to lose its energy.

Several years later, Diesel 10 returned to Sodor when the Fat Controller (Sir Topham Hatt) was on holiday, intending to find Lady and destroy her once and for all. He was first seen when he raced past Thomas and Gordon at Killaban Station, kicking up dust and dirt everywhere. He showed up again when Thomas is talking to James at Tidmouth Sheds, explaining them his plan to destroy a "lost engine" and thus establish Diesels as the dominant engines on Sodor before leaving. At his mountain, Diesel 10 brings his two dimwitted sidekicks Splatter and Dodge, telling them of his plan to get rid of Lady. The two bumbling diesels report that Mr. Conductor is on his way to Sodor, so Diesel 10 decides to destroy him as well, only to humiliate himself in front of Splatter and Dodge when he is whacked in the face by his claw. Diesel 10 sends Splatter and Dodge to Tidmouth Sheds so they can spy on the steam engines, and while they laugh at Thomas, Harold flies by, spreading sneezing powder dumped by Diesel 10, all over the three engines.

That night, when Mr. Conductor and the engines are sleeping, Diesel 10 rolls up and smashes down the side of the sheds with his claw, waking up the engines and Mr. Conductor in the process. Mr. Conductor reprimands Diesel 10, but discovers that he has run out of gold dust. As Diesel 10 demands Mr. Conductor to reveal Lady's whereabouts while threatening him and the other engines that he will tear down the shed even more, Mr. Conductor holds out a bag of sugar in front of Diesel 10, threatening him that he will dump it in his fuel tanks to seize him up for good, causing Diesel 10 to leave.

Later, Percy and Thomas talk about Mr. Conductor and conclude that he travels to Sodor on the Magic Railroad by a set of magic buffers (unaware that their conversation is overheard by Diesel 10) who was hiding nearby. Delighted, he heads over to the Sodor Ironworks to meet up with Splatter and Dodge so that he can explain them his plan. However, Toby, who has secretly followed Diesel 10, observes him discussing to Splatter and Dodge of his plan to destroy the magic buffers that leads to the Magic Railroad as it would cause engines to not only derail and crash, but also could destroy both Lady and the Magic Railroad at the same time, thus the gold dust would cease to exist, making Mr. Conductor unable to travel between Shining Time and Sodor without it. To distract Diesel 10, Toby rings his bell loudly, causing the latter, who is alerted by the noise, to recognize him before trying to attack Toby using his claw. Unfortunately, his claw knocks down the whole shed, trapping Diesel 10 and his sidekicks under its roof in the process.

The next morning, when Mr. Conductor traveled across Sodor to find the windmill in order to search for gold dust, Diesel 10 found him and captured Mr. Conductor with his claw before holding him over a viaduct, threatening Mr. Conductor that he will deliberately drop him to his death if he doesn't tell him the whereabouts of the magic buffers that lead to the Magic Railroad. However, Mr. Conductor manages to escape by using a pair of wire cutters to cut one of the cables connected to his claw, causing Diesel 10 to fling him across the island towards the windmill. At the coaling plant, when confronted by Splatter and Dodge on how come he let Mr. Conductor escape, Diesel 10 only replies that he just did it on purpose and was testing to see if he could escape. Splatter and Dodge mock him and Diesel 10 angrily decides to teach the two a lesson about "how to stop being stupid", but accidentally gets himself covered in coal, causing the engines to laugh at him, much to his anger.

When Mr. Conductor's cousin Junior was thrown into the air due to a strong wind while riding on the windmill's sails after bringing Burnett's granddaughter Lily to Sodor so they can meet Mr. Conductor with assistance from Thomas, he landed on the roof of Diesel 10, who was prowling around Sodor (possibly searching for the magic buffers) and kidnaps Junior before giving him a "ride" across the island until they reached the smelter's yard. There, Diesel 10 flipped Junior onto James and attempted to force the two towards a deep pit while Junior tries to whistle both of them out, only to discover that he is out of gold dust, just like his cousin. As Diesel 10 prepares to send them falling to their deaths, Junior uses the last of his extra gold dust to teleport himself and James away to safety, much to Diesel 10's shock.

After Lady was brought back to life by Burnett using special Island of Sodor coal from a missing coal truck Thomas and Lily picked up from the Magic Railroad and returned to Sodor where they reunite with Mr. Conductor and Junior, Diesel 10 (accompanied with Splatter and Dodge) eventually finds her with Thomas and the group near the buffers. Upon discovering that she is alive again, Diesel 10 resumes his attempt to destroy Lady once again since he previously failed to do it in the past and orders his sidekicks to support him. However, Splatter and Dodge (suddenly having a change of heart since they are tired of their master's attitude) betray Diesel 10 and refuse to follow him, telling their boss to do his own dirty work instead.

As Diesel 10 pursues Lady, who is supported by Thomas and Burnett, throughout the Kirk Ronan sites intending to attack her with his claw, the chase ends when they finally reach the viaduct. Though Lady, Burnett and Thomas successfully managed to cross safely as the viaduct starts to crumble and fall apart as a result of the Magic Railroad losing its energy, Diesel 10 is unable to stop in time as he approaches the bridge and falls off due to the viaduct collapsing under his weight, although he was able to use his claw to hold onto one of the sleepers of the dangling track, leaving him hanging on for his life. The sleeper somehow breaks regardless, sending a screaming Diesel 10 plummeting onto a barge full of sludge below, causing him to get towed away downriver and out of sight, but not before saying "Oh well, nice time of the year for a cruise" and chuckles nervously. What happened to Diesel 10 afterwards is currently unknown, though it is assumed that he was towed away out of Sodor or was sent away by Sir Topham Hatt for his crimes against Mr. Conductor and the steam engines.

In the original cut, Diesel 10 was the secondary antagonist, with the main antagonist being a human named P.T. Boomer(portrayed by the late Doug Lennox). It was revealed that Boomer was the one who wrecked Lady instead of Diesel 10. When test audiences complained he was too scary for younger viewers, the film was edited (albeit not professionally) and all scenes with Boomer were removed, even though he can still be seen in a few of them.

In an early script for the film, the character was intended to be killed off. After falling off the viaduct, Junior would have used his magic bandana to turn Diesel 10 and Boomer into sludge.

Diesel 10 was originally going to be voiced by Australian voice actor Keith Scott (who is better known for voicing Bullwinkle J. Moose from *The Adventures of Rocky and Bullwinkle* and the narrator from *George of the Jungle* ), but after the test screening, there were complaints about his voice being too scary for younger viewers, so Scott was replaced with Canadian actor Neil Crone.

Initially, Crone played Diesel 10 with a Russian accent, but this was deemed too offensive and replaced with a New Jersey accent.

However, Diesel 10 returns later on, apparently not defeated once and for all. He briefly appears in *Calling All Engines!* as the former supporting antagonist. Though he was not really a villain within the work, he is still antagonistic towards Thomas, who eventually musters up the courage to ask Diesel 10's help in the construction of Sodor's airport. Diesel 10 aids in the construction on the pretense of proving himself to be useful. He later appeared in the stinger of *Misty Island Rescue* remarking that the steamies will "laugh on the other side on their boilers soon".

His comment foreshadows the following feature *Day of the Diesels* with him as the main antagonist. During *Day of the Diesels*, Percy becomes depressed over Thomas befriending the new engine Belle and is won over by Diesel, who claims he can be Percy's new friend. Percy goes with Diesel to the Dieselworks (a place steam engines are informed to never go) and discovers Diesel 10 amongst the other diesels of the special. Ultimately, Diesel 10 manipulates Percy into siding with the diesels by playing with his sympathy in regards to the horrid condition of the Dieselworks. Percy progressively tries to help, such as enlisting Kevin the Crane from the Steamworks, but becomes more and more upset when he is unable to relate the diesels' situation and when Thomas becomes chummier with the new arrivals, Belle and Flynn the fire engines. Thomas is sent to retrieve Kevin once the truth comes out but is held prisoner at the Dieselworks.

Diesel 10's plot to take over the Steamworks as diesel territory succeeds and he mocks Percy as he and his cronies fool around on the Steamworks' equipment and sidings. Fortunately, Percy sets things right, even as the Dieselworks burns down in the process. Diesel 10 is then scolded by Sir Topham Hatt at the Steamworks who informs him that "some things are worth waiting for" (which oddly shames Diesel 10). The Dieselworks is rebuilt and Diesel 10 seems very happy about it. Though time will tell if he tries another attempt at evil-doing.

Despite returning to his villain status, Diesel 10 is still the victim of abuse within *Day of the Diesels* in how the automatic doors to his shed in the Dieselworks repeatedly close on him as he exits and enters it. In addition, his goal to take over the Steamworks is not entirely without sympathy. Whereas the Steamworks is kept well-maintained, fully-functional and in pristine condition, the Dieselworks was formerly dirty, run-down, and poorly-maintained. Considering these squalid conditions, it was only natural for the diesels to feel neglected by the Fat Controller (who in reality had been intending to rebuild it himself, but (owing to the pressures of running the railway) had been previously unable to).

However, Diesel 10 was soon back to his bad self again in *The Missing Christmas Decorations*, as he stole Christmas decorations from Tidmouth Sheds as the Dieselworks lack decorations. But his lack of patience once again got the better of him as it was later discovered that the Diesels were about to get Christmas decorations for their own. But they let the Steam Team have their decorations to replace the damaged ones after Percy got new wheels for Sidney, a diesel who has been hoisted up by a crane for two years waiting for his new wheels.

After that, Diesel 10 was not recently seen again after that. However, his claw, Pinchy appeared again, but not Diesel 10 himself.

---

Thomas the Tank Engine: I didn't expect Opaline to recruit you!

Right: Opaline didn't recruit Krytus?

## 10. Necrafa vs Drive Riders, J.D. Knudson, Mysticons, Onewa, Princess Celestia, Yost Avengers, Ninja Steel Rangers, and Yin, Yang, and their friends

On the 10th Floor we saw that we were in a room that looked like the ruined lands of the Battle with Necrafa.

Me: The Ruined Lands of the Battle with Necrafa. Wow! I remember that battle like it was yesterday.

Nico: That was a devastating battle.

Lola: Yeah it sure was!

Zarya: I remember it too.

Arkayna: The next member of Opaline's gang should be here.

Nico: Look sharp.

Then I felt an evil force and fired an energy blast and it hit a rock and out came a figure and it was NECRAFA!

* * *

Necrafa was an evil, skeletal lich-queen who had spread a reign of terror and devastation throughout the entire realm of Gemina for many years, but had been thwarted many times by the very first Mysticons. She first appears as a statue in Sisters in Arms, although her actual debut is in Episode Thirteen, once she is released.

A thousand years ago, the original Mysticons defeated her. Peace returned, and "Necrafa" became a word that human, dwarf, and especially elf moms used to scare kids into eating their veggies! However, Necrafa's followers worked tirelessly over the ages, trying to resurrect her.

Necrafa is restored to the realm, becoming the main villainess who was finally destroyed in one single strike, in the Season 2 finale by the greater and combined strength of the Princess Twins of Gemina.

* * *

We gasped!

Me: Necrafa! I did not expect Opaline to recruit you!

Necrafa: Yes but soon you will pay for everything you did to me J.D.!

Me: You brought all that on yourself you witch!

Camie: Whoa man! So she is Necrafa?

Me: Yep. She is a pure evil Lich Queen that wants to destroy the entire universe. We battled her and our power combined overwhelmed her.

Qin: Yeah.

Brody: We best you before!

Shinnosuke: This time won't be any different.

Me: And for the record, I'm not the same as I was when we fought before.

I went SUPER ANGEL CELESTIAL ETERNAL XELNAGA!

Necrafa: WHAT!?

Me: (Divine Echoing Cosmic Elemental Voice of Hope, Friendship, Love and Justice) **I've gotten infinitely more powerful since then.**

Ninja Steel Rangers: Ninja Spin!

Drive Riders: Henshin!

They transformed and were ready!

Brody: "Power of the Ninja! Ninja Steel Red!"

Preston: "Stealth of the Ninja! Ninja Steel Blue!"

Calvin: "Strength of the Ninja! Ninja Steel Yellow!"

Hayley: "Spirit of the Ninja! Ninja Steel White!"

Sarah: "Speed of the Ninja! Ninja Steel Pink!"

Liam: "Rhythm of the Ninja! Ninja Steel Gold!"

All: "Ninja Rangers fear no danger! Power Rangers Ninja Steel!"

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready!

Me: **Now things are different.**

I punched and kicked and elbowed Necrafa in the face and kicked her down and sent her crashing into a rock!

Shinnosuke: (pulls out the Tridoron looking mini car) Now for the finishing touches.

Go: (Pulling out a small black motorcycle) I couldn't agree more.

With that, Shinnosuke pushes a button on the back of his little car, causing the top of it to light up, revealing several other mini cars in the display.

Shift Tridoron: Fire All Engines!

With the announcement known, Shinnosuke places the Shift Tridoron into his brace, and flips it up like a lever before slamming it down, summoning the actual Tridoron, which runs into Gold Drive from behind before parking itself behind Shinnosuke

Mr. Belt: Drive! Type: Tridoron!

As soon as the transformation call is out, Tridoron splits into different components, each one reappearing over Shinnosuke before being consolidated by a fleet of smaller cars, forming new armor, with the chestpiece made to look like Tridoron's front bumper, the headpiece resembling the whole car really, and the armor going down the body mirroring the back of the car, complete with wheels on the legs, as the armor tire settles in parallel to his neck on the left.

Go: My turn.

With that, Go replaces the white motorcycle in his Mach Driver with the black one he's been carrying.

Mach Driver: Signal Bike! (As Go closes the slot where the motorcycle is placed) Rider! Chaser!

As the cry reverberates, Go is surrounded by violet energy projections not unlike the tire-like construct on his right shoulder, but instead of attaching their, they turn Go's armor from below his chest plate down silver and violet, including his arms below the elbows, in a color scheme matching Chase in a way

Brody: Out of the fire and into the fight! Lion Fire Red!

They were ready!

Me: **Awesome!**

Nico: Lets put the pedal to the metal and gun it!

We blasted her all over the place.

Yin: Here's a spell I've been working on that uses the power of the Black Gates directly!

Yin fired a powerful blast of energy and it Necrafa and she was obliterated in an instant! All of Gemina's enemies have all been silenced forever!

Qin: Good riddance!

Zarya: It's over.

Nico: Yeah.

Me: **We're not done yet.**

## 11. Auntie Roon from Juniper Lee vs Yost Spidey and friends, Ghost Riders, Onua, Hay Lin, Zyuoghers, Zick and his friends, and Juniper Lee and her friends

---

We were in the 11th Floor and it was in Orchid Bay.

Me: **Whoa so the next floor takes place in Orchid Bay!**

Juniper Lee: Feels like I'm back home.

Qin: It sure feels like it.

Me: **Even though it's only an illusion it feels like it's the real thing.**

Camie: Yeah.

Juniper Lee: I wonder who Opaline recruited for this floor.

Me: **We're about to find out.**

I fired an energy blast at a garbage can and it exploded and out came AUNTIE ROON!

---

Auntie Roon is an ancient evil witch who was banished from the magic realm by the mighty Te Xuan Ze of her time. She is known for riding a fish and being a great ancient evil, promoting chaos between humanity and magic.

She fights wielding a green orb attached to a staff which she uses for spells or to shoot projectile attacks at her enemies.

400 years ago she was a powerful witch feared by everyone in the magic and human world. She fought against the Te Xuan Ze in charge and was defeated with Monroe's aid, being utterly banished.

As a younger witch battling against the forces of good, Auntie Roon wore magenta armor, boots and gloves with lighter purple under-armor and a brown belt. In her older years, she appears to be shorter and is rather fat and somewhat stout with a dropped face.

Four centuries later during June's time, Ah-Mah tells her about Auntie Roon and says that the only way she could possibly return is for "a 10th level warlock making a deal with a puss goblin and an antelope-snake. Never happen."

Ironically that happens just in that moment. Later when June and her friends and brothers are at the mall waiting for Ambiguous Angst's new album, Roon is released and lifts the magical Veil in order to cause chaos and kidnap the children for a boon to the monsters who released her.

She engages in a little battle against June and is defeated again thanks to Monroe who uses the same trick he used before against Roon's repeated summoning smell.

Roon returns in the finale of the show to end the reign of good magic and the line of Te Xuan Ze once and for all, once again bringing down the Veil and causing more trouble than the previous time. During her plan she is surprised to discover that other monsters and beings of the magical world are not interested in pure chaos and are used to the magical Veil that separates and conceals the worlds of magic and humans.

In her second appearance, her purple frock has frills, she seems to be shorter, she has lighter orange red hair and her pointed ears have developed fins which droop slightly. Her eyebrows are smoother than previously.

---

Juniper Lee gasped!

Auntie Roon: Miss me Juniper Lee?

Juniper Lee: Auntie Roon!

Me: **We never faced you before.**

Auntie Roon: I'm a witch from over 400 years ago and I was defeated by Juniper Lee.

Me: **Ah so you are one of June's enemies.**

Yamato: No Magnacat?

Auntie Roon: She also thought he would betray her.

Me: **That makes sense. Magnacat is a traitorous fiend.**

Takeru: That was her mistake!

Zyuoghers: Animal Instinct Awaken!

Ghost Riders: Henshin!

They transformed!

Yamato: MONARCH OF THE OPEN SKIES! ZYUOH EAGLE!

Sela: MONARCH OF THE OPEN SEAS! ZYUOH SHARK!

Leo: MONARCH OF THE SAVANNA! ZYUOH LION!

Tusk: MONARCH OF THE DEEP FOREST! ZYUOH ELEPHANT!

Amu: MONARCH OF THE SNOW FIELDS! ZYUOH TIGER!

Misao: MONARCH OF THE WORLD! ZYUOH WORLD!

Bud: MONARCH OF THE BLUE SKIES! ZYUOH BIRD!

All: DOUBUTSU SENTAI ZYUOHGERS!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready!

Me: **YEAH!**

Zick fired an Energy Dom blast to knock Aunt Roon to the ground.

We stripped her of her power and tied her up.

Me: **You are not so powerful now.**

But then she aged fast and disintegrated into dust. Time finally caught up with her!

Nico: Whoa!

Me: **400 years has finally caught up with her.**

We went to the next floor.

Opaline was talking to the Guardians of Harmony from the world of

Sunny and her friends. They were her prisoners as they were locked inside a magic mirror.

Twilight Sparkle's Spirit: Can you feel it Opaline? Closing in all around you. Our friends have been united and their power is stronger than ever. The sins of the past have finally caught up to you. You will be called to account for all the atrocities you've committed, the unspeakable horrors you've let loose upon this world, and the dark ancient powers you've enslaved. Though our spirits were one of the first to be devoured by your evil, there are thousands more bound within this mirror and they cry out for release. Look now to your defenses Opaline, for the champions of friendship and harmony and unity gather at your gates and a much more powerful force is now on its way here even as we speak!

Opaline left and she knew we were coming to her.

Opaline: Let them come. I yearn for power.

## 12. Luther Paradigm vs Dino Fury Rangers, CorneliaMighty Morphin Rangers, Starlight Glimmer, Street Sharks, Dr. Nick, and his team, Arkayna, and Blue Dragon heroes

---

We got to the 12th floor and we were in what looked like Fission City.

Me: **Wow! We're back in Fission City.**

Qin: Awesome. Man this place is amazing to see here.

Me: **Yeah.**

Ripster: The next member should be here.

Then I smelled something fishy.

Me: (Sniffs) **Piranha stink! Uh oh.**

I fired waves of energy and it hit a building and out came DR. LUTHER PARADIGM!

---

Dr. Luther Paradigm, also known as Piranoid, currently known as Iguanazoid, when he transforms, is the main antagonist of the Street Sharks series. He is an evil scientist who creates monsters with genetic experiments known as Seaviets, and is the arch-nemesis of the Bolton Brothers/the Street Sharks.

He was voiced by J. Michael Lee.

In the pilot movie (composed of the first three episodes) he obtained DNA from Ghengis Khan and Captain Blood to use on a swordfish and a lobster. Dr. Bolton, a respected scientist, tried to put a stop to Paradigm's experiments, but after injecting the swordfish and lobster with the DNA, mutating them into Slash and Slobster, he injected Bolton with DNA, transforming him into an unknown shark monster and taking his watch.

When Bolton's sons John, Bobby, Coop, and Clint came over to the nuclear power plant, he injected them with 4 types of shark's DNA, transforming them into anthromoporphic sharks called the Street Sharks (renamed, respectively, Ripster, Streex, Slammu, and Jab. A great white shark for John, a tiger shark for Bobby, a hammerhead shark for Coop and finally a whale shark for Clint. However, they used their power for good and not evil.

Paradigm attempted to take over the city while maintaining a public image, claiming that the Street Sharks were dangerous and that Bolton transformed them. When Lena Mack told Guy in the Sky that Paradigm was responsible, he denied it and everyone believed him.

In an attempt to eliminate the Street Sharks's loyalty, which he perceived as weakness, Paradigm planned to inject them with piranha DNA. This went wrong, as the resulting battle caused Paradigm to be injected with it instead, giving him piranha-like features. This form is called Piranoid. The DNA was unstable, so he returned to his original form, only transforming into Piranoid when he was angry.

With the discovery of unstable DNA he sent Slash and Slobster to impersonate the Street Sharks in an attempt to frame them, however, Bends and Lena Mack revealed the truth to the city, and in a rage, Paradigm transformed into Piranoid, exposing him for the monster that he was. He attempted to use a smart bomb to destroy the city, however, the Street Sharks fought him in a final battle, ending with Piranoid grabbing onto a metal beam, Slammu biting it to send it falling, and Jab punching a hole in the ground below Piranoid, sending him falling to his apparent death before his lab was destroyed by the smart bomb, which the Street Sharks set to crash into the lab instead.

The final scene shows Piranoid's arm in the rubble moving upward, hinting that he may still be alive.

Paradigm returns as the antagonist of the TV series as well. He creates more Seaviates, and at one point injects himself with iguana DNA, thinking it was velociraptor DNA, and is known as "Iguanazoid". He is captured in the final episode when Bends takes control of his minions and is imprisoned.

---

Me: **Dr. Luther Paradigm! I knew you would be in Opaline's ranks!**

Luther Paradigm: Now I will have my revenge on you for ruining all my plans! I would have made the world a better place for gene-slammers!

Me: **Still just as fucked up as ever!**

Camie: So he is Dr. Luther Paradigm?

Me: **Yep. He was a mad scientist responsible for fucking around with the laws of mother nature and he turned people into hybrids of sea creatures.**

Stacy Bolton: Yeah it's how me and my brothers got changed into the Street Sharks.

Me: **And we killed him numerous times.**

Jason: You're not even the big fish anymore, Paradigm!

Zayto: It's Team Rocket's work we're cleaning up!

Me: **That's right. But to tell you the truth we should thank you. You gave us numbers of gene-slammers who became awesome friends and members of the team. You and your brothers did us a massive favor as well as all of Team Rocket. But we still have to kill you and stop you. So thanks for your "Help."**

Mighty Morphin Rangers: It's Morphin time!

Dino Fury Rangers: Link to Morphin Grid!

THUNDERCLAP!

Tommy Oliver: DRAGONZORD!

Zach: MASTODON!

Kimberly: PTERODACTYL!

Billy: TRICERATOPS!

Trini: SABER-TOOTHED TIGER!

Jason: TYRANNOSAURUS!

They transformed and were ready!

Zayto: "T-Rex Fury! Red Ranger!"

Ollie: "Tricera Fury! Blue Ranger!"

Amelia: "Ankylo Fury! Pink Ranger!"

Izzy: "Tiger Fury! Green Ranger!"

Javi: "Stego Fury! Black Ranger!"

Aiyon: "Mosa Fury! Gold Ranger!"

All: "Dino Fury Power!"

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind them and they were ready for action!

Nico: YEAH!

Zayto: Dino Knight Morpher!

Zayto donned his Dino Knight form!

Me: **Yeah baby!**

Lola: This is gonna be good.

We had Paradigm beat.

Paradigm: (laughs weakly) All that and you still don't have it in you to kill me!

Dr. Nick: (smirks) Actually, we're giving that honor to someone else.

Paradigm: And who would that be?

Metallo then saw that 1998 Godzilla had arrived.

Paradigm: Oh, dear.

The last thing Paradigm saw was 1998 Godzilla's foot coming down on him.

CRUSH!

He was squished like an ant!

Me: **No more Paradigm!**

I gave him the Black Gates!

---

13. Lars from Rocket Power vs Rocket Power Gang, Alien Rangers, 2003 Turtles, Rainbow Dash, Ish and his friends, Musa, and Sunny

We were on the 13th Floor and it looked like a huge skatepark.

Stacy Bolton: Awesome! It looks like an awesome skatepark.

Otto Rocket: Gnarly dudes!

Qin: This is a perfect place to do some shredding.

Otto Rocket: Wonder who we're gonna face here.

Then a figure came out and it was LARS RODRIGUEZ!

Lars Rodriguez is Twister's older brother, Clio and Scotty's older cousin and the main villain of Rocket Power.

Lars is a teenage delinquent who harasses the gang from time to time, bullies Twister on a regular basis, and generally spends his free time getting in trouble. He is also a fiercely competitive athlete and is Otto's biggest competitive and social rival.

The given name Lars is a Nordic variant of "Lawrence", which comes from Latin meaning "from Laurentum" (a town southwest of Rome). When Otto, Reggie, and Twister were competing in the NHL Breakout tournament against a team from Ocean Bluffs, they asked Lars to fill in for Sam because they thought he wasn't good enough to stand up against the Ocean Bluffs team. In another episode, Reggie, Twister, and Sam asked Lars to fill in for Otto after he gets injured snowboarding.

Even though he constantly makes Twister's life miserable, Lars has shown that he really does care about him deep down and would never want anything truly bad to happen to him. Lars is jealous of Twister. He's often accompanied by his three teenage henchmen: Pi Piston, Sputz Ringley and on occasion, Animal.

Lars seems to be respectful of adults; this could be because he's either afraid of getting in trouble or it's because he genuinely respects them

---

Stacy Bolton: Lars! I didn't expect Opaline to recruit you!

Lars Rodriguez: Yeah as long as I can have some fun battling the Rocket losers.

Me: **Those only loser here is you.**

Camie: Who is he?

Me: **That's Twist's older brother Lars. He does every little thing he can to humiliate Otto and his friends.**

Xenia: Yeah. But Stacy showed him who is boss by showing the power of the lightning shark.

Stacy Bolton: Yeah.

Aurico: This is going to be too easy.

Alien Rangers: It's Morphin time!

They transformed and were ready!

Stacy Bolton: This is gonna be gnarly dudes!

Stacy ran and her shoes grew roller skates and she did some awesome shreds and fired waves of lightning and electrocuted Lars all over.

Me: **RADICAL!**

Ish: Into the Rush Zone!

He went Football!

Rainbow Dash: YEAH! Lets do it!

Kevin: BLUE 44! HUT HUT HUT HUT HIKE!

Ish: You're still not worth killing. So, I think spanking you will do instead!

Rolf: Rolf will partake.

Rolf put him on his knee and PADDLED HIM!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

(PAINFUL BLOODY SCREAMS)

We winced at the sight of it!

Me: **OOH! THAT IS GONNA STING!**

Eli: OUCH!

14. Agram vs Miraculous Team, Tony Jones and his team, Taranee, Jak, Daxter, and their friends, Twilight Sparkle, Yokai Watch heroes, and Zeo Rangers

---

On the 14th Floor we saw that we were back in the Moonlands.

Me: **The Moonlands for the 14th Floor. This is gonna be interesting.**

Nico: Yeah no kidding.

Lola: I have a feeling I know who is coming here.

Qin: Same here.

Tony Jones: The next member should be here somewhere.

Then a swirl of darkness appeared and out came AGRAM!

---

Agram is the primary villain in all the major portrayals of the Magi-Nation franchise which began with a card game and includes a video game and TV series. He is notably the mastermind behind the appearance of Shadow Geysers, gates to the Core region of the Moonlands that allow for the Core's influence to spread to the other, previously peaceful areas. Despite being the final boss of the GBC game, Agram isn't necessarily considered to be the archenemy of the protagonist, Tony Jones, due to his late appearance, and the fact that Tony is more often opposed by Agram's second in command, Morag, who better fits this description.

Agram's goal is to exterminate all life in the world in which he lives, which is formally called the Moonlands, a world populated by humanlike people referred to as "magi" with the ability to summon and control somewhat animalian entities called Dream Creatures for use in battle, as well as for convenience. His reason for wanting to commit genocide on these people is because they possess this said ability, the "power of the magi," which he considers as "stolen" from his original race, the people from whom this power originated, known as the "Ancients."

Agram is always seen wearing a blindfold over his apparently blind eyes, which is reportedly worn as a penalty for "seeing the secrets of darkness," likely having to do with his deep affiliation with the power of the Core.

Agram was originally one of a civilization of Ancients, a powerful race living in a hidden city who possessed that "power of the magi," an ability that allows its users to summon entities of varying strength called Dream Creatures to do their bidding. When a wandering tribesman named Agadon discovered the City of the Ancients, he was gifted with this power by the city's inhabitants.

One of the Ancients, however, opposed the prospect of a mortal receiving this power, and in retaliation for the refusal of the others to listen to him, utilizing the power of the Core, a region of the Moonlands hidden away from the others that contained a dark influence and shadowlike Dream Creatures, he waged a war against Agadon's tribe in an effort to ensure that the power of the magi remained soley in the hands of the Ancient race. In the end, Agadon defeated Agram, sealing him in the Core permanently, but at the cost of his own life.

As time went on, the inhabitants of Magi-Nation, eventually came to be known as all being descendants of Agadon's tribe, and as a result of all of them possessing the "power of the magi," these people came to be known as magi.

Over time, a rift between the Core and the other Moonlands caused by an unknown source allowed Agram to escape the Core and resume his mission in eradicating the people of Agadon's tribe. However, since by then, the entire population of Magi-Nation had come to be known as magi, Agram was now resolved to execute every last one of the people who now walked the Moonlands, and he began to once again gather his army, which was composed of magi with an affinity for summoning and commanding Dream Creatures native to the Core region.

Unknowest to Agram, however, the rift that had allowed him to return to the other Moonlands was caused by the arrival of a human from another world entirely, Tony Jones, a teenager from the modern United States. Eventually, Tony Jones was taught the ways of the magi by the locals, and possessing a far greater affinity for the "power of the magi" than any of the Moonland's locals, he eventually fought back at Agram's army and defeated Agram in a Duel before returning to the world from which he had came, and Agram was once again sealed within the Core, and the Moonlands kept safe from his influence.

---

We gasped!

Me: **Agram! I had a feeling you would return.**

Agram: And now I can get revenge on you for killing me! The Moonlands were mine to rule!

Me: **Not on our watch they were.**

Tommy Oliver: I'm not surprised we'd run into you here.

Zeo Rangers: It's Morphin time!

They went ZEO!

Kat: (Australian Accent) ZEO RANGER I! PINK!

Tanya: ZEO RANGER II! YELLOW!

Rockey: ZEO RANGER III! BLUE!

Rocky: ZEO RANGER IV! GREEN!

Tommy: ZEO RANGER V! RED!

Jason: GOLD RANGER POWER!

They turned into the ZEO RANGERS!

Me: **Nice!**

Xenia: Awesome!

Ladybug: Lucky Charm!

The Lucky Charm granted her a smoke bomb this time.

She threw it and then..

POOF!

Agram: What the!? I can't see!

Nate: Time for me to end you for good!

Nate fired a powerful Magic Blast and it hit Agram and obliterated him and banished him to the black gates forever!

Nico: YEAH!

Tony Jones: That's the end of Agram!

Lola: Yeah!

Edyn: Good riddance.

---

15. Guy Gagne vs Ratchet, Clank, and their friends, Maggie, Herbie, and their pals, Tecna, Sunset Shimmer, Sonic and his friends, Turbo Rangers, and Turbo and his friends

---

On the 15th Floor we saw that we were at what looked like the Daytona 500 Racetrack.

Me: **Wow! The Daytona 500 Racetrack.**

Lana: Awesome! I love the Daytona 500.

Nico: One of my favorites next to the Indy 500.

Me: **Too bad we didn't bring our cars with us for this one.**

Laney: Yeah that would be awesome.

Turbo: I wonder who's coming for us here.

Me: **I have a good feeling I know who it might be.**

Then a figure came out and in torn up clothes was GUY GAGNE!

---

Guy Gagné (pronounced GEE gahn-yei) is the main antagonist of DreamWorks' 27th full-length animated feature film Turbo and a minor antagonist of the television series Turbo Fast. He is the archenemy and former idol of Turbo the Snail.

He was voiced by Bill Hader, who also played Agent Haggard in Paul, Hansel in Hoodwinked Too! Hood vs. Evil, King Leonard Mudbeard in The Angry Birds Movie duology, Bloodbottler in the 2016 The BFG adaptation, and Cyrus Strange in The Addams Family 2.

Guy Gagné was shown being watched on an old garage TV showing a recording of the Indy 500 by Theo (soon known as Turbo); he is shown again in another recording, though it got cut off halfway this time when Turbo had the TV broken by accidentally pushing it to fall off. When Turbo attempted to retrieve a fallen tomato from getting it crushed, Gagné appeared as a figment of the snail's imagination as Turbo reimagined the ordeal as a race.

Gagné did not physically made his appearance until the moment Turbo showed up for the Indy 500; at the time, Gagné was racing a lap and gets interviewed by reporters. A taco man named Tito later introduced Turbo after the latter dragged him to Guy Gagné, much to the racer and the crowd's confusion. However when Turbo shows off his speed and astounding the audience by qualifying for the race via achieving a speed of 226 mph, Guy Gagné was stunned at the snail's ability and later gave Turbo a chance by stirring the crowd when the latter was initially refused entry into the race by the CEO. The snail later sneaks into the storage for Gagné's race car and his trophies, only for Turbo to meet Gagné himself; Turbo them tells the famed racer that he believes in him. However, Gagné reveals his true colors when he tells our hero that dreamers have to wake up and plots to take out Turbo in the Indy 500.

In the final lap of the race as Turbo, though initially struggling in the first one, managed to be in the lead, Gagné (desperate to overtake him) inadvertently causes a crash that snares most of the competitors, including Turbo, who wakes to find his shell punctured and his speed gone. As Turbo resumes the race with the support from Chet, Gagné single-mindedly pursues him, dragging his wrecked car while attempting to step on the snail and crush him, though Turbo eventually wins narrowly and Gagné is disqualified for cheating before getting beaten up by Kim Ly for trying to kill Turbo.

The rest of Guy Gagné's fate was unclear, but the news paper showed him now as the former champion, where he was presumably arrested and forced to face many Indy Car sanctions, costing him his fame and most likely his car.

Turbo: F.A.S.T.

Guy Gagné returned in the episode, The Snailman. In that episodes, many animals will race, including villains. Guy Gagné joined and he will race like a snail by having a machine shell on his back and he will put slime on his belly and slide with it. During the race, all of the villains are competitive to Turbo. Later, Turbo told all the villains that

Guy Gagné is the one that should be outcompeted, so they attacked him and Turbo wins.

* * *

We gasped!

Me: **Guy Gagne!**

Qin: The most dirtiest cheater in racing!

Guy Gagne: That's right you twerps!

Nico: You are as dirty and filthy as ever. Literally.

TJ Johnson: Without your car, you're nothing!

Turbo Rangers: Shift into Turbo!

They went AMERICAN TURBO!

Me: **Time for the need for speed!**

Rainbow Dash: Yeah!

Sonic: Now I'll show you!

With all the Chaos Emeralds, Sonic became Super Sonic

Eli: YEAH!

Sonic ran fast and smashed and pulverized Guy all over the place with brutal fury.

I ran fast and smashed him into the ground and then kicked him in the face and sent him crashing into a pile of tires.

Super Sonic ran at Guy Gagne and then…

KRACRUNCH!

HE KICKED HIM SQUARE IN THE CROTCH SO HARD THAT HE WAS REALLY NOT GOING TO FEEL HIS MANHOOD EVER

AGAIN!

Me: (WINCES) **OOOOOH!**

Nico: (WINCES) AYE YI YI!

Eli: (WINCES) OOH MAN! WHAT A NUT CRUNCHER!

Guy was knocked down.

We tied him up.

Nico: But it was fitting.

## 16. Devimon vs Ex Aid Riders, Kopaka, Piper Willowbrook, Data Squad, Fusion Fighters, Digidestined, and Space Rangers

For the 16th Floor we were on what looked like the top of Infinity Mountain on File Island.

Me: **Whoa we're really high up. So we're over on top of Infinity Mountain on File Island.**

Nico: Wow.

Tai Kamiya: I wonder who's waiting for us here.

Nico: I have a feeling I know who it is!

We then saw a figure and it was DEVIMON!

Devimon, known as Darkmon in Japanese version, is one of the main antagonists in the Digimon universe. He serves as the main antagonist for the first twelve episodes in the Digimon Adventure anime, and serves as the first main antagonist in the 2020 reboot of Digimon Adventure, as leader of the Dark Digimon. Devimon is also a minor antagonist in Digimon Adventure 02 and Digimon Fusion.

Devimon is a Champion Digimon, although a very powerful one, rivaled only by Angemon.

Devimon discovered the Black Gears and implanted them in good Digimon to turn them evil. Victims included Meramon, Andromon, Monzaemon, Unimon, Frigimon, Mojyamon, Centarumon, Whamon, and Drimogemon. The most notable of his victims was Leomon; while Leomon and Ogremon were fighting, Devimon commanded them to work for him. It took little convincing to get Ogremon on his side; however, Leomon was a good Digimon so he refused to work for Devimon and attacked him, until Devimon used the Touch of Evil to brainwash Leomon, turning him evil.

As the Digidestined were inside the imaginary hotel (created by Devimon), Devimon prepares his henchmen to attack the Digidestined. Tai and Agumon were eventually cornered by Ogremon and the brainwashed Leomon, and also confronted by Devimon. Devimon used his power to break File Island apart and scatter it all over the sea. The brainwashed Leomon attempts to take Tai out, but a Digivice fell and flashed at Leomon, managing to free him from Devimon's control. Devimon tries to send the Digidestined and their Digimon to their doom, but Leomon attacks Devimon, saving them from their deaths. While Leomon helps Tai and Agumon escape from Devimon, the demon brainwashes Leomon again. After fighting off several Digimon, most of them victims of the Black Gears, the Digidestined (minus Joe and Sora) fought Leomon at Primary Village, where Leomon was attacked by more Black Gears, making him bigger and stronger. But they drove all the evil out with their Digivices. Leomon told them that the only way to restore File Island to normal was to defeat Devimon.

Naturally, the Digidestined chose to attack him. Back at his secret Castle atop Infinity Mountain, Devimon absorbed Ogremon and all the Black Gears, transforming into a much bigger form. Although they were able to get some shots in, Devimon gained the advantage over all of them, using powers of pure evil. Leomon was sent flying far away by Ogremon, who kept on jumping out of Devimon's chest. Devimon eventually turned to TK, whose Digimon Patamon had not participated in the fight due to his inability to Digivolve.

It was said that the smallest Digidestined would destroy him, so

Devimon tried to crush TK but Patamon jumped in front of him and was caught in Devimon's fist. However, it was at that moment that Patamon Digivolved into Angemon. In the classic angel vs devil battle, Angemon knocked Ogremon out of Devimon and put all his power into a Hand of Fate attack, which he used to destroy Devimon. As he was dying, he warns Angemon that more evil is everywhere and laughs one last time. Angemon was destroyed as well, but was reborn as a Digi-egg. The next time he became Angemon again was to fight the even more sinister Myotismon.

When the Digimon Emperor extracts DNA from Digimon to make Kimeramon, he enters the Dark Whirlpool, where he finds the broken remains of Devimon (who is said to have created the Whirlpool) and absorbs him, ignoring his warning that he cannot control the power of darkness. The Dark Whirlpool is believed to be caused by Devimon. Devimon's voice continues to taunt the Digimon Emperor, and his influence causes Kimeramon to rebel against him, but he is once again destroyed when Magnamon obliterates Kimeramon.

The exact nature of his reappearance is unclear. It could be that, like Wizardmon and Myotismon, he became a ghost after his death and haunted the ocean, creating the whirlpool via the powers of darkness. It is also possible that the Dark Whirlpool leads to the Dark Area (Digimon hell), and Devimon somehow opened the portal from within (supported by the ghostly apparitions appearing in the whirlpool).

When the Digimon Emperor summoned Devimon to attack MagnaAngemon.

---

Nico: Devimon!

Devimon: Hello Nico. You have grown from the little boy that destroyed me ages ago.

Nico: Well I haven't forgotten about everything you did! Not just to T.K. but to many Digimon!

Devimon: Every Digimon must obey me!

Nico: Not gonna happen! (Echoing) TERRA DESTROYER!

Nico threw a huge energy ball with BlackWarGreymon's power and it slammed into Devimon and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blown back and crashed into his mansion and he came out!

Devimon: How did you do that!?

Nico: None of your business!

Andros: We're still here, you know.

Emu: Some people are so rude.

Me: **Guys Nico just has a lot of unfinished Business with Devimon. He faced him years ago.**

Emu: Wow! That's right I've heard about that.

Andros: I didn't know it was personal for him. But we're still helping him out.

Space Rangers: Let's rocket!

Ex Aid Riders: Henshin!

They transformed and were ready!

Nico: Lets get him! (Echoing) CRIMSON LIGHTNING!

Nico fired a stream of blood red lightning and smashed down Devimon!

Me: (Echoing) **ATOMIC INFERNO!**

I fired a powerful barrage of fireballs and they hit Devimon and exploded!

Andros: Red Battlized Ranger!

Andros donned his awesome Red Battlizer!

Emu Pulls out a golden Gashat with a star projection on the side, labelled "Hyper Muteki. He then places the Gashat on the top of his Gamer Driver, syncing it up with the Maximum Mighty X Gashat)

Hyper Muteki Gashat: Docking!

Emu: Hyper Dai Henshin!

Nico: Now for this! (ECHOING) CRIMSON MIST!

Nico fired a blast of blood red mist and burned Devimon all over.

GeoGreymon: Mega Flame!

He fired a massive blast of fire and burned Devimon!

Nico: And now this! (ECHOING) GATE OF DESTINY!

Nico formed a gate and it opened and sucked in Devimon and he was obliterated by it and then he was banished to the Black Gates forever! The Digital World was free of Devimon forever!

Eli: Good riddance!

## 17. Visser Three vs Lost Galaxy Rangers, Yost Fantastic Four, Bloom, Animorphs, Kameo and her elemental spirits, Will Vandom and OOO Riders

---

On the 17th Floor we saw that we were in what looked like Oregon.

Me: **Wow it looks like Oregon.**

Nico: Yeah.

Shanan: I have this feeling that we're going to battle one of the

Animorphs enemies.

Animorphs Jake: No telling who's waiting for us here.

Then out came Esplin 9466 A.K.A. VISSER THREE!

---

Esplin 9466, also known as Visser Three and later Visser One, is the main antagonist of the Animorphs series. A ruthless Yeerk, he was the first of his kind to infest an Andalite host body and thus is able to tap into Andalite technology, allowing him to take on the different forms of creatures whose DNA he has acquired. Esplin had a twin brother named Esplin 9466 Lesser, whose fate is unknown. He is the one in charge of the Yeerk invasion of Earth. He is also the arch nemesis of the Animorphs. He was also known for making up excuses to execute people. In book #45, he was appointed to Visser One after the failure of the original and became military leader of the entire Yeerk Empire. At the end, he accepts his defeat saying that "Any punishment that you inflict, would be nothing compared to what the Council of Thirteen would do." His ultimate fate was being incarcerated in prison deprived of sight, and without a host body. In TV Series, he had a human alter-ego named Victor Trent. He was portrayed in the TV series by Eugene Lipinski. Origin

Esplin 9466 was a Yeerk who hailed from the Yeerk Homeworld. Esplin had a twin brother named Esplin 9466 Lesser. At some point in his life, he joined the Yeerk military with the intent of conquering the galaxy under the Council of Thirteen, supreme commanders of the Yeerks. Esplin participated in many battles during the Andalite-Yeerk War and during an attack on the Andalite Homeworld, Esplin personally infested and gained control of an Andalite war hero named Alloran Corrass, though the Yeerks failed to conquer the planet. With his Andalite host, Esplin became the only Controller(a being controlled by a Yeerk) with the Andalite's ability to shapeshift or morph into any creature, sentient or non-sentient. Esplin became very powerful and rose quickly through the ranks and eventually became known as Visser Three. Under his command, Visser Three assisted the Yeerks in infesting many races, such as the peaceful reptillian Hork-Bajir and the violent insectoid Taxxons. Later, Esplin was assigned to conquer Earth, the homeworld of the peaceful

Humans, which he agreed to carry out. However thoughout his military career, Visser Three confronted an andalite named Elfangor who, like all Andalites, wanted to stop the Yeerks from infesting the galaxy. Visser Three received word that Elfangor had been making his way towards Earth and eventually tracked him down. Visser Three attacked in his Blade Ship and a fleet of Bug Fighters, and confronted an Andalite military force. Eventually, Visser Three and his forces shot down both the Dome Ship and Elfangor's spacecraft. With the Andalites dealt with, the Visser led his forces down to Earth, where they immediately began their invasion.

## The Invasion

Visser Three discovered that Elfangor survived the crash and immediately went after him. Visser Three eventually tracked down Elfangor to an abandoned construction site and landed to confront him. Elfangor quickly fought and defeated Esplin's Hork-Bajir forces, but the Visser morphed into a hideous bulky creature and swallowed Elfangor whole, killing him. After that, Visser Three's men destroyed Elfangor's ship, but Esplin sensed that there were "Andalite Bandits"(the Animorphs, five humans with the morphing ability) on Earth to stop him and ordered his troops to find them and eliminate them. Later, Visser Three and his men began infesting Humans and constructed a Yeerk Pool underground for the Yeerks to feed and to cover up their operations from the Human government. Esplin also turned a man named Hedrick Chapman into a Controller and fellow Yeerk Iniss 226 infested Chapman and he founded a group called The Sharing to acquire new hosts for Yeerks. A teenage Human namd Tom was also infested. Later, a policeman controller kidnapped a teenage girl named Cassie(one of the Animorphs) and held her hostage in the Yeerk Pool. Later, the other four Animorphs led by Jake, Tom's younger brother, attacked the Yeerk Pool and rescued Cassie and many other captives. They also killed many controllers, but Visser Three and his controllers outnumbered them. Jake fought against the Visser himself in tiger morph while the Visseer transformed into a fire skinned creature that could shoot fireballs. Despite his powerful strength in morph, Jake defeated Esplin and bit into his chest, injuring him. Esplin shot two fireballs to kill Jake, but Jake repelled them back at the Visser and defeated him for the first time, leaving him critically injured. Jake quickly killed the policeman controller and escaped with the rest of the Animorphs, but not before the wounded Visser Three vowed to kill them and have revenge.

## The Visitor

Visser Three eventually recovered from his injuries and made plans to infest Melissa Chapman, Hedrick's daughter. He contacted Chapman through holographic technology and asked him to infest Melissa, but while he was talking, Visser Three notices Chapman's cat spying on them, and ordered Chapman to kill the cat because it might be one of the Animorphs, unaware that it was Rachel, one of the Animorphs in disguise. Chapman allowed Rachel to escape unharmed. Later, Visser Three caught the cat spying on Chapman discussing matters with him again. Visser Three soon realized that the cat was one of the Animorphs and ordered Chapman to bring the cat to him and Melissa so she could be infested. Chapman briefly rebelled against Iniss, which opted Iniss to leave Melissa and bring Rachel. Visser Three met with Chapman at the abandoned construction site where Chapman revealed the only reason he became a controller was to protect Melissa. As his Taxxon troops carried Rachel into the Blade Ship, the other Animorphs arrived to save Rachel and Jake, who was disguised as a flea, morphed to fight Visser Three again. Jake yet again overpowered Esplin and Tobias, one of the Animorphs disguised as a red-tailed hawk, grabbed the cage containing Rachel and flew off with the rest of the Animorphs, but not before the Visser vowed revenged again and ran off into the nearby woods in a fit of rage having been foiled by the Animorphs a second time.

## The Encounter

After his second failure against the Animorphs, Visser Three ordered a Yeerk truck ship to suck out water from a lake in the woods. The Yeerks who carried out the task used a cloaking device to make the ship invisible. The mission was successful and it brought back water for the Yeerk Pool. Word soon came that the Animorphs were aware of the mission an the Visser took another chance to kill them. The truck ship returned to the lake and Esplin locked it down. The Visser discovered the Animorphs in fish morph trapped in the tubes used to absorb the water. Esplin then noticed Tobias in hawk morph trying to destroy the truck ship and pursued him in his Blade Ship to stop him. After a brief pursuit, Tobias killed a Taxxon controller and used its blaster to set the truck ship on fire, which freed the other Animorphs and destroyed the ship. Visser Three was again furious and he flew off into the sky aboard his Blade Ship.

## The Message

Esplin later received word of a strange distress signal coming from the same dome ship he destroyed before his encounter with the Animorphs and took extreme measures to discover its meaning. However, the Animorphs had learned of the signal through dreams and were also investigating its origin. The dome ship was located at the bottom of the ocean and Esplin hoped to destroy the signal. Visser Three led an army of Taxxons into the ocean to stop the Animorphs. But by the time he tracked the signal to the dome ship, the Animorphs had arrived first and met a sole Andalite survivor named Ax, who was also the younger brother of Esplin's old enemy: Elfangor. Eslpin yet again encountered the Animorphs and Ax, but they quickly defeated the Taxxons and escaped the ship using sea morphs. The Visser quickly escaped the dome ship in Mardrut morph before the dome ship was destroyed by depth charges and pursued the Animorphs and Ax. As the pursuit went on, Visser Three gained on his sworn enemies. Visser Three eventually caught up with the Animorphs and prepared to kill them, but before he could do so, a herd of humpback whales charged the Visser and carried the tired Animorphs to safety, leaving the humiliated Visser to be attacked by the whales.

## The Predator

Visser Three somehow escaped the whales and reurned to the Yeerk Pool to devise another strategy. Later, Visser Three received word that his long time rival Edriss 562, had arrived to check on the Earth invasion's progress. Later, Esplin received a Yeerk distress beacon and his men tracked it down, but discovrered it was sent by the Animorphs(with Ax as their new member) to steal a Bug Fighter, but their trap backfired and Visser Three finally captured the Animorphs. Visser Three brought them aboard Edriss's ship orbiting Earth and imprisoned them, where Marco(one of the Animorphs) recognized Edriss's host as his mother, Eva, who was thought to have died in a boating accident, but survived and was infested by Edriss. After the Animorphs' imprisonment, Esplin and Edriss began arguing. While they were arguing, one of Edriss's Hork-Bajir controllers released the Animorphs on her orders, where they made their way to the ship's dropshaft and fled back to Earth using an escape pod. The reason for this was to humiliate Visser Three for setting the Animorphs free.

The Capture

Later, Visser Three morphed human and used the Yeerk Pool to gain access to a hospital where his Yeerks began infesting patients. The Animorphs led by Jake arrived to stop them. Jake quickly activated a Jacuzzi to kill the Yeerks inside, but the Visseer's men struck Jake and hurled him into the minature Yeerk Pool. When he was returned to the Yeerk Pool, Visser Three infested Jake using fellow Yeerk Temrash 114 and turned Jake into another controller. Later, the other Animorphs discovered Jake's controller status and locked him in a shack in the woods, but Temrash escaped several times before Jake rebelled against his control and Temrash died of Kandrona starvation, freeing Jake from the Yeerk's control.

18. Megatronous Prime aka the Fallen vs Snake and his team, Irma, Georgina, Rescue Bots, Cornelia, Will, Taranee, Hay Lin, Aligned Autobots, Lightspeed Rescue Rangers, and Get Ed heroes

---

On the 18th Floor it looked like we were back int he world of the Aligned Transformers.

Me: **Looks like we're in the Aligned Transformers World again.**

Nico: Yeah it sure does.

Qin: Wow! This was the very first Ambassador Mission.

Me: **Even if it's just an illusion it still feels like the real thing.**

Aligned Bumblenee: Everyone stay close! The next member of Opaline's crew must be nearby.

Nico: And I sense it's right there!

Nico fired an energy blast and it hit a fountain and out came MEGATRONUS PRIME!

---

Megatronus, also known as The Fallen, is a major antagonist in the Transformers Aligned Continuity. He was one of the original Thirteen Primes created by Primus, before he was banished after killing Solus Prime and sealed in another dimension.

He is mentioned throughout the Aligned universe; he was the namesake for the Decepticon leader Megatron and his fall was depicted in The Covenant of Primus. Megatronus later appeared as the overarching antagonist of the Season One of the 2015 TV series Transformers: Robots in Disguise, being the one responsible for the crash of the Alchemor and later enlisting Steeljaw and his pack to serve as his lieutenants.

He was voiced by Gil Gerard in Robots in Disguise.

## The Covenant of Primus

Molded after Prime, Megatronus was his dark opposite. He was the most complex of all the Primes, caught between warring impulses of immense passion that never allowed him to have inner peace. While dedicated to Primus, but felt like an outsider when faced with Primus' nature on a daily basis, as well as Prima's emulation of it. His ruthlessness, ambition, conviction, and ability to take any course of action gave him near-limitless potential. His personal artifact was crafted for him later by Solus Prime at his request and design, the almighty Requiem Blaster.

At the same time, Megatronus felt these qualities earned him the disfavour of the other Primes, with them feeling he was too close to Unicron. Haunted by feelings of unworthiness, feeling he took on the darkness so the others could be assured of their rightness. He was too proud to recognize how vulnerable this left him, as he could never admit any weakness. He covered his fears with zealotry. Ever with those closest to him - Maximo, Micronus, Onyx, and even his lover Solus - he could blow hot or cold depending on how his paranoia fared.

Eventually he was manipulated by Liege Maximo and something snapped inside Megatronus. Consequentially during a murderous rage, he accidentally killed Solus Prime with the Requiem Blaster. The blast was so powerful that Solus disintegrated but not before she vowed undying love for him. After a battle between the remaining Primes, Megatronus banished himself to the stars out of shame for his actions and forever dubbed himself "The Fallen".

## Transformers: Exodus

Megatronus Prime is mentioned as one of the original thirteen Transformers. Megatron is shown originally calling himself Megatronus, after this particular Prime, and is a gladiator, who then takes the name Megatron after the name is shortened by cheering fans at one of his matches. Megatronus, though the namesake of the Decepticon leader Megatron in the book, holds no sway over Megatron, who took the name simply because he had none of his own and wished to be associated with power and grandeur.

Transformers: Exiles

According to the book Transformers: Exiles, Megatronus Prime commissioned Solus Prime to create the Requiem Blaster. Later, Megatronus murdered Solus, triggering the first breaking among the Thirteen.

Transformers: Prime

The Fallen is briefly mentioned in the episode "Partners" when Starscream tells the Autobots that he wishes to join them. Bulkhead jokes by saying that he was "lobbing with The Fallen". In the episode "One Shall Rise", the Thirteen Primes were mentioned, as one of the Primes who vanquished Unicron. It is implied that the Fallen was one of these. According to Ratchet, Megatron named himself after the Fallen's original name: "Megatronus".

Transformers: Robots in Disguise (2015)

At some point, Megatronus was imprisoned in another dimension, and held both Earth and Cybertron responsible for his defeat. He still could affect his native universe, and was able to influence the prison ship Alchemor to crash on Earth, allowing the Decepticon prisoners to escape. After some time, in Lockout, Megatronus contacted Steeljaw, the leader of the Earthbound Decepticons, who had just been humiliatingly defeated by Bumblebee's Autobots. Introducing himself as "the first Decepticon", Megatronus persuaded Steeljaw to ally with him, claiming that if he freed him from his prison, Steeljaw could have the Earth.

---

Aligned Optimus Prime: Megatronus Prime! I had a feeling he was going to be recruited into Opaline's ranks.

Nico: One of the Fallen!

Me: **And not the Live Action version either.**

Lola: Yeah!

Megatronus Prime: You will pay for everything you did to me Optimus!

Me: **You're the one that will pay!**

Megatronus Prime: And another thing: I told you to call me the Fallen now!

Carter: That actually seems appropriate.

Lightspeed Rescue Rangers: Lightspeed Rescue!

They transformed and were ready!

Nico: Now we'll make sure your spark is destroyed!

I formed a sword of RAW ENERGON!

We went at him.

Rescue Bots: Power up and Energize!

Carter: Trans Armor Cycle!

Carter donned his awesome armor!

Nico: Nice!

Aligned Heat Wave walked up to Megatronous Prime as he was charging his blaster and with surprising strength, yanked it clean off along with the arm still attached to it!

Me: **NICE!**

Qin: Ouch!

I stabbed my blade of Raw Energon through his black spark and destroyed it in an instant!

Lola: Yeah!

I gave Megatronus the Black Gates.

19. President Stone vs Zi O Riders, Maxxine, Time Force Rangers, Cyborg 009 heroes, Astro Boy and his friends, Rice, and Marty and his pals

---

On the 19th Floor, we were in what looked like Astro City.

Me: **Astro City next.**

Nico: Wow! This is awesome.

Lola: Yeah!

Me: **I have a very strong idea I know who we're going to face here.**

Astro Boy: I really hope I'm wrong about who's here.

Eli: I don't think so. Look!

We saw PRESIDENT STONE!

---

President Dufus Stone is the main antagonist of the 2009 sci-fi animated film Astro Boy.

He is the corrupt president of Metro City who seeks to get re-elected by threatening a war against the Surface-Dwellers to stay in power. In doing so, he commissioned a powerful robot called the Peacekeeper to "protect" the city from a possible attack from the surface world.

He was voiced by Donald Sutherland, who also portrayed Richard Straker in the 2004 TV miniseries version of Salem's Lot, President Coriolanus Snow in the The Hunger Games franchise, Ronald Bartel in Backdraft, and Donald McClintock in Outbreak. In the video game adaptation of the film, he was voiced by Fred Tatasciore.

## Plans for Re-election

Throughout the film, Stone is shown to be concerned with only one thing: to win the upcoming Presidential Election. He is even willing to wage a war against the Surface Dwellers to boost his popularity.

## Toby's Death and Astro's Birth

During a demonstration of the Peacekeeper, a new robot designed to protect Metro City, Stone becomes intrigued by the space components, the Blue and Red Energy Cores. He shows a degree of disgust with Doctor Packadermus Elefun's idea in restoring the surface world as he only prefers the life of those in Metro City. He demands the Red Core (the negative one) be placed in the Peacekeeper for the demonstration, which inadvertently results in the death of Toby Tenma by the robot attempting to destroy the barrier through disintegration.

Following Toby's death, Stone believes that the Cores were destroyed while he is giving cold shoulder over the consequence of actions (or at least that has seemed). However, one night he discovers that Doctor Bill Tenma made an AI robot replacement of Toby, powered by the Blue Core. Stone then ordered the robot boy's capture with flying shuttles utilizing suction tubes, leading to a chase around Metro City which resulted in property damage and accidentally capturing a dog and a woman about to propose; despite trying to fight back, the new Toby (later renamed "Astro") is ejected from the floating Metro City down to the Surface by the "Spirit of Freedom" flagship blasting missiles onto him.

However, seeing the robot falling with the Blue Core, Stone goes to Tenma's home and demands his guards arrest Tenma and his assistant Dr. Elefun for creating Astro and hiding the Core's existence from him. However, Tenma promises to give the Core to Stone after he retrieves Astro.

## Rediscovering Astro

Later in the film, Stone arrives in his shuttle at the Robot Fighting Ring run by Hamegg, where he and his troops capture Astro. On the way back to Metro City, Stone mockingly offers Astro a "drink" of motor oil and brags of his plans to use the Peacekeeper to wage a war against the Surface to win the Election, wanting to boost up his ratings after losing ground to his political opponent, Robert Logan.

## Tenma's Betrayal and Merging with the Peacekeeper

Astro agrees to be shut down, apologizing to Tenma. As Tenma gives up the core to Stone, he tells him that he'll have the funding to build toys once the former is re-elected. However, Tenma, tells Stone that he will have to be killed once Stone has the Blue Core; as soldiers prepare to kill Tenma, Elefun protests that he created the core so he will be killed instead. As Stone demands Elefun to hand over the Blue Core, Tenma, realizing that Astro is still his son, reactivates him, allowing him to escape. Enraged, Stone orders Tenma and Elefun arrested and shot for treason before loading the Red Core into the Peacekeeper, reactivating it. However, the Peacekeeper absorbs Stone, allowing Stone to take control of the Peacekeeper's body and releases his true, diabolical self. After scaring off most of the personnel at the Ministry of Science, Stone accidentally scares off an entire press conference he was supposed to go to. Stone proceeded to rampage through the city, growing in size, as he absorbed weapons and entire buildings to lure Astro out. Astro was prompted to engage Stone in battle upon sees his rampage. During the battle, Astro Boy used arm cannons to attack him, before managing to lift and throw him to a nearby building like a judo wrestler. Angered, Stone began to become more powerful as he clung on two buildings. However, Astro tricks Stone by having him destroy a building, only for the building to crush Stone instead. He still survives, though, as he grabs Astro by the hand in an attempt to kill him after the latter thanked the people for being saved.

As Stone began to eat him, guns begin to activate from Astro's behind and damage one of the eyes of the robot, resulting in him throwing off Astro in pain. Astro began to recover and discovered he had "machine guns in my butt?!" However, Stone lifts a building and flings off Astro like a baseball bat, causing him to crash into several other buildings before landing on the road, weakened. As Stone continued to rampage the city, he attempted to crush Astro. However, Cora, Zane, Sludge, Widget, and Trashcan (who have known about the attack) come to the rescue and save Astro. Stone then attempted to kill them, but ran over and destroyed a power station causing Metro City to fall and resulting Astro attempting to save it. Just as Metro City was saved, Stone was distracted by the presence of the Robot Revolutionary Front (a robot liberating group that Astro met earlier in the movie), who demands him to cease attacking Astro as the laws of robotics say that a robot can't harm a human.

## Battle and Defeat

Stone then taunted Astro, telling him to come out since he knows the latter is alive. As Astro came out of the rubble, he then put a metal barrier in the robot's face. Astro then proceeded to punch the robot's face before attempting to escape. In the battle that ensued, Stone was briefly able to detain Astro and attempted to absorb him, but the resulting merging causes both of them agony. Tenma explains to Astro that the merging of the two Cores would destroy both of them. Stone captures Astro's friends and threatens to kill them unless they tell him the location of Astro. As Tenma is about to take Astro away to their limousine, Astro tells Tenma his destiny; he was created to save Metro City and bids another goodbye to Tenma, saying "onward and upward". Stone prepares for battle, but he realizes that Astro intends to sacrifice himself by merging with the Red Core. Before Stone can stop him, Astro flies into the Red Core, destroying the Peacekeeper and seemingly himself in the process.

However, Stone survived the battle, though he was returned to his human form. After awakening from a pile of rubble following the destruction of the Peacekeeper, Stone, apparently has gone insane due to the effect of the core, tries to shoot the out-lookers in a childish manner with imaginative guns. However, Grace, a little girl from the Surface, kicks President Stone in the leg (presumably as payback for him endangering her friends). Angered, Stone complains that he got kicked by her, but his former troops arrest him for his crimes. As Stone and Heckler are taken away for their crimes, he protests that they can't do that to him because he has an election to win but is arrested regardless. This action simply ends his rule in Metro City for good, and because of this, it is heavily implied that Stone was sent to prison and relieved of presidential duty for the crimes he caused at Metro City, which would likely result in his political opponent Logan winning the election by default. Nevertheless, despite Astro's sacrifice, he is successfully revived by ZOG, a one-hundred-year-old construction robot that Astro brought back to life earlier.

Me: **President Stone!**

Astro Boy: I knew it!

President Stone: You ruined everything for me!

Me: **And we show no remorse for it!**

Qin: That's right you fiend!

Camie: So he is President Stone?

Me: **Yep. He was the president of Astro City and we stopped him.**

He jumped into his PEACEMAKER!

Wes: So, you're getting in your little Peacemaker toy, huh?

Sougo: It won't be enough!

Time Force Rangers: Time for Time Force!

Zi O Riders: Henshin!

They transformed and were ready!

Me: **This will make sure it's gone!**

I fired an energy blast and it hit the Peacemaker and it exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The Peacemaker was blown into a million pieces and Stone got up out of the rubble!

Wes: Red Battle Warrior!

Eric: Mega Battle, Activate!

They donned their awesome Time Force Mega Battle Armor!

Sougo pulls out his fusion Ridewatch and activates it, causing panels with the other 19 Riders' faces on them to slide out of the sides.

Grand Zi-O Ridewatch: Grand Zi-O!

Me: **Oh yeah! But also lets include him. (SNAPS FINGERS)**

I snapped my fingers and then a portal to the Warp opened and out came GRAND OMA!

Future Sougo: I'm back!? But how?

Me: **I did it. You deserve a full pardon for what you did because of Swartz.**

Future Sougo: Thanks J.D.

Marty as Eon Kid walked up to Stone and simply punched him in the face to knock him down.

SMASH!

He was dowe.

Future Sougo punched him in the face and knocked him out and we tied him up.

Xenia: There.

Me: **We'll explain what's going on later. Right now we have a war to win.**

## 20. Skeleton King vs Peanuts Gang, Kendra, Applejack, Andy, Rodney and their friends, Varie, Tuff agents, Monkey Team, and Wild Force Rangers

---

We were on the 20th Floor.

Me: **We're almost there guys. Just got 5 more floors to go.**

Nico: Yep.

We saw that we were on a moon floating in the endless voids of space!

Qin: Wow! We're in space!

Xenia: Awesome!

Lola: It sure is amazing.

Chiro: I have a feeling I know who's here.

Me: **Me too.**

I fired a wave of energy and it hit a rock and exploded and out came THE SKELETON KING!

---

The Skeleton King is the main antagonist of the Jetix anime-influenced series Super Robot Monkey Team Hyperforce Go!, serving as the main antagonist of Seasons 1 and 2, one of two main antagonists (along with the Dark One Worm) of Season 3 and one of three overarching antagonists (alongside Ma and Pa Sheenko)-turned-the final antagonist of Season 4.

He is an undead galactic conqueror who is bent on unsealing the ancient demonic beings known as the Dark Ones. Originally, the Skeleton King was the Alchemist, a sorcerer and scientist who served Shuggazoom City through different contributions such as the crime-fighting Super Robot Monkeys, but after his primate assistant

Mandarin accidentally got his soul corrupted with the essence of the Dark Ones, the Alchemist entrusted his creations to stop himself once he transformed into the Skeleton King. He is also the arch-nemesis of Chiro, the protagonist of the show.

He was voiced by Mark Hamill, who did the voice for the Joker in the Batman: The Animated Series and animated films and series that followed, the Hobgoblin in Spider-Man: The Animated Series, Maximus in the Fantastic Four animated series, Undergrowth in Danny Phantom, Solomon Grundy in the DC Animated Universe, Stickybeard in Codename: Kids Next Door, Flint in Disney's Buzz Lightyear of Star Command, Niju in Balto II: Wolf Quest by Universal Pictures, Fire Lord Ozai in Avatar: The Last Airbender, Kavaxas in Tales of the Teenage Mutant Ninja Turtles, Trickster in The Flash, Dictatious Maximus Galadrigal in Trollhunters, ShiverJack in Disney's Jake and the Never Land Pirates, Agent Goodman in Disney's Recess: School's Out, Popsicles in the 2016 reiteration of The Powerpuff Girls, Alvin the Treacherous in the How to Train Your Dragon series, and as Luke Skywalker in Star Wars.

The Skeleton King used to be a genius scientist called the Alchemist who used his knowledge of both magic and science to benefit Shuggazoom City. One day, he accidentally opened a portal (which was meant to be an interdimensional window of sorts) to an immensely-evil dimension known as the Netherworld and was infected by an evil monster that was one of the Netherworld's denizens known as the Dark Ones. He built the Super Robot Monkeys to protect the world from the evil monsters whose essence would soon transform him into their worst enemy. Once he finished modifying the robots, he submitted himself to the transformation into the Skeleton King.

The Skeleton King has worked with multiple villains in the series, but the most recurring villain that he has worked with is Mandarin, the once member of the monkey team. He has also teamed up with Jinmay but she became a good friend of the monkey team after it. He has another villainous ally, the sorceress named Valeena who later was betrayed and killed by him after his resurrection.

After his revival in the final episode, the Skeleton King became much more powerful than his previous form.

Chiro: Skeleton King!

Skeleton King: Yes Chiro! Surprised to see me Monkey Force?

Me: **I've heard a lot about you Skeleton King. Your voice sounds a lot like the Joker**

Nico: That is true.

Me: **I also am the one that blew up your ship with the Superlaser.**

Skeleton King: THAT'S RIGHT! I WILL NEVER LET THAT ONE SLIDE!

Cole Evans: Chiro told us what you can do. So, you won't be surprising us!

Wild Force Rangers: Wild Access!

They went wild!

Nico: YEAH!

Me: **This is gonna be good!**

Cole: Animarium Armor!

Cole donned his awesome Animarium Armor!

Nico: Whoa! Yeah!

Lola: Awesome!

Skeleton King: (starts choking Dudley Puppy) Do you have any last words before I rip out your spine?!

Dudley Puppy: Just three. Eat… my… foot!

Dudley Puppy then kicked Skeleton King in the groin.

Skeleton King then had his head pop open and he tooted like a steam horn!

Then Dudley fired a blast of energy and it hit the Skeleton King and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed and given the Black Gates!

Me: **Nice one! Awesome how it sounded like something out of Army of Darkness.**

21. Mozar from TMNT 2012 vs Ninjago Ninjas, Ninja Storm Rangers, Emerald Goldenbraid, 2012 Turtles, J.D. Knudson, Gaim Riders, Lillian Hale, and Bakugan Brawlers

---

On the 21st Floor we were in what looked like New York City again.

Me: **Wow we're in the 2012 New York City.**

Nico: Nice.

Me: **I hope we aren't here to battle the Shredder.**

Nico: No you gave him the Black Gates.

Me: **True I did.**

Maria: Leo, I don't understand. 2012 Shredder is gone. So who did Opaline recruit from your world?

2012 Leo: One of the people who nearly succeeded in destroying it.

?: And you must mean me turtles!

Out came 2012 CAPTAIN MOZAR!

---

**Captain Mozar** was the supreme commander of the TriceratonFleet who held the rank of captain. He was promoted to admiral for a brief period, but was demoted back to captain after his failure to stop the Turtles from stealing the first fragment of the Heart of Darkness from the Triceratons. He later died after the Fugitoid crashed his ship and the Heart of Darkness into the Triceraton Fleet, causing a devastating fusion/dark matter explosion.

Not much is currently known about Mozar's past aside from the fact that he is an older, experienced veteran of the Triceraton Empire who became captain of the war fleet, and answers only to the Triceraton Emperor. He has also received numerous injuries in battle, such as to his eye, horns, and upper jaw.

## Annihilation Earth!

Mozar is first seen broadcasting a globally televised message to the people of Earth shortly after entering the Earth's atmosphere.

**Transmission:** Greetings, sub-lifeforms of Earth. I am Captain Mozar of the Triceraton Empire. Let it be known, your planet is infested with Kraang- an insidious alien bent on mutating Earth into their own home world. We Triceratons will eliminate these hideous aliens, freeing you of their vile plans. Unfortunately, your Earth will be annihilated as well. That is all. And, please, have a nice day.

His troops arrive just as Donatello, Raphael, Michelangelo and Leatherhead were being detained by The Kraang in the newly repaired Technodrome, and he sends squadron of Raptors to attack it. They also attacked the Ninja Turtles, April O'Neil, and Casey Jones, believing them to be Kraang after they hijacked Kraang stealth ships to escape the Technodrome. Once a trooper informs Mozar that they have the Technodrome on target, he orders them to destroy it, and unleash the Heart of Darkness upon the city. With that order, the Triceratons blast a gigantic laser through the Technodrome shortly after Bishop and Leatherhead escape, killing all of the Kraang on-board, including Kraang Prime and Kraang Subprime. The Triceratons then relocate to Washington Square to set up the Black Hole Generator, but are intercepted by the Turtles, Mighty Mutanimals, Bishop, Splinter, April, and Casey. The aliens manage to take out Bishop, but the rest of the team were slowly winning the battle. When Slash begins to damage the weapon, Mozar beams down and traps him, Dr. Rockwell, Leatherhead, and Casey in containment bubbles and abducts Mikey, who he beams along with himself up into the Triceraton Mother Ship. With half of the team neutralized, and Triceraton reinforcements sent down to guard the doomsday weapon, the momentum was shifted back into the Triceratons' favor, leaving the heroes no choice but to temporarily retreat.

In the Mother Ship, Mikey asks why they can't just leave Earth alone. Mozar tells him that he will prevent the Kraang from using the Earth as a hiding place any longer by annihilating it, and that the Triceraton Emperor's decision has been made and cannot be changed. In anger, Mikey attempted to strike Mozar, but was quickly restrained. Mozar ordered Zorin to take him to the Psionic Extractor, a device extracts information from a being's brain, but in the process, their psyche is sliced, diced, chopped and removed from their brain. However, the machine did not work as intended, as Mikey even enjoyed the phenomenon and asked for them to do it again. An angered Mozar then ordered his troops to destroy him. Mikey then quickly told Mozar that he knows information he may find valuable, such as all of the secret bases where the Kraang hide in Dimension X. Soon, his brothers arrive to save him, but also end up being captured. Donatello, begs Mozar not to destroy the Earth, and that their planet has so much potential. Mozar refuses, saying the humans of Earth are as thoughtless as the Kraang, as the pollute the planet and willingly erode its ozone without even needing mutagen. He then orders his troops to escort them to the airlock to finish them, prompting Leo to make a dire threat to take the entire ship down if he refuses to let the Earth survive. Mozar dismisses it as an empty threat and Leo subsequently snatched a Triceraton teleporter and throws it at the containing glass, sucking out all of the air and a couple Triceratons and nearly sucking the Turtles and Mozar into space. Mikey quickly manage to steal Mozar's teleporter and beams himself and his brothers back to New York to continue their attempt to stop the Black Hole Weapon from going off. They unfortunately fail as a result of Shredder taking his vengeance by stabbing Splinter in the back just as he was about to shut it off, killing him. Mozar and his troopers celebrate shouting "Long Live the Triceraton Empire!" and teleport their ships away as the black hole tore the Earth to pieces and sucked it away into oblivion.

### Beyond The Known Universe

The Fugitoid used his space ship the Ulixes to time travel into the past, setting the Triceratons plans back 6 months when they were still searching for the hidden segments of the Heart of Darkness. This gave him, the Turtles, April and Casey a second chance at stopping the Triceratons from destroying the earth, with a deadline of six months. If they failed, the Triceratons would be victorious and Earth would be lost, *forever* .

### The Moons of Thalos 3

Commander G'Throkka of the Salamandrian air fleet leads an attack on the Triceraton Mother Ship. Mozar was angered that his troops let the Salamadrians slip by them so easily. Mozar also noticed that the Fugitoid's ship has entered their airspace after a tachyonic jump. He then ordered his troops to blast the Fugitoid out of the sky, and deploys forces to deal with the Salamandrians as well. Their attack is successful, as they damage Fugitoid's ship, making it spiral out of control and crash into a Salamandrian vessel, subsequently causing both ships to crash land on an ice planet/moon.

### Riddle of The Ancient Aeons

Arriving in orbit over the planet Xaava-Dal, location of the first piece of the Heart of Darkness, Mozar and several of his men prepare to head down to retrieve it. However, due to the planet's dark atmosphere, they are forced to use Raptor Fighters since the atmosphere interferes with their transport system. Once on the surface, they do their best to locate the piece, but as they struggle, Mozar begins to succumb to the atmosphere's negative influence and becomes enraged at his lackeys until Lieutenant Zovox detects the Fugitoid, allowing them to follow the Turtles and their allies to the first piece located in the temple of the Aeons. While his men keep the Turtles busy, Mozar retrieves the first piece, then seals the Turtles inside to perish while he and his men return to their Raptor Fighters to return to the Triceraton Mothership. Mozar knows that once the Triceraton Emperor sees his success in getting the first piece, he's ensured a promotion to Admiral for it.

## The Arena of Carnage

Mozar, now promoted to Admiral after succeeding in retrieving the first piece of the Heart of Darkness, discovers the Turtles aboard the Triceraton Mothership, and immediately overpowers them before placing them in the airlock to be sucked out into the vacuum of space, having heard them saying to retreat to the airlock after they were discovered. However, Emperor Zanmoran intervenes, believing the Turtles to be good sport for the Tri-Arena. Despite Mozar's disapproval of letting the Turtles live, he does as the Emperor commands and spares them, and has them taken to the Tri-Arena to be locked up until they battle. Following the Turtles' victory over the Spasmosaur, Mozar is told of the Fugitoid, April, and Casey's presence on the Mothership, and goes to capture them. Though April and Casey escape, Mozar brings the Fugitoid to the Emperor, who attempts to negotiate with Prof. Honeycutt for the Turtles' lives by asking for his help with the Heart of Darkness, which Honeycutt refuses. When the Triceraton Champion, Zeno, rebels and allies with the Turtles, Mozar is caught off-guard as the Turtles ambush him and take Emperor Zanmoran hostage, offering his safety for both their own and the Fugitoid's freedom. Mozar concedes, but soon chases after the Turtles and the Fugitoid, warning them that by making an enemy of the Triceraton Empire, there is no where in the 10 dimensions where they can hide, before the Turtles and the Fugitoid collide with April and Casey, who had succeeded in getting the first piece of the Heart of Darkness back. When the Triceratons chasing April and Casey cease fire under the threat of hitting the Emperor in the crossfire, the Emperor order them to forget about him and stop the Turtles from escaping with the Heart of Darkness piece. The Turtles escape thanks to April opening the nearby airlock, and as they flee back to the Ulixes, Mozar orders Raptor Fighters after them, but the Ulixes escapes, thereby making it so the Triceratons no longer have the first piece of the Heart of Darkness, effectively putting their invasion and destruction of Earth severely behind schedule.

## Revenge of the Triceratons

Having been stripped of his new rank of Admiral and demoted back to Captain, Mozar leads an ambush against the Ulixes to regain the pieces of the Heart of Darkness. However, when the Turtles refuse, Mozar decides to eradicate the seven with destructive Meteor Missiles, well-known as planet killers. When the Ulixes avoids collateral damage and growing restless, he then orders usage of the illegal Skeevax Virus and Rock Rocket despite hesitation from his followers. With the virus not immediately eliminating the Turtles and their allies, and the Ulixes then cloaking, Mozar's blood-lust grows where he orders the Raptors to continue hunting the Ulixes through bombing runs in an attempt to force them out. Upon learning of the Skeevax's defeat though, Mozar changes his plans: pursue the Ulixes, obtain the Heart of Darkness pieces, and *then* annihilate the ship, having the Raptor pilots pursuing the Ulixes do just that. Although the Ulixes survives and manages to escape, Mozar decides to spare his enemies after gaining the pieces once more.

### The Ever-Burning Fire

As the Triceratons prepare to find the final piece of the Heart of Darkness, Mozar begins to gloat about becoming an Admiral again once he obtains the final piece at how once he retrieves the final piece, he will become Admiral once more, and "perhaps more". He then orders a search team to find the fragment. He is later contacted by Lord Dregg, who offers to bring him the last piece of the Heart of Darkness in exchange for giving the turtles to him as well as a large amount of Zemulacks, which Mozar agrees to do. Mozar then beams down at a later point to lead the mission of recovering the fragment, first fighting the Turtles, Casey and April, who make a quick retreat after Chompy gives away their position. When Tokka awakens, Mozar summons his jetpack for additional firepower, and orders the other Triceratons to stand their ground as well as die if it is necessary. With Raptors coming in, Mozar tells the pilots they will pay the ultimate price if they die. After Dregg steals the last piece of the Heart of Darkness, he demands sanctuary and a larger sum of Zemulacks from Mozar. Though annoyed, he agrees and lets the Hornitron dock just as Tokka, who flew in pursuit of Dregg, attacks Mozar's destroyer. Mozar has powerful planet-destroying Meteor Missiles fired at the nearby dwarf star to cause a supernova explosion before he teleports his destroyer away. After leading Lord Dregg to a room where he promised him the Zemulacks, Mozar turns on Dregg and has him sucked out into space. With all three pieces together at his possession, a satisfied Mozar is informed that Sergeant Zog has found a Kraang outpost on Earth. Mozar decides test the Heart of Darkness on the Kraang and Earth, but then the crewmen tell him of something he would like to know. Mozar hacks into the Ulixes' communications and states of his plans to use the Heart of Darkness on Earth, much to the horror of the Turtles, April, Casey and the Fugitoid.

## Earth's Last Stand

As the Triceraton flagship arrives in the Milky Way near Saturn, Mozar has course set for Earth to annihilate it once and for all with the Heart of Darkness. The flagship soon falls under a one-man attack by Leonardo in the Scout Ship from the Ulixes as it passes Mars, but before he can take out the bridge, where Mozar is, Raptors critically damage the Scout Ship, destroying it and leaving Leo to suffocate in the vacuum of space when his helmet cracks and shatters. When the Ulixes tries to help, Raptors shoot it down to crash-land on Mars. By the time the Ulixes recovers and retrieves Leo, Mozar has already detached his destroyer from the flagship, sent Raptors down to plant the Heart of Darkness in Washington Square, and then beamed down engineers to arm the detonator. However, when he sees the past versions of April, Casey, and the Turtles battling his troops with their allies in the Mutanimals, Muckman, Mondo Gecko, and Master Splinter, he is confused as to how the Turtles beat him back to Earth, leading to where he kidnaps the past Mikey like before, then interrogates the past Leo, Donnie, and Raph, asking if they recognize him. When they don't, he realizes they are past versions of the ones he's already encountered, deciding to do away with all of them at once. He returns to Washington Square just after the present Leo has fried and destroyed the detonator, disarming the Heart of Darkness. When his blaster is damaged, he faces the Turtles, April, and Casey, both past and present, with his own, brute strength, but ends up being overwhelmed and defeated. Swearing this is not over, he returns to his destroyer with his men, returns it to the flagship, and orders the flagship's primary weapon, the Devastator, activated, planning on razing New York City, retrieving the Heart of Darkness from the ashes, and then wiping out the Earth for good. Unfortunately for him, as the Devastator charges up to fire, Mozar spots the Ulixes on a kamikaze course for the flagship with the Heart of Darkness in tow. Horrified at the Fugitoid's intentions, there is nothing Mozar can do as the Fugitoid combines the dark matter of the Ulixes' power core with the fusion energy of his own power core, creating a cataclysmic explosion that engulfs the flagship, the Ulixes, and the Heart of Darkness, destroying all of them, and wiping out Mozar and all of his troops in one fall swoop, saving the Earth from being wiped out a second and final time.

## 22. Zeno vs Earthbound heroes, Layla, Jason, Kong, and their friends, Dino Thunder Rangers, Sydney Burlington, UA Heroes, and Zatch, Kiyo, and their pals

---

We were on the 22nd Floor. And it looked like we were over in Japan.

Me: **Japan this time.**

Nico: Wow.

We saw powerful lightning clouds and they were strong!

Me: **Wow! Look at that!**

Kiyo: Zatch, who do you think is here?

Zatch: I have a bad feeling about who it is.

Me: **Me too.**

Then we saw ZENO!

Zeno is an antagonist in the Zatch Bell! series. He is the twin and elder brother of the titular protagonist, Zatch Bell. He is the main antagonist for a large portion of the story, though he doesn't take over as the immediate threat until the Faudo Arc. He is also responsible for the loss of Zatch's memories.

Being the twin brother of Zatch, Zeno bears a strong resemblance to him but sporting a differences in appearance, Zatch having blonde hair while Zeno's is silver, Zatch's cloak being blue with a white bow while Zeno's is white but with a blue bow, though in the manga his cloak and bow are completely white and sports sparkling purple eyes while possessing sharp teeth. While Zatch has two lines on his face, Zeno has four.

Zeno was born as the son of the late King Bell along side his twin younger brother, Zatch Bell. However, being exact opposites, Zeno has inherited his father's ruthlessness and bloodlust, since Bao is a obstacle that consumes evil, it was Zatch who ends up inheriting Bao while Zeno inherits the other half of Bao, Jigadirasu Uru Zakeruga. Fearing that Zatch would also become corrupt by Bao's power, he and Zeno were forced to separate at birth, Zeno was forced to partake in harsh military training under the guidance of a mamodo named Rajin while Zatch was to live somewhere far away. Jealous and angered, believing Zatch to be living a easy life, he began to argue and question why wasn't he was the one to inherit Bao, his father explains that Zeno would not be able to handle it and would consume him. When Zeno mentioned Zatch, his father in return responds striking him with his lightning and told him to never mention Zatch again.

When the battle for king took place, Zeno saved a man named Dufort from dying in the middle of the cold, after killing the people who were doing mental and emotional experiments during his childhood and left him for dead, Zeno took him and made him his official bookkeeper and partner. He and Dufort would later travel to England and confront his younger brother, expressing irritation upon meeting him for the first time, he then showed hatred and disgust, expressing how much he's been thinking about him before having his bookkeeper cast a spell and attack him. Once attempting to burn his book, he decided against it, believing it wouldn't be enough and he would go back to his easy life. Wanting to make him suffer as he did, he begins to erase his memories from the mamodo world, where he will hopelessly suffer during the battle for Mamodo king and left him injured in the middle of the forest.

When he somehow realized Zatch and his new partner, Kiyo Takamine were arriving in England to search for clues about Zatch's past, Zeno hired a man named Steng and his mamodo Baltro to kidnap Kiyo's father and lure them into a trap. Upon hearing their defeat at the hands of Zatch and Kiyo, Zeno attacks and burns Baltro's book as punishment for their failure as well as remind them of the rules of the battle for king. Although Zeno does not encounter Zatch for the second time but rather glances down from afar and secretly tells Zatch to live his life while he still can while the horrible truth will be in stored for him.

Zeno hasn't made an appearance since until a misunderstood encounter with a man named Apollo and his mamodo Rops, he expressed sheer annoyance when he mistakened him for Zatch and began to question Zatch's whereabouts and dismisses the fact on how Zatch progressed only to be taunted in return, Zeno in curiosity asked if he wanted to battle but Apollo declines the offer, despite this Zeno refused to allow them to escape so easily and called Dufort for a battle and despite Apollo's and Rop's efforts, Zeno and Dufort were the ones to easily seal the victory, once subdued Apollo began to question Dufort's humanity, causing Dufort to respond violently and prepare to unleash a somewhat powerful spell but Zeno protests not to go all out, not seeing Apollo as a true threat but their bickering does not stop them from mercilessly burning Rop's book, Zeno and Dufort then disappear to somewhere unknown, leaving a grief stricken Apollo behind.

Zeno and Dufort's whereabouts were revealed to be in Europe, Zeno however left to go on a investigation after being the first one to witness a mysterious tower, once finding out that the mysterious tower is actually the ancient massive living mamodo weapon, Faudo, Zeno took interest and decides to be the one to control Faudo. He does so by creating a scarecrow-like figure from the strain from his hair and manipulate the one charge of Faudo, Rioh to set Faudo's release as well being manipulate Zatch and co. to make Rioh seize control of it and stop his plans. Zeno and Dufort remained hidden inside Faudo until finally revealing himself to Rioh whom fears greatly but refuses to give up his possession and attempts to fight him, Zeno however proves to be too much for him to handle and was defeated with great ease. Now having the jewel, the key to Faudo in his possession, he announces himself as the new ruler of Faudo but willingly allows Rioh's underlings to serve him and gives them some of Faudo's power in exchange for their loyalty. However, the mamodo Cherish was unwilling to serve him and was forced to be loyal after striking and torturing her with his lightning as well as giving her a badge with a symbol of a lightning bolt that symbolizes his lightning, putting her in a traumatized state but this state of fear would be broken by Ted after helping her overcome her fear.

His book was burned by Zatch, but under radically different circumstances in the manga than in the anime, although in both versions the book is burned as a result of a struggle between Zatch's Bao Zakerga and Zeno's Jigadirasu Uru Zakeruga. In the anime, he does not reconcile with his twin brother and remains resentful of Zatch right to the bitter end, breaking the jewel that controls Faudo out of spite before vanishing back to the Mamodo world. While in the manga, Zeno becomes aware that Zatch had as hard a childhood as he did, and regrets his own foolishness. The jewel breaks due to Zatch breaking it, and Zeno gives his power to Zatch (the power their father wielded was split between them).

General Deuce is the main antagonist of Loonatics Unleashed. He is a former general of Freleng until Zadavia refused to let him put the entire planet under his command, and since then has become obsessed with ruling the galaxy. He the archenemy of Ace Bunny.

He was voiced by Khary Payton.

Biography

General Deuce was once one of Freleng's most powerful generals until Zadavia refused to let him put the entire planet under his command in his quest for glory and stripped him of his position causing Deuce to angrily leave. When Optimatus' uprising happened on the planet, Deuce and his army was nowhere to be seen.

Working with Ophiuchus Sam, Deuce resurfaced to capture the train containing his robot army by duping Ace into thinking he's on the same side as him. He planned to reawaken his robot army to conquer the galaxy. After the train was disconnected by Ace, Deuce disappeared into the wormhole with the engine.

Later in "The Fall of Blanc, Part I", Rupes Oberon and Optimatus locate Deuce and the three Frelengians invade Planet Blanc in an attempt to use Blanc's wormhole technology to conquer the universe after freeing him from the wormhole. He had General Deuce steal Rupes Oberon's Cosmic Guitar and sent him to awaken his robot army again. After this, Deuce betrays Optimatus and keeps Tweetums' sceptor (which was obtained by holding Tweetums hostage with a blaster) along with Optimatus' sword to himself (Zadavia had retrieved the Guitar while being held prisoner), which results in Optimatus joining the Loonatics fight against Deuce. When Deuce retrieves the scepter, and an amulet which makes the scepter work (Danger Duck has this) he makes his way to the center of Blanc, with Ace hot in his trail. They both have a sword duel, which results in Ace tricking Deuce into a Wormhole blast where he is sent to an unknown location.

24. Man and Woman from Hibiki vs Mystic Force Rangers, Nanette, My Hero Academia heroes, Goku, Z-Fighters, Mane 10, Gali, Hibiki Riders, and Descendants

---

Then we got to the final floor.

Me: **Entrance time.**

We went at the door.

Then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the door and the wall and a phoenix cry was heard!

We came out and we saw QUEEN OPALINE!

---

**Queen Opaline** is the main antagonist of the fifth generation of *My Little Pony* franchise, serving as the overarching antagonist of *My Little Pony: A New Generation* and *My Little Pony: Make Your Mark* special, and later the main antagonist of the Netflix animated series *My Little Pony: Make Your Mark* . She is an evil Alicorn Queen, the boss and adopted mother of Misty and the arch-nemesis of Sunny Starscout.

She is voiced by Athena Karkanis.

Prior the events of the series, Opaline wanted all the magic to herself, but Twilight Sparkle prevented her and separated the magic in three crystals for each pony kind to separate. Since then, Opaline searched for the magic to claim back for herself. During her search, she found raised a unicorn named Misty and raised her to make her as her servant.

While Queen Opaline doesn't physically appear in the film, her actions played a big role in shaping events of it. Due to her being responsible of not only separating three pony tribes which causing Equestria to lose its magic and each of them blames on each other, but also causing Sprout to turn himself into a petty and bullish yet insecure and cowardly deputy sheriff into a power hungry and tyrannical "emperor" of Maretime Bay who wants to wage a war against Pegasi and unicorns. But luckily, Sunny and her friends managed to stop him from doing so and succeeded in reuniting three pony tribes together which brought the magic back together.

Queen Opaline is introduced at the end of the *Make Your Mark* special. She sits in a throne room with her minion, a blue unicorn. She is delighted that the ponies have learned how to utilize magic again after it has returned. She states that she will "take back what's hers". This sets her up as a villain in future works.

In "Izzy Does It", Opaline sends Misty to spy on Sunny and her friends, and she reports her that magic has returned to Equestria just like she said. Misty sneaks to Sunny's smoothie stand and puts a golden compact with a red bow on it. When Misty returns to her castle and tells her more about the magic, she plans to become more powerful than ever before and promising her to get her cutie mark when it's done. It is revealed that the compact is the only way to spy on Sunny and her friends, but it won't let them see inside the Crystal Brighthouse, which she considers sending one of her allies to infiltrate it inside.

In "Growing Pains", Opaline and Misty continue spying on Sunny and everypony through the mirror compact, which then she puts her next plan into action. After a while, Misty reports on how the Earth Pony magic is going out of control in Maretime Bay, Opaline allows it to continue without any interference, plotting to take it for herself and become more powerful than ever.

In "Portrait of a Princess", Opaline sends Misty out to Maretime Bay to interfere with Pipp and Zipp's Portrait Day, a yearly occurrence for the two princesses of Zephyr Hights. Using her magic to create an Ocean Lily, a rare flower, she gives it to Misty to lure the two Pegasus Princesses into a trap so that their Portrait Day celebration would be ruined. This plan fails as Pipp uses her social media followers to escape.

In "Ali-Conned", Opaline takes advantage of Sunny's ability to become a temporal alicorn, and uses the mirror compact to make herself look like Sunny's reflection. Through the compact, Opaline encourages Sunny to embrace her alicorn status, as well as sending out Misty to help with it. Sunny denies being an alicorn all the time, as she just wants everypony to like her for who she is, and not what others want her to be.

In "The Cutie Mark Mix-Up", Opaline watches the Crystal Brighthouse from her castle, plotting to get the Prisbeam power from the Brighthouse. She creates an artificial magic mouse creature, sending it to where Sunny and Hitch were located. The Artificial Creature gains the attention of Sparky, a dragon that Hitch took care of ever since the events of *Chapter One*, and after chasing it Sparky sneezes, causing his dragon fire magic to switch Hitch and Sunny's cutie marks along with their personalities.

Sparky chases the artificial mouse creature into the Crystal Brighthouse, just as the animals were being rounded up by the rest of Sunny's friends. After discovering the re-created lantern that Sunny used to save Posey Bloom in the first chapter, Opaline plots to obtain the lantern and use it's magic to make herself all powerful. She later disintegrates an artificial mouse, possibly outliving its usefulness.

In "The Traditional Unicorn Sleepover", Opaline sends Misty to the Crystal Brighthouse, allowing her to join Izzy's sleepover, as a means of getting the lantern. The cover is nearly blown when Zipp noticed Misty acting suspicious.

In "Hoof Done it?", during the sleepover in the middle of the night, Misty stole the lantern and plots to take it to Opaline, so that she can finally obtain her cutie mark. This plan backfires as Pipp, Izzy, and Zipp interfere with the plans. Returning to Opaline's castle without the lantern, Opaline forgoes the lantern and instead goes after 'Dragon Fire Magic' upon hearing about Sparky's abilities.

In "Have You Seen This Dragon?", after Misty fails at capturing Sparky, she obtains some of his Dragon Fire inside a magic-proof glass jar, sending that back with her instead. Opaline obtains the magic from that smidge of Sparky's Dragon Fire, she begs for more of it after feeling so much powerful.

In "Dragon Dad", set before or after the *Make Your Mark* episode "Have You Seen This Dragon?", Opaline sends Misty out to get some Dragon Fire Magic from Sparky. Opaline constantly begs Misty to get the magic fire, especially in her sleep.

In "Nightmare Night Party", she orders Misty to get the ponies to use their magic so they could found out how it works, which she did by making mischief during the party and causing a power outage at Mane Melody. When Izzy and Zipp are talking to her, Opaline drags Misty away from them. After enough observation, she told Misty to return to the castle.

In "Haunted House", she orders Misty to kidnap Sparky Sparkeroni from the Mane Five so she could get his dragonfire for herself, which she did by luring them into a haunted house which led them being separated by Sparky. After trapping Sparky inside, they tried to capture him until the Mane Five escape the haunted house with him.

In "Baby Critters", the bunnycorns accidentally contacts Queen

Opaline with Sunny's mirror compact. She was seen having a relaxation time with a face mask on her before she was contacted and angrily believe it to be a prank call.

The second issue of the G5 comic series reveals that she was responsible for driving ponies apart in the first place, making her responsible for the isolated and prejudiced world of modern Equestria by the time of *A New Generation* . As a unicorn, she encouraged other unicorns to believe they were superior to other ponies, causing racial tensions. Twilight and her friends eventually managed to defuse the situation, but Twilight decided to create the Unity Crystals to preserve all magic in Equestria. If racial tensions ever developed again, the crystals could be separated to ensure ponies couldn't use their magic against each other.

However, her actions led Discord to become a fearful extremist who believes that magic is a source of conflict and division, so that's why he plans to destroy the Unity Crystals so the magic won't returned to Equestria again which causes the conflict between him and Mane Five.

Me: **Queen Opaline!**

Opaline: Welcome, Team Loud Phoenix Storm. To the Final Act!

Hitoshi: It's the final act for you!

Me: **So we finally meet at last Opaline.**

Opaline: And it won't be just me you're fighting. It's also gonna be some old friends of yours who are now my new top generals!

Me: **And who pray tell are they?**

Then out came THE MAN AND WOMAN!

---

The Man and Woman are the main villains of Kamen Rider Hibiki, who are introduced in the second half.

They are portrayed by Mitsu Murata and Sei Ashina respectively.

During most of the series, after blending into human society without any problems at all, The Man were able to carry out experiments to make Makamou stronger in order to not only defeat Oni, but also destroy humanity. When Orochi happened, the Men and Women stopped their actions and asked Oni to help them, walking to the holy land marker to stop Orochi.

This does not match their newest creation, Super Douji and Hime as they start to rebel, even though the Man allows them to escape after showing strength because he knows they are on the verge of death with a Woman expressing pity for their perfection. clone. A year after Orochi was stopped, the Man and Woman reappeared and created Satori to kidnap Hitomi to use in an experiment to create more stable clones. At the end of the series, they are revealed to be clones of "Real Man and Woman", who still need them to continue their work.

---

Gali: The Man and Woman!

Man: You will pay for killing us!

Me: **You had it coming you husband and wife fuckups!**

Nico: Yeah! You deserved it!

Hibiki: Looks like it's time for me to use Armed Hibiki. (Under his breath) Hibiki Soko.

With that, Hitoshi hits the button on the back of the sword, causing him to be engulfed in sound yet again, turning entirely red with white contrast and a visor like spot on his face, as the disks carried by all the heroic Oni seemingly come to life, taking on vibrantly colored animal-based forms that we see for all of like a minute as they form armor on Hitoshi, ultimately culminating in a chestpiece as the horns on his head grow a bit and the small snarling face gains a guard of some kind, completing the transformation.

Man: You think I'm scared!?

Hibiki: You should be!

Woman: Yeah!

Izuko punched Opaline through the chest.

Woman: I-Impossible!

Izuko: As Kairi Yano would say: Adieu!

Nico: YEAH!

They fired waves of energy and elements and the blasts all Man and he exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

We gave them the Black Gates.

Bakugo: And as Keiichiro would say, Mission Complete!

Nico: Yep.

Me: **Also Opaline there is something else you should know.**

Opaline: And what is that?

Me: **You had someone working for us on the Inside.**

Opaline: Really? Who?

Nick Russel: Opaline, you fucking tried to destroy everything Twilight and her friends fought for!

Hitoshi: For that, you'll never be forgiven!

Mystic Force Rangers: Magical Source, Mystic Force!

(Galwit Mysto Ranger!)

The Hibiki Riders pinged their devices.

Misty Brightdawn: IT WAS ME!

Mystic Force Rangers: Legendary Source, Mystic Force!

They went LEGENDARY!

Maria: Goodbye, Opaline. We would've been such good friends.

Opaline: Really?

May: No. (smirks) But why speak ill of the dead?

Me: **And another thing! Misty told you she was our spy!**

Misty Brightdawn: That's right! I worked for you yes and all for a cutie mark! BUT I WILL MAKE MY OWN DECISION ON HOW TO GET ONE!

Opaline: You traitor! I gave you strength, power, purpose and a family!

Misty Brightdawn: YOU GAVE ME NOTHING!

Me: **For everything you have done you will pay the ultimate Price!**

Nico: And that is your life!

Queen Opaline: If I go down, I'm taking you with me!

Vypra: No one will ever destroy all the friendship Twilight worked hard for!

Queen Opaline: Friendship is a waste of time! I divided everyone to get all the magic for myself!

Dark Spicer: You heartless monster!

Me: **You make me sick!**

Twilight Sparkle: Everything I worked so hard for to become the Princess of Friendship I will not let it all go to waste because of you!

Queen Opaline: Your "Friendship" and influence is a disease and I will make sure it fades from history!

Lincoln: GO TO HELL!

Opaline: Magic is rightfully mine alone!

Me: **OVER MY DEAD BODY!**

Eli: Time to die Opaline!

Nico: Magic is For Everyone and you have no right to it alone!

Twilight Sparkle: Time for you to pay Opaline!

Misty Brightdawn: But first this!

She fired a beam of magic and it hit her mirror and FREED TWILIGHT AND HER FRIENDS FROM IT! They were full grown alicorn princesses!

Future Twilight Sparkle: Free!

Nico: Awesome!

We went at her and a massive incredible explosion blasted off and destroyed her entire castle!

At that moment, Ultrox drove his car at one of Opaline's minions.

He crushed him and turned him into roadkill!

Ultrox and Zixx blasted more minions.

Kylie: What happened? Did you guys do it?!

Me: **Almost! Time for the grand finale!**

Sperg, Misty, Huffer and Lockdown used the Earth Cyber Planet Keys and they enhanced Huffer's strength, Lockdown's face cannon and Sperg and Misty's powers 100-fold.

Sperg and Huffer: SMASHING BULLY MEGABOULDER!

Nico: The Spirit Bomb!

Qin: This is gonna be huge!

(GOKU'S SPIRIT BOMB THEME PLAYS)

I was drawing in energy and I formed a massive and powerful huge spirit bomb.

Opaline: WHAT IS THAT!?

Nico: Your downfall!

Everyone channeled their energy into the Spirit Bomb!

Me: **Opaline, this Spirit Bomb I'm holding is all the energy of all those who have been divided and wrongfully persecuted by evil monsters like you!**

Opaline: NO! I WILL NOT DIE LIKE THIS!

# Clean Cars VS Lemons

This chapter is based on Cars 2

---

In the early morning hours at 4:30 AM, Lincoln had a dream, and he saw three figure who was hiding out and living in the streets of Portofino, Italy. But, they were no ordinary three figure, their were Angel Stone, daughter of one of Lincoln's future wives, Rochelle Goyle. Flower Blade, daughter of one of Lincoln's future wives, Venus McFlytrap. and Fiesta Skeletor, son of one of Lincoln's future wives, Skelita Calaveras. Lincoln woke up from the dream, but he wasn't the only one, Rochelle Goyle, Venus McFlytrap, Skelita Calaveras, Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: What more did you expect, bro?

Skelita Calaveras: And not only that, it also means that we found out where our kids are at.

Venus McFlytrap: And the question is, Where?

Me: they're at Portofino, Italy.

Nico: Oh no, that's not good. It's the same place when we found The Young Monster Squad, And even though it's a nice place and all, but not so much for little kids like them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Rochelle Goyle, Venus McFlytrap, Skelita Calaveras, Me, and Nico were heading to Portofino, Italy. Then, Lincoln saw a medium height and very thin 12-years-old Gargoyle/

Human girl who has white skin, chin length black hair with a fringe, red eyes, and long Bat-like wings allowing her to fly and/or glide. She wears a tight black top with two orange crescent lunar symbols on her chest, gray short shorts with a orange rope around the hips serving as her belt, a pair of knee length gray socks and open toed gray boots. A slender and slightly tall 12-years-old Plant-like girl who has greenish skin, long hot pink and green hair kept in two tree-shaped twintails with pink flower which she holds in place with green vine-like straps, and light green eyes. She has multiple sharp teeth protruding from her mouth. She wears a pink sundress with a green long-sleeve shawl, and green flats with bows. And a 13-years-old Skeleton-like boy who has white bones with calavera sugar skull, short black hair with scarlet streaks and warm yellow eyes. He wears a purple mexican shirt with a picture of an calavera, and black mexican pants. He also wears a orange necklace (the same one that Skelita Calaveras has). Lincoln saw who they are, they are Angel Stone, Flower Blade, and Fiesta Skeletor.

Lincoln: Excuse me, are you Angel Stone, Flower Blade, and Fiesta Skeletor?

Angel Stone: Yes we are, And who are you?

Lincoln: I'm…

Fiesta Skeletor: (Interrupted, speaking in fast paced) Lincoln Loud of Team Loud Phoenix Storm, with your older sister, Lori Loud, your older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and your second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone we know all too well. [laughing]

Lincoln, Lori, Me, and Nico stared in wide eyed, dumbfounded shock.

Nico: Wow! He's a bit like Pinkie Pie.

Lori: How did you know all that? Are you psychic?

Fiesta Skeletor: Nope! Just a hunch.

Then, Rochelle Goyle, Venus McFlytrap, and Skelita Calaveras came out, and when Angel Stone, Flower Bloom, and Fiesta Skeletor saw them, they were stunned.

Rochelle Goyle: So much for the element of surprise.

Flower Blade: Mother?

Venus McFlytrap: Yes, little flower, it's me.

Angel Stone, Flower Blade, and Fiesta Skeletor ran up to Rochelle Goyle, Venus McFlytrap, and Skelita Calaveras, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Lori.

Lincoln: And there's something you should know, Rochelle Goyle, Venus McFlytrap, Skelita Calaveras, your mothers are one of my many future wives.

Angel Stone, Flower Blade, and Fiesta Skeletor: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Angel Stone, Flower Blade, and Fiesta Skeletor with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Angel Stone, Flower Blade, and Fiesta Skeletor to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Rochelle Goyle, Venus McFlytrap, and Skelita Calaveras with their kids, and Angel Stone, Flower Blade, and Fiesta Skeletor now has a loving, strong, brave, and caring father in their life.

We were in our swim clothes, bikinis and swimsuits.

Me: Ahh! Nothing like some nice relaxing fun in the sun on the beach.

Nico: Boy you said it!

Misty Tredwell: This is the life.

Carly Atlas: Jack is sure missing out on this.

Saya Tekagi: But it's still nice to unwind after a long day.

Lola: You said it Saya.

Xenia: Ahh. So relaxing.

Raimundo: I agree there.

Nico: Thanks for coming with me, Raimundo.

Raimundo: No problemo Nico. This is so fun.

Qin: It sure is and I think it's awesome.

Camie: Yeah it sure is.

Himiko: It's so awesome out here.

Zuria: (Shivering in fright and hugging me)

Me: Zuria it's okay. Nothing will get you here.

Eli: Yeah we won't let anything happen to you.

Nico: Still shocked about her ordeal.

Me: Yeah but she is slowly improving.

Qin: That's good she is.

Nico: Raimundo, are you really happy that Jack Spicer's changed his ways?

Raimundo: I sure am. I just wish that Chase Young was amongst those we faced yesterday.

Me: I know. But I think Opaline wised up when she knew that Chase would betray her.

Qin: That was a smart call.

Me: It was.

Zuria: Yeah it was.

Laney and Lana were building Sandcastles and Lincoln, Aylene and Rainbow Dash were surfing.

Lincoln: WOOHOO!

Me: YEAH! Surf's up dudes!

Varie: Yeah!

Maria: Really now? Because let me clarify what happened on the day he joined us. The Masked Mutant caused an explosion in the park, you and Omi were adamant that Spicer caused it, you threatened the Central City Rogues with the River of Fire if they didn't tell you where he was, you actually caught up to Spicer and attacked him, and then when we told you he was innocent, you threatened to take us down as well! Am I missing anything?!

May: I know it led to the creation of Dark Spicer. But still. That was very harsh. Stewie had to blast you and Omi with his stasis blaster just to calm you two down.

Maria: Oh you're right. Sorry about that.

Raimundo: No you are right Maria. I deserved that. I was upset about everything Jack Spicer did in the past that I was letting my anger get ahold of me.

Me: Believe me Raimundo I know that feeling. I know how that feels to be so upset over someone like that.

Nico: Yeah same here. I have had that happen to me before.

Qin: Many of us have.

Tsuyu: Yeah that is true.

Himiko: But Dark Spicer is now an awesome frenemy.

Eddy: He sure is and I like it.

Xenia: Yeah!

Nico: Damn, the battle against Opaline was explosive!

Me: Boy it sure was! But the best victory out of all that was that we are finally rid of not just her but the terrible villains and the atrocities she did over the millennia.

Xenia: That is true.

Zuria: That was awesome though.

Lola: Yeah it sure was.

Himiko: I'm glad she is gone for good.

Camie: So is everyone in Equestria.

Sirius: Yeah no kidding there.

Applejack: That was an amazing battle for all of us.

Nico: And we out an end to 12 other villains.

Me: We sure did and sent the rest off to prison.

Lola: That was cool!

Me: But to be honest I did not expect 2021's major enemies to make a comeback.

Laney: Me neither. Especially Animated Sentinel Prime.

Nico: Yeah no kidding there.

Me: Man what a big chinned dirtbag he was.

Himiko: You got that right,

Tsuyu: Yeah at least they all got what they deserved.

Me: And so did Necrafa. At least Gemina will never see her again.

Zarya: That is for sure.

Nico: Some of the villains we didn't even meet before yesterday.

Me: No we sure didn't! Out of all 24 of them only 2 of them we never even faced.

Eli: Yeah no kidding.

Qin: Yeah that was crazy.

Lola: Yeah it sure was.

Nico: But we never faced them on any of our missions.

Me: Until now with the war.

Lola: Yeah that was intense.

Me: Yeah. By the way Sunny, are you glad that Misty is free from Opaline?

Sunny Starscout: I sure am.

Pipp Petals: We all are happy that she is free.

Me: And the best part is that our Team Dark Phoenix Storm Spy Plan for Misty with Opaline went off without a hitch. She never suspected a thing.

Apple Bloom: Yeah and me and the Cutie Mark Crusaders will gladly help Misty with finding her talent and cutie mark.

Me: I know you all can do it Apple Bloom.

Nico: Who should go on Erica's mission today? The rest of the Quantum Girls? Or Shanan?

Me: Hmm. Lets decide on that later today. When we cross that bridge.

Nico: Okay.

Lola: Yeah.

Qin: I would love to go with Erica. The Quantum Girls would be perfect.

Me: So would Shanan. It'll be awesome to see the reaction of one of the villains when they see her.

Twilight Sparkle: (Laughs) Yeah it sure would.

Raimundo: That would be cool though.

Camie: Yeah.

Nico: How about we flip a coin to decide?

Me: Hmm. Sure.

I pulled out a coin and it was a coin from Garden of The Gods.

Me: Okay heads for the Garden of The Gods logo and tails is Pikes Peak.

Nico: All right.

Me: Heads for the Quantum Girls. Tails for Shanan.

Nico: Okay. Heads!

I flipped it and caught it and revealed it. It was on the Garden of The Gods logo.

Me: Heads. The Quantum Girls go.

Nico: Awesome and Shanan will go on the last mission.

Me: Fair enough.

Nico: That means Erica is gonna have to wear a jumpsuit.

Me: Yep.

Eli: But that is still always fun to go into the Virtual World though.

Brynja: (Icelandic Accent) It sure is and I think it's so fun.

Sissi: It sure is.

Then my geiger counter on my arm computer started clicking like mad!

Me: Uh oh! Intense Radiation in the area!

Nico: Is it radioactive waste?

Eli: No it's the Another Omnitrix Alien! I sense that it's close!

Me: Oh boy! We got to get everyone off the beach while we battle!

Nico: Right!

We went and did so.

We got everyone to safety and then got ready. Then a figure came out and it was a black version of an Evolved Prypiatosian-B! It was ANOTHER ULTIMATE NRG!

Me: Whoa! Another Ultimate NRG!

Qin: Wow! This one is intensely radioactive!

Camie: Wow!

Me: Boy this one is as intensely radioactive as 5,000 nuclear warheads.

Qin: Good thing we're immune to radiation.

Nico: And you are?

Another Ultimate NRG: (In a girls voice) (Ukrainian Accent) J.D. knows me.

Me: (Gasp) Anastasiya Sakhaidachny. Its been a long time.

Another Ultimate NRG: It has been a while J.D.

Nico: You know her?

Me: I sure do. Her family is from The Ukraine and her dad is a nuclear power plant engineer. Worked at a plant for a long time. He moved to America shortly after the Chernobyl Nuclear Power Plant melted down. He retired from his job after she was born and she went to school with me ages ago. She also has the powers of fire and lightning and even has cosmic Pyrokinesis and Thermokinesis As well as Fire Angel Wings.

Another Ultimate NRG: That is right. I got those powers because of radiation from my dad that went to my mother.

Nico: Very interesting and amazing.

Qin: No kidding!

Albedo turned into Negative Ultimate NRG.

Me: Whoa this one is also intensely radioactive!

Negative Ultimate NRG: Don't worry I can turn off the radiation. Did Swartz promise you anything?

Another Ultimate NRG: No he didn't. He was in a hurry to send me out because of the intense radiation.

Me: That makes sense.

Another Ultimate NRG: But I have always wanted to be a beautiful swimsuit model.

Me: You do have what it takes to be one.

Nico: Wow.

Another Ultimate NRG: Yes.

Me: Sorry we have to fight like this. But watch this one.

I went Super Angel Wolf Moon Xelnaga and Activated Fire Lord's

Ridewatch.

(HELLFIRE BY FROLLO FROM THE HUNCHBACK OF NOTRE DAME PLAYS)

Me: (SINGING DIVINELY AS SWIRLS OF FIRE FORMED THE BEAUTIFUL GIRLS OF MY HAREM AND THEY DANCED)

Confiteor deo

Omnipotenti

Beatae Mariae

Semper virgini

Beato Michaeli archangelo

Sanctis apostolis

Omnibus sanctis

Beata Maria, you know I am a righteous man

Of my virtue I am justly proud (et tibit pater)

Beata Maria, you know I'm so much purer than

The common, vulgar, weak, licentious crowd (quia peccavi nimis)

Then tell me, Maria, why I see her dancing there?

Why her smoldering eyes still scorch my soul? (cogitatione)

I feel her, I see her

The sun caught in her raven hair

Is blazing in me out of all control (verb o et opere)

Like fire

Hellfire

This fire in my skin

This burning desire

Is turning me to sin

It's not my fault (mea culpa)

I'm not to blame (mea culpa)

It is the gypsy girl the witch who sent this flame (mea maxima culpa)

It's not my fault (mea culpa)

If in God's plan (mea culpa)

He made the Devil so much stronger than a man (mea maxima culpa)

Protect me, Maria

Don't let this siren cast her spell

Don't let her fire sear my flesh and bone

Destroy Esmeralda

And let her taste the fires of hell

Or else let her be mine and mine alone

Hellfire

Darkfire

Now gypsy, it's your turn

Choose me or your pyre

Be mine or you will burn

Kyrie eleison

God have mercy on her

Kyrie eleison

God have mercy on me

Kyrie eleison

But she will be mine

Or she will BUURRRRRNN!

They danced and then fired waves of fire and smashed down Another Ultimate NRG.

Nico and Eli had shivers of fright coming down their spines.

Qin: Whoa! That song always gives me the creeps.

Eli: But that was well done bro!

Me: Thanks. I may not like Frollo but the song he sang in that movie was awesome.

Lola: It sure was.

Kaito: (takes out Fiveman Gear) We can handle a little radiation.

Zocks: (takes out Turboranger gear) But evacuating everyone was still smart.

Me: I couldn't risk having hundreds of people get hurt by being fried by intense gamma radiation.

Zocks: Yeah.

Kaito got a Fiveman Sword and Zocks got a Turboranger sword.

Eli: Now here's one for me and Nunnally. (ACTIVATES PLANTMAN'S RIDEWATCH)

(TWO WORLDS BY PHIL COLLINS PLAYS)

Eli: (SINGING DIVINELY AS LEAVES, GRASS, FLOWERS, PLANTS AND ENERGY SWIRLED AROUND HIM)

Put your faith in what you most believe in

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

A paradise untouched by man

Within this world blessed with love

A simple life, they live in peace

Softly tread the sand below your feet now

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Beneath the shelter of the trees

Only love can enter here

A simple life, they live in peace

Raise your head up

Lift high the load

Take strength from those that need you

Build high the walls

Build strong the beams

A new life is waiting

But danger's no stranger here

No words describe a mother's tears

No words can heal a broken heart

A dream is gone, but where there's hope

Somewhere something is calling for you

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

He floating into the air and fired waves of leaves, flowers and grass and blasted down Another Ultimate NRG!

Nico: Nice one Eli!

Xenia: YEAH! Great job!

Eli: Thanks.

Another Ultimate NRG: You all have amazing voices.

Me: We've had a lot of awesome karaoke sessions and practice.

Nico: Yeah it's fun.

Laney: Watch this one. (ACTIVATES EVIL SPLASH WOMAN'S RIDEWATCH)

(ON MY WAY BY PHIL COLLINS PLAYS)

Laney: (SINGING DIVINELY AS WATER SWIRLS AROUND HER)

Tell everybody I'm on my way

New friends and new places to see

With blue skies ahead, yes

I'm on my way

And there's nowhere else

That I'd rather be

Tell everybody I'm on my way

And I'm loving every step I take

With the sun beating down, yes

I'm on my way

And I can't keep this smile off my face

'Cause there's nothing like seeing

Each other again

No matter what the distance between

And the stories that we tell

Will make you smile

Oh it really lifts my heart

So tell 'em all I'm on my way

New friends and new places to see

And to sleep under the stars

Who could ask for more

With the moon keeping watch over me

Not the snow, not the rain

Can change my mind

The sun will come out, wait and see

And the feeling of the wind in your face

Can lift your heart

Oh there's nowhere I would rather be

'Cause I'm on my way now

Well and truly

I'm on my way now

Tell everybody I'm on my way

And I just can't wait to be there

With blue skies ahead, yes

I'm on my way

And nothing but good times to share

So tell everybody I'm on my way

And I just can't wait to be home

With the sun beating down, yes

I'm on my way

And nothing but good times to show

I'm on my way

Yes, I'm on my way

She danced and fired waves of water and they hit Another Ultimate

NRG and a massive cloud of steam blasted out!

Nico: WHOA! That is intensely hot!

Qin: Yeah!

Me: That's why they have to keep nuclear fuel rods cool by placing them in cold water or else they melt into the Center of the Earth.

Earth: He's right on that.

Zuria: Now here is a good one about a story I remember.

Zuria floated in the air and leaves and fire swirled around her.

(THE WILLOW MAID BY ERUTAN PLAYS)

Zuria: (SINGING DIVINELY AS FIRE AND LEAVES SWIRLED HER)

A young man walked through the forest

With his quiver and hunting bow

He heard a young girl singing

And followed the sound below

There he found the maiden

Who lives in the willow

He called to her as she listened

From a ring of toadstools red

"Come with me, my maiden

Come from thy willow bed"

She looked at him serenely

And only shook her head

See me now, a ray of light in the moondance
See me now, I cannot leave this place
Hear me now, a strain of song in the forest
Don't ask me, to follow where you lead
A young man walked through the forest
With a flower and coat of green
His love had hair like fire
Her eyes an emerald sheen
She wrapped herself in beauty
So young and so serene
He stood there under the willow
And he gave her the yellow bloom
"Girl, my heart you've captured
Oh, I would be your groom"
She said she'd wed him never
Not near, nor far, nor soon
See me now, a ray of light in the moondance
See me now, I cannot leave this place
Hear me now, a strain of song in the forest
Don't ask me, to follow where you lead
Follow where you lead
A young man walked through the forest

With an axe sharp as a knife

"I'll take the green-eyed fairy

And she shall be my wife

With her I'll raise my children

With her I'll live my life"

The maiden wept when she heard him

When he said he'd set her free

He took his axe and used it

To bring down her ancient tree

"Now your willow's fallen

Now you belong to me"

See me now, a ray of light in the moondance

See me now, I cannot leave this place

Hear me now, a strain of song in the forest

Don't ask me, to follow where you lead'

She followed him out the forest

And collapsed upon the earth

Her feet had walked but a distance

From the green land of her birth

She faded into a flower

That would bloom for one bright eve

He could not take from the forest

What was never meant to leave

She fired waves of fire and leaves and smashed her down.

Me: WHOA! That was awesome Zuria! And it reminds me of how me and Xenia found Nerri the Willow Maiden.

Zuria: Wow! That is amazing!

Me: She lives in the park we have at home. She is amazing.

Nico: Yeah that was awesome.

Xenia: It sure was a good time back then.

Tsuyu: Wow that is cool!

Sougo: (gets out Ghost Ridewatch) After Opaline yesterday, we can handle a little radiation.

Armor Time! (Upbeat music) Kaigan! Ghost!

Geiz: (gets out Zeronos Ridewatch) We are immune to it after all.

Armor Time! (Zeronos Belt standby music) Altair Form! Zeronos! (Zeronos transformation noises)

Sougo got GhostArmor while Geiz got ZeronosArmor.

Nico: Nice!

Lily: Here is a good one I remember from Hunter. (ACTIVATES EVIL BRIGHT MAN'S RIDEWATCH)

(HYMN OF THE CHERUBIM BY TCHAIKOVSKY PLAYS)

Lily floated into the air and light shined down from the heaves as she sang the angelic song and fired waves of light and smashed her down.

Nico: WHOA!

Eli: That was incredible!

Qin: Yeah!

Me: That was cool.

Sougo: It sure was. And J.D. you really brought back my future self.

Me: I sure did. What happened to him was awful. But after everything that Swartz did he more than deserves a full pardon. During our victory party at Lynn's Table later on today I'll ask him why and how he turned that way.

Nico: Good idea.

Nico: (Gets out Nuclear Man's Ridewatch) I can use Radiation too!

Nico activated the Ridewatch.

Every touch is like the strongest drug

I never had something that I can't walk away from

Well, girl, my self control's so paralyzed

When it comes to you, no, I ain't got no patience

There's something 'bout you, girl, I just can't fight

You're like that cigarette

That shot of hundred proof

No matter how much I get

I'm always craving

That feeling when we kiss

The way your body moves

No matter how much I get

I'm always craving you

Craving you

All the in between is killing me

You know I come unglued from missing you

Nico danced and fired waves of energy and smashed her down.

Me: YEAH! Love that song!

Another Ultimate NRG: And you will love these. HIDIACS ARISE!

A massive number of Hidiacs came!

Me: WHOA! Hidiacs! Now we're talking!

Nico: I didn't expect this!

Eli: But now we're in for some fun!

Me: Lets dance!

We went at the Hidiacs!

(HOLDING OUT FOR A HERO BY BONNIE TYLER PLAYS)

Where have all the good men gone

And where are all the gods?

Where's the streetwise Hercules

To fight the rising odds?

Isn't there a white knight upon a fiery steed

Late at night, I toss and I turn

And I dream of what I need

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, and it's gotta be soon

And he's gotta be larger than life

Larger than life

Somewhere after midnight

In my wildest fantasy

Somewhere, just beyond my reach

There's someone reaching back for me

Racing on the thunder

And rising with the heat

It's gonna take a Superman to sweep me off my feet, yeah

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, and it's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

Up where the mountains meet the heavens above

Out where the lightning splits the sea

I could swear there is someone, somewhere watching me

Through the wind and the chill and the rain

And the storm and the flood

I can feel his approach like a fire in my blood

(Like a fire in my blood, like a fire in my blood

Like a fire in my blood, like a fire in my blood, blood)

I need a hero

I'm holding out for a hero 'til the end of the night

He's gotta be strong, and he's gotta be fast

And he's gotta be fresh from the fight

I need a hero

I'm holding out for a hero 'til the morning light

He's gotta be sure, and it's gotta be soon

And he's gotta be larger than life

I need a hero

I'm holding out for a hero 'til the end of the night

We went at the foot soldiers and we we fought and kicked and blasted them all over the place. I kicked and punched a bunch of them and Nico did the same and we sent them flying all over the place.

Me: This is just the beginning!

I blasted one with a star blast and sent him flying and massive fiery explosions blasted him all over.

Me: YEAH!

Laney: ALL RIGHT!

We flew back and clashed violently. And blasted them all over the place and blasted them back in a massive shockwave of stars and lightning and then spun and blasted and slashed them all over in blades of energy. The foot soldiers blasted us again and we jumped back and massive fiery explosions went off all over!

We smashed the ground and sent a deadly shockwave and blew some of the foot soldiers apart in a massive fiery explosion!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: YEAH!

Fiona Hernandez: AWESOME!

Fiona fired waves of fire and blasted them all over.

Eli throw his sword and it turned into a boomerang and blew some of the foot soldiers apart!

Nico: What a bunch of slow learners.

They blasted at us again and we jumped as a massive fiery explosion went off behind us.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I fired a shower of energy blasts.

Nico: DRAGON THUNDERCLAP!

Nico had the 5 Star Dragonball on his bracelet glow and he fired a lightning shower and we blew the rest of them apart in a massive fiery explosion!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were down!

Qin: YEAH!

Me: That was awesome!

Another Ultimate NRG: Wow! You guys are strong and amazing!

Varie: We get that a lot.

Raimundo: My turn!

Raimundo activated Trickster's Ridewatch.

Raimundo: (SINGING DIVINELY AS WIND SWIRLS AROUND HIM)

From the coast of Ipanema

To the Island of Capri

All the way to Guadeloupe

I will follow you wherever you may be

From the moment I first saw you

Knew my heart could not be free

Have to hold you in my arms now

There can never be another for me

All I need is the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Can you feel the heat of passion?

Can you taste our love's sweet wine

Join the dance and let it happen

Put tomorrow's cares right out of your mind

As the music drives you closer

And you fall under my spell

I will catch you in my arms now

Where the night will take us no one can tell

All I need is the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Gotta have this feeling forever

Gotta live this moment together

Nothing else matters just you and the night

Follow on the wings of desire

Now the rhythm's taking you higher

No one can stop us from having it all

You are my heart you are my soul

All I need it the rhythm divine

Lost in the music, your hear will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

All I need it the rhythm divine

Lost in the music, your heart will be mine

All I need is to look in your eyes

Viva la musica, say you'll be mine

Can you feel the rhythm

Can you feel the rhythm

Can you feel the rhythm, burning, burning

Can you feel the rhythm

He danced and fired waves of wind and smashed down Another Ultimate NRG.

Me: OH YEAH!

Maria: I hope the next Gene Slammer's near.

Nico: Me too. But this is so fun!

?: SOMEONE CALL!?

Then we saw Elemental HERO Magma, Storm and Chaos Neos!

Me: Whoa! Magma, Storm and Chaos Neos!

Elemental HERO Magma Neos: (In a girls Voice) And it looks like we got here just in time.

Elemental HERO Storm Neos: (In a girls voice) We sure did and you guys had a lot of fun.

Elemental HERO Chaos Neos: (In a girls voice) No kidding.

Nico: Whoa! The Hazeltucker Sisters!

They reverted back. Chaos Neos was a girl with black and yellow hair and had black and yellow clothes and black and yellow angel wings for Light and Darkness and had the kanji for Chaos on her forehead. Magma Neos was a girl with Red and Brown hair and had red and brown clothes and red eyes and fire angel wings and had the kanji for Magma in the middle of her forehead and Storm Neos was a girl with blue and green hair and blue and green clothes and had lightning angel wings and had the kanji for Storm in the middle of her forehead.

Qin: Abigail, Melanie and Rhonda!

Rhonda Hazeltucker: Awesome to see you again Qin.

Abigail Hazeltucker: Yeah it sure is.

Melanie Hazeltucker: And you too Nico.

Abigail Hazeltucker: We got this.

They fired waves of lava, hurricanes and Lightning and a massive flurry of bats of light and darkness and the blasts all hit Another Ultimate NRG and blasted her down and she was back to normal. I caught the ridewatch and purified it and I went and picked up Anastasiya and she was a girl in Ukrainian Winter Clothes and had blond hair and her clothes were pink and purple.

Me: Anastasiya?

Anastasiya: (Groans) What a headache.

Me: But you're back to normal.

Anastasiya hugged me.

Me: (SINGING EVENSTAR FROM LORD OF THE RINGS)

Estelio han, estelio han, estelio

Estelio han, estelio veleth

I had my ring flare up and it made Anastasiya happy to know I was with her.

Abigail Hazeltucker: That was so awesome.

Raimundo: What are your favorite memories of Nico?

Melanie Hazeltucker: We are Nico's friends from Chemistry and we are masters of the elements.

Rhonda Hazeltucker: We helped him do all sorts of great projects with the elemental forces and also helped him with many big experiments with the Elemental Forces.

Abigail Hazeltucker: Yeah we did it all with him. But we also stopped numerous bad guys with him.

Rhonda Hazeltucker: Our favorite was stopping a bank robbery at Fort Knox and we stopped a thief from breaking into it. It was actually a man that was claiming he owned the land.

Me: That was Travis Knox. He claims he owns the land because his name Knox is on it.

Qin: Yeah.

Rhonda Hazeltucker: Wow!

Abigail Hazeltucker: That is amazing.

Nico: It was.

Nico hugged them.

Nico: I missed you girls.

Hazeltucker Sisters: We missed you too Nico.

Me: That was really awesome though.

We then looked and saw that we made a mess.

Me: Whoa lets get this place cleaned up before we head home.

Nico: Good idea.

We went and did so.

Nico: The core 310 have gone with me on rescues now. Now, their teams are next.

Me: Yep. This will be awesome to see.

Xenia: It sure will.

We later went back home.

Me: Damn, you sure are one tough guy to handle those kinds of planets.

Lincoln: He sure is, and so are all of us, and I know what we're going to do here, not only am I going to rescue the five girls here, but Luna and Luan are going to get two powerful treasures there: two powerful greatswords called The Musical Oceanic Greatsword of The Sirens and The Celestial Comedic Light Greatsword of Sulis.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and only Luna and Luan can wield those powerful greatswords because Luna got her powers from The Sirens and Luan got her powers from Sulis, and we're also going to take down the parents of Belle Muldoon, who are out for revenge on Leni for what happened to their heartless evil daughter.

Leni: But, I thought they were sent to prison after Belle Muldoon was also sent to prison after she was expelled for trying to attack and kill me.

Nico: So, we also got two more evil parents to stop, yikes.

Lincoln: And I should also tell you this: I was the one who sent Belle Muldoon's parents to prison long ago, and with help from Hikari Viper, I also uncovered some very dark secrets about them.

Most of us gasped in shock, except for Lincoln's sisters and Ronnie Anne, Paige, Girl Jordan, Paige, and Lincoln's Guardian Angels.

Me: This is really serious. Lincoln, can you tell us everything about how you got Belle Muldoon's evil parents sent to prison?

Lincoln: Of course, J.D., after Belle Muldoon was sent to prison, I would've thought that Mr. and Mrs. Muldoon would've disowned her after she was expelled and sent to prison, but I saw that they had a glare of hatred towards Leni, and I knew they wanted her dead for this. However, there's no way I can get them to admit to any wrongdoings, and Mr. and Mrs. Muldoon were well-known prominent attorneys, so I asked Hikari Viper for help, she contacted the CIA for a warrant to use wire taps, and when she told them that she was looking into Mr. and Mrs. Muldoon after Belle Muldoon's expulsion and arrest, they told her they were also looking into them as well. So, she got the warrant and she put wire taps on the phones, and we soon overheard many of their conversations of how they wanted revenge on Leni for getting their daughter expelled and sent to prison and they also wanted all of us dead as well for being related to Leni. We'd found out that they were planning to bust Belle Muldoon out with help from The Black Daffodil Gang, and they also got into contact with the parents of Tyler Corso and Nate Krenshikov, who're also out for revenge on Lori and Luna for what they did in sending Tyler Corso and Nate Krenshikov to prison after they got them expelled.

We gasped in shock.

Lincoln: But, it gets worse: Hikari dug into their information, and she found out Mr. and Mrs. Muldoon had been caught in acts of fraud and money laundering in the past, but no one was able to report it to the authorities because as soon as they found out, that person would be found murdered, so that also adds in murder to the mix, and that combined with the many conversations of how they wanted revenge on Leni for getting their daughter expelled and sent to prison by killing her and and all of us as well for being related to Leni, along with trying to bust Belle Muldoon out with help from The Black Daffodil Gang, and their contact with the parents of Tyler Corso and Nate Krenshikov, who're also out for revenge on Lori and Luna for what they did in sending Tyler Corso and Nate Krenshikov to prison after they got them expelled.

Nico: Damn, this is really explosive!

Lincoln: But, here's where it ended with their downfall: after we had all the evidence, we turned all of the evidence in to the CIA and the FBI, and with a warrant in hand, FBI and CIA agents stormed into their office and arrested Mr. and Mrs. Muldoon for their crimes, and the evidence was also presented in court, plus Hikari and I were also called in to testify in court. Eventually, after hearing all of the testimony in court along with the evidence gathered in the investigation, the jury deliberated for five minutes and they came back with a verdict: the once prominent Royal Woods attorneys, Mr.

and Mrs. Muldoon, were found guilty of conspiracy to breaking out a fugitive, attempted murder, first-degree murder, money laundering, fraud, and conspiracy to commit first-degree murder.

Hikari Viper: The judge said these very words, "These acts that I've just witnessed are the most heinous and horrific that are indeed hard to believe. I can't believe that you two, sworn prominent attorneys of the Royal Woods Justice Court, had used your own positions to try and exact revenge on the Loud Family, because of your jealous and envy-driven daughter's rage and fury towards Leni Loud, and the murders of those in your law firm are something that can never be forgiven nor forgotten, and to add on to the fact that you two also were conspiring with the most dangerous street gang who terrorized Detroit for years, along with the parents of Tyler Corso and Nate Krenshikov, two more well-known criminals and destructive delinquents, to kill the Louds. This is truly a disgusting misuse of power and thus, for your crimes, you two are hereby stripped of your law licenses for life and you're also hereby sentenced to five sentences of life in prison without parole, and you are to serve your sentences in Ionia Correctional Facility. May God have mercy on your miserable black souls." Those were the words the judge said as they were taken away and they were kicking, screaming, and swearing with blood and revenge on us.

We were stunned.

Gohan: I can't believe that Belle Muldoon's parents would do something as evil and heinous as this, but this did prove that they were just as bad as their daughter, and to also conspire with The Black Daffodil Gang, along with the parents of Tyler Corso and Nate Krenshikov, who were also out for revenge on Lori and Luna for what they did in getting Tyler Corso and Nate Krenshikov expelled and sent to prison, this is absolutely horrific.

Lincoln: I know, Gohan, but those two deserved it, and to also get word they broke out of prison and they're here on Titania and they're still out for blood on Leni and all of us, we're going to send them to the Uranus Prison to serve out their sentences after Luna and Luan get the two greatswords and take Mr. and Mrs. Muldoon down, and thanks for joining us, Tom.

Tom Majors: You're welcome, Lincoln. So, where do we go to find The Musical Oceanic Greatsword of The Sirens and The Celestial Comedic Light Greatsword of Sulis?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know exactly where to find them, Tom.

We continued on and we arrived at a shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw two massive greatsword floating in the center and with light shining down on it: The Musical Oceanic Greatsword of The Sirens, a massive greatsword with purple and aqua blue gems embedded in the 7'0" massive, wide, double-edged silver blade, large aqua blue mermaid heads for the crossguard, large aqua blue and purple gem embedded in the rainguard, longer midnight black handle, four large aqua blue mermaid heads and a large aqua blue gem on the bottom of the dragon heads for the pommel, and The Celestial Comedic Light Greatsword of Sulis, a massive greatsword with white and yellow gems embedded in the 7'0" massive, wide, double-edged silver blade, large white angel heads for the crossguard, large yellow and white gem embedded in the rainguard, longer midnight black handle, four large white angel heads and a large yellow gem on the bottom of the angel heads for the pommel.

Rarity: My word, so that's the… !

Lincoln: The Musical Oceanic Greatsword of The Sirens and The Celestial Comedic Light Greatsword of Sulis, those two massive greatswords are indeed works of art.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) And there's something else to this shrine: I built this shrine here in honor of my world's Luna and Luan who I lost.

Luna 2: (Through the Rainbow Mermaids on Luna's forehead) So, you built this shrine in honor of me and Luan? That's so sweet of you, Lincoln.

Luan 2: (Through the Rainbow Fairy on Luan's forehead) Just like what happened with Lori and Leni from our world.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) Thanks, Luna and Luan.

Luna: Just like the shrine at Thelea, wow.

Luan: And not only did he forge the massive greatswords, he built the shrines in honor of his world's version of us, and putting up the spell that'll deactivate when the Dark Sides were removed for good and destroyed.

Suddenly, we saw Storm Skyress heading for us, and with it were the five girls.

Me: What the? Shun, did you…?

Shun: No way, J.D., I didn't summon Skyress and Kaze Wynn is still here with us.

Skyress: That's right, which means… !

Storm Skyress: (Girl's voice) That's right, and I also got the five girls away from the vengeance-driven and insanely evil parents of Belle Muldoon.

Lincoln: Wow, Shana Kazami, it's awesome to see you again, but we'll talk later, I know that Mr. and Mrs. Muldoon are heading for us.

?: WE WILL HAVE OUR REVENGE ON YOU FOR WHAT YOU DID TO OUR DAUGHTER, STUPID LOUDS!

Lincoln: Yep, there's no mistaking those voices from anywhere. Don't you know when to stay locked up for good, Mr. and Mrs. Muldoon.

We then saw our targets, Mr. and Mrs. Muldoon, who are still dressed in orange prison jumpsuits from Ionia Correctional Facility, and they were still extremely pissed.

Hikari Viper: Mr. and Mrs. Muldoon, I knew we'd run into you pieces of crap again.

Mr. Muldoon: You ruined our chances to get revenge on you for throwing our daughter in prison, if you hadn't gotten in the way, all the Louds would be dead!

Mrs. Muldoon: And now, we will have our revenge on you for what you did in killing our daughter!

Lincoln: Why don't you two shut up?! Your demonic daughter caused nothing but trouble for what she did to Leni, and her envy and jealousy towards Leni was the one thing that did her in, and she, along with Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang deserved to die for all of their crimes since they were truly irredeemable, and the apple didn't fall far from the tree since you two were also just as bad as your daughter.

Luna: Big time, dude, and now, we're going to make you both pay for your crimes.

Luan: Hope you like spending your life sentences in a brand-new prison for the remainder of your days, and we're not going to show you two any mercy for what you tried to do to Leni and all of us.

Luna grabbed The Musical Oceanic Greatsword of The Sirens and Luan grabbed The Celestial Comedic Light Greatsword of Sulis. Suddenly, Luna and Luan's eyes turned neon purple and neon yellow and they were surrounded by a rainbow energy aura with water, ice, ocean waves, snow, ice crystals, sirens, and mermaids, and a rainbow energy aura with light, fairies, and light animals, they unholstered their massive greatswords from their backs, and as they approached Mr. and Mrs. Muldoon, they left rainbow energy, water, ice, ocean waves, snow, ice crystals, sirens, mermaids, light, fairies, and light animals with every step.

Luna: You rotten dudes really make us sick to our stomach, as if what your daughter did because of her jealousy to our sis, Leni, wasn't bad enough.

Luan: But, to use your positions as Royal Woods' attorneys to try and get revenge on Leni and killing us as well for what your psychopathic daughter had done, that's just going too far.

Luna and Luan: Those are indeed unforgivable crimes, and for that, you two are heading right back to prison where you will stay there until the day you die.

Suddenly, Luna was surrounded by a massive vortex of rainbow energy with water, ocean waves, ice, snow, and music notes surrounding the vortex, there are mermaids and sirens swimming around the vortex, and in the vortex is a purple phoenix, and Luan was surrounded by a massive vortex of rainbow energy with light surrounding the vortex, there are light animals, fairies, and angels flying around the vortex, and in the vortex is a yellow phoenix. Then, as the vortexes faded, Luna and Luan emerged, but they were changed forever.

Luan Loud's transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA CELESTIAL COMEDIC SOLARSTORM FAIRY ANGEL OF DIVINE CELESTIAL LIGHT COMEDIC JUSTICE AND DIVINE SOLAR COMEDIC LIGHTSTORM LOVE!

We were amazed by the Super Angel Celestial Eternal Xelnaga transformations of Luna and Luan, but when Mr. and Mrs. Muldoon saw it, they went bat shit insane and tried to rush at them to kill them, but Luna and Luan fired powerful blasts of rainbow energy, water, ocean waves, ice crystals, snowflakes, ice, snow, light, fairies, and light animals and they hit Mr. and Mrs. Muldoon and that caused them to fly out of the shrine, and they were now extremely pissed off.

Lincoln: Wow, Luna and Luan are now the next of our family to transform, so awesome!

Lynn: And the parents of Belle Muldoon are so in for the biggest butt-kicking of a lifetime for all of the things they've done.

Luna: (Divine Echoing Cosmic Voice of The Musical Oceanic Arctic Maelstrom of Justice and Divine Oceanic Arctic Maelstrom Love) You got that right, dude.

Luan: (Divine Echoing Cosmic Voice of The Celestial Comedic Solar Light Angel of Justice and Divine Celestial Light Comedic Love) And we're going to see to it that they get sent back to prison for the rest of their miserable lives.

Lincoln: After we give them the ultimate beatdown for all of their crimes. Let's get them, gang!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered and large gold Elemental Shield of Harmony from his wider and muscular back and strapped it onto his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Tom Majors, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The

Luna and Luan were also attacking them with their massive new greatswords with powerful slashes and they left a lot of scars on Mr. and Mrs. Muldoon, and this was extremely pissing them off badly, but Lincoln, Lori, and Leni weren't giving them any time to attack again as they swung their massive greatswords in a clockwise formation and formed energy swords of Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they went after Mr. and Mrs. Muldoon, and they pierced and slashed at them badly, and it also knocked them all down, and Lincoln had them both tied up in rainbow energy straitjackets and rainbow energy chains, so they couldn't escape, and they were both loaded up into a police wagon and escorted back home. We cheered wildly as we holster our weapons and powered down, and Luna and Luan's new bodies, clothes, weapons, jewelry, accessories, and massive angel wings are permanent.

Suddenly, we saw that Luna and Luan now had Third Eyes of The Buddha with rainbow irises and they also now have eleven massive wolf tails: brown for Luna and light brown for Luan, and they also love them.

Nico: That's the end of those two bad parents, and I hope they like spending the rest of their lives in The Neptune Prison for Traitors.

Lincoln: That's actually a perfect place for them, Nico, since I told you guys of what those two had done after Belle Muldoon got sent to prison after she was expelled for trying to kill Leni in a fit of jealous rage and insanity.

Me: For what they've done in trying to use their power to get revenge for what their unhinged and psychopathic daughter tried to do to Leni, and on top of that, they were once prominent attorneys in the Royal Woods Judicial Court, that's just the worst kind of criminal.

Nico: Along with crooked cops, crooked attorneys are also the worst kind of criminal.

Lincoln: You got that right, Nico, but those two will be locked away in The Neptune Prison for Traitors for the rest of their miserable lives. (To Shana Kazami) And it's so good to see you again, Shana Kazami.

Shana Kazami reverted back to normal, and she was a beautiful girl with long flowing emerald green hair, emerald eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Ventus symbol emblazoned on her forehead and massive and beautiful sky blue angel wings with stars and she reigned in the power of Storm Skyress, and she's dressed in a sleeveless green blouse, sleeveless green top, green skirt, green pants, green legwarmers, green sneakers, and long white sleeveless trenchcoat with winds, birds, and phoenixes on the coattails and Storm Skyress on the back and holstered on her back is a Storm Skyress-themed large greatsword with Storm Skyress etched on the 7'0" massive, wide, double-edged green blade, large green phoenix heads for the crossguard, large emerald green gem embedded in the rainguard, longer midnight black handle, four large green phoenix heads and a large emerald green gem on the bottom of the large phoenix heads for the pommel.

Shana Kazami: You too, Lincoln, it's been a long time, and it's also good to see you, Riley, and Mana again, Daria.

Daria Kuso, Riley Misaki, and Mana Marukura: You too, Shana.

Lincoln went up to Shana Kazami and he hugged her, and Shana

Kazami is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Shana Kazami: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Shana Kazami, she's my Guardian Angel from Japan and classmate in Spelling, she's a Ventus Bakugan Brawler and a member of the Bakugan Battle Slammers, and like the Bakugan Battle Brawlers, Shana's a capable Bakugan Brawler. Shana, along with the other Bakugan Battle Slammers moved to Michigan from Japan when they were eight, and they would often play together with me.

Me: That's really awesome.

Lincoln: Yep, and she and the other Bakugan Battle Slammers took on the worst of Lori, Luan, Lynn, Lola, and Lisa plus Chandler, Hawk and Hank, Pablo and Anderson. To show thanks, I took her and the other Bakugan Battle Slammers to a lake where I kissed each of the Bakugan Battle Slammers underwater.

Nico: That's really nice. Wait a second, her last name is Kazami, then that means?!

Lincoln: Yep, she's the sister of Shun Kazami.

We were stunned.

Eli: Whoa, no way!

Shun: Yeah, it's true, and it's so good to see you again, Shana.

Shana Kazami: It's really good to see you and Skyress again, Shun.

Skyress: Shun has told me much about you, Shana, and now, we were surprised to find out you're also Lincoln's Guardian Angel.

Shana Kazami: I've been his Guardian Angel since the day I first moved here to Michigan, and the same went with the other Bakugan Battle Slammers, Skyress, and I heard Mom is now awake from her coma, right?

Shun: She is, Shana, Mom's awake and free from her illness.

Lincoln: And it's thanks to J.D. for saving yours and Shun's mom.

Shana Kazami: That's really awesome, and I've also got a story of how I stopped Lola from trying to kill Lincoln, and it led to her swearing her revenge on me, which I'll tell you about later. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Shana, are you absolutely sure about this?

Shana Kazami: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Shana Kazami, and he saw that she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Shana Kazami's neck with emerald green gems on the gold lightning bolts and emerald green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Shana Kazami: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Shana.

Shana Kazami had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Shana Kazami's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Kira Sanzugawa, Haru Arisugawa, Anna Houjou, and Misaki Jinguuji from Love After World Domination.

Lincoln: Oh wow, it's Kira Sanzugawa, Haru Arisugawa, Anna Houjou, and Misaki Jinguuji from Love After World Domination.

Nicole: Awesome.

Lincoln: Are you girls okay?

Kira Sanzugawa: Yes, we're okay, thanks to you.

Then, when Kira Sanzugawa and the other three girls saw who it was that saved them from Mr. and Mrs. Muldoon, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him.

Kira Sanzugawa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kira Sanzugawa: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kira Sanzugawa, Haru Arisugawa, Anna Houjou, and Misaki Jinguuji with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and

Lincoln told everyone that Luna and Luan had gotten The Musical Oceanic Greatsword of The Sirens and The Celestial Comedic Light Greatsword of Sulis, the treasure that's been located on Titania, and the team was shocked when they found out the villains we went after were Mr. and Mrs. Muldoon, the former prominent attorneys turned convicts and parents of Belle Muldoon and they were out for blood and revenge on Leni for what happened to their evil heartless daughter.

But, when Lincoln showed what happened such as Luna and Luan transforming into their Celestial Eternal Xelnaga forms and that they along with all of us laid a brutal beatdown on those two monster parents that he, Lori, and Leni delivered the blows that knocked them out and we had them put into a police wagon bound for their new prison home in The Neptune Prison, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Shana Kazami have a lot of catching up to do now that she's back in town.

Maria: Whoa, so now, Luna and Luan have gotten their new treasures and transformed, that was so awesome!

May: And along the way, we also stopped Belle Muldoon's vengeance-crazed parents and Lincoln also revealed that he and Hikari Viper were the ones who got them sent to prison forever after recording their crimes, along with their contacts with the parents of Tyler Corso, Nate Krenshikov, and The Black Daffodil Gang, and having it presented to the jury and giving testimony against those two, it was really awesome.

Nico: Their CIA knowledge and knowledge about wire taps really stopped those two dead in their tracks and not only were they sent to the slammer, but they were also disgraced forever.

Mr. and Mrs. Muldoon were eventually sent to The Neptune Prison for Traitors for eternity, and they're kept in separate cells in Solitary Confinement, and their revenge schemes were destroyed forever.

---

After throwing Mr. and Mrs. Muldoon in prison for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico, Lori, Leni, and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Shana Kazami saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Shana Kazami: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Shana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Shana Kazami: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Shana, what's the story on how you stopped Lola from trying to kill Lincoln?

Shana Kazami: You're not going to like this one bit. One day, Lincoln and I were walking home from school, but then, we heard the sound of an angry yell, and we saw who it was coming after us in a fit of rage: it was Lola in her Princess Jeep, and she was completely insane. But, I wasn't going to let that pink-wearing she-demon kill us, so I fired a powerful blast of wind and it blew her out of her Princess Jeep, and this of course made her extremely furious, but then, I saw Lincoln fire blasts of rose red energy from his angel wings and he imprisoned Lola, we tied her up in nylon rope so she couldn't get out, and we then called Luna to come get us. She came and we went home with Luna dragging a tied up Lola, and when we all told Mr. and Mrs. Loud of what Lola tried to do to me and Lincoln, they grounded her for fifteen weeks and Lincoln threw her in a cage in her room. We found out that Lori accidentally stepped on Lola's tiara and she ran out in fright, because if Lola found out, she was going to kill her.

Me: Yikes.

Nico: We'd heard a lot of incidents with Lola and a broken tiara, and she went after Lincoln driven only by madness and blood, only to find out that the real culprits were those who ran away in fright or put a lock of Lincoln's hair to frame him.

Lincoln: Lori did confess that it was an accident, but to Lola, it made her so furious that she wanted to kill Lori, but if she made one more wrong move, Mom and Dad were going to take her out of her pageants and her pageant career would be over.

Lori: And they were literally serious about it, Mom had Cheryl's phone number and the coordinator for the pageants, just one phone call and Lola's pageant career was finished. But, Lola swore revenge on Shana for this, but Shana swore if Lola dared to go on the attack again, she was going to fire a blast of wind and shred all of her pageant dresses, and when she told her brother about it, let's just say…

Shun: Yeah, I was a little mad that Lola swore revenge on my sister.

Marucho: Same with me when Lola swore revenge on Mana

Dan: Same with me when Lori swore revenge on Daria.

Runo: Along with me when Lynn swore revenge on Riley. But, Riley, Daria, Shana, and Mana cooled us down and we decided to look past that.

Lincoln: Thank goodness.

We laughed, and we got a shower afterwards, and then, Lincoln, Batsy Claro, and Gigi Grant are heading to Coral Capers.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Batsy Claro and Gigi Grant were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble. Plus, we also found out that Batsy Claro and Gigi Grant had feelings for Lincoln, and Lincoln also saved them from a group of bounty hunters Trina Riffins hired to kidnap and kill them, because she still wanted revenge on us for what we did in humiliating her and she still wanted blood. After Lincoln rescued them and the girls told us Trina Riffins hired the thugs to kidnap and kill them to get revenge on us, Lincoln dropped another piano on that angry, bad-tempered, rage-crazy bitch.

Batsy Claro: Wow, what is this place?

Lincoln: This, Batsy, is Coral Capers, and it's perfect for our beach date. Shall we?

Lincoln, Batsy Claro, and Gigi Grant dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they met the animals that live there, and they went back to the beach and they had a game of volleyball and

Batsy Claro and Gigi Grant got a massive and extreme deep atomic red blush on their faces when they saw him lift up a 900,000,000,000,000-lb barbell he summoned. Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to Batsy Claro and Gigi Grant and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Linc, how was your date?

Lincoln: It was awesome, Nico, we went to Coral Capers.

Gigi Grant: (Seductively and rubs her hands on Lincoln's massive pecs) And for our first beach date.

We also saw they had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha, and we knew the girls also allowed Lincoln to bite them and feed on their blood, like with the other girls in his harem.

Batsy Claro: And this was due to us harboring feelings for Lincoln, and they all came into light when he saved us from those bounty hunters Trina Riffins hired to kidnap and kill us, because she still wanted revenge on us for humiliating her and to slake her thirst for blood.

Eli: That rage-crazy, angry, bad-tempered bitch, and I also still remembered that your man dropped another piano on her head and when she came out, she had piano keys in her mouth. Trina's just going to make things worse for herself.

Lincoln: You said it, Eli.

Misty Brightdawn: Trina's just going to make things a lot worse for herself if she can't let go of that petty grudge she has against us.

Lincoln: That'll never happen, Misty. Trina and the other jerks are too wound up and want nothing more than to get revenge on us, but we're well-prepared to teach them a lesson if they dare to escape to get revenge.

Me: You got that right.

Nico: I would've thought they'd learn their lessons, but no, they're too hard headed and too crazed and driven by revenge to learn anything. But, that's their problem, and it was caused by their bad deeds.

* * *

Later it was time for Erica's 3rd mission.

Me: Boy this is gonna be awesome.

Lola: Yeah it sure is!

William: Anyone else want to go with Erica? Besides the other Quantum Girls, Right, and Thomas the Tank Engine?

Lincoln: Me and my siblings will go.

Nico: Cool cool.

Deadpool: Ooh! Can I go?

Nico: Yes you can go Wade.

Deadpool: Yippee! (To the Viewers) You will love this folks.

Nico: (Groans) What have I done?

We were later off to Canada.

We arrived in Canada.

TOOOT TOOOT!

They saw us on Thomas.

Thomas: Hey guys!

Zixx: Wow! Hey guys!

Erica: Zixx, meet Right and Thomas the Tank Engine.

Zixx: Man I love Thomas the Tank Engine!

Thomas: Awesome to meet you.

Right: Same here. Sorry we weren't properly introduced during the war. I'm Right Suzuki, Red Ranger of the ToQgers.

Lisa Loud: Greetings. I'm Lisa.

Lily: And I'm Lily.

Zixx: Wow! That's a lot of kids.

Me: Yeah it sure is and yes their mom and dad all thought it would be cute if all their names started with the letter L.

Deadpool: Yep and also my name is Wade Winston Wilson.

Zixx: Deadpool!? Wow! It's an honor.

Me: Deadpool wanted to come with too.

Deadpool: Mr. Lynn and Rita have never used a condom. I shit you not.

Me: Wade! They are too young to know about that! But yes you're right.

Zixx: I see what you mean.

We laughed.

Zixx: He sure is funny.

Me: Wade is known for having a massive sense of humor when he kills bad guys.

Deadpool: Hey, isn't she the girl who's really a Freebix?

Zixx: Oh yes. This is Freida.

Freida: Awesome to meet you and it's an honor.

Me: Same here to you Freida.

Qin: Can we go somewhere to talk?

Zixx: Sure.

We went to the cafeteria of the school.

Megan: She didn't look human when we first met her. But that's when I took her home.

Me: Well she was in disguise. We saw lots of alien creatures in disguise.

Erica: And also Shanan told me all about the Freebix. They are peaceful creatures that have incredible psychic powers.

Freida: That's right.

Nico: Wow.

Riley: And that's not all she had. She also could freeze people just by hugging them.

Me: WHOA! Talk about getting the Cold Shoulder!

Eli: Literally!

Freida: Yeah. Lucy I notice that you and Lucille look like Twins.

Lucy Loud: We get that a lot.

Lucille: Aye. But I'm actually one of the Loud's ancestors from Scotland.

Me: We found out after one of Last Years major battles that we had that the Loud's are all descended from Scottish Royalty.

Laney: It's true.

Zixx: The battle with Team Dark Phoenix Storm?

Nico: The very same.

Lola: That was a really amazing battle.

I told them all about it and that was one of the most epic battles we've ever had.

Zixx: That is amazing!

Qin: It sure was. We were amazed as well.

Me: Freida can you show us what you can do?

Freida: Let me demonstrate.

Megan: Freida, no!

But it was too late. Freida hugged Deadpool, making him freeze up.

Me: WHOA! That is cool!

Qin: Wow! A subzero cold touch.

Zixx: Wait. If my hunch is correct-

Deadpool then unfroze 10 seconds later.

Deadpool: Fuck, that was weird!

Griff: I get it! Deadpool's healing factor makes sure he doesn't stay frozen for long.

Me: Yep Deadpool has an accelerated healing factor.

Griff: Wow!

Zixx: Yeah that is cool.

Me: It sure is.

Deadpool: Next time warn me.

Me: Wade that was just a demonstration.

Zixx: How come Wade doesn't show his face?

Me: Wade uhh.

Deadpool: Well this is why.

Me: You guys are not going to like this.

He took off his mask and revealed his HORRIBLE AND DISGUSTING SCARS!

Dwayne Welland vomited all over Adam Frake after seeing Wade's face.

OH SICK!

Adam Frake: OH SICK!

He put his mask back on!

Deadpool: Yeah it's why I never take off my mask.

Me: Sorry you had to see that!

Dwayne Welland: How the heck did that happen!?

Me: He got a really nasty form of cancer and his accelerated healing factor made that cancer part of him and made him horribly scarred and disfigured. Hence why he never takes off his mask.

Nico: Yeah it was crazy.

Deadpool: Yeah.

Zixx: Back to what we were saying, Onccalon and Deeth sent Jayda after Freida so they can use her for her own purposes.

Riley: And we know what happened the last time.

Me: Shanan told us all about her. Jayda is a juice bar girl with a rotten attitude.

Zixx: Yeah that's right.

Nico: Tell us all about her.

Zixx: Sure.

---

Jayda: Disguised as a cool, sardonic 18-year-old juice-bar girl, matching wits and weapons against Zixx and her team, she's the toughest opponent Zixx has ever faced. Brilliant, manipulative and resourceful, Jayda is also utterly ruthless and can also sing. She was trapped in the center of Level 2 after she destroyed Sirenelle during the final test and became the guardian of level two.

---

When she was done we were shocked!

Lori: I'll turn that monster into a human pretzel!

Qin: Save seconds for me!

Eli: Me too!

Twilight Sparkle: And all of us.

Me: Yeah. By the way Zixx, we owe you and your friends big for helping us during the war.

Zixx: It was awesome helping you guys.

Erica: Glad you guys had fun.

Adam Frake: I honestly killed lots of Opaline's goons.

Me: You sure did.

Zixx: I counted over 502,212,462 of them.

Me: Wow! Opaline had a massive army ready. But battle plan worked perfectly.

Rainbow Dash: It sure was an awesome battle.

Fluttershy: It sure did.

Me: :I'm gonna go set everything up.

I went and did so.

Erica: Me and the other Quantum Girls are gonna get changed into jumpsuits.

Zixx: Why?

Erica: (kicks off her shoes) We don't want our clothes getting destroyed, do we?

Me: Like Erica, Qin, Missy and Ellie are also gene-slammers.

Zixx: Oh I get it.

Nico: You'll see what they are soon.

I got everything all set up.

Me: Okay all set up.

Nico: I'll monitor you guys all from here.

Me: Yep.

We were ready.

Nico: Okay. Questworld Log On.

We had our virtual eye bands power up.

Me: GOING HOT!

We went into the Virtual World!

Me: We're in.

Deadpool: Oh this is so cool!

Lincoln: Wow! This is AWESOME!

Rainbow Dash: It sure is!

Missy Rodgers: Wow! Just like with Questworld.

Qin had a green jumpsuit, Missy's was orange and Ellie's was blue.

And Erica's was red.

Me: Wow. This is gonna be awesome.

Thomas: Wow! First time a train went into Questworld.

Me: First times for everything.

Eli: It sure is.

Right: (to Freida) So this is what you really look like?

Freida: It sure is.

Me: I think it's really awesome.

Eli: Like a true beautiful ice princess.

Freida: Thanks Eli. Also I sense a powerful energy in you.

Nico: Eli is also a member of the Jedi.

Freida: The Jedi? I thought they were destroyed ages ago.

Me: They were. By one of their own who was turned to the Dark Side of The Force. But Eli is what's called a Grey Jedi, a Jedi that masted both light and darkness.

Eli: It's true.

Freida: Wow.

Lincoln: Yeah.

Freida: As you can probably tell, my form updated since I betrayed the rest of my kind to save Zixx, Megan, and the others.

Me: Wow.

Erica: That's just like what happened with Hawkgirl. She betrayed her race the Thanagarians to save her friends.

Qin: Yeah that was nuts.

Nico: It sure was. But you did the right thing to save Zixx and the others Freida.

Freida: Thanks. They are the only true friends I have known.

Me: Well Earth is definitely your home now.

Lola: Yeah it sure is.

Freida: Thanks guys.

Me: Also believe it or not we have been to many planets all over the universe.

Missy: It's true. We are no strangers to going to many other kinds of planets.

Freida: That is amazing.

Adam Frake: You think if we weaken Jayda enough, Freida can freeze her?

Me: Absolutely.

Ellie Singh: And if any Undead show up we'll get them.

Me: Absolutely.

Deadpool: Oh it's gonna be awesome!

Nico: Yep.

Nico's radar picked up 5 blips.

Nico: Guys I'm picking up 5 blips ahead of you. They are in the next room.

Odd: I have a feeling this is gonna be good.

Riley: No telling what she has planned.

Yumi: But we're ready for Jayda.

Me: Lets go.

Nico: Be careful.

We went into the room and we saw JAYDA!

Jayda: Zixx, welcome.

Zixx: I'm not alone this time.

She turned and saw us and gasped.

Jayda: Team Loud Phoenix Storm!? You're all with Zixx!?

Me: That's right.

Eli: And we're here to stop you. In the name of The Galactic Senate and the Republic, (IGNITES LIGHTSABER) You're under arrest!

Jayda: Let's not make things complicated. Hand over the Freebix and we can all go home.

Me: Over my dead body.

Eli: The Jedi will decide your fate

Jayda: The Jedi are all gone.

Eli: Not anymore. They are back.

Me: We are rebuilding them.

Jayda: I'm gonna ask you guys nicely one last time. Fork over the Freebix. Or me and my friends here? We're gonna get real nasty.

Eli: What friends?

Then 4 figures came out and they were THE BEETLE, JELLYFISH, KERBEROS AND DEER UNDEAD!

Nico: Whoa! The Beetle, Jellyfish, Kerberos and Deer Undead!

Me: I remember these guys!

Eli: They were ugly!

Deadpool: You don't know who or what you are fucking around here with you brat!

Me: Yeah!

Nico: Yeah what he said!

Me: And to answer your question with Freida. Go fuck yourself!

Qin: Yeah!

Erica, Missy, Ellie, and Qin groaned as something grew inside their butts. Right, on the other hand, chose to use a simple transformation.

Right: ToQ Change!

NOW TRANSFORMING! PLEASE STAND BEHIND THE WHITE LINE!

Right Transformed!

TOQ ICH!

Right: THE VICTORIOUS IMAGINATION! RESSHA SENTAI TOQGER!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive red fire explosion went off behind him and he was ready!

The Quantum 4 transformed! Erica turned into A TYRANNOSAURUS! Missy turned into MEWTWO! Ellie went KINECELERAN! And Qin turned into SCALEBREATH!

Zixx: Whoa!

Freida: Wow! Ellie is a Kineceleran!?

Jayda: Impossible!

Me: Ugly story on that one. But you are going down Jayda!

I went Super Angel Wolf Moon Xelnaga!

Me: (Divine Wolf Moon Voice) This is gonna be good.

Right: Full Speed Ahead!

Thomas: (TOOTS HORN)

We went at them!

Ellie punched and kicked the Jellyfish Undead all over the place with incredible speed and force!

Erica grabbed the Deer Undead and whipped it around and then threw it into the wall.

Missy fired Psychic energy balls and they hit the Kerberos Undead and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOMMMMM!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBBBBOOOOOOOOOOMMMMMMM!

Qin fired a blast of incredibly hot fire breath at the Beetle Undead and it hit him and exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: OH YEAH!

Eli: Take that!

Right: (takes out Six Gum Gang's Progrise Key) Time for some Progrise Key action!

SIX GUM GANG'S RIGHTEOUS LAW DRAGONS!

He fired waves of gum and they hit Jayda and got her sticky!

Rainbow Dash: Time for me to Stand out! (ACTIVATE'S TCHANG ZU'S RIDEWATCH)

(STAND OUT BY TEVIN CAMPBELL PLAYS)

Rainbow Dash: (SINGING DIVINELY AS LIGHTNING SWIRLED AROUND HER)

Open up your eyes, take a look at me

Get the picture fixed in your memory

I'm driven by the rhythm like the beat of a heart

And I won't stop until I start to stand out

Hmm, to stand out

Some people settle for the typical thing

Livin' all their lives waitin' in the wings

It ain't a question of if, just a matter of time

Before I move to the front of the line

Once you're watchin' every move that I make

You gotta believe that I got what it takes

To stand out above the crowd

Even if I gotta shout out loud

Till mine is the only face you see

Gonna stand out till you notice me

If the squeaky wheel's always gettin' the grease

I'm totally devoted to disturbing the peace

And I'll do it all again when I get it done

Until I become your number one

No method to the madness and no means of escape

Gonna break every rule, I'll bend 'em all outta shape

It ain't a question of how, just a matter of when

You get the message that I'm tryin' to send

I'm under a spell, I'm in over my head

And you know I'm goin' all of the way till the end

To stand out above the crowd

Even if I gotta shout out loud

Till mine is the only face you'll see

Gonna stand out till you notice me, yeah

If I could make you stop and take a look at me

Instead of just (walkin' by)

There's nothin' that I wouldn't do

If it was gettin' you to notice (I'm alive)

All I need is half a chance

A second thought, a second glance to prove

I got whatever it takes

It's a piece of cake

To stand out above the crowd

Even if I gotta shout out loud

Till mine is the only face you'll see

Gonna stand out, stand out, hey

Stand out, yeah, yeah, yeah, yeah

Stand out, mmm

Till mine is the only face you'll see

Gonna stand out till you notice me

She ran fast with incredible lightning striking all over and she punched and pulverized Jayda all over with amazing speed.

Jayda: You are good with singing.

Me: Heard you're a good singer yourself.

Jayda: Thanks. Too bad you insisted on not giving me the Freebix. Now? You're making me do this.

Thomas: (gets out Big Daddy Boo's Progrise Key) Sorry. But if we handed Freida over, it would prove people like Scott and Evil Sasuke right about us not really being heroes.

BIG DADDY BOO'S CROCODILE SWAMP POWER!

Thomas fired waves of swamp energy and blasted her down!

Fluttershy: Oh here is one of my favorites. (ACTIVATES BUSHROOT'S RIDEWATCH)

(IN A BIG COUNTRY BY BIG COUNTRY PLAYS)

Fluttershy: (SINGING DIVINELY AS LEAVES, FLOWERS, GRASS AND ENERGY SWIRLS AROUND HER)

I've never seen you look like this without a reason

Another promise fallen through

Another season passes by you

I never took the smile away from anybody's face

And that's a desperate way to look

For someone who is still a child

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive, here we go

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

So take that look out of here it doesn't fit you

Because it's happened doesn't mean you've been discarded

Pull up your head off the floor, come up screaming

Cry out for everything you ever might have wanted

I thought that pain and truth were things that really mattered

But you can't stay here with every single hope you had shattered, see ya

I'm not expecting to grow flowers in a desert

But I can live and breathe

And see the sun in wintertime

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

Ha, ha

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

In a big country dreams stay with you

Like a lover's voice fires the mountainside

Stay alive

She danced and punched and kicked and pulverized Jayda all over.

Nico: YEAH!

Eli: Oh here's a funny one. (ACTIVATES PLANTMAN'S RIDEWATCH)

(GEORGE OF THE JUNGLE BY THE PRESIDENTS OF THE UNITED STATES PLAYS)

Eli: (SINGING DIVINELY AS LEAVES AND GRASS SWIRLED AROUND HIM AND TREES GREW)

(JAYDA WAS SMASHING INTO EACH TREE)

George, George, George of the Jungle

Strong as he can be

Watch out for that tree (KRASMASH!)

George, George, George of the Jungle

Lives a life that's free

Watch out for that tree (SMASH)

When he gets in a scrape

He makes his escape with help from his friends

An Ape named Ape

And his elephant sheep can fetch a log

He's mans best friend, he's George's dog

George, George, George of the Jungle

Strong as he can be

Watch out for that tree (KRASMASH!)

George, George, George of the Jungle

Friend to you and me

Watch out for that tree (WHAM!)

Hear him holler swing and sing

All the animals come to the jungle king

So grab a vine and swing in time

If you smack a tree just pay no mind (SMASH!) (Birds Chirp)

Like…

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

George, George, George of the Jungle

Swing from tree to tree

Watch out for that tree (KRABLAM!)

George, George, George of the Jungle

Lives a life that's free

Watch out for that tree (DEVASTATING KRABLAM)

Jayda: (Stupid Talk) Jayda not feel so good.

Eli: (CONTINUES SINGING)

Lost in the wild was a baby with a smile Named George

Who stayed for quite a while

And George grew up in the trees above

When Ursula found him, they found love

She took him to the city, took him straight downtown

But the concrete bliss brought poor George down

So it's back to the jungle for a wedding in the green

For the king and queen of the animal scene

George, George, George of the Jungle

Strong as he can be

Watch out for that tree (

Watch out for that!

Bang! Ooh! Tree! (SMASH!)

George, George, George of the Jungle

Watch out for that tree! (KRABLAM!)

Jayda was really going to be feeling that one!

The Jellyfish Undead grabbed Deadpool and tore his legs off.

Adam Frake: Oh, shit! Deadpool, are you ok?!

Deadpool: Relax! I'm fine! It's gonna take me some time to reattach my legs. But in the meantime, I can still do this! (fires guns at Jellyfish Undead)

He blasted it all over!

Me: Deadpool has an accelerated Healing Factor remember?

Adam Frake: Oh right.

Zixx: You got to admit though, seeing all that happen to Jayda was REALLY funny!

Ellie zoomed fast and blasted and smashed the Jellyfish Undead all over.

Ellie: What makes Kinecelerans so fast is our speed.

ZOOM! ZOOM!

She zoomed around him in a powerful circle and smashed him all over.

Jayda got up.

Jayda: (Stupid talk) Hey if you find any teeth laying around, they are mine.

Lincoln hopped on Erica's back.

Lincoln: I hope you don't mind me riding on you, Erica.

Erica: Not at all Lincoln. Lets get them!

She and Lincoln went at the Deer Undead and Lincoln fired waves of lightning and electrocuted it.

Lincoln: Time for some explosive power! (ACTIVATES RTN DEIDARA'S RIDEWATCH)

(PEOPLE ARE PEOPLE BY DEPECHE MODE PLAYS)

Lincoln: (SINGING DIVINELY AS EXPLOSIONS AND ENERGY SWIRLED AROUND HIM)

People are people, so why should it be

You and I should get along so awfully

People are people, so why should it be

You and I should get along so awfully

So we're different colours and we're different creeds

And different people have different needs

It's obvious you hate me though I've done nothing wrong

I've never even met you, so what could I have done

I can't understand

What makes a man

Hate another man

Help me understand

People are people, so why should it be

You and I should get along so awfully

People are people, so why should it be

You and I should get along so awfully

And now you're punching and you're kicking and you're shouting at me

I'm relying on your common decency

So far, it hasn't surfaced but I'm sure it exists

It just take a while to travel from your head to your fist

I can't understand

What makes a man

Hate another man

Help me understand

People are people, so why should it be

You and I should get along so awfully

People are people, so why should it be

You and I should get along so awfully

I can't understand

What makes a man

Hate another man

Help me understand

I can't understand

What makes a man

Hate another man

Help me understand

I can't understand

What makes a man

Hate another man

Help me understand

I can't understand

What makes a man

Hate another man

Help me understand

I can't understand

He fired waves of energy and they hit the Deer Undead and exploded all over the place!

Nico: OH YEAH!

Luan: Take this one! This one has lots of TRASH TALK! (LAUGHS) Get it?

I laughed at Luan's Joke!

I've got to get to you first

Before they do

It's just a question of time

Before they lay their hands on you

And make you just like the rest

I've got to get to you first

It's just a question of time

Well, now you're only fifteen

And you look good

I'll take you under my wing

Somebody should
They've persuasive ways
And you'll believe what they say
It's just a question of time
And it's running out for you
It won't be long until you'll do
Exactly what they want you to
I can see them now
Hanging around
To mess you up
To strip you down
And have their fun
With my little one
It's just a question of time
And it's running out for you
It won't be long until you'll do
Exactly what they want you to
It won't be long until you'll do
Exactly what they want you to
Sometimes I don't blame them
For wanting you
You look good

They need something to do

Until I look at you

And then I condemn them

I know my kind

What goes on in our minds

It's just a question of time

It's just a question of time

It's just a question of time (it should be better)

It's just a question of time (it should be better with you)

Laney sang divinely as the song of the sirens was heard and Laney's divine voice was drawing in many of Jayda's goons like they were hypnotized and then I swooped in and slashed them all over the place with incredible fury and destroyed them all over.

Nico: WHOA! Nice job Laney!

Lynn: Yeah Lanes!

Erica opened her mouth and chomped on the Jellyfish Undead.

She threw it and it was defeated and Eli threw a card a sealed it into it.

Nico: YEAH!

Me: 2 down.

Lucy: Time for the darkness to come. (ACTIVATES REX GOODWIN'S RIDEWATCH)

(IN THE DARKNESS IS THE LIGHT BY MOLLY PHILLIPS PLAYS)

Lucy Loud: (SINGING DIVINELY AS PURPLE FIRE SWIRLED AROUND HER)

Demons come from every side

In the darkness is the light

Pulling me on a downward slide

In the darkness is the light

Getting hot the deeper I go

In the darkness is the light

Into the darkness down below

In the darkness is the light

Now the ghosts come dancin' by

In the darkness is the light

Out of the shadows of my life

In the darkness is the light

All of my losses, none of my wins

In the darkness is the light

Why do I have to face them again?

In the darkness is the light

I live my life in one straight line

The future ahead and the past behind

Don't want to go back to yesterday

But I don't know how long I can run this way

A jungle hung with tangled vines

In the darkness is the light

I'm tangled up in my own lines

In the darkness is the light

A creature there in darkness lies

In the darkness is the light

Why is it that he has my eyes

In the darkness is the light

I live my life in one straight line

The future ahead and the past behind

Now I've hit a wall like I never knew

And they tell me that the only way out is through the air

They say the truth will set me free, yeah

In the darkness is the light

Free to be down here on my knees, yeah

In the darkness is the light

Just when I thought I'd lost my sight

In the darkness is the light

I catch a glimpse of that beautiful light

In the darkness is the light

In the darkness is the light

Surrender will win the fight

This girl's walked on fire and ice

But I come out on the other side

Of paradise!

Oh yeah, paradise!

She danced and fired waves of darkness and purple fire and smashed down Jayda.

Missy used a Confusion attack.

She fired a wave of energy and it hit the Kerberos Undead and it then went after the Beetle Undead and then I fired a massive energy blast and it hit both Undead and they exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were down and I used 2 Rouse Cards and they were sealed!

Nico: YEAH! Those 4 Undead have failed this city.

Lola: Yeah they have!

I then unsheathed my sword.

I went and I jumped and slashed Jayda and carved the letter M into her face!

Me: M for Murietta.

Jayda: A bunch of people and 1 will be dead!

Griff: What does Murietta stand for?

Nico: It's for Joaquin Murrieta who was a notorious California outlaw 1853.

Me: Murietta is also Spanish for a Dead Man. It serves as my mark for her.

Qin: It's also from Zorro.

Griff: Nice!

Freida: Try Frozen Woman. (hugs Jayda's leg)

Jayda: (realizes what's going to happen) Oh crap.

Freida turned Jayda into a block of ice!

Nico: Jayda you have failed this city.

Me: More like she has failed this entire planet.

Zixx: That's for sure!

Me: But now we have 4 more Undead sealed.

Nico: Yep.

We got the Beetle, Deer, Kerberos and Jellyfish Charms added to our bracelets.

Nico: Lets get you back guys.

We were back home.

Erica: Now to revert back. Someone hand us some towels.

Rarity: Oh I'm on it darlings.

Rarity gave them towels.

Me: Don't look guys. If you look, my daughter Nicole will kill you.

Deadpool: Okay.

The 4 girls reverted back and we covered our eyes.

Deadpool then moved his fingers.

Me: HEY!

POW!

I punched Deadpool.

Deadpool: Okay okay okay!

He covered his eyes.

The girls got their clothes back on.

Erica: You can look now guys.

They had their clothes on.

Zixx: Does it hurt?

Erica: It used to but not anymore. We're used to it.

Missy: Yeah. It's cool.

Erica: But it's awesome.

* * *

We later came home.

May: Hey guys!

Nico: WHEW!

Eli: That was so awesome.

May: How was it?

Me: One of the most epic.

We told everyone everything and it was awesome.

Varie: Whoa! That is cool!

Captain America: Was Deadpool well behaved?

Me: He was Steve.

Deadpool: But it was so fun!

Me: Yeah and Dwayne threw up all over Adam at the sight of Deadpool's scars.

Captain America: Ah they found out his origin story.

Qin: Yeah but it was still fun.

May: Next time, Shanan, Vert, and Juru should come with you.

Nico: Awesome idea.

Erica: Yeah it is!

Shanan: It'll be awesome to see Zixx and help them out again.

Vert: Yeah! We're looking forward to this one.

Later at Lynn's Table we were having an awesome victory party over the defeat of Queen Opaline!

All of us: (CLINKS GLASSES) CHEERS!

Me: To the defeat of Queen Opaline!

Nico: YEAH!

All of us: YEAH!

We had an awesome meal spread out too.

Hunch: Now this is a victory meal!

Nico: You said it Hunch!

We had burgers, pizza, hot dogs, everything.

Misty Brightdawn: Man this looks so awesome.

Me: It sure is.

Lincoln: I'll say.

Vypra: Boy that was one of the most epic battles ever.

Rainbow Dash: It sure was.

Sunny Starscout: It was all all amazing!

Zipp Storm: We all were amazed with how the battle went.

Me: 12 of the 24 enemies were given the Black Gates and the rest were thrown in jail.

Nico: They sure were.

Lola: And we were not expect some of last years major enemies to make a comeback.

Poromon: I would have loved to see Opaline bring back Mr. Mind. I would have loved to eat him again.

We laughed at that one.

Poromon: I was being serious. But yeah.

Me: I know Poromon.

Sperg's Mother: Sperg, here's the lunch I packed you.

Sperg: Aw thanks mom.

Me: Sperg your mother is absolutely beautiful.

Sperg: She sure is.

Sperg's mother: Oh thank you J.D.

Me: You're welcome.

Amy: She is still ugly!

We gasped!

Me: Uh oh! Big mistake Amy.

Sperg: NO ONE TALKS ABOUT MY MOTHER THAT WAY!

Sperg went over and gave Amy and brutal and hardcore thrashing!

Soundwave: Sperg's Mom Superior. Amy Inferior.

Me: That's for sure Soundwave.

Sperg's mom: But it's sweet of Sperg to defend me like that.

Me: It always is. Sperg does all that because he loves you.

Mandy: That is true.

Vert: Too bad Opaline didn't recruit Krytus.

Zick: Or Magnacat.

Blaster: Relax. I'm sure we'll take them out next year.

Me: Yeah we sure will.

Nico: And we'll give them both the Black Gates.

Lola: Yeah.

Qin: Those two will pay for their crimes.

Lusamine: Nico, which teams have you made this time?

Nico: Zak's team will include Eiliea the Winged Mermaid, Drew Saturday, Doc Saturday, Fisk, Komodo and Zon. Ed Grant's team will include Kujaku, Stan Lee, Human Torch, Tania, and Sperg's Mom.

Me: Nice!

Sperg: Cool!

Laney: Stan Lee!? Wow! This will be cool!

Lola: It sure will.

Zak: And the whole family in my group! Awesome!

Vypra: Boy the groups you guys made are awesome.

Lola: This is just to start Vypra.

Dodgeball Wizard: Can me, Vanitas, Manta Bayarsh, Black Lance, Multiple Man, Puppetmon, Gameface, David Cain, Kerbero Gangan, and Juggernaut go with you guys?

Emil Eagle: Me, Lequack, Rishu, Superfriends Captain Cold, Zara, Lanhua, Yost Whirlwind, Capricorn Zodiarts, Thursday Man, and Bradford Buzzard will come as well.

Nico: Yes you all can come with us. And you guys will love our next mission. We're going to help Lightning McQueen in the world of Cars next.

Lola: Awesome!

Xenia: So we're heading back to Radiator Springs.

Nico: Well we're going to watch the 2nd Cars movie and then you'll see what the mission is like.

We later went back to the estate and we got to watching the movie.

---

British spy Finn McMissile infiltrates an oil rig owned by a group of criminal lemon cars to rescue fellow spy Leland Turbo, who has blown his own cover. He witnesses the criminals, seemingly led by German weapons designer and scientist Professor Zündapp, load an electromagnetic pulse generator, disguised as a TV camera onto a shipping crate. After discovering Leland's death, a burst of flames reveals his presence to the criminals, and he escapes by faking his death.

Five years after the events of the first film, after winning his fourth Piston Cup, Lightning McQueen returns to Radiator Springs to spend his off season with his friends. However, Italian formula race car Francesco Bernoulli challenges Lightning to take part in the World Grand Prix, an international three-race event created by former oil tycoon Sir Miles Axlerod, who intends to promote his new environmentally friendly fuel, Allinol, and invites race cars from around the world to compete. Lightning and his best friend Mater - along with Luigi, Guido, Fillmore, and Sarge - depart for Tokyo for the first race of the World Grand Prix.

At a World Grand Prix promotional party event, Mater makes a scene after eating a bowl of wasabi and leaking on stage, embarrassing Lightning in front of everyone. While cleaning up, Mater interrupts a fight between American spy Rod "Torque" Redline and lemons Grem and Acer. Redline plants his tracking device on Mater, causing Finn and his associate Holley Shiftwell to mistake him for the spy. Meanwhile, Redline is captured and killed by Zündapp, who reveals that Allinol is set on fire when hit with the EMP from earlier. He informs his superior, an unknown mastermind, that Redline passed on his information. Holley finds and recruits Mater to stop Zündapp's plot.

At the first race, three racers are ignited by the camera, making their engines explode. Lightning places second in the race after Bernoulli, due to miscommunication with Mater, who was evading Zündapp's henchmen with help from Holley and Finn. Lightning angrily snaps at Mater, who then goes to the airport to return to Radiator Springs, but is abducted by Finn as the lemons close onto both, and they flee in Finn's jet, Siddeley. After traveling to Paris, to collect more information from Finn's old friend and underground informant Tomber, they travel to Porto Corsa, Italy, where the second race is being held. During the race, Mater infiltrates the criminals' meeting, just as a few racers are flamed out by the camera, causing a multi-car pile-up, while Lightning wins. Due to controversy and increased fears over Allinol's safety, Axlerod lifts the requirement to use it for the final race in London. However, when Lightning decides to continue using it, the lemons plan to kill him in the race. Frightened by the realization that his best friend is in danger, Mater accidentally blows his cover, causing him, Finn, and Holley to be captured and tied up inside Big Bentley, where he admits to them that he is not the spy they think he is.

When the race starts, Lightning takes the lead before passing Big Ben. However, the camera was inexplicably defective on him. The criminals tell Mater they planted a time bomb in Lightning's pits as a backup plan, spurring him to break free and escape. Finn and Holley escape soon after but realize that the bomb was fitted on Mater's air filter when they were passed out as the criminals predicted that Mater will easily escape to help Lightning. Mater had already arrived at the pits when they tell him this, so he flees down the track while Lightning chases after him to apologize for his outburst in Tokyo. Finn apprehends Zündapp when he attempts to escape. The other lemons arrive and outnumber Finn, Holley, Mater, and Lightning, but they are soon rescued by the arrival of the other Radiator Springs residents and Sarge's buddies in the British Army. Mater and Lightning go to Buckingham Palace, where Mater exposes Axlerod as the mastermind behind the plot, proven after forcing him to disable the bomb. It is then revealed that the World Grand Prix was a cover-up by Axelrod to turn the world against Allinol and other alternative fuels, and he was also the one who was leaking oil in Tokyo, blaming Mater for it. After Axlerod and the lemons are arrested by the London Police, Mater receives an honorary knighthood from the Queen, and he and Lightning reconcile.

Back in Radiator Springs, Mater tells everyone there about his story, just when Finn and Holley stop over. Fillmore then reveals that Sarge swapped the Allinol with Fillmore's organic fuel, which explains the camera's ineffectiveness on Lightning. A "Radiator Springs Grand Prix" is held featuring all the World Grand Prix contenders. Mater declines an invitation from Finn and Holley to go on another mission, choosing to stay in Radiator Springs. Though his weapons get confiscated, he gets to keep the rockets and catches up to Lightning, who speeds off with Mater behind him, just as Siddeley speeds into the distance.

When the movie was done we were amazed and cheered wildly!

Qin: OH YEAH! Awesome!

Laney: Yeah! So our next target is Lemons.

Leni: Why are they sour?

Lisa Loud: Leni, Lemons means they are bad cars that didn't do well.

Leni: Oh right.

Magmon: Nico, which Gene Slammer do you think you'll meet next?

Nico: Right the Mandatory Question. I'm hoping to do one for Venusaur next.

Me: Ooh a Pokemon Gene-slammer next.

Qin: Cool!

Lola: That will be cool.

Nico: Yeah. First what can you all tell us about the main target?

Me: Lemons is a bad group.

I pulled up their info.

---

The Lemons are the main antagonistic faction of Pixar's 12th full-length animated feature film Cars 2.

They are a terrorist organization of lemon cars known for their several manufacturing defects that left them rejected by the world, and they intend to get their revenge by discrediting alternative fuel in order to make profit out of selling oil. This terroristic group consists of 44 notable members and five notable associates.

Contents

History

According to their boss Sir Miles Axlerod, the Lemons have felt rejected by the world because of their defects during the past, an event that left them feel unloved. The film, however, reveals little details regarding how their fellow cars treated them.

As such, Miles Axlerod formulates a plan that involves forcing the entire world to abandon alternative fuel and resorting to using oil (as he still owns the largest oil reserves in the world despite his claims that he has been converted into a hybrid). To that end, Axlerod created the World Grand Prix for racers around the world and a new alternative fuel called Allinol (which is actually gasoline engineered to ignite by an EMP beam). He also plans on murdering anyone who gets in their way.

Being in cahoots with Axlerod's plot and sharing the ownership of the oil reserves, several Lemon families conspired to aid Axlerod in his plan to sabotage the Grand Prix races. To that end, Axlerod gets his right-hand Professor Zündapp to create EMP weapons designed as Prix cameras to ignite any Allinol supply during the races. Because of this, the first two races in Tokyo and Porto Cosa were disasters as many racers engaged into crashes after getting their Allinol ignited by the EMP beams. To cover his tracks, Axlerod suspends on using Allinol for the third and final race in London, though Lightning McQueen stand firm on his decision to use Allinol. Because of this, Axlerod contacts Zündapp to murder McQueen during the final race. This was witnessed by McQueen's best friend Mater, along with two British agents Finn McMissile and Holley Shiftwell, who end up being captured and take hostage in Big Bentley.

During the final race, Zündapp gets Grem and Acer to fire up their EMP beam on McQueen, but the latter escapes unharmed (due to Sarge switching McQueen's Allinol supply with Fillmore's organic fuel), just as Mater escapes to warn McQueen of the plot. Anticipating this, Axlerod arranges for Zündapp to place a bomb inside Mater's air filter so that he and McQueen would be killed by the explosion. As Mater runs off out of range, Zündapp ends up being chased by a freed McMissile, forcing the other Lemons to take action and catch McQueen. Though McMissile and Holley manage to defeat Zündapp, the other Lemons surround them in an intersection, preparing to wait for the imminent explosion to kill McQueen, Mater and the agents. Mater tries to talk the Lemons out of the plan by pointing out that it won't make them feel any better, but even though the Lemons agree with him, they still want him and his friends dead for their greed. Fortunately, McQueen brought in his friends from Radiator Springs to stop them, forcing the Lemons to surrender.

Mater eventually proceeded to expose Axlerod as the mastermind behind the plot by forcing him to deactivate the bomb within close range. With the plot exposed, the Lemons are arrested for conspiracy to commit crime, murder, attempted murder, and embezzlement.

Members

The Lemons are a coalition of at least four criminal families made up by cars infamous for malfunctioning. Out of the fourty-four known members listed here, at least 70% (31 out of 44) of all of the Lemons were arrested.

Nico: Whoa man! These guys are all bad news.

Qin: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, and Luan's Third Eye and the red iris of Lynn's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Emperor Percival Tachyon from Ratchet & Clank Future: Tools of Destruction, and he's coming to get revenge on Ratchet and Clank for ruining his plans to take over the universe. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lori, Leni, Luna, Luan, Lynn, is someone else coming after us?

Lincoln: You guessed it, Nico, and Ratchet, Clank, you're not going to like this one bit: the dark energy signal we sensed belongs to your old enemy, Emperor Percival Tachyon, and he's coming to get his revenge on you guys for ruining his plans to take over the universe.

We gasped.

Ratchet: Oh no, not him again, I thought I'd never have to see him again.

Clank: Same here.

Sunset Shimmer: That genocidal tyrant's got a lot of nerve to show his face again after you guys sent him to another dimension.

Rosa Espada De Fuego: (Spanish Accent) That madman must be stopped once and for all, and that'll be left to me, Lincoln, and Tyris.

Tyris Flare: We'll make him regret coming back to get his revenge.

Lincoln: That's right, and we'll make sure that his entire race is driven into extinction for their crimes against the Lombaxes.

Nico: Now, that's what I like to hear, Lincoln. Alright, gang, let's go, we got word Lightning McQueen and his friends need help in dealing with one of their enemies.

Lincoln: It's been a long time since we've helped Lightning McQueen and his friends, and once we get done dealing with whoever is causing trouble for him and his friends, you're next, Emperor Tachyon.

Vanitas: We should get going.

LeQuack: (French Accent) I hope Mater and the rest are okay.

Nico: Lets head out.

We went to the garage and got to our cars and we were off to Radiator Springs.

---

We arrived at Radiator Springs.

Me: Radiator Springs dead ahead.

Nico: Wow it's as beautiful and awesome as ever.

Qin: Yep..

RD Lola: Do they have any Chitty Bang Bang cars here?

Me: I don't think so. But that would be cool.

Lola: It sure would.

Qin: I love that movie.

Laney: Me too.

Camie: Brings back good memories.

Then Lightning and gang saw us pull up.

We got up.

Lightning McQueen: Hey hey guys!

Zara: Hey, Lightning!

Black Lance: What's up?

Lightning McQueen: Awesome you guys are here.

Me: How have you all been?

Lightning McQueen: Awesome as ever. Won 30 more races.

Me: Awesome!

Eli: We have 20 members now of the M.O.E. With us because we have Neo-Core battles now.

Beelzemon: Has Mater told any Tall Tales lately?

Lightning McQueen: Not that I know of.

Mater: But it's great you guys are all here. We need your help.

Me: Don't tell us. Lemons is on the move.

Mater: That's right.

Lola: Looks like we got here just in time.

Carly Atlas: We sure did.

Misty Tredwell: Yeah no kidding.

Lightning McQueen: Yeah you sure did. Also wow you guys have many more members than you did.

Me: We have been increasing a lot lately.

Lightning McQueen: Yeah we can tell. Also we heard about the battle you guys had with Opaline. Great job guys.

Laney: Thanks.

Juggernaut: Who's really the leader of the Lemons?

Bradford Buzzard: Axlerod or Zundapp?

Me: Zundapp did most of the dirty work. Axlerod is the one that is pulling the strings.

Mater: That's right. He is the true leader.

Me: But regardless they ALL are going to prison.

Lola: Yeah.

Lightning McQueen: Yeah that is for sure.

Ellie Singh: Oh and Lightning I hope you are okay with this but I picked Chick Hicks as my archenemy.

Lightning McQueen: Hey I'm cool with that.

Disk Wars Deadpool: He's even planning his own talk show. Wait until the next chapter though.

Lightning McQueen: Oh-Kay. But I'm still cool with Hicks being Ellie's archenemy.

Qin: Cool cool.

Lola: Yeah.

Xenia: But I still am glad you're doing okay.

Kerbero Gabgan: Does this mean we'll meet Finn McMissile?

Thursday Man: I heard he's a secret agent.

Mater: Yes you guys will meet him.

Qin: Cool!

Lola: Yeah this will be fun!

Me: And we're going to kick some butt.

Lola: Or bumper to be specific.

Alan: I heard Mater played a big part in the Lemons' defeat.

Mater: I don't mean to brag. But that's true.

Ann: You should be proud of yourself.

Mater: Oh I sure am.

Me: Yeah you are a true hero.

Qin: Yep. It's awesome.

Lola: Well the Lemons are going to get a new home in jail.

Capricorn Zodiarts: Where's Finn right now?

Mayer: He's on his way.

David Cain: Or the Lemons probably captured him.

Eli: No I don't sense that he was captured.

Me: But it's awesome we're going to meet him.

Qin: Yeah.

Panty Stocking: But either way we're going to give those fuckpot cars what for.

Tayuya: Fuckin A.

Then we saw Finn McMissile come.

Finn McMissile: Sorry I'm late. I had to take a shortcut through Frank's place and man, he wasn't happy!

Loud House Taylor: Yeah, we probably should've warned you about that.

Me: Well we'll worry about him later.

Finn McMissile: I know. The Lemons are coming and they are coming for revenge.

Me: Probably on Mater.

Qin: No way are we letting them touch him.

Finn McMissile: You all probably need to know first about their goals.

Yost Whirlwind: I've been wondering about that.

Gameface: Does it involve Alinol?

Finn McMissile: Yes. And they want to Rid the world of alternative fuel and turn them back to gasoline in order to make Axlerod rich.

We gasped in shock!

Me: Fossil Fuels are poison to the air.

Nico: Yeah.

Laney: We can't let them do that.

Finn McMissile: And then, there's the cameras that they use.

Block Man: I'm afraid to ask. But what do they do?

Finn McMissile: They produce an electromagnetic pulse that causes the cars with Alinol to ignite and explode and crash.

Lightning McQueen: It's what led to the races in Tokyo, Porto Cosa and London to be complete disasters.

We gasped!

Qin: Whoa man!

Me: That is dangerous!

Lola: No kidding!

Lanhua: Are there any of said cameras here?!

Puppetmon: If there are, we need to take them out!

Nico: What do they look like?

Lightning McQueen: They look like TV Broadcasting cameras.

Qin: Oh man.

I looked and I found a camera.

I went over to it.

Me: I think I found one.

I brought it over to us.

Me: This it?

Finn McMissile: That is definitely one.

Me: Hmm. Very well made.

Nico: Lets see if it works.

Finn gave us a barrel of Alinol and I pointed the camera at it from 25 feet away.

Me: Here we go.

I fired it and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The Alinol exploded in a massive fiery explosion!

Me: WHOA!

Eli: WHOA! That is powerful!

Carly Atlas: Wow! It really works!

Nico: It's like having a nuclear explosion in cannon form.

Akira Nijino: With these cameras, those vile cars will ensure one's place to die.

Me: Yeah you gut that right.

Nico: Maybe we can use this on bad cars. We can turn the tables on Lemons and use their own weapon against them.

Eli: Not a bad idea.

Mater: I like it.

Me: And don't worry guys, I'll use my powers to protect all other cars and us from this.

Eli: Good idea.

Varie: Yeah.

Superfriends Captain Cold: Okay, we can use some of the cameras.

Multiple Man: Me and my clones are destroying the rest!

Multiple Man made 620 clones of himself. The clones then spread out to find the cameras.

Nico: Okay.

Me: Let me see here.

I turned on my radar and it showed many EMP Cameras all over Radiator Springs!

Nico: Whoa! They are all over!

Multiple Man: Then lets get them!

They were all destroyed.

Me: Good.

Nico: Wait look.

We saw a huge dust cloud and saw numerous cars approaching. We saw that it wass LEMONS!

Me: Here they come!

Metal Man: Entrance time on those lemony assholes!

Nico: Lets go!

We hid.

Then the Lemons group appeared and they were looking around.

Sir Axelrod: (British Accent) What? Where are those foolish cars?

But then the Elements of the Magic of Friendship appeared and then swirled around them and they swirled around them and then converged and then…

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and then a phoenix cry was heard.

We came out.

Me: Sir Axelrod and Lemons you all are under arrest!

Manta Bayarsh: (to Axlerod) Okay, we're just having you tied up.

Rishu: It's Zundapp we want!

Zundapp: How appropriate, given how I did all the work the last time.

Me: We're going to make sure you all are thrown in the Impound Lot.

Nico: That's for sure.

Qin: You are not poisoning the planet with your revolting gasoline on our watch!

Nico: That's for sure.

Then Thundermon, MetalSeadramon, Mortal Kombat Scorpion, Stratos, Samon Shakekisutanchin, Count Spankulot, Xigbar, Evil Star, Six Gum Gang, Fixer, Morrigan, Pisces Zodiarts, Tobias Whale, Superfriends Cheetah, Brutus, Mr. Freeze, Roller Ghoster, Utomodachi, Constructicon Devestator, and Warp appeared.

Nico: Thundermon, MetalSeadramon, Mortal Kombat Scorpion, Stratos, Samon Shakekisutanchin, Count Spankulot, Xigbar, Evil Star, Six Gum Gang, Fixer, Morrigan, Pisces Zodiarts, Tobias

Whale, Superfriends Cheetah, Brutus, Mr. Freeze, Roller Ghoster, Utomodachi, Constructicon Devestator, and Warp.

Thundermon: So, how's it feel to have now all the core 310 come with you on a rescue at least once?

Nico: It actually feels like a big accomplishment.

Me: You got that right.

MetalSeadramon: Good to know.

Mortal Kombat Scorpion: You should be proud of yourself.

Me: We are.

Stratos: We heard you went to the beach.

Me: Yep we sure did.

Samon Shakekisutanchin: How was it?

Nico: Fun and awesome. We had a relaxing time.

?: Glad to hear.

He overpowers them using his chest cannons, but he retreats with Metal Alice after. They go back to battle the rangers but Robo Knight arrives and aids the Rangers. Rotox DX: That's right. Good memory.

Rotox DX: (chuckles) Oh yeah. Very different.

Me: But he still packs a wallops.

Sir Axelrod: HEY! You guys are supposed to be villains! KILL THEM!

Thundermon: We make our own choices! You will NEVER tell us what to do!

Qin: That's right!

Lola: Yeah!

We got the battles underway.

## Flare Corona, Sunset Shimmer, Pipsqueak, Fire Skylanders, Den-O Riders, Sasame Fuma and RD Lola vs Mortal Kombat Scorpion - Lincoln's Rescue

Mortal Kombat Scorpion was next.

Mortal Kombat Scorpion: (to Flare Corona) I heard Lincoln's rescue was in Titania. That shouldn't be confused with our teammate of the same name.

Flare Corona: No it shouldn't. But you should have seen what happened. We faced Belle Muldoon's evil parents and we found out something shocking about them.

Mortal Kombat Scorpion: What is it?

Sunset Shimmer: We found out that they were lawyers that abused their power and did crimes.

Pipsqueak: (British Accent) Yeah it was crazy!

---

Nico: So, we also got two more evil parents to stop, yikes.

Lincoln: And I should also tell you this: I was the one who sent Belle Muldoon's parents to prison long ago, and with help from Hikari Viper, I also uncovered some very dark secrets about them.

Most of us gasped in shock, except for Lincoln's sisters and Ronnie Anne, Paige, Girl Jordan, Paige, and Lincoln's Guardian Angels.

Me: This is really serious. Lincoln, can you tell us everything about how you got Belle Muldoon's evil parents sent to prison?

Lincoln: Of course, J.D., after Belle Muldoon was sent to prison, I would've thought that Mr. and Mrs. Muldoon would've disowned her after she was expelled and sent to prison, but I saw that they had a glare of hatred towards Leni, and I knew they wanted her dead for this. However, there's no way I can get them to admit to any wrongdoings, and Mr. and Mrs. Muldoon were well-known prominent attorneys, so I asked Hikari Viper for help, she contacted the CIA for a warrant to use wire taps, and when she told them that she was looking into Mr. and Mrs. Muldoon after Belle Muldoon's expulsion and arrest, they told her they were also looking into them as well. So, she got the warrant and she put wire taps on the phones, and we soon overheard many of their conversations of how they wanted revenge on Leni for getting their daughter expelled and sent to prison and they also wanted all of us dead as well for being related to Leni. We'd found out that they were planning to bust Belle Muldoon out with help from The Black Daffodil Gang, and they also got into contact with the parents of Tyler Corso and Nate Krenshikov, who're also out for revenge on Lori and Luna for what they did in sending Tyler Corso and Nate Krenshikov to prison after they got them expelled.

We gasped in shock.

Lincoln: But, it gets worse: Hikari dug into their information, and she found out Mr. and Mrs. Muldoon had been caught in acts of fraud and money laundering in the past, but no one was able to report it to the authorities because as soon as they found out, that person would be found murdered, so that also adds in murder to the mix, and that combined with the many conversations of how they wanted revenge on Leni for getting their daughter expelled and sent to prison by killing her and and all of us as well for being related to Leni, along with trying to bust Belle Muldoon out with help from The Black Daffodil Gang, and their contact with the parents of Tyler Corso and Nate Krenshikov, who're also out for revenge on Lori and Luna for what they did in sending Tyler Corso and Nate Krenshikov to prison after they got them expelled.

Nico: Damn, this is really explosive!

Lincoln: But, here's where it ended with their downfall: after we had all the evidence, we turned all of the evidence in to the CIA and the FBI, and with a warrant in hand, FBI and CIA agents stormed into their office and arrested Mr. and Mrs. Muldoon for their crimes, and the evidence was also presented in court, plus Hikari and I were also called in to testify in court. Eventually, after hearing all of the testimony in court along with the evidence gathered in the investigation, the jury deliberated for five minutes and they came back with a verdict: the once prominent Royal Woods attorneys, Mr. and Mrs. Muldoon, were found guilty of conspiracy to breaking out a fugitive, attempted murder, first-degree murder, money laundering, fraud, and conspiracy to commit first-degree murder.

Hikari Viper: The judge said these very words, "These acts that I've just witness are the most heinous and horrific that are indeed hard to believe. I can't believe that you two, sworn prominent attorneys of the Royal Woods Justice Court, had used your own positions to try and exact revenge on the Loud Family, because of your jealous and envy-driven daughter's rage and fury towards Leni Loud, and the murders of those in your law firm are something that can never be forgiven nor forgotten, and to add on to the fact that you two also were conspiring with the most dangerous street gang who terrorized Detroit for years, along with the parents of Tyler Corso and Nate Krenshikov, two more well-known criminals and destructive delinquents, to kill the Louds. This is truly a disgusting misuse of power and thus, for your crimes, you two are hereby stripped of your law licenses for life and you're also hereby sentenced to five sentences of life in prison without parole, and you are to serve your sentences in Ionia Correctional Facility. May God have mercy on your miserable black souls." Those were the words the judge said as they were taken away and they were kicking, screaming, and swearing with blood and revenge on us.

We were stunned.

Gohan: I can't believe that Belle Muldoon's parents would do something as evil and heinous as this, but this did prove that they were just as bad as their daughter, and to also conspire with The Black Daffodil Gang, along with the parents of Tyler Corso and Nate Krenshikov, who were also out for revenge on Lori and Luna for what they did in getting Tyler Corso and Nate Krenshikov expelled and sent to prison, this is absolutely horrific.

Lincoln: I know, Gohan, but those two deserved it, and to also get word they broke out of prison and they're here on Titania and they're still out for blood on Leni and all of us, we're going to send them to the Uranus Prison to serve out their sentences after Luna and Luan get the two greatswords and take Mr. and Mrs. Muldoon down.

FLASHBACK ENDS

Mortal Kombat Scorpion: Oh my goodness! I can't believe her parents were that evil!

Sunburn: We were really shocked when we heard about it!

Ryotaro: Yeah they are pure evil incarnate.

Mortal Kombat Scorpion: Well at least they are back in prison. Lets do it!

Flare summoned Ignatius and merged Hermos with Legendary Six Samurai - Kizan and it formed into the SWORD OF THE EARTH SIX SAMURAI! They fired waves of fire and smashed him down.

Baihumon, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Zyuohgers, Ken Ichijouji & Stingmon, and Beelzemon VS Stratos the Tornado Titan - Meeting a Storm Skyress Gene-slammer

Stratos was next.

Stratos: (to Baihumon) I heard you guys met a Storm Skyress Gene-slammer. What's her name?

Baihumon: Her name is Shana Kazami and she is also Shun's sister and she is really powerful with the powers of wind and is also one of Lincoln's Guardian Angels.

Stratos: Wow! I didn't know that she was Shun's sister. That is cool!

Pinkie Pie: It sure is and it's amazing that Shun has his sister back.

Maud Pie: (monotonously) I agree there and it was amazing.

Featherweight: I agree too. It's cool. Also her story is amazing too.

FLASHBACK 2

Shana Kazami: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Shana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Shana Kazami: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting

smarter as well.

Nico: You got that right. So, Shana, what's the story on how you stopped Lola from trying to kill Lincoln?

Shana Kazami: You're not going to like this one bit. One day, Lincoln and I were walking home from school, but then, we heard the sound of an angry yell, and we saw who it was coming after us in a fit of rage: it was Lola in her Princess Jeep, and she was completely insane. But, I wasn't going to let that pink-wearing she-demon kill us, so I fired a powerful blast of wind and it blew her out of her Princess Jeep, and this of course made her extremely furious, but then, I saw Lincoln fire blasts of rose red energy from his angel wings and he imprisoned Lola, we tied her up in nylon rope so she couldn't get out, and we then called Luna to come get us. She came and we went home with Luna dragging a tied up Lola, and when we all told Mr. and Mrs. Loud of what Lola tried to do to me and Lincoln, they grounded her for fifteen weeks and Lincoln threw her in a cage in her room. We found out that Lori accidentally stepped on Lola's tiara and she ran out in fright, because if Lola found out, she was going to kill her.

Me: Yikes.

Nico: We'd heard a lot of incidents with Lola and a broken tiara, and she went after Lincoln driven only by madness and blood, only to find out that the real culprits were those who ran away in fright or put a lock of Lincoln's hair to frame him.

Lincoln: Lori did confess that it was an accident, but to Lola, it made her so furious that she wanted to kill Lori, but if she made one more wrong move, Mom and Dad were going to take her out of her pageants and her pageant career would be over.

Lori: And they were literally serious about it, Mom had Cheryl's phone number and the coordinator for the pageants, just one phone call and Lola's pageant career was finished. But, Lola swore revenge on Shana for this, but Shana swore if Lola dared to go on the attack again, she was going to fire a blast of wind and shred all of her pageant dresses, and when she told her brother about it, let's just say…

Shun: Yeah, I was a little mad that Lola swore revenge on my sister.

Marucho: Same with me when Lola swore revenge on Mana

Dan: Same with me when Lori swore revenge on Daria.

Runo: Along with me when Lynn swore revenge on Riley. But, Riley, Daria, Shana, and Mana cooled us down and we decided to look past that.

Lincoln: Thank goodness.

FLASHBACK ENDS

Stratos: Whoa! At least Shun has his sister back and the Loud's are free of their darkness. That's good.

Sprocket: It sure is. We're happy they are back together.

Yamato: I think it's cool myself.

Stratos: I agree too. Lets do it!

Baihumon summoned Metagolem and merged Hermos with Satellite Cannon Balsam and it formed into THE PROTON CANNON BALSAM! It was a cannon backpack on Baihumon's back! They fired powerful laser blasts, metal, lightning and gears and smashed him down.

Power Pack (Marvel), Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Ecco, Disk Wars Magneto and Disk Wars Deadpool VS Samon Shakekisutanchin - Erica's Third Mission and Zixx helped us during the war

---

Samon Shakekisutanchin was next.

Samon Shakekisutanchin: (to Power Pack) Today was Erica's third mission. And Zixx really helped us during the war.

Zero-G: Boy she sure did and she was a huge and tremendous help.

Lightspeed: All the future big day mission allies really helped us big time.

Samon: They sure did. Who did they fight on the 3rd mission?

Energizer: They fought Jayda and the Beetle, Jellyfish, Kerberos and Deer Undead.

Then, we saw Lincoln's eyes turn crimson red and he fired a massive crimson red spider's web at Emperor Tachyon which exploded as it hit him: we knew that this was Earthbound Immortal Uru's attack, Web of Destruction.

Suddenly, two beams of light descended and two hand-cannon Blasters appeared for Tyris Flare and Rosa Espada De Fuego, Tyris Flare's hand-cannon Blaster was known as Great Dragon's Axirian Fire Dragon Fury and it's modelled after Rabbid Peach's Fuchsia

Fury Blaster, but it's crimson red with fire on the blaster with a Phoenix, Angel, and the Great Dragon surrounded by fire etched on the sides, and a white gem on the top of the blaster and Rosa Espada De Fuego's hand-cannon blaster is known as Crimson Blader's Crimson Firestorm Sword Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's crimson red with fire on the blaster with a Phoenix, Angel, and Crimson Blader surrounded by fire etched on the sides, and a crimson red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Tyris Flare, and Rosa Espada De Fuego fired blasts of rainbow energy, aqua blue energy, and elemental forces and when they hit Tachyon, they exploded with incredible power as they hit him killing him for good. Then, as they holster their hand-cannon Blasters, Tachyon's spirit appeared and Rosa, Lincoln, and Tyris drew the Judgement Kanji on his forehead and he along with his entire race were all sent to The Black Gates forever. We all cheered wildly for what Rosa Espada De Fuego, Lincoln, and Tyris Flare did to Tachyon as they holstered their massive greatswords on their backs and powered down, and Rosa Espada De Fuego and Tyris Flare's new body, clothes, weapons, jewelry, and massive crimson red wings are permanent.

Rosa Espada De Fuego: (Spanish Accent) That's the end of you and your accursed race, Tachyon. Thanks for helping me destroy Tachyon for good, Lincoln and Tyris.

Lincoln: (Smiles Warmly) You're welcome, Rosa.

Tyris Flare: And it's been a long time since we last fought side by side, Rosa, glad to know your skills are still as sharp as ever.

Suddenly, Rosa Espada De Fuego and Tyris Flare wrapped their arms around Lincoln's wider and muscular back, as their chests pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around their waist, which took them by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tyris Flare and Rosa Espada De Fuego's faces, they kissed passionately as Tyris Flare and Rosa Espada De Fuego's left and right arms were still wrapped around Lincoln's wider and muscular back, but they'd moved their left and right arms and their left and rights hand onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, The Great Dragon, and Crimson Blader flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging around them and we cheered wildly. Lincoln, Rosa Espada De Fuego, and Tyris Flare came back to us, as the display and The Great Dragon and Crimson Blader vanished.

Nico: Now, that's what I call one fiery battle, awesome job, you three.

Lincoln: Thanks, Nico, and we got rid of another of Ratchet and Clank's enemies.

Daria Kuso: After what we knew about him, he was one monster who needed to be put down for good or the entire universe would be at risk. Oh, Lincoln, tomorrow on your rescue, we're going to meet the Gene-Slammer for Hammer Gorem.

Lincoln: Awesome.

Count Spankulot: The Lemons have been VERY bad!

Xigbar: Damn right they have!

Evil Star: And now, they're gonna be in prison for the rest of their lives!

Me: You got that right!

Goof: Can I put lemons in their mouths?

Wilbur: Go ahead, Goof.

He pulled out a bunch of lemons and put them all in their mouths!

Their mouths puckered up and they were really sour!

Fixer: Let's celebrate at Flo's Cafe!

Dixie: And Right? Nice job in Erica's mission today!

Right: Thanks. That was fun.

Me: Boy it sure was.

Erica: We all had lots of fun on that.

Nico: But great job today everyone.

Lightning McQueen: Yeah! This was awesome!

Nico: It sure was!

Rainbow Dash: (To the Viewers) This was both an awesome race and an amazing adventure. Can't wait for the next one.

Me: Me neither R.D.

We went and got some grub and went home and enjoyed the rest of the day and went to sleep.

Nico: This is gonna be a really awesome treasure hunt.

Qin: It sure is.

Camie: I have a feeling this is gonna be a really cool one.

Zuria: I love awesome treasure hunts.

Whenua: They are loaded with awesome adventure.

Goliath: They sure are.

Nico: Whenua, I want to thank you, Goliath, and your teams for coming.

Whenua: No problem Nico. It's going to be awesome having us all help you.

Goliath: Yeah this is gonna be so fun.

Hinata: I'm really excited for this one.

Nico: Biscuit, what do you like to do outside of missions?

Biscuit: I mostly just train and work out. I'm a big guy you know and I got to keep up the workouts.

Me: That's good you keep in shape. Also I help him with his training sessions as well.

Laney: You should see how much he works out.

Nico: Wow.

Lana: Yeah it's awesome.

Biscuit: It sure is.

Nico: You're probably just as strong as Hulk.

Biscuit: (LAUGHS) Well I don't know about that but thanks.

Me: But it's cool.

Kushina: It sure is ya know.

Lola: I agree there Kushina.

Nico: Yesterday was fun helping Mater and the others out.

Me: It sure was. And I have a feeling it's going to be another awesome adventure with Lightning and Mater.

Samui: Now that would be really cool.

Lola: It sure will.

Tenten: As long as we get to kick some butt.

Lana: Yeah no kidding there.

Goliath: Yeah that is for sure.

Sunny Starscout: But it still was awesome and cool.

Nico: Zundapp and his gang being called lemons fits them.

Malachite: Even though it's an expression it sure does.

Qin: I agree there too/

Lola: Yeah and now they are sucking on lemons in prison.

Xenia; That's for sure.

Varie: They had it coming to them.

Nico: Lemons are sometimes associated with scumbags.

Lily: Like in E.V.I.L. which stands for **E** very **V** illain **I** s **L** emons.

We laughed at that one.

Lily: That's what Man Ray, The Dirty Bubble and their men called themselves.

Qin: That's funny.

Lola: Yeah.

Xenia: It sure is/

Kushina: I think it's funny too.

Maria: Which treasure are we getting this time?

Nicole: You'll like this one. It's called the Scepter of Millalobo, the God of the Sea in Chilote Myth.

Nico: Ooh!

Nicole: Legends say that it has immense power and control over all the waters of the entire world and it has the power to make new water.

Nico: Wow!

Eli: That is amazing!

Xenia: Yeah it sure is!

Samui: That is cool.

Laney: Incredible!

We landed in the jungle.

Nicole: Okay the temple should be just up ahead.

May: Who's going to get it?

Lincoln: Misty here should.

Misty Brightdawn: Me? But I haven't done anything good.

Me: Yes you did Misty. You helped us beat Opaline and that more than enough redeemed you.

Xenia: Yeah it sure did.

Varie: And you freed Twilight and friends from their prison in that mirror.

Lola: Yeah you sure did.

Misty Brightdawn: Well if you think so, okay.

Nico: I didn't even know they were trapped there.

Me: None of us did. But I think it was the future versions of Twilight and friends before Sunny's world merged with ours.

Nico: Hmm. That could be it.

Qin: Yeah. Opaline might have captured Twilight and friends and locked them in that mirror to get their magic.

Lola: Maybe. But when Twilight and friends made the Unity Stones, Opaline caught Twilight and friends all for nothing.

Nico: Hmm. It's possible.

Misty Brightdawn: Yeah.

Me: But to be honest guys that series of battles in her tower was really fun. It was awesome facing those 24 enemies again.

Nico: It sure was.

Maria: Some of them we fought for the first time.

Nico: I know. That was so awesome.

Lola: It sure was.

Twilight Sparkle: But at least we are all free from Opaline and her evil.

Nicole: We're here.

We saw that we were at the ruins of an old temple.

Nico: Whoa. The Ruins of the Temple of Millalobo. At long last.

Me: Wow. Looks like no one has been here for years.

Rhinox: Looks like it but not to mention that these ruins have been long forgotten.

Maria: We should still be careful.

Nico: Right.

We walked around and saw that the temple was hundreds of years old.

Lola: Wow. Look at this.

Nicole: Boy this whole temple has seen better days.

Daring Do: It sure has.

Nico: Yeah no kidding.

Nicole: Hey look here.

We went to a wall and the mural of the scepter was still intact.

Nico: The mural story is still intact. Cool.

Nicole: Yeah.

Me: Lets see what it says. Hmm.

I looked it over.

Me: Wow. This looks amazing. It says "Long ago, the evil Aztec Warlord, Wolf Eclipse, came and unleashed his evil minions of fire upon the land. None of the mighty king of the Aztecs armies can stop the minions as they brought death, destruction and terror to all. The king then made a pact with the mighty god of the sea Millalobo himself with which he was granted a powerful mystical scepter which gave him the power over the water. Summoning the waters of the seas he used the power of the water to extinguish the minions once and for all and the terror of Wolf Eclipse was made a forgotten memory when he commanded the waters to take him out to sea and bury him into the depths of the ocean floor where he will stay forever."

Everyone: Whoa!

Nico: That is incredible.

Eli: It sure is.

Varie: Wow.

Fu: That's very similar to what we learned from Jack with the Minions of Set.

Samurai Jack: That is indeed very much like it.

Qin: Wow.

Me: "The Scepter made the king a mighty hero. But after Wolf Eclipse was defeated and fearing that people within his kingdom would use the scepter for evil he placed the Scepter here in this temple to hide it. Only a brave soul whose heart has been redeemed from the evils they did in the past can wield it."

Nico: That fits perfectly with Misty.

Misty Brightdawn: That is incredible.

Zipp Storm: It sure is.

May: Let's keep going.

Nico: Okay.

We went deep into the ruins and we got a huge room and on an alter surrounded by the water of the ocean was a crystal blue scepter with a symbol of water on it and it was THE SCEPTER OF

MILLALOBO!

Nicole: There it is! At long last we found it.

Nico: Wow! The Scepter of Millalobo.

Lana: It's magnificent.

Rarity: It sure is.

Rainbow Dash: Wow that is awesome!

May: Go for it, Misty!

Misty gulped and went over to the scepter and she then grabbed it and pulled it out and then it glowed and she was enveloped in a powerful water vortex!

(ESCAFLOWNE FOX KIDS INTRO EXTENDED PLAYS)

She had beautiful angel wings grow from her back and they had blue feathers and Misty got a beautiful pair of butterfly bracelets on her arms and they were overflowing with intense magic and power! The sclera of her eyes turned aqua blue! She was forever changed!

When it faded she emerged.

Nico: WHOA!

Lincoln: Wow! Misty you look awesome!

Me: Wow! How do you feel?

Misty Brightdawn: I feel amazing guys. This is incredible!

Lola: You earned that scepter too.

But then…

THUNDEROUS CRASH!

Me: WHOA! What was that!?

Goliath: I hope that's a kaiju!

Nico: No it isn't! LOOK!

We then saw a huge figure come out and it was ANOTHER VERSION OF GOLIATH! BUT IT HAD BLACK CLOTHES ON AND HAD GLOWING RED EYES! IT WAS ANOTHER GOLIATH!

Nico: WHOA!

Me: Another Goliath!?

Goliath: Whoa! Another me!? That is crazy!

Me: No kidding!

I then grew to the Another Goliath's size!

Me: Boy this is a huge one! But now we're both the same size.

Everyone flew up to me and we faced the Another Goliath and Goliath was my size too.

Nico: Who the fuck are you?!

The Another Goliath Roared.

Me: It's a totally feral version!

Qin: Whoa!

Voice: Help me J.D.!

Me: (GASP) I know that voice!

Eli: It's coming from his chest.

I used my psychic powers and saw that it was a mermaid!

Me: (GASP) Taniya Atlanticus!

Nico: Oh man! You know her?

Me: She's a mermaid that I met in San Francisco.

Nico: Wow.

Taniya: It's too much! I can't fight this power!

Me: Hang on Taniya!

Another Goliath roared and threw a punch at me and I caught it!

Kaito: (takes out Magiranger gear): Normally, we'd ask what Swartz promised you.

Zocks: (takes out Boukenger gear) But I don't think he promised you anything.

Me: No according to his notes it said that some of the Another M.O.E. Members are wild ones.

Nico: Oh man! So this must be one of them.

Qin: I have a feeling only a select few are wild.

Kaito got a Magistaff and Zocks got an Operation Overdrive Spear!

Nico: Yeah!

She threw more punches and I blocked them all.

I kicked her in the face and punched her in the stomach and kneed her.

Goliath kicked and punched her all over.

Another Goliath shrunk down a little bit.

Nico: It's working guys!

Hinata jumped at her.

Hinata: GENTLE STEP: TWIN LION FISTS!

She formed energy lion fists and punched her hard in the stomach and smashed her down.

Another Goliath shrunk a but.

Qin: Nice one Hinata!

Sougo: (gets out Jungle Fury Ridewatch) This is the first Another MOE member we're facing.

Geiz: (gets out ToQger Ridewatch) I hope not all of them are wild ones.

Me; Me too!

Sougo got JungleFuryRedarmor while Geiz got ToQ1gouArmor.

Nico: Yeah!

I punched and smashed and kicked Another Goliath all over.

Eli fired waves of Force Lightning and electrocuted her.

Nico: (gets out Goliath's Ridewatch) Better become the same size as her!

Nico activated the ridewatch and grew huge and we blasted and smashed her all over.

Misty Brightdawn: Lets see what this can do.

She had water swirl around her and then she flew and fired waves of energy and water and smashed her down with incredible force!

Eli: Whoa!

Lincoln: That was powerful!

Nico: (gets out Captain Frightbeard's Ridewatch) Now for this one.

Captain Frightbeard: Lets cross swords with her Nico.

Nico: Aye aye captain!

Nico activated the ridewatch and they fired waves of energy and elements and blasted her down.

Camie: Oh yeah!

May: (gets out Marching Milde's Ridewatch) Let me get in on some fun!

May grew huge and summoned a bunch of Marching Milde's and they smashed her down.

Qin: Oh yeah!

Me: Walk all over her May!

May: (Gets out Robot Reptar's Ridewatch) Too bad Tommy and the other Rugrats aren't here to see this!

She activated it and breathed fire from her mouth and it burned the Another Goliath.

Lola: YEAH!

Nico: Nice one May!

Misty Tredwell: That had a hot touch!

Laney: It sure did!

Maria: (gets out Malachite's Ridewatch) Now for this!

Maria activated it and fired numerous waves of water and smashed and pulverized Another Goliath all over the place.

Qin: YEAH BABY!

Eli: That's the way!

Maria: Yeah!

Biscuit Olivia: My turn!

He activated his ridewatch for Captain Frightbeard and fired waves of energy and smashed her down.

Qin: YEAH!

Xenia: Take that!

Maria: I hope the next Gene Slammer is near.

But then a leaf storm slashed the Another Goliath all over.

Nico: Whoa!

Then we saw a Venusaur!

Me: Whoa a Venusaur!

Venusaur: (In a girls voice) Yep.

Nico: Julia Vendettia! Wow!

Qin: Boy its been a while.

Venusaur: It sure has. I got this.

She then drew in sunlight and then fired a powerful Solar Beam and then it hit Another Goliath and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She knocked down Another Goliath in a powerful explosion from a Solar Beam! I caught the ridewatch and I saw that it was a ridewatch for Whenua this time.

Me: A Ridewatch for Whenua? So we get ridewatches for the heroes of the usual battles.

Whenua: Interesting.

I went over to Taniya and picked her up. She was a mermaid with long rainbow hair and had a red clam bra on and had a rainbow scale tail.

Me: Taniya? Are you okay?

She saw me?

Taniya: (Groans) J.D.?

Me: Yeah it's me. You're back to normal.

Taniya then hugged me.

Taniya: Thank you.

Goliath: What's your favorite memory of Nico?

Venusaur: I have a lot of them and the best one was Nico helping me stop being a bully and he and I worked together to bring my raging alcoholic father to justice.

Nico: Her dad was an abusive monster and he would beat her up bad.

We gasped!

Me: That's awful. I'm glad he is in prison.

Eli: Me too.

Venusaur: Me too. I can't revert back. And also I'm naked.

Me: Oh boy. Boys cover your eyes.

Nicole: And if you peek I will kill you.

I put on my blind man glasses and I snapped my fingers and Julia was in pain as she was reverting back.

Everyone covered their eyes and Julia was back to normal but she was naked.

Julia was having trouble standing up straight.

She got up and then fell over.

Maria and Rarity caught her.

Maria: We got you. We'll get you new clothes.

Rarity and the Fashion Team gave her new clothes. She had a pink, green and aqua green and blue clothes as well as sea blue green hair.

They helped her.

Julia Vendettia: Wow! I feel amazing.

Qin: Awesome outfit.

Julia Vendettia: Thanks Qin.

Nico and Julia then hugged.

Nico: I've really missed you.

Julia Vendettia: Me too Nico. Me too.

Misty Brightdawn: Boy this was an awesome treasure hunt!

Qin: It sure was!

We later went back home and we told everyone what happened and it was amazing.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, Onua, Smolder, Draco, Spotlight, Blackout, and Bash are heading to a planet in the Omega Quadrant called Thehabos, a volcano and nature planet in the Omega Quadrant, and not only is Lincoln going to rescue the two girls here, but Lynn and Laney are going to get two powerful treasures there: two powerful greatswords called The Volcanic Phoenix Dragon Greatsword of Guabancex and The Nature Jungle Greatsword of Gaia, and only Lynn and Laney can wield those powerful greatswords because Lynn got her powers from Guabancex and Laney got her powers from Gaia.

But, we're also going to take down the parents of Tyler Corso, who are out for revenge on Lori for what happened to their heartless son, and after the news of Tyler Corso's death hit them, they were now out for blood and they won't stop until they'd gotten revenge, but we're going to make those bad parents pay, and they'll have some thugs with them as well for added back-up.

Lincoln: Whoa, this is one awesome volcano and nature planet. Hey, Ebonwu Lincoln, what is this place?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know this planet all too well, Lincoln, this is Thehabos, another planet in the Omega Quadrant that I've gone to eons ago.

Nico: Whoa, and I can guess you also trained there, right?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I trained on many different planets with extreme temperatures and climate, Nico, and the gravity on the various planets I'd gone to are 500,000,000,000 times more powerful than in the Hyperbolic Time Chamber, and my body has adjusted to the kinds of climates there.

Me: Damn, you sure are one tough guy to handle those kinds of planets.

Lincoln: He sure is, and so are all of us, and I know what we're going to do here, not only am I going to rescue the two girls here, but Lynn and Laney are going to get two powerful treasures there:

two powerful greatswords called The Volcanic Phoenix Dragon Greatsword of Guabancex and The Nature Jungle Greatsword of Gaia.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and only Lynn and Laney can wield those powerful greatswords because Lynn got her powers from Guabancex and Laney got her powers from Gaia, we're also going to take down the parents of Tyler Corso, who are out for revenge on Lori for getting their heartless son expelled and sent to prison, and after the news of Tyler Corso's death hit them, they were now out for blood and they won't stop until they'd gotten revenge, but we're going to make those bad parents pay, and they'll have some thugs with them as well for added back-up.

Lori: But, I literally thought those two were still in prison after Tyler Corso got expelled and sent to prison.

Nico: So, we now got Tyler Corso's evil parents to stop, yikes.

Lincoln: And I should tell you this bit of information: Lori was right saying that those two were still in prison after Tyler Corso got expelled and sent to prison, because unlike Belle Muldoon's parents who were once prominent lawyers in the Royal Woods Judicial Court who went to the Dark Side when they wanted revenge on Leni for getting their daughter sent to jail after she was expelled, Tyler Corso's parents were nothing more than criminals and thugs, and they got a nasty criminal history.

Lincoln took out a massive black book, and inside it was a massive litany of crimes that Tyler Corso's parents had done over the years: they, along with Tyler Corso, had broken into a lot of homes Royal Woods and murdered a lot of people after robbing them, they also threw bombs into public buildings which exploded and destroyed them, they also robbed banks all over Royal Woods, and they've also escaped from prison multiple times.

Nico: Holy crap, those two are really nasty pieces of work, just like Tyler Corso.

Lincoln: That's only half of what they've done, Nico, they also tried to kidnap and murder Lori, but Nicholette Torrington and the Dark World Goth Girls charged in and pulverized them badly, and that sent them on the run before the cops could arrest them.

We gasped.

Me: Why, that stupid asshole, I can't believe he and his parents tried to… !

Nicholette Torrington: Yeah, and this was on the day he got expelled. But, before he could be taken to jail, his parents charged in and they beat up the cops and they escaped, and they plotted to kidnap and murder Lori.

Lori: He was nothing but a murderous and stupid jerk, and so were his parents. Eventually, Tyler Corso and his parents were caught, and while Tyler Corso got sent to Ionia Correctional Facility for life, his parents got sent to San Quentin and they got another life sentence added to their eight life sentences without parole.

Nico: What a bunch of monsters.

Lincoln: Yep, and after the news hit of Tyler Corso's death and banishment to The Black Gates, his evil parents heard the news and they went ballistic, they broke out of prison and they also got help from some thugs they've known in San Quentin, and many of them are on Death Row for Capital Murder, so, they'll be getting their death sentences early, and thanks for joining us, Onua, Smolder, Draco, Spotlight, Blackout, and Bash.

Onua: You're welcome, Lincoln. Plus, I was surprised that the 310 Core Member's teams are now going on the rescues, this is going to be awesome. So, where do we go to find The Volcanic Phoenix Dragon Greatsword of Guabancex and The Nature Jungle Greatsword of Gaia?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know exactly where to find them, Onua, but we also need to keep on guard, those thugs that Tyler Corso's parents got with them are here.

We travelled through the jungle and we had to go through all the vine-covered trees and bushes, and Lincoln also picked up on the trails of the thugs through energy signals, and we saw them, they were all big muscular thugs who look like they've spent their lives in the prison yard and dressed in prison jumpsuits and they're all over the place on orders from Tyler Corso's parents to kill them, but Lincoln was ready for them as the tips of his eleven long white wolf tails turned into Cell's stingers and we're launching an ambush on the thugs.

Thug 1: Where the hell are they?! They're supposed to be here!

We saw they were getting impatient and this was exactly what Lincoln was looking for: as one of the thugs turned his back, Lincoln grabbed and pinned his arms to his back and as he stabbed his stinger into the thug's chest, he began draining and absorbing the thug and his energy into him, and when Lincoln was done, nothing was left of the thug except for his prison jumpsuit. Then, Lincoln did the same thing to the other thugs stabbing his stingers into the remaining thugs' chests and draining and absorbing the thugs and their energy into him, and when Lincoln was done, nothing was left of them except for their prison jumpsuits, and the stingers changed back. Then, energy cards with the thugs' souls imprisoned inside appear from light beams from Lincoln's cutie mark, and when the Judgement Kanji appeared on their foreheads, they were sent to The Black Gates.

Lincoln: That takes care of the thugs, now to get to the shrine here on the planet, and then, we can get after Tyler Corso's parents and send them off to jail.

Trunks: But, not before we give them the beating of a lifetime for all the crimes they've committed, and what they tried to do in trying to kidnap and murder Lori for Tyler's expulsion.

We continued on and we arrived at a shrine in the volcano, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw two massive greatswords floating in the center and with light shining down on it: The Volcanic Phoenix Dragon Greatsword of Guabancex, a massive greatsword with glowing neon red gems embedded in the 7'0" massive, wide, double-edged blade with hardened lava on it, large crimson red dragon heads for the crossguard, large neon red gem embedded in the rainguard, longer midnight black handle, four large red phoenix heads and a large neon gem on the bottom of the phoenix heads for the pommel, and The Nature Jungle Greatsword of Gaia, a massive greatsword with green and brown gems embedded in the 7'0" massive, wide, double-edged emerald green blade, large emerald green angel heads for the crossguard, large emerald green gem embedded in the rainguard, longer midnight black handle, four large emerald green angel heads and a large emerald green gem on the bottom of the angel heads for the pommel.

Rarity: My word, so that's the… !

Lincoln: The Volcanic Phoenix Dragon Greatsword of Guabancex and The Nature Jungle Greatsword of Gaia, those two massive greatswords are indeed works of art.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) And there's something else to this shrine: I built this shrine here in honor of my world's Lynn and Laney who I lost.

Lynn 2: (Through the Rainbow Dragon and Phoenix and Red Third Eye Iris) So, you built this shrine in honor of me and Laney? That's so sweet of you, Lincoln.

Laney: (Through the Rainbow Fairy on Laney's Forehead) Just like with our sisters from our world.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) Thanks, Lynn and Laney.

Suddenly, we saw Hammer Gorem head for us, and with it are the two girls.

Lincoln: What the? Julie, did you summon Gorem?

Julie Makimoto: Not this time, Linky.

Julianna Giagoremu: She's right, there's no way she summoned Gorem.

Gorem: That's right, which means… !

Hammer Gorem: (Girl's voice) That's right, and I also got the two girls away from the vengeance-driven and insanely evil parents of Tyler Corso.

Lincoln: Wow, Julia Makimoto, it's awesome to see you again, but we'll talk later, I know that Mr. and Mrs. Corso are heading for us.

?: WE WILL HAVE OUR REVENGE ON YOU FOR WHAT YOU DID TO OUR DAUGHTER, STUPID LOUDS!

Lincoln: Yep, there's no mistaking those voices from anywhere. Don't you know when to stay locked up for good, Mr. and Mrs. Corso.

We then saw our targets, Mr. and Mrs. Corso, who are still dressed in red prison jumpsuits from San Quentin, and they were still extremely pissed.

Lori: I literally should've known we'd run into you pieces of work again, Mr. and Mrs. Corso.

Mr. Corso: You ruined our chances to get revenge on you for throwing our son in prison after you got him expelled, if you hadn't gotten in the way, you and all your siblings would be dead!

Mrs. Corso: And now, we will have our revenge on you for what you did in killing our son!

Lincoln: Why don't you two shut up?! Your son caused nothing but trouble for what he in bullying Lori and everyone at high school and his heartless attitude and sadistic nature were the two things that did him in, and he, along with Belle Muldoon, Nate Krenshikov, and The Black Daffodil Gang deserved to die for all of their crimes since they were truly irredeemable, and the apple didn't fall far from the tree since you two were also just as bad as your son.

Lynn: Big time, and now, we're going to make you both pay for your crimes.

Laney: Hope you like spending your life sentences in a brand-new prison for the remainder of your days, and we're not going to show you two any mercy for what you tried to do to Lori and all of us, and what your evil son did in bullying Lori.

Lynn grabbed The Volcanic Phoenix Dragon Greatsword of Guabancex and Laney grabbed The Nature Jungle Greatsword of Gaia. Suddenly, Lynn and Laney's eyes turned neon red and neon green and they were surrounded by a rainbow energy aura with lava, earth, fire, dragons, and phoenixes, and a rainbow energy aura with leaves, animals, fairies, and rainbow fire, they unholstered their massive greatswords from their backs, and as they approached Mr. and Mrs. Corso, they left rainbow energy, lava, earth, fire, dragons, phoenixes, leaves, animals, fairies, and rainbow fire with every step.

Lynn: You rotten monster really make us sick to our stomach, as if what your son did in bullying Lori and her friends wasn't bad enough.

Laney: But, to try and get revenge on Lori and killing us as well for what your psychopathic son had done, that's just going too far.

Lynn and Laney: Those are indeed unforgivable crimes, and for that, you two are heading right back to prison where you will stay there until the day you die.

Suddenly, Lynn was surrounded by a massive vortex of rainbow energy with earth, lava, fire, and four erupting volcanoes surrounding the vortex, there's a dragon and phoenix flying around the vortex, and in the vortex is a glowing neon red phoenix, and Laney was surrounded by a massive vortex of rainbow energy with leaves, plants, and rainbow fire surrounding the vortex, there are animals, leaves, and fairies flying around the vortex, and in the vortex is a brown phoenix. Then, as the vortexes faded, Lynn and Laney emerged, but they were changed forever.

DIVINE ARTISTIC NATURE FIRE JUSTICE!

We were amazed by the Super Angel Celestial Eternal Xelnaga transformations of Lynn and Laney, but when Mr. and Mrs. Corso saw it, they went bat shit insane and tried to rush at them to kill them, but Lynn and Laney fired powerful blasts of rainbow energy, lava, earth, phoenixes, dragons, leaves, plants, fairies, and rainbow fire, and they hit Mr. and Mrs. Corso and that caused them to fly out of the shrine, and they were now extremely pissed off.

Lincoln: Wow, Lynn and Laney are now the next of our family to transform, so awesome!

Lana: And the parents of Tyler Corso are so in for the biggest butt-kicking of a lifetime for all of the things they've done.

Lynn: (Divine Echoing Cosmic Voice of The Firestorm Athlete Volcanic Draconic Phoenix and Divine Firestorm Athletic Volcanic Rage Love) You got that right, Lana.

Laney: (Divine Echoing Cosmic Voice of The Firestorm Artistic Jungle Fairy Angel and Divine Nature Jungle Firestorm Compassion) And we're going to see to it that they get sent back to prison for the rest of their miserable lives.

Lincoln: After we give them the ultimate beatdown for all of their crimes. Let's get them, gang!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds unholstered and large gold Elemental Shield of Harmony from his wider and muscular back and strapped it onto his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Onua, Smolder, Draco, Spotlight, Blackout, Bash, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Mr. and Mrs. Corso, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit them.

Lynn and Laney were also attacking them with their massive new greatswords with powerful slashes and they left a lot of scars on Mr.

and Mrs. Corso, and this was extremely pissing them off badly, but Lincoln, Lynn, and Laney weren't giving them any time to attack again as they swung their massive greatswords in a clockwise formation and formed energy swords of Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they went after Mr. and Mrs. Corso, and they pierced and slashed at them badly, and it also knocked them all down, and Lincoln had them both tied up in rainbow energy straitjackets and rainbow energy chains, so they couldn't escape, and they were both loaded up into a police wagon and escorted back home. We cheered wildly as we holster our weapons and powered down, and Lynn and Laney's new bodies, clothes, weapons, jewelry, accessories, and massive angel wings are permanent.

Suddenly, we saw that the red iris of Lynn's Third Eye of the Buddha turns from red to rainbow colors and Laney now has a Third Eye of The Buddha with rainbow irises and they also now have eleven massive wolf tails: chestnut brown for Lynn and dark brown for Laney, and they also love them.

Nico: That's the end of those two bad parents, and I hope they like spending the rest of their lives in The Uranus Prison.

Lincoln: That's actually a perfect place for them, Nico.

Me: For what they've done in trying to help their psychopathic son kidnap and murder Lori for getting their son expelled, they rightfully deserved it.

Nico: They were just a bunch of thugs, plain and simple.

Lincoln: You got that right, Nico, but those two will be locked away in The Uranus Prison for the rest of their miserable lives. (To Julia Makimoto) And it's so good to see you again, Julia Makimoto.

Julia Makimoto reverted back to normal, and she was a beautiful girl with long flowing dark brown hair, emerald eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Subterra symbol emblazoned on her forehead and massive and beautiful crystal angel wings and she reigned in the power of Hammer Gorem, and she's dressed in a sleeveless pink midriff top, pink skirt, light blue legwarmers, light blue sneakers, and long white sleeveless trenchcoat with earth, lava, crystals, and golems on the coattails and Storm Skyress on the back and holstered on her back is a Hammer Gorem-themed large greatsword with Hammer Gorem etched on the 7'0" massive, wide, double-edged brown blade, large orange golem heads for the crossguard, large orange gem embedded in the rainguard, longer midnight black handle, four large brown golem heads and a large orange gem on the bottom of the large golem heads for the pommel.

Julia Makimoto: You too, Lincoln, it's been a long time, and it's also good to see you, Riley, Mana, and Shana again, Daria.

Daria Kuso, Riley Misaki, Mana Marukura, and Shana Kazami: You too, Julia.

Lincoln went up to Julia Makimoto and he hugged her, and Julia Makimoto is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Julia Makimoto: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Julia Makimoto, she's my Guardian Angel from Japan and classmate in French, she's a Subterra Bakugan Brawler and part of the Bakugan Battle Slammers, and like the Bakugan Battle Brawlers, she's a capable Bakugan Brawler. She along with the other Bakugan Battle Slammers moved to Michigan from Japan when they were eight, and they would often play together with me.

Me: That's really awesome.

Lincoln: Yep, and she and the other Bakugan Battle Slammers took on the worst of Lori, Luan, Lynn, Lola, and Lisa plus Chandler, Hawk and Hank, Pablo and Anderson. To show thanks, I took her and the other Bakugan Battle Slammers to a lake where I kissed each of the Bakugan Battle Slammers underwater.

Nico: That's really nice. Wait a second, her last name is Makimoto, then that means?!

Lincoln: Yep, she's the twin sister of Julie Makimoto and the cousin of Julianna Giagoremu.

We were stunned.

Eli: Whoa, no way!

Julie Makimoto: Yeah, it's true, and it's so good to see you again, Julia.

Julianna Giagoremu: It's been years since we last met, Julia.

Julia Makimoto: It's really good to see you, Julianna, and Gorem again, Julie.

Gorem: Julie has told me much about you, Julia, and now, we were surprised to find out you're also Lincoln's Guardian Angel just like Julianna.

Julia Makimoto: I've been his Guardian Angel since the day I first moved here to Michigan, and the same went with the other Bakugan

Battle Slammers, Gorem, and I also got a story of how I stopped Lisa and Luan from trying to kill Lincoln, and it led to her swearing her revenge on me, which I'll tell you about later. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Julia, are you absolutely sure about this?

Julia Makimoto: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Julia Makimoto, and he saw that she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Julia Makimoto's neck with orange gems on the gold lightning bolts and brown crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Julia Makimoto: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means just like your twin sister and your cousin, you're now part of my harem and my many future wives, Julia.

Julia Makimoto had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Julia Makimoto's waist and she wrapped her arms around

Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Ginrei and Sunny The Magician from Giant Robo.

Lincoln: Oh wow, it's Ginrei and Sunny The Magician from Giant Robo.

Nicole: Awesome.

Lincoln: Are you girls okay?

Ginrei: Yes, we're okay, thanks to you.

Then, when Ginrei and Sunny the Magician saw who it was that saved them from Mr. and Mrs. Corso, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted

Ginrei: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Ginrei: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ginrei and Sunny The Magician with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Lynn and Laney had gotten The Volcanic Phoenix Dragon Greatsword of Guabancex and The Nature Jungle Greatsword of Gaia, the treasure that's been located on Thehabos, and the team was shocked when they found out the villains we went after were Mr. and Corso, the criminal parents of Tyler Corso and they were out for blood and revenge on Leni for what happened to their evil heartless son.

But, when Lincoln showed what happened such as Lynn and Laney transforming into their Celestial Eternal Xelnaga forms and that they along with all of us laid a brutal beatdown on those two monster parents that he, Lynn, and Laney delivered the blows that knocked them out and we had them put into a police wagon bound for their new prison home in The Uranus Prison, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Julia Makimoto have a lot of catching up to do now that she's back in town.

Maria: Whoa, so now, Lynn and Laney have gotten their new treasures and transformed, that was so awesome!

May: And along the way, we also stopped Tyler Corso's criminal parents and Lincoln also revealed Tyler Corso's parents were nothing more than criminals and thugs and they wanted to get revenge on Lori after their son was expelled and sent to prison for all the crap he's done, and after the news of Tyler Corso's death hit them, they were now out for blood and they won't stop until they'd gotten revenge, and they also had some thugs from Death Row with them.

Nico: But, Lincoln used Cell's absorption method and he absorbed them all and he sent their souls to The Black Gates after his feeding frenzy.

Lincoln: And Tyler Corso's parents are now on their way to The Uranus Prison for good.

Mr. and Mrs. Corso were eventually sent right to The Uranus Prison for eternity, and they're kept in separate cells in Solitary Confinement, and their revenge schemes were destroyed forever.

---

After throwing Mr. and Mrs. Corso in prison for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico, Lori, Leni, Luna, Luan, Lynn, Laney, and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Julia Makimoto saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Julia Makimoto: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Julia, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Julia Makimoto: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Julia, what's the story on how you stopped Lisa and Luan from killing Lincoln?

Julia Makimoto: You're not going to like this one bit. One day, Lincoln and I were walking home from school, but then, we heard the sound of an army of robots and crazed maniacal laughter and mad scientist laughter in the air, and we saw who it was heading right for us: it was Lisa and Luan, and Lisa had her army of robots and they were going to kill Lincoln again. But, Lincoln and I fired crystals at Lisa's army of robots and all of them were destroyed, and we also pummeled Lisa and Luan and we eventually had them put into crystal handcuffs. We then told Mr. and Mrs. Loud of what Lisa and Luan tried to do to us, and they got grounded for fifteen weeks, and Luna had Luan put in a cage with Chinese finger traps on her fingers and Lily had Lisa thrown into a cage with a straitjacket on her and chains around her, and to make it even more bad, Lily asked Lincoln and Emily Giabagu to reprogram Todd and the rest of Lisa's robots to help only them and the others in the house and not Lisa, and if Lisa dared to reprogram them to help get revenge on Lincoln, they'd automatically warn Lincoln and Lisa would get in big trouble again.

Me: (Snickers) And I can guess Lisa and Luan were really ticked off by that punishment.

Julia Makimoto: Big time.

Nico: We'd heard a lot of incidents with Lisa and Luan trying to kill Lincoln again only to be beaten up and their revenge foiled and they got grounded again, but you guys really did awesome in putting them in their place, nice one.

Lincoln: Lisa and Luan should've learned all of their lessons about what'll happen if they give in to their desire to kill me, but they wouldn't learn, and look at what happened, and they were also given a strict warning by Mom and Dad, if they tried to hurt me again, they would be sent to the nuthouse for the rest of their lives.

Lori: And they were literally serious about it, Mom had her phone out and she's got the number for the police, just one phone call and Lisa and Luan's lives were over. But, Lisa and Luan swore revenge on Julia for this, but Julia swore if Lisa and Luan dared to go on the attack again, she was going to fire crystals at Lisa's bunker and lab and destroy it and shred all of Luan's jokebooks and comedy props, and when she told her sister and Julianna about it, let's just say…

Julianna Giagoremu: When she told me about it, I wanted to rip Luan a new one, since she knew that I still hated Luan with a passion after her little stunt on me and Lincoln, and to make it worse, I also threatened to get Julie here as well.

Julie Makimoto: Yeah.

Lincoln: But, we eventually cooled down after I had a talk with Julia and Julianna.

Julie Makimoto: And I'm still really stunned that he was able to diffuse the situation that easily.

Laney: He's the second Voice of Reason in The Loud House, Julie, along with being the mediator, but if things got really ugly, he'd get Mom and Dad, but due to the constant death threats from the five bad sisters, he had no choice but to call his Guardian Angels over and they know how to straighten out Lori, Lynn, Lola, Lisa, and Luan.

Nico: What? They threatened him with death if he told the parents, of all the evil heartless things that Lori, Lynn, Lola, Lisa, and Luan could ever do, this takes the cake.

Lincoln: They've threatened me with violence numerous times and they're really serious, and that's what got me scared of them even more. But, I've been brutally pummeled, beaten, punched, kicked, pushed, and stabbed by those five numerous times and came back stronger than ever, and it pissed off their Dark Sides even more, and I was already sick of their nonsense.

Me: So was I, Lincoln, along with the rest of us.

Nico: Those monsters got what they deserved when they got banished to The Black Gates for good.

Lincoln: You got that right.

We got a shower afterwards, and then, Lincoln and his harem are heading to Shangri-Spa for some relaxation.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in large orange swim trunks with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the swim trunks, orange sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And his harem were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Misty Brightdawn: I've never been to a hot springs before, so this is going to be quite amazing.

Lincoln: We've been to Shangri-Spa before, Misty, along with the secret hot springs back at home, plus, you don't have to worry about any perverts, if any of them try anything stupid, I'll pulverize them.

Lincoln and his harem started their relaxation date by first going to the Spring of Purification, and as soon as they got into the hot water, it immediately began relaxing their muscles and Lincoln even gave the girls deep-tissue massages as well and the girls did the same thing with Lincoln, then, they moved onto the Spring of Bliss, and as soon as they got into the hot water, it immediately began relaxing their muscles and Lincoln even gave the girls deep-tissue massages as well and the girls did the same thing with Lincoln there as well, then, they moved onto the Spring of Sanctuary, and as soon as they got into the hot water, it immediately began relaxing their muscles and Lincoln even gave the girls deep-tissue massages as well and the girls did the same thing with Lincoln there as well, then, they went to the Spring of Mist, and as soon as they got into the hot water, it immediately began relaxing their muscles and Lincoln even gave the girls deep-tissue massages as well and the girls did the same thing with Lincoln there as well, and finally, they got to the last spring, the Spring of Rainbows, and as soon as they got into the hot water, it immediately began relaxing their muscles and Lincoln even gave the girls deep-tissue massages as well and the girls did the same thing with Lincoln there as well.

Rarity: I must say, those five hot springs there really worked wonders for all of us, it's relieved us of any stress that we've had.

Lincoln: It sure did, that was awesome.

Twilight Sparkle: And we also got deep-tissue massages there as well, and we know who it was that gave us those deep-tissue massages, right, Lincoln?

Lincoln: (Chuckles Shyly) Yeah.

Applejack: But, can you blame us, those deep-tissue massages you gave us were really amazing and really relaxing, Linky.

Fluttershy: And we also had to repay you for those deep-tissue massages by giving you deep-tissue massages as well, and we also saw our necklaces glowing as they removed the stress and we also gained a massive power boost.

Lincoln: That was the effect from our Crystal Necklaces of the Buddha that we'd gotten long ago, and combine that with our relaxing deep-tissue massages and time in the hot springs, and look at what happened. Next time, Nico, J.D., Ets, and Clyde should come here with their harems as well.

Applejack: That's an excellent idea, Lincoln.

Then, they had some lunch, and then, Lincoln made clones of himself, and he and the clones went up to the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Lincoln and his clones, and they placed their right hands on the massive wide and muscular left pecs of Lincoln and his clones, and they shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: Hey, Lincoln, how was your relaxation date?

Lincoln: Awesome, Nico, we went to Shangri-Spa.

Misty Brightdawn: We went to the five hot springs there and Lincoln also gave us some relaxing deep-tissue massages and we also did the same thing by giving him deep-tissue massages, and we had no pervert sightings there, Nicole.

Nicole: Good, if there's one thing I can't stand, it's perverts. And we also found out how Tyler Corso's parents broke out of San Quentin, Lincoln: we found out that they, along with their armies of thugs from Death Row, had ambushed and murdered two guards there and they grabbed the keys and they escaped.

Lincoln: Whoa, so that's how they escaped, that's not good.

Rayman: And they wound up on Thehabos by coincidence, but they were out for blood. But, we put an end to that for good.

Lincoln: We sure did.

---

The Mascots then called us to the computer including Pooh and friends.

Yagura: Why did you guys call us here?

Manaphy: We found something you guys need to see.

Poliwag: You guys are not going to like this.

They showed us a trailer for the upcoming 2023 Slasher Film, WINNIE-THE-POOH: BLOOD AND HONEY!

---

During his childhood, Christopher Robin befriended Winnie-the-Pooh, Piglet, and their friends, playing games and also providing them with food. As he grew, these visits grew more infrequent, as did the food supply, causing Pooh and the others to grow increasingly hungry and desperate. When Christopher went to college, the visits stopped completely causing Pooh and Piglet to become completely feral and unhinged, resulting in Eeyore and the others getting killed and eaten at some point. Now Christopher Robin has returned to the forest alongside his new wife, hoping to introduce her to his old friends. Feeling betrayed, this results in Pooh and Piglet to go on a murderous rampage for human flesh as they antagonize a group of university girls who are occupying a rural cabin.

---

When it was done we were shocked and horrified!

Me: OH MAN! I've heard about that movie! It's so terrible!

Pooh: Oh bother. Me and Piglet become murderers after Christopher Robin abandons us?!

Horsea: We're sorry! But you guys had the right to know!

Pooh: Yeah we did.

Roo was crying and Kanga was comforting him.

Me: How in the world can they disgrace Pooh like that!?

Nico: I agree there!

Lori: (sighs) There's literally nothing we can do about it right now. All we can do is not watch the movie when it comes out.

Poliwag: NOTHING WE CAN DO ABOUT IT?! WE HAVE TO USE THE BLACK GATES ON WHOEVER'S MAKING THIS SICK MOVIE!

Poromon: DO YOU ALL NOT CARE ABOUT POOH'S GOOD NAME! (shows trailer close to Nico face) LOOK AT IT, NICO!

Nico: I saw it and it was awful!

Manaphy: (shows trailer close to May's face) LOOK AT IT, MAMA!

May: That movie was disgusting and horrible!

Poliwag: (shows trailer close to William's face) LOOK AT IT!

William: Okay okay! It's awful!

Horsea: (shows trailer close to Maria's face) LOOK AT IT!

Maria: It's awful and disgusting!

Jirachi: (shows trailer close to Max's face) LOOK AT IT!

Max: IT'S HORRIBLE!

Tentacool: (shows trailer close to Varie's face) LOOK AT IT!

Varie: I see it and it's awful!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU… TO FUCKING LOOK AT IT!

Aligned Knock Out: Okay, clearly, you guys are taking this personally.

Me: They sure are.

Nico: Yeah no kidding.

Skids: So, are we really gonna go through with using the Black Gates on the sick fucks who are making this movie?

Me: No we are not giving those people the Black Gates. They are innocent people. And our code STRICTLY forbids us from killing the innocent!

Nico: That's right! Good call on that J.D.

Me: Thanks.

Eli: And guys that movie is not even real.

Me: Also it'll be put on our list of top 25 movies that we'll NEVER EVER WATCH.

Laney: Interesting list.

Me: It's a work in progress.

Laney: Oh.

Camie: Yeah.

Sora: How could Pooh be disgraced like this?!

Me: I honestly have no idea.

Nico: Yeah remember how I went crazy from that comic book that I saw? That was disgracing SpongeBob and Patrick.

Sora: Oh Pooh you are not like that.

Christopher Robin: That is for sure you silly old bear. And I am not going to college and leave you like that.

Pooh: Thank you Christopher Robin.

Lola: When does that movie come out?

Me: It says February 15th, 2023.

Qin: So not for another 3 months.

Lola: Yeah. But we're not going to that movie even if you hold guns to our heads.

Lynn: (to the mascots) Hey, I'm not happy about this movie either. But you really think killing the people in charge of it is gonna solve anything?

Poromon: Well no.

Poliwag: We were just trying to defend Pooh's good name.

Me: You do have good reasons. But using the Black Gates on innocent people is not going to solve it.

Nico: I agree there.

Poromon: Yeah.

Julia Vendettia: It's awful they would do this. I love Winnie the Pooh.

Me: Who doesn't love Winnie the Pooh.

Driscoll: Nico, which teams have you made now?

Nico: Gia's team will include Jean Bison, Azuki Shinatsu, Inaho Kushiya, Yatsuno Himehani, and Aki. Yumi's team will include, Kouko, Saya Takagi, Rei Miyamoto, Saeko Busujima, and Miku Yuuki.

Me: Wow! That's interesting.

Qin: It sure is.

Lola: Wow!

Miku Yuuki: This will be awesome!

Yumi: It sure will.

Saya Takagi: I'm excited about this one.

Then Xigbar, Thundermon, MetalSeadramon, Mortal Kombat Scorpion, Stratos, Samon Shakekisutanchin, Count Spankulot, Evil

Star, Six Gum Gang, Fixer, Roller Ghoster, Morrigan, Pisces Zodiarts, Tobias Whale, Superfriends Cheetah, Brutus, Mr. Freeze, Utomodachi, Constructicon Devestator, and Warp appeared.

Nico: Yeah we sure did. And to answer your question yes you all can come with. We're going after Jackson Storm in the 3rd Cars movie next.

Lana: Awesome!

Qin: Sweet!

Lola: Yeah it sure is!

Nico: We'll watch the movie first and then we'll head out.

We got to watching the movie.

---

Five years after competing in the World Grand Prix, Lightning McQueen, now a five-time Piston Cup champion, finds himself overshadowed by Jackson Storm, a rookie who is part of a new generation of race cars who use the latest technology to improve their performance. As Storm's success progresses throughout the season and attracts other rookies, most of the veterans either retire or are dismissed by their sponsors. In the final race of the season at Los Angeles, Lightning starts falling behind Storm after both of them pitted. He tries to keep up, but in doing so suffers a violent crash, leaving him badly injured and ending his worst season on record prematurely, while Storm goes on to win the Piston Cup.

After four months of recovery, Lightning decides that he will continue racing and calls his sponsors, Rusty and Dusty Rust-eze, who reveal they have sold Rust-eze to a businessman named Sterling. Sterling assigns Lightning to train under Cruz Ramirez, where he struggles to adapt to the modern training methods. After Lightning accidentally damages a simulator, Sterling tries to force him to retire. Adamant that he can still race, Lightning instead offers that if he wins the upcoming Florida 500, he can decide if he wants to keep racing, otherwise he would retire immediately. Sterling reluctantly accepts the deal.

Lightning tries to train on nearby Fireball Beach, but ends up spending most of his time teaching Cruz how to drive on the sand. Lightning then attempts to join a race undercover at a famous dirt track called Thunder Hollow, but inadvertently enters a figure-8-style demolition derby with Cruz, which she wins albeit both of them hiding their identities. Lightning's cover is blown when Cruz accidentally swerves to avoid a water truck causing him to tumble over and spilling his water on Lightning, therefore adding to his humiliation.

Frustrated that he'd wasted his time taking care of Cruz, Lightning rages at her and in the process of accidentally breaks her trophy. Cruz reveals that she had wanted to be a racer just like Lightning all her life, but never started a race due to her feeling that she could never be one. She resigns as Lightning's trainer and heads back to the training center. Guilty and with no other options, Lightning calls his friend Mater for advice. He suggests that Lightning track down Doc Hudson's mentor Smokey, in Doc's hometown of Thomasville, Georgia, so Lightning catches up to Cruz and convinces her to rejoin him.

In Thomasville, Lightning meets up with Smokey, who reveals that despite the fact Doc never raced again, he found new happiness in training Lightning. After Lightning accepts the fact that he will never be as fast as Storm, Smokey and Doc's old friends, Louise "Barnstormer" Nash, River Scott, and Junior "Midnight" Moon, help Lightning learn new tricks to overcome his speed disadvantage, using Cruz as his sparring partner. However, during the final practice race, Cruz suddenly overtakes him and he suffers a flashback to his crash, shaking his confidence.

At the race, Lightning starts at the back, but with assistance from Smokey in the pits, manages to gradually push up the ranks. Sterling, who still believes Lightning can't win, orders Cruz back to the training center to prepare a new racer for the following race, despite her wanting to stay and watch the race. Overhearing the exchange and remembering Cruz's dream of racing, Lightning avoids a massive pile-up and has his crew outfit her to take his place in the race, believing she is the key to defeating Storm. While shaky at first, Cruz is able to push up the ranks thanks to Lightning coaching her from the pits, and eventually ends up right behind Storm. Storm, feeling threatened, tries to intimidate Cruz, even to the point of ramming her against the wall in the final lap. Cruz, using one of Doc's old moves, flips over Storm, overtaking him and winning the race. As Cruz celebrates her victory, Sterling offers her a role on his team, but she instead takes a counteroffer from Dinoco's owner Tex Dinoco. Since Lightning and Cruz were both wearing #95, both have won the race, meaning that Lightning gets to decide if he is done racing.

Some time later, Lightning and Cruz return to Radiator Springs, where Lightning reveals that Tex has bought Rust-eze from Sterling. Lightning, now decked in Doc's old racing colors, decides to continue racing, but trains Cruz first for the season.

In a post-credits scene, Mater is seen singing at his junkyard, and receives a call but accidentally knocks his stand over.

---

When it was done we cheered wildly!

Qin: YEAH! That was awesome!

Lola: And it was so fun!

Phage: Nico, which Gene Slammer do you think you'll meet next time?

Lunk: I find it interesting that the Gene Slammers are ending up naked again.

Dixie punched Lunk.

Lunk: OUCH!

Nico: I'm hoping to do one for Charizard next.

Lincoln: Wow! A Charizard for your side next. Cool!

Me: Hot rather in this case.

Lola: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, and Laney's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Raoh, the main antagonist from Fist of The North Star, and he's coming to destroy Kenshiro again. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, is someone else coming after us?

Lincoln: You guessed it, Nico, and Kenshiro, you're not going to like this one bit: the dark energy signal we sensed belongs to your adopted older brother and old enemy, Raoh, and he's coming here to destroy you, since Jagi and Amiba failed and we destroyed them.

Lin, Airi, Danne, Kisana, Lyra, and Mamiya gasped in shock.

Lin: Raoh's coming here? But, this means…

Kenshiro: Word of Jagi and Amiba's deaths and Shin's redemption reached him, and now, he intends to finish the job himself.

Mira Sinclair: We're not going to let him do so, Kenshiro, Lincoln and I are going to destroy him once and for all.

Rayman: Just be careful with him, I've read the manga from

Lincoln's collection and he's a powerful fighter and adversary.

Lincoln: We will.

Nico: Oh man, a fight against The King of Fists himself, this is going to be one brutal fight, but Raoh must pay for what he's done.

Me: You said it.

Nico: Alright, gang, let's go, we got word from Lightning McQueen that Jackson Storm is here, and we're going to show that bad car that the generations are good no matter what the age group or what generation they're from.

Lincoln: We'll make him choke on our cars' exhaust when we beat him in the race, and once we take him down, you're next, Raoh, and we will make you pay for all of your crimes in full.

Thundermon: Let's get going.

Morrigan: (Scottish Accent) I hope Lightning and the others are doing okay.

Goof: I bet Chick Hicks has got his talk show all set up.

Nico: Lets go then.

We went to the garage and drove off to Radiator Springs

## RADIATOR SPRINGS

We were driving to Radiator Springs.

Runt: This is the second day in a row me and my team have been here.

Venom: It's the second day in a row for all of us.

Me: Boy it sure is.

Lola: So awesome and cool.

Xenia: Yep.

Varie: Always cool to come out here.

We arrived and got out.

Lightning McQueen: Hey guys!

Mortal Kombat Scorpion: Hey, Lightning.

Tobias Whale: What's new?

Jackson Storm is Lightning McQueen's rival and the main antagonist of the 2017 Disney/Pixar's 18th full-length Cars 3 and will appear in some capacity in the upcoming Disney+ series Cars on the Road.

He is a rookie belonging to the new generation of high-tech racers and the third rival of Lightning McQueen in the franchise.

After a long absence, McQueen returned to the Piston Cup for the Florida 500, but since he wanted to give Cruz Ramirez a chance to race, he made her finish the race, even though he wanted to finish the race. Cruz took advantage of Storm's weaknesses, allowing her to pass him and win the race. Storm's racing number is 20, however, it is designed with the design of 2.0 sponsored by IGNTR to resemble the next-generation.

He is voiced by Armie Harmer and by Nicolas Duvauchelle in the French version.

Before the events of Cars 3, Jackson was a cyber-sportsman, making a living playing racing video game (most noticeably, the racing game SC3) Super Corsa 3. His greatest achievement was winning a lot of money from a cyber-sport tournament organized by businessman Axle P. Biggs. He organized this tournament to find a worthy racer for his team. His team was able to recruit piston cup racers Storm and Tim Treadless out of the 10 cars that entered this competition, Jackson was the winner. Mr. Biggs asked a pickup truck named Ray Reverham (A.K.A Jackson Storm's Crew Chief) to find Jackson and engage him in the real sport.

In the beginning, Jackson declined, having earned enough money from his career in cyber-sport. He liked his freedom and did not want to change anything. Mr. Biggs blackmailed Storm, saying that if he did not become a racer then he would have to return all the money that he won from the tournament, and that he would not be involved in the video-gaming business. Storm then accepted the offer, but his cockiness was hard to deal with.

He began training in a special racing center with the other next-generation racers, but again, his attitude was a huge problem. He would often bully other members of the training center and steal their allotted time on the racing simulators. He would frequently challenge the other racers on the simulators, and upon losing to one racer in particular, Storm raged, damaging equipment and setting off the fire alarm. Due to repeated bad behaviour, Mr. Biggs decided to fire Jackson. Ray saw some kind of potential in Jackson, however, and decided to leave the training centre with him.

IGNTR, a liquid adrenaline company, soon offered to sponsor Jackson. He accepted, on the condition that Ray could be his crew chief. A statistical analyst from the racing centre had actually contacted IGNTR and told them about Jackson's skills.

Jackson Storm is the main antagonist in *Cars 3* . He makes his debut in the Dinoco 400 at the Copper Canyon Speedway. As Lightning McQueen, Bobby Swift, and Cal Weathers are approaching the finish line neck-in-neck, Storm manages to pass all three of them, surprising the three racers as well as the audience. As Storm drives onto the winners' podium to enjoy his victory, Lightning kindly approaches him, congratulating him on a good race. However, Storm responds by arrogantly expressing his pride in winning, annoying McQueen. The press then arrives to take pictures of the two, and Storm mocks McQueen about his age while enjoying the opportunity for good press. He then enters his hauler, who drives away, leaving McQueen insulted.

On Chick Hicks' show on the Racing Sports Network, he and Natalie Certain discuss Storm's victory, explaining that Storm is part of the next-generation of high-tech racers, and is capable of incredible things thanks to his next-generation design. Many racing teams take interest in this and begin firing their old racers in favor of newer, more able next-gen racers. Some do not have the motivation to continue racing against them and instead choose to simply retire, like Cal Weathers.

Throughout the rest of the season, more and more veterans are replaced by next-gen racers, and by the season's final race at the Los Angeles International Speedway, Lightning McQueen is one of the very few traditional racers left. McQueen starts off the race by passing Storm, but Jackson easily moves back ahead. Nonetheless, McQueen is able to keep up with Storm, and the two eventually enter the pits together. McQueen, recognizing that his only chance of winning is to get out of the pits before Storm does, barks orders at Guido, and rushes out of the pits. McQueen makes it out before Storm does, and gains the lead. However, Storm quickly overcomes him, and as he passes, trash-talks McQueen, wishing him a good retirement. This gets to McQueen, and he begins fading. Determined to continue, Lightning begins pushing himself far past his limits, but his right rear tire blows out and his engine overheats, which causes him to completely lose control of himself and hit the wall hard enough to send him airborne and into a nasty rollover crash. McQueen is then removed from the race and Jackson wins the race, as well as the 2016 Piston Cup.

After a few months of moping around, Lightning finally finds the motivation to start training again to face Storm. He travels to the Rust-eze Racing Center, where he meets teacher Cruz Ramirez, who helps him train. Ramirez puts images of Storm in front of McQueen while he is practicing on treadmills, to motivate him. Additionally, when Lightning uses the simulator for the first time, he discovers that Storm is one of the computer racers. After witnessing

McQueen's weaker top speeds, Sterling urges him to retire. However, Lightning manages to convince him that if he can beat Storm in the Florida 500, he can continue racing.

Throughout McQueen's training, Storm is continually used as motivation for Lightning. While practicing at the Thomasville Speedway, his mentor Smokey has Cruz Ramirez don a costume resembling his appearance.

As the Florida 500 approaches, Jackson continues to practice using a simulator. While using it, Storm passes McQueen, and asks Ray Reverham, his crew chief, why he is in the simulation. Reverham tells Jackson he manually put McQueen in, claiming he needs practice against *real competition* . Immediately after saying that, they both laugh, completely dismissing McQueen as a threat.

Once Storm arrives at the Florida International Speedway, he takes a practice lap, setting the record for the fastest lap of all time. As Lightning watches news this on television, he hears Natalie Certain predict Storm's chances of winning, which are incredibly high.

As McQueen and Ramirez are preparing in the pits, Storm greets Cruz, who is still wearing her Storm costume. He arrogantly offers a picture, and when McQueen interjects, he mocks McQueen over the selling of McQueen-branded mudflaps. Since McQueen did not show up to take practice laps at the speedway, he is required to start dead last. Though a difficult obstacle to overcome, McQueen manages to gradually work his way through the pack. However, while hearing Sterling rudely tell Cruz she is not a racer, Lightning gets the idea to enter her in his place, as she has always dreamed of being a racer, and demonstrated extraordinary abilities during their training.

Though hesitant, Ramirez enters the race as a substitute. She begins working her way up to the front, with McQueen coaching her. As Cruz continues to gain on Storm, Reverham warns him, but Jackson dismisses it up until she takes third place. Recognizing she could actually prove a threat, Storm backs up to Cruz and insults her, telling her she will never be like the other racers. The harsh words get to Cruz, but McQueen builds her back up by explaining that Storm would not have done that if he was not nervous. Using this knowledge, Cruz starts drafting behind Storm and trash-talks him. Storm loses his focus, and as Cruz moves to pass him, he slams her against the wall. However, Cruz thinks back to how Doc Hudson performed a flip move to get out of a similar situation, and uses the maneuver to overcome Storm and win the race.

After the Florida 500, it is unknown what happened to Jackson Storm as he was not seen after Cruz won or the end credits' pictures. It can be presumed that he still kept racing to try to beat Cruz but still lost to her in the end, or was banned from racing and fired from IGNTR for his arrogant and reckless behavior.

---

When she was done we were shocked!

Me: Man what a jerk!

Qin: Yeah no kidding! Thinking that the next generation will always be more superior than the last!

Xenia: No kidding! All the generations of cars are awesome too!

Me: I agree there!

Warp: Now, can you tell us more about Sterling?

Fixer: Because he sounds similar to Zundapp?

Cruz: How so?

Live Action Hightower: For starters, they both are bosses who had top underlings that did most of the work.

Cruz: True. Also I would be honored.

She told us about Sterling.

---

Sterling Burnish Dunn is the secondary antagonist in the 2017 Pixar's full-leght animated film Cars 3. He is the owner of the Rust-eze racing center.

He was voiced by Nathan Fillion, who also voiced Johnny J. Worthington III from Monsters University.

Sterling is introduced by Dusty and Rusty when Lightning McQueen arrives to the new racing center. He actually wants to be a huge fan of McQueen and seems to be very honored to be his new sponsor. He's by his side as Lightning observes his entire career and victories immortalized on low walls. Sterling then gives the racer a makeover, shows him around and introduces him to Cruz Ramirez.

When Lightning tries the simulator, Sterling can't wait to see what he's capable of. However, he is quickly disappointed when he sees McQueen about to crash into the screen, and leaves.

After having a talk with Cruz, Sterling shows to Lightning his mud-flaps with McQueen in effigy. He wants the latter to stop the race to serve as a business icon, seeing this as a legacy. McQueen does make a deal, however, in the event that if he wins the race in Florida he will decide when to stop racing but if he loses he will work in advertising for Sterling.

Sterling reappears at the end, while racing alongside Smokey and Lightning's friends. The business car notices Cruz and orders her to leave the place to train the cars to the center. He then mocks her customization reminding her that she isn't a racer. But during the stop, Lightning calls Cruz back to take over for the race. Sterling opposes it but Mater pushes him away, while the pit crew prepares Ramirez.

When the coach wins, Sterling wants to have her as a pilot but Cruz refuses when she is chosen as the new face for Dinoco. Sterling then calls Lightning back for his new job but is confused when he sees him on the notice board for winning the race with Cruz. Tex then approaches Sterling to discuss the matter while Cruz celebrates her victory. We later learn that Tex bought Rust-eze.

---

When she was done we were shocked more.

Me: Man Sterling is bad news!

Qin: He sure is. But at least he was put in his place.

Lola: Yep.

Live Action Scrapmetal: Compared to Jackson Storm, he's not worth fighting.

Thrust: Is the racetrack Road America styled?

Lightning McQueen: Yeah it sure is.

Me: This is gonna be sweet.

Qin: We're going to really put that dirty car Jackson in his place.

Xenia: We sure are.

Utomodachi: Look! It's Chick Hicks new talk show!

We watching TV for Chick.

Chick Hicks: Welcome back to Chick's Picks with Chick Hicks. Today, Jackson Storm has challenged Lightning McQueen again to see who the best generation of race cars is. (laughs) Like he's ever gonna beat McQueen! Especially now that there's nothing holding him back!

Evil Star: Chick's talk show is off to a good start.

Me: Yeah it sure is. Chick makes one awesome Talk Show Host. Better than Rush Limbaugh.

Qin: Yeah that's for sure.

Chill Bill: Jackson Storm must've challenged Lightning before we got here.

Me: You know he will answer the challenge.

Lightning McQueen: You bet I will!

Xenia: Oh yeah!

Aylene C.: This will be good!

Lola: It sure will!

Count Spankulot: (Transylvanian Accent) Jackson Storm has been very bad!

Mr. Freeze: Especially since he tried to get Cruz off of their previous race by force.

Me: You got that right.

Eli: You can't spank a car so the next best thing is to blow them off the track.

Qin: Nice!

Xenia: I like it.

Eye Five: How long until we have to meet him?

Lightning McQueen: He said 1 hour.

Me: More than enough time.

Lola: That will give us plenty of time.

Qin: It sure will.

---

French Narrator: (French accent) 50 minutes ater…

---

Stratos: All right, we've prepared long enough.

Superfriends Cheetah: Time to find that sorry excuse for a race car!

Ed: SPLISH SPLASH! I'M TAKING A BATH EDDY!

Eddy: Shut up Ed!

Nico: Lets go get him.

We got in our cars and were off.

We arrived at the stadium.

RD Sam Sharp: Entrance time! Lightning, feel free to say your catchphrase when we do it.

Lightning McQueen: You got it.

Jackson was waiting.

But then the spirits of the racers of the world appeared and then they swirled around him and then converged on the gate and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the gate and a phoenix cry was heard.

We zoomed in!

Lightning McQueen: KA-CHOW!

Me: YEEHAW!

We zoomed in and we were ready!

We landed.

Jackson Storm: Time to move over, Lightning. A new generation is coming!

MetalSeadramon: You don't know who wrong you are about that!

Me: Because we're going to turn you into scrap metal!

Pisces Zodiarts: I'll go find Sterling and tie him up while this is going on.

Lightning McQueen: Okay!

He went and did so.

Lola: YEAH!

The race was underway.

Me: It was called the Scepter of Millalobo and it was for the god of the Sea.

Qin: Yeah.

?: That is cool.

Then a figure came out and it was VANNAIN from episode 34 of Gokaiger!

---

He is an Action Commander who can touch foreheads with another person or thing to assume that other's form. Having kidnapped her friend Cain, Vannain tricks Luka to walk into his trap, knocking her out to assume her form in order to take out her crew.

However, the Gokaigers see through the deception and trick Vannain into believing that he has killed them so they can follow him to Luka. After being blasted by the Gokai Galleon Buster, Vannain tries to overwhelm GokaiOh and Goujyujin with sneak attacks as a building before being ousted for having a heat signature (something buildings don't have) and is crippled by GoZyuJin, then destroyed by Hurricane GokaiOh.

He later appeared as one of the many monsters in the Dai-Zangyack army, which eventually fought against an army of Super Sentai and Kamen Riders. He is seen fighting Battle France.

---

Eli: Whoa! Vannain! I remember you! You were sent to trick Luka and walking your trap and take her form and destroy her crew.

Kaguya Ōtsutsuki, J.D. Knudson and Caoimhe Coughlan vs Brushogun and his villains

---

Kaguya, me and Caoimhe were looking for Kaguya's archenemy.

Kaguya: So where is my archenemy?

Me: He should be here.

Then out came a figure and it was BRUSHOGUN!

Me: Brushogun!

Brushogun: (Japanese Accent) It's good to see you again J.D.

Me: Same to you.

Kaguya: So you are my archenemy?

Brushogun: That is right.

Me: Brushogun is another villain that I feel sorry for. Because he was messing around with forces no mere mortal can even understand. Let me explain. Brushogun was once an art student who dreamed of bringing his creations to life. He tried to make that dream a reality with Japanese Dark Magic and it worked but at a terrible price.

---

Brushogun is the central antagonist of the 2006 animated film Teen Titans: Trouble in Tokyo.

He was voiced by Cary-Hiroyuki Tagawa.

Brushogun is formerly a Tokyo artist who fell in love with a woman he drew on his picture. He used Japanese dark magic to bring her to life as the same with all his artistic creations, but then cursed his body, transforming him into a dark being with the ability to create live ink drawings. He became Tokyo's first supervillain known as Brushogun. At some point, he was eventually defeated and captured by the proper authorities.

In the present day, Saico-Tek, a creation of Brushogun that was sent to attack the Teen Titans, destroyed their Tower and that reasoned them to find the one who ordered it. Yet upon tracking him down, the Titans discover he is actually an innocent, yet frail man hooked up to a giant printing press and held captive by Police Commander Uehara Daizo, who forced Brushogun to create criminals that Daizo would capture to look like a hero.

When Daizo jumps into Brushogun's vat of magical ink, he absorbs Brushogun and the machine, and becomes a giant ink monster. Robin defeats him by removing Brushogun from the absorbed printing press, causing the ink creature to revert back to Daizo. Finally released from his curse, Brushogun thanks Robin before peacefully and happily dying in his arms by fading into nothingness.

## Powers and Abilities

Brushogun's spell has transformed him into a cursed, paper-skinned being with the power to generate supernatural ink that is used as a constituent form of black matter, that can be formed into shapes, used to create minions, possess and transform objects that it touches, and has other magical effects.

The magic ink that Brushogun generates is mainly used to create false objects and living beings of any shape, size, and color to use as his minions (exploding shuriken, troopers, superpowered criminals, giant monsters, etc.), which are granted special abilities that he imagines for them, and can regenerate from any damage, including lost limbs. Also, his ink's magic was used to send an enchanted card with his name written on it flying to Robin in a police van to be materialized into an exploding shuriken to free him. Because his creatures are made of ink, they all have a fatal weakness to water, which dissolves them.

When his powers are taken to their greatest limit, Brushogun can become a giant monster that is several stories tall and made out of an immense reserve of ink generated from himself, which has enormous strength and resilience, control any machines implanted into its ink body, and create minions in even greater numbers.

**Known creations and their cultural influences:**

Saico-Tek resembles a Power Ranger or a Kamen Rider. Saico-Tek is the first creation that the Titans encountered.

Deka-Mido, a giant green reptilian monster that resembles film monsters Godzilla (Japan) and Gorgo (Great Britain).

Timoko, the yellow sushi-obssessed robot that Cyborg fights is an homage to Boss Borot from Mazinger.

Nya-Nya, a pink cat-girl (a nod to typical anime catgirls such as Ana Puma from Dominion Tank Police).

Mecha-Boi, a blue robot that resembles Astro-Boy (Tetsuwan Atom in Japanese).

Scarface, Raven's ghost-like opponent is based on No-Face from Hayao Miyazaki's Spirited Away.

The Tokyo Troopers, living ink creatures looking like human police troopers.

Me: You did not want to be like that. What happened to you was just absolutely horrible. It's a fate even I wouldn't wish on my worst enemies.

Brushogun: What happened to Daizo after I was saved?

Me: Well we exposed him and revealed to everyone in Tokyo and he was arrested and sent to prison. But he was beaten to death when he got there by fellow inmates.

Me: Absolutely.

Lin: I should've known there's no mistaking that voice from anywhere. You can come out now, Raoh.

A large muscular figure came out, it was none other than Kenshiro's adopted older brother and main enemy, Raoh.

Kenshiro: Raoh.

Raoh: Looks as though Amiba and Jagi proved unable to finish the job and kill you, now, I shall finish the job myself and kill you once and for all.

Mira Sinclair: You are not laying one hand on Kenshiro, Raoh, you're going to be dealing with me.

Suddenly, Mira Sinclair's red eyes turned neon red and she was surrounded by an orange energy aura with earth, plants, leaves, beasts, and animals, she unholstered her massive Alpha, The Master of Beasts-themed greatsword from her back, and as she approached Raoh, she left orange energy, earth, plants, leaves, beasts, and animals with every step.

Mira Sinclair: You fully understood the consequences of your powerhungry and ruthless misdeeds, yet you still continued on your path of conquest and destruction, and as a result, too many innocent lives have perished by your hands. Understand this, Raoh, I will never forgive you for what you've done, and I'm going to put an end to your life here and now.

Suddenly, Mira Sinclair was surrounded by a massive vortex of orange energy with earth, plants, and leaves surrounding the vortex, there are beasts, animals, and Alpha, The Master of Beasts running around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Mira Sinclair emerged but she was changed forever.

Mira Sinclair grew from 6'5" to 7'4" in height, she has the body of a goddess, she has spring green highlights in the bangs of her long flowing crimson red hair, she has neon crimson red eyes and an orange energy aura with with earth, plants, leaves, beasts, and animals surrounding her, she has a leaf in the hands of Alpha, The Master of Beasts emblazoned on her forehead, she has on beast earrings with crimson red gems for eyes and holding the Earth, Nature, and Eternity Kanjis in its claws, she also has Alpha, The Master of Beasts with crimson red gems for eyes and holding the Earth, Nature, and Eternity Kanjis in its hands on the bottom of her crimson red beast-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with crimson red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Mira Sinclair has on a sleeveless dark green midriff top, camo pants going up to her pants, green heeled sneakers, and long white sleeveless trenchcoat with earth, leaves, plants, and beasts on the coattails, and on the back is Alpha, The Master of Beasts surrounded by earth and animals. Suddenly, Mira Sinclair felt a sharp pain on her back, and then, her massive crimson red angel wings with green tips on the large crimson red feathers grew much bigger for her new body, she has on a Ring of The Phoenix with crimson red gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Mira Sinclair's massive Alpha, The Master of Beasts-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of orange energy, beasts, animals, plants, and leaves, and when it emerged, it was transformed into Alpha, The Master of Beasts' Animal Kingdom Earthstorm Greatsword of Beast Jungle Justice, it's a brand-new large greatsword with Alpha, The Master of Beasts etched on the 7'0" massive, wide, double-edged blade, large orange lion heads for the crossguard, large crimson red gem embedded in the rainguard, longer midnight black handle, four large orange lion heads and a large crimson red gem below the lion heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with green gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Alpha, The Master of Beasts' head with crimson red gems for eyes and a large green gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a dark green kanji below Alpha, The Master of Beasts that said, "Mira Sinclair, Gene-Slammer of Alpha, The Master of Beasts, Amazing Speaker to Animals, Expert Horse Rider, Expert on Flora and Fauna, Powerful Master of The Forces of Nature, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Primative Dragon Kamen Rider, Smasher of Dark Luan, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and

ミラ・シンクレア、アルファのジーン・スラマー、獣の達人、動物への驚くべき語り手、乗馬の達人、動植物の専門家、自然の力の強力なマスター、愛情深い守護天使、リンカーン・ラウドの将来の妻、プリミティブの大敵ドラゴン 仮面ライダー、闇のルアンのスマッシャー、悪のスレイヤー、混乱した、殺人的、無慈悲、そしてサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、そして自然、植物、動物、そして獣のマスター

Mira Sinclair has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA NATURE JUNGLE ALPHA BEAST MASTER ANGEL OF DIVINE JUNGLE NATURE BEAST JUSTICE AND DIVINE JUNGLE NATURE BEAST LOVE!

We were amazed by Mira Sinclair's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Raoh saw it, he immediately rushed in to strike Mira at one of her pressure points to make her slowly die, but Mira Sinclair saw what he was planning, and she struck him with a flurry of swift and powerful punches and kicks finishing off with firing a powerful orange energy blast with leaves, plants, animals, and earth at Raoh and it sent him flying into a wall, he got out, but he was ready for a big fight.

Nico: Whoa, not only did Mira Sinclair transform, but she anticipated Raoh's attack and countered with some swift and powerful punches and kicks of her own, and sent him flying by firing an energy blast at him, really awesome.

Lincoln: But, the fight's just getting started, Nico, and Mira, you look beautiful, how do you feel?

Mira Sinclair: (Divine Echoing Cosmic Voice of The Nature Jungle Earthstorm Beast Angel and Divine Nature Jungle Beast Earthstorm Love) **I feel incredible, Linky. Now, shall we put an end to Raoh once and for all?**

Lincoln: (Smiles) With pleasure, Mira.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Mira Sinclair.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your powerhungry and ruthless ambitions end here and now, Raoh, and now, it's time for you to die.**

Mira Sinclair and Lincoln went after Raoh, who tried to attack their pressure points, but they blocked every last one of his attacks, and they fired extremely powerful blasts of rainbow energy, orange and crimson red energy, crimson red and white energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Raoh, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really backing Raoh into a corner, but he wasn't done yet, and neither were Mira Sinclair and Lincoln. Then, we saw Lincoln's eyes turn purple, and he fired a powerful blast of dark fire at Raoh, and he was burned, we saw that Lincoln used Chaos Emperor Dragon - Envoy of The End's attack: Cemetery of Fire.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Mira Sinclair, her hand-cannon Blaster is known as

Alpha, The Master of Beasts' Jungle Beast Master Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's dark green with plants on the blaster with a Phoenix, Angel, and Alpha, The Master of Beasts surrounded by plants etched on the sides, and a green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Mira Sinclair fired blasts of rainbow energy, orange energy, and elemental forces and Raoh, and they exploded with incredible power as they hit him, yet he was still standing. But, Lincoln saw he's on his last legs, and that enabled him to grab and pin Raoh's arms to his back and as one of the tips of his eleven long white wolf tails turned into Cell's stinger, he stabbed his stinger into Raoh's chest, he began draining and absorbing the ruthless warlord and his energy into him, and when Lincoln was done, nothing was left of Raoh except for his clothing, and the stinger had changed back. Then, an energy card with Raoh's soul imprisoned inside appeared in Lincoln's large left hand, and when the Judgement Kanji appeared on Raoh's forehead, he was then sent to The Black Gates after he was found guilty by the spirits of those he's killed. We cheered wildly for what Mira Sinclair and Lincoln did to Raoh as they holstered their massive greatswords on their backs and powered down, and Mira Sinclair's new body, clothes, weapons, jewelry, and massive crimson red angel wings are permanent.

Mira Sinclair: That's for all those lives you've ruthlessly ended, Raoh. Thanks for helping me destroy Raoh once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Mira.

Suddenly, Mira Sinclair wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Mira Sinclair's face, they kissed passionately as Mira Sinclair's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Alpha, The Master of Beasts flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and a forest appearing around them and we cheered wildly. Lincoln and Mira Sinclair came back to us, as the display and Alpha, The Master of Beasts vanished.

Nico: Nico: Now, that's what I call one awesome fist-to-fist battle, awesome job, you two.

Lincoln: Thanks, Nico, and we got rid of the one person who's caused a lot of trouble for Kenshiro, Lin, Airi, Danne, Kisana, Lyra, and Mamiya.

Just then, Lin, Airi, Danne, Kisana, Lyra, and Mamiya went up to Lincoln, and they each kissed him on the lips and face, and he had an atomic red blush on his face, steam whistling out of his ears, and hearts in his eyes, and he returned the kiss Lin, Airi, Danne, Kisana, Lyra, and Mamiya gave them, and they had an atomic red blush on their faces.

Nicole: (Snickers) I think that's their way of thanking you for getting rid of Raoh for good, Lincoln.

Lin: That's right. What Raoh had done can never be forgiven nor forgotten, but with his death, all of those he's killed can finally rest in peace.

Lincoln: That's right.

Me: He was driven only by power and ambition, and any who got in his way were ruthlessly killed by him and his followers.

Daria Kuso: After what we knew about him, he was one ruthless warlord who needed to be put down for good or the entire universe would be at risk. Oh, Lincoln, tomorrow on your rescue, we're going to meet the Gene-Slammer for Alpha Hydranoid.

Lincoln: Awesome.

Vert: Awesome! I knew it was going to be for that one too.

P'andor: Jackson Storm isn't gonna be in any more races.

KGBeast: Because he's under arrest for assault.

Me: And many more crimes.

Beast Man: And Sterling's been taken care of.

Unicorn: Damn straight!

Nico: Yep.

Ice Demon: We should celebrate.

Me: Good idea.

Nico: I agree. Lets head over to Lynn's Table and celebrate. Great job today everyone.

Lightning McQueen: Good idea. (To the Viewers) This was an awesome race and now Jackson is now mud.

Nico: Yes he is.

Qin: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

To show thanks, Lincoln took her and the other Bakugan Battle Slammers to a lake where he kissed each of the Bakugan Battle Slammers underwater. She's the cousin of Alice Gehabich, and she hates Lori, Luan, Lynn, Lola, Lisa, Chandler, Hawk and Hank, Pablo and Anderson with a burning passion. Get ready to laugh yourself silly as we go to Lynn's Table for a really funny and awesome humiliation of the jerks and it's going to be perfect for a Pre-Thanksgiving day.

See you tomorrow

# Pre-Thanksgiving Humiliations

HOLD ON TO YOUR SIDES

---

In the early morning hours, at 1:13 AM, I was asleep in my bed and I was having a really horrible nightmare. In my dream I was in what looked like an absolutely devastated world with terrible destruction and devastation as far as the eye can see. Everything was on fire, bodies littered the ground, blood was splattered all over the place and everything was really messed up. Screaming was heard all over and more.

Me: My god, what the hell happened here?

Then I saw 8 shadowy figures and I could make them out. I saw that they were evil versions of Nico, May, Maria, William, Optimus, Ben, and Danny and they were torturing and maiming an evil version of Me!

Me: (GASPS IN FEAR)

Then the Evil Nico ripped the evil version of me's head off and then ate his heart and I was shocked and horrified!

Me: NO NO! THIS ISN'T HAPPENING!

I saw that the logo on their shirts were different! It was a black dragon in a moon! It was called TEAM LOUD EVIL STORM!

Dabi was getting a glass of milk.

Dabi: Nothing wrong with getting milk in the middle of the night.

He did so and then..

BLOODCURDLING SCREAM!

Dabi: Oh man! That sounded like J.D.!

Everyone woke up and went to my room!

I was sweating hard and breathing fast!

Varie: J.D.! Are you alright!

Camie: What happened!?

Celica: Oh man! That must've been a horrible nightmare!

Nico and everyone came in!

Nico: J.D.!

Eli: Bro what happened!?

Me: (PANTING) Just a REALLY horrible nightmare!

Qin: What was it about?

Me: I saw evil versions of us! I saw evil versions of Nico, May, Maria, William, Optimus, Ben, and Danny and the evil Nico killed an evil version of me.

Camie: That's horrible!

Nico: J.D. it was just a nightmare it's all over.

Me: I don't know man. It felt so real. Like it actually happened.

Aqua: At least we don't have to worry about your evil self now.

Lola: Boy that's crazy! An evil version of us.

King Kai: (Telepathically to Nico) Nico, Everyone can you all hear me?

Nico: King Kai yes we hear you. Is something wrong?

King Kai: I'm afraid the dream that J.D. had was not just a dream at all. It was a warning. There really is actually a group like that. They are called Team Loud Evil Storm!

We gasped!

Eli: Oh man!

Nico: This is not good!

King Kai: Believe it or not however they are from a universe where the villains are all good and you guys are all evil. But they are weaker in power than you guys are are only composed of just 7 of you. They are just down to evil versions of Nico, May, Maria, William, Optimus, Ben, and Danny. The rest of you guys have all been captured by the good versions of you all and are stripped of your powers and are rotting away in prison forever.

Me: Wait! Good versions of the villains we all know and hate!?

King Kai: That's right. Good versions of Lex Luthor, Cinder Fall, Masata Kusaka, Evolt, Crocker, and Burns and so many more. They formed a resistance group and captured all of you guys and either stripped you all of your powers or killed you all.

Eli: That's incredible!

King Kai: It sure is.

Nico: Wow! So I'm guessing in the future they will need our help to kill the rest of this evil team of us.

King Kai: That's right. And they are located on a planet in the galaxy CEERS-93316.

Nicole: Wow! That's over 34.6 billion lightyears away from Earth.

Nico: We've never gone that far away before!

King Kai: That's right. But use extreme caution guys. This evil version of you may not be as powerful as you all are now but they are pure evil.

Thunderblast: (to King Kai) Wait. Does that mean an evil version of you exists there as well?

King Kai: No there isn't thank goodness. They came from a universe that no one even knew about. Not even me.

Thunderblast: That's a relief.

Nico: But we'll be ready for them when the time comes. There may be just the seven of them but they are completely outnumbered against us.

Me: And that means we'll have them all up against the ropes.

Xenia: Yeah.

G1 Inferno: In that case, having the usual battles on that day won't hurt.

Nico: If it weren't just 7 of them, I would disagree. But there IS only 7 of them. The battle against them won't be an all out war. It'll be like the battle against Albedo's former team.

Me: That's true. There's hundreds of us and 7 of them.

Eli: That's true.

I looked at the clock and it was 2:14 AM.

Me: Whoa it's still early. Sorry I woke you guys.

Nico: No worries J.D. Lets all go back to sleep everyone.

We agreed.

Nico: Night.

We all went back to our rooms and went back to sleep.

In the early morning hours at 4:35 AM, Lincoln had a dream, and he saw two figure who was hiding out and living in the streets of Marrakech, Morocco. But, they were no ordinary two figure, their were Overcast, daughter of one of Lincoln's future wives, Rainbow Dash. and Radioman, son of one of Lincoln's future wives, Robecca Steam. Lincoln woke up from the dream, but he wasn't the only one, Rainbow Dash, Storm Rainbow, Prism Bolt, Robecca Steam, Steam Train, Lori Loud, Nico, and I also had the same dream.

Lincoln: Same dream as always?

Lori: More the merrier, bro.

Robecca Steam: And not only that, it also means that we found out where our kids are at.

Rainbow Dash: And the question is, Where?

Me: they're at Marrakech, Morocco.

Nico: Oh no, that's not good. It's the same place when we found Soundwave Speaker, Melody Song, and The Young Shadowbolts, It is not for little kids like them.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, Rainbow Dash, Storm Rainbow, Prism Bolt, Robecca Steam, Steam Train, Me, and Nico were heading to Marrakech, Morocco. Then, Lincoln saw a 10-year-old girl who has light cyan skin, navy blue short spiked hair with cyan and pale yellow streaks, and light red eyes. She also has feathered bird-like arms (which resembles a mythology creature; Harpy). She wore a yellow tank top, a navy blue skirt with cyan pale yellow spots, black undershorts, and blue flats. And a Demi-Giant Size Robot who has light gray-blue metallic skin and gray head of a radio speaker with light blue eyes for a radio speaker, amplifying ears, and rabbit ear antennas. he also has speakers on his shoulders, and a plug-like tail behind him. he wore black stoked arm armor, light gray steampunk leg armor, and a short wave on his backside. He wielded a pair of strange guns that were called Hair Dryers. Lincoln saw who they are, they are Overcast and Radioman.

Lincoln: Excuse me, are you Overcast, and Radioman?

Overcast: Yes we are.

Radioman: Uh, who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Rainbow Dash and Robecca Steam came out, and when Overcast and Radioman saw them, they was stunned.

Radioman: M-Mother?

Robecca Steam: Yes, Radioman, it's me.

Overcast and Radioman ran up to Rainbow Dash and Robecca Steam, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Storm Rainbow, Prism Bolt, Steam Train, and Lori.

Lincoln: And there's something you should know, Rainbow Dash, Robecca Steam, your mothers are one of my many future wives.

Overcast and Radioman: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Overcast and Radioman with joy, as Lincoln picked Overcast up and they hugged, as well as Radioman hugged Lincoln and Overcast, and we had a smile on our faces and tears in our eyes.

Radioman: (smiled) I am Radioman! I am glad and happy to have Lincoln Loud as my father!

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Overcast and Radioman to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Rainbow Dash and Robecca Steam with their kids, and Overcast and Radioman now has a loving, strong, brave, and caring father in their life.

---

Later we went and got breakfast.

Nico was making us pancakes and sausages and steaks and eggs.

We were having a great breakfast.

Me: (Eating steaks) Mmm! Man it's good.

Nico: Yep.

Lola: Yeah he sure is.

Zuria: That is for sure.

Camie: Yeah.

Nico: Yeah that was cool.

Zuria: I agree too. Also J.D. I met Nerri in the park. She is amazing. Just like everything you told me and how I read.

Me: She sure is. Nerri is an amazing guardian of the forest as well as the park.

Qin: And she watches over everything.

Zuria: How did you meet her?

Me: That was an awesome adventure. Me and Xenia were on a horseback ride.

FLASHBACK - PART ONE OF CHAPTER 1022

In the middle of the forest, me and Xerneas were riding through the forest on my Rapidash. We saw the beautiful serenity of the forest with the trees, birds, animals and plants. It was so beautiful.

We were enjoying the beauty of life. We stopped and saw everything in the forest.

Me: (Inhales) Ahh. It's so beautiful out here.

Xerneas: It sure is J.D. It's so glorious and majestic and full of life.

Me: It sure is. Just like you Xenia.

Xerneas: Thank you.

Then I heard something. It sounded like singing.

Me: Wait. Hear that?

Xerneas: I sure do. It sounds like singing.

Me: Could it be?

We saw a beautiful Willow Tree and it was a magnificent tree. We went up to the Willow Tree and we saw a beautiful girl with red hair and emerald green eyes and she was singing beautifully. We stood in front of a ring of red toadstools.

Me: Wow. Are you the Willow Maiden?

Willow Maiden: I sure am. It's an honor to meet you J.D. Knudson and you too Lady Xerneas.

Me: Same to you. What is your name?

Willow Maiden: My name is Nerri.

Me: That is a beautiful name. My friend Laney sang a song about

you.

Nerri: Wow. I'm honored she would sing about me.

Me: Would you like to come with me to live at the estate and be with us on Team Loud Phoenix Storm?

Nerri: I wish I could come with you but I cannot leave this place. I am forever bound to this tree. I cannot leave this tree.

Me: I see. But maybe there is a possibility that we can move your tree to our backyard.

Nerri: How can you do that?

Me: I have the power to do that without damaging your tree.

Nerri: I would like that.

Xerneas: It just might work.

Me: Okay. Here we go.

I snapped my fingers and beamed the whole tree with Nerri and us to the estate backyard. It was perfect for her and it was the perfect place for Nerri to call home.

Me: Here we are.

Nerri: Wow! It's beautiful. It's amazing that you all have a city made of plants and everyone is amazing.

Me: Thank you Nerri.

Xerneas: Our city is a wonderful place to call home as long as Team Loud Phoenix Storm is there to protect it.

Me: I think you will love calling our backyard home.

Nerri: I know I will.

Me: I'm gonna meditate now Xenia.

Xerneas: Okay J.D.

Xerneas went back inside and I sat in front of the tree in a lotus position and meditated. It was a beautiful sight to see me meditate in front of a Willow Tree.

Me: Oooooooommmm…

Nerri: Wow.

I had my aura flare up and it was overflowing with beautiful life energy and getting stronger by the second. All of nature was reacting to it with incredible power.

Me: Oooooooommmm…

FLASHBACK ENDS

Zuria: Wow! That is so cool!

Camie: That is awesome.

Me: Yeah that was fun and we had Sora and Kairi's wedding that day too.

Lola: Yeah that was awesome.

Me: Yeah. But also yesterday I'm glad we taught Jackson Storm some manners.

Maria: And MetalSeadramon took care of Sterling while we were fighting Jackson.

Nico: He sure did.

Zangief: (Russian Accent) He sure did comrades.

Nico: One of these days, we should listen to Mater's Tall Tales.

Eli: That would be awesome to hear.

Dark Mikey: Yeah it sure would.

Lola: I agree there.

Camie: Yeah.

Aylene C.: As long as we are here we might as well have some fun.

Dark Mikey: I brought some peanuts to feed the dinosaurs.

Me: I'm not really sure dinosaurs can eat peanuts.

Aylene C.: Yeah they only eat plants and meat. We give them the plants they like as well as some fruit and also some big juicy steaks that dogs would love.

Nico: She's right.

Dark Mikey: Ah well. More peanuts for me.

Xenia: But it's still always fun to come here.

Hulk: Hulk love this place.

Kazuma: I have a feeling we're going to battle more Undead soon.

Qin: Me too.

Dark Don: What are your thoughts, Kazuma?

Kazuma: I hope we face one of the Zodiac Undead.

Me: Yeah I've been wanting to see what one of those are like.

Nico: Me too. It would be interesting to see that.

Laney: A Zodiart Undead would be awesome to see.

Lola: Yeah.

Gentaro: I would be amazed to see that.

Dark Donny: Well according to Swartz's notes it does say that he was working on Ridewatches that have Rouse Card Powers as well as those of the Zodiarts Switches.

Me: Wow!

Qin: Yeah this will be interesting.

Nico: Yeah it sure would. What constellation do you think will appear first?

Me: I'm hoping for (WInces)

Nico: What?

I put my hand on my neck and my birthmark was glowing.

Me: My Phoenix The Firebird Birthmark is reacting to something.

Nico: Does it answer my question?

Me: It sure does. Another Undead-Zodiart for Phoenix The Firebird must be near.

Nico: I had a feeling it was going to be a Southern Hemisphere Constellation to start us off.

Then we heard screaming and then a massive wall of fire was coming toward us and then it stopped and revealed a figure and out of it came THE PHOENIX THE FIREBIRD UNDEAD ZODIART! It looked like a scary mixture of Screamer from Mystic Force and Phoenix from Wizard and it had wings made entirely of pure fire. And she had the symbol for Phoenix The Firebird on her right elbow.

Me: WHOA! So that is an Undead Zodiart!

Qin: Wow! That one is amazing!

Me: Wow! This one looks hot!

Phoenix Undead Zodiart: (In a Girls Voice) You always did love how I was beautiful J.D.

Me: (GASP) That voice.

She was enveloped in a vortex of fire and reverted back and it was a girl with fire red hair and blue eyes and had a smoking hot red 2 piece bikini on and had an orange swim skirt on.

Me: Serena Honoua!

Serena Honoua: It's awesome to see you again J.D.

Me: Same here and you are as beautiful as ever.

Nico: You know her?

Me: I sure do. We met down in Costa Rica and she is a beautiful beach-going girl that I rescued from quicksand on the beach as I was on vacation after the battle with Hawk Moth.

Nico: Right! I remember that! I gave you that vacation to cool off.

Lola: Yeah and you showed us a picture of that one!

Serena Honoua: And you will be a great hero to me J.D. You were under a lot of pressure and I'm sorry that happened to you.

Me: Well it was a long time ago but I'm glad I've improved since then but thank you.

Serena Honoua: You're welcome.

Camie: Your hair is really beautiful.

Serena Honoua: Thanks. I was born with fire red hair and I have amazing fire powers and these wings of fire were given to me by cosmic radiation.

Me: Wow! That is awesome! I had no idea we had so much in common. I got exposed to cosmic radiation too.

Serena Honoua: Wow!

Eli: Did Swartz promise you anything?

Serena Honoua: Just to be a great fire master and phoenix angel.

Me: From the looks of things you already have a achieved all that.

Dark Leo: Wait. This can't be all of our opponents right now.

Serena Honoua: No I sense that 4 more figures are coming.

Eli: I feel it too.

Me: Did you find out who they were?

Serena Honoua: As a matter of fact yes. But I'll see them in about 30 seconds. Can you save me?

Me: I sure can.

She changed into her Phoenix Undead Zodiart form and I fired a powerful blast of fire and knocked her down in a powerful fiery explosion!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Rouse Card and Zodiarts Switch and purified them. The Rouse Card had the constellation for Phoenix The Firebird in The Southern Hemisphere and the Phoenix itself on it and the Zodiart Switch in my hands turned into an armband!

It was a red jewel armband on my right elbow. And I got a Phoenix on my charm bracelet. We all did on our charm bracelets.

Me: Wow!

I went over and picked up Serena.

Serena Honoua: (Groans) What a headache.

Me: But you're back to normal.

I went and brought her over and Varie looked her over.

Me: So whenever we defeat an Undead Zodiart we get these cool armbands.

Nico: That is cool.

Then…

ZOOOM ZOOM ZOOM ZOOM!

4 figures landed in front of us and they were black versions of the DARK TURTLES! They were ANOTHER DARK TURTLES!

Me: WHOA! Another Versions of the Dark Turtles!

Dark Don: (groans) Clones of the 4 of us, who are also clones. If this isn't cruel irony, I don't know what it is!

Another Dark Leo: (In a girls voice) Whoa far out seeing you again J.D.!

Another Dark Don: (In a girls voice) Yeah groovy to see you again.

Me: Whoa I did not expect you girls. The Jewel Beam Sisters.

Nico: You know them?

Me: Boy I sure do. They are 4 girls that live in the time of the Woodstock 1969 Era.

I pulled out a photo of them and it showed me and the Jewel Beam Sisters getting groovy as we meditated in front of an awesome and gnarly lava lamp and we had awesome hippie clothes on. The Jewel Beam Sisters each had hair matching their names.

Nico: You guys sure look groovy.

Eli: Boy I'll say.

Me: Yeah those were really groovy times back then even though they were from over 50 years ago.

Another Dark Leo: They sure were dudes. My name is Sapphire Jewel Beam

Another Dark Raph: I'm Ruby Jewel Beam.

Another Dark Mikey: I'm Amber Jewel Beam.

Another Donny: And I'm Emerald Jewel Beam.

Nico: Gnarly to meet you.

Another Dark Leo: Awesome that Fire Moon is with you guys.

Nico: Fire Moon?

Me: That was the name I got when we hung out.

Eli: It fits you perfectly.

Me: Yep. And the Jewel Beam Sisters make AWESOME Tie-Dye Shirts as well as amazing tie-dye clothes.

Nico: Cool.

Me: Yeah those were crazy times back in those days. Funky music, Flamboyant Clothes, Lava Lamps, everything. It was all groovy.

Nico: Yep.

Kaito: (Gets out Denziman Gear) Did Swartz promise you girls anything?

Zocks: (gets out Battle Fever Gear) Because we can grant it instead.

Another Dark Leo: Just to have a good time and be one with nature.

Me: We can easily do that. You girls would feel right at home in our park.

Fluttershy: And I should introduce you to my friend Tree Hugger. She has the same lifestyles you do.

Another Dark Raph: Far Out.

Me: This was the outfit I had back then.

I snapped my fingers and I had a very flamboyant Woodstock 1969 outfit on. I had a rainbow tie-dye shirt with the peace sign on it, a headband that was red, orange and yellow tie-dye and I had a brown vest and I had blue jeans with holes in them and I had rainbow sandals. My wings turned rainbow tie-dye.

Nico: WHOA! That is GROOVY!

Lola: Yeah!

Camie: Far out!

Kaito: Boy that is funky.

Zocks: It sure is.

Chloe Bourgeois: I like it.

Me: Thanks guys.

Another Dark Leo: Far out Fire Moon!

Eli: (LAUGHS) That is cool!

Lana: Awesome!

Me: Yeah it is! Peace and not war!

Another Dark Turtles: FAR OUT!

Aylene C.: Man that was awesome.

Kaito: Man that was fun.

Kaito got a Denziman Sword and Zocks got a Battle Fever J sword.

Sougo: (takes out Saber Ridewatch) Geiz, I'll take on Another Dark Leo and Another Dark Don.

Armor Time! Rekka Battou! Saber!

Geiz: (gets out Gatack Ridewatch) That leaves Another Dark Raph and Another Dark Mikey to me.

Armor Time! (Electronic beat mixed with Rider Form transformation noises) Stag Beetle! Gatack!

Sougo got SaberArmor while Geiz got GatackArmor.

Me: Sorry we have to fight like this girls. I'll make up for it with a gnarly incense meditation session.

Another Dark Leo: It's cool J.D.

Me: Groovy.

Nico: (Chuckles) Sorry. I just like hearing you talk like that.

Me: Well don't get used to it.

I reverted back.

Zuria: May I start things off J.D.?

Me: Ladies first.

Zuria: Such a gentleman. (ACTIVATES JUNGLE MAN'S RIDEWATCH)

(WILLOW MAID BY ERUTAN PLAYS)

Zuria: (SINGING DIVINELY AS LEAVES, GRASS AND FLOWERS SWIRLED AROUND HER)

A young man walked through the forest

with his quiver and hunting bow

He heard a young girl singing

and followed the sound below

There he found the maiden

who lives in the willow

He called to her as she listened

from a ring of toadstools red

'Come with me my maiden
come from thy willow bed'
She looked at him serenely
and only shook her head.
'See me now, a ray of light in the moondance
See me now, I cannot leave this place
Hear me now, a strain of song in the forest
Don't ask me, to follow where you lead'
A young man walked through the forest
with a flower and coat of green
His love had hair like fire
her eyes an emerald sheen
She wrapped herself in beauty
so young and so serene
He stood there under the willow
and he gave her the yellow bloom
'Girl my heart you've captured
oh I would be your groom'
She said she'd wed him never
not near, nor far, nor soon
'See me now, a ray of light in the moondance
See me now, I cannot leave this place

Hear me now, a strain of song in the forest

Don't ask me, to follow where you lead'

A young man walked through the forest

with an axe sharp as a knife

I'll take the green-eyed fairy

and she shall be my wife

With her I'll raise my children

with her I'll live my life

The maiden wept when she heard him

when he said he'd set her free

He took his axe and used it

to bring down her ancient tree

'Now your willow's fallen

now you belong to me'

'See me now, a ray of light in the moondance

See me now, I cannot leave this place

Hear me now, a strain of song in the forest

Don't ask me, to follow where you lead'

She followed him out the forest, and collapsed upon the earth

Her feet had walked but a distance, from the green land of her birth
She faded into a flower, that would bloom for one bright eve

He could not take from the forest, what was never meant to leave

She floated off the ground and fired waves of energy and flowers and smashed the Another Dark Turtles down.

Me: Awesome! Now here is one of my favorites from the Woodstock 1969 era. My dad loves this song. (ACTIVATES EVIL PLANT MAN'S RIDEWATCH)

(SAN FRANCISCO BY SCOTT MACKENZIE PLAYS)

Me: (SINGING DIVINELY AS FLOWERS SWIRLED AROUND ME)

If you're going to San Francisco

Be sure to wear some flowers in your hair

If you're going to San Francisco

You're gonna meet some gentle people there

For those who come to San Francisco

Summertime will be a love-in there

In the streets of San Francisco

Gentle people with flowers in their hair

All across the nation such a strange vibration

People in motion

There's a whole generation with a new explanation

People in motion, people in motion

For those who come to San Francisco

Be sure to wear some flowers in your hair

If you come to San Francisco

Summertime will be a love-in there

If you come to San Francisco

Summertime will be a love-in there

I danced and fired waves of flowers and smashed down the Another Dark Turtles.

Qin: Awesome!

Another Dark Mikey: Far Out song Fire Moon!

Me: Gnarly dudettes!

Nico: (takes out Dark Turtles' Ridewatch) It's Ninja Time!

Dark Leo: Go for it Nico!

Me: Lets do it! I hope Sasuke doesn't mind this one.

Nico activated the Dark Turtles Ridewatch.

Me: FIRE STYLE: FIREBALL!

I fired a huge fireball from my hand at the Another Dark Turtles.

Nico: LIGHTNING STYLE: THUNDER BALL!

Nico fired a powerful ball of Lightning at the Another Dark Turtles!

The blasts hit them and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Eli: WHOA!

The Another Dark Turtles got up.

Another Dark Raph: Far out power dudes!

Me: That was really amazing!

Dark Raph: Nice one guys!

Nico: (takes out Flotsam and Jetsam's Ridewatch) Time for eel action now!

He activated it and fired waves of lightning at the Another Dark Turtles and they were electrocuted all over.

Qin: YEAH!

Xenia: Not really sure if you two are electric eels but that was awesome.

Flotsam: No worries. But it sure was.

Then the Another Dark Turtles threw old flower pots at us.

Me: Watch out!

I stood ready and I smashed and shattered all the flower pots they threw at us with my hands and elbows.

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH! SMASH SMASH SMASH SMASH!

The pots were all shattered into a million pieces!

Kazuma: Wow! That was amazing! How did you learn how to do that?

Me: When I fired my first Kamehameha Wave after mastering it through photographic memory, I traveled the world with my family and I was trained under some of the best martial arts masters in the world. I even mastered the

Shaolin Arts in Tibet.

Qin: That is amazing!

Lola: Even the Xiaolin arts too?

Me: That's right. But that was back when we started collecting the Shen Gong Wu.

May: (takes out Shellshock's Ridewatch) Time for turtle power!

She activated it and a Traffic light appeared. They ran at her.

May covered her eyes.

May: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10 RED LIGHT!

She pulled the switch and turned on the red light and froze them in place.

May: 1, 2, 3, 4, 5, 6, 7, YELLOW LIGHT!

They then were running uncontrollably!

Another Dark Leo: Hey! We can't stop running!

May: (takes out Toon Patrol's Ridewatch) That's the least of your problems right now!

Nico: You guys are gonna laugh your heads off.

Me: But Toon Patrol don't laugh yourselves to death..

Smartass: Whatever you say butthead!

Me: Don't call me names Smartass!

Nico: Okay someone actually has that name?

Me: Don't fucking ask.

May activated the ridewatch and did all the crazy stuff Valiant did.

May: Now Roger is his name, Laughter is his game. Come on you dope untie his rope and watching him go insane!

BLANG!

She hit herself in the face with a rake handle and cartwheeled with a landing on her butt!

She did all sorts of crazy stunts.

May: This singing ain't my line, it's tough to make a rhyme if I get stuck I'm, I'm out of luck.

Me: I'm running out of time.

May: Thanks.

She juggled cannonballs and they hit her on her head and then she slipped on a banana peel and then fell back into a bunch of boxes and then got on a pogo stick and jumped high and then hit a lamp and got electrocuted from it!

The Another Dark Turtles and some of us were laughing hysterically!

Me: (LAUGHS HYSTERICALLY)

Nico: (LAUGHS) THAT IS FUNNY!

A bunch of stuff went flying all over and smashed her all over.

May: I'm through with taking falls, I'm bouncing off the walls, without that gun I'd have some fun I'd kick you in the balls!

She kicked Smartass in the crotch and sent him flying and he smashed into the Another Dark Turtles and knocked them down!

Maria: (takes out Plated Sharptooth's Ridewatch) Time for something appropriate for this place.

She activated it and formed a WATER VERSION OF THE PLATED SHARPTOOTH! She roared ferociously and smashed the Another Dark Turtles all over.

Qin: Very clever.

Lola: Yeah!

Plated Sharptooth agreed.

Hulk: Hulk thought that act May girl did funny.

May: (LAUGHS) I should be in show business!

Maria: (gets out Hookbill's Ridewatch) Now for this!

Maria activated it and then formed a huge turtle shell made of water and then smashed the Another Dark Turtles in a huge belly flop!

Nico: Nice one!

Qin: Yeah!

Camie: That was cool!

Then Raven Branwen and her team came and they had the Beagle Babes, Thieftron, Datum, Metallia Youma Third Form and Daisy the Giant Plant Monster.

Raven Branwen: Hey guys!

Nico: (to Raven Branwen) Nice team, Raven!

Datum: Looks like the fun really started.

Thieftron: Indeed good chap. We saw the act May did and that was well played and funny.

May: Thanks. That was a funny one.

Me: It sure was.

Daisy roared.

Elma: (gets out Flotsam and Jetsam's Ridewatch) My turn!

She activated it and fired waves of lightning and they hit the Another Dark Turtles and smashed them down.

Qin: YEAH! Here's a funny one. (ACTIVATES STINKY BUTT'S RIDEWATCH) Nico pull my finger!

Nico: Okay!

She pointed her butt at the Another Dark Turtles.

Nico pulled her finger and then…

LOUD FART!

I fired a wave of fire and it formed into a powerful flamethrower and it hit the Another Dark Turtles and burned then.

Me: Nice!

Maria: I hope the next Gene Slammer is near.

Then a roar was heard and then out came a Charizard!

Me: WHOA! Charizard!

May: That's not Ash's Charizard.

Charizard: (In a girls voice) And it looks like the fun is about to start.

Nico: Whoa! Venicia Lowenstein!

Qin: Awesome! Great to see you again.

Charizard: Same here Qin. I got this.

She fired a massive flamethrower blast and it hit the Another Dark Turtles and they were blasted down and I caught the Ridewatch and it was for Hulk!

Me: Hulk's Ridewatch.

Qin: Nice!

I went over to the Jewel Beam Sisters and they were back to normal and they were like what they were in the photo. They each had hair and outfits that matched their colors and their names.

Ruby Jewel Beam: (Groans) What a far out time.

Amber Jewel Beam: (Groans) I feel like I drank fifty buckets of whiskey.

Me: But you're all back to normal.

Elma: What's your favorite memory of Nico?

Charizard: Well I have a lot of them but my favorites would have to be in science class when me and Nico made an artificial O Class Star like how Doc Ock did and it was a success.

Me: Whoa! That is awesome

Lola: Yeah!

Charizard: Yeah it sure is. I would revert back but I'm naked.

Me: Oh boy. Here we go guys.

I put on my blind man glasses.

Me: Cover your eyes.

Nicole: And no peeking or I will kill you!

The boys covered their eyes and I snapped my fingers and she reverted back and she was a girl with orange and black hair hair and orange eyes and had orange war paint marks under her eyes and she had wings made of pure fire. She was back to normal and was naked and then Maria and the Fashion brigade went in and gave her an awesome wardrobe. She got her orange hair braided and had orange clothes.

Venicia Lowenstein Wow! This outfit is awesome.

Lola: It sure is.

Venicia Lowenstein: And I also heard you guys have the Digimon Emperor in your prison. I would like to have a few words with him.

Nico: By all means.

Nico and Venicia hugged.

Nico: I've really missed you.

Venicia Lowenstein: Me too Nico.

Nico: Also, I know how much you hate the Digimon Emperor. But honestly? I've chosen to move on from my demons involving him. Am I going to forgive him anytime soon? That's still up for debate.

But I'm done being pissed at him.

Maria: Bottom line? Nico's chosen to move on. You should do the same.

Venicia Lowenstein: Oh you're right.

Qin: Good.

We later went back home.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lisa, Lily, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, Ed Grant, Kujaku, Stan Lee, Human Torch, Tania, and Sperg's Mom are heading to a planet in the Omega Quadrant called Esomia, a planet shrouded in darkness, and not only is Lincoln going to rescue the three girls here, but Lucy and Lana are going to get two powerful treasures there: two powerful greatswords called The Vampire Demonic Darkness Greatsword of Nott and The Arctic Icestorm Greatsword of Khione, and only Lucy and Lana can wield those powerful greatswords because Lucy got her powers from Nott after being freed from Pazuzu's possession and Lana got her powers from Khione.

But, we're also going to destroy Mr. Mind who's come back from the dead and he's major-leagued pissed off that we ruined his plans to destroy the planet last year and he now wants revenge, but he's going to die once again when Poromon eats him after Lincoln removes his soul and sends that worm straight to The Black Gates, which is also why Poromon is also with us.

Lincoln: Whoa, this is one awesome and scary-looking planet. Hey, Ebonwu Lincoln, what is this place?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know this planet all too well, Lincoln, this is Esomia, a planet shrouded in darkness eternal.

Nico: Whoa, and I can guess you also trained there, right?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I trained on many different planets with extreme temperatures and climate, Nico, and the gravity on the various planets I'd gone to are 500,000,000,000 times more powerful than in the Hyperbolic Time Chamber, and my body has adjusted to the kinds of climates there.

Me: Damn, you sure are one tough guy to handle those kinds of planets.

Lincoln: He sure is, and so are all of us, and I know what we're going to do here, not only am I going to rescue the three girls here, but Lucy and Lana are going to get two powerful treasures there: two powerful greatswords called The Vampire Demonic Darkness Greatsword of Nott and The Arctic Icestorm Greatsword of Khione.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and only Lucy and Lana can wield those powerful greatswords because Lucy got her powers from Nott after being freed from Pazuzu's possession and Lana got her powers from Khione. But, we're also going to destroy Mr. Mind who's come back from the dead and he's major-leagued pissed off that we ruined his plans to destroy the planet last year and he now wants revenge, but he's going to die once again when Poromon eats him after you remove his soul and sends that worm straight to The Black Gates, which is also why Poromon is also with us.

Nico: I should've known that little worm would come back again, but on the other hand, Poromon's going to have him for lunch again.

Luna: (Laughs) I haven't forgotten about what Poromon did to him last year in Scotland, that was so hilarious.

Lana: But, he deserved it for what he'd plotted in trying to destroy the earth and remake it in his own image and rule it, what a monster.

Lincoln: In the end, his plans to destroy the Earth and us failed, and those who became part of Team Dark Phoenix Storm either joined The Masters of Evil or were sent to The Warp, and in Scarecrow's case, when he came back thanks to The Church of Necrom, he was sent to The Black Gates for good, and Chameleon did awesome in spying on them last year, and he's now a member of The Masters of Evil, and I was thinking we could get Snaptrap's minions to join The Masters of Evil, but not that dirty rat, Snaptrap, he crossed the line by making robot clones of our mascots to frame them, and now, he has to pay for it with a Life Sentence.

Nico: That's not a bad idea, Lincoln, and I was also thinking the same thing, we'll get Snaptrap's minions to join The Masters of Evil, but Snaptrap's not joining ever, he's been officially blackballed from ever joining The Masters of Evil.

Lincoln: Nice way of saying he's officially banned from joining The Masters of Evil, and thanks for joining us, Ed Grant, Kujaku, Stan Lee, Human Torch, Tania, and Sperg's Mom.

Ed Grant: You're welcome, Lincoln, and man, this place sure is scary and so dark, you can't see a thing.

Lincoln: Lucy can see well in the dark because of her demon eyes and getting turned into a vampire years ago and the same went with me since I'm a vampire-werewolf hybrid years ago, and I also did come prepared.

Lincoln made balls of light and they illuminated the place.

Tania: Nice one. Now, where do we go to find The Vampire Demonic Darkness Greatsword of Nott and The Arctic Icestorm

Greatsword of Khione?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know exactly where to find them, Tania.

We continued onwards and we arrived at a shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw two massive greatswords floating in the center and with light shining down on them: The Vampire Demonic Darkness Greatsword of Nott, a massive greatsword with blood red gems embedded in the 7'0" massive, wide, double-edged midnight black blade, large black dragon heads for the crossguard, large blood red gem embedded in the rainguard, longer midnight black handle, four large black dragon heads and a large blood red gem on the bottom of the black dragon heads for the pommel, and The Arctic Icestorm Greatsword of Khione, a massive greatsword with ice blue gems embedded in the 7'0" massive, wide, double-edged marine blue blade, large marine blue angel heads for the crossguard, large ice blue gem embedded in the rainguard, longer midnight black handle, four large marine blue angel heads and a large marine blue gem on the bottom of the angel heads for the pommel.

Rarity: My word, so that's the… !

Lincoln: The Vampire Demonic Darkness Greatsword of Nott and The Arctic Icestorm Greatsword of Khione, these two massive greatswords are indeed works of art.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) And there's something else to this shrine: I built this shrine here in honor of my world's Lucy and Lana who I lost.

Lucy 2: (Through the Vampire Bat and Rainbow Full Moon) So, you built this shrine in honor of me and Lana? That's so sweet of you, Lincoln.

Lana 2: (Through the Rainbow Owl on Lana's Forehead) Just like with our sisters from our world.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third

Eye Iris) Thanks, Lucy and Lana.

Suddenly, we saw Alpha Hydranoid appear before us, and with it were the three girls.

Nico: Whoa. Alice, did you summon Hydranoid?

Alice Gehabich: No, I didn't, Nico.

Hydranoid: That's right, which means… !

Alpha Hydranoid: (Girl's voice) That's right, and I also got the three girls away from the vengeance-driven and now insane little worm.

Lincoln: Wow, Amelia Gehabich, it's awesome to see you again, but we'll talk later, I know that Mr. Mind is heading right for us.

?: I WILL HAVE MY REVENGE ON YOU FOR WHAT YOU DID IN RUINING MY PLANS LAST YEAR, TEAM LOUD PHOENIX STORM!

Lincoln: Yep, there's no mistaking that voice from anywhere. Don't you know when to stay dead, Mr. Mind.

We then saw our target, Mr. Mind, and he was really incredibly pissed off.

Nico: If it isn't Mr. Mind, should've known you're still incredibly pissed off that we ruined your plan to destroy the planet and all of us last year.

Mr. Mind: You miserable imbeciles have single-handedly ruined my plan and even worse, those who'd sworn their loyalty to me have either joined The Masters of Evil or died at your hands, I HATE ALL OF YOU SO MUCH, YOU'VE RUINED EVERYTHING AND NOW I WILL KILL ALL OF YOU!

Our auras flared up and we gained a massive power boost because of Mr. Mind's hatred.

Lucy: That's never going to happen, Mr. Mind.

Lana: And now, we're going to end you once and for all, and see to it that you never rise again.

Lucy grabbed The Vampire Demonic Darkness Greatsword of Nott and Lana grabbed The Arctic Icestorm Greatsword of Khione. Suddenly, Lucy's blood red demonic eyes turned neon blood red and she was surrounded by a black, red, and rainbow energy aura with rainbow and dark flames, dark lightning, darkness, shadows, and creatures of the night, and a rainbow energy aura with snowflakes, ice crystals, and owls, they unholstered their massive greatswords from their backs, and as they approached Mr. Mind, they left black, red, and rainbow energy, rainbow energy, rainbow and dark flames, dark lightning, darkness, shadows, creatures of the night, snowflakes, ice crystals, and owls with every step.

Lucy: We will never ever forgive you for the crimes that you've committed against the world for many millennia, Mr. Mind.

Lana: And we'll never forgive you for what you tried to do last year: you tried to destroy the planet and all of us, and even worse, you also had gotten help from the descendant of our ancestors' hated enemy and murderer.

Lucy and Lana: Those are indeed unforgivable crimes, Mr. Mind, and for that, you are going to die another painful gruesome death, and this time, you are never ever coming back.

Suddenly, Lucy was surrounded by a massive vortex of black, red, and rainbow energy with dark flames, dark lightning, darkness, and shadows surrounding the vortex, there are creatures of the night and vampiric dragon flying around the vortex, and in the vortex is a blood red phoenix, and Lana was surrounded by a massive vortex of rainbow energy with snowflakes, ice crystals, snow, and ice surrounding the vortex, there are owls flying around the vortex, and in the vortex is a marine blue phoenix. Then, as the vortexes faded, Lucy and Lana emerged, but they were changed forever.

Lana's transformed into SUPER ANGEL-OWL-HARMONY CELESTIAL ETERNAL XELNAGA SUB-ZERO SNOWFLAKE OWL ANGEL OF DIVINE ARCTIC ICESTORM JUSTICE AND DIVINE ARCTIC SUBZERO HOPE!

We were amazed by the Super Angel Celestial Eternal Xelnaga transformations of Lucy and Lana, but when Mr. Mind saw it, he went bat shit insane, but Lucy and Lana fired powerful blasts of rainbow energy, rainbow, black, and red energy, rainbow and dark flames, dark lightning, darkness, shadows, creatures of the night, ice, snowflakes, ice crystals, snow, ice lightning, and owls, and they hit Mr. Mind and that caused him to fly out of the shrine, and he was now extremely pissed off.

Lincoln: Wow, Lucy and Lana are now the next of our family to transform, so awesome!

Lola: And Mr. Mind is so in for the biggest butt-kicking of a lifetime for all of the things he's done.

Lucy: (Divine Echoing Cosmic Voice of The Eternal Darkness Infernal Demon Vampire Angel and Divine Eternal Darkness Fear Love) His evil soul is already eternally damned for what he's done.

Lana: (Divine Echoing Cosmic Voice of The Arctic Icestorm Owl Angel and Divine Arctic Icestorm Snow Hope) And we're going to see to it that he never comes back again.

Lincoln: You got that right, Lana. Let's get him, gang!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel Eternity Infinity form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Eternity Infinity forms and they unholster their massive swords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters transformed into their Super Angel Xelnaga Eternity Infinity forms and unholstered their massive swords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Greatsword of Elemental Justice and Eternal Bravery from his wider and more muscular back and transformed into Super Angel Eternity Infinity Elemental Skylander Bandicoot Knight Angel of Elemental Bravery and Elemental Will, Max Goof unholsters his massive Gabriel's Unbreakable Bonds of Friends and Angels Keyblade from his wider and muscular back and transformed into Super Angel Eternity Infinity Celestial Lightstorm Phoenix Angel of Divine Heavenly Light and Divine Angelic Justice, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Ed Grant Kujaku, Stan Lee, Human Torch, Tania, Sperg's Mom, Poromon, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Xelnaga Eternity Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Mr. Mind, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and

mythological animals, and they exploded with incredible power as they hit him.

Lucy and Lana were also attacking him with their massive new greatswords with powerful slashes and they left a lot of scars on Mr. Mind, and this was extremely pissing them off badly, but Lincoln, Lucy, and Lana weren't giving him any time to attack again as they swung their massive greatswords in a clockwise formation and formed energy swords of Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, and Magic, and they went after Mr. Mind, and they pierced and slashed at them badly, and it also knocked him down.

Mr. Mind: Why, you… !

But, Mr. Mind saw a dark shadow over him, and this really scared him, and when he turned around, he saw Poromon and he had a sinister hungry grin on his face.

Poromon: Hello, Breakfast!

Mr. Mind screamed like a girl and he ran and hid behind a rock formation, but Lincoln had Poromon covered in snow and he threw it at Mr. Mind, and it sent him flying out of the rock formation and the snowball was beside him.

Mr. Mind: Who threw that?!

The snow melted and revealed Poromon.

Poromon: (Droopy's voice) I did.

When Mr. Mind heard his voice, he sunk his head in, and when he slowly peaked his head out and he saw Poromon, he screamed like a shrill lady and he ran off again. Then, he headed for a cabin that'd appeared out of nowhere and he pushed eight doors shut. But, as he turned to the fireplace, his jaw had come unhinged and dropped to the floor when he saw Poromon occupying a chair right by the fireplace, calmly reading a comic strip.

Poromon: (Droopy's voice) Hello, Joe.

Mr. Mind: (JUMPS INTO THE AIR AND SCREAMS LIKE A GIRL)

Mr. Mind reacted and opened all eight doors again to get out, only to be met by Poromon again at the doorway.

Poromon: (Droopy's voice) Hello again.

Mr. Mind: (JUMPS INTO THE AIR AND SCREAMS LIKE TOM CAT) (RUNS OUT THE DOOR)

We were laughing hysterically at the scene.

Me: (LAUGHING HYSTERICALLY) OH MAN, OH, THIS IS TOO HILARIOUS! NICO, CALL A DOCTOR!

Nico: (LAUGHING HYSTERICALLY) I THINK LINCOLN SHOULD BE THE ONE TO CALL THE DOCTOR! THIS IS WAY TOO HILARIOUS!

Mr. Mind continued getting away, but everywhere he went, Poromon popped out from a hiding place like Droopy did to McWolf, and he screamed like a scared little girl, and he ran away again, and May was filming the whole chase scene. Then, Mr. Mind was already getting desperate, and he then saw a nearby lion's cage and he decided to commit suicide by jumping into the lion's mouth.

Mr. Mind: I give up, I'm going to throw myself to the lions!

Mr. Mind jumped into the lion's stomach thinking he's safe, but he was unaware that Poromon was in there with him.

Poromon: (Droopy's voice) Crowded, isn't it?

Mr. Mind screamed again and jumped out of the lion's mouth, and ran to a wall, breathing heavily and he was already losing his mind. Then, he ran towards us begging for us to kill him.

Mr. Mind: (Already Lost His Marbles) Please, please, just kill me! Don't let him get me!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of

Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks and crosses arms) And deny Poromon his chance to eat you again, fat chance!

Mr. Mind's eyes shrank in horror: Lincoln just denied him the chance to die and when Poromon had appeared behind him, Mr. Mind turned around and horror was etched on his face.

Poromon: Finally. BREAKFAST!

Mr. Mind screamed as Poromon gobbled him up.

Poromon: Ah, now that was good. (BELCHES AND MR. MIND'S SPIRIT CAME OUT)

Mr. Mind: Well, I'll be, he finally got me again!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) And now, I'm going to get rid of you.

Lincoln drew the Judgement Kanji on Mr. Mind's forehead, and Mr. Mind's soul was destroyed by The Black Gates. We cheered wildly as we holster our weapons and powered down, and Lucy and Lana's new bodies, clothes, weapons, jewelry, accessories, and massive angel wings are permanent.

Suddenly, we saw that Lucy and Lana now have a Third Eye of The Buddha with rainbow irises and they also now have eleven massive wolf tails: midnight black for Lucy and blonde for Lana, and they also love them.

Lincoln: Alright, now we're finally rid of Mr. Mind for good, and that was one awesome funny chase scene Poromon did, and it was so hilarious seeing that little worm scream when Poromon appeared.

Me: The same thing's happened to McWolf whenever he saw

Droopy appear from nowhere, that was way too hilarious.

Nico: It was so awesome and way too hilarious.

May: And I got the whole thing to show everyone when we get back home.

Lincoln: They're going to love seeing it.

Nico: That was a funny way for Poromon to eat him.

Me: And those McWolf chase scenes from the Droopy cartoons always cracked me up.

Lincoln: They sure do. (To Amelia Gehabich) And it's so good to see you again, Amelia Gehabich.

Amelia Gehabich reverted back to normal, and she was a beautiful girl with long flowing midnight black hair, light purple eyes, she was tall at 6'5" in height, she had the body of a goddess, she has the Darkus symbol emblazoned on her forehead and massive and beautiful midnight black angel wings and she reigned in the power of Alpha Hydranoid, and she's dressed in a short-sleeved midnight black blouse, sleeveless black and dark blue top, midnight black skirt, midnight black pants, indigo legwarmers, indigo knee-high high-heeled boots, and long white sleeveless trenchcoat with darkness, shadows, and dragons on the coattails and Alpha Hydranoid on the back and holstered on her back is an Alpha Hydranoid-themed large greatsword with Alpha Hydranoid etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large light purple gem embedded in the rainguard, longer midnight black handle, four large black dragon heads and a large indigo gem on the bottom of the large midnight black dragon heads for the pommel.

Amelia Gehabich: You too, Lincoln, it's been a long time, and it's also good to see you, Riley, Mana, Shana, and Julia again, Daria.

Daria Kuso, Riley Misaki, Mana Marukura, Shana Kazami, and Julia Makimoto: You too, Amelia.

Lincoln went up to Amelia Gehabich and he hugged her, and Amelia

Gehabich is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were eleven, and as you can see, I really grew a lot since then.

Amelia Gehabich: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Amelia Gehabich, she's my Guardian Angel from Japan and classmate in Spanish, she's a Darkus Bakugan Brawler and part of the Bakugan Battle Slammers, and like the Bakugan Battle Brawlers, she's a capable Bakugan Brawler. She along with the other Bakugan Battle Slammers moved to Michigan from Japan when they were eight, and they would often play together withme.

Me: That's really awesome.

Lincoln: Yep, and she and the other Bakugan Battle Slammers took on the worst of Lori, Luan, Lynn, Lola, and Lisa plus Chandler, Hawk and Hank, Pablo and Anderson. To show thanks, I took her and the other Bakugan Battle Slammers to a lake where I kissed each of the Bakugan Battle Slammers underwater.

Nico: That's really nice. Wait a second, her last name is Gehabich, that must mean…?!

Lincoln: Yep, she's the cousin of Alice Gehabich and Masquerade.

We were stunned.

Eli: Whoa, no way!

Alice Gehabich: Yeah, it's true, and it's so good to see you again, Amelia.

Amelia Gehabich: It's really good to see you and Hydranoid again, Alice.

Hydranoid: Alice and Masquerade me much about you, Amelia, and now, we were surprised to find out you're also Lincoln's Guardian Angel, and in case you were asking where Masquerade is, he's back home helping Lincoln's dad at the restaurant.

Amelia Gehabich: That's amazing that he's helping Lincoln's dad at Lynn's Table, and I've been his Guardian Angel since the day I first moved here to Michigan, and the same went with the other Bakugan Battle Slammers, Hydranoid, and I also got a story of how I stopped Chandler from trying to kill Lincoln, and it led to him swearing her revenge on me, which I'll tell you about later. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Amelia, are you absolutely sure about this?

Amelia Gehabich: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Amelia Gehabich, and he saw that she's really serious, and he smiled as he walks over to her, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared around Amelia Gehabich's neck with light purple gems on the gold lightning bolts and indigo crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love around her neck.

Amelia Gehabich: (Surprised) Lincoln, is this…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amelia.

Amelia Gehabich had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Amelia Gehabich's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the three girls, and when Lincoln saw them, he recognized them immediately. The three girls are Jeanne the Vampire, Chloe D'Apchier, and Leeche from The Case Study of Vanitas.

Lincoln: Oh wow, it's Jeanne the Vampire, Chloe D'Apchier, and Leeche from The Case Study of Vanitas.

Nicole: Awesome.

Lincoln: Are you girls okay?

Jeanne the Vampire: Yes, we're okay, thanks to you.

Then, when Jeanne the Vampire and the other two girls saw who it was that saved them from Mr. Mind, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and

Jeanne the Vampire: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Jeanne the Vampire: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Jeanne the Vampire, Chloe D'Apchier, and Leeche with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Lucy and Lana had gotten The Vampire Demonic Darkness Greatsword of Nott and The Arctic Icestorm Greatsword of

Khione, the treasure that's been located on Esomia, and the team was shocked when they found out the villain we went after was Mr. Mind who come back from the dead and he was major-leagued pissed off that we ruined his plans to destroy the planet last year and he wanted revenge.

But, when Lincoln showed what happened such as Lucy and Lana transforming into their Celestial Eternal Xelnaga forms and that they along with all of us laid a brutal beatdown on Mr. Mind, and the coupe de grace was the funny chase with Poromon chasing Mr. Mind and they really laughed when they saw that worm screaming like a girl whenever Poromon popped out of nowhere, and when he came to us begging for us to kill him, but Lincoln shook his head and denied him the chance to get killed by us and he said he wasn't denying Poromon his breakfast again, and they saw Poromon eat Mr. Mind again, and when he belched out Mr. Mind's soul and Lincoln sent him to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Amelia Gehabich have a lot of catching up to do now that she's back in town, and now, we were rid of Mr. Mind for good.

Maria: (Laughing) Oh man, that chase scene is way too hilarious.

Poliwag: And it was so awesome that Poromon ate him again, but he also drove him crazy by popping out of nowhere.

Lincoln: It was so awesome, and he really was asking for it big time, and now, we're finally rid of that little worm for good.

Nico: You got that right.

---

After finally getting rid of Mr. Mind and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Amelia Gehabich saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Amelia Gehabich: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Amelia, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Amelia Gehabich: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Amelia, what's the story on how you stopped Chandler from trying to kill Lincoln?

Amelia Gehabich: You're not going to like this one bit. One day, Lincoln and I were walking home from school, but then, we heard the sound of an angry yell and malevolent laughter, and we saw who it was heading right for us: it was Chandler and he had a knife in his hand, and he was trying to kill Lincoln again. But, I wasn't going to let that wretched little monster get away with this, so I fired three powerful blasts of darkness at Chandler and it disarmed him of his knife and Lincoln fired a red energy blast which transformed into red energy ropes and it tied Chandler up. We called the cops on Chandler, and after we told them what that monster tried to do to Lincoln and I, they immediately took him to jail, and when his mom and sister found out, they were furious at Chandler, and since he hadn't learned his previous lessons the last time, this time, they let him stew in prison for five weeks, and she warned Chandler that if she ever caught him trying to kill Lincoln again, she would ask Lincoln to press charges on him and that would mean he's heading right for prison.

We cheered wildly.

Nico: That was some quick thinking on stopping Chandler, Amelia, and we've heard a lot of stories of how Chandler's tried and failed to kill Lincoln numerous times, and all those times that he's been sent to jail.

Me: It was due to his dark side's murderous desire for blood and revenge that was the cause of this.

Lincoln: Yep, and he was lucky that I kept my vampire-werewolf hybrid side under control, otherwise I would show him what happens when he makes me mad.

Lana: And we've seen it unleashed only when Lori, Lynn, Lola, Lisa, or Luan did something to really get him that mad.

Jeanne the Vampire: So, you weren't kidding that you're a vampire-werewolf hybrid, I can tell due to the scent of your blood that you weren't human.

Me: Yeah, and it was due to the blood of Adriana Ardelean Dracula and Rudina Adalwulf, and he also gained many powers either through a blood transfusion or feeding on the blood of his many Guardian Angels, and he really did a good job in keeping it secret.

Lincoln: I did, and now, I'm not afraid of showing what I became before I was chosen to be Hinon's champion.

Lori: You're literally right about that, besides, your friends have more than once seen your vampire fangs, and if someone tried to mess with you, just one sight of your fangs, and they'll be running for the hills.

We got a shower afterwards, and then, Nico and his harem, me and my harem, Ets and his harem, and Clyde and his harem are heading to Shangri-Spa

Nico, Ets, Clyde, and I snapped our fingers and we were in our colored swim trunks with elemental forces and mythological animals with white, dark blue, cyan blue, and silver flames coming off them, sandals, our jewelry and accessories, and we had our weapons holstered in case of trouble.

And our harems were dressed in two-piece bikinis, sandals, jewelry, and they also had their weapons holstered in case of trouble.

Varie: Wow, so this is Shangri-Spa.

Me: Yep, and Lincoln told us of how his date went yesterday here, so now, it's our turn for some relaxation.

Nico: And Lincoln's keeping an eye on the Estate, and his harem are also keeping an eye on Sergio if he tries something stupid.

We started our relaxation date by first going to the Spring of Purification, and as soon as we got into the hot water, it immediately began relaxing our muscles and we even gave the girls deep-tissue massages as well and the girls did the same thing with us, then, they moved onto the Spring of Bliss, and as soon as they got into the hot water, it immediately began relaxing our muscles and we even gave the girls deep-tissue massages as well and the girls did the same thing with us, then, we moved onto the Spring of Sanctuary, and as soon as we got into the hot water, it immediately began relaxing our muscles and we even gave the girls deep-tissue massages as well and the girls did the same thing with us there as well, then, we went to the Spring of Mist, and as soon as we got into the hot water, it immediately began relaxing our muscles and we even gave the girls deep-tissue massages as well and the girls did the same thing with us there as well, and finally, we got to the last spring, the Spring of Rainbows, and as soon as we got into the hot water, it immediately began relaxing our muscles and we even gave the girls deep-tissue massages as well and the girls did the same thing with us as well.

Nico: Whoa, Lincoln wasn't kidding, those five hot springs there really worked wonders for all of us, it's relieved us of any stress that we've had.

Clyde: It sure did, that was awesome.

May: And we also got deep-tissue massages there as well, and we know who it was that gave us those deep-tissue massages, right, boys?

Me, Nico, Ets, and Clyde: (Chuckles Shyly) Yeah.

Misty Tredwell: But, can you blame us, those deep-tissue massages you boys all gave us were really amazing and really relaxing.

Nico: Lincoln really knew a lot about deep-tissue massages, and he knew that Lynn had gotten some nasty injuries playing sports, so he knew how to take care of that.

Me: You got that right, and we also saw our necklaces glowing as they removed the stress and we also gained a massive power boost.

Clyde: That was the effect from our Crystal Necklaces of the Buddha that we'd gotten long ago, and combine that with our relaxing deep-tissue massages and time in the hot springs, and look at what happened. Remind us to thank Lincoln and his harem for requesting that we go on a date here.

Nico: Noted.

Then, we had some lunch, and then, Nico, Clyde, Ets, and I made clones of ourselves, and we and the clones went up to the girls in our harems and we hugged the girls in our abnormally massive and powerful muscular arms and the girls wrap their left arms around the wider and muscular backs of Nico, Clyde, Ets, and I and our clones, and they placed their right hands on the massive wide and muscular left pecs of Nico, Clyde, Ets, and I and our clones, and we shared a passionate and romantic kiss, and then, they came back home to The World Tree Estate and we were back in our original clothes, and Lincoln saw that Nico, Clyde, Ets, and I had lipstick marks all over our faces, massive and muscular upper bodies, and eight-pack abs.

Lincoln: Hey, guys, how was your date?

Nico: It was awesome, Lincoln, we went to Shangri-Spa.

Varie: We went to the five hot springs there and Nico, J.D., Ets, and Clyde also gave us some relaxing deep-tissue massages and we also did the same thing by giving them deep-tissue massages, and we had no pervert sightings there, Nicole.

Nicole: That's good, Mom, because if there's one thing I can't stand, it's perverts.

Clyde: And we got to thank you and your harem for suggesting we go to Shangri-Spa, buddy, it was so relaxing.

Lincoln: I told you guys you'd love it.

---

Later it was time for Erica's final Ambassador Mission.

Qin: I have a feeling we're going to kick some major butt in this one.

Nico: Yeah we are!

William: Anyone else want to go with Erica? Besides Vert and Juru?

Shanan: You know I am going to go with next.

Lola: This is gonna be so awesome.

Nico: Yep. Lets head on out.

We were off to Canada.

---

We arrived.

Zixx: Hey guys!

Me: Sup Zixx.

Erica: Zixx, meet Vert Wheeler and Juru.

Vert Wheeler: Awesome to meet you. My name is Vert Wheeler, leader of the Hot Wheels Battle Force 5

Juru: And I'm Juru, leader and red ranger of the Kiramagers.

Zixx: Awesome to meet you guys.

Me: And you remember my daughter Shanan.

Zixx: I sure do! Awesome to see you again.

Shanan: Same here. I can't wait to kill more bad guys with you.

Vert: Hope you don't mind that I brought my vehicle, the Saber, with me.

Zixx: Not at all. Your car is really cool.

Lola: Yeah it sure is.

Rarity: His car is absolutely amazing.

Qin: It sure is.

Nico: I hope the next bat guy will be easy for us to kill.

Riley: Well, the ones we're after this time are Magda and Thar.

Shanan: Ah yes the Twins. I remember kicking those bitches butts all too well after I helped bring them down the first time.

Qin: What can you tell us about them?

Shanan: They are not nice girls and are ugly.

Magda and Thar: Onccalon's henchmen on Level 3, a duo of fraternal twin siblings. Magda, the older twin, has the appearance of an Asian girl and is able to jam inventory and cause electronic equipment to go haywire. Thar, the younger twin, appears on Earth as various small animals and can possess anyone unless surrounded by enemies. Their form in the Keep allows them to merge into one being. On Earth, they can leave an intangible, invisible slime that can only be detected by Zixx's Ocuscope. One of their weaknesses is getting wet, which causes them to become a blob of goo.

When she was done we were shocked.

Me: Whoa.

Ellie Singh: So get them wet and they melt.

Qin: Weird.

Zixx: Yeah.

Nico: I am NOT going to be fooled by Thar turning into small animals!

Eli: Yeah!

Nico: Good thing we have the power to find out what is what.

Me: Yeah.

Eli: This will be good.

Zixx: It sure will.

Nico: Also, Zixx, here's your oen Progrise Key.

Me: And your own legend items.

I gave her a ridewatch, and legend items.

Eli: There.

Zixx: Awesome.

Nico: That's the Progrise Key of a version of one of our friends.

Me: You'll see who it is when we come to help you guys on January 21st.

Lola: Yeah she is powerful and deadly too.

Zixx: Can't wait to meet her.

Me: You'll love who it is.

Laney: Yeah.

Zixx: This is gonna be awesome.

Me: But let me get everything set up.

I went over and got everything set up.

Nico: Got any plans for Thanksgiving?

Zixx: Just eating turkey and spending time with my family.

Nico: Cool cool.

Qin: Yeah we're going to watch football and more.

Lana: Yeah this is gonna be awesome and fun.

Nico: Also, did you watch a certain disgraceful trailer?

Zixx: No.

Nico: Good. It's best you don't.

Qin: Yeah.

Zixx: Why?

Nico: Some things are best left unsaid or unwatched.

Leni: I thought the trailer was about…

WHAP!

Lori covered her mouth.

Lori: Leni, please don't.

Nico: Yeah.

Lori: Don't say anything.

Me: All set up.

Zixx: Okay.

We were ready.

Nico: Who gets to monitor this time?

Lisa Loud: I will have the pleasure of doing that.

Nico: All right then.

We got ready.

Me: All right we're ready.

Lisa Loud: Here we go. Questworld Log On.

Me: GOING HOT!

We went into Questworld!

Me: We're in.

Zixx: Here we go.

Vert: If any of you guys want to ride with me, you can.

Adam Frake: I'll ride with you.

Griff: Me too.

Vert: Awesome.

Lisa Loud: Look sharp everyone. 40 signatures ahead in the next room ahead of you.

Nico: Time for an entrance.

Me: Lets do it.

We went to the door of the next room.

Then the door opened and they saw nothing?

But then the spirits of the elements of Thanksgiving swirled around the group and then they converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above them and a phoenix cry was heard and then we saw Magda and Thar and NUMEROUS monsters! They were the monsters of X.A.N.A. Including X.A.N.A. William!

Me: Whoa! X.A.N.A. William!

Qin: Whoa!

Shanan: Hello Bitches, remember me?

Thar: Great! Shanan Knudson again!

Shanan: That's right. Shanan Abigail Knudson.

Magda: I will kill you for what you did to our boss!

Shanan: He deserved it. Just like you two will.

Nico: That's right!

Eli: In the name of the Galactic Senate of the Republic (IGNITES LIGHTSABER) You 2 are under arrest.

X.A.N.A. William: Hello, Lyoko Warriors. I'm here to destroy you all. (smirks) Is now a bad time?

I stepped in front of him.

Me: Your fight is with me X.A.N.A. I'm going to make sure you pay for everything you did.

I then went Super Angel Wolf Moon Xelnaga.

X.A.N.A. William: So you want to die first J.D.?

Me: (Divine Wolf Moon Voice) **I don't die that easily.**

I unsheathed my sword.

X.A.N.A. William: BLOK!

An army of Bloks appeared.

Me: **So those are some of the monsters you guys fought on a daily basis?**

Yumi: Pretty much.

Odd: Oh, how I've missed this! Laser Arrow! (fires at Blok)

He blasted them and they exploded.

Me and X.A.N.A. William went at each other and clashed powerfully all over the place.

Sparks were flying all over the place as me and X.A.N.A. William clashed all over and I jumped over his sword and then slashed him in the back and kicked him in the face! X.A.N.A. William grunted in pain.

Me: **I'm not the same as I was when we fought the last time X.A.N.A. I've gotten infinitely more powerful since then.**

X.A.N.A. William: We'll see about that.

Juru: Kiramai Change!

He turned into KIRAMAI RED!

Rarity: Oh this is gonna be good!

Juru slashed and blasted numerous Bloks!

William: I can't believe that this monster is what I would turn into!

Yumi: No kidding William. You put up an amazing fight though.

Brynja: (Icelandic Accent) That is amazing.

Courtney: But X.A.N. be destroyed.

Zixx: Let's test out this Progrise Key.

She activated it.

CHICKENBALL Z MANDY'S FIERY DRAGON WRATH!

She had her hair turn into that of fire and she flared up a powerful aura of intensely powerful energy and she went at the Bloks and destroyed them all in one fell swoop with incredible power.

Qin: WHOA!

Nico: WOW! That was amazing!

Zixx faced Magda and Thar.

Magda: Zixx you look like a douchebag.

Zixx: When I left you I was but a douchebag, now I am the master!

Thar turned into a cat and meowed in order to get us to surrender.

Nico: (trying to resist) Must… resist… cuteness!

Shanan: That is pathetic.

Shanan fired waves of lightning and electrocuted Thar and changed her back.

Qin: Nice try!

Zixx and Shanan went at them both and really beat the living shit out of them!

Magda and Thar were really getting the living shit smashed out of them by the brutal force of Shanan and Zixx.

Me and X.A.N.A. William were still clashing all over and sparks were flying all over the place with incredible force and massive fiery explosions were blasting off all over the place.

I kicked X.A.N.A. William and smashed him into the wall!

Juru: My turn for Progrise Key fun!

MR.X'S MUTANT TYRANT STRENGTH!

He punched and smashed Magda all over the place.

I teleported and used my magic and fired a blast of energy that shrunk him down and locked X.A.N.A. William into a container!

Me: **Now you are a prisoner of the M.O.E. William said he wants to be your archenemy. Now to finish things up here.**

I set my sights on Magda and Thar.

Magda: So you took down X.A.N.A.

Me: **That was a start. Now I'm coming for you.**

Magda: We'll see. I'll reveal the worst of myself.

Me: **Bring it on Babycakes!**

I teleported and kicked her in the face and kicked and smashed Thar and Magda all over and kicked them both all over.

Vert: Had enough.

Magda: Let's see you handle getting your car wrecked! (tries to use her powers on the Saber)

Vert: (takes out Progrise Key) I don't think so!

LAGRANGE'S SPEEDING FURY!

He and his car went fast and slashed them both.

Qin: Take that!

Shanan: I know your weaknesses too. As much fun as this was it's tine for us to get home.

She fired waves of water and it hit the Twins!

They were melting into slop!

Yumi: (smirks) Aww! You're melting! What a world!

Me: **Stick with the 21st Century.**

Shanan: Time to send these two into the sun.

Nico: Do it.

Erica: Allow me.

She opened a portal and it lead into the sun and then She threw the goo blobs of Magda and Thar into the Sun.

Nico: Thank goodness.

Lisa Loud: Marvelous job guys!

Nico: Try to tempt me with cuteness, will they?!

Shanan: Good thing I saw right through it.

Me: **I was too preoccupied with X.A.N.A. William.**

Nico: Where is he?

Me: **In the Masters of Evil Prison. Zixx your archenemy is Chicken Ball Z Mandy. She is a Z-Fighter Style Version of Mandy. .**

Zixx: That is amazing! That explains why I felt a massive and incredible rush of energy and power.

Me: **Oh it will get even better later on.**

Erica: Yeah.

Lisa Loud: Lets get you all back.

We teleported back.

Me: That was awesome!

Nico: What happened to Magda and Thar?

Shanan: I banished them to the Black Gates.

Erica: Good riddance.

Shanan: They are the first of many to be destroyed by Shanan Abigail Knudson.

Me: Yep. And Erica Haddock. Her big mission is on the 21st of January.

Zixx: Erica, ever since I met you, you've been the big sister I've always wanted.

Erica: Really Zixx? Oh sis.

She hugged her.

Qin: Aww.

Lola: That is so cool.

Lisa Loud: Normally I don't express such useless emotions but… (BURST INTO TEARS AND CRYING)

Laney comforted her.

We later came back.

May: Hey guys.

Me: Erica's missions are all finished.

May: Awesome. How did it go?

We told everyone everything and it was awesome.

May: Wow! That is cool!

Me: Yep.

May: Matt, for your first mission, Scrapper, Mixmaster, Dino Tyranno, and 4 Rabbids should go with you.

Matt Olsen: Sweet!

Me: And that means we'll be going to the world of the DinoTrux next. That will be awesome.

Lana: That's one of my favorite shows. They are dinosaur construction vehicles.

Lola: It fits Lana perfectly.

Me: And it will be the perfect opportunities to let our Zoids out.

Qin: Yep.

Mandy: So Zixx is getting a version of me that had the powers of the Chicken Ball. I like it.

Qin: That was amazing Mandy.

Lola: Yeah its power was awesome.

Erica: It sure was.

Ratso: Nico, which teams have you made this time?

Nico: Emma's team will include Mokuro, Nerri the Willow Maiden, Neytiri, Sakuya Tachibana, and Rin (Catherine). Zoe's team will include Honia the Hornet, Lola Namiko, Element Magician, Element Valkyrie, and Guardian Eatos.

Me: Cool!

Qin: Awesome! Nerri and Neytiri will be happy to hear about that.

Mokuro: And it will be an honor to be part of a group.

Rafael: Guardian Eatos in a group. That will be amazing.

Me: It sure will Rafael.

Lola Namiko: And I'm truly honored to be in a group.

Me: Same here and I think Rin is from the game Catherine.

Nicole: That game was tough and scary.

Lola: Yeah but Catherine was pretty.

Lily: Yeah she sure was.

Neytiri: And I'm honored to be part of a group too.

Then the Previous group of M.O.E. Members came.

Motor Ed: Yo, Nico. Can me, SkullMeramon, Devack, Bane, Lythos, P'andor, KGBeast, Beast Man, Unicorn, and Ice Demon go with you guys? Seriously.

Grand Duke Owl: Me, my friends, Yost Korvac, Frictor, Superfriends Giganta, Bird Brain, Beagle Babes, Toar, Wolvertoon, Strikning, and Evil Winter Man will come too.

Nico: Yes you guys can. We're going to Lynn's Table for a little pre-Thanksgiving Humiliation.

Qin: OH YEAH!

Me: This is gonna be fun.

Lola: I hope we send those jerks to Buttkickingville, population them.

Qin: Yeah!

Luan: That was perfect Lola.

Pirate Man: Nico, which Gene Slammer will ye be meeting next?

Nico: I think that one is obvious. We already did Pokemon Gene-slammers for Venusaur and Charizard so Blastoise next.

Qin: Cool!

Lola: This will be a good one.

Xenia: I'm looking forward to that one too.

Lana: Me too.

Me: And I'm willing to bet that the next rescue will be in Cape Cod, Massachusetts where it all began 401 years ago.

Nico: Me too.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, and Lana's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Vaas Montenegro, the antagonist from Ubisoft's Far Cry video game franchise, and he's coming here to cause havoc and trouble. When we saw it, we knew it meant trouble.

Nico: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, is someone else coming after us?

Lincoln: You guessed it, Nico, and we're not going to like it one bit: the dark energy signal we sensed belongs to Vaas Montenegro, the psychopathic lunatic and right-hand man of deranged slave and drug trafficker Hoyt Volker, and he's coming here to cause havoc and trouble.

We gasped.

Nicole: Oh no, not him, that guy's a psychopath and a lunatic.

Rayman: He's also the leader of The Pirates, a faction consisting of pirates that came to the Rook Islands to rape, pillage, steal, and murder, and they also specialize in producing drugs and trafficking and enslaving innocent people they bring to the islands. If they think they're going to get away with this, they've got another thing coming. Lincoln, are his crew with him?

Lincoln: They are, Rayman. Wait a second, are you planning on…?

Rayman: Yeah, I'm going to kill Montenegro's crew, all of them.

Elena Brogan: Which leaves me and you to deal with Vaas Montenegro ourselves, Linky.

Lincoln: You got it, Elena. But, watch it with Montenegro's crew, Rayman, they also have weapons on them.

Rayman: Don't worry, none of them are ever leaving Gotham Royal York alive, and I'm going to send a nasty message to Hoyt Volker, telling him that once we get done killing Vaas Montenegro and The Pirates, he's next, along with his mercenary faction, The Privateers.

Nico: Whoa, so not only are you going to get rid of Vaas Montenegro's crew, Rayman, but you gave Lincoln and Elena Brogan the job of getting rid of Vaas Montenegro himself, and in the process, that'll send a nasty message to Hoyt Volker and his mercenary faction, The Privateers, telling them death's coming for all of them, awesome.

Me: That's perfect, because I absolutely hate Hoyt Volker, he's a deranged, sadistic, and cold-hearted psychopath and to make it worse, he's someone who specializes in human trafficking and slavery, along with being a drug kingpin, he's someone who deserves to die, along with Vaas Montenegro.

Nico: Big time. Alright, gang, let's go, we're heading down to Lynn's Table for an awesome and funny humiliation of the jerks.

Lincoln: And this is perfect, a little humiliation of the jerks before Thanksgiving, this is going to be so awesome, and once we get done with humiliating the jerks and making them even angrier at us while we laugh at their humiliation, you're next, Vaas Montenegro.

Rayman: Your hour of judgement is finally coming for you, you twisted psychopath, and you're going to pay for all those lives that you and your thugs have cold-heartedly ended, and you get to watch as I kill every last one of your ruthless thugs. (Purple eyes turn neon purple)

We knew that Rayman was serious about ending Vaas Montenegro's thugs, and the same can be said for Lincoln and Elena Brogan with ending Vaas Montenegro himself.

Nobunaga Oda: This should be quite interesting to watch, but rather than just watch, allow me to join you and Elena, Lincoln.

Rayman: Lord Nobunaga…

Lincoln: It's okay, Rayman. Of course, you can join me and Elena, Lord Nobunaga.

Nicole: Oh, now things are literally going to get truly messy, while Rayman's dealing with Vaas' thugs, Lincoln, Elena Brogan, and Nobunaga Oda are going to deal with Vaas Montenegro himself.

Rayman: Vaas Montenegro has already chosen the path to his demise if this meant The Demon King is also getting involved.

We were off.

---

We got to the restaurant.

Nico: Good Morning Lynn's Table Crew!

Lynn Sr.: Hey guys! Your usuals for your rounds of humiliations?

Nico: You know it Mr. Lynn.

Lynn Sr.: Coming right up.

We got to our tables.

Devack: Who wants to go first?

Frictor: How about me?

Frictor went over to the jerks.

Frictor: YE MORTAL FOOLS HAVE AGITATED ALMIGHTY (Echoing) FRICTOR! MASTER OF FRICTION!

He rubbed his hands really fast and fired a beam of red energy and set Amy's pants on fire!

Amy: AAAAAAAAAHHH! FRICTION BURN!

Amy had showers of jewels pouring out of her as she was on fire!

Me: Nice one Frictor!

Devack: So J.D. we heard you had a horrible nightmare. And is it really true? Is there an evil version of you guys out there right now?

Me: I'm afraid so Devack.

Morton Koopa: I got a good one. We used to do this on Mario back in the old days!

Morton went at the Jerks and then dod a nasty Thunderpound on Flip and squished him and mountains of gold bars came out!

Qin: WHOA!

Nicole: His trademark Thunderpound. Very awesome!

Qin: Yeah!

Morton Koopa: Thanks.

Nicole: You're welcome. Been a good one since you made your debut in Super Mario 3 for NES.

Morton Koopa: Yep. Still got it.

P'andor: (Russian Accent) Any other suggestions?

Beagle Babe: Let's cover them with gravy!

Ed: GOODY GOODY!

Ed went over to the jerks.

Ed: GRAVY STYLE NINJA ART: SCOTTISH HAGGIS GRAVY DELUGE! YUM!

He fired a massive wave of Scottish Haggis Gravy and it drenched the Jerks all over from head to toe in it!

Ed then made a gross choice of LICKING THEM CLEAN! AND ED NEVER BRUSHES HIS TEETH! YUCK!

Drillhorn: Anyone else?

Horsea: Me next!

Nico: Go for it Horsea.

Poromon: We'll all do it.

The Mascots went up to the Jerks and then gave Flip THE PUPPY DOG EYES!

Flip: OH THOSE EYES ARE SO CUTE!

They lulled him into a false state of vulnerability and then…

Mascots: CUTIE ATTACK!

They jumped him and punched and blasted and smashed him all over the place and ripped his hair and mustache off and even waxed him and ripped it off and even kicked him in his crotch and billions of dollars in cash came pouring out of him!

Mr. Krabs: MONEY! MONEY MONEY MONEY MONEY MONEY!

Mr. Krabs grabbed the money pouring out of him.

Me: No reason why Mr. Krabs can't have money from the jerks.

Maria: That was really genius though! Using the Puppy dog eyes on them and then attacking them.

Qin: So awesome.

Beast Man: Who's next?

Wolvertoon: Let me have a shot!

Wolvertoon went over to Bubblebass and gave him a dose of mega nasty cartoon style comedy. He bashed him all over with falling anvils and then blew sticks of dynamite in his face and even lit exploding cigars in Lewis Travolta's face and they blew up. Showers of jewels poured out.

Me: Nice one! I have an idea.

I got up and pulled out a scroll and unsealed numerous hot sauce and scalding hot cheese sauce blasters.

Me: (To Lincoln's Guardian Angels) You girls want to dish out some awesome payback on the jerks?

Amelia Gehabich: You bet we do!

Me: Lock and load girls!

Lincoln: I'll join in.

Lincoln did so.

They grabbed their weapons.

Lincoln: FIRE!

They fired waves of nuclear hot and spicy death sauce as well as a deluge of scalding hot nacho cheese sauce and it hit the jerks in their mouths and on their faces and it caused them to burn and burst into intense flames and they screamed LIKE PETUNIA IN HAPPY

TREE FRIENDS AND THEY WERE REALLY BURNING! NUMEROUS PILES OF JEWELS AND GOLD BARS CAME POURING OUT OF THEM AS THEY BURNED! The Guardian Angels weren't done yet as they unleashed all their power and rage and anger on the jerks!

Arixam: Maria, how about you and I go next?

Maria: You know it!

They went over to the jerks.

Maria: Amy this is for calling me an UGLY FUCKING WHORE!

Maria and Arixam fired waves of water and they went into her mouth and she inflated like a balloon and then…

BOOOM!

She exploded like one! She poured out a massive shower of jewels and diamonds!

Thankfully her curse won't let her die like that.

Ice Demon: Who's next?

Evil Winter Man: Me!

He went over to Billy McLean and fired a blast of ice and froze him.

Me: NICE! Ooh I got some.

I went over to Icky Vicky.

Me: Time for some comedy.

Announcer: DUMMYSTEIN MAGISWORD!

Me: Showtime.

It fired a beam of light and took her voice.

Dummystein: (In Icky Vicky's Voice) Hey do you know What has

Eli: Hey Dummystein! What did the family serve after grandma sat on the turkey?

Dummystein: What?

Eli: Squash!

RIMSHOT!

We laughed at that one!

Me: (LAUGHS) That was funny!

Luan: (LAUGHS) That was a good one Eli!

Eddy: (LAUGHS) That was funny!

Camie: (LAUGHS) That was funny! Hey Why did the cranberries turn red?

Dummystein: Why?

Camie: Because they saw the turkey dressing.

(RIMSHOT)

We laughed at that one!

Qin: (LAUGHS) That was funny Camie!

Luan: (LAUGHS) The Turkey Dressing! That was a good one!

Nico: That was funny!

Me: Okay Dummy time to give her back her voice.

Dummystein: Thank you all you have been a great audience.

We cheered as it gave Icky Vicky back her voic.

I came back

Me: Nothing like a little Thanksgiving humor.

Strikning: Anyone else want to go next?

Unicorn: How about Cheese?

Me: Go for it Cheese.

I brought Cheese over to them.

Dive Man: This is gonna be good!

Cheese: I pooted.

KGBeast: (Russian Accent) You've gotta love Cheese!

Toar: He's stupid but also funny!

Me: That's what makes him an awesome annoyance tool.

Qin: Yep.

Lynn Sr.: Order up!

Nico: Oh time for lunch.

We got our favorite foods and they were awesome.

Me: (Eating an Ulti-meatum) Mmm!

Nico: (Eating Chicken Wings) Delicious.

Erica: Thanks. They were so fun.

Qin: Yeah they sure will.

Lola: I'm going to love that one.

Superfriends Giganta: You'll also need your own Beyblade.

Ellie: I'll have to find one. I don't have one unfortunately.

Qin: We'll find one for you.

Lola: Yeah there are many out there.

We were later full.

Me: Ahh! That was great!

Klaus Von Herzon: I think we're finished with our meal.

Sirenoid: Let's keep going!

Rainbow Dash: Boy I am stuffed! But yeah.

We got to doing more.

Camie: I have one. You guys may want to cover your eyes for this

one.

We did so and she used her quirk and made an illusion of her doing a strip dance and the boy jerks lifted off with a massive nosebleed and into piles of garbage!

Qin: WHOA that was awesome!

Xenia: Yeah!

Nicole: If any boys saw that I will kill them!

SkullMeramon: I didn't look!

I went over to Flip.

Flip: You got something to say to me?

Me: Your mother is a buttugly fucking whore that was born in a garbage dump.

Flip: NO ONE TALKS ABOUT MY MOTHER THAT WAY!

I then pulverized Flip all over with intense and deadly merciless fury and lightning and striking all over the place with incredible force as I was pulverizing Flip with terrible fury!

Qin: GEEZ!

I stopped 90 minutes later.

Me: YEAH! Whew! Man I think I burned up all the calories from my meal. I'm gonna get a second helping.

Keiko Yukimura, Fluttershy, Tornado Bolt, Life Skylanders, Samurai Rangers, Larry Koopa, and Morton Koopa VS Killer Croc - Lincoln's Rescue

---

Killer Croc was next.

Killer Croc: (To Keiko) I heard Lincoln's rescue was in Esomia. (laughs) I hope Poromon enjoyed eating Mr. Mind again!

Keiko: (LAUGHS) You better believe he enjoyed it! But they also did a really funny and silly Droopy and McWolf style chase. It's all over Social Media.

Fluttershy: (Laughs) Yeah it's funny. See?

She showed on her phone the chase.

Mr. Mind: Why, you… !

But, Mr. Mind saw a dark shadow over him, and this really scared him, and when he turned around, he saw Poromon and he had a sinister hungry grin on his face.

Poromon: Hello, Breakfast!

Mr. Mind screamed like a girl and he ran and hid behind a rock formation, but Lincoln had Poromon covered in snow and he threw it at Mr. Mind, and it sent him flying out of the rock formation and the snowball was beside him.

Mr. Mind: Who threw that?!

The snow melted and revealed Poromon.

Poromon: (Droopy's voice) I did.

When Mr. Mind heard his voice, he sunk his head in, and when he slowly peaked his head out and he saw Poromon, he screamed like a shrill lady and he ran off again. Then, he headed for a cabin that'd appeared out of nowhere and he pushed eight doors shut. But, as he turned to the fireplace, his jaw had come unhinged and dropped to the floor when he saw Poromon occupying a chair right by the fireplace, calmly reading a comic strip.

Poromon: (Droopy's voice) Hello, Joe.

Mr. Mind: (JUMPS INTO THE AIR AND SCREAMS LIKE A GIRL)

Mr. Mind reacted and opened all eight doors again to get out, only to be met by Poromon again at the doorway.

Poromon: (Droopy's voice) Hello again.

Mr. Mind: (JUMPS INTO THE AIR AND SCREAMS LIKE TOM CAT) (RUNS OUT THE DOOR)

We were laughing hysterically at the scene.

Me: (LAUGHING HYSTERICALLY) OH MAN, OH, THIS IS TOO HILARIOUS! NICO, CALL A DOCTOR!

Nico: (LAUGHING HYSTERICALLY) I THINK LINCOLN SHOULD BE THE ONE TO CALL THE DOCTOR! THIS IS WAY TOO HILARIOUS!

Mr. Mind continued getting away, but everywhere he went, Poromon popped out from a hiding place like Droopy did to McWolf, and he screamed like a scared little girl, and he ran away again, and May was filming the whole chase scene. Then, Mr. Mind was already getting desperate, and he then saw a nearby lion's cage and he decided to commit suicide by jumping into the lion's mouth.

Mr. Mind: I give up, I'm going to throw myself to the lions!

Mr. Mind jumped into the lion's stomach thinking he's safe, but he was unaware that Poromon was in there with him.

Poromon: (Droopy's voice) Crowded, isn't it?

Mr. Mind screamed again and jumped out of the lion's mouth, and ran to a wall, breathing heavily and he was already losing his mind. Then, he ran towards us begging for us to kill him.

Mr. Mind: (Already Lost His Marbles) Please, please, just kill me! Don't let him get me!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks and crosses arms) And deny Poromon his chance to eat you again, fat chance!

Mr. Mind's eyes shrank in horror: Lincoln just denied him the chance to die and when Poromon had appeared behind him, Mr. Mind turned around and horror was etched on his face.

Poromon: Finally. BREAKFAST!

Mr. Mind screamed as Poromon gobbled him up.

Poromon: Ah, now that was good. (BELCHES AND MR. MIND'S SPIRIT CAME OUT)

Mr. Mind: Well, I'll be, he finally got me again!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) And now, I'm going to get rid of you.

Lincoln drew the Judgement Kanji on Mr. Mind's forehead, and Mr. Mind's soul was destroyed by The Black Gates. We cheered wildly as we holster our weapons and powered down, and Lucy and Lana's new bodies, clothes, weapons, jewelry, accessories, and massive angel wings are permanent.

They laughed hysterically!

Tornado Bolt: (LAUGHS) That was so funny! We never saw J.D. and Nico laugh so hard before!

Stealth Elf: Yeah that was funny and cool.

Jayden: We all were laughing so hard.

Mia Wattanabe: Yeah it was funny.

Killer Croc: That was so funny! Lets do it!

Keiko summoned Dark Dryad and merged Hermos with Predaplant Chlamydosundew and it formed into the PREDAPLANT CHLAMYDOSUNDEW WHIPSWORD! She lashed Killer Croc and pulled him to her and they fired waves of leaves, grass, flowers and energy and Keiko slashed down and kicked him into a wall.

Silverstream the Hippogriff, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Penguins of Madagascar, Drillhorn, and Guyhawk VS Goro - Meeting an Alpha Hydranoid Gene-slammer

---

Goro was next.

Goro: (to Silverstream) I heard you guys met an Alpha Hydranoid Gene-slammer. What's her name?

Silverstream: Her name is Amelia Gehabich and she is Alice's cousin.

Twilight Sparkle: She is just as amazing as Alice and she is an awesome Guardian Angel for Lincoln and is a true master of Darkness too.

Starshine Sparkle: And her story is really cool too.

---

Amelia Gehabich: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Amelia, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Amelia Gehabich: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Amelia, what's the story on how you stopped Chandler from trying to kill Lincoln?

Amelia Gehabich: You're not going to like this one bit. One day, Lincoln and I were walking home from school, but then, we heard the sound of an angry yell and malevolent laughter, and we saw who it was heading right for us: it was Chandler and he had a knife in his hand, and he was trying to kill Lincoln again. But, I wasn't going to let that wretched little monster get away with this, so I fired three powerful blasts of darkness at Chandler and it disarmed him of his knife and Lincoln fired a red energy blast which transformed into red energy ropes and it tied Chandler up. We called the cops on Chandler, and after we told them what that monster tried to do to Lincoln and I, they immediately took him to jail, and when his mom and sister found out, they were furious at Chandler, and since he hadn't learned his previous lessons the last time, this time, they let him stew in prison for five weeks, and she warned Chandler that if she ever caught him trying to kill Lincoln again, she would ask Lincoln to press charges on him and that would mean he's heading right for prison.

We cheered wildly.

Nico: That was some quick thinking on stopping Chandler, Amelia, and we've heard a lot of stories of how Chandler's tried and failed to kill Lincoln numerous times, and all those times that he's been sent to jail.

Me: It was due to his dark side's murderous desire for blood and revenge that was the cause of this.

Lincoln: Yep, and he was lucky that I kept my vampire-werewolf hybrid side under control, otherwise I would show him what happens when he makes me mad.

Lana: And we've seen it unleashed only when Lori, Lynn, Lola, Lisa, or Luan did something to really get him that mad.

Jeanne the Vampire: So, you weren't kidding that you're a vampire-werewolf hybrid, I can tell due to the scent of your blood that you weren't human.

Me: Yeah, and it was due to the blood of Adriana Ardelean Dracula and Rudina Adalwulf, and he also gained many powers either through a blood transfusion or feeding on the blood of his many Guardian Angels, and he really did a good job in keeping it secret.

Lincoln: I did, and now, I'm not afraid of showing what I became before I was chosen to be Hinon's champion.

Lori: You're literally right about that, besides, your friends have more than once seen your vampire fangs, and if someone tried to mess with you, just one sight of your fangs, and they'll be running for the hills.

FLASHBACK ENDS

Goro: Wow! That is amazing! She really put Chandler in his place.

Spyro: Yeah it sure was awesome.

Skipper: That is for sure. That dark side of Chandler was a real jerkwad.

Private: He sure was.

Goro: That is true. Lets do it1

Starlight Glimmer: That dream he had was really a warning, It was telling us to be ready for them.

Cozy Glow: At least we aren't going up against massive numbers of them in an all out war. They were reduced down to 7 because the good versions of the villains there all captured them and threw them in jail after stripping them of their powers somehow.

Rayman: (Sighs) Should've known there's no mistaking that insane laugh from anywhere. Don't you know when to give up, Vaas Montenegro.

A figure came out, and it's none other than Hoyt Volker's insane right-hand man, Vaas Montenegro, along with his faction, The Pirates, a massive band of mercenaries.

Nicole: Vaas Montenegro, you already know that a lot of people want you and your boss dead for all of the gruesome things you bastards have done, including us.

Vaas Montenegro: Tell me something I don't know, but you will never get rid of us. Boys, kill them all!

The Pirates were about to attack, but Rayman hovered into the air and he fired a dark energy ball at the incoming Pirates and sent them flying back, but none of them were injured. Then, Rayman snaps his fingers and we were on the planet, Glaren.

Rayman: There's no way you or your crew are endangering any innocent people, Montenegro.

Elena Brogan: That's right, and now, you've got to deal with us.

Suddenly, Elena Brogan's aqua blue eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with water, ocean waves, sea creatures, and dragons, she unholstered her massive Water Dragon Cluster-themed greatsword from her back, and as she approached Vaas Montenegro, she left aqua blue energy, water, ocean waves, sea creatures, and dragons with every step.

Elena Brogan: You absolutely make me sick, Vaas Montenegro, you're not only a unrepentant insane psychopath, but you have an absolute disregard for human life, what you and Hoyt Volker have done in trafficking and enslaving innocent people, not to mention trafficking drugs, can never be forgiven, and now, I will see to it that you and your entire faction are wiped off of the face of the earth.

Suddenly, Elena Brogan was surrounded by a massive vortex of aqua blue energy with water and ocean waves surrounding the vortex, there are sea creatures, water dragons, and Water Dragon Cluster swimming around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Elena Brogan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Elena Brogan grew from 6'5" to 7'4" in height, she has the body of a goddess, she has ocean blue highlights in the bangs of her long flowing aqua blue hair, she has neon aqua blue eyes and an aqua blue energy aura with water, ocean waves, sea creatures, and dragons surrounding her, she has the Water Kanji in the claws of Water Dragon Cluster emblazoned on her forehead, she has on dragon earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its claws, she also has Water Dragon Cluster with aqua blue gems for eyes and holding the Water and Eternity Kanjis in its claws on the bottom of her aqua blue dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Elena Brogan felt a sharp pain on her back, and then, her massive aqua blue angel wings with ocean blue tips on the large aqua blue feathers grew much bigger for her new body, she has on a Ring of The Phoenix with aqua blue gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Elena Brogan's massive Water Dragon Cluster-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of aqua blue energy, ocean waves, water, sea creatures, and dragons, and when it emerged, it was transformed into Water Dragon Cluster's Oceanic Sea Dragon Maelstrom Greatsword of Water Maelstrom Sea Dragon Justice, it's a brand-new massive greatsword with Water Dragon Cluster etched on the 7'0" massive, wide, double-edged aqua blue blade, large aqua blue dragon heads for the crossguard, large aqua blue gem embedded in the rainguard, longer midnight black handle, four large aqua blue dragon heads and a large aqua blue gem below the lion heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with aqua blue gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of one of Water Dragon Cluster's heads with aqua blue gems for eyes and a large aqua blue gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. Elena Brogan has transformed into SUPER ANGEL CELESTIAL ETERNAL XELNAGA COSMIC WATER SEA DRAGON ANGEL OF

# DIVINE COMSIC SEA MAELSTROM DRACONIC JUSTICE AND DIVINE WATER SEA DRAGON LOVE!

We were amazed by Elena Brogan's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Vaas Montenegro saw it, he got out his machete and planned to decapitate her, but Elena Brogan fired a powerful aqua blue energy blast with ocean waves, water, sea creatures, and dragons at Vaas Montenegro and it hit him with incredible power and sent him flying, but he got up and he wasn't out yet, and the sight of what happened with their boss pissed off the Pirates badly.

Nico: Whoa, Elena Brogan's transformed, awesome.

Me: And it was good thinking on Rayman's part to take the fight to Glaren.

Lincoln: He was right to do so, since we don't want anyone getting attacked by that psychopath or his thugs, and Elena, you look beautiful, how do you feel?

Elena Brogan: (Divine Echoing Cosmic Voice of The Cosmic Sea Maelstrom Water Dragon and Divine Sea Water Dragon Maelstrom Love) I feel incredible, Linky. Now, shall all three of us deal with this psychopath once and for all, while Rayman deals with Montenegro's thugs?

Lincoln: (Smiles) With pleasure, Elena.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and Nobunaga Oda unholstered his sword, Demon Regalia, and they joined Elena Brogan.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your days of causing trouble and havoc are over, Vaas Montenegro, now it's time for you to die.

Nobunaga Oda: Go ahead and do your worst, it shall do you nor your men no good. We will see to it that you and your men are destroyed here and now.

The Pirates saw that Lincoln and Elena Brogan were about to go after Vaas Montenegro, and that's pissed them off.

Pirate Assaulter: Hey, those assholes are going to kill the boss. Get them!

The Pirates were heading straight for Elena Brogan, Lincoln, and Nobunaga Oda to kill them before they got after Vaas Montenegro, but Rayman fired another blast of dark energy, and it formed into a dark barrier to keep them from getting to Elena Brogan, Lincoln, and Nobunaga Oda.

Rayman: Oh no, you don't, you thugs aren't getting anywhere near my friends, and now, it's time for you all to die.

Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and he transformed into Super Angel Celestial Eternal Xelnaga Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and he went after Vaas Montenegro's thugs, and he fired powerful blasts of purple and red energy, light, dark energy, Lums, fairies, and dragons at Vaas Montenegro's thugs, and they exploded with incredible power as they hit them. Then, Rayman attacked them with his massive greatsword and he left scars on them. Then, Rayman fired blasts of darkness from his left hand into the air and bolts of dark energy rained down on Vaas Montenegro's thugs.

One of them tried to run at Rayman and also attack him with a machete, but he thrusted his massive greatsword into the Pirate's chest and he retracted his massive greatsword and tossed him away, but it also granted his massive greatsword a dark purple aura: an attack that only Nobunaga Oda had.

Pirate Beheader: That's it, kill him!

The Pirates got out their guns and were about to fire, but Rayman used another attack of The Demon King: Nobunaga's Level 3 Musou attack from Samurai Warriors 2 and its Xtreme Legends expansion.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) You dare to resist me?

Suddenly, the area turned dark as Rayman glides along the ground slashing his massive greatsword from left to right wildly, slashing and cutting down Vaas Montenegro's thugs, and random pillars of dark energy that burst out of the ground around him as he dashes at them. Then, he finished with the turning outward slash, a spin-turn to his left for a reaping slash, and slides via a light-hover into a braking outward slash, and a dark energy shockwave comes outward from Rayman as black feathers and a dark energy aura came out of the ground.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) Then, you dare to die!

We immediately saw that Rayman had cut down and slain all of Vaas Montenegro's pirates and it was a mess. Then, Rayman fired more blasts of darkness from his left hand into the air and the thousands of bolts of dark energy with the Judgement Kanji had rained down on the souls of Vaas Montenegro's thugs, and all of the Pirates were sent to The Black Gates forever.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) That's it for all of Vaas Montenegro's thugs, now to go help Elena Brogan, Lincoln, and Lord Nobunaga deal with Vaas Montenegro himself.

Rayman passed through the dark energy barrier and he joined with Elena Brogan, Lincoln, and Nobunaga Oda.

Nobunaga Oda: I take it that you've dealt with our other uninvited guests?

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) They've been put out of their misery and their souls have been sent to The Black Gates, Lord Nobunaga.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) Now you're all alone, Vaas Montenegro, all of your men have been destroyed and you're already out of options. Now, all that's left is for us to kill you and send you to join your men in eternal torment.

Vaas Montenegro: You, you will all pay for what you did to my men.

Nobunaga Oda: (Laughing Sinisterly) In that case, you better give it your best shot.

Elena Brogan, Lincoln, Nobunaga Oda, and Rayman went after Vaas Montenegro, who tried to fire at them with his firearms, but Elena Brogan and Lincoln fired blasts of water at them and made them all useless, and then, they fired extremely powerful blasts of rainbow energy, aqua blue energy, red and purple energy, dark energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Lums, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, and Mermaids at Vaas Montenegro, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really pissing off Vaas Montenegro badly, but Elena Brogan, Lincoln, Nobunaga Oda, and Rayman were just getting started. Lincoln and Nobunaga Oda fired blasts of dark energy at Vaas Montenegro and they blew him across the field and the dark energy blasts left nasty scars on him.

Me: This is incredible, just what we're seeing is quite terrifying.

Mitsuhide Akechi: This is quite an opportunity to see both Lord Nobunaga and Lincoln fight together in battle, J.D., and everything we'd heard from Yukimura and the others is true: Lincoln's a strong fighter and an intelligent and honorable man, and he's capable of putting a plan into place and using tactics in battle to outsmart his opponent.

Shingen Takeda: A strong fighter, along with being an intelligent and honorable man, and capable of using tactics in battle to outsmart his opponent after knowing his opponent, that's the kind of person no one would want to fight against.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Elena Brogan, her hand-cannon Blaster is known as Water Dragon Cluster's Cosmic Maelstrom Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's aqua blue with ocean waves on the blaster with a Phoenix, Angel, and Water Dragon Cluster surrounded by water etched on the sides, and an ocean blue gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Elena Brogan fired blasts of rainbow energy, aqua blue energy, and elemental forces at Vaas Montenegro and as they hit him, they exploded with incredible power killing him. Then, as they holstered their hand-cannon Blasters, Vaas Montenegro's spirit appeared, and Rayman and Nobunaga Oda fired two more blasts of dark energy with the Judgement Kanji and as they hit Vaas Montenegro's spirit, he was condemned to The Black Gates forever. We cheered wildly for what Elena Brogan, Lincoln, Nobunaga Oda, and Rayman did to Vaas Montenegro as they holstered their massive greatswords on their backs and powered down, and Elena Brogan's new body, clothes, weapons, jewelry, and massive aqua blue angel wings are permanent.

Nobunaga Oda: Impressive, Lincoln, you've truly lived up to your reputation, I'm honored to fight alongside you and to consider you my brother-in-law.

Lincoln: (Bows) I'm honored by your words, Lord Nobunaga.

Elena Brogan: That'll teach you, you psychopathic lunatic. Lord Nobunaga, Rayman, thank you both for helping me with putting an end to Vaas Montenegro and his Pirates Faction, especially you too, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Elena.

Rayman: Just doing my job, I wasn't going to let that psycho get away with it.

Rayman and Nobunaga Oda came back to us, and suddenly, Elena Brogan wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Elena Brogan's face, they kissed passionately as Elena Brogan's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Angel, and Water Dragon Cluster flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves crashing behind them and we cheered wildly. Lincoln and Elena Brogan came back to us, as the display and Water Dragon Cluster vanished.

Nico: That was truly an amazing battle, Rayman, you did awesome in getting rid every last one of Vaas Montenegro's Pirates, and I was intrigued that you used Nobunaga Oda's attacks for that, and for the final part of the battle, Lincoln, Elena, Lord Nobunaga, and Rayman, you all did really great in destroying Vaas Montenegro once and for all.

Lincoln: Thanks, Nico, and this also sent a message to Hoyt Volker, telling him that he and his faction, The Privateers, are next. If we run into them, we'll do them what we just did to Vaas Montenegro and his faction, The Pirates.

Daria Kuso: We dealt Hoyt's drug empire a really crushing blow by killing Vaas Montenegro and his faction, The Pirates, who were basically the muscle of Hoyt's empire, and if we deal with Hoyt himself and his mercenary faction tomorrow, we'll send his drug and human smuggling empire spiraling into Oblivion. Oh, and Lincoln, tomorrow, we're meeting the Gene-Slammers for Battle Ax Vladitor and Omega Leonidas.

Lincoln: A two-for-one rescue tomorrow, awesome.

Turtle: Another day of humiliations done.

Me: Yeah

King Shark: And I even ate before I got here. (burps)

Abra Kadabra: Now now. There will be plenty to eat tomorrow

Merman: After all, tomorrow's Thanksgiving.

Ragdoll: Which means it's Turkey time!

Me: You got that right.

Nico: Yep. Great job everyone.

Pinkie Pie: Best Humiliations EVER! (To the viewers) Hope you're ready for thanksgiving because I AM!

Nico: Yep.

We went back home after paying for the meal and then enjoyed the rest of the day and went to sleep.

Me: Cape Cod, Massachusetts. Home to where the first Thanksgiving took place back in 1621.

Qin: Wow! Beautiful place and home to over 401 years of history.

Lola: And it's beautiful during the fall turn too.

Nico: Yep it sure is.

Gia Moran: So many beautiful photographic moments here.

Lana: I'll say and the leaves all changing color here is awesome.

Laney: It sure is beautiful.

Camie: It sure is.

Me: Gia, I want to thank you and Bonz's team for coming.

Gia: It's no problem Nico. It's gonna be really awesome helping you out.

Bonz: It sure is. This is gonna be so fun.

Savrille: We're looking forward to all this.

Me: We sure are.

Nico: Jean Bison, can you tell me about when you first joined the team? Because I wasn't there at the time.

Jean Bison: Oh sure. Brittney knows the story better than I do.

Nico: Okay then.

Brittney: Well that was awesome and cool.

She went over the events of chapters 347 and 348

FLASHBACKS

(CHAPTER 347 - HE WHO TAMES AN IRON HORSE)

Part 7: HE WHO TAMES THE IRON HORSE

Team Thievius Raccoonus was following the trail of spice shipments to northern North America.

They were heading to Nunavut Bay, Canada. The central hub of Jean Bison's spice transport.

It was there that they were gonna find Jean Bison - An Anthropomorphic American Bison.

His background revealed a very strange tale. He is a 19th century prospector that set out to strike it rich during the Gold Rush of 1852. However Jean Bison took one too many risks and ended being buried alive in an avalanche. But Miraculously, the quick freeze kept him alive and 140 years later thanks to global warming, he thawed out. A product of his time, he dreams of "Taming the Wild North" by daming every river and cutting down all the trees with progress delivered at the sharp end of an axe.

Brittney: Oh man. He's a 200-year-old prospector. But I can sense that hes got more than his share of the Clockwerk Parts.

Sakura: What does he intend to do with them?

Sly: I don't know.

Panda King: It's a mystery for a man like him.

Brittney: Yeah.

Laney: I feel sorry for him though. He's a man from the 19th century completely unfamiliar with everything in the 20th and 21st centuries.

Lana: Yeah. We had another case where we found a man frozen in time for 105 years at the bottom of the Atlantic.

Inspector Fox: Did that really happen in your dimension Lana?

Lana: It sure did Inspector Fox. It's a strange story.

Lucy: Yes. He was frozen at the bottom of the Atlantic near the wreck of the Titanic.

Brittney: We'll talk about that later. Right now we have to stop his spice shipment operation.

Maria: What Clockwerk Parts does he have?

Bentley: It says here that he has the Clockwerk Lungs and Stomach.

Murray: That's strange. What does he intend to use them for?

Brittney: That's what we need to find out and stop.

They arrived at Nunavut Bay and saw 3 amazing trains. They did some reconnaissance work and found out that Jean Bison was using the Clockwerk Lungs and Stomach as pumps to keep his trains, the Iron Horses running non-stop 24/7. Maria and Carmen snuck into the trains and swiped the parts and got out as the trains were out of control and they crashed into the nearby mountains.

Carmen: Awesome Job sis!

Maria: You too.

They high fived and streams of fire and water erupted out of their hands.

Maria: Yeah!

Back at the hideout they revealed everything.

Maria: There you have it.

Inspector Fox: Good job you two.

Carmen: Thanks Inspector Fox.

Neyla: That was impressive. But we have to stop Jean Bison now.

Brittney: I know.

Bentley: He has fled the area after the trains crashed.

Sly: We have to find out where he went to and fast.

Brittney: Yeah. We have to stop the Klaww Gang no matter what or the world as we know it will be doomed.

Murray: Yeah.

Dimitri: Word.

## (CHAPTER 348 - MENACE OF THE NORTH, EH!)

After the destruction of Jean Bison's Iron Horse Trains things weren't right up in Canada. Random acts of violence were popping up like weeds and the Aurora Borealis was fluxuating wildly. One night they would be brighter than ever and the next they would vanish completely. Team Thievius Raccoonus followed the Aurora to a massive Lumber Camp. The huge number of fallen trees indicated the sign of Jean Bison's presence and that he was in the possession of the Clockwerk Talons.

The Thievius Raccoonus makes numerous references to the Talons slicing through plates of steel. A skilled lumberjack like Jean Bison would clear cut a forest in a matter of hours with them. They can cut through trees like a hot knife through butter.

Laney: We have to stop this madness now! What Jean Bison is doing to the environment is bad for the entire planet.

Sly: I know. The world just doesn't need to make space for another strip mall.

Brittney: No it doesn't. Lets go.

Team Thievius Raccoonus was blasting apart the entire lumber camp and destroying it into nothing. Laney used her plant powers to regrow all the trees that were cut down. Lana froze all of Jean Bison's guards with her ice powers, Lucy induced extreme fear into some of them, Carmen incinerated some of them and Maria drenched them.

Panda King and Laney fried some of them with their Flame Fu.

Carmelita electrocuted some of the guards to ash.

Brittney: That takes care of the guards. Now to face Jean Bison.

They went into his mountain cabin and confronted Jean Bison himself.

Jean Bison: Team Thievius Raccoonus. What a unpleasent surprise.

Brittney: We aim to please.

Lana: Jean don't you even realize that what you're doing is wrong on so many levels?

Laney: Yeah. This is wrong Jean. You were a great prospector 140 years ago and you would be considered a great hero in your day. But don't you realize that the Clockwerk Parts are part of the monster owl that was responsible for the murder of Sly's entire family line because of extreme jealousy and hate?

Jean Bison: What? Is that what these parts are?

Brittney: Yes Jean.

Brittney explained the full extent of the Klaww Gang's diabolical plan that will plunge the world into a Hellish Empire.

Jean Bison was horrified and he realized that all of his actions to the planet were for the wrong cause and that he was manipulated into doing the wrong things. He broke down crying and Laney comforted him.

Laney: It's okay Jean. You were lead down the wrong path and used for the wrong purpose.

Jean Bison: I know. (Sniffles) Thank you for helping me realize what I have been doing. Now I want to correct everything I've done. I want to help you all stop the Klaww Gang.

Brittney: We appreciate it Jean.

Inspector Fox: Yes.

Neyla: Our next target is Arpeggio. He is the main architect behind the Klaww Gang and he's the one that's going to use the Clockwerk Parts for this Cataclysmic Future.

Brittney: And without a doubt Dark Neyla will be there too. Watch out Arpeggio, we're coming for you.

FLASHBACK ENDS

Brittney: And there you have it.

Nico: Wow! That is amazing that you saved Jean Bison from himself during that time.

Qin: No kidding! That was awesome!

Brittney: Yeah those were 2 great series of missions for me and some of the team.

Me: It was also back when we were further enhancing our teamwork and also it was still back in the final days of the Teams old days before we got our name.

Nico: Wow! That is incredible!

Eli: It sure was.

Qin: Yeah! I thought that was awesome when I heard about it.

Maria: (laughs) It's funny how all of Sly's enemies except for Clockwerk changed their ways.

Me: It sure is! And also I think it's great that some of them are all in the M.O.E.

Xenia: It sure is! I think it's amazing how all that happened back then.

Camie: Many of us weren't with the team back then when all that happened but that is cool.

Zombozo: It sure is amazing there.

Azuki Shinatsu: I agree there too. I think it's so awesome that you all went on so many awesome adventures with Sly and friends back then.

Maria: Yeah those were fun and we went all over the world and battled many of them.

Laney: And the cool part was many of us in Sly's world were all anthropomorphic animals.

Me: That is cool that you guys were like that.

Brittney: I thought it was awesome too dad.

Lola: Yeah it sure was.

Varie: Yep. Man Yesterday was really funny.

Nico: We had another fun humiliation session.

Inaho Kushiya: We sure did and all those were so cool.

Saya Tekagi: Yeah those were all really funny and cool.

Miku Yuuki: Yeah and fun. Nothing is more fun with a great meal than an awesome humiliation session.

Lola: That is for sure.

Nico: I liked how the mascots did puppy eyes.

Me: Yeah that was cute! They got Flip with their cuteness and then smashed his balls in.

We laughed!

Varie: Yeah that was so funny!

Rita Loud: Yeah it sure was Varie.

Lola: It sure was mom.

Varie: We all thought it was funny.

Lily: And filling too.

Nico: And Dot had her turn during the usual battles.

Me: Yeah she sure did.

Camie: They had to learn the hard way about not calling her Dottie.

Lola: Yeah and that's Call her Dottie and she will kill you.

Laney: Don't call her Dottie or else.

Xenia: That's for sure!

Mabui: I agree there but it was still really funny though.

Nico: Yeah it sure was.

Lola: Yeah. Also Nico that was an awesome way to close out Erica's missions with a bang yesterday.

Nico: Boy it sure was!

Me: No kidding! Chickenball Z Mandy is really strong and powerful! Eris really made a powerful warrior out of Mandy like that.

Eli: That was awesome and cool.

Maria: Now, today is a special occasion.

Nico: Yep. It's hence why we're here. It's Thanksgiving.

Qin: Yep.

Nico: Wow and coming to Cape Cod for Thanksgiving for my next rescue was an awesome idea.

Lola: It sure is.

Me: Yep. Especially because we're in the town of Plymouth. In 1620 this is where it all started.

Eli: Yep. The Pilgrims knocked on Plymouth Rock back in 1620 back 402 years ago.

Lola: They sure did.

Varie: With the Mayflower Ship.

Lana: That is so cool.

Me: And it helped start the 13 Colonies.

Nico: And there won't be any usual battles today. But there will be tomorrow.

Me: On Black Friday. Cool!

Eli: Yeah!

Me: And I know what Nico's rescue will be tomorrow.

Nico: Yep. Black Friday Shopping extravaganza.

Brittney: That is gonna be awesome.

Mabui: Boy it sure is. The reason I'm with you all is because there might be Another Undead-Zodiart in this one.

Camie: Good reason.

Lincoln: And I have a good feeling I know what it will be.

May laid her head on Nico's shoulder.

May: But we're ready for this awesome shopping adventure.

Lola: We all are.

Nico: Yeah I know.

Qin: I'm ready for it.

Lola: Me too.

Me: This is gonna be good.

Maria: Let's see what we can buy here.

Me: Sure thing but because it's a major holiday not much will be open.

Maria: You're right on that.

Mabui then winced in pain as her mark for the Constellation of Eridanus the River glowed.

Me: What is it Mabui?

Mabui: It's my mark for Eridanus.

We saw it glow on her right arm.

Me: It's glowing. That means it's close.

Nico: Another Undead Zodiart?

Mabui: I think so.

Then a wave of water flowed through the town and it looked like the streams overflowed! Then it stopped in front of us and formed into a figure and it was the next Another Undead-Zodiart! It was ANOTHER ERIDANUS UNDEAD ZODIART! It looked like a scary mixture of a fish version of Vypra and Shrieker!

Me: WHOA!

Eli: That one is really scary and cool!

Nico: Yeah! Vypra would be amazed with this one.

Lola: She sure would.

Another Eridanus Undead-Zodiart: (In a girls voice) (German Accent) Ach und it's great to see you again J.D. mein friend.

Me: (Gasp) That voice! Gretchen Von Schnitzelbach!

She reverted back and Gretchen was a girl with blue hair in braided pigtails and had a blue bow on her and even had a beautiful blue dress on and she had German dance clothes on. She also had the symbol for Eridanus the River on her right arm.

Gretchen Von Schnitzelbach: It's so good to see you J.D.

Me: You too Gretchen.

Nico: You know her J.D.?

Me: I sure do. I met her in the Oktoberfest Festival in Bavaria. Me and Gretchen were touring Neuschwanstein Castle and we then accidentally stumbled upon a beautiful and amazing sight there. It was called the Ocean Sapphire necklace of Eridanus. I read that it has the power to grant its wearer the power control over all the waters of the world as well as make it rain with the weather and all that. Also she makes some of the most beautiful and most amazing Bavarian Style Cuckoo Clocks ever in all of Bavaria.

Gretchen Von Schnitzelbach: Oh ja und those are some of the best ever. J.D. is an amazing lover of mein clocks.

Qin: That is really cool.

Bonz: I don't think you're our only opponent.

Gretchen Von Schnitzelbach: Alas no. Zer is another opponent for you all to face. It'll be here in a couple of minutes. Sorry I have to fight you all like zis.

Mabui: It'll be all right.

Gretchen changed into her Undead Zodiart Form!

Mabui: But we will save you from this form. LIGHTNING STYLE NINJA ART: THUNDER LASER STORM!

She fired waves of lightning lasers and they hit the Another Eridanus Undead Zodiart and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded! She was down and back to normal and I caught the Zodiart Switch and the Rouse Card and purified them. The Rouse Card was the River of Eridanus and it had the stars of the Constellation of Eridanus in the Southern Hemisphere and a picture of a running river on it. The Zodiarts switch glowed and went to Mabui and it formed into an Armband with the symbol of Eridanus on it!

Mabui: Wow! That is cool!

Kazuma: It sure is!

I went over the Gretchen and picked her up and brought her over.

Gretchen Von Schnitzelbach: (Groans) Oh Mein Gott! I have got ze vorst ever headache.

Varie: You'll be all right.

Nico: Yeah.

Eli: Here comes the next opponent.

Then a figure came out and it was a dark version of Bonz! It was ANOTHER BONZ!

Me: Whoa! Another Bonz!

Bonz: Another Me!? Oh great!

Nico: And you are?

Another Bonz: (In a girls voice) (British Accent) J.D. knows me.

Me: (GASP) Gianna Britteridge!

Another Bonz: Good to see you again J.D.

Me: It has been a while.

Nico: You know her J.D.?

Me: I sure do. Gianna is the direct descendant of one of the Pilgrims, Richard Britteridge. Her ancestor was one of the pilgrims that helped start America.

Qin: That is cool!

Nico: It sure is.

Me: Yep. Also she makes amazing rustic mountain cabin furniture.

Nico: Awesome!

Qin: That is cool.

Nico: So she's a Mountain Furniture Carpenter.

Another Bonz: Yep.

Sougo: (gets out Donbrothers Ridewatch) Did Swartz promise you anything?

Geiz: (gets out GeizRevive Ridewatch) Because we can grant it instead.

Re-vi-i-ve Goretsu~! Goretsu!

Sougo got DonMomotaroArmor while Geiz became Geiz Revive Goretsu.

Another Bonz: Just to be one of the best carpenters ever.

Me: You already are like that. But we can help you out in expanding your woodworking repertoire.

Lincoln: Yeah Leni here has some skills in carpentry.

Me: It's true. When me and Lincoln were working to help Leni get her drivers license we saw that she has amazing skills in carpentry.

Leni: It's a hidden talent.

Me: Not only is she an awesome fashionista but she does have some carpentry skills too.

Lana: I'm really impressed on that Leni.

Leni: Thanks Lana.

Nico: I'll have to hear about that later on.

Qin: Me too.

Another Bonz: But I would like that.

Me: Sorry we have to fight like this.

Another Bonz: No worries. Just hit me with everything you guys got.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Laney: Time for some awesome Celtic Power. (ACTIVATES MORRIGAN'S RIDEWATCH)

(CARRICKFERGUS BY CELTIC WOMAN PLAYS)

Laney: (SINGING DIVINELY AS CELTIC SYMBOLS AND LEAVES SWIRLED AROUND HER)

I wish I was in Carrickfergus

Only for nights in Ballygrand

I would swim over the deepest ocean

The deepest ocean for my love to find

But the sea is wide and I cannot swim over

Neither have I wings to fly

If I could find me a handsome boatsman

To ferry me over to my love and die

My childhood days bring back sad reflections

Of happy times spent so long ago

My childhood friends and my own relations

Have all passed on now like melting snow

But I'll spend my days in endless roaming

Soft is the grass, my bed is free

Ah, to be back now in Carrickfergus

On that long road down to the sea

I'll spend my days in endless roaming

Soft is the grass, my bed is free

But I am sick now, and my days are numbered

Come all you young men and lay me down

She floated in the air and fired waves of energy and leaves and smashed down Another Bonz!

Qin: OH YEAH!

Me: Awesome song choice! Carrickfergus is one of Ireland's amazing and historical castles. Built back in 1177 A.D.

Camie: Wow that is ancient!

Me: It's 845 years old.

Nico: Yep.

Another Bonz: And that was awesome too.

Me: Yep. We'll have to save that one for St. Patrick's day.

Qin: Good idea.

Gia Moran: I got one! (ACTIVATES BONZ'S RIDEWATCH)

(ARABIAN NIGHTS BY SARAH BRIGHTMAN PLAYS)

Gia: (SINGING DIVINELY AS BONES AND DARKNESS SWIRLED AROUND HER)

Don't you forget the echo's of time

Won't you regret the losing of minds

In my dreams I'm searching across the

Desert sands for you

Scimatar moon is guiding me close to your side

Voyage

Voyage

Voyage

Voyage

Wilderness to wilderness

I traveled from afar

On the soft wind of the Nadq came

Fragrance of Araar

Splendor of a thousand suns shone glory in my path

No love more pure and rage more fierce

Could still my beating heart

Voyage

Voyage

Voyage

Voyage

So

Should I return to trace the shadows of my chases

My steps will echo there from sand to stone

I Will never let my eyelids close on empty spaces

My dreams will find the void with tales unknown

Know the mighty infinite obscures the far horizon

The whispered road I take will never bend

Alone

And will the wind return my story to its promise

Or will my story chase me to my end

Aye Hawa, Mere Dilbar

Ko Mere Pyar kay Geet Sunana

Tu hay meri Manzil

Aur pyar mera musafir, Musafir

Meri reshmi Zulfain

Meri meri reshmi zulfain

Teri Zanjeerain

Meri reshmi Zulfain

Meri meri reshmi zulfain

Teri Zanjeerain

Melodies unspoken

Flowing from the lotus of my heart

Ending where we start

Promises unbroken

Promising a never-ending fire

Of love beyond desire

Ending where we start

She floated into the air and fired waves of energy and it formed into the great tales of Arabian Nights. She smashed down Another Bonz.

Bonz: Wow! That was awesome Gia!

Qin: It sure was!

Me: Boy Troy would be really proud of you Gia.

Gia Moran: Thanks J.D.

Nico: Not only do you have 46+ Years of Rangers and Riders but you also have an amazing voice too.

Gia Moran: Yep.

In den Abendhimmel steigen

Heute Nacht die Zauberweisen

Wildes Volk und Liliths Art

Lauernd Winde heimlich fahrt

Lasst uns zu den Feuern streifen

Raunend nach den Sternen greifen

Gutes und auch böses Wort

Tragen wir heut' fort und fort

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

(Hey yo)

Die Feuer sind entfacht!

(Hey yo)

Folgt dem Reigen, folgt dem Reigen

In der Walpurgisnacht

Ungestüm im Spiel der Geigen

Dreht sich unser nächtlich' Reigen

Und wir treten wild und frei

Diesem alten Zauber bei

Einmal nur im großen Kreise

Tanzen wir auf jene Weise

Bis das erste Morgenlicht

Unser Traumgewebe bricht

In den Weiden werden unsere Träume klingen

Und die Winde werden unsre Lieder singen

Lasst uns mit den Funken übers Feuer springen

In der Walpurgisnacht!

Hört die Geigen, hört die Geigen

Qin: That was cool

Nico: (gets out Bonz's Ridewatch) Time for things to get spooky!

He activated it.

(ICE QUEEN BY WITHIN TEMPTATION PLAYS)

Nico: (SINGING DIVINELY AS ICE, FIRE, LIGHTNING, METAL, WATER AND ENERGY SWIRLED AROUND HIM)

When leaves have fallen and skies turned into grey

The night keeps on closing in on the day

A nightingale sings his song of farewell

You better hide for her freezing hell

On cold wings, she's coming

You better keep moving

For warmth, you'll be longing, nightingale

Come on, just feel it

Don't you see it?

You better believe

When she embraces your heart turns to stone

She comes at night when you are all alone

And when she whispers your blood shall run cold

You better hide before she finds you

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?
The ruins of our world
Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
The ruins of our world
She covers the earth with a breathtaking cloak
The sun awakes and melts it away
The world now opens its eyes and sees
The dawning of a new day
On cold wings she's coming
You better keep moving
For warmth, you'll be longing, nightingale
Come on, just feel it
Don't you see it?
You better believe
Whenever she is raging
She takes all life away
Haven't you seen?
Haven't you seen?
The ruins of our world

Whenever she is raging

She takes all life away

Haven't you seen?

Haven't you seen?

The ruins of our world

Nico floated into the air and scary pitch black wings surging with the intense elements swirled around them and they swirled around him and he fired waves of the elements and they formed into the scary minions of Arthas The Lich King and they hit Another Bonz and she was smashed down!

Me: OH YEAH!

Qin: That was awesome Nico!

Lola: Yeah it was

Nico: (gets out Brainy the Braindead Bison's Ridewatch) Time for Bison action!

Nico activated it and he was acting like a brainless idiot that was dumber than a traffic cone!

Nico: (Stupid talking) Duh what am I supposed to do? Oh right!

He fired waves of energy and they went at me and I deflected them and they hit Another Bonz and knocked her down.

Me: Okay that one is definitely going under the comedy act pile.

Nico got back to normal.

Nico: Whoa!

May: (gets out Django of the Dead's Ridewatch) Don't worry. You won't be dead after this.

Me: Too bad Dias De La Muerto was earlier this month. It would be perfect for that.

She floated and Mexico Skulls were fired at Another Bonz and smashed her down.

Me: YEAH!

Qin: Awesome May!

Me: And you'll like this one. Bonz do you mind?

Bonz: Go for it.

Me: You'll like this.

I merged Hermos with Pumpking The King of Ghosts and it formed into THE GHOST PUMPKIN BOMB SWORD!

Bonz: Cool!

Me: Yep. And here is this.

I activated Bonz's Ridewatch and stuck it on the sword.

Me: Time to unleash the Flowers of Evil!

Should I feel like I do?

I've come to know that I miss your love

While I'm not missing you

We run 'til it's gone
Et les fleurs du mal
Won't let you be
You hold the key to an open door
Will I ever be free?
Les fleurs du mal unfold
Comme les fleurs du mal
Dark demons of my soul
Un amour fatal
Been tryin' hard to fight
Comme les fleurs du mal
Les fleurs du mal inside
Un amour fatal
All my life I've been waiting for
In this perfume of pain
To forget when I needed more
Of love's endless refrain
We live and we pray
Pour les fleurs du mal
I've lost my way
What is done will return again
Will I ever be free?

Les fleurs du mal

Comme les fleurs du mal

Un amour fatal

KRABBBBBOOOOOOOOOOOOMMM!
KRABBBBBBOOOOOOOOOOOMMMMM!

Come now, come by our side

Fireplace where you can hide

We are the sunshine
Rest your soul here and you'll find
We are the energy
We give the world to thee
Hold up your heart now
We will ease pain from your brow
In a world without dangers
When destruction is near
You can come with us here
When the people are strangers
You will rest here with me
In a moment of peace
In a world without dangers
When destruction is near
You can come with us here
When the people are strangers
You will rest here with me
In a moment of peace
Light up the dark below
See through the stars
Reach to the earth's flow
Drift into the joy of our hearts

Unleash the energy

Taste of the wine

Drink as a soul that

Knows now the power divine

In a world without dangers

When destruction is near

You can come with us here

When the people are strangers

You will rest here with me

In a moment of peace

In a world without dangers

When destruction is near

You can come with us here

When the people are strangers

You will rest here with me

She fired waves of red fire and it formed into a massive army of the red dragons and they hit Another Bonz and smashed her down!

Nico: WHOA!

Qin: That was awesome!

Lola: Nice job May!

May: Thanks.

Me: Here's one of my favorites. (ACTIVATES ANGRY SUN'S RIDEWATCH) This is for the awesome journey of Eliza Thornberry and her family.

(FATHER AND DAUGHTER BY PAUL SIMON PLAYS)

Me: (SINGING DIVINELY AS THE SUN AND SPIRITS OF THE ANIMALS APPEARED SWIRLED AROUND ME)

If you ever awake

In the mirror of a bad dream

And for a fraction of a second,

You can't remember where you are

Just open your window

And follow your memories

Upstream

To the meadow in the mountain

Where we counted every falling star

I believe the light that shines on you

Will shine on you forever

(Forever)

And though I can't guarantee there's nothing scary

Hidin' under your bed

I'm gonna

Stand guard

Like the postcard

Of the golden retriever

And never leave

'Til I leave you

With a sweet dream in your head

I'm gonna watch you shine

Gonna watch you grow

Gonna paint a sign

So you always know

As long as one and one is two

---

There could never be a father

Love his daughter more than I love you

Trust your intuition

It's just like going fishin'

You cast your line and

Hope you get a bite

But you don't need to waste your time

Worryin' about the marketplace

Trying to help the human race

Struggling to survive

It's as harsh as night

I'm gonna watch you shine

Gonna watch you grow

Gonna paint a sign

So you always know

As long as one and one is two

---

There could never be a father

Love his daughter more than I love you

I'm gonna watch you shine

Gonna watch you grow

Gonna paint a sign

So you always know

As long as one and one is two

---

There could never be a father

Love his daughter more than I love you

I danced and fired waves of sunlight and spirits and energy and smashed down Another Bonz!

Qin: OH YEAH!

Nico: Paul Simon was great!

Me: He sure was and he still is even after over 50 years.

Qin: Yep.

Another Bonz: Wow! That was awesome and you know Eliza Thornberry?

Me: I sure do. We all do. She and her family go all over the planet and help do her father's Nature Show and Eliza helps Animals all over the world.

Fluttershy: Oh it's absolutely amazing that she and her family have done all that.

Another Bonz: It sure is and I love her fathers show.

Me: So does our friend Tommy Pickles.

Nico: Yep.

Maria: (Gets out 3 Headed Bone Dragon's Ridewatch) No bones about it!

She activated 3 Headed Bone Dragon's Ridewatch.

(ONE NIGHT STAND BY ENRIQUE IGLESIAS PLAYS)

Maria: (SINGING DIVINELY AS WATER AND BONES SWIRLED AROUND HER)

Let me tell you

Jenny's getting dressed up in my room

Puts on her skirt and she's looking good

6 a.m. and she's leaving soon

Says, what a crazy night, I had a real good time

But her kiss tells me it's goodbye

Just like nothing happened last night

But if I had one chance, I'd do it all over again

One-night stand

I don't think she's coming back for more
She was only looking for a one-night stand
I don't think she's coming back for more, no, no
Now I'm left up in my lonely room
She left her underwear and her perfume
I never thought it could be this good
And I still feel her lips upon my fingertips
I'm trying hard not to feel rejected
Maybe the phone line's disconnected
But if I had one chance, I'd do it all over again
One-night stand
I don't think she's coming back for more
She was only looking for a one-night stand
I don't think she's coming back for more
She was only looking
One-night stand
But I'd do it all over again for sure
But baby, like a blind man I rushed in
Now do I have the right to ask you
Will you be coming back again?
One-night stand
I don't think she's coming back

One-night stand

I don't think she's coming back

One-night stand

I don't think she's coming back

One-night stand

I don't think she's coming back for more

She was only looking

One-night stand

I don't think she's coming back for more

She was only looking for a one-night stand

I don't think she's coming back for more

She was only looking for a one-night stand

I don't think she's coming back for more

She was only looking for a one-night stand

But I'd do it all over again for sure

I guess it was a one-night stand

One-night stand

I guess it was a one-night stand

A one-night stand

I guess it was a one-night stand

One-night stand

I guess it was a one-night stand

One-night stand

She floated into the air and fired waves of water and bones and smashed her down.

Nico: That was awesome Maria!

Qin: Yeah it was!

Varie: Time for some awesome action! (ACTIVATES CARLY'S RIDEWATCH) Here's what I would do to the evils of the Negamoon. Only one will stand and the other will fall.

(SHE'S GOT THE POWER BY STAN BUSH PLAYS)

Varie: (SINGING DIVINELY AS MASSIVE FIERY EXPLOSIONS BLASTED OFF ALL OVER THE PLACE UP IN THE SKY AND SHE FLEW INTO AIR)

Sailor Moon

Songs From The Hit Tv Series

She's Got The Power

A crash of thunder

A brilliant flash of light

A battle has begun

And only one will win the fight

Danger in the air

Destroying everything in sight

The time has come to right the wrong

With Prism Power might!

She's got the power

Oh, she's got the power

She's got the power

Yeah, she's got the power

A desperate struggle

The strongest takes it all

The battle rages on

Until the weakest finally fall

A vision fills her heart

And gives her strength that's pure and true

And when it seems that all is lost

She knows what she must do

She's got the power

Oh, she's got the power

She's got the power

Yeah, she's got the power

Varie flew into the air and numerous massive fiery explosions went off all over and she flew at Another Bonz and numerous orange fire meteors flew with her and they were all the charred and burned bodies of all of Sailor Moon's many enemies and then Varie flew up as she got to Another Bonz and then the meteors hit Another Bonz and blasted her all over the place with incredible fire and power and then Varie landed by us.

Me: WHOA! Varie that was awesome!

Camie: Way to go!

Nico: Wow! That was incredible!

Maria: (gets out Zombozo's Ridewatch) Wonder if we can recruit Acid Breath and Thumbskull as well?

Zombozo: It just might be possible.

Qin: Yeah they would be perfect for the M.O.E. or us.

Maria: Yep.

Maria activated the ridewatch.

(LA FRUITE DE LA LUNE BY CHANDEEN PLAYS)

Maria: (SINGING DIVINELY WITH THE DIVINE VOICE OF THE SIRENS AS MOONLIGHT AND SIREN WISPS SWIRLED AROUND HER)

To outer senses there is peace

A dreamy peace on either hand

Deep silence in the shadowy land

Deep silence where the shadows cease

Save for a cry that echoes shrill

From some lone bird disconsolate

A corncrake calling to its mate

The answer from the misty hill

And suddenly the moon withdraws

Her sickle from the lightening skies

And to her sombre cavern flies

Wrapped in a veil of yellow gauze

She floated and fired waves of water and smashed her down.

Me: Whoa!

Qin: Wow! Maria that was incredible!

Nico: That was unbelievable!

Varie: You have the power of the Song of The Sirens. That is a power only mermaids have.

Maria: That is amazing.

Demyx then came and he had his team consisting of Bell Org, Water Core Heartless, the Good Crocker that King Kai told us about, Jinx (League of Legends) and Salvo the Slime.

Nico: Yo, Demyx! Nice team!

Demyx: Thanks guys. Also this is the Crocker we were told about from King Kai.

Me: Wow!

Nico: So you're from the wartorn ravaged world that J.D.'s nightmare warned us about.

Good Crocker: That's right Nico and let me tell you that world is a terrible and horrible place. It was a world torn apart by the evil version of you.

Me: Did you guys kill all the members of the evil versions of us?

Good Crocker: We mostly captured them and stripped them of their powers and banished them to the black gates.

Me: Wow!

Eli: Boy you guys have been busy. How many of them did you face?

Good Crocker: We took down 532,789 of the evil versions of you guys. They had a grand master plan to destroy the entire universe with a massive anti-matter bomb that would make a black hole that was powerful enough to obliterate the entire universe.

We gasped in shock!

Laney: That's horrible!

Another Bonz: I heard all about this evil version of you guys! That is awful!

Nico: But that is completely insane!

Xenia: That evil version of Nico is really a monster!

Qin: Yeah!

Good Crocker: But we have someone working for us on the inside. It's Ben Tennison.

Me: So their version of Ben is a spy.

Good Crocker: That's right. He was appalled by the actions of his team. So he is helping us take them down.

Me: At least that's one thing that will never change about Ben. He has too much honor.

Lola: Yeah.

Nico: Exactly how many of the evil versions of us are dead?

Good Crocker: Admittingly, only 10. Including the Evil J.D. that Evil you overthrew and the Evil King Kai. The rest are in prison so you can decide what to do with them. Including Ultraman, Owlman, and Superwoman.

We gasped!

Me: Holy shit! So Evil Nico killed that Universe's version of King Kai!

Qin: That is awful!

Me: Now it's really personal!

Nico: Big time! But at least this isn't going to be an all out war.

Another Bonz: Yeah.

Me: Ultraman, Owlman and Superwoman of that world are DEFINITELY being put into the M.O.E. and we're going to give the rest of them prison and send Evil Nico to the black gates when we defeat them.

Good Crocker: Great.

Me: I can't believe I'm about to say this but we owe you and the good versions of you guys big time.

Good Crocker: Think nothing of it. Me and my fellow teammates are not like your universes versions of us.

Me: Good.

Another Bonz: That's a relief.

Jean Bison: (gets out Beany the Braindead Bison's Ridewatch) I swear, if I become dumb because of this…

He activated it and fired a massive blast of energy and it hit Another Bonz and smashed her down.

Me: Whoa!

Nico: It didn't make you dumb Jean.

Jean Bison: Thank goodness.

Me: Hmm.

Demyx: Those songs you did guys were all amazing.

Me: Thanks Demyx. Crocker by any chance are ALL the villains we destroyed in the Prime Universe with you all?

Good Crocker: Yes they are. Including Thanos, Voldemort, Opaline, Necrafa and many other major bad guys you all know and despise here.

Me: WHOA! That is a massive twist.

Lola: It sure is. You guys severely weakened the team on your world incredibly well.

Good Crocker: It sure is.

Maria: I hope the next Gene Slammer is near.

?: Someone call!

Then a huge wave of water came and then a huge shell popped out and it was a Blastoise!

Nico: WHOA! Blastoise!

Qin: Awesome!

Me: Wow!

Blastoise: (In a girls voice) Looks like the fun has started!

Nico: Brittany Aquonias! Whoa!

Me: The Awesome Waterpark Builder!? Whoa!

Blastoise: That's right. I got this.

She fired a powerful Water Cannon shot and it hit Another Bonz and knocked her down and I got the ridewatch and purified it. It was for Gia Moran.

Gia: Wow! That's my ridewatch. Cool!

Me: Yeah it sure is!

I went over to Gianna Britteridge and she was a girl with black hair and had blue Amish Clothes on.

I picked her up.

Me: Are you all right?

Gianna Britteridge: (Groans) I have a terrible headache.

Me: But you're back to normal.

I brought her over.

May: I didn't know she was Amish.

Me: She was born in England and later moved to Pennsylvania to become Amish. But she still is a great carpenter.

Qin: Wow!

Lola: Yeah.

Jean Bison: What's your favorite memory of Nico?

Blastoise: I have a lot of them but my favorite was when me and Nico were at one of the waterparks I built and it was called The Splash Hurricane World.

Me: Whoa! That is an amazing Waterpark. It's home to one of the most amazing multilane water slides ever known called THE SUPER TYPHOON MAELSTROM! It has slides named after some of the most catastrophic typhoons ever known over the course of the 21st and 20th Centuries.

Blastoise: That's right.

Lana: Wow!

Lola: That is awesome!

Blastoise: And I heard you guys built your own waterpark.

Me: We sure did. It's Phoenix Land's water park.

Qin: Yeah it's awesome.

Me: Yep.

Blastoise: Can you guys revert me back? But I'm naked.

Nicole: Oh boy.

Me: Sure thing.

I had Rainbow Dash hold on to Gianna and I put on my blind man glasses.

Nicole: If any of you guys look at her naked I will kill you!

The boys covered their eyes and I snapped my fingers and she reverted back and Brittany was a girl with blue hair and blue eyes and Maria and the fashion brigade gave her new blue clothes.

Brittany Aquonias: Wow! I love this outfit.

Maria: Thanks. We make all sorts of great clothes for gene-slammers.

Qin: They sure do.

Nico and Brittany hugged.

Nico: I really missed you Brittany.

Brittany Aquonias: Me too Nico. Me too.

Me: Also do you have a massive hatred over the Digimon Emperor?

Brittany Aquonias: I sure do and I will kill him if I see him!

Nico: Like I told Venicia, I've chosen to move on from my demons involving the Digimon Emperor. You should probably do the same.

Brittany Aquonias: Oh you're right Nico.

Me: Besides he is in our prison at the estate and he will rot there.

Brittany Aquonias: Good.

But, we're also going to take down the parents of Nate Krenshikov, who are out for revenge on Luna for what happened to their heartless son, and after the news of Nate Krenshikov's death hit them, they were now out for blood and they won't stop until they'd gotten revenge, but we're going to make those bad parents pay, and they'll have some thugs with them as well for added back-up. When we arrived on Leron, our auras flared up extremely as we were gaining an astronomical power boost.

Lincoln: Whoa, this is one awesome fire and lightning planet. Hey, Ebonwu Lincoln, what is this place?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know this planet all too well, Lincoln, this is Leron, another planet in the Omega Quadrant that I've gone to eons ago.

Nico: Whoa, and I can guess you also trained there, right?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third

Eye Iris) I trained on many different planets with extreme temperatures and climate, Nico, and the gravity on the various planets I'd gone to are 500,000,000,000 times more powerful than in the Hyperbolic Time Chamber, and my body has adjusted to the kinds of climates there.

Me: Damn, you sure are one tough guy to handle those kinds of planets.

Lincoln: He sure is, and so are all of us, and I know what we're going to do here, not only am I going to rescue the two girls here, but Lola and Lisa are going to get two powerful treasures there: two powerful greatswords called The Draconic Phoenix Firestorm Greatsword of Gabja and The Lightning Tech Archangel Greatsword of Hephaestus.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) That's right, and only only Lola and Lisa can wield these two powerful greatswords because Lola got her powers from Gabja and Lisa got her powers from Hephaestus, and we're also going to take down the parents of Nate Krenshikov, who are out for revenge on Luna for what happened to their heartless son, and after the news of Nate Krenshikov's death hit them, they were now out for blood and they won't stop until they'd gotten revenge, but we're going to make those bad parents pay, and they'll have some thugs with them as well for added back-up.

Luna: What?! But, I thought those two were still in prison after Nate Krenshikov got expelled and sent to prison.

Nico: So, we now got Nate Krenshikov's evil parents to stop, yikes.

Lincoln: And I should tell you this bit of information: Luna was right saying that those two were still in prison after Nate Krenshikov got expelled and sent to prison, because just like Tyler Corso's parents, Nate Krenshikov's parents were nothing more than criminals and thugs, and they got a nasty criminal history.

Lincoln took out another massive black book, and inside it was a massive litany of crimes that Nate Krenshikov's parents had done over the years: in Russia, Nate Krenshikov, along with his parents once worked with The Russian Mafia, and they murdered hundreds of innocent people in Russia, and in Royal Woods, they also had broken into a lot of homes Royal Woods and murdered a lot of people after robbing them, they also threw bombs into public buildings which exploded and destroyed them, they also robbed banks all over Royal Woods, and they've also escaped from prison multiple times.

Nico: Holy crap, those two are really nasty pieces of work, just like Nate Krenshikov.

Lincoln: That's only half of what they've done, Nico, they also tried to kidnap and murder Luna, but Nicholette Torrington and the Dark World Goth Girls charged in and pulverized them badly, and that sent them on the run before the cops could arrest them.

We gasped.

Me: Why, that stupid asshole, I can't believe he and his parents tried to… !

Nicholette Torrington: Yeah, and this was on the day he got expelled. But, before he could be taken to jail, his parents charged in and they beat up the cops and they escaped, and they plotted to kidnap and murder Luna.

Luna: He was always nothing but a racist jerk and murderous scumbag, and so were his parents, dude. Eventually, Nate Krenshikov and his parents were caught, and while Nate Krenshikov got sent to Ionia Correctional Facility for life, his parents got sent to San Quentin and they got another life sentence added to their nine life sentences without parole.

Nico: What a bunch of monsters.

Lincoln: Yep, and after the news hit of Nate Krenshikov's death and banishment to The Black Gates, his evil parents heard the news and they went ballistic, they broke out of prison and they also got help from some thugs they've known in San Quentin, and many of them are on Death Row for Capital Murder, so, they'll be getting their death sentences early, and thanks for joining us, Emma Goodall, Mokuro, Nerri the Willow Maiden, Neytiri, Sakuya Tachibana, and Rin.

Emma Goodall: You're welcome, Lincoln. So, where do we go to find The Draconic Phoenix Firestorm Greatsword of Gabja and The Lightning Tech Archangel Greatsword of Hephaestus?

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) I know exactly where to find them, Emma, but we also need to keep on guard, those thugs that Nate Krenshikov's parents got with them are here.

We travelled through the fiery planet, and Lincoln also picked up on the trails of the thugs through energy signals, and we saw them, they were all big muscular thugs who look like they've spent their lives in the prison yard and dressed in prison jumpsuits and they're all over the place on orders from Tyler Corso's parents to kill them, but Lincoln was ready for them as the tips of his eleven long white wolf tails turned into Cell's stingers and we're launching an ambush on the thugs.

Thug 1: Where the hell are they?! They're supposed to be here!

We saw they were getting impatient and this was exactly what Lincoln was looking for: as one of the thugs turned his back, Lincoln grabbed and pinned his arms to his back and as he stabbed his stinger into the thug's chest, he began draining and absorbing the thug and his energy into him, and when Lincoln was done, nothing was left of the thug except for his prison jumpsuit. Then, Lincoln did the same thing to the other thugs stabbing his stingers into the remaining thugs' chests and draining and absorbing the thugs and their energy into him, and when Lincoln was done, nothing was left of them except for their prison jumpsuits, and the stingers changed back. Then, energy cards with the thugs' souls imprisoned inside appear from light beams from Lincoln's cutie mark, and when the Judgement Kanji appeared on their foreheads, they were sent to The Black Gates.

Lincoln: That takes care of the thugs, now to get to the shrine here on the planet, and then, we can get after Nate Krenshikov's parents and send them off to jail.

Trunks: But, not before we give them the beating of a lifetime for all the crimes they've committed, and what they tried to do in trying to kidnap and murder Luna for Nate's expulsion.

We continued on and we arrived at a shrine, and then, the rainbow iris of Lincoln's Third Eye glowed, and the doors opened and we entered, and we saw two massive greatswords floating in the center and with light shining down on them: The Draconic Phoenix Firestorm Greatsword of Gabja, a massive greatsword with glowing neon red gems embedded in the 7'0" massive, wide, double-edged blade, large crimson red dragon heads for the crossguard, large neon red gem embedded in the rainguard, longer midnight black handle, four large red phoenix heads and a large neon red gem on the bottom of the phoenix heads for the pommel, and The Lightning Tech Archangel Greatsword of Hephaestus, a massive greatsword with light green gems embedded in the 7'0" massive, wide, double-edged light green blade, large light green angel heads for the crossguard, large light green gem embedded in the rainguard, longer midnight black handle, four large light green angel heads and a large light green gem on the bottom of the angel heads for the pommel.

Rarity: My word, so that's the… !

Lincoln: The Draconic Phoenix Firestorm Greatsword of Gabja and The Lightning Tech Archangel Greatsword of Hephaestus, those two massive greatswords are indeed works of art.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) And there's something else to this shrine: I built this shrine here in honor of my world's Lola and Lisa who I lost.

Lola 2: (Through the Rainbow Phoenix on Lola's forehead) So, you built this shrine in honor of me and Lisa? That's so sweet of you, Linky.

Lisa 2: (Through the Rainbow Tech Angel on Lisa's forehead) Just like with our sisters from our world.

Lincoln 2: (Through the Rainbow Thunderbird and Rainbow Third Eye Iris) Thanks, Lola and Lisa.

Suddenly, we saw Battle Ax Vladitor, Omega Leonidas, and Gobbleygourd, the Turkey Thanksgiving-themed monster from My Singing Monsters, heading for us, and with them are the two girls.

Nico: Whoa, that's Battle Ax Vladitor, Omega Leonidas, and that's Gobbleygourd, the Thanksgiving-themed turkey monster from My Singing Monsters.

Luna: Whoa, the last two Bakugan Battle Slammers and a Gene-Slammer for the Thanksgiving-themed turkey from My Singing Monsters, nice.

Battle Ax Vladitor: (Girl's voice) We managed to get the two girls away from Nate Krenshikov's parents.

Omega Leonidas: (Girl's voice) And it wasn't easy, they were literally out for blood.

Gobbleygourd: (Girl's voice) And they still wanted Luna's head on a pike.

Lincoln: (Gasps) Those three voices, Madison Darkblazer, Leona Elementaldraco, and Amelia Bradford, it's awesome to see you again, but we'll talk later, I know that Mr. and Mrs. Krenshikov are already heading right for us.

?: (Russian Accent) WE WILL HAVE OUR REVENGE ON YOU FOR WHAT YOU DID TO OUR SON, STUPID LOUDS!

Lincoln: Yep, there's no mistaking those voices from anywhere. Don't you know when to stay locked up for good, Mr. and Mrs. Krenshikov.

We then saw our targets, Mr. and Mrs. Krenshikov, who are still dressed in red prison jumpsuits from San Quentin, and they were still extremely pissed.

Luna: I should've known we'd run into you pieces of work again, Mr. and Mrs. Krenshikov.

Mr. Krenshikov: (Russian Accent) You ruined our chances to get revenge on you for throwing our son in prison after you got him expelled, if you hadn't gotten in the way, you and all your siblings would be dead!

Mrs. Krenshikov: (Russian Accent) And now, we will have our revenge on you for what you did in killing our son!

Lincoln: Why don't you two shut up?! Your son's caused nothing but trouble for what he in bullying and trying to kill Luna, and everyone at high school, not to mention abusing Sam, and his heartless attitude and sadistic nature were the two things that did him in, and he, along with Belle Muldoon, Tyler Corso, and The Black Daffodil Gang deserved to die for all of their crimes since they were truly irredeemable, and the apple didn't fall far from the tree since you two were also just as bad as your son.

Lola: Big time, and now, we're going to make you two miserable clods pay for your crimes.

Lisa: You miserable Neanderthals are spending your life sentences in a brand-new prison for the remainder of your days, and we're not going to show you two any mercy for what you tried to do to Lori and all of us, and what your evil son did in bullying and trying to kill Luna.

Lola grabbed The Draconic Phoenix Firestorm Greatsword of Gabja and Lisa grabbed The Lightning Tech Archangel Greatsword of Hephaestus. Suddenly, Lola and Lisa's eyes turned neon blue and neon green, and they were surrounded by a rainbow energy aura with orange flames, rainbow flames, dragons, and phoenixes, and a rainbow energy aura with rainbow lightning, gears, tech angels, and tech, they unholstered their massive greatswords from their backs, and as they approached Mr. and Mrs. Krenshikov, they left orange flames, rainbow flames, dragons, phoenixes, rainbow lightning, gears, tech angels, and tech with every step.

Lola: You rotten monsters really make us sick to our stomach, as if what your son did in bullying and trying to kill Luna and abusing Sam wasn't bad enough.

Lisa: But, to try and get revenge on Luna and killing us as well for what your psychopathic son had done, that's just going too far.

Lola and Lisa: Those are indeed unforgivable crimes, and for that, you two are heading right back to prison where you will stay there until the day you die.

Suddenly, Lola was surrounded by a massive vortex of rainbow energy with orange and rainbow flames surrounding the vortex, there are dragons and phoenixes flying around the vortex, and in the vortex is a pink phoenix, and Lisa was surrounded by a massive vortex of rainbow energy with rainbow lightning, gears, and tech surrounding the vortex, there are tech angels flying around the vortex, and in the vortex is a light green phoenix. Then, as the vortexes fade, Lola and Lisa emerged, but they were changed forever.

We were amazed by the Super Angel Celestial Eternal Xelnaga transformations of Lola and Lisa, but when Mr. and Mrs. Krenshikov saw it, they went bat shit insane and tried to rush at them to kill them, but Lola and Lisa fired powerful blasts of rainbow energy, orange flames, rainbow flames, phoenixes, rainbow lightning, gears, tech angels, and tech, and they hit Mr. and Mrs. Krenshikov and that caused them to fly out of the shrine, and they were now extremely pissed off.

Lincoln: Whoa, now Lola and Lisa are now the next of our family to transform, so awesome!

Lily: And the parents of Nate Krenshikov are so in for the biggest butt-kicking of a lifetime for all of the things they've done.

Lincoln: Alright, now we're finally rid of Mr. and Mrs. Krenshikov for good, and they're heading right back to prison for good.

Luna: You got that right, Lincoln, and I can't wait to tell Sam the news that we got Nate Krenshikov's parents arrested again and sent right back to prison. After all the crud Nate's done to her and me, it's only fair.

Lincoln: And wait until her parents also hear the news as well, they're going to be cheering like crazy. (To Madison Darkblazer, Leona Elementaldraco, and Amelia Bradford) And it's so good to see you all again, Madison Darkblazer, Leona Elementaldraco, and Amelia Bradford.

Leona Elementaldraco: You too, Lincoln.

Amelia Bradford: Indeed, it's been a long time.

Madison Darkblazer: Yeah, and it's also good to see you, Riley, Mana, Shana, Julia, and Amelia again, Daria.

Daria Kuso, Riley Misaki, Mana Marukura, Shana Kazami, Julia Makimoto, and Amelia Gehabich: You too, Madison and Leona.

Lincoln went up to Madison Darkblazer, Leona Elementaldraco, and Amelia Bradford and he hugged them, and Madison Darkblazer, Leona Elementaldraco, and Amelia Bradford were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his deeper manly voice and seeing the eleven massive and long white wolf tails and other accessories.

Lincoln: It sure has been a long time, I haven't seen you three since you were eleven, and as you can see, I really grew a lot since then.

Madison Darkblazer: Whoa, you sure have really grown very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the eleven massive and long white wolf tails, that's really new.

Leona Elementaldraco: And you've also really grown so much bigger in muscle, you can land an airplane on that more wider and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Amelia Bradford: We knew how much you've grown a lot in both height and muscle mass, but this is really jaw-dropping.

Nico: Wow, Lincoln, you know these three girls?

Lincoln: Indeed I do, Nico, the Battle Ax Vladitor Gene-Slammer is Madison Darkblazer, she's my Guardian Angel from Japan and classmate in Cooking, she's a Darkus Bakugan Brawler and part of the Bakugan Battle Slammers, and like the Bakugan Battle Brawlers, she's a capable Bakugan Brawler, and the Omega Leonidas Gene-Slammer is Leona Elementaldraco, she's my Guardian Angel from Japan and classmate in Algebra, and you're going to be surprised at this one: she's a Bakugan Brawler of the Six Elemental Attributes: Pyrus, Aquos, Haos, Ventus, Subterra, and Darkus, and like the Bakugan Battle Brawlers, she's a capable Bakugan Brawler. They, along with the other Bakugan Battle Slammers moved to Michigan from Japan when they were eight and they would often play together with me.

Nico: Wow, so we've now met the last two Bakugan Battle Slammers, awesome.

Lincoln: Yep, and the Gobbleygoud Gene-Slammer is Amelia Bradford, she's my Guardian Angel from Massachusetts, she's a great Thanksgiving cook and makes all kinds of awesome foods and more, and she also HATES FLIP with a merciless vengeance and wants nothing more than to kill him.

Me: Should've known. (Sees the ring) Wait, that ring and the last name Bradford, Lincoln, is she…?!

Lincoln: I was hoping you'd ask that, J.D., brace yourselves for this big revelation: Amelia Bradford is a Pilgrim Descendant of William Bradford, one of the pilgrims that landed in America in 1621.

My jaw dropped and Nico helped it back into place.

Nico: Whoa, so she's the descendant of William Bradford, awesome, and J.D.'s also a descendant of William Bradford.

Me: He's right. Look.

I showed Amelia Bradford the ring of William Bradford.

Amelia Bradford: William Bradford's ring, there's no doubt about it. I also have the same ring too.

She showed us the ring of William Bradford, and it confirmed it: she's the descendant of William Bradford.

Me: And there's also something you should know about Amelia, Lincoln: since she and I are the descendants of William Bradford, that made her my distant ancestral cousin.

Lincoln: (Gasps) Whoa, now that's a huge revelation.

Eli: Which means once you get married to Amelia in the future, you'll be related to J.D., Lincoln.

Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily gasped in awe.

Lori: That's literally amazing!

Luna: Dude, this'll mean J.D.'s going to be your cousin-in-law in the future.

Lincoln: Our cousin-in-law and brother, Luna.

Nico: Wow. So, Lincoln, do Madison and Leona have any sort of relation to any of The Bakugan Battle Brawlers?

Lincoln: Not exactly, Nico, Madison Darkblazer's the twin sister of Misako, and Leona Elementaldraco's the twin sister of Kyoko.

Me: Whoa, so that means they're also awesome fighters as well.

Kyoko: That's right, and it's so good to see you again, Leona.

Misako: Same with you, Madison.

Madison Darkblazer and Leona Elementaldraco: You too, Kyoko and Misako.

Eli: And since today's Thanksgiving, this is quite an amazing family reunion.

Leona Elementaldraco: Yep. Oh, and I don't know if we should tell you this, but…

?: Leona, were you about to tell them of another secret about Lincoln?

Suddenly, we saw Battle Ax Vladitor and Omega Leonidas, two Darkus Bakugan appear on Lincoln's left and right shoulders, along with Omega Leonidas' cousins of Pyrus, Haos, Aquos, Ventus, and Subterra.

Dragonoid: Vladitor and Leonidas, it's been a long time since we last met.

Omega Leonidas: Indeed, Drago, it's good to see you, Tigrerra, Preyas, Skyress, Gorem, Hydranoid, and Dan and his friends again.

Battle Ax Vladitor: And it's an honor to meet all of Team Loud Phoenix Storm.

Nico: You too, Omega Leonidas and Battle Ax Vladitor. So, what's this other story about Lincoln that Leona was about to share?

Omega Leonidas: Allow us to explain: during a meeting that Daria and the other Bakugan Battle Slammers had, Leona decided it was time to give Lincoln a Guardian Bakugan of his own.

Battle Ax Vladitor: But, they weren't alone, Apollonia Apollonir, Alina Lion, Beverly Frosch, Ashley Clayf, Aethra Oberus, and Lilith Exedra, along with Apollonir, Lars Lion, Frosch, Clayf, Oberus, and Exedra were with the Bakugan Battle Slammers.

Apollonia Apollonir: Wait, I remember that day all too well. That's right, Daria and the others had decided on getting Lincoln a Guardian Bakugan, and we had two Bakugan that would be perfect for Lincoln: and that's when Exedra had brought out Battle Ax Vladitor and Omega Leonidas, two very powerful Darkus Bakugan, but they'd be perfect for Lincoln since he has a pure heart.

Exedra: That's right. But, what we didn't know was that Leonidas would also bring in his cousins of Pyrus, Haos, Subterra, Ventus, and Aquos, and they would also be perfect for Lincoln, since he also has many elemental powers.

Oberus: So, with their plan set in place, The Legendary Bakugan Gene-Slammers and The Bakugan Battle Slammers went to The Loud House the next day, and they surprised Lincoln by giving him his own Guardian Bakugan: Darkus Battle Ax Vladitor and Darkus Omega Leonidas, along with Leonidas' elemental cousins. He was indeed quite surprised, but I didn't forget the tears of happiness he had, and he went up to The Legendary Bakugan Gene-Slammers and The Bakugan Battle Slammers and kissed them, and that's what also led to them going to the lake and where he kissed each of them underwater.

We were stunned.

Nico: Whoa, now we have another story from Lincoln's past, and this also means that Lincoln's been a Bakugan Battle Brawler of Six Attributes before we even met.

Me: But, this isn't a surprise since you, along with Luna, Laney, Lucy, Lana, and Lily were introduced to the Bakugan long ago when you met Apollonir, Lars Lion, Frosch, Clayf, Oberus, and Exedra long ago.

Lincoln: Yep, that's right, and my Guardian Bakugan were okay with hanging with Luna, Laney, Lana, Lucy, and Lily, but we've had problems with Lori, Lynn, Lola, Lisa, and Luan, and we had to keep them away, since we had keep up our vow we made to keep the Bakugan a secret, especially from them.

Omega Leonidas: That's right. But, in the end, Lincoln told us that Lori, Lynn, Lola, Lisa, and Luan were rid of their Dark Sides forever, and the same went with him, Luna, Laney, Lucy, Lana, and Lily.

Battle Ax Vladitor: Thank goodness, and once that happened, Lincoln wanted to wait for the right moment to introduce us all, namely when he's reunited with both The Legendary Bakugan Gene-Slammers and The Bakugan Battle Slammers.

Pyrus, Haos, Subterra, Ventus, and Aquos Omega Leonidas: So, what did you think?

Me: That was a really awesome and epic story, wow!

Nico: This is something everyone's going to hear when we head back home!

Madison Darkblazer: Yep, and we also have a story on how me and Leona took down Lori, Lynn, Lola, Lisa, Luan, Chandler, Hawk and Hank, Pablo, and Anderson and how we stopped them from trying to kill Lincoln, and we also had the other Bakugan Battle Slammers with us, along with The Legendary Bakugan Gene-Slammers.

Nico: Oh, now this is one story we're really going to enjoy hearing.

Leona Elementaldraco: This is indeed something you guys are going to like hearing. (To Lincoln) And Lincoln, there's something Madison, Amelia, and I want to give you: we want to give you our blood.

We gasped at her request, including Lincoln.

Lincoln: Leona, Madison, Amelia, are you absolutely sure about this?

Amelia Bradford: (Smiles) More than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Amelia Bradford, Madison Darkblazer, and Leona Elementaldraco, and he saw that they're really serious, and he smiled as he walks over to Amelia Bradford first, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, then, he went up to Madison Darkblazer, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up again as he gained another massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up, and finally, he went up to Leona Elementaldraco, and he hugged her waist in his abnormally massive and powerful muscular arms, he slowly leaned his head down to her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up again as he gained another massive power boost and he also gained the very same powers as her. He slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Madison Darkblazer, Leona Elementaldraco, and Amelia Bradford with colored gems on the gold lightning bolts and crystals links from their merged Crystal

Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Amelia Bradford: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amelia, and the same goes with you and Leona, Madison, since your twin sisters are also part of my harem and my many future wives.

Amelia Bradford, Madison Darkblazer, and Leona Elementaldraco had a smile on her face and tears in her eyes, as Lincoln still had his abnormally massive and powerful muscular arms around Amelia Bradford's waist and she wrapped her arms around Lincoln's wider and muscular back, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and he did the same thing with Madison Darkblazer and Leona Elementaldraco, and we cheered for them. Then, we went up to the two girls, and when Lincoln saw them, he recognized them immediately. The two girls are Ilie and Carla from Cagaster of an Insect Cage.

Lincoln: Oh wow, it's Ilie and Carla from Cagaster of an Insect Cage.

Nicole: Awesome.

Lincoln: Are you girls okay?

Ilie: Yes, we're okay, thanks to you.

Then, when Ilie and Carla saw who it was that saved them from Nate Krenshikov's parents, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome, bare-chested hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive and wide left pec and it's surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his wider and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Vampire-Werewolf Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

He had his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and large gold Elemental Shield of Harmony holstered on his wider and muscular back, his large orange Crystal Saber, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his left hip, his Eater of Sins revolver and Elemental Universal Thunderbird hand-cannon Blaster holstered on his right hip, the Pisces the Fish constellation and Aquarius Zodiac sign on the back of his neck and the Cygnus the Swan constellation and embedded Stone of Gelel on the back of his massive left hand, large weighted gold bands on his massive biceps and thighs with silver phoenixes on them, large gold cuff Bracelets of The Champions of the Universe with large orange gems on his large wrists, massive indestructible white angel wings with stars and orange and aurora-colored tips on the large white feathers and eleven massive and long powerful white wolf tails, and he was dressed in an orange version of He-Man 2002's loincloth with hanging silver lightning bolts and long orange trenchcoat coattails with elemental forces, Thunderbirds, Phoenixes, Angels, and Buffalo on them which were glowing neon orange and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails held up by his large gold Belt of Elemental Bravery with a large golden buffalo head with orange gems for eyes and a large orange gem in its mouth for the belt buckle on his waist, large royal blue pants with multicolored lightning bolts on the thighs, and large gold-armored boots with gold lightning bolts surrounded by a circle of smaller gold lightning bolts and gold armor on the toe area, silver Buffalo head stud earrings with the Thunderbird carved on it and the Element and Eternity Kanjis on the heads, large Thunderbird Necklace of Eternal Love with colored gems on the gold lightning bolts and orange crystals from his merged large Crystal Necklace of

The Buddha with a large Element of Harmony deep sapphire blue gem in the center in the shape of a Thunderbird and a large silver Buffalo head with the Thunderbird carved on it and the Element and Eternity Kanjis on its head for the pendant on his bare chest, large fingerless orange gloves with the symbol of The Loud House on it and surrounded in a diamond formation are a Phoenix, Thunderbird, Buffalo, and Angel, large Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on his left ring finger which also merged with his Orange Buffalo Animal Spirit Ring, large Blue Lantern ring on his right ring finger and small planets orbiting around his fingers like rings, he had nine large multi-colored orbs orbiting around his legs and circling around his feet on the floor are eight golden crosses with angelic runes.

Ilie: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Then, Lincoln made a clone of himself, and he and his clone went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Ilie: (Seductively and rubs her right hand on Lincoln's massive and wide right pec) You too, big, tall, muscular, and handsome.

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ilie and Carla with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and Lincoln told everyone that Lola and Lisa had gotten The Draconic Phoenix Firestorm Greatsword of Gabja and The Lightning Tech Archangel Greatsword of Hephaestus, the treasure that was located on Leron, and the team was shocked when they found out the villains we went after were the parents of Nate Krenshikov, who escaped from prison and were all out for revenge on Luna for what happened to their heartless son.

But, when Lincoln showed what happened such as Lola and Lisa transforming into their Celestial Eternal Xelnaga forms and that they along with all of us laid a brutal beatdown on those two monster parents that he, Lola, and Lisa delivered the blows that knocked them out and we had them put into a police wagon bound for their new prison home in The Uranus Prison, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Madison Darkblazer, Leona Elementaldraco, and Amelia Bradford have a lot of catching up to do now that they're back in town.

Plus, when everyone had heard about Amelia Bradford being another descendant of William Bradford, along with Lincoln being a Bakugan Battle Brawler of the Six Attributes, and also being introduced to his Guardian Bakugan: Darkus Battle Ax Vladitor and Darkus Omega Leonidas, along with Pyrus Omega Leonidas, Haos Omega Leonidas, Aquos Omega Leonidas, Subterra Omega Leonidas, and Ventus Omega Leonidas, they were literally stunned and shocked with awe.

Maria: Whoa, now that's really awesome! First, we find out Amelia Bradford's also the descendant of William Bradford, now we also find out that Lincoln's been a Bakugan Battle Brawler of the Six Attributes long ago before we even met, and he has his own Guardian Bakugan?! This is really quite a double revelation.

Lincoln: That's right, and you guys also saw another story about me.

Me: Which was really incredible.

Nico: And really interesting as well.

---

After throwing Mr. and Mrs. Krenshikov in prison and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and Nico, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and I were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Madison Darkblazer, Leona Elementaldraco, and Amelia Bradford saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 10,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their nose were bleeding.

Madison Darkblazer: Whoa, we were right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 10,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years.

Leona Elementaldraco: And Daria and the others were right, if anyone tried to mess with him now, they were in for a world of hurt and trouble.

Amelia Bradford: He's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Madison Darkblazer: That's incredible, and I'd already known how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and

I'm so proud of how much stronger you've gotten, and just how much bigger you've gotten in muscle mass, and you've also been getting smarter as well.

Nico: You got that right. So, Madison, Leona, what's the story on how you girls, along with the added assistance of the other Bakugan Battle Slammers and the Legendary Bakugan Gene-Slammers had single-handedly stopped the deadly coalition of Lori, Lynn, Lola, Lisa, Luan, Chandler, Hawk and Hank, Pablo, and Anderson from trying to kill Lincoln?

Madison Darkblazer: You're not going to like it one bit. One day, Leona and I were walking back home with Lincoln, and with us were Daria, Riley, Julia, Mana, Shana, Amelia, Apollonia, Beverly, Alina, Ashley, Aethra, and Lilith, we'd just got done with having some fun at Gus' Games and Grub, but then, we heard the sounds of enraged screaming in the air, and we saw ten figures heading right for us with murder and insanity in their eyes: they were Lori, Lynn, Lola, Lisa, Luan, Chandler, Hawk and Hank, Pablo, and Anderson, and they also had knives and machetes in their hands and they were going to kill Lincoln yet again. But, we weren't going to let them, and we all charged at them and we brutally pulverized them, and they had no chance against us since it was fifteen against ten. When we were done, Lori, Lynn, Lola, Lisa, Luan, Chandler, Hawk and Hank, Pablo, and Anderson were on the ground with their teeth knocked out of their mouths, bloody noses, black eyes, broken arms and legs, and tied up by Lincoln like the animals they were. We then called the cops who then took Hawk, Hank, Chandler, Pablo, and Anderson to jail since we wanted charges pressed against them, but as for Lori, Lynn, Lola, Lisa, and Luan, we called Mr. and Mrs. Loud, and we told them of what their five despicable daughters tried to do to Lincoln again, and when they found out they also allied with Hawk, Hank, Chandler, Pablo, and Anderson for this dirty deed, they were furious. Lori, Lynn, Lola, Lisa, and Luan got grounded for nineteen whole weeks, and Leni, Lucy, Lana, Lily, and Luna threw the five bad sisters into cages in their rooms with Chinese finger traps on their fingers and wrapped up in straitjackets.

Leona Elementaldraco: And we found out from Nicholette Torrington that Lori, Lynn, Lola, Lisa, and Luan were the ones who called

Chandler, Hawk, Hank, Pablo, and Anderson together, and they all wanted Lincoln to suffer and die, along with his friends, the rest of the sisters, his future wives, and Guardian Angels. After we had Chandler, Hawk, Hank, Pablo, and Anderson sent back to prison and had Lori, Lynn, Lola, Lisa, and Luan thrown in cages, we'd called Nicholette and told her Lincoln was safe, but he was really horrified that Lori, Lynn, Lola, Lisa, and Luan not only wanted him to suffer and die again by their hands, but to find out they also allied with Chandler, Hawk, Hank, Pablo, and Anderson to kill him, along with his friends, the rest of the sisters, his future wives, and Guardian Angels, he was left with horrible nightmares and he would never talk to those five during their huge punishment.

We were horrified.

Nico: Of all the inconsiderate and selfish things Lori, Lynn, Lola, Lisa, and Luan tried to do to murder Lincoln after making him suffer, this is the worst!

Me: But, you all saved his life, however that wasn't the end of the story. They had to spend the night with Lincoln, since he was suffering from nightmares of their betrayal, and it would take time, but the mental and emotional scars were eventually healed, and Lori, Lynn, Lola, Lisa, and Luan apologized, and it did come from their hearts.

Nico: That's better.

Me: But, Nicholette also swore if Lori ever did this again, she was going to sever all ties with her and the next time she saw Lori, she was going to kill her.

Nicholette Torrington: I may be friends with Lori, but I'm also Lincoln's Guardian Angel, and I swore if I ever saw Lori trying to turn everyone against Lincoln so that she can kill him for her selfishness and bloodlust, not only was I going to sever all ties with her, but I swore I was going to kill her, and many of the Guardian Angels who were friends with Lynn, Lola, Lisa, and Luan were also willing to sever the ties with them as well if they also were trying to turn everyone against Lincoln so they can kill them for their selfishness and bloodlust.

Clara St. Clarice: And those five won't have anyone protecting them anymore since we also know the consequences of their misdeeds: disowned forever, losing their boyfriends and friends, their futures ruined, and driven mad by revenge and bloodlust and forever given into their Dark Sides, and in the future: by finding out they'd allied with any dangerous villains, we'd have the ultimate reason to put an end to Lori, Lynn, Lola, Lisa, and Luan's rampage and exact vicious payback for all the crap they'd done.

Eli: Yikes.

Lincoln: And Clara was serious about it, Eli. Plus, now that we know that Team Loud Evil Storm only has the evil versions of Nico, May, Maria, Ben, Optimus, William, and Danny, and the rest were killed or captured and rotting away in prison forever, we'll be ready for them.

Nicole: But, like King Kai said, they may not be as powerful as us, they're still pure evil to the core.

Lincoln: In other words, they're a disease and we're the cure.

Nicole: (Smirks) Knew you'd use one of the one-liners for that one, Lincoln, but you got that right.

Nico: Yeah, Team Loud Evil Storm's a disease on their world, and we, along with The Resistance, will be the cure that wipes out their evil for all eternity.

We got a shower afterwards, and then, Clyde and his harem were at the kitchen and they're going to get started on making Thanksgiving dinner, and they were dressed in chef's clothing.

Clyde: Alright, girls, it's time for Operation: Thanksgiving Feast.

Syd Chang: Yeah, we've been given the task of cooking Thanksgiving dinner for everyone, and Lincoln was the one who gave us this task.

Wairu the Supreme Kai Berserker: This is going to be one amazing Thanksgiving no one will ever forget. By the way, Clyde, what about the others?

Clyde: Oh, they'll be at Lynn's Table humiliating the jerks again, and we'll also hear their screams of pain and rage.

Suddenly, they heard Flip screaming in pain and anger.

Syd Chang: Uh oh.

Clyde: Sounds like Lincoln's gotten in first shot at Flip, and I'm not surprised if he electrocuted Flip with infinite bolts of lightning.

Clyde and his harem got to work in preparing the Thanksgiving dinner: Syd and Chloe got started on seasoning and preparing the turkey, Scorpia and Cat-Ra were busy making mashed potatoes and gravy to go along with it, Frida was making Mac and Cheese Bites, but she had to be careful because Clyde did say the smell of Mac and Cheese Bites would cause Lincoln to go into Zombie Mode and he will come after them, Berry in the Big City Strawberry Shortcake and her friends were making some delicious desserts, such as Pumpkin Pie, Apple Pie, and Pecan Pie, Cheryl was in charge of making the cranberry sauce, Sailor Mercury was in charge of making the other side dishes for the dinner, and the others were also helping out in setting up the table and putting out decorations to make it perfect for Thanksgiving.

Meanwhile, the rest of us were at Lynn's Table really giving it to the jerks.

Lincoln: You've had this coming for a long time, you jerks. HUMILIATION ELEMENT STYLE NINJA ART: LOBSTERS IN THE PANTS!

Me and Nico held the pants of the jerks and Lincoln fired lobsters into them, and the jerks were really screaming as they were being pinched all over the place, and when they pinched them in the crotch, they sang like opera singer, and more gold bars and jewels came pouring out of them.

Nico: Hey, hey, one of you guys is flat!

Me: They're all flat, Nico, I think it's time to correct that. Wakko?

Wakko gave me and Nico a mallet, and we snuck up behind each of the jerks, and then, we struck.

BONK!

We whacked Flip, Lewis Travolta, Pablo, Anderson, Icky Vicky, Amy, and Bubble Bass on the head and they had a lump on their heads, and more gold and jewels came out of them.

Wakko: Nice one, boys. Now, to deal with you, Amy.

Wakko fired sapphire blue energy blasts and sapphire blue fire, and he threw bombs and other heavy objects at Amy, and they exploded and more gold coins and jewels came out of Amy, and he got out his mallet and whacked Amy hard on the head, and she got another lump on her head and more gold coins and jewels came out of her.

Amy: I'LL FUCKING KILL ALL OF YOU!

Lincoln: Ah, shaddup!

Lincoln fired a rainbow energy blast which slashed at Amy's eyes.

Me: Classic line from Foghorn Leghorn and Sylvester.

Sailor Mercury: Oh man, whatever's happening down at Lynn's Table, it's getting pretty wild.

Lincoln: Alright, girls, let's rip these jerks to shreds!

Lincoln's Guardian Angels: YEAH!

Ronnie Anne: Don't leave us out of this.

Lincoln, his future wives, and his Guardian Angels pounced on the jerks and they viciously pulverized them hard and the jerks screamed like little girls and gold coins and jewels came exploding out of them like crazy, and when Lincoln and his Guardian Angels were done, the jerks were all mongrelized.

Clyde: Uh oh, and I definitely recognize that sentence from anywhere: whenever Lincoln and his Guardian Angels are about to attack the jerks, those are the very words that we hear, and that's like a death sentence for them.

Syd Chang: And from the sound of it, Ronnie Anne and the other future wives also got in on beating the jerks to a pulp.

Just then, the oven sounded, and Chloe and Syd checked out the turkey, and it was golden brown on the outside and the seasonings were nice and browned, and it was also juicy and delicious on the inside. Clyde and his harem had put everything right, the turkey in the center, accompanied by the side dishes of mashed potatoes, gravy boats, Mac and Cheese Bites, green beans, pizza, and on the side table: drinks and refreshments, and the pies were in the fridge for later.

Clyde: Awesome job, everyone.

Clyde kissed his harem and they also returned the kisses. Just then, Sailor Mercury came to Clyde.

Sailor Mercury: We got done just in time, Clyde, because the rest of the gang's heading back to the World Tree Estate.

Clyde: That was indeed good timing, Ami. Now, let's get cleaned up.

Clyde and his harem got cleaned up, and were back in their original clothes. When we arrived back home, we saw that Clyde and his harem set up an awesome Thanksgiving dinner.

Nico: Holy guacamole!

Lincoln: Clyde, you and your harem did one awesome job in setting up the table and cooking up the food for the Thanksgiving feast.

Clyde: Thanks, buddy. Plus, we heard the screams coming from Flip and the other jerks, that was really wild.

Nico: It got really wild when Lincoln asked J.D. and I to grab the pants of the jerks and then, he fired waves of lobsters and when we let go, the lobsters pinched the jerks all over the place, and when the lobsters pinched them on the crotches, they sang like opera singers.

Me: And when Nico pointed out that one of them was flat, I soon pointed out that all of them were flat.

Buster Bunny: That's when Wakko gave them mallets, and they snuck up behind them, and gave them a good whack on the head with the mallets.

Clyde: Classic Bugs Bunny trick: sneaking up on the unsuspecting maroon with a mallet, and then, giving them a good whack on the head.

Yakko: And you guys included everything for the feast. (Gasps) Oh no, is that…?

Suddenly, Lincoln caught the scent of Mac and Cheese Bites, and his mouth was watering.

Dot: Yep, Mac and Cheese Bites.

Lynn Sr.: I taught Lincoln how to make them, and I also showed it to Clyde, and you were given the warning of what happens if Lincoln catches the scent, right?

Clyde: Don't worry, Mr. Loud, we were careful.

Me: Nice one, 'cause we knew that Mac and Cheese Bites were one of Lincoln's favorite foods.

Nico: And if he catches the scent, he'll go into Zombie Mode and head for the source.

* * *

Later we were all on the ship the U.S.S. Valorous Phoenix and we were heading for a planet that is said to be a world for turkeys.

Poromon, Manaphy, Poliwag, and Horsea: HAPPY THANKSGIVING, EVERYBODY!

Future Sougo: Thanks, guys!

Me: And a Happy Thanksgiving to you guys too.

Nico: And this planet we're going to is perfect.

Lola: Yeah.

Future Sougo: Thanks for getting me out of the Warp though J.D. and you're right I should have a chance to prove myself.

Me: Not a problem Future Sougo.

Sandy Cheeks: We can still watch football on the ship, right?

Me: We sure can. Thanks to the multi-dimensional hyper radio antenna we put into it.

I turned on the Football game on a screen.

Nico: YEAH! GO DETROIT!

Camie: YEAH!

Lynn: WOOHOO! Go Lions!

Xenia: Boy everyone sure loves football.

Lola: Yep.

Vypra and everyone came.

Vypra: Happy Thanksgiving everyone.

Me: You too Vypra.

Dark Spicer: Boy this is gonna be cool finding a turkey for dinner.

Nico: It sure is.

Cutthroat: I'm thankful for the fact that there are no more Cybertronian wars.

Live Action Hound: (sadly) And that means no more slitting the throats of Cons. Damn, I'll miss that.

Lori: That's not something you should literally miss!

Me: Yeah you can still kill rogue robots.

Live Action Hound: That's true. I can still do that. That helps.

Qin: Also I'm thankful that many of our friends are all coming back to us as gene-slammers with awesome powers.

Me: They sure are.

Camie: And I'm thankful that during this whole year alone we got amazing families.

Himiko: Me too. It's awesome. And during Nanette's missions we got me to reconcile with my family.

Misty Tredwell: That's true.

Tracks: I'm thankful for the fact that we discovered the Yost World.

Nico: Me too.

Sunny Starscout: I'm thankful that Opaline is gone.

Qin: Me too!

Lola: All of us are.

Qin: And I'm also thankful that we have most of the Kamen Riders with us. Especially those that helped us out during the 20 Days of Darkness.

Kazuma: That's for sure.

Maria: Nico, which teams have you made?

Nico: Blake's team will include Strawberry Sunrise, Little Audrey, Little Lulu, Betty Boop, and Jessica Rabbit. Alexis' team will include Sasame Fuma, Karura, Mikoto Uchiha, Mebuki Haruno, and Hina Hyūga.

Qin: Wow!

Lola: We haven't met Little Lulu yet but man those were good times

back then.

Me: Ahh brings back memories.

Little Audrey: And it'll be an honor to be part of a group.

Qin: And Jessica Rabbit is awesome.

Mebuki Haruno: She sure is and it'll be an honor to be part of a team.

Mikoto: It sure will.

Hinata: My mother will be really happy about that.

Karura: I agree Hinata. The Hidden Leaf Quintet of Fire has awesome teams!

Kushina: We sure do ya know!

Laney: Quintet of Fire?

Me: Kushina, Mikoto, Karura, Mebuki and Hina we're known as the Quintet of Fire. They were the deadliest group of five girls ever known in the Leaf.

Nico: Cool!

Varie: Yep.

Sakura Haruno: That's really cool that you made quite a name for yourself mom.

Mebuki: I think it's awesome too Sakura.

Nerri: And I'm truly honored to be part of a group too. It's amazing that I am now able to be free from the Willow as well as be part of the world now.

Me: Thanks to the spell I used to free you. You are now able to be part of the world now.

Nerri: I agree. Thanks J.D.

Me: You're welcome.

Alexis: Well, 4 out of 5 on my team is still good.

Me: It sure is. But Kushina will be put on your team as an extra to make it even.

Xenia: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a golden brown planet and it looked like a mountain planet.

Me: Looks like a mountain planet from up here.

Qin: It sure does.

Nico: Wait. Go closer.

We got closer and saw that it was a big planet.

Nico: Lets land.

We got to landing.

We then got out and to our surprise and amazement it was A WORLD MADE ENTIRELY OUT OF ROASTED THANKSGIVING TURKEYS!

Me: WHOA!

Qin: WOW!

Me: It's a planet made of Thanksgiving Turkeys!

Qin: Wow!

Xenia: Oh boy!

Ed: Anyone have gravy for all this turkey?!

Nico: Boy I've never seen so many of them!

Qin: Boy we may never have to go to the Grocery Store or hunt turkeys ever again to get one!

Me: Boy who needs grocery stores, ovens or shotguns when we can just come here for some.

Camie: That is for sure!

Varie: Yeah!

Lola: But this is amazing!

There were billions and billions upon billions of turkeys all over the landscape as far as the eye can see!

Nico: We got to find the biggest ever turkey for our dinner.

Poromon: CUTIE CANNONBALL!

Poromon dove into the turkeys.

BOWLING CRASH!

He was having fun and he ate one and it was good.

Poromon: (EATING) MMM! These are also haggis gravy and gravy covered turkeys!

Zuria: Boy they look awesome.

Gia Moran: This is incredible!

Me: It sure is.

King Kai: (Telepathically to us) Nico, Everyone Can you hear me!?

Nico: King Kai yes we hear you. Is something wrong?

King Kai: First of all Happy Thanksgiving to you guys and second it's good you guys found that Turkey planet. I'm afraid I have bad news! That planet is also where the evil Turkie is at!

We gasped!

Me: Wait the evil Turkey from the movie Thankskilling!? He's back and he's here!?

King Kai: That's right J.D. and you have to be careful! He is on that planet right now and he is quadrupled in size from when you faced him before.

Lola: Not good!

Camie: Who or what is Turkie?

Me: You would not like this guy at all Camie. He is a malevolent turkey monster. He's an ordinary turkey but has a rotten to the core attitude.

I went over his history.

---

Turkie is the main antagonist of the 2007 American independent comedy horror film ThanksKilling and the villainous main protagonist of its "third" sequel ThanksKilling 3. He is a demonic turkey who seeks to kill all the people who have ever had Thanksgiving.

He was voiced by Jordan Downey.

In the 1500s, a Native American shaman named Feathercloud was dishonored by the pilgrim Chuck Langston. Outraged, Feathercloud used necromancy to create Turkie, a demonic turkey. Every five-hundred and five years, Turkie would wander the Earth, killing all white people he came into contact with.

At the first Thanksgiving in 1621, Turkie is first seen killing a topless Pilgrim with a tomahawk while saying "Nice tits, bitch!" and the girl Pilgrim dies later offscreen.

Centuries later, he was resurrected by the hermit Oscar's dog that was peeing on him. He then killed it by biting it. Turkie went back onto killing spree and there are now new weapons after his original life ended and kills a driver with a gun. Turkie then comes across the lustful Ali and her boyfriend Greg making out. He kills Greg by slitting his throat (Ali barely notices) and then he mocks Ali's lust before snapping her neck.

He was with Kirsten's parents (offscreen) and he skins the sheriff (dad) and slits the mother's throat. The teens arrive and think he is the sheriff but when they see the Turkie has fooled them he dressed up as a cartoon turkey which was eaten by one of them named Billy and he ripped through Billy's chest and says "Gobble gobble, motherf-cker, now that's what I call fowlplay". Billy's corpse was mourned by his friend Darren (one of the teens), but later he tries to kill them but gets shot and thought to be killed.

However, Turkie later gets radioactive and kills Darren by ripping out his tongue and heart, he injured Johnny but Kristen killed him by lighting him on fire and onto his tepee (which he lived in as an Indian which he was before coming as a possessed turkey) killing him. He later was revived as meat and attacks a family setting the sequel ThanksKilling 3.

---

When I was done everyone was shocked!

Camie: Whoa man!

Qin: That is awful!

Nico: I remember that ugly turkey from last year! Too bad we didn't eat him.

Lana: Well now we're going to after we give his spirit the Black Gates.

Vypra: Good idea.

King Kai: I know you guys can do it.

Maria: Also, we found out that there WAS an evil version of you.

King Kai: I heard Maria. That was universe 666's King Kai.

Me: Universe 666? Sounds fitting for the evil version of us.

King Kai: Yes it sure is. But be careful guys. This is one bad turkey you're facing.

May: Where is he?

Eli: I sense that he is over that hill 200 klicks to the west.

Qin: Perfect.

Vypra: We'll make that turkey a great dinner.

Nico: Yep. A true Thanksgiving meal.

Helena Nicos: This will be awesome and good.

Qin: Yeah!

Xenia: Lets go make that bird a forgotten memory by eating him and putting him in our stomachs.

Nico: I call the legs!

Poliwag: Can't we eat some more turkeys first?

Nico: Poliwag we'll have plenty of turkeys to eat from here when we get home. But after we kill Turkie he will be the main course. Besides we can't have that disgrace of a turkey wandering around. He is a danger to the world and us.

Varie: That's right. He may be an evil turkey but he is still a turkey nonetheless and we're going to kill that bird and banish his spirit to the black gates and then eat him.

Eddy: Alright. But we're eating more turkeys on the way.

Nico: (Sighs) Fine.

Eddy: All right.

Everyone got to eating as we walked to the hill.

Me: Boy this planet is incredible.

Varie: I've never seen so many turkeys.

Camie: They sure are awesome.

Eddy: (Eating Turkey) But they sure are amazing.

Me: Yeah they are.

Ed: (LAUGHS) Stuffing Anybody!?

Eddy: Shut up Ed.

Xemia: (Eating) Mmm! Good turkey!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, and Lisa's Third Eye of The Buddha glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was: the figure was none other than Hoyt Volker, the deranged slave and drug trafficker and drug kingpin and the true main antagonist of Far Cry 3, and he's coming here to cause havoc and get revenge on us for killing Vaas Montenegro and the Pirates yesterday. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know those glowing eyes from anywhere. Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, is someone else coming after us?

Lincoln: You guessed it, Rayman, and we're not going to like it one bit: the dark energy signal we sensed belongs to deranged slave and drug trafficker and ruthless drug kingpin, Hoyt Volker, and he's coming here to not only cause havoc, but to also get revenge on us for killing Vaas Montenegro and the Pirates yesterday.

We gasped.

Nico: Oh man, now we've drawn in the big fish, the main head of the drug empire.

Rayman: Just as I thought. After you, Elena Brogan, Lord

Nobunaga, and I destroyed and killed Vaas Montenegro and his faction, The Pirates, yesterday, word of their brutal deaths reached Hoyt Volker, and now, he wants revenge on us for killing his enforcers. Lincoln, is the entire Privateer faction with Hoyt?

Lincoln: They are, Rayman. Wait a second, are you planning on…?

Rayman: Yeah, just like with Montenegro's faction, I'm going to kill The Privateers.

Ursula Truaigheaingeal: (Scottish Accent) While Linky and I deal with Hoyt Volker, and end his drug and human smuggling empire for good.

Lincoln: You got it, Ursula, but watch it with the Privateers, Rayman, unlike Vaas Montenegro and the Pirates, The Privateers are much better equipped and organized, wearing tactical gear and using state of the art weaponry, and most of the Privateers have military training, and fight professionally.

Rayman: They'll be a much bigger challenge than the Pirates, but I've always got a few tricks up my sleeve.

Nico: Whoa, so not only are you going to get rid of Hoyt Volker's crew, Rayman, but you gave Lincoln and Ursula Truaigheaingeal the job of getting rid of the drug kingpin himself, and in the process, this is going to mean the end of Volker's drug and human smuggling empire once and for all.

Me: I absolutely hated Hoyt Volker, he's a deranged, sadistic, and cold-hearted psychopath and to make it worse, he's someone who specializes in human trafficking and slavery, along with being a drug kingpin, he really deserves to die.

Nico: Big time.

Lincoln: But of course, there's also a villain waiting there for us here, and once we get done with Turkie, you're next, Hoyt Volker.

Rayman: Your hour of judgement is finally coming for you, you twisted psychopath, and you're going to pay for all those lives that you and your thugs have cold-heartedly ended, and you get to watch as I kill every last one of your ruthless thugs. (Purple eyes turn neon purple)

We knew that Rayman was serious about ending Hoyt Volker's thugs, and the same can be said for Lincoln and Ursula Truaigheaingeal with ending Hoyt Volker himself and putting an end to his entire drug and human smuggling empire once and for all.

Lola: Boy we're going to be busy.

Me: Yeah but that's after we destroyed.

Qin: But it will all be worth it.

Vypra: And guys I have new weapons for you all.

She opened a safe and in it was a bunch of brand-new hand-cannon Blasters, this time, it's for the Archfiend Gene-Slammers in Nico's harem.

For the Archfiend Gene-Slammers in Nico's harem: hand-cannon Blasters named Archfiend Infernal Chess Firestorm Fury and modelled after Mario's Lightning Shark blaster and Rabbid Peach's Fuchsia Fury blaster, but the hand-cannon blasters' colors scheme are black with elemental forces on the blasters and the Archfiend Monsters they were Gene-Slammed into etched on the side, and colored gems on the top of the blasters.

Once in hand, they'll get a massive power and energy increase.

Nico: Awesome! Thanks Vypra.

Luan: Yeah these are perfect.

Vypra: I figured since there are no usual battles today, you would get a freebie.

Nico: Thanks Vypra.

Qin: It's perfect. You guys gonna do some Black Friday Shopping tomorrow?

Dark Spicer: You bet we are. I am going for the 75% off deals at all the stores.

Me: Nice!

Qin: Me and Nico and Lincoln are going for the 95% off deals on the video games.

Me: All sorts of deals for us at the mall.

Nico: That's also my next rescue is at the mall.

Camie: Oh boy.

Eclair: This is gonna be an awesome Black Friday shopping excursion.

Qin: It sure is Eclair.

Eclair: I hope I get to burn and roast that turkey.

Laney: So do I.

Bane: (Spanish Accent) Me too amigos.

Vanitas: Same here.

Nico: I am just excited to eat turkey and have an awesome pizza too.

Helena Nicos: Me too.

Lola: And with all the planets we went to we'll havc enough Thanksgiving leftovers to last a long time.

Qin: I hope we encounter Christmas Food planets next.

Me: Boy that would be awesome!

Lola: Yeah it sure would!

Xenia: Boy can you imagine a planet made of Egg Nog?

Sasuke: That would be interesting.

Mikoto: It sure would.

Timmy Turner: I would love to see a planet where Every Day was Christmas.

Nico: That would be interesting. I heard one time Timmy you wished that every day would be Christmas.

Timmy Turner: I sure did and that was crazy.

Me: If that were to happen on Earth like it did before the entire planet would be put into total gridlock.

Varie: That is true.

Qin: Yeah.

Camie: But it's not going to happen again.

Wanda: That's for sure Camie. We made it a big rule to never grant a wish like that again.

Camie: Good call.

Me: Yeah. Oh Crocker you are not obsessed with Fairies like your Prime Universe counterpart was right?

Good Crocker: No I'm not. After what happened on March 15th, 1973 I vowed that I would be a good guy and help people in fighting evil. I vowed to destroy bad people like TLES.

Me: Good for you.

Maria: That turkey is very bad.

Nico: You're not kidding there. And I remember watching the movie Thankskilling too. That was a CRAZY ASS movie.

Brittney: It may have been a crazy movie but it was wicked.

Lola: Scary too.

Me: Too bad we didn't get to eat him. But this time we will.

Good Crocker: And besides, on my world, the fairies I encountered are evil. With a few exceptions of course.

Me: Lemme guess the Anti-Fairies are good and the good fairies of that world are evil.

Good Crocker: That's right.

Me: Wow! What a twist.

Nico: No kidding. Boy Universe 666's heroes are really bad news.

Lola: No kidding!

Nico: Wait a second. If this is the Prime Universe's Turkie and he is evil then that must mean that Universe 666's Turkie is good

Good Crocker: He sure is.

Me: Whoa!

Good Crocker: And yes, I am a good teacher. But the Timmy I'm familiar with is a bad student and a bully.

We gasped!

Me: Whoa! He is a thug!

Bart: Ay Caramba! And I thought I was a bad student.

Me: And Francis must be a good kid too and Chester, A.J., and Elmer are bad too right?

Good Crrocker: That's right. Chester's dad is mean and abusive and he is a bully, A.J. Is dumb and stupid and also Elmer doesn't have that huge boil.

Me: I see. No offense to Elmer but that Boil is really gross.

Qin: Yeah.

Me: Hmm. And I'm willing to bet that the Anti-Fairies of Universe 666 are granters of Good Luck and not BAD Luck.

Nico: I have that same feeling myself.

Good Crocker: You'll learn more in the future.

Me: It'll be interesting to learn more about your world.

Spyro: It's very similar to what happened in the Magical Mirror World we went to. We found out that the Skylanders are bad and Master Eon went by Evil-on and Flynn, Persephone and Cali were evil. And Kaos was good and the trolls are good and the Mabu were bad. Also Glumshanks went by Glad-Shanks.

Nico: Wow that is amazing.

Me: Very coincidental.

Horsea was eating turkeys left and right.

She was REALLY HUNGRY!

Me: Whoa Horsea is really hungry!

Maria: (LAUGHS) She sure is. Horsea save your appetite for the main course.

Horsea: Okay.

Me: Hmm. This whole Team Loud Evil Storm world has me absolutely intrigued. I was scared of this world and this evil version of us at first. But now it has me intrigued. I want to learn more about it and find out more.

Nico: It sure is fascinating. And I'm shocked about Evolt being good there.

Good Crocker: Yes he is a good guy and the Build Team was evil too.

We gasped!

Me: If that's the case then that must mean that ALL the Riders villains are good and the Riders are bad.

Good Crocker: Yes. But like I said you'll learn more soon.

Me: Looking forward to it. The Evolt of the Prime Universe was one seriously fucked up asshole hellbent on destroying the entire universe.

Nico: Yeah. Same with Storious and Swartz.

Lola: Yeah. But they are all destroyed.

Me: But lets worry about it later.

Nico: Yeah.

Wolverine: (sniffs) So many turkeys here. But only one of them is rotten.

Horsea: (Eating a turkey) These are all good turkeys.

Eli: And I sense an evil turkey close. Turkie is near and he is over that hill.

Qin: Awesome.

Nico: Lets go.

We went over the hill and we saw A HUGE GINORMOUS HUMAN SIZE TURKEY! It was TURKIE!

Nico: There he is and look at the size of him!

Me: He is DEFINITELY going to be a good meal for us.

Lola: Yeah.

Qin: Entrance time?

Nico: Like you even have to ask Qin.

We went at him.

Turkie was looking for us and then the spirits of Thanksgiving appeared and they swirled around him.

Turkie: What the fucking hell is all this!?

Then the spirits swirled around him and converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and fireballs rained down and they hit him and then a phoenix cry was heard and we came out.

Me: Gobble gobble motherfucker!

Turkie: HEY! You fucksack, That's my line!

Nico: So? That's what we said to you last time!

Turkie: Doesn't matter you fuckwad! Because I will kill all of you, you motherfuckers!

Qin: You're the motherfucker you fuckup!

Lola: Yeah! And we're going to burn you and then we're going to eat you!

Turkie: Good luck with that you fucking brat!

Tayuya: And I thought my fucking mouth was fucking A bad!

Me: This guy is really a motherfucking fuckhole bad turkey!

Poliwag tried to bite on Turkie's head.

CRUNCH!

Turkie: OW!

Poliwag: BLECH! You taste like rotten ham mixed with raw sewage!

Nico: That's because he isn't cooked!

Nico teleported and grabbed Poliwag and I kicked Turkie and smashed him down.

Qin: This is what you get for disgracing Thanksgiving!

Me: You want to kill people but we're going to kill you and then we're going to EAT you!

Xenia: Yeah!

Eddy: Eat lasers you rotten turkey!

Eddy fired his blaster at Turkie.

He blasted Turkie all over the place!

Qin: How about a little fire you rotten feather duster!

She fired a wave of fire and burned him all over!

Me: Watch this.

I teleported and then…

RIP!

Turkie: YYYYYYYEEEEEEEEEOOOOOOOOOOOCHHHHHH!

I ripped his tailfeathers off!

Nico: Yikes!

I teleported back and gave them to Serena.

Serena Honoua: Wow I know what to do with these.

She stuck them to her butt and they instantly turned into FIERY PHOENIX FEATHERS!

Qin: COOL!

Nico: Yeah!

Serena Honoua: I look awesome with Phoenix Tail Feathers.

Lola: You sure do.

Turkie: I will rip you in fucking two you motherfucking asshole!

Me: Up your fucking nose with a fucking rubber hose!

Troy: We're thankful for having you as dinner!

Tsukasa: After we kill you, of course.

Me: And you will taste good with gravy, stuffing and potatoes!

Kamen Ride: Zenkaizer!

Kamen Ride: All Another Riders and Rangers!

Tsukasa turned into the Zenkaizer and Daiki summoned clones of ALL the Another Riders and Rangers!

Megaforce Rangers: LEGENDARY RANGER MODE! FOREVER GREEN AND RED!

Troy, Gia, Noah and Jake turned into the Green Mighty Morphin, Green Lost Galaxy, Green Zeo and Green Lightspeed Rescue Rangers and Emma, Lilith and Orion turned into Red SPD, Red Mystic Force and Red ToQgers!

Nico: Ooh nice Christmas theme.

Qin: Yeah!

Troy: Thanks.

Ed poared gravy on Turkie.

Ed: Gravy!

We laughed!

Me: How do you like that meat asshole fucker!?

Laney: Eat Sweet Potatoes!

She grew Sweet Potato catapults and fired them and smashed him all over the place!

BONK BOOF BONK WHAP WHAM!

Nico: Yeah!

We were really letting him have it.

Cutthroat, Tracks, Sandy and Future Sougo used the Earth Cyber Planet Keys and they enhanced Cutthroat's fire, Sandy's powers, Tracks's Black Beam Gun and Future Sougo's powers 100-fold.

Future Sougo and Cutthroat: FUTURE TIME FLAME BLAST!

Sandy and Tracks: TEXAS BLACK BEAM FURY BLAST!

They fired waves of energy.

Nico, Me, Eli, Twilight Sparkle, Helena Nicos and Allie Knudson: THANKSGIVING PILGRIM MEGABLAST!

We fired a massive blast of energy.

Lincoln: THANKSGIVING ELEMENT STYLE: TURKEY!

Hilda: THANKSGIVING FIRE STYLE: MASHED POTATOES!

Yuna: THANKSGIVING WATER STYLE: STUFFING!

Toph: THANKSGIVING EARTH STYLE: GREEN BEAN CASSEROLE!

Tatsumaki: THANKSGIVING WIND STYLE: DINNER ROLLS!

Sari Sumdac: THANKSGIVING LIGHTNING STYLE: GRAVY!

Shantae: THANKSGIVING MAGIC STYLE: CRANBERRY SAUCE!

Sunset Shimmer: THANKSGIVING FLAME STYLE: PIZZA!

Makoto (Street Fighter): THANKSGIVING LIGHT STYLE: APPLE PIE!

Ibuki: THANKSGIVING DARK STYLE: PUMPKIN PIE!

Jessica Shannon: THANKSGIVING STING STYLE: PECAN PIE!

Peni Parker: THANKSGIVING WEB STYLE: SWEET POTATO CASSEROLE!

We fired waves of energy and elements and they formed into said foods.

Lincoln and his harem: THANKSGIVING FINAL SMASH: THANKSGIVING FOOD TSUNAMI!

They fired a massive tsunami of thanksgiving foods and the blasts all hit Turkie and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down!

Turkie: I HOPE YOU FUCKING CHOKE ON ME!

Me: Heard that one before! Many Times!

I then teleported and then reached my hand down his throat!

Me: Eat these!

Then…

SQUELCH!

I RIPPED OUT ALL HIS INSIDES!

Nico: AW SICK!

Then I slashed his head off!

Then everyone fired a massive blast of fire and he was turned into a ginormous roasted turkey!

His evil spirit then appeared and I gave him the black gates and he was gone for good!

Qin: Good riddance!

Nico: Yeah!

Dark Spicer: That turkey's ass just got kicked!

Xenia: Big time!

Keiichiro: We took him down by force.

Qin: Yep.

He was a perfectly roasted and awesome turkey.

Nico: Now he is safe to eat. Lets get him back to the ship and head home and eat our prize.

Lincoln: Now, that's what I call an end to another awesome Thanksgiving, and that's it for that foul-mouthed evil turkey.

Nico: Yeah, that foul-mouthed demonic turkey was really asking for it. Awesome job, guys, but we're not done yet, there's still the matter of Hoyt Volker, and his faction, The Privateers, to deal with, and that drug kingpin should be arriving… right now!

?: I will kill every last one of you for crippling my empire, Team Loud Phoenix Storm!

Rayman: (Sighs) Should've known there's no mistaking that anger-laced voice from anywhere. Don't you know when to give up, Hoyt Volker.

A figure came out, and it's none other than Hoyt Volker, the deranged drug and human smuggling kingpin, along with his faction, The Privateers, a massive band of well-equipped and well-trained professional mercenaries and killers.

Nicole: Hoyt Volker, you already know that a lot of people want you dead for all the gruesome things you and your bastard associates have done, including us.

Hoyt Volker: You fools will never get that chance, ever! Boys, kill them all!

The Privateers were about to attack, but Rayman hovered into the air and he fired a dark energy ball at the incoming Privateers and sent them flying back, but none of them were injured. Then, Rayman lands back on the ground.

Rayman: There's no way you or your mercenaries are endangering any innocent people, Hoyt Volker.

Ursula Truaigheaingeal: (Scottish Accent) That's right, and now, you've got to deal with us.

Suddenly, Ursula Truaigheaingeal's pink eyes turned neon pink and she was surrounded by a pink energy aura with Celtic symbols, darkness, light, succubi, and angels, she unholstered her massive Ghostrick Angel of Mischief-themed greatsword from her back, and as she approached Hoyt Volker, she left pink energy, Celtic symbols, darkness, light, succubi, and angels with every step.

Ursula Truaigheaingeal: (Scottish Accent) You absolutely make me sick, Hoyt Volker, you're not only a unrepentant insane psychopath, but you have an absolute disregard for human life, what you and your associates have done in trafficking and enslaving innocent people, not to mention trafficking drugs, can never be forgiven, and now, I will see to it that you and your entire faction are wiped off of the face of the earth, along with your entire drug empire.

Suddenly, Ursula Truaigheaingeal was surrounded by a massive vortex of pink energy with darkness, Celtic symbols, and light surrounding the vortex, there are succubi, angels, and Ghostrick Angel of Mischief flying around the vortex, and in the vortex is a black phoenix. Then, as the vortex faded, Ursula Truaigheaingeal emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Ursula Truaigheaingeal grew from 6'5" to 7'4" in height, she has the body of a goddess, she has black highlights in the bangs of her long flowing pink hair, she has neon pink eyes and a pink energy aura with Celtic symbols, darkness, light, succubi, and fallen angels surrounding her, she has the Dark Kanji in the hands of Ghostrick Angel of Mischief emblazoned on her forehead, she has on succubi earrings with pink gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Ghostrick Angel of Mischief with pink gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her pink angel-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Ursula Truaigheaingeal has on a sleeveless pink and black vertical striped midriff top, pink skirt, black shorts, brown knee-high high-heeled boots with butterfly buckles, black gloves, and long white sleeveless trenchcoat with Celtic symbols, darkness, light, succubi, and angels on the coattails, and on the back is Ghostrick Angel of Mischief and a succubus surrounded by Celtic symbols, light, and darkness. Suddenly, Ursula Truaigheaingeal felt a sharp pain on her back, and then, her massive pink angel wings with black tips on the large pink feathers and black bat wings grew much bigger for her new body, she has on a Ring of The Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and heart shaped gem embedded in it on her right ring finger which also merged with her Guardian Angel of Lincoln Loud ring and Star Sapphire ring on her left ring finger, and Stone of Gelel embedded in the back of her left hand.

Suddenly, Ursula Truaigheaingeal's massive Ghostrick Angel of Mischief-themed greatsword and all the other swords she'd gotten began merging together and they're surrounded by a kaleidoscope of pink energy, Celtic symbols, darkness, light, succubi, and fallen angels, and when it emerged, it was transformed into Ghostrick Angel of Mischief's Celtic Darkness Light Succubi Archangel Greatsword of Celtic Darkness Succubi Angel Justice, it's a brand-new massive greatsword with Ghostrick Angel of Mischief etched on the 7'0" massive, wide, double-edged pink blade, large pink angel heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large pink angel heads and a large pink gem below the angel heads for the pommel, she has on her new brand-new large gold cuff Bracelets of the Champions of The Universe with pink gems on her wrists, new large gold Belt of Elemental Bravery with a gold version of Ghostrick Angel of Mischief's heads with pink gems for eyes and a large pink gem in its mouth for the belt buckle, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and her Eater of Sins revolver holstered on her left hip. There's a pink kanji below Ghostrick Angel of Mischief that said, "Ursula Truaigheaingeal, Gene-Slammer of Ghostrick Angel of Mischief, Scotland's Succubus Angel of Darkness and Light, Powerful Master of Darkness, Talented Anime Cosplayer, Loving Guardian Angel and Future Wife of Lincoln Loud, Archenemy of Voltix, Smasher of Dark Lola, Cousin of Morrigan Aensland, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Light, Succubi, and Angels"

Ursula Truaigheaingeal has transformed into SUPER ANGEL-SUCCUBUS-ANGEL CELESTIAL ETERNAL XELNAGA CELTIC SUCCUBUS DARKNESS LIGHT GHOSTRICK MISCHIEF ANGEL OF DIVINE CELTIC DARKNESS LIGHT CELTIC SUCCUBUS ANGEL JUSTICE AND DIVINE CELTIC DARKNESS LIGHT LOVE!

We were amazed by Ursula Truaigheaingeal's Super Angel Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Hoyt Volker saw it, he ordered one of his men to kill her and decapitate her, but Ursula Truaigheaingeal fired a powerful pink energy blast with Celtic symbols, darkness, light, succubi, and angels at the Privateer and it hit him with incredible power and she drained him of his life force and he turned into a desiccated corpse, and the sight of what'd happened pissed off Hoyt Volker and his men badly.

Morrigan Aensland: (Scottish Accent) This is truly amazing, Ursula's transformed.

Lincoln: And that energy blast she fired at that Privateer caused her to drain him completely of his life-force and she absorbed it, and Ursula, you look beautiful, how do you feel?

Ursula Truaigheaingeal: (Divine Echoing Cosmic Voice of The Celtic Ghostrick Succubus Mischief Angel and Divine Celtic Darkness Light Succubus Angel Love) (Scottish Accent) **I feel incredible, Linky. Now, shall we deal with Hoyt Volker once and for all, while Rayman deals with The Privateers?**

Lincoln: (Smiles) With pleasure, Ursula.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Ursula Truaigheaingeal.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Your days of causing death and destruction are over, Hoyt Volker, now it's time for you to die.**

The Privateers saw that Lincoln and Ursula Truaigheaingeal were about to go after Hoyt Volker, and that's pissed them off.

Privateer Assaulter: Hey, those assholes are going to kill the boss. Get them!

The Privateers were heading straight for Ursula Truaigheaingeal and Lincoln to kill them before they got after Hoyt Volker, but Rayman fired another blast of dark energy, and it formed into a dark barrier to keep them from getting to Ursula Truaigheaingeal and Lincoln.

Rayman: Oh no, you don't, you thugs aren't getting anywhere near my friends, and now, it's time for you all to die.

Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and he transformed into Super Angel Celestial Eternal Xelnaga Infinity Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and he went after Hoyt Volker's mercenaries, and he fired powerful blasts of purple and red energy, light, dark energy, Lums, fairies, and dragons at Hoyt Volker's thugs, and they exploded with incredible power as they hit them. Then, Rayman attacked them with his massive greatsword and he left scars on them. Then, Rayman fired blasts of darkness from his left hand into the air and bolts of dark energy rained down on Hoyt Volker's thugs.

One of them tried to shoot at Rayman, but he flew at superhuman speed and he thrusted his massive greatsword into the Privateer's chest and he retracted his massive greatsword and tossed him away, but it also granted his massive greatsword a dark purple aura: an attack that only Nobunaga Oda has.

Privateer Sniper: That's it, kill him!

The Privateers got out their guns and were about to fire, but Rayman used another attack of The Demon King: Nobunaga's Level 3 Musou attack from Samurai Warriors 2 and its Xtreme Legends expansion.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) **You dare to resist me?**

Suddenly, the area turned dark as Rayman glides along the ground slashing his massive greatsword from left to right wildly, slashing and cutting down Hoyt Volker's mercenaries, and random pillars of dark energy that burst out of the ground around him as he dashes at them. Then, he finished with the turning outward slash, a spin-turn to his left for a reaping slash, and slides via a light-hover into a braking outward slash, and a dark energy shockwave comes outward from Rayman as black feathers and a dark energy aura came out of the ground.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) **Then, you dare to die!**

We immediately saw that Rayman had cut down and slain all of Hoyt Volker's mercenaries and it was a mess. Then, Rayman fired more blasts of darkness from his left hand into the air and the thousands of bolts of dark energy with the Judgement Kanji rained down on the souls of Hoyt Volker's thugs, and all of the Privateers were sent to The Black Gates forever.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade Fairy Dragon and Divine Celtic Dream Moonlight Hope) **That's it for all of Hoyt Volker's mercenaries, now to go help Lincoln and Ursula Truaigheaingeal deal with Hoyt Volker himself.**

Rayman made the dark energy barrier disappear and he then joined with Ursula Truaigheaingeal and Lincoln.

Rayman: (Divine Echoing Cosmic Voice of The Celtic Dream Glade

Fairy Dragon and Divine Celtic Dream Moonlight Hope) **I've put every last Privateer out of their misery and their souls have been sent to The Black Gates, guys.**

Ursula Truaigheaingeal: (Divine Echoing Cosmic Voice of The Celtic Ghostrick Succubus Mischief Angel and Divine Celtic Darkness Light Succubus Angel Love) (Scottish Accent) **Awesome job, Rayman.**

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) **Now you're all alone, Vaas Montenegro, all of your men have been destroyed and you're already out of options. Now, all that's left is for us to kill you and send you to join your men in eternal torment.**

Hoyt Volker: You, you, I will kill every last one of you for this!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Bring it, drug addict!**

Ursula Truaigheaingeal, Lincoln, and Rayman went after Hoyt Volker, who tried to fire at them with his firearms, but Ursula Truaigheaingeal and Lincoln fired blasts of darkness and light and disarmed the drug kingpin, and then, they fired extremely powerful blasts of rainbow energy, pink energy, red and purple energy, dark energy, crosses, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, fairies, Lums, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Vampires, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Succubi, Incubi, and

Mermaids at Hoyt Volker, and they exploded with incredible power as they hit him, and they attacked him with powerful slashes from their massive greatswords, and they left nasty scars on him.

This was really pissing off Hoyt Volker badly, but Ursula Truaigheaingeal, Lincoln, and Rayman were just getting started. Lincoln and Ursula Truaigheaingeal fired blasts of dark energy at Hoyt Volker and they blew him across the field and the dark energy blasts left nasty scars on him, and they're really pissing him off.

Me: Oh man, they're really pissing Hoyt Volker off badly.

Nico: Big time, and this is really awesome.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Ursula Truaigheaingeal, her hand-cannon Blaster is known as Ghostrick Angel of Mischief's Celtic Darkness Light Succubus Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's pink with darkness and light on the blaster with a Phoenix, Angel, Succubus, and Ghostrick Angel of Mischief surrounded by darkness and light etched on the sides, and a pink gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Ursula Truaigheaingeal fired blasts of rainbow energy, pink energy, and elemental forces at Hoyt Volker and as they hit him, they exploded with incredible power, and they drained him completely dry of his life-force, killing him. Then, as they holstered their hand-cannon Blasters, Hoyt Volker's spirit appeared, and Rayman fired a blast of dark energy with the Judgement Kanji and as it hits Hoyt Volker's spirit, he was condemned to The Black Gates forever. We cheered wildly for what Ursula Truaigheaingeal, Lincoln, and Rayman did to Hoyt Volker as they holstered their massive greatswords on their backs and powered down, and Ursula Truaigheaingeal's new body, clothes, weapons, jewelry, and massive pink angel wings and black bat wings are permanent.

Elena Brogan: That'll teach you, you psychopathic lunatic. Rayman, thank you for helping me with putting an end to Hoyt Volker and his Privateers Faction, especially you too, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Ursula.

Rayman: Just doing my job, I wasn't going to let that psycho get away with it.

Rayman came back to us, and suddenly, Ursula Truaigheaingeal wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive and wide muscular pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ursula Truaigheaingeal's face, they kissed passionately as Ursula Truaigheaingeal's left arm was still wrapped around Lincoln's wider and muscular back, but she moved her right arm and her right hand onto Lincoln's massive and wide muscular right pec, and behind them was a Thunderbird, Phoenix, Succubus, Angel, and Ghostrick Angel of Mischief flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces behind them and we cheered wildly. Lincoln and Ursula Truaigheaingeal came back to us, as the display and Ghostrick Angel of Mischief vanished.

Nico: That was truly an amazing battle, Rayman, you did awesome in getting rid every last one of Hoyt Volker's Privateers, and I was intrigued that you used Nobunaga Oda's attacks for that, and for the final part of the battle, Lincoln, Ursula and Rayman, you all did really great in destroying Hoyt Volker once and for all.

Lincoln: Thanks, Nico, and this brought a permanent end to Hoyt Volker's drug and human smuggling empire once and for all.

Daria Kuso: If there's one thing we hate, it's drug lords who have a complete disregard for human life and care only about money, and any who get in their way are found murdered. Oh, Lincoln, what Gene-Slammer are you hoping to meet tomorrow?

Lincoln: That's a good question, Daria. Ooh, I have an idea: how about Fusion Gene-Slammers for Crystal Beast Ruby Carbuncle and Advanced Crystal Beast Ruby Carbuncle, Crystal Beast Amber Mammoth and Advanced Crystal Beast Amber Mammoth, Crystal Beast Topaz Tiger and Advanced Crystal Beast Topaz Tiger, Crystal Beast Emerald Tortoise and Advanced Crystal Beast Emerald
